## Manchester Teachers To Be Honored At Open House

Tuesday, June 5, at the Klager School from 7:30 to 10:00 p.m., there will be an open house honoring Miss Ethel Brown, 4th grade teacher, and Mr. Robert Sortor, teacher of instrumental music, for their many years of dedicated service and approaching retirements.

Miss Brown, who was born in Bridgewater, was a 1924 graduate of Manchester High School. Following this, she earned a Life Certificate from Michigan State Normal College in 1926, and commenced teaching at various one room school houses in Washtenaw County. They were the Dillingham, Short, Dell, Silver Lake, Paul, and Dewey Schools. The total time spent at these schools was 23 years, bringing her up to 1949, the year in which she earned a Bachelor of Science Degree from Eastern Michigan University. From that time to the present, she has taught with the Manchester Public Schools, making a total of 47 years of teaching, a record to be proud of. She has enjoyed her teaching experiences and the many parents and children with whom she has worked.

During her years of teaching she has been an active member of the Michigan Education Association, the National Education Association, and the Washtenaw Reading Conference, a group that strives to improve and promote reading abilities. Upon retirement Miss Brown will continue to enjoy her hobbies of gardening, sewing and refinishing furniture, and hopes to do some traveling.

Mr. Sortor was also a graduate of Manchester High School, but a member of the class of 1925. During the next four years he attended Oberlin Conservatory of Music, Oberlin College. Subsequently he became a free lance musician in the Ann Arbor, Ypsilanti and Detroit area, and maintained a teaching studio, giving lessons in piano, clarinet and saxophone. In 1940 he went into the Army and remained on active duty until 1948, then was in the reserves, retiring as a Lieutenant Colonel in 1965. Prior to this, in 1949, he received his Bachelor Degree from Sherwood Music School in Chicago and commenced teaching music in the Manchester Public Schools. Shortly after Mr. Sortor received his Masters Degree in Music Education at the University of Michigan.

He has been with the Manchester Public Schools for 24 years, at first being the only music teacher, and now sharing the load with two others. He has advocated offering Manchester students a variety of musical experiences, including stringed instrument instruction, which is unusual for a school of this size.

Mr. Sortor played clarinet with the Ann Arbor Civic Symphony, almost from its beginning until the late 1950's except

for the time he was in the Army on active duty. He was president of this organization for several years.

All friends, former students and parents are invited to the open house, at the Klager School, 7:30 to 10:00 p.m., Tuesday, June 5.

## Bicycle Safety Check Sat. June 9

The Optimist Bicycle Safety Check will be held Saturday, June 9, from 9:00 am. to 12 noon on the Manchester Athletic Field.

## Annual School Election June 11

Registered voters in the Manchester School District will be asked to approve an extra voted operational millage of 11.5 mills at the annual school election on June 11, 1973. This amount is the same millage levied for this purpose the last two years.

The Board of Education feels that a slight increase in the district's equalized valuation will help provide the extra monies needed to fund the 1973-74 fiscal year. Therefore, they are holding the line on their request for extra voted millage.

The additional funds available to the school from the district's valuation increase will provide the two additional teachers needed for the growing enrollment and modest salary increases for school personnel.

The 11.5 mill levy of extra voted funds is crucial to the school district's program because it represents approximately a third of all operational monies. Without these funds the school could not maintain its present program. Also, without these funds we would not qualify for State funds under proposed legislation.

All registered voters in the Manchester School District are urged to support this request at the annual election. The polls will be opened from 7:00 AM, until 8:00 PM, in the high school on June 11, 1973.

In addition to the millage issue one seat on the Board of Education will be filled. Lou Vogel, whose term expires this year, has filed petitions for this vacancy. No other petitions were received by the May 14, 1973 deadline.

