A Happy Face When You CARE!--SHARE!

Shown above are happy faces of many Double A employees who practice the "Care - Share" motto every day. With the cooperation of their fellow employees, the above pictured volunteers, plus Larry Wright and Bill Hainstock topped the goal set for Double A by .9%. This is the employee gift only. The company gift added to this figure exceeds the goal by .59%. Double A Chairman, Irene Wurster, stated that this would not be possible without splendid cooperation of the company, solicitors and employees. Thanks!! You're a great crew to work with. (front l to r) Mary Studevant, Olive Kappler, Myrtle Roberts, Elta Clark, Anne Pniowski, and Irene Wurster. (back l to r) Ardis Scheid, Nancy Lamarand, Phyllis Baker, Marilyn Samonek, Elaine Steele, and Shirley Bower.

Register Now For Bloodmobile

If you haven't registered for the Bloodmobile, Monday, October 29 from 12 to 6 at the Emanuel Church of Christ, contact your recruiter at church or Manchester industry this week or next. Others may also register at the Union Savings Bank at the serve-yourself-counter marked by the Red Cross poster.

All registration cards should be returned to Mrs. Ica Schaffer by Tuesday night the 23rd or no later than Wednesday noon, October 24, so that the clinic can be efficiently scheduled. The cards will be mailed back to the donors by the 26th.

The Jaycees Auxiliary will be in charge of a nursery during the clinic so that mothers can feel free to attend. Mrs. Charles King is chairman. This service was initiated at the March 30 clinic and proved very helpful.

Mrs. LeRoy Marx is chairman of the Canteen for the Emanuel Church of Christ. The church is not only host to the clinic but also furnishes the refreshments for the donors. The American Legion Auxiliary supplies the orange juice for the clinic.

Recruiting chairmen are: St. Mary's Church, Mrs. Wm. Schwab; Manchester Methodist, Mrs. Merrill Korth; Emanuel Church of Christ, Mrs. Paul Alber; Bethel Church of Christ, Mrs. Fred Munson; Iron Creek Church, Mrs. Ralph Janowski; North Sharon Community Bible Church, Reverend Wm. Enslin, and Sharon Methodist Church, Mrs. Joseph Lozier.

SINGLES 25 AND UP

A "Hunters Ball" will be held at the Ann Arbor YM-YWCA on Tuesday, October 23, by the Tuesday Night Singles of Ann Arbor.

Dutchmen To Host Hudson Friday

The Dutchmen of coach John Korican will play host to the Tigers of Hudson this week in the sixteenth encounter between the two on the gridiron. Hudson has won eleven to four for Manchester.

The two first met back in 1938 and Manchester took a 13-6 win. The Dutchmen went on to win the next three also to account for their four wins in the series.

Hudson's first win against the Dutchmen came in 1942 by a 28-12 score and they have gone on to dominate the series since that time. The rivalry was halted in 1946, a year after Manchester had left the LCAA, and was resumed in 1968 when they re-entered the league.

Among the more outstanding games in this rivalry are the 1940 game which Manchester won 19-13 to keep alive their hopes of a share of the LCAA crown; the 1968 game in which Manchester gave the Tigers one of their stiffest tests of the season before bowing 20-12; and the 1971 contest which saw the Tigers pushed virtually to the limit for a 12-6 win to keep their long victory string going.

In that 1968 contest both teams entered the game unbeaten and for three quarters it appeared that things were mighty even as Hudson led 7-6. The Tigers scored early in the final period, however, and then added another midway through to make it 20-6. Manchester was not through, however, as they came back to score with time running out in the game on a pass from Lowrey to Pratt, but they were unable to convert on the point after and their attempt at an onside kick failed on the ensuing kickoff.

The 1971 game was perhaps the single outstanding game of this rivalry as the Tigers boasted a 31 game win streak coming to town. They played in the mud and fog with the Dutchmen providing no better hospitality than the weatherman.

After Hudson scored early in the game to take a 6-0 lead, the Manchester defense rose to the occasion led by big Hugh Haussler, to hold the Tigers at bay for the next two and a half quarters of play.

Behind the hard running of half-back Don Tapping, the Dutchmen threatened to score on three occasions in the first half, but couldn't get that far.

