THE MANCHESTER ENTERPRISE

107TH YEAR NO. 2 10 CENTS PER COPY THURSDAY, NOVEMBER 8, 1973

Industry Drive Complete

A very successful Industry Drive of the Manchester Area Community Chest and Red Cross Drive is now complete. Chairman Clarence Fielder has announced a 28% increase over last year's drive. Chairman Fielder would like to express his thanks to all of his solicitors and to all of the industries in the area for making it all possible.

Pictured above is Clarence Fielder accepting the contribution from Leonard Nawrocki, Personnel Manager and Nelson Rooke, President of Local 1248 UAW, both of Chrysler Proving Grounds. This is a 40% increase over last year's contribution.

Police Department Issues Warning

Manchester Police Chief Thomas has issued a warning to all parents and children in the area to please carefully check all remaining soft candy bars the children may have collected on Halloween.

Two specific instances have been reported in which needles have been found inside the candy.
Intensive investigation has revealed the fact that no holes were in the wrappings leading to the possibility that the foreign objects became embedded at the

JCs To Host State President

Manchester's Jaycee President Ron Mann invites all young men between the ages of 18 and 35 to attend the General Membership meeting on Thursday, November 15 at the American Legion Hall when the Guests will be Ohio National Director and Dick Robinson, 50th President of the Michigan Jaycees, as the guest speaker. The 32-year old Robinson was elected in May to lead the State organization through their golden anniversary of Community Development and Individual Leadership Training. He is an Associate Professor at Oakland Community College, serves as Athletic Chairman, and holds a doctor's degree from Wayne State University.

Robinson, whose local chapter is the Rochester Jaycees, served the Michigan Jaycees last year as their External Executive Vice President, where he implemented far-reaching programs and initiated the Major Emphasis Programming concept a year ahead of the United States Jaycees.

Prior to his election as External Executive Vice President, he was responsible for the Community Involvement portfolio. In 1971 he represented the Michigan Jaycees nationally as Michigan's speak-up and Freedom Guard winner.

Leading the Jaycees this year, Robinson will continue to use a driving enthusiasm, sincere dedication and high personal character with a strong Christian faith in a "love of life" attitude. He believes "life is just what each of us is willing to make of it." Each day the sun rises and sets and there is the same amount of time for everyone between the beginning and end of the day; some will work hard, so naturally they will accomplish more.

Robinson and his wife Christie and their three daughters, Tracey, Vickie and Heidi, live in Lake Orion.

NOMINATING PETITIONS AVAILABLE
Nomination petitions are now available for the Village Election from Mary Wheeler, Village Clerk. Vacancies are for Mayor, Treasurer, Clerk, and three Councilmen.

Joe Roberts in charge of payroll deductions and Eldon Gorton, Manager of Michigan Gas Storage presents Clarence Fielder with the contribution to the Manchester Area Community Chest and Red Cross Drive. This represents a 20% increase over last year.

100% Ratify Salary Pact

A two year salary agreement between the Manchester Education Association and the Board of Education has been ratified by both organizations. The new pact provides a 3 1/2% increase over the annual increment and full family hospitalization benefits for the 1973-74 school year. The 1974-75 increase will be based on the cost of living increase as determined by the Consumers Price Index as published by the Bureau of Labor.

The new schedule at the Bachelor's Degree level ranges from \$8,160 to \$12,756. The Master's Degree provides a schedule ranging from \$8,772 to \$13,728. The medical insurance benefits rose from \$227.00 per member to \$606.00 for the current year. The new pact will be retroactive to the start of the current school year.

Something TO CROW ABOUT

WORLD CHAMPIONS
The Toledo Troopers retained their World Womens Professional Football title by soundly defeating the Dallas Texas Blue Bonnets 20-0. The game was played October 27 in Toledo. The Trooper defense led by Nancy Erickson of Manchester dominated the game. The Troopers were unscored upon this season and finished with a record of 15-0.