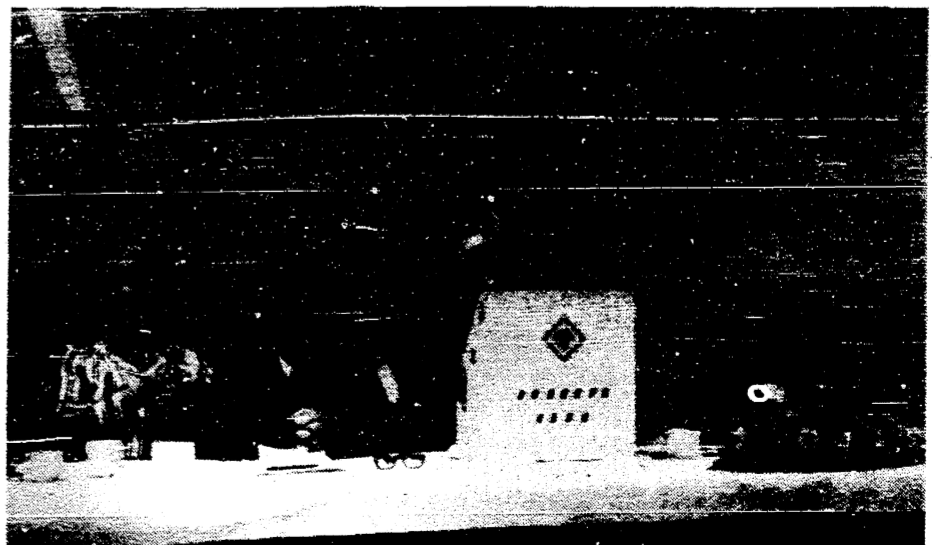

Councilman and Mrs. Harmon, Mayor and Mrs. Tobias, Councilman and Mrs. Benedict, Councilman and Mrs. McLeod and Councilman and Mrs. Stautz starting off Mayors Exchange Day.

**Manchester Fair Board Meets**

A special Fair Board meeting was called to approve final details and changes in the 1973 Manchester Fair. The following changes have been made in the Premium List: A section for Handicapped Children will be offered in the handicrafts department; a Photography division will be offered; a Champion Homemaker Award will be presented to an outstanding exhibitor in the Home Economics department. The winner will receive an engraved plaque given by the Michigan State Fair, and would be entitled to go to the State Fair and enter the Grand Champion Homemaker contest. Further details on these changes will be forthcoming.

The Fair will have a Community Activities Tent this year. This tent is available afternoons and evenings to any club or organization wishing to sponsor an activity. Proposed activities include a Country Ho-down and Square Dance, a Crafts Fair, a Card Party, and an Art Show. Clubs interested in obtaining more information, should contact Mrs. Quannah Holland, 428-7226.

The Board received a letter proposing a challenge between the Jaycees of Manchester and the Jaycees of Clinton. The events to include a tug of war, a greased pig contest, pie eating, greased pole, etc. The winner, to be determined by total points in all categories, would receive an engraved beer stein and the winning club flag would fly over the Fair. The challenge letter was sent to the respective Jaycee clubs for their acceptance.

WNRS radio has been contacted to broadcast from the Fair the entire week of the Fair. Final details are yet to be worked out.

**Girl Scouts Receive Badges**

May 24th at the Civic Auditorium, Girl Scout Troop #654 presented a candlelight ceremony and each scout received the badges she had earned for the year.

The evening was a definite example of girl planning. Invitations were written to all parents and several guests. Decorations were made and refreshments were prepared and served by the Girl Scouts.

The theme of the evening was to show appreciation and say thank you to the people who help the troop. Troop patrol leaders made "Thank You" plaques and presented them to the following: Knights of Columbus for the use of their hall, Eastern Stars - Troop Sponsor, Jaycees for their monetary support, Mrs. Fitzgerald for being Troop Cookie Chairman, Mrs. Roesch - who serves as 1st Vice President of the Board of Directors for the Huron Valley Girl Scout Council, Mrs. Daubner as assistant troop leader and Mrs. Jeanne Conn, Troop Services Director.

Mrs. Claran Knaus, Sr. and Mrs. Leota Schwab were presented with

miniature baskets of flowers for helping with troop projects. Appreciation was shown to Mr. Ted Tapping for being able to use the school.

Scouts made gifts for their parents during troop meetings and presented them at the end of the evenings program. Gifts were a miniature basket of flowers for each mother and a marble paper weight to each father.

Mrs. Conn, who was unable to be present, sent the following message to the girls:

Scouts, your community is proud of and needs you as individuals. You're a part of a group of girls that has offered their time and their hearts to others. You have left a place better than when you found it. You have spent time with those that others have no time for. You have learned to appreciate many of the small wonders of nature. All of these things and the many other accomplishments that belong to you are very important.

Important to you, important to your family, important to your town. Important to people and after all Girl Scouting is people and because of you Girl Scouting will make a difference.