Best Show In Town

"The best show in town", is how Manchester High Cross-Country Coach Larry Steeb described the invitational run that Manchester will host this Saturday at Carr Park, beginning at 11:00 a.m.

Coach Steeb feels that if his team is whole and healthy Saturday it has an excellent chance of keeping the first place trophy in Manchester. The main opposition Steeb feels will come from the larger class "B" schools such as Columbia Central, Chelsea and Dexter.

For those of you who have never seen a cross-country meet let alone an invitational of this size (10 teams: Brighton, Chelsea, Clinton, Columbia Central, Dexter, Grass Lake, Napoleon, Ann Arbor St. Thomas, Saline, and Manchester) then come on down and see why meets of this size have increased almost 2 fold in the last 2 years.

If none of the above reasons are good enough for you than possibly the chance to see the high schools pretty cheerleaders, plus cheap cider or coffee and donuts can influence you to see this fine event.

crucial yardage at the right time. They finally managed to score on the fifth play of the second half via a Kennedy to Steele pass of 51 yards to tie the count 6-6.

The Manchester defense held Hudson off twice in the third quarter before they finally mounted what proved to be the game-winning drive midway through the final period to take a 12-6 win.

Trick or Treat For UNICEF

Ghosts and goblins still weave spells on Halloween. But for the past 22 years increasing numbers of them have concentrated their witchcraft on helping children less fortunate than themselves.

One day a year the magic words "Trick or Treat" free youngsters in the United States from the world of everyday and give them the thrill of taking part in a mysterious rite hundreds of years old. Now a new tradition has been added to the ancient customs of Halloween. The United Nations Children's Fund's "Trick or Treat for UNICEF" program offers the youth of one of the world's most developed countries a chance to help less fortunate children around the world by substituting coins for candy in their door-to-door quests. In Manchester this year, Joseph Wise, of Emanuel United Church of Christ will direct a UNICEF Halloween drive. Plans for the canvass are set for Tuesday, October 30, from 6:30 to 8:00 pm.

Millions of children in the developing nations are haunted year round by poverty and consequent nutritional, medical, educational and social deficiencies. When youngsters don costumes and make their rounds for UNICEF, when adults drop coins in the orange and black collection box held out on a spooky Halloween's Eve, they send hope to those who formerly had little to hope for.

No amount is too small. A nickel provides five children with smallpox vaccinations. A quarter buys 200 vitamin capsules for a mother and child clinic. A penny in the box protects a child against tuberculosis, and 36¢ buys seeds to produce 6000 tomato plants for an applied nutrition project. Last year the "small change" collected through the UNICEF Trick or Treat program amounted to over \$3.4 million.

Halloween Party Wednesday Oct. 31

The Manchester Jaycees and Auxiliary are again sponsoring the Halloween Party for the children of Manchester on Wednesday, October 31st. At 7 pm. on Halloween night all the churches of Manchester will ring their bells, at which time all children should stop trick or treating, go directly to the Middle School for the party.

Room Mothers and Jaycee Auxiliary members will judge the children's costumes and prizes will be awarded.

Manchester Jaycees will act as crossing guards at the street corners near the Middle School to insure the safety of the children who are crossing streets.

The Manchester Jaycees and Jaycees Auxiliary encourage all the young people of Manchester and their parents to cooperate with this youth civic program.

**Auxiliary News**

The American Legion Auxiliary, Unit 117 installed new officers for the coming year at their September 12 meeting.

Mrs. Del Ludwig served as installing officer and was assisted by Mrs. Claran Knauus, Sr., Unit Chaplain. Officers installed for the coming year were as follows: President - Mrs. William Hainstock, First Vice-President - Mrs. Robert Rigg, Second Vice-President - Mrs. Russell Smith, Secretary - Mrs. Max Walter, Treasurer - Mrs. James Baker, Chaplain - Mrs. Claran Knauus, Sr., Sgt. at Arms - Mrs. Rodney Hoefl and Historian - Mrs. Russell Middlemiss. Serving on the Executive Committee will be Mrs. Charles Schiel, Mrs. Frederick Wurster and Mrs. Charles Steele.

Mrs. Charles Schiel, Junior Past President was presented with a Past Presidents pin from the Unit.

Mrs. Hainstock assumed her duties of Unit President and named the Standing Committee for the coming year.

