## Card of Thanks

I would like to thank everyone who sent me cards while I was in the hospital, also a thank you to Intern Pastor Eugene Nelson for his visits. Thank you for the gifts and flowers and the food brought in.

My heartfelt appreciation to my neighbors, relatives, and friends for their varied expressions of good wishes and friendship during my periods of hospitalization in Cleveland and during my stay with my daughter.

And a public "thank you" to Jim Shook for his generous and good care of my lawn.

C. William Lamming  
I would like to thank all of our friends, nurses aids, and doctors for their kindnesses while our father and husband was in Chelsea Medical Hospital. Also our neighbors for the nice flowers.

## Optimist Club Outstanding Citizen

Dean Decker, son of Mr. and Mrs. Donald Decker of 17900 Mainie Rd., Manchester and a junior at Manchester High School is the Manchester Optimist Club's outstanding citizen for the month of October.

In the 7th grade, Dean was president of his class, a member of the Student Council and played basketball.

In the 8th grade, Dean was Vice-President of his class, Vice-President of the Junior High Chorus, Chairman of the committee for the fair float, and played basketball.

In the 9th grade, Dean was class treasurer, chairman of the fair float and played basketball.

In the 10th grade, Dean was Vice-President of his class, co-chairman of both the Magazine Sale and the ring committee, played J.V. Football, J.V. Basketball (leading scorer) and Varsity track.

This year Dean is a member of the

## Trick or Treat For UNICEF

Great hopes from little pumpkins grow. UNICEF pumpkins, that is. The small orange and black "Trick or Treat for UNICEF" cartons held out this Halloween will be lit not by candles but by the goodwill of the dimes, nickels and pennies that citizens of Manchester will drop in. UNICEF will turn these coins into help and hope for millions of needy children in the developing world.

Youngsters in Asia, Africa, Latin America and the Middle East desperately need the programs of improved food production, water supplies, disease control and education that UNICEF helps provide. Dropping 25¢ into a UNICEF "pumpkin" makes possible 200 vitamins for a mother and child. One penny protects a child against tuberculosis. A fifty-cent piece becomes seeds for 8,300 tomato plants. And if a dollar goes in the box, 25 more children will have exercise books for school.

This year Joseph W. Wise of Emanuel United Church of Christ is organizing the UNICEF Trick or Treat program. "And everyone can play a part," says Joe. "By adding our contributions to this year's Halloween collection, we help add health and well-being to the lives of millions of children."

The UNICEF canvass will be observed in Manchester on Tuesday, October 30, from 6:30 to 8:00 p.m. Community residents are asked to turn your lights on for UNICEF during this time and to give generously.

## It Takes A Lot of Cookies

\$97.13 is a lot of money when you consider it in terms of nickels and pennies. This amount has been raised by the Klager School for the United Fund by holding two Bake Sales.

The pupils enthusiastically sparked their campaign by industrious advertisement, tripling the amount collected last year.

Using posters and sandwich men signs to promote the event and with the Mothers providing the baked goodies, these 1st, 2nd, 3rd and 4th graders did a tremendous job when you consider that not one thing sold for more than 5 cents!

The Middle School students also contributed to the Cause! -Share! theme by raising funds. The 5th and 6th grades held a candy and brownie sale and the 7th and 8th grades held a car wash. The amount collected to be determined later.

At the High School a contest was held among the students again this year with the Senior Class a close winner over the Sophomore Class by only 38¢. A trophy was presented to the Seniors and a total of \$110.52 was collected from the student body.

A Student dance for the United

Fund will be held at a latter date and the proceeds donated at that time.

## Cross Country-men Poor Host

Saturday our Manchester High Harriers played host to 9 area schools in the 1st Annual Manchester Invitational, unfortunately for the 9 other teams the Dutchmen proved to be poor hosts as they walked away with the first place trophy.

Running without Senior Co-Captain Tom Guenther (taking scholastic aptitude test) the Dutch Harriers still put together

an outstanding team effort and totaled 62 points to narrowly win over Columbia Central (63 points).