Thank you for being one of the BEST troops in the area. I hope we'll be able to count on you to do the same fine job in the years to come.

## CHILD AND FAMILY SERVICES

Child and Family Service of Washtenaw County will join with sixteen other Michigan branches in celebration of Child and Family Services of Michigan Week June 3 thru June 9, 1973.

According to Dolly Brenner, Executive Director of Child and Family Service of Washtenaw County, the purpose of the week is to reidentify for the residents of this area the many needs that are being met by this agency through its comprehensive service program, and to encourage county residents to use and support the service through the Community Chest.

Governor William G. Milliken has issued the following proclamation: "During the past year, children and adults of all races and religions received assistance with a variety of problems from Child and Family Services of Michigan."

"Last year, this fine organization provided foster care for 1,984 dependent, neglected, or homeless children; assisted in the adoptive placement of 535 children; provided problem pregnancy counseling for more than 2,100 women; and family and individual counseling for more than 13,000 people."

"Therefore, I, William G. Milliken, Governor of the State of Michigan, urge all citizens to give appropriate recognition and support to the comprehensive social services provided by this organization to the people of the state."

Child and Family Service of Washtenaw County has offices at 2390 Huron Parkway, Ann Arbor; 108 S. Washington Street in Ypsilanti; share an office in Saline at 131 E. Michigan Avenue.

## CHILD AND FAMILY SERVICES

Services include counseling for marriage and family relationship problems and problem pregnancies; foster homes for children; homemaker home help; adoptions; extending services into communities by reaching out to help help available. Everyone living in Washtenaw County is eligible for help and anyone may apply directly or be referred. "The agency workers", said Mrs. Brenner, "are fully aware of the stresses and worries people are up against that they can't seem to cope with alone. That's why the agency exists - to work with and for people in finding reasonable solutions."

Child and Family Service is a member of Washtenaw United Fund. Offices on the Board of Directors are Leroy Watts, President, Ann Arbor; Robert Swagart, Vice-President, Ann Arbor; Ms. Lloyd Carey, Vice-President, Manchester; Ms. Daniel Gray, Secretary, Ann Arbor; Ms. Ronald Egnor, Treasurer, Ypsilanti.

The trouble with human beings is not the lack of horse sense but the lack of human intelligence.

# COUNCIL PROCEEDINGS

May 7, 1973

Council met in regular session with the meeting called to order by Pres. Little at 7:12 pm. Trustees present were Benedict, Fitzgerald, Mahony, Scully and Walton; absent Stautz. Minutes from the April 16 regular meeting were read and approved by a motion from Fitzgerald, supported by Benedict. All yeas.

Guests Martha Sutton, Tereas Benedict, Malinda Hudkins, Kim Kensler and moderator - Vicki Fryhoff represented the High School Ecology Club. As spokesman Martha Sutton informed Council of the group's progress with glass recycling. The bin is now fully paid for. Approximately \$700 has been realized in the first three months of operation with actually just a small percentage of area residents availing themselves of the facilities. The group would like to begin recycling paper, which they would require to be banded, but must obtain permission from the school to do so. Two Salvation Army bins have been given to the Ecology Club and could be used for that purpose. Moved by Walton, supported by Scully that Council accept the report and encourage the Ecology Club in their endeavor. All yeas, carried.

Chief Thomas reviewed monthly police activities for April.

Total complaints investigated 29 Animal complaints: 3  
Assists of other departments: Dogs: 2 Cats: 0 Others: 1 steer

Parking 2 Warnings 87

Accidents policed: 8  
3 accidents in Village; 5 accidents policed for Sheriff's Dept: 1 fatal, 1 injury; 3 property damage.

Other Police Activities:  
2 B & E's investigated: Keith's Barber Shop, Riverside Beauty Salon

Scully requested that a letter from Sheriff Postill be read to council regarding the possible elimination of deputizing part-time police officers to serve in the county. He explained that if Sheriff Postill does not deputize Manchester's part-time officers they cannot answer calls in the surrounding townships. The Village is not affected, and the part-time personnel would continue working as they are now. Postill has not as yet pulled the deputy cards, but it could be done at any time. It was suggested that Trustee Scully and President Little compose a letter to the surrounding townships advising them of our receipt of the notification from Postill, as well as our feelings on the matter.