The October meeting of the Unit was held on Wednesday, October 10. During the business meeting the Unit approved a donation to the Manchester

Community Chest, and voted to serve the Jay-Cee Dinners for the coming season. A coffee hour will be sponsored by the Unit at the VA Hospital in Ann Arbor and the date will be established by the Rehabilitation Committee. The Unit will also furnish the juice for the forthcoming Blood Bank on October 29.

Note paper, place mats and pins are on sale by the Unit and anyone interested in these items is asked to contact Mrs. Hainstock.

The November meeting of the Auxiliary will be held on Wednesday, November 14 at 7:30 PM in the Card Room of the Legion Hall. Each member is urged to bring a house plant for resale. Proceeds of the sale will be placed in the General Fund. The November serving committee will be Mrs. Karen Weidmayer and Janet Weidmayer. Mrs. Vearyl Widmayer is Good Cheer Chairman for the coming month.

All members are reminded that their 1974 dues are now payable to the Treasurer.

**Girl's Basketball**

J.V.'S STILL UNDEFEATED

The Jr. Varsity girls basketball team played one of their closest games since the beginning of the season. The game was bound to be very interesting since Morenci also came into the contest undefeated.

Morenci led the entire game, going into the 3rd quarter with a 25-17 lead. With 10 seconds remaining in the game, Manchester was trailing by 1 point. Jeri Walk went to the foul line and connected with 2 to put the J.V.'s ahead. Morenci received possession of the ball, and headed down court on a fast break. With an easy lay-up in sight, Malinda Hudkins fouled and sent Morenci to the foul line with 4 seconds remaining. Morenci was unable to make their shots. Manchester took the ball and Cathy Neihaus ran down the floor, making a lay up and making the win definite.

Cathy Neihaus and Denise Galinis led the scoring with 6 points each.

Varsity loses again

Manchester Varsity is definitely having a difficult time this season as they have yet to win a game in League play. Last week the girls faced Morenci

(undefeated for the season) on their home court.

Morenci took control of the game with an early 10 point lead and left Manchester to trail the entire game. Manchester got into foul trouble, giving Morenci 37 free shots.

Despite the fine defensive effort of Sally Roberts, Manchester could not get close enough to make the game even close.

The final score was Morenci 33 Manchester 22. Wanita Benedict led the scoring with 6 points, followed by Vicki Wurster with 5 points, and Georgia Baughey with 4.

Manchester's next home game is Tuesday, October 23 at 6:00 p.m., against Sand Creek.

**GIRL SCOUT UNIFORM EXCHANGE**

Girl Scout, Cadet or Brownie uniforms, experienced or new. Either is official!

The new uniform may be bought at Goodyears in Ann Arbor, Sears in Jackson, or Penney's in Adrian. The new uniform comes in many parts. Whatever part of the uniform you would like to have is all right. A complete new uniform is rather expensive.

If you want to buy an experienced uniform, there will be a uniform exchange October 24th at 3:30 at the K-C Hall.

If you want to sell your out-grown uniform, please have it at the KC Hall, labeled with price, your name, and address.

**RON CREEK COMMUNITY CHURCH**

Missionary, John Grest of Elm Haven, Mission School for Indian Children will be guest speaker at the Morning Worship Service at 10 a.m. Sunday, October 21st. His message promises to be of interest and informative.

The Ladies Missionary Society will meet at the church Thursday at 10 a.m. for a work time in which there will be quilts tied for the lon family who recently were victims of fire. Any one interested in helping or becoming active in the Mission group is welcome. Pot-luck dinner served at 12:30 noon.

The monthly Singing Inspiration will be Sunday, October 21st at North Sharon Bible Church at 8:30 pm. If you like good music and a chance to participate in Christian singing and fellowship, why not come and join in. Try it, you will no doubt come again!

Memoriam

You and Me  
By George Geiger

Insecurity grabs at straws of immortality, Life rushes to conquer illusion. Human existence attempts to make itself the end product of reality. God gaps the need-less ambitions. Everything appears desperately important--- Failures, our successes just beyond reach. Gods demand allegiance of the impotent. Men use each other like a leech. Death robs life of its illusions. Adds dimension and perspective to an otherwise endless merry-go-round. Hedonists trip on mythical conclusions. The faithful plant their feet on the ground. Each season of life realizes new depths of joy. Death's ultimate mystery captivates imaginations, enriches living more than years. Death holds no threat, a love like yours is impossible to destroy. Your love is a free spirit beckoning generations of human beings to bear. Dedicated to the memory of Reverend Theo Menzel.