Girl's Basketball

J.V.'S WIN AGAIN

The girl's Jr. Varsity played their last league game of the season by defeating Clinton with a final score of 27-10. Manchester took an early lead with a half-time score of 17-5. Malinda Hudkins led the scoring efforts with 9 points followed by Jan Savage with 6 points.

Varsity Defeats Clinton

Manchester's girls Varsity was able to defeat Clinton in a league game last week. Clinton and Manchester stayed close together in the beginning with a half-time score of 16-16. Manchester came back in the third quarter and took a 34-24 lead at the end of the 3rd quarter. Georgia Baughey led the scoring with 18 points, followed by Vicki Wurster with 11.

Donna Dixon's fine defensive play added to the girls win.

Singles 25 and Up

Since November 11 is Armistice Day, the Tuesday Nite Singles of Ann Arbor are having a uniform night at their weekly dance held at the Ann Arbor YM-YWCA on November 13.

You'll have fun dancing to the merry tunes of the Merriettes from 9 to midnight. Refreshments are served. Dance instruction from 7:10 and 8:10.

Manchester Dutch Jr. Varsity Ends Perfect Season With 8 Wins

Front Row (l to r) K. Hamlin, Mgr.; S. Clark; J. Steele; B. Kellogg; P. Tassie; M. Forner; M. Molnur; T. Kocesi
2nd Row (l to r) Coach Shick; M. Powers; T. Fitzgerald; M. Kaslanis; S. LaRock; D. Hamlin; R. Janish; S. Walz; D. Hughes
3rd Row (l to r) M. Schlemmer; D. Nichols; M. Young; T. Ross; D. Gunther; G. Daniels; M. Little; Coach Marillet

Last Thursday night, the Dutchmen J.V. football team completed its first undefeated season in its history, by beating Clinton 36-0, at Clinton. The Dutch won eight games without a loss this year.

The first time the team touched the ball, exciting Tim Kocesi traveled into the end zone for a 6-0 lead. He also added the conversion. The Dutch defense held Clinton in check and forced a punt. Kocesi returned the ball deep into Redskin territory. On the next play from scrimmage, Dave Guenther ramled into the end zone for a touchdown. Mark Young picked up the extra points. Later in the period, Guenther raced into the end zone for his second TD of the evening. The conversion attempt failed. Minutes later Mark Young added six points to the total. Jeff Clark, the Dutch quarterback, scored the extra points on a broken play, and the half ended 30-0.

The third was a prelude, but in the fourth quarter, Mark Young smashed through the Clinton defensive front line, broke through the secondary, and raced

almost the entire length of the field for the final score of the night.

As the final whistle sounded, the loyal J.V. fans gave the players and coaches Brian Schick and Roger Merrilat a standing ovation for their outstanding performance on the gridiron.

While coasting to the L.C.A.A. championship, Manchester outscored their opponents by a whopping 316-12, and their first string defense was unscored upon.

The players, managers, and coaching staff would like to deeply thank all the Manchester football fans who gave their outstanding support throughout the season.

Special credit must be given to the coaches. When a football team loses, it is always the coaches fault, but when a football team wins it all it's because of the players. But the Dutch J.V.'s

believe their coaches played the most important role in the 8-0 season.

The team would also like to thank Simon Steele, who printed these articles, and drew more fans to our games.

What happens when you're offered \$20,000 for your \$27,000 pile of ashes?

You take it if you haven't increased your home insurance to keep pace with inflation.

This is the kind of problem you could face if you bought and insured your home for \$20,000 in 1968. See me to find out if your home is insured for its full value. I'll tell you about a low-cost State Farm homeowner's Policy that will insure your home for all its worth... and keep it that way with automatic inflation coverage.