Fitzgerald reviewed Public Works activities. A total of 369 labor hours have been utilized on site development in preparation for the installation of the compactor at the landfill site. The walls are up and the top slab is in place. Two water services have been installed. The new controls are working on the wells. Some asphalt patching has been done in the past two weeks, with one load of asphalt used for this purpose.

A letter from Mr. and Mrs. Samuel Beal was read to council. In preparing for an auction on their property they discovered two original lamp posts of the Village. They have donated them to the Village to be used in front of the library or in the park.

Moved by Mahony, supported by Fitzgerald that the next regular council meeting be held May 22 instead of May 21, which is Mayor's Exchange Day, with the time set for 8:00 pm. All yeas. A budget hearing for the adoption of a final budget on all funds for the Village of Manchester is set for 8:30 pm May 22, 1973.

Walton reported on progress of arrangements for Mayor's Exchange Day. Moved by Mahony, supported by Walton that the Village proclaim June 9 as Bicycle Safety Inspection Day and June 9 through June 16 as Bicycle Safety Week. All yeas.

Moved by Mahony, supported by Scully that invoices be paid as listed. All yeas.

Mahony proposed that a portion of the Revenue Sharing Funds received by the Village be allocated for the permanent installation of the compactor and that another portion be earmarked for the street lighting program.

Moved by Fitzgerald, supported by Walton that we remove from the table the request of Emory Garlick to purchase Village water. All yeas. Discussion resulted with further comments made on the recommendation of the Village Planning Commission and Council which was reached in a joint work session April 26. Moved by Fitzgerald, supported by Mahony to accept the recommendation which resulted from the joint work session, that the Village provide only a combination of sewer and water facilities, rather than just water facilities, to Mr. Garlick's property if it is annexed to the Village. No facilities would be provided if the property is not annexed. Yeas: Fitzgerald, Scully, Mahony, Walton; nays: Benedict; absent: Stautz. Motion carried.

Resolved by Scully, supported by Mahony that the Village authorize the Manchester Jaycees to erect and maintain a "Welcome to Manchester" sign adjacent to M-52 on the West side, 5.4 miles north of US 12. All yeas.

Benedict reported that he had a request for permission to build fires at Car Park during Brownie Day Camp to facilitate the teaching of proper fire construction techniques to the Brownies. Mrs. Joann Conn, Troop Service Representative made the request. Benedict indicated he would contact Mrs. Conn and advise her that it would be all right to construct fires on the gravel portion.

Moved by Mahony, supported by Fitzgerald that the Village of Manchester begin full time employee benefits of life insurance, disability insurance and retirement program as contracted with Banker's Life on April 1, 1973, rather than March 1, 1973. All yeas, carried.

Moved by Scully, supported by Walton to adjourn at 9:57 pm.

# ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF MANCHESTER PUBLIC SCHOOL DISTRICT WASHTENAW AND JACKSON COUNTIES, MICHIGAN TO BE HELD

## MONDAY, JUNE 11, 1973

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice that the Annual Election of the qualified electors of said School District will be held on Monday, June 11, 1973 in the Manchester High School Building, in the Village of Manchester, Michigan.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M.

At said Annual Election there will be elected one (1) member to the Board of Education of said district for full term of four (4) years, ending in 1977.

THE FOLLOWING PERSON HAS BEEN NOMINATED TO FILL SUCH VACANCY:

Louis D. Vogel

TAKE FURTHER NOTICE THAT the following proposition will be submitted to the vote of the electors qualified to vote thereon at said annual election:

### MILLAGE RENEWAL PROPOSITION

Shall the limitation on the total amount of taxes which may be assessed against all property in Manchester Public School District, Washtenaw and Jackson Counties, Michigan, be increased by 1 1/2 mills on each dollar (\$11.50 on each \$1,000) of the assessed valuation, as equalized, of all property in said school district for the year 1973, for the purpose of providing additional funds for operating expenses (this being a renewal of 1 1/2 mills for operating purposes which expired with the 1972 tax levy)?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Hilary E.L. Goddard, Treasurer of Washtenaw County, Michigan, hereby certify that, as of May 1, 1973, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Manchester Public School District, Washtenaw and Jackson Counties, Michigan, is as follows:

## Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

Like a lot of other housewives, I'm trying to fight the high cost of food by preparing less expensive but nutritious, tasty meals. I understand from newspaper reports that the Griffins are in the same boat and that Mrs. Griffin has put together your family's favorite recipes. Any chance I can get a copy of her cookbook? —R. R., Helena

The Griffins have been watching the family food budget since my law school days at Ann Arbor, when my wife, Marge, was teaching school. Back in those days I learned to cook hamburger 55 different ways, and that experience still comes in handy. Marge did compile a cookbook which includes some of my hamburger recipes and a number of other family favorites. It's a pleasure to send you a copy.

