# 7th Annual Boat Races Elected State JC Vice-President

At the district meeting of the Michigan Jaycees in Manchester, Michigan, Manchesters local Jaycee President, James Francis Curley, was elected the first Michigan State Vice-President from his local chapter in their nineteen year existence.

Mr. Curley resides at 503 E. Main Street, Manchester, with his wife Vicky and their four children. Vice-President Elect Curley was born in Cranston, Rhode Island, the son of Mr. and Mrs. Francis

Mr. Curley attended Cleary College and Southern Illinois University. He is also an active member of St. Mary's Roman Catholic Church and the local Manchester, Knights of Columbus.

Jim Curley joined the Jaycee organization in 1964. He has serviced most offices from director to local president. He was selected out-standing Jaycee of the year, 1971-72; Spark Plug Award for the year 1972-73; and placed 3rd in District 28 Michigan Jaycee speak-up con-

Mr. Curley is presently superintendent of Ford Motor Companys Ypsilanti plant, having risen from foreman to general foreman to his present position this

Don Lund, associate atheletic director at the U of M and general chairman of this year's show, promises that the May 12 program will offer something for everyone. The "Scout-O-Rama" will be held on two levels under the grandstands of the world-famous stadium. as well as having several camping and pioneering displays set up around the perimeter of the structure. Participating will be Cub Scout Packs, Scout Troops and Exploring Posts, each with ample opportunity to "do their own thing" for the public's viewing pleasure.

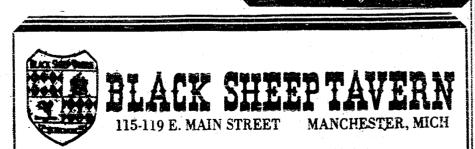

On display will be everything from handicrafts to rustic structures (towers, a "Paul Bunyan" fire-making device, "monkey-bridges", etc.) Or, you might want to take in a display on drug-abuse and what Scouting is doing to combat it. For those who appreciate authentic "Americana", there will be Indian dancing as practiced by the original woodland inhabitants of this area. These are just a few of the many displays and events that will be part of the all-day program.

It is probably one of the most inexpensive activities that a family can take part in; cost for a ticket to admit a whole household is only \$1. With this new and lower price it is hoped that thousands will turn out to see for themselves that "Scouting today's a lot more than you

During the spring career-service qua er, students pursue significant social service programs or explore career openings provides pre-program orientation and counseling, as well as job placement and on-the-job visitation.

Students make their own selection of jobs, rather than being assigned to specific positions. This year, for example job placements were made in twentyfour states and six foreign countries. Som of this year's positions include one with the National Center for Atmospheric Research in Boulder, Colorado; social work with the Sioux Indians in South Dakota. inder the auspices of the YMCA; and a number of situations offering training in education and counseling fields.

The career-service program, now in its seventh year, was designed to provide xperience in a job related to the academic work and future career interest of each student. To date, over 1,600 stuients have participated in this program.

After the career-service quarter, the sophomores return to campus on June 26 for a summer in residence before beginning six months of foreign study during their junior year.

Participating in this program from our area is William Cray, son of Mr. and Mrs. William K. Cray of 19825 Sharon Valley Road, Manchester, Michigan. He is a laboratory technician and assistant to the pathologist at the Pathology Association of Southwestern Michigan, situated in Benton Harbor, Michigan.

FOUR WEEK WORKSHOP BEING PLANNED friends and relatives about what they

Five area congregations will conluct a four week workshop on sharing the Christian faith beginning 8:00 p.m. on Thursday, May 10. The workshop will be held at Bethel United Church of Christ, 10425 Bethel Church Road in Freedom Township. The sessions are being held as a part of the Key 73 study-fellowship program organized by the five congrega-

The congregations taking part in the in areas of personal interest. The College Key 73 activities are Sharon United Methodist Church in Sharon Township; Bethel United Church of Christ and St. Thomas and Zion Lutheran Churches in Freedom Township; and St. John's Lutheran Churc in Bridgewater.