Taking over as the Dutchmans number one runner was Junior Phil Kryzaniak who ran to a fine 6th place finish (16:40) over the hilly 3 mile course. Following close behind Kryzaniak was classmate Joel Tobias, (9th place -

Dutch Travel To Sand Creek Friday  
When the Dutchmen travel to Sand Creek this Friday night they will be resuming a grid rivalry that has seen just two games played previously. The Manchester eleven has won both of them, a 13-0 win in 1955 and coming back the following year for a 32-6 victory.  
Sand Creek has been a member of three other leagues during their twenty year grid history and now become the eighth member of the LCAA. They have been in the Little Six, the Tri-County, and the River Raisin. They have never won an outright title, but have shared the River Raisin crown twice with Ida in 1967 and 1968.  
The Dutchmen of Manchester first entered the LCAA back in 1940 and that year's crew under coach Ron Momani shared the LCAA crown with Blissfield. The next five years proved to be rather unsuccessful compared to that as the best they were able to do was a fourth place finish in 1943 with a 2-2 league mark. They were 1-3-1 in 1941 and tied for fourth place; 0-5 in 1942 and last; 0-3-1 in 1944 and tied for last; and 0-4-1 in 1945 and last.  
Since coming back into the LCAA in 1968 the Dutchmen, under coach John Korican, have fashioned a much more enviable record on the gridiron. If it were not for having to play in the shadow of the high-flying Hudson Tigers

### LETTERS TO THE EDITOR

No you didn't beat Hudson on the scoreboard, but if its any satisfaction, I'll bet the Hudson Coach's had that sick feeling inside going into the 4th period with their 6-0 lead and a very aroused Dutch team. They probably had visions of what their Saturday would be like if they lost. I'll bet they haven't been that scared in a long time.

The hundreds of Manchester fans were quiet when they left the field, but I don't think a one was disappointed with the Dutch performance. I think they left like I did, full of pride, but sad because you guys who played so well, had to swallow a loss.

Just wanted to congratulate the Coach's and Flying Dutch for a great game.

### TO THE PEOPLE OF MANCHESTER

On our first try to Manchester in 1971 we decided that this was where we wanted to live and raise our family. The wholehearted community response to our personal tragedy on September 15,

1973 reconfirmed our original decision. The fire which completely destroyed our home left us financially and emotionally bankrupt.

We thank the community for its generous offering of clothing, household goods, food, money and even a very dependable car. Each of these things was sorely needed and is sincerely appreciated.

We consider Manchester the best—a warm sensitive community of good neighbors. This warmth and friendly helpfulness has put us back on our emotional feet. It is for this that we really thank you all. We anxiously look forward to returning to your community and rebuilding our home.

Thank you again, all the people of Manchester—a small community with a big heart.

Sincerely,  
Barbara and Harry-Ion and Family

## Halloween Party Wednesday Oct. 31

The Manchester Jaycees and Auxiliary are again sponsoring the Halloween Party for the children of Manchester on Wednesday, October 31st. At 7 pm. on Halloween night all the churches of Manchester will ring their bells, at which time all children should stop trick or treating, go directly to the Middle School for the party.

Room Mothers and Jaycee Auxiliary members will judge the children's costumes and prizes will be awarded.

Manchester Jaycees will act as crossing guards at the street corners near the Middle School to insure the safety of the children who are crossing streets.

The Manchester Jaycees and Jaycees Auxiliary encourage all the young people of Manchester and their parents to cooperate with this youth civic program.

## Shakespeare Club

The Shakespeare Club met last Tuesday at the home of Mrs. Martin Keasal. After the Business Meeting, the topics for the day were given by Mrs. Norman Bucholtz on "Should the Death Penalty be Retained"—was very ably given—but no conclusion could be reached by the club, for their part, on this debatable subject.

Mrs. Marvin Kirk on "Salt of the Earth" gave an interesting talk on the history and many uses of salt and its importance to health. There are thirty-two references to salt in the Bible.