ASK THE CHIROPRACTOR

Executive Salesman Geared Down By Back Pain

Q. A persistent back pain is slowing me down, sometimes to almost a standstill. I'm an executive salesman with a major paper company, and it is all I can do to keep up with my customers, let alone my competitors.
In a way, I suppose my problem is helpful. I'm really playing customer golf, and there's nothing I can do about it. My customers are pounding me to pieces on the golf course and my competitors are beginning to tear me up with the purchasing agents. I'm only 35 years old. Sometimes I think the problem is all in my head. Is this possible?
A. Yes, your back pain could be aggravated by an emotional problem, but chiropractic research statistics show that less than 10% of back pains have any connection with emotional problems. Back pain is most frequently caused by bad posture or occupational stresses standing the same way all day, sitting the same way, reaching the same way, bending or stooping the same way. The second most frequent cause is the general wear and tear of getting old. This does not sound like the problem in your case. The third most important cause and the one that strikes fear into the general public is the so-called ruptured disc. Workmen's Compensation cases and diseases of the spine such as arthritis are other important causes. Take heart, however. Chiropractic research charts prove that over 90% of all cases of back pain can be remedied or vastly improved through chiropractic care. You are one of hundreds of thousands of busy executives fighting the additional burden of back pain. The sooner you see a chiropractor, let him examine your spine and find the underlying cause, the better chance you have of fulfilling your business goals and enjoying your personal life.

MANCHESTER, MICH
PHONE 428-8629 or 769-2327

Shakespeare Club

The Shakespeare Club met last Tuesday, October 30th at the home of Mrs. Marvin Kirk. After the Business Meeting, Mrs. Leroy Marx gave a very fine review of the Life of John Muir. Naturalist, Explorer, and one of America's most influential conservationists.

Many natural wonders have been named in his honor, the Best Known Monument is the Muir Woods a virgin stand of Redwoods near San Francisco. Through his efforts, Pres. Theodore Roosevelt showed much interest in Forest Protection.

Then by tape, Mrs. Roscoe Lamson gave her Topic "Inching Our Way Toward the Metric System" which was most interesting and enlightening - and gave some of the basic insights into the system - her location at 19 Pelican St., Isle of Capri, Naples, Florida is 2190 Kilometers from Manchester. Then told how to measure height, weight, temperature and so forth.

The Club's next meeting will be Tuesday, November 13 at the home of Mrs. Leroy Marx at 10:00 a.m. to work on a Charity Project, for Morri's Children's Hospital.

WHAT'S COOKING IN MICHIGAN

Pumpkins and winter squash are colorful reminders that autumn is here. They're both warm season crops, sensitive to frost, and they require the full Michigan season to mature, according to marketing officials of the Michigan Department of Agriculture.

Fresh market production of pumpkins and winter squash is scattered over southern Michigan. Winter squash for processing is concentrated five southeastern counties. Crops are grown on well-drained mineral soil. They aren't normally harvested until the rinds are completely hardened.

Smiling jack-o-lanterns displayed at Halloween are the most popular use for large pumpkins. Small sugar pumpkins are generally 3 to 6 inches in diameter and are processed commercially, although some enthusiastic cooks prepare their own for homemade pumpkin pie or boiled vegetable dishes.

Do you know your winter squash varieties? Butterhut, butterscup, acorn, delicious and Hubbard types are several varieties grown in Michigan. Shapes, sizes and color vary greatly. And prices are reasonable enough so that you can try them all to explore the differences in flavor.

Winter squash has a hard tough rind which is an indication of full maturity, and is heavy for its size. A clean, bright appearance, relatively free from blemishes, bruising and decay ensures you of good quality.

You can store winter squash in a cool dry place for several weeks. It's excellent baked, fried or boiled. Pumpkin and squash, believed to have originated in America, were discovered about the same time Columbus discovered America.

4-H HORSE LEADERS ASSOCIATION ELECTS OFFICERS

Mrs. Katrene Starling of Saline has been elected Chairman of the Washtenaw County 4-H Horse Leaders Association

for 1974. Mrs. Starling and her husband, Bob, are leaders of the Wranglers 4-H Club.