Featured speaker for the workshop will be Pastor Paul Foust, director of stewardship and evangelism for Lutheran Church - Missouri Synod congregations in Michigan. Pastor Foust has devoted considerable time over the past few years to developing and teaching an effective method of talking about the Christian faith which can be used by any Christian. The method emphasizes that the Christian faith is something to be shared and not something to be sold to or argued with another person.

All area residents are invited to participate in the workshop.

In a recent meeting held to discuss the workshop, Pastor John Morris from Zion Lutheran Church said, "We feel a workshop like this one will fill a real need in our community. Many people would like to say something to their

believe, but so often they don't know what to sav. This kind of program will help us to learn what to say and how to say it." "In addition," said Pastor Daniel Mattson from St. Thomas Lutheran Church "the emphasis that any Christian can share his faith is a good one." Pastor Michael Peterlin from Sharon United Methodist Church agreed and added, "We have to get away from the idea that only ministers are qualified to say anything about the Christian faith."

Pastor Roman Reinick of Bethel United Church of Christ placed the workshop against its larger Key 73 background. "Our congregations have experienced great benefits from the Key 73 program. We've learned of the many advantages which come from working together, he said. "Further," commented Pastor Dennis Falk from St. John's Lutheran Church, "the tremendous response we had to our study fellowship meetings in February shows that large numbers of people are looking for opportunities to grow in their Christian faith and for opportunities to share that faith."

All meetings of this session of the Key 73 study fellowship will be held at Bethel United Church of Christ. The meetings will begin at 8:00 p.m. the last four Thursdays in May.

The hour long program which will include a solo by Mrs. Morris, a song presentation by the Primary Group, a reading of the Church's history, and testimonies by the charter members present will be followed by a coffee fellowship in the church basement.

The Manchester Baptist Church began as a Chapel Meeting on the afternoon of the first Sunday in May of 1956. The first services were held in a small building on Main Street that has since become par of the IGA Market. Manchester well remembers their pastor who continued with them for fourteen years, Pastor E. Page Cranston. In just a short time, the congregation outgrew the available space and they purchased the house at 423 S. Macomb Street. On April 1, 1973 a move was made to their present building at 122 E. Main.

On behalf of the membership, Pastor Alan W. Morris extends and invitation to everyone in the area to join in this service of praise and to stay for the refreshments afterward

Phil Krzyzanaik has added much needed depth in the 880.

Our Dutchmen thinciads minus several team members because of injury and sickness squeezed by Clinton High last Tuesday 65-58.

The big guns for the Dutch were double winners Mark Spencer and Dan Beach. Spencer gained his victories in the long jump (18'8") and 100 yd. dash (10.7) over previously undefeated Clinton sprinter Kevin Kirkland.

Beach came away with two field event victories, Dan won the high jump at 5'8" and the pole vault 10'6". Beach was also a second place finisher in the high hurdles for a total of 13 points.

Junior Tom Guenther blazed by the mile mark at 5:15 on his way to a new school record 10:48.5 clocking in the 2 mile run. Guenther shattered the old record of 11:02 set in 1968 by Randy Fielder.

Bruce Cray, a former hurdler, found the half mile more to his liking as he breezed to a 2:11 victory. Cray was followed home by teammate Phil Krzyzanaik who was 2 seconds behind.

Cray also garnered a 3rd place in the quarter mile (57.5) for a good days work.

Junior Scott Gormley, primarily a pole vaulter a year ago used some of his ample strength to gain a 39' 10 1/2' heave in the shot-put, good for 1st

ADDISON TOPS DUTCH THINCLADS

As in the Clinton meet injuries and sickness caused our Manchester High track team to lose many valuable points, but this time it spelled doom, as the thinclads were crushed by the powerful Addison team 77-46.

The Dutchmen could only gain 3 individual and one relay victory against Addison. The individual winners were, Scott Gormley, pole vault 10-6; Mark Spencer, 100 yd. dash 10.9; and Dan Beach, high jump 5-8.