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

A friend of mine recently told me what I considered to be a funny story. While enroute from a thoroughly sober evening he had a collision with a horse. The horse was killed and his car was all but demolished. He called his insurance man and the conversation went like this: "George, I just hit a horse." "Good," his insurance man replied, "what did it pay." "Well, that's not a very funny story at all. It seems that animal-vehicle collisions are common on our highways and I want to know if the Federal Government is doing anything about it?"

—C. Y., Detroit

You're right, that's not a funny story, and the statistics compiled by the Federal Highway Administration point out the seriousness of animal-vehicle accidents. In 1972 approximately 130,000 white-tail deer and untold numbers of other animals were killed and automobile damage reached about \$40 million in animal-vehicle collisions. However, the FHA has recently designed a program to assist various state highway departments, which build, maintain and operate the nation's principal highways. Steps being considered by highway engineers include specially-designed roadside fencing, plus underpass or tunnel construction to provide safe crossing points for deer or other animals. On a visit to the U.S. Capitol not long ago, I noticed that a lot of work was under way in a room on the first floor which I was told was once used by the Supreme Court. What's going on?

—C. M., Grand Rapids

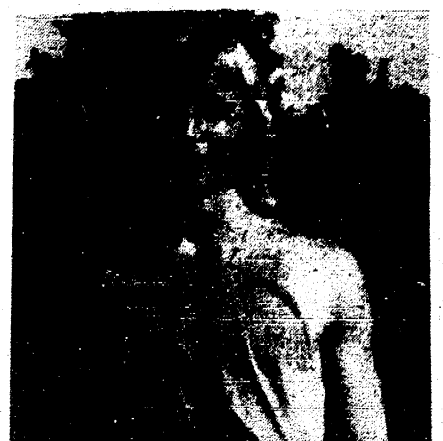

What you observed was part of a major restoration program scheduled for completion for the 1976 Bicentennial celebration.

Actually, this was the first Senate Chamber after the Capitol was moved to Washington. The Senate occupied the quarters from November 21, 1800 to 1808. It was here that President John Adams delivered his last message to a joint meeting of the House and Senate and in the chamber Thomas Jefferson, who had presided over the Senate as Vice President, took the oath of office as President on March 4, 1801.

In 1808, the room, then with a high ceiling, was divided into an upper and lower chamber. The Senate moved into quarters provided on the second floor and the Supreme Court took over the space on the first floor. The Court occupied the quarters until the completion of the Senate wing of the Capitol in 1859. Then it moved to the old Senate chamber on the second floor which it occupied until the completion of the imposing Supreme Court building in 1935.

When the project is complete both rooms will be restored to their original appearance of 1859.

DUTCH "LAST", STILL WIN

Although our Manchester High Cross-Country team found themselves last several times on Morenci's poorly marked course, they still were able to recover enough ground to top Morenci, 25-30.

Dutch Co-Captain Tom Guenther found himself at the finish line in an unaccustomed position as he finished 4th (19:13) after taking at least 3 wrong turns. Morenci's Dave Barrett finished in 1st place (17:59).

Junior Phil Krzyzaniak was the 1st Dutch finisher in 2nd place (18:57) followed by classmate Joel Tobias (19:09) then Guenther.

Tom Opal finished in 7th place (19:58) and Bob Smith finished 8th (20:54) to complete the Dutch scoring. Two Dutch runners (Eric Norgard and Ken Schwab) found themselves so lost that they didn't find the finish for over a half-hour.

Remaining Dutch placers: Bob Padley 13th - 22:42, Brad Frey 14th - 24:04, Gary Bondy 15th - 24:05, Lester Janish 16th - 25:46.

RECORDS BROKEN IN MIDDLE SCHOOL RUN

The third annual Middle School Cross-Country run produced records in all four grades as Rick Scott (5th grade), Jeff Proctor (6th grade), Ken Keasal (7th grade) and Dan Turvey (8th grade)

recorded victories in their classes. The course is approximately 2/10's of a mile less than a half-mile.