Other officers include: Duane Elliott, Bridgewater, Vice-Chairman; Mrs. Margaret Warden, Dexter, Secretary; Judy Adams, Manchester, Treasurer; Flory Lewis, Milan 4-H Council Representative.

BAND BOOSTERS CLUB MEETING

The Band Boosters Club will meet on Wednesday, November 14 at the high school library at 8:00 P.M. The purpose of this meeting is to welcome new members and plan activities for the coming year. The new officers urge you to attend -- we need you.

Band Boosters Club is organized to maintain enthusiastic interest, lend moral and financial support, and generally help promote the activities of the instrumental music department. All parents who have a child in the instrumental music department are invited to attend this meeting and show their interest.

Plans are presently being made for band members and parents to attend the University of Michigan Band-o-rama program on November 17 as a group. It will be a thrilling experience for all those attending as the varsity band, marching band, symphony wind ensemble and jazz band will all perform.

LOCAL MAN NAMED TO UNIVERSITY ACCREDITING BOARD

Dr. Charles E. Cresswell has been appointed to the Board of Trustees of the National Association for Applied Arts and Sciences located in Evanston, Illinois.

This Association assists in Accrediting Universities and Colleges in the South Central United States.

Dr. Cresswell, a graduate of Eastern Michigan University and Wayne State University, Magna Cum Laude, has received his Bachelor of Science, Master of Science, Education Specialist and Doctorate degrees.

He is Superintendent of Lake Fenton Community Schools, Fenton, Michigan and resides at 627 W. Main Street with his wife, Elizabeth and Daughter, Lisa.

Card of Thanks

I would like to thank my family, friends, neighbors and the school administration for their cards and gifts sent to me during my stay in the hospital. Also thanks to Rev. Wise and his assistant for their visits.

Mrs. Rita Trolz

We wish to express our appreciation to all for the many thoughtful acts of kindness, expressions of sympathy, floral and memorial tributes at the time of the loss of our loved one.

We especially thank Pastor John Morris, Rev. Lenhart Etzel, Mr. and Mrs. Ronald Jenter and the women who helped at our home after the service. We are sincerely grateful to all.

The family of Doug Barth

Johnson-Smith Wedding Vows Spoken

Immanuel Bible Church in Chelsea was the scene for the marriage of Virginia L. Smith and Timothy D. Johnson. Rev. Francis I. Rouse of the First Church of the Nazarene in Ann Arbor officiated. Parents of the bride and groom are Mr. and Mrs. William Smith of Manchester and Mr. and Mrs. William Johnson of Chelsea.

Mrs. Louetta Turner of Manchester was maid of honor and Mr. Robert Schneider of Chelsea was best man.

Mrs. Dianne Richards of Ann Arbor was bridesmaid for her sister while Rick Smith, brother of the bride, Tom Johnson, brother of the groom and Eugene Richards, brother-in-law of the bride served as ushers.

The bride's attendants were dressed in identical gowns of a gold floral pattern and wore corsages of yellow carnations.

The best man sang "The Lord's Prayer" and the groom said to his bride "We Come as Two". Organist was Mrs. Daisy Meulman.

A reception followed at the church. Assisting were: Miss Betsy Kothe, cake; Mrs. Dorothy Brown, coffee; Mrs. Edie Van Buren, punch; and Miss Carol Smith, ice cream.

After a wedding trip through Northern Michigan, the couple will reside in Manchester.

VETERANS DAY 1973, NOVEMBER 11, 1973

We have worked hard and long to have Veterans Day or Armistice Day returned to November 11, 1973 where it rightfully belongs.

The American Legion Post 117 and the American Legion Auxiliary will observe Veterans Day on November 11, 1973 at the Legion Hall at 6 P.M.

We invite all legionnaires and auxiliaries, veterans and their families to attend a potluck dinner. Please bring your own service and a dish to pass.

Meat, rolls, and coffee will be furnished. Come and help us celebrate our day.