The relay victory was gained by the 880 relay foursome of Dave Guenther, Brad Frey, Kurt Kensler and Mark Spencer. The foursomes time was 1:42 mainly because of Spencers strong anchor leg. The Dutchmen again swept the top

places in the high jump as John Savage

and Bruce Cray again took 2 & 3 to go along with Beach's 1st place jump. Unfortunatly while the dutchmen were sweeping the high jump Addison

was doing like-wise in the shot-put.
Co-Captain Mark Spencer gained
a 2nd place in the long jump and Beach
vaulted 10' for 2nd in the pole vault so
the Dutchmen took a slim 20-16 advantage into the running events.

Of the remaining 11 events the Dutchmen could only muster the 2 victories by Spencer in the 100 and the 880 relay and were out scored 61 to 26 in the running events.

Remaining Manchester High place finishers: 2nds; Bruce Cray (880 & 440), Tom Guenther (2m), Jose Arana (mile), 3rd placers; Phil Krzyzanaik (880), John Roberts (mile), Jeff Bruestle (2 mile), and Brad Frey (220).

"It's not nice to fool Mother Nature!" this concern. They do blame federal TV viewers chuckle when a wrathy Mother Nature, with a single whisk of her powerful scepter, changes a gentle spring day into the fury of winter.

Farmers aren't laughing; to them, weather is a serious matter and all too often, they have been on the receiving end of Mother Nature's temper tantrums. Each season, her many moods have a direct bearing on whether it will be a "good year" or a "bad year" on the farm, and in the market place. Both the farmer and the consumer suffer when the

fickle Mother Nature plays her disastrous tricks.

This year, for instance, she sent out warm spring breezes and rains to tease the buds of fruit trees into a prenature birth then, as if to test the durability of her creations, subjected the tender buds to a treacherous freeze and bitter cold. A-

Hurricane Agnes, responsible for wiping out thousands of acres of onions, and the subsequent shortages and record prices.

These are just a few examples of the

nother of Mother Nature's "triumphs" was

farmer's eternal battles with the weather. But this contest between man and Mother Nature has been going on for centuries, and farmers accept her unpredictability as a part of the gamble involved in their chosen profession.

Consumers find it harder to accept.
When they choose to serve their families naked liver, rather than pay the higher price of the accompanying onions, it's difficult to vent their anger on the weather--after all, how can you boycott Mother Nature?

Farmers don't blame consumers for their concern about inflation; they share this concern. They do blame federal government officials who believe they can fool Mother Nature and the law of supply and demand with price ceilings which will only curb production and lead to black markets. No matter what "magic' formula the government tries to develop, the law of supply and demand will be the determining factor.

Scientists tell us that the day will come when weather can be controlled but in the meantime, Mother Nature will continue to have her say in the price consumers must pay for their food.

Instead of playing five men and counting the four best scores, as we do in our league, we used six and counted the four best. Jeff Wallace, Bob Nickels and Pat Fielder and Dave Benedict gave us a 4 stroke lead. However, Saline's 5th and 6th man shot a 42 and 45 to give them a 6

The Dutchmen suffered their second loss on Friday with the first sudden death match in league play so far. Clinton leads the league with 3-0. At the end of nine, the score was tied at 177. The top four players must play one hole and total the strokes at the end, the Dutch came up two over Clinton. The medalist was Bob Nickels from Manchester who is still undefeated this year along with Pat Fielder at four wins apiece. Jeff Wallace and Dave Benedict are 3 wirs and one loss. The Dutch are 1-1 in league play and 2-2 overall.

The little league wrestling season will come to a close this Friday with the annual tournament sponsored by the Athletic Booster club. Over one hundred area boys from eight years old up through the eighth grade will be competing in thirteen weight classes for individual championships and a team trophy.

The tournament will be held in the high school gym starting at 4:00 p.m. If things go as they have in the past

the finals will start around 8:00 p.m. and the tournament should be over at about 9:30 or 10:00 p.m. There will be a small admission charge for spectators and the Booster Club will be selling sloppy joes, hotdogs, etc. in the High School kitchen.