5th grade: 1 - Rick Scott (new record 2:32), 2 - Melvin Sroufe, 3 - Karl Sauter, 4 - Mark Neigebauer, 5 - Mike Schaible, 6 - Brian McCully, 7 - Walter Vacek, 8 - Jeff Pratt, 9 - John Rowe, 10 - Nick Krzyzaniak.

6th grade: 1 - Jeff Proctor (new record 2:24), 2 - Nathan Munson, 3 - Doug Bice, 4 - Cary Flint, 5 - Dennis Helfrich, 6 - Bruce Smallwood, 7 - Gary Zschumb, 8 - Dave Vacek, 9 - Ken Waters, 10 - Dan Little.

7th Grade: 1 - Ken Keasal (new record 2:11), 2 - Kurt Sauter, 3 - Terry Rowe, 4 - Dave Meta, 5 - Chuck Waters, 6 - Steve Eversole, 7 - Bob King, 8 - Craig Rogers, 9 - Rick Krzyzaniak, 10 - Randy Bondy.

8th grade: 1 - Dan Turvey (new record 2:00), 2 - Rich Ganzhorn, 3 - Larry McKeever, 4 - Dave Slane, 5 - Jerry Landwehr, 6 - Tom Little, 7 - Mark Daniels, 8 - Terry Brown, 9 - Jon Munson, 10 - Curt Fielder.

LITTLE DUTCH BLAST MORENCI 42-0

The Dutch J.V.'s made it five straight by rolling over Morenci 42-0. On their first possession of the game, the Dutchmen took the ball straight down the field. The drive was capped by Gary Eversole's touchdown run. Eversole later added his second touchdown. Tim Koceski also tallied two, while Dave Guenther and Greg Daniels added one each.

Shawn LaRock led the defensive charge with three key interceptions. The Dutch now travel to Hudson for the battle of the unbeaten. Morenci is now 3-2.

MANCHESTER GOLF TEAM

The golf team fell one stroke short in its quest for the L.C.A.A. Championship at the League match held at Clark Lake. At the end of the first nine the Dutch held a three stroke lead over Clinton and four strokes over Hudson. Manchester 163, Clinton 166, and Hudson 167. On the long back nine some missed putts and saw the slim lead dissolve. Final score was Clinton 339, Manchester 340, and Hudson 348. The Dutch

finish out the season with an 11-3 record and a 2nd place finish in the league.

The one bright spot at the league match was an 82 turned in by Bob Nichols which qualified him for a playoff spot with players from Hudson and Morenci for a position on the All League Team. He defeated them in sudden death to capture a medal and 4th man position on the All League Team.

Other scores for Manchester were Dave Benedict 84, George Olsen 86 and Jeff Wallace 88. Final Standing: 1st - Clinton, 2nd - Manchester, 3rd - Hudson, 4th - Onsted, 5th - Addison, 6th - Morenci, 7th - Grass Lake, 8th - Sand Creek.

Even though we did not capture the top spot, our second place finish puts the Dutch up among the other schools in the L.C.A.A. at the start of the year as a contender for the All Sports Trophy given at the end of the year for most points in Varsity Competition in all sports.

On Saturday, October 13th the State Regionals were held in Lansing. Twenty five teams from Class C-D participated with the hope of advancing to the State Finals on October 20 for the top three teams. Two things readily became apparent when the match was over. The Dutch don't play well in the rain, which began on the first tee and continued throughout

all eighteen holes during the day. Secondly, the L.C.C.A. proved that our league is one of the strongest in the state for Class C. Clinton and Hudson placed 2nd and 3rd to advance to the state finals. Onsted placed 5th and Addison 10th. Manchester turned in the highest score of the season, a 384 which was 44 strokes more than they shot two days previously at the League Match to place 14th.

ASK THE CHIROPRACTOR  
Two Heads Often Better Than One  
Q. What do you think of a doctor who can't make up his mind about my problem. During a slick spell last winter, I fell on the front steps while getting the paper. I was able to get up, and it didn't seem to hurt me much. I just shook myself off and got the paper and forgot about it. The next day I noticed there was a bruise on my right hip and the low part of my back hurt. Eventually the bruise went away, but the pain in my back has been getting worse.  
I went in to see a chiropractor I haven't seen in four or five years. After the examination, he told me he would like to consult with another chiropractor. I asked him the doctor's name, and he told me. It sort of made me mad. I told him perhaps I should have gone to the other chiropractor in the first place, and then I stormed out. Have I done wrong?  
A. You should be glad your doctor has that kind of integrity. There are times when two heads are better than one. Perhaps the nature of your condition is grave, or perhaps the doctor may have elected to consult another doctor to verify his diagnosis. Or he may want to consult another if there is some small factor in your case outside his specialty or experience.