The next meeting of the club will be Tuesday, October 30 at the home of Mrs. Edward Wisner. Mrs. LeRoy Marx will have as her topic for the day, "The High Adventure of Eric Rybaek", and by tape, Mrs. Roscoe Lammom will give her topic "Inching Our Way Toward the Metric System."

### BETA SIGMA PHI'S MONTHLY CHATTER

The October meeting of Iota Epsilon Chapter of Beta Sigma Phi was held in the home of Mrs. Phil Mains. Mrs. Robert Hoelstra was co-hostess for the evening.

Mrs. Janet Taylor, guest of Mrs. Robert Hoelstra, spoke to the group on Painting. Mrs. Taylor talked mainly about the media of watercolor and oil. She showed some lovely paintings which she had done. We all enjoyed viewing her special talent.

Mrs. Roger Butler presented a program on Prose. Book reviews of "From the Terrace" by John O'Hara and "In Cold Blood" by Truman Capote were given. Discussion followed both reviews. A very interesting program enjoyed by all.

The group very happily accepted a transferee from Missouri, Mrs. Roger Vick. We welcome Pat in Iota Epsilon and are looking forward to having another helping hand in Beta Sigma Phi.

Mrs. Guy Spalding and Mrs. Jerry Carter attended The Beta Sigma Phi convention in Bay City, October 19 - 21.

A Rush Party is being planned for November 7. This is a time when interested women are told the story of Beta Sigma Phi. Any woman is eligible to join. The chapter of Iota Epsilon currently consists of Women from the Manchester and Tecumseh area. We are always anxious to receive new members. If you are interested in finding out more about Beta Sigma Phi and its services, contact Judy Mann, 428-8473 in Manchester or Jan Ruhl, 423-4388, in Tecumseh. We always have a good time!!!

The next meeting will be at the home of Mrs. Terry Patterson.

She has been employed by I.B.M. in Gaithersburg, Maryland and at present is completing a programmer training program in Raleigh, North Carolina.

### VISITS FORBIDDEN CAVERNS

Gary and Bonnie Shadley of 13860 Sheridan, Manchester recently visited Forbidden Caverns, near the Great Smoky Mountains, to view the many natural formations in the cave.

Forbidden Caverns, a short, pleasant, scenic drive from Gatlinburg and Sevierville, Tenn., was opened in 1967 after two years of excavating and construction work.

The attraction is approved by the National Caves Association and features some of the most spectacular formations in America, all illuminated by an extensive theatrical lighting system. Stereophonic sound presentations in the grottoes recreate the days when the pre-Cherokee, Woodland Indians inhabited the cave and surrounding valley. Indian legend refers to the caverns as, "The place that is forbidden... hollow mountain of two streams..."

Some of the main points of interest are: "Eternal Falls," a natural chimney formation, "The Sacred Stream," a crystal-clear stream that winds through

the caverns, "The Grotto of the Dead," with reflection pools and stereo sound, "Council Chamber of the Elders," whose Indian artifacts have been found, "Grotto of the Evil Spirits," where huge stalagmites stand in a semi-circle around a small lake, and "The Wall of Onyx," a gigantic formation of solid cave onyx.

A coffee shop, large craft shop with an extensive Indian and gun museum has been added and an ancient grist mill with its water wheel has been restored near the cave.

### WASHTENAW COUNTY FEDERATION OF WOMEN'S CLUBS NEWS

A new service for member clubs is being initiated by the Washtenaw County Federation of Women's Clubs. Factual "Legislative Alerts" on measures upcoming in local, state and federal halls will be published for use by member clubs.

Decision was made by Mrs. Stanton G. Roesch, Manchester, Federation President following the organization's Fall meeting held in Ann Arbor. The program will be forwarded by Ann Arbor Zonta Club member and veteran educator Miss Ethel Hedrick, Federation chairman of International Relations and Legislation. All Board members and chairmen will participate in this program. In view of "major funding legis-

lation pending in Congress" education will be the subject of the first Legislative Alert. Informal legislative "Dutch Lunch" forums suggested by the legislative department speaker will be initiated shortly due to delegates interest.