Edward P. Steele Jr., Commander Ruth Hainstock, Auxiliary President

The Great Merlin Show November 12

Awe, skepticism and bewilderment are just some of the thrills in store for those who attend the performance of The Great Merlin Mystery Show.

Are there really such powers as E.S.P., mental telepathy and clairvoyance? Can the veil of the future be lifted so that we can catch a glimpse of the unknown? Merlin has amused and befuddled audiences for years by, among other things, reading the minds of people right in their own seats in the audience. It is said that Merlin's mental powers are 100 years in advance of our time. His demonstrations include the answering of questions submitted to him by people in the audience. Apparently he receives the questions as a form of mental vibration and then answers the questions according to visions that he sees in a crystal ball. Merlin absolutely disclaims any supernatural powers and answers questions, as he says, simply through extra-ordinary

development of his natural psychological faculties. Of course this may be perfectly natural for Merlin but absolutely supernatural for others less wonderfully endowed.

Merlin will also present many of his famed hypnotic demonstrations including mass hypnosis using volunteers from the audience. He will cause a person to become intoxicated on a glass of ordinary water; another to eat an onion believing it to be a peach. Those who volunteer to be hypnotized will feel the weather change from 40 degrees below zero to 120 degrees above zero, all in the twinkling of an eye. After it's all over, the volunteers remember the demonstration as though it had taken place in a dream. Merlin who often hypnotizes individuals with a single glance, claims that if you can concentrate he can read your thoughts and hypnotize you. Curtain time is 8 P.M. at the Junior High Middle School Auditorium on Monday, November 12.

Tickets are \$1.00 if bought in advance and \$1.50 at the door, student tickets are \$1.00.

This show is sponsored by the Manchester Varsity Club.

NOV. 15. Pikes Peak, 14,110 feet above sea level, was discovered in 1806 by Lt. Zebulon M. Pike, in Colorado.
NOV. 17. After 10 years of work, under the leadership of Ferdinand de Lesseps, the Suez Canal was opened, dividing Egypt and opening the way to the East for the countries of Europe.

GIRL SCOUT NEWS

A 1974 calendar featuring color photographs of local Girl Scouts will go on sale at the close of the United Fund drives throughout Washtenaw, Livingston, western Wayne and northern Monroe counties. The calendar is the first to be produced and distributed by the Huron Valley Girl Scout Council.

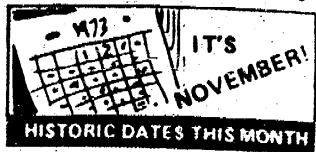

The 8 1/2" X 12" calendar includes 21 photographs of 44 area Girl Scouts working with senior citizens, helping younger children, sewing, camping, biking and doing other activities.

Picture captions comprise a factual report to the community about the Girl Scouts, leaders and the Council itself. Date boxes are designed to hold reminder notes. The calendar is priced at 65 cents.

Calendars will be sold by 7,000 Junior, Cadette and Senior Girl Scouts to finance troop projects. All of the profits (34 cents per calendar) go directly to troops, with none coming to the central Council. In the past troops have used calendar profits to buy primitive camping tents, sleeping bags, and outdoor cooking equipment as well as to finance troop trips and to fund community service projects.

The decision to sell the Huron

Valley Council calendar was made by each troop. A few elected to sell the calendar produced by the national Girl Scouts of the U.S.A. at 50 cents a copy.

NOV. 1. King George III levies The Stamp Act on his American Colonies in 1765, attempting to raise revenue by taxing newspapers, legal documents, pamphlets and playing cards. This was one of the first sparks to set off the American Revolution, 11 years later.

Great Season Comes To End

Front kneeling: Co-Captain Tom Guenther, Manager Kevin Krzyzaniak, Co-Captain Joel Tobias. Standing: Coach Larry Steeb, Gary Bondy, Dan Schaible, Bob Smith, Brad Frey, Ken Schwab, Kurt Kensler, John Roberts, Tom Opal, Eric Norgaard, Phil Krzyzaniak, Bob Padley, Lester Janish. Missing Dean Decker.

recover from the below-par performances of Tom Guenther (10th) and injured Joel Tobias (34th).