An uncle of mine shocked me recently when he flashed a thousand dollar bill in public. He said the bill came from the bank. Is that the highest denomination of currency ever printed? If not, what is; and whose picture is on it? —D. V., Dearborn

The highest denomination of United States currency ever printed was the \$100,000 bill. President Wilson's picture graced the front and 42,000 of the bills were printed. If you're thinking about trying to get one at the bank, you're out of luck; they were printed solely for use by the Federal Reserve Bank.

I understand the United States Olympic Team is supported by the U.S. Government. I don't want you to think I'm opposed to sports, but I am interested in knowing how many of our tax dollars go toward sending our team to the Olympics every four years. —A. H., Lansing

The United States government doesn't send a team to the Olympics—the people do. The entire support for the U.S. Olympic Team comes from individuals and from corporations. Those contributions are tax deductible. If you are interested in supporting our Olympic effort, inquiries for further information should be directed to Mr. Douglas S. Roby, 1580 First National Building, Detroit, 46226. By the way, if you should contribute, you will receive an attractive emblem, pin, book, or other memento, depending on the amount of your contribution.

### Records Fall As Season Nears End

Dave Guenther - freshman record setter and big point scorer.

Tom Guenther - new 2 mile record holder.

Our Manchester High trackmen have racked up 3 new school records so far this season along with many

class records, and with one meet remaining a couple of marks are still in jeopardy.

Earlier this season Junior, Scott Gormley cracked the pole vault record with a leap of 12'2". The old mark being 12' set by Mike Ahrens in 1969.

This past Thursday at Ann Arbor Huron High in a meet that included runners from Saline, Whitmore Lake, St. Thomas, and Huron, two new school marks were set.

Senior, Co-Captain, Mark Spencer smashed the quartermile mark with a swift 52.9 clocking. The old mark of 54.7 was set in 1970 by Mark Lentz.

In the 2 mile run Junior, Tom Guenther wiped out his own 3 week old record of 10:42.2 with a time of 10:39.8 in a winning performance.

Besides the 3 new school marks, 20 new Senior, Junior, Sophomore and Freshman class marks have fallen this season.

Freshman Dave Guenther personally has set 3 new freshman class marks.

Coach Larry Steeb is quite impressed with Guenther stating, "this boy is just a great natural athlete and he'll certainly be one of our big guns next season".

The 3 new Freshman class marks set by Guenther are the long jump, 17' 6 1/2"; 100 yd. dash, 11.0; and the quartermile, 55.9.

Remaining new class record holders are: Seniors: Jeff Bruestle; 2 mile 10:49.4, mile 5:01.8, Mark Spencer; 440 - 52.9, Jose Arana; 880 - 2:13.1. Juniors: Scott Gormley; pole vault 12;2" and low hurdles 22.8, Tom Guenther; 10:39.8. Sophomores: Bill Mann; shot put 39' 3 1/4", Paul Tassie; high hurdles 17.8 and low hurdles 23.9, Kurt Kensler; 100 - 10.9, 220 - 24.4, 440 - 55.5, Phil Kryzanski; mile 4:59.5 and 880 2:10.4. Freshman: Dave Clark; shot put 39' 2 1/2"; Tom Opal; 2 mile 11:06.2.

"A sense of humor eases life's hard knocks, and prevents embarrassing moments when substituted for irritations.

### Agriculture in Action

Michigan Farm Bureau

Farmers can't help but find a bit of irony in the current energy problem and how closely it parallels that of the recent food production and price "crisis," and how -- again -- government plays the "heavy" in this real-life drama.

There are many similarities in some of the root causes of the fuel shortage, such as increase in demand and spiraling costs of production. Then, there's the same old bug-a-boo, inflation; the devaluation of the dollar; and a federal tax program which discourages investments in the exploration for new oil reserves. Just as in agriculture, if there is no profit incentive the results are less production, shortages and high prices.

Another major factor in the current fuel shortage has been the stringent air and water pollution controls which allowed industry little time for research on safely utilizing our existing resources, such as "clean coal." Anti-smog devices on motor vehicles require more of our limited fuel supplies to power them. Some energy-producing facilities, unable to meet the sophisticated and costly requirements set by government, were forced to close their doors.