Problems pressed for priority are: debit spending via national, state and local budgets; the quality of the school curriculum and of instructors; and public health, with particular emphasis on the alarming decrease of protective inoculation of youngsters. These will be topics of upcoming "Alerts".

Requests for any and all donations to Girls Town at Loch Rio in Belleville was forwarded to members from the General Federation Girls Town Committee and decision was made to continue the County Federation basic fund raising sale of "Handi-Grips" for those hard-to-open jars.

Date for winter meeting was set at January 21, 1974 (third Monday). Hostess Group will be Ypsilanti Federation of Women's Clubs.

## NUMB ARMS, LEGS DANGER SIGNALS

Q. I have what might be called a partial paralysis in my right leg. Sometimes the leg feels perfectly normal. At other times, it becomes extremely numb. Sometimes there is pain in the leg and sometimes it tingles. Now and again it seems to go completely "to sleep" and I have to sit down and slap my thigh to "wake it up."

A. I've had this problem for over 20 years... since I was a young girl. It has never been so bad that I couldn't do my

housework, but lately it seems to be getting worse. The numbness is more frequent and stays with me longer. Often, it happens while I'm asleep, and I wake unable to stand up. I never know when it is coming or when it will go away. I'm worried.

A. Numbness or pain in the legs is one of the eight danger signals everyone should be aware of. Others are numbness in the arms or hands, painful joints, stiffness of the neck, loss of sleep, headaches, pain between the shoulders,

stiffness or pain in the lower back.

These critical symptoms may be the forerunners of more serious conditions. They indicate that spinal pressure and tension in the nerves are robbing your body of essential nerve energy. You need a thorough chiropractic examination to determine the underlying causes and what can be done about it.

# Agriculture in Action

Michigan Farm Bureau

It looks as if there will be thousands more hunters loose in the woods and meadows this fall.

The emphasis on meat prices caused by inflation and price controls seems largely responsible. From California on the West Coast to Massachusetts on the East, all points in between, conservation departments and wildlife management officials report sharp increases in hunting license applications.

The applications are for game as small as dove and squirrel and progress

to the larger birds and animals -- pheasants, wild turkey, antelope, deer, elk and moose.

This nation's farmers and ranchers, on whose lands most of these birds and animals live along with their own domesticated livestock, are concerned whether hunters can tell the difference.

What they mostly worry about is that in their anxiety to bring home the bacon, some hunters will do exactly that, shooting anything that moves, up to and including a sow or cow.

If past performance is any indication, some of the excuses for killing the farmers' animals will be hard to believe. For example, the story of the man who shot a steer saying he mistook it for a squirrel. Or the man who skinned out a mule saying he thought it was an elk; or the hunter who banged away at the flock of domestic ducks in the farmer's barnyard saying he thought they were wild ducks.

Even as officials in the various state wildlife commissions confirm they are selling more of every kind of hunting license -- even as they welcome the increase in funds for furthering conser-

vation work, most are quick to admit that hunting is a poor way to try to beat meat prices.

Consider the person hunting deer for the first time. He has the cost of the license, rifle and powerful ammunition, car, lodging, proper clothing, food and time. Because these are the chance of shooting a deer -- which on the average comes out to 135 pounds, the joy -- word of course is "sportsmanship," and all it implies. A sportsman knows his equipment and respects it. He knows the landowner and respects him. He asks permission before hunting on private lands. He does not mix firearms and fireworks.

Such sportsmen -- even in vastly increased numbers as now appears possible -- remain welcome most anywhere, most anytime.