Addison totaled 32 points to add the L.C.A.A. crown to the regional crown they had won on Saturday. The Dutchmen totaled 59 points to easily out-distance 3rd place Onsted's 76 point total.

The only bright spot for the Dutch being the fine performance of Freshman Bob Smith (9th).

Phil Krzyzaniak (7th) and Guenther joined Smith on the All-League Team (top 10 finishers).

Despite the poor showings on Monday and Wednesday, the Dutchmen were still regional champions and expected to do well at the State Finals, last Saturday at Haslett. Needless to say the Dutchmen couldn't pull themselves out of their slump and finished 16th out of 18 teams. The harriers totaled 366 points as compared to Champion Carson City - Crystal's near record low 78 points.

Despite these setbacks the Dutch cross-countymen are predicting another big season for themselves next season and they definitely will be gunning for the League Championship that eluded them this season.

If it was up to Coach Steeb and his Manchester High Cross-Country team they would just as soon forget the last week of the season.
If somehow last week could be removed from the schedule the Dutchmen could remember a season only blemished with one dual meet loss and big victories in both the Manchester invitational and the state regional meet.
The regional victory capped a rebuilding program that saw the Dutchmen improve from 16th in the regional in 1971, to 7th in 1972 and finally the championship this season. The Dutchmens dual meet record has improved in this same 3 year period from 2-4, to 7-3 and finally 8-1 this season.
What exactly happened in the last week of the season to blemish this outstanding record?
To begin with on Monday the Dutchmen traveled to Sand Creek to take on the last place Aggies. Running without Co-Captains Joel Tobias (foot infection) and Tom Guenther (resting) the harriers came away with a very lackluster 27-33 victory that saw the host team take the first 2 places.
Wednesday the Dutchmen traveled to Morenci's DeMar Hills golf course for the league meet that was supposed to be a real dog fight between defending league champion Addison and the Flying Dutchmen. Instead Addison turned the meet into a rout as the Dutch couldn't

COUNCIL PROCEEDINGS

October 15, 1973
 Council met in regular session with the meeting called to order by Pres. Hinkle at 7:25 p.m. Trustees present were Fitzgerald, Mahony, Scully and Scatch. Absent: Benedick and Walton. Minutes from the October 1, 1973 regular meeting were read. Moved by Fitzgerald, supported by Scully to approve the minutes as presented. All read, carried.
 Letter Walton at 7:45 p.m.
 Teresa Benedick, representing the Ecology Club, explained that the group had money which they would like to utilize on an ecological project. It was suggested that additional trash cans could benefit the community. Public Works volunteered to obtain barrels and remove

the tops so that the Ecology Club would have to purchase only the main one top. Mr. Craig Sherman of the Kenner Co., Fremont, Ohio, was present regarding bids for painting the water tower. Moved by Scully, supported by Scatch that bids for the tower and painting of the water tower be submitted to the Public Works Committee for a decision. All read, carried.
 Fitzgerald reported that Louis Lessen was granted certificates in M-Coordination and M-Removal. These certificates were obtained through further education and testing. Public Works activities encompassed water meter reading, spraying, graveling one portion of Lafayette, adding sewers, grading,

working on equipment and building a guide at the stadium for parking the contractor in.

Moved by Mahony, supported by Walton that SE-701 be transferred from 55-454 to 55-355. All read, carried. Mahony briefly discussed the September financial report.

Scully named permittees residing -
 Colonial Builders - 204 Sesscott, electrical - C. Armon - 230 Wager, electrical - P. Casper - East Main Street, Springfield - D. Wagner - 421 Riverside Drive, new bidg. - Grayford Knolls - 80 Spring Lane, electrical - R. Strong - 551 Adams. A request from Mrs. Edwin Murphy to open up an antique decorative shop at 515 City Rd. was referred to the Village Planning Commission since the property is now zoned residential.