# Agriculture in Action

Michigan Farm Bureau

What does a livestock farmer and a newspaper publisher have in common? Both have a long history of concern for ecology--and yet the future of both is threatened by costly pollution abatement controls.

If the newspaper you are holding is thinner than it was a year ago, it's because there is a paper shortage--not a news shortage. The paper industry, caught in our nation's search for zero pollution, has found it impossible to upgrade existing mills to meet costly pollution control standards and still have money to build new mills to meet the increased demand for its products. Constantly shifting federal environmental standards have made it impossible for large, long-term investment decisions to be made.

Agriculture faces the same problems. Farmers were relieved to hear that the Environmental Protection Agency had "clarified" its proposed standards on feedlots. The EPA now states that the zero discharge guidelines will apply to all feedlots with 1,000 or more animal units and only those smaller feedlots identified as significant contributors of pollution. The concern for the average-size family feedlot operation, which would have been hardest-hit by costly compliance, has been temporarily relieved, since so few could be classed as "significant contributors of pollution."

However, farmers are still concerned that the exemption could be changed at the whim of a body in Washington. To remove that threat hanging over their heads, they are asking EPA to specifically write the family feedlot exclusion into the zero pollution regulation.

Even the large feedlots--over 1,000 head of beef cattle, 700 dairy cows, 2500 hogs--may feel the pinch of meeting the requirements of the proposed zero discharge standards. They, too, will face the decision of whether to stay in business or find some other vocation.

Environmental protection is vital to the future of our Earth, but instant solutions to ecology problems, formulated by well-meaning but uninformed people, have already created energy and paper shortages. Farmers are fighting to keep food off that list. Every industry, every citizen, is willing to make sacrifices to protect our environment--but the answers must be constructive, not destructive.

# COUNCIL PROCEEDINGS

October 1, 1973  
 Council met in regular session with the meeting called to order by Pres. Little at 7:07 pm. Trustees present were Benedict, Fitzgerald, Mahony, Stautz, absent Scully and Walton. Minutes from the Sept. 17 regular session were read and approved in a motion by Fitzgerald, supported by Stautz. All yeas, carried.

Fitzgerald discussed Public Works activities of the previous two weeks. The crew rodded sewers, repaired cleaning equipment, put up gates at the transfer site, placed asphalt on Morgan Street, cleaned the tops of catch basins and flushed hydrants.

Ron Mann, representing the Manchester Jaycees, discussed the possibility of adding several of the new style Christmas decorations this year. He was advised that the Village has appropriated \$700 in this year's budget, but it must be met with matching funds.

Chief Thomas reported on police activities for September.

## Optimist Club Outstanding Citizen

Dean Decker, son of Mr. and Mrs. Donald Decker of 17900 Mainie Rd., Manchester and a junior at Manchester High School is the Manchester Optimist Club's outstanding citizen for the month of October.

In the 7th grade, Dean was president of his class, a member of the Student Council and played basketball.

In the 8th grade, Dean was Vice-President of his class, Vice-President of the Junior High Chorus, Chairman of the committee for the fair float, and played basketball.

In the 9th grade, Dean was class treasurer, chairman of the fair float and played basketball.

In the 10th grade, Dean was Vice-President of his class, co-chairman of both the Magazine Sale and the ring committee, played J.V. Football, J.V. Basketball (leading scorer) and Varsity track.

This year Dean is a member of the

## Trick or Treat For UNICEF

Great hopes from little pumpkins grow. UNICEF pumpkins, that is. The small orange and black "Trick or Treat for UNICEF" cartons held out this Halloween will be lit not by candles but by the goodwill of the dimes, nickels and pennies that citizens of Manchester will drop in. UNICEF will turn these coins into help and hope for millions of needy children in the developing world.