Farmers are concerned about our environment and support realistic methods of pollution control. But they wonder if perhaps legislators used a "too much, too soon" policy when they set standards in response to the fervent "save the earth" cries of well-meaning environmentalists. Elton R. Smith, president of the 60,000 family-member Michigan Farm Bureau, recently expressed the hope that the current energy problem would prompt

government officials to take a more realistic look at stiff controls with an eye toward a possible revision of standards to relieve shortages and allow further research.

"Too much, too soon" is a dangerous policy, no matter where it's applied -- be it child rearing, bringing a man up from the depths of the sea, or giving water to a person dying of thirst.

Too much, too soon can result in disaster -- even for historically productive America.

### CASE HISTORIES OF THE MICHIGAN HEART ASSOCIATION

#### Judd's New Job

Heart attacks once meant certain economic disaster. In addition to the physical problems.

Today, thanks to the pioneering of cardiac work evaluation units in pilot studies financed by the Michigan Heart Association, it's no longer true.

Take Judd. He was a beer truck driver when he had his attack. He recovered but could no longer drive a truck.

But because of the Association's pilot studies Judd has found a job he can handle.

Judd's physician sent him to a work evaluation unit to undergo complex testing. The tests showed that the damaged heart couldn't take the

strain of handling beer--but it was well able to stand the strain of office work.

A psychologist next checked Judd's stability and responsibility. Medical and occupational social workers tested his aptitudes. Their reports showed that he had executive ability, intelligence and responsibility. Sent to a business school, he made an excellent record.

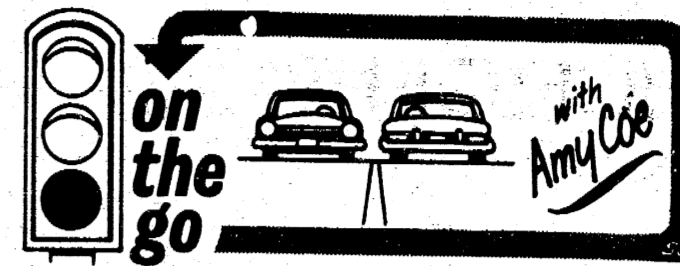

On finishing, Judd was snapped up by a manufacturer and soon promoted to office manager. After several years his health remains excellent. He is productive, happy--and a United Way volunteer.

When you think you're getting to be something super read about the stars that dot the mysterious universe.

### SEAT BELTS and SAFETY

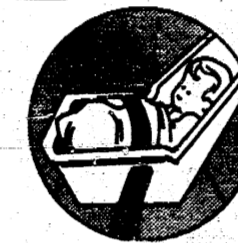

What's your excuse for not wearing safety belts when you drive? "Too much trouble," "I only drive around town," or how about the old stand-by, "they wrinkle my clothes."

No excuse is worth it. Since the majority of auto accidents occur within 35 miles of home, and at less than 40 miles an hour, safety belts are worth the "trouble" to buckle no matter how short--or slow-paced--the trip.

Although more than half the cars on the road have safety belts, only one in three of us takes the seconds necessary to fasten them. In a recent report, the National Safety Council says some 10,000 lives

could be saved annually if belts are used. Based on that alone, it seems a wrinkle or two could be tolerated.

And don't stop with your own belts. Children under four years should be buckled into a safe child seat. Under nine months--use a well-restrained car bed or infant carrier. Beyond four years, use a lap belt. If the child is over four-and-a-half feet tall, a shoulder harness should also be used.

Entertain at Tea

One of the nicest ways to visit with old friends or to introduce a new neighbor is still an old style tea or coffee "klatch." For refreshments, offer a choice. Bake or buy your favorite fruit and nut bread and feature one special cake. This sponge cake, filled with jelly and dusted with confectioners sugar, is a typical English tea cake.

English Tea Cake

- 1 1/2 cups sifted flour
2 eggs, separated
3/4 cup sugar
1/2 cup water
2 teaspoons baking powder
1/4 cup jam or jelly
1/2 teaspoon salt
Confectioners sugar

Grease 2 (8 x 1 1/2-inch) layer cake pans; line with waxed paper. Sift together into a mixing bowl, flour, sugar, corn starch, baking powder and salt. In another bowl, beat together lightly with a fork, egg yolks, corn oil and water. Stir into dry ingredients. Beat egg whites until stiff peaks form when beater is raised. Fold into flour mixture. Pour into prepared pans. Bake in 375°F. oven 25 to 30 minutes or until top springs back when lightly touched with finger. Remove from pans. Cool. Sandwich layers together with jam or jelly and dust with confectioners sugar.