It should be a great night of fun. Past years tournament was written up in the Scholastic Wrestling News (a national magazine) and the boys always put on a good show. See you there on Friday.

### FIRST ANNUAL BATH TUB DERBY

On Saturday, May 12, in the parking lot of Ann Arbor Pioneer High School Huron Valley Youth for Christ is sponsoring the first annual Bath Tub Derby. Plans for the day include an afternoon of bathtub competition, dinner, and a musical concert in the evening.

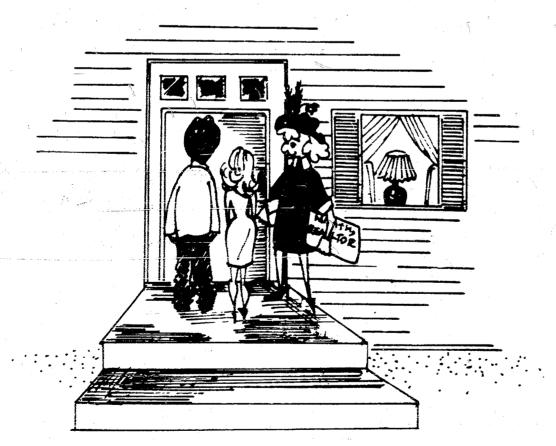

Trophies will be awarded in such areas as creativity and originality in decorating the tubs, as well as for the winners of the races for those tubs with wheels. The races will include fastest tub race, endurance race, and a powderpuff race. Also, a bathtub stuff will be featured to see who can get the most people into one tub.

The First Annual Bath Tub Derby is open to any youth groups from churches civic organizations, or just interested groups of teens who wish to participate. The teens must find their own tubs, decorate as they wish, put wheels on the tubs if they want to race, and find a way to move the tubs to Pioneer High on May 12th. The Derby will begin at 2:00 and run until 6:00 PM. Entry fee per tub is \$5.00. The cost per individual if \$1.00 for the afternoon, or \$2.50 for the entire day's activities, including dinner from 6:00 to 7:00 and the concert beginning at 7:30 P.M.

Registrations for tubs must be sent or called in to Huron Valley Youth for Christ no later than May 10th. The registration fee may be paid on the day

BAND BATTLE '73

A capacity crowd is expected Saturday night to watch the finals of the Saline Jaycee's BAND BATTLE '73. The top bands from last Saturday nights preliminaries will join with the 5 best from the April 21 contest to compete for prizes valued at nearly \$2000 in the RAND RATTLE Finals. Advancing over the April 28 competition were "Revue" from Adrian, "Steel River" from Brighton Ann Arbor Road. Admission is \$2.00 and "Noah Blindside," "Big Guy Boner | at the door. 

Going against them in the finals will be the first weeks winners: "Asylum" from Belleville, "Newport West" from Dexter, "Alexis" from East Lansing, "Squeeze" from Ypsilanti, and "Baker Street Gang" om Ann Arbor.

In last Saturdays contest, nearly 1000 rock fans saw what was reported to be some of the closest competition in the 7 year history of BAND BATTLE. The panel of 3 professional musicians who judge the event had an extremely difficult time in narrowing the field to just 5 finalists. A shift of just 1 or 2 points out of the possible 100, which could be awarded by each judge under the scoring system, could have meant a competely different field for the finals "The quality of the bands this year is perhaps the best, over all, we've ever had", said a Jaycee spokesman.

# IF YOU ARE PREGNANT AND WANT YOUR CHILD ...

In a booklet titled "If You Are Pregnant And Want Your Child," the author, Dr. Thomas Brewer, M.D.

"Dangerous Drugs

You may be given "diet pills" to take away your appetite; drugs like Dexidrene or amphetamines ("speed"). Don't take them!

These drugs are not healthy for you. They are not healthy for your unborn baby. Who would give an unborn baby "speed"? Every drug you take passes quickly into the placenta or "afterbirth" over into the baby's blood stream and body.