### Ask Senator **GRIFFIN**

Why doesn't the federal government set an example by recycling and reusing its waste and trash? I think this could help the taxpayers as well as the environment.  
—D. S., Cedar Springs

You'll be pleased to know that such a policy is being pursued. For example, the Defense Department is pushing a program to save money by recycling or reusing waste paper, motor oil, tires, and even cafeteria wastes. A recent directive by Deputy Defense Secretary William R. Clements, set a short-term goal of recycling 50 percent of the Department's domestic solid waste, and a longer term goal of saving \$20 million by recycling up to 80 percent of such materials. At present 70 tons of Pentagon trash, including 20 tons of paper, are being re-used each day. The paper is sold for recycling into new paper; the rest is pulped and burned in Pentagon furnaces as a coal supplement.

The Army recaps 75 percent of the tires used on its general purpose vehicles. In addition, the Pentagon's Environmental Quality Office has been urging bottling companies, dairies, and others who produce large quantities of containerized goods for the military to use uniform colors and materials that can be easily classified by recycling workers.

When I go to collage next year, I want to join the Army ROTC. Being a woman, I have a problem. I'm told that only 10 colleges in the U.S. have ROTC for women. Why such discrimination?  
—M. R., Cheboygan

The tennis court is not the only place where women are making real headway. After a successful 10-college pilot program, coeds are eligible this year for ROTC at more than 290 colleges and universities.

The four-year ROTC program includes a basic course for freshmen and sophomores, plus an advanced course for juniors and seniors. Successful completion can earn you a commission as an Army second lieutenant at the same time you earn your college degree. During the last two years, all ROTC cadets receive \$100 a month for up to 10 months of the school year and approximately \$400 for summer camp between the junior and senior years. In addition, you may also compete for ROTC scholarships.

For further details, contact the Professor of Military Science at the college or university you intend to enter, or write: Army ROTC, Fort Monroe, Virginia 23651.

Gary Bondy, rapidly improving Fresh Hamier.

16:57) and Sophomore class record-holder Tom Opal (12th - 17:10). All three received medals for their strong efforts.

Following closely behind the trio of Dutch medal winners were Freshman class record-holder Bob Smith (17th-17:31) and Sophomore Dan Schaible (18th-17:32). It was the strong effort of Smith and Schaible that ensured the Dutchmans victory.

Completing the Dutch Varsity 7 in the 60 runner field were John Roberts (51-19:30) and Lester Janish (52-19:33). Columbia Central's outstanding distanceman Evan Harper took individual honors with a course record shattering 15:46 clocking.

In the Junior Varsity division the Dutchmen took 9th, 13th, 18th and 19th places on the efforts of Gary Bondy, Brad Frey, Eric Norgaard, and Ken Schwab.

Individual Results: 1st - Evan Harper - Columbia Central - 15:46, 2nd - Gerrard Glinesky - Grass Lake - 16:12,

3rd - Bruce Vail - Dexter - 16:14, 4th - Russ Sally - Saline - 16:23, 5th - Doug Fett - Saline - 16:32, 6th - Phil Krzyzaniak - Manchester - 16:40, 7th - Mike Bills - C. C. - 16:43, 8th - John Storey - Chelsea - 16:50, 9th - Joel Tobias - Manchester - 16:57, 10th - Jim Mattis - Clinton - 17:03, 11th - Tim Terrill - C. C. - 17:07, 12th - Tom Opal - Manchester - 17:10, 13th - Paul Pipoly - Brighton - 17:14, 14th - Paul Peaton - Brighton - 17:15, 15th - Dave Glinesky - Grass Lake - 17:16.

Team Results: 1st - Manchester - 62 pts, 2nd - Columbia Central - 63 pts., 3rd - Saline - 80 pts., 4th - Brighton - 97 pts., 5th - Dexter - 139 pts., 6th - Grass Lake - 149 pts., 7th - Chelsea - 158 pts., 8th - Clinton - 178 pts., 9th - Napoleon - 191 pts., 10th - St. Thomas.

Displaying what Dutchman cross-country Coach Larry Steeb termed "class" our high school runners dumped a strong Hudson team by an overwhelming 18-40 score here last Wednesday.