A Giant Step For Margaret

Margaret isn't old. She just felt old. Only 37, Margaret was recovering from a stroke which left her paralyzed. And that day, in a Michigan Heart Association class for stroke victims, she stared at a simple gadget in fascination.

It was just a seven-inch square of wood with nails driven through it until the points were bared about a quarter of an inch. It had been designed by a Heart Association home economist so that homemakers, disabled by stroke, could place potatoes, cucumbers or other vegetables on it. Then they could peel or slice the vegetable with one hand.

There was also a rim around the corners--and the women could see that it was just big enough to hold a slice of bread.

"I'm really thankful for this," she told the home economist. "I haven't had battered bread for two

years. It has just been an impossibility. And I love it." A small thing? Not for Margaret. For her, it was a giant stride to independence.

LOCAL TUBERCULOSIS AND HEALTH ASSOCIATION TO FEATURE DR. WEAVER

The Washtenaw Tuberculosis and Health Association, local Christmas Seal organization will hold its FIFTIETH Annual Meeting on June 5, at the Campus Inn, at 6:30 - 10 p.m. The Association President Mikhed McCormick announced today.

Dr. Arthur Weaver, Assistant Professor of Surgery at Wayne State University will be the featured speaker. His topic will be "SMOKING AND YOU". Dr. Weaver has helped over 20,000 people in this area quit smoking.

Mrs. McCormick indicated that those people contributing to the local association Christmas Seal campaign and community health professionals are invited to attend and take part in the meeting and dinner. "Reservations can be made by calling our office 971-2630", she said.

The Association will also review

fifty years of service to Ann Arbor and Washtenaw County, in a presentation of "How a community works out its plan".

HANDS ACROSS THE WATERS... 4-H

Word has been received from the State 4-H Office that a variety of international experiences await Michigan 4-H'ers this summer. Belize is the new name for British Honduras, a small self-governing British colony in Central America. Michigan has participated in a Partners Program with Belize since 1964.

Three action programs have been cooperatively developed between Michigan and the tiny country. They are as follows:

- 1. The 4-H Council of Orange Walk District has invited six Michigan 4-H'ers ages 15-17, to travel to Belize and share information about 4-H with them.

## Observe Flag Day Thursday June 14

"I am Old Glory: For more than eight score years I have been the banner of hope and freedom for generation after generation of Americans. Born amid the first flames of America's fight for freedom, I am the symbol of a country that has grown from a little group of 13 colonies to a united nation of 50 sovereign states. Planted firmly on the high pinnacle of American faith, my gently fluttering folds have proved an inspiration to untold millions.  
"Men have followed me into battle with unwavering courage. They have looked upon me as a symbol of national unity. They have prayed that they and their fellow citizens might continue to enjoy life, liberty and the pursuit of happiness, which have been granted to every American as the heritage of free men.  
"So long as men love liberty more than life itself; so long as they treasure the priceless privileges bought with the blood of our forefathers; so long as the principles of truth, justice, and charity for all remain deeply rooted in human hearts, I shall continue to be the enduring banner of the United States of America for I AM OLD GLORY!"

## Fair Book Cover Selected

A poster contest was run in Klager Elementary School to design a cover for the 1973 Manchester Fair Book. The Fair Board is pleased to announce the selection of the poster submitted by Miss Kim Johnson as the winning poster and award her \$5.00. Kim is the daughter of Mr. and Mrs. Herbert Johnson of 15442 Herman Road, and is in the third grade.

There were so many excellent posters submitted, the Board would like to list the following names for Honorable Mention: Melvin Strout, Rick Scott, Rudy Carriere, Pam Brown, Craig Little, Carol Bus, Lori Pratt, Karl Sauter, Jim Weinhardt, and Alicia Salyer. These and other posters will be on display during the Fair. Congratulations!

Mr. and Mrs. Brian Alber are the parents of a son, born June 2. He weighed 8 pounds, 2 ounces.  
Stephen Allen has 2 sisters, Carrie 3 and Shelley 5 at home.