Youngsters in Asia, Africa, Latin America and the Middle East desperately need the programs of improved food production, water supplies, disease control and education that UNICEF helps provide. Dropping 25¢ into a UNICEF "pumpkin" makes possible 200 vitamins for a mother and child. One penny protects a child against tuberculosis. A fifty-cent piece becomes seeds for 8,300 tomato plants. And if a dollar goes in the box, 25 more children will have exercise books for school.

This year Joseph W. Wise of Emanuel United Church of Christ is organizing the UNICEF Trick or Treat program. "And everyone can play a part," says Joe. "By adding our contributions to this year's Halloween collection, we help add health and well-being to the lives of millions of children."

The UNICEF canvass will be observed in Manchester on Tuesday, October 30, from 6:30 to 8:00 p.m. Community residents are asked to turn your lights on for UNICEF during this time and to give generously.

Student Council, the Debate Team, was general chairman of the home-coming float, co-chairman of the Chicken Broil block set-up, member of the Cross Country team, was elected as a student representative to the community fair board and plans on being a member of the Varsity basketball and track teams.

Dean plans on going to the University of Michigan to study law. Congratulations Dean!!!

## Dutch Travel To Sand Creek Friday

When the Dutchmen travel to Sand Creek this Friday night they will be resuming a grid rivalry that has seen just two games played previously. The Manchester eleven has won both of them, taking a 13-0 win in 1955 and coming back the following year for a 32-6 victory.

Sand Creek has been a member of three other leagues during their twenty year grid history and now become the eighth member of the LCAA. They have been in the Little Six, the Tri-County, and the River Raisin. They have never won an outright title, but have shared the River Raisin crown twice with Ida in 1967 and 1968.

The Dutchmen of Manchester first entered the LCAA back in 1940 and that year's crew under coach Ron Momani shared the LCAA crown with Blissfield. The next five years proved to be rather unsuccessful compared to that as the best they were able to do was a fourth place finish in 1943 with a 2-2 league mark. They were 1-3-1 in 1941 and tied for fourth place; 0-5 in 1942 and last; 0-3-1 in 1944 and tied for last; and 0-4-1 in 1945 and last.

Since coming back into the LCAA in 1968 the Dutchmen, under coach John Korican, have fashioned a much more enviable record on the gridiron. If it were not for having to play in the shadow of the high-flying Hudson Tigers

## Jallop Poll

To promote more civic awareness and provide a means for ascertaining community needs the Jaycees of Manchester are sponsoring this poll. You the public may answer the bi-monthly question by calling 428-7343 on Wednesday or Thursday night from 8 to 10 p.m.

The Question: Do you think the Police Department is adequate for our community. Answer: Yes or no or comment.

## It Takes A Lot of Cookies

\$97.13 is a lot of money when you consider it in terms of nickels and pennies. This amount has been raised by the Klager School for the United Fund by holding two Bake Sales.

The pupils enthusiastically sparked their campaign by industrious advertisement, tripling the amount collected last year.

Using posters and sandwich men signs to promote the event and with the Mothers providing the baked goodies, these 1st, 2nd, 3rd and 4th graders did a tremendous job when you consider that not one thing sold for more than 5 cents!

The Middle School students also contributed to the Cause! -Share! theme by raising funds. The 5th and 6th grades held a candy and brownie sale and the 7th and 8th grades held a car wash. The amount collected to be determined later.

At the High School a contest was held among the students again this year with the Senior Class a close winner over the Sophomore Class by only 38¢. A trophy was presented to the Seniors and a total of \$110.52 was collected from the student body.

A Student dance for the United

Fund will be held at a latter date and the proceeds donated at that time.

## Cross Country-men Poor Host

Saturday our Manchester High Harriers played host to 9 area schools in the 1st Annual Manchester Invitational, unfortunately for the 9 other teams the Dutchmen proved to be poor hosts as they walked away with the first place trophy.

Running without Senior Co-Captain Tom Guenther (taking scholastic aptitude test) the Dutch Harriers still put together

an outstanding team effort and totaled 62 points to narrowly win over Columbia Central (63 points).

Taking over as the Dutchmans number one runner was Junior Phil Kryzaniak who ran to a fine 6th place finish (16:40) over the hilly 3 mile course. Following close behind Kryzaniak was classmate Joel Tobias, (9th place - Continued on page 15