The Dutchmen swept the top 3 places as Tom Guenther (1st-16:30), Phil Krzyzaniak (2nd-16:41) and Joel Tobias (3rd - 17:01) all came home before the first Hudson runner could reach the finish line. Tom Opal (5th-17:13), Bob Smith

(7th-17:23) and Dan Schaible (8th-17:36) ensured the Dutchmens wide victory margin.

John Roberts running in his first competition of the autumn because of a knee operation, completed the Dutch Varsity 7 with a 19:16 performance.

Dutch JV results: Lester Janish 19:39, Brad Frey 20:27, Gary Bondy 20:03 and Ken Schwab 22:59.

### Fun Fall Festival

You won't want to miss the Fall Fun Festival this Saturday, October 27 from 6:30 to 9:30 p.m., at the Klager Elementary School. There will be a fish pond, bowling, cake walk, bingo, spookhouse, a lollipop tree, and many other fun games to play in the various rooms. The teachers, room mothers, and children in both the Klager and Pleasant Lake Schools, have been busy making final plans to make this a real fun evening.

There will be refreshments available in the school gym and raffle tickets will be sold, with the winners receiving either a tape recorder or radio instead of the girls or boys bicycle as previously stated. Please come and join in the fun.

It's a Scorpion exclusive - the famed Para-Rail suspension! You know about those other suspensions: bogeys will take you anywhere, but they ride a little hard. Slide rails smooth out the bumps, but under certain snow conditions, it's "no go." Para-Rail combines the best of both to give you the best of all possible rides under all snow conditions.

## Card of Thanks

A SINCERE "THANKS"

This past Saturday, Manchester played host to what turned out to be one of the finest run cross-country invitationals I have seen. The reason for the success of this event must go to the outstanding job done by those who volunteered their

time and services for the run. I deeply appreciate John Korican's help early Saturday morning, especially in light of his disappointment the evening before, when his football team almost stopped powerful Hudson's victory string at 49. The meet itself could never have been run if it wasn't for the generosity of Dr. Glen Lehr whose land the event was held on and whose office was used as "meet headquarters".

Over a dozen high school and middle school students also worked in different capacities that helped the meet to run smoothly.

The following faculty personal and community members also volunteered their time. Maynard Blossom, Steve Chapman, Doug Price, Brian Schick, Bill Symons, Chet Koceski and Chuck Steele.

I would like to especially extend a warm thank you to Evie Seegert (Mrs. Webb Seegert) and Leann Rodgers who worked behind the scenes in printing the results to be given to the competing teams.

Thank you all for making these 100 - or - so boys and their coaches, Saturday morning an enjoyable one. Manchester High Cross-Country Coach Larry Steeb

I would like to thank Pastor Falk, all my relatives and friends for the many cards and acts of kindness during my stay in the hospital and while convalescing at home. Dale Weidmayer

My sincere thanks to everyone for their prayers, cards, gifts and acts of kindness shown to me and my family during my stay in the hospital and since I have returned home. Mrs. L.V. Kirk

Sincere thanks to Fr. Schlinkert, my relatives and friends for the prayers, visits, cards, and many acts of kindness shown me while in the Saline and St. Josephs Hospitals, and since returning home. Mary Wallace

## Double A Products and Employees Contribute \$7648 To United Fund

Fred Gieryn, President of Double A Products Co., is shown presenting Francis "Sax" Smith, Campaign Chairman of Manchester's United Fund-Red Cross drive, the Company's gift in the amount of \$2700. This, combined with the employee's contribution of \$4948 gives a total company/employee gift of \$7648. The drive at Double A has now been completed and has accounted for 44% of the Manchester goal of \$17,400. Mr. Gieryn is happy to report that over half of the total amount contributed remains in the Manchester Chest and wants to thank the employees of Double A for their continued support of this program.

## Manchester Plays Redskins Friday

The Dutchmen of Manchester High will host Clinton this Friday night in the annual clash between the two schools that dates back to 1920. The Redskins of Clinton handed the Manchester crew a 37-0 lacing that year and went on to dominate the series throughout the 20's.