The amphetamines are given to kill the hungry mother's appetite. They also give her an unnatural boost. They relieve depression, make her work smoother, and make her feel that she is living a healthier life, even though she is not getting enough to eat. In this way, "speed" covers up her problem of poor nutrition.

You may be given diuretics or "water pills" during your pregnancy. The immediate effect of these pills is to cause your body to eliminate water excessively. They dry you up. Don't take them!

These drugs are not needed to have a healthy pregnancy and a healthy baby. "

If not drugs, Then what?

The bridal bouquet was of pink sweet-heart roses and baby's breath.

The bridegrooms parents are Mr. and Mrs. Dwight D. Dennis of Adrian. Miss. Christina Diehl of Manchester was maid of honor while Mr. David Dennis of Adrian served as his brother's

best man. Attending as bridesmaids were Miss. Terry Koda of Dearborn, cousin of the bride and Mrs. Jack Welsh of Adrian, sister of the groom. Seating the guests were Mr. Michael Koda of Manchester, brother of the bride and Mr. Jack Welsh

f Adrian, the groom's brother-in-law. The bride's attendants were dressed in identical gowns of pastel pink sat de peau fashioned with Victorian styling of a high neck, square yoke bodice and satin cumberbum waistband. The apron effect skirt featured two teirs of ruffles sweeping up the side of the skirt to the back of the waist with a satin bow at the waistline. They wore pink picture hats with satin hatbands, bow and streamers and carried white doiley nosegays of assorted pink, white and lilac flowers.

A reception was held at the Freedon Township Hall following the ceremony.
Mrs. Philip Koda of Dearborn, aunt of the bride, served cake.

Rehearsal dinner was hosted by the groom's parents Friday evening at the

Country House in Tecumseh. After a wedding trip to West Palm each and Orlando, Florida the newly weds will reside in East Lansing.

We now have several dogs in homes These families don't have to be expert dog trainers. Quite the contrary, the dogs need only to be house broken and socialized to every day life situations. The Rochester Leader Dog School for the Blind will do the obedience training.

"The people who benefit most, of course, are the blind who receive the dogs. These dogs provide the eyes to help these people lead a normal life. This is the real payoff for a family's efforts", Mrs. Schlemmer adds.

Interested persons are invited to con tact Mrs. Schlemmer at 428-9301, Mrs. Greta Staebler, 663 2118, David Hess at 429-5040, or call the 4-H office at 663-7511, ext. 227. KOREA VETERANS TO BE HONORED; NAMES SOUGHT

The Republic of Korea is seeking names of American military veterans who served in Korea since August, 1945, to thank tham for helping Korea gain its freedom.

Korea veterans are asked to send their name and current address, dates of service in Korea, military unit and rank to Korean Light, Inc., P.O. Box Thursday, May 3, 1973

36, Santa Barbara, Calif. 93102. Plans are being formulated to hold

Communist North Korea this July. Peter Kang, executive vice president of Korean Light, Inc., said his nonprofit foundation is coordinating the nationwide search for the Korean veterans.

"More than 5 million Americans served in Korea over the past 25 years," Kang said. "The Korean government is anxious to express its gratitude to those who helped Korea gain its freedom.

Kang said the Republic of Korea, in addition to the letter of thanks, would provide the Korea veterans with information on the remarkable progress made

in that country over the past 20 years. Special low cost group tours to the Republic of Korea are being arranged for veterans and their families who wish to visit Korea, Kang said.

Klager School

# Plants Trees

The children at Klager Elementary have been busy this week planting. The whole school is involved in the planting of a nursery consisting of white spruce, red spruce, Norway spruce, and a variety of shrubs. When the project is completed there will be a nursery of about 700 trees and shrubs. The Manchester Javcees donated \$25,00 toward the trees and shrubs and the school would like to sincerely thank them for this generous donation toward such a worthwhile project.

A garden was plowed by the Manchester F.F.A. and several rooms are involved in the gardening. We're not sure how this entire project will work out, but it gives the children a chance to be involved in planting and seeing things grow around the school.