Manchester's first win over a Clinton eleven came in 1931 by a score of 31-0 although they did manage a couple of ties in 1925 and 1927 (13-13 and 0-0 respectively). The Dutchmen of those years suffered through five straight shut-out defeats at the hands of Clinton, including the infamous 112-0 massacre in 1928 that still stands as an LCAA record.

Manchester gained some measure of revenge in 1970 when they romped to a 62-0 win over the Redskins. The locals have won the last three in a row and four of the last five.

The rivalry has been a good one featuring many close games down through the years. Of the 49 games played to date between the two Clinton has won 29 to 15 for Manchester and there have been five ties. In addition to the five ties, there have been 13 games decided by one TD or less (two of those by a single point) and ten others by no more than two TD's.

Among the more outstanding games of the rivalry would be the 1940 game when a stubborn Clinton team finally fell before Manchester in their final LCAA game to enable the Dutchmen to share the LCAA title.

Then there were the 1964, 1965, and 1967 games which were won by Clinton 13-12, 12-6, and 8-0 respectively. Each of these three games was the final league game and each of the three was for the LaBeland C title.

Manchester salvaged last season from becoming a complete failure with a stunning 16-13 upset over the Clinton team as quarterback Rich Kennedy scored on a 27 yard touchdown run with just 1:49 remaining in the game.

## Blood Doners Donate 140 Pints

Monday was a very good day! The Red Cross Bloodmobile received 140 pints of blood, most of which was for the Manchester Area Blood Club, from the 169 generous men and women who offered their help. Since it was an "Open Clinic" a half dozen people came from Ann Arbor to donate for a seriously ill friend at the University Hospital, and there were several other specific designations.

Two one-gallon donors (those who have successfully donated their pint at eight clinics) were pleased for their achievement--William Panches, the third member of the Panches family to be on the Honor Roll, and Mrs. Barbara James of Brooklyn who is employed in Manchester.

Estimating the results, it appears that most of the 20% contracts were met by industries, churches and clubs. This report will be affirmed as soon as the donors cards are returned by the Southeastern Michigan Red Cross Blood Center Headquarters in Detroit.

Emanuel United Church of Christ was the host for the clinic and the Women's Fellowship supplied the canteen for the donors and staff. The American Legion Auxiliary furnished the orange juice.

Thirty-two volunteers assisted the professional staff from the Red Cross Blood Center. All three Manchester doctors were on alert in case of an emergency which did not occur. - Doctors D.M. Peterson, Paul Gerick and William Purfield.

Ten volunteers from the Jaycees Auxiliary had charge of the Nursery to assist mothers who came to donate. The motor service to and from Double A for their 69 employees who offered their blood were Mr. LeRoy Marx, Mr. Joseph Schwab and Mr. Leo Scully.

In all it takes about sixty volunteers to make a successful Blood Clinic. The Chairman-of-the-Day was Mrs. Ica Schaffer and her staff included six registered nurses - Mrs. Theodore Tapping, Mrs. Thomas Gormley, Mrs. Robert L. Hamilton, Mrs. Alvin Kappler, Mrs. Aaron Nathan and Mrs. Milton Weidmayer. Mrs. Gary Dresch, first-aidier, also took temperatures.

Registrars were Mrs. Robert Swartz, Mrs. Paul Alber, Mrs. Ronald Jenter and Mrs. Norman Macleod, with Miss Annetta Breitenwischer as pre-screener for the day. Medical assistant included Miss Agnes Kent, Mrs. Ralph England, Mrs. Ella Duck, Mrs. James Pratt, Mrs. Birdella Flood, Miss Amanda Schaible and Mrs. Millard Uphaus.

The Canteen Chairman, Mrs. LeRoy Marx, whose committee makes the sandwiches which are the trade mark of the Manchester Bloodmobile was helped throughout the process by Mrs. Harry Sutton, Mrs. Edward Steele, Jr., Mrs. William Schaffer, Mrs. Basil McGuire, Mrs. Russell Braun, Mrs. Byron Moore, Mrs. Ray Trolz, Miss Delia Place and Mrs. Whitney Riedel. Mrs. Basil Schwab and Mrs. Del Ludwick served the orange juice.

The Nursery Chairman Mrs. Charles Marx, who also made and distributed the posters for the clinic, was assisted at the nursery by Mrs. Gerald Zeller, Mrs. Joseph Samonek, Mrs. Jerry Waters, Mrs. Jack Kenney, Mrs. Stan Foet, Mrs. Gerry Mann, Mrs. Carl Dork and Mrs. Lauren Bertke.

Besides these there were the recruiters for all the churches, industries and clubs, who will know the results of their efforts when the final report is made. The Blood Club extends thanks to the whole community for accomplishing so much for 1973.

## Manchester Wins Baseball Pennant

Before Big Crowd at Tecumseh Manchester Team Wins Decisive Game 2 to 1.

We win! The pennant of the South Michigan League for the Year 1974 comes to Manchester. Manager and Captain Walter Vogt has led his men through a brilliant series of games and then landed them as contestants for first place. And then he won. Hurrah for Vogt, and then again Hurrah for Marx, who at the mound has done more than his full share toward victory. Hail to them all!

Before a crowd of nearly 2,000 people, one of the largest ever at a ball game in this section, Manchester defeated Tecumseh 2 to 1 last Sunday on the Tecumseh diamond.

The game was one of the hardest fought and closest of the season. It was marked by good fielding and superb pitching. Manchester led throughout, but a threatened rally by Tecumseh in the ninth inning made Manchester's loyal fans somewhat nervous. The rally, however fell short when Tecumseh's last batter fanned.

The outstanding feature of the game was the excellent pitching by Marx, whom Tecumseh had said was easy for them. But three hits were taken from his delivery and only one came before the ninth inning.

In the fourth inning, Hawley, first up for Tecumseh, tripled and it was here that Marx did his most effective work. With none out and a man on third base it looked as though Tecumseh must surely score. "Cushion," however said "No," for he settled down to his task like a veteran and pitching deliberately and slowly, struck out the next three men, Tecumseh's heaviest hitters, and snuffed out the run which would have tied the score.

Marx struck out 11 men and only five balls were hit to the outfield. Each fielder took care of one fly, all making nice catches of their chances. To George Wenner must be credited a sensational capture of a wide fly to right field which was only taken in after a hard run and which ended in a complete somersault, but the ball safely in the glove.

Marvin behind the bat was a tower of strength, holding up Marx in approved style. Kiebler, Sepanek and Mahoney each handled several hard chances in big league style.

Manchester scored first in the fifth inning. Marvin hit and stole 2nd, and scored on Marx's hit. Poor base running here lost a good chance to score at least another run.

In the eighth inning Chilton was walked. He stole 2nd and scored on Mahoney's hit to center. This ended Manchester's scoring, but later events proved this was enough.

Tecumseh threatened only once after the fourth inning. In the ninth, after 1 was out.

This game was played October 12, 1974.

**Millionaires Party Sat, November 3**

The thermometer is now at 85%, can't we make it go over the top? If you haven't contributed to the United Fund just fill out the coupon that appears elsewhere in the paper.

The Manchester Jaycees proudly announce that they will be hosting the 2nd Annual Millionaires Party on Saturday, November 3, 1973 at the Sportsman's Club on Grossman Road.

The program will start at approximately 8:00 p.m. Free-ticket sales can be obtained at Reeds Barber Shop or from any Manchester Jaycee member.

This years program will include refreshments, beer, food and the first million dollars in chips, all for the price of admission. The proceeds of this program are used for community and youth work.

This years millionaire chairman is Bob Bunney. Bob and his co-workers will see to it that each and every person in attendance will have a good time.

There will be prizes, gifts and fun for all.