An application for permit and request for variance was received from Albert Gendreau for the property at 415 Riverside Drive. A public hearing has been set for Nov. 9, 1973.

Stantz reported that at the last Chamber of Commerce meeting the Chamber indicated they would encourage all businessmen to choose advertising signs in keeping with the "look of the century" theme of Manchester. They also felt that no burning of trash should be done in the business area except if contained in an approved incinerator. They are striving to accomplish this as quickly as possible.

D. Limpert was present to voice a complaint in connection with the policing of his property.
 Moved by Walton, supported by Mahony to adjourn at 10:27 p.m.
 Mary H. Wheeler, clerk

RIVER RAISEN FARM BUREAU

The River Raisen Farm Bureau will meet at the Sharon Township Hall Wednesday, November 14 at 8 p.m. Host and hostess will be Mr. and Mrs. Victor Grossman.

Krauss Pharmacy

Brooklyn
Weatherwax Rexall Drug Store

The Wildlife Division of the Michigan Department of Natural Resources will operate a deer checking station for three one-half day periods in Washtenaw County during the 1973 season deer season. The checking station will be located at following location - Washtenaw County, 100 - 1000 Office, 1000 East - 1000 Road, Ann Arbor, Michigan - 48103. Date 1. Tuesday, November 13 - 10:00 A.M. - 12:00 P.M. 2. Wednesday, November 14 - 10:00 A.M. - 12:00 P.M. 3. Thursday, November 15 - 10:00 A.M. - 12:00 P.M. Successful deer hunters are urged to bring their deer, or head of their deer, to the checking station during this period at which time a Wildlife Division representative will obtain a register of biological information on each deer, such as age, sex, hunting tag, and other data which will assist in management of this species game animal.

Each successful hunter who brings his deer to the information will be awarded a "Successful Deer Hunter" shoulder patch which is a memento that will become a collector's item after this year. This patch, long-colored shoulder patch measures 4 1/2 x 3 inches. The patch shows the features of this commemorative patch. It is strongly suggested that interested persons save this article for reference in case the number in the family gets a deer.

Agriculture in Action

Michigan Farm Bureau

An urban housewife scanned the daily newspaper while watching her favorite show on color television in the living room of her comfortable ranch home. Out in the driveway, a camper stood ready to whisk the family off for a week-end jaunt, and two snowmobiles waited in the garage for the first snow-fall. She gritted her teeth when she read the bold headlines: "U.S. Consumer the Loser..." The reason her groceries were so high, she was informed, was because of increased agricultural exports.

The remainder of the news article, which explained that these exports had made the U.S. dollar stronger, "did not compute"—what did the balance of trade have to do with her budget? She did not relate her TV set, the clock-radio which woke her or the car her husband drove to work that morning,

to foreign trade. She did not realize that everyday her family enjoyed luxuries and necessities for a lower cost because these products had been exchanged for agricultural products.

No one country—not even the United States, can efficiently produce everything it needs, and when products are exchanged on the basis of each country producing the items it can produce most advantageously, consumers get the best product for the lowest price. Agricultural products happen to be the one thing that the United States can produce as cheaply as it can be elsewhere in the world. It gives us bargaining power for those things which can be produced cheaper in another country.

Why is a favorable balance of trade important to the urban housewife who was angered by headlines which tagged her as a "loser"? Because foreign currency obtained from world trade allows the U.S. to buy products in short supply here—such as petroleum products. Our country suffers from a serious balance of trade problem now, but it would be much worse if it weren't for a highly productive, export oriented agriculture.

Consumers may pay a little more for their food, but they'll be paying less for other products because of a growing world food demand—and the U.S. farmer's ability and freedom to meet that demand. It's a bit more sophisti-

cated and complicated than exchanging beads for seed corn, but the concept is the same. The name of the game is Supply and Demand—and there are no losers.

DIABETES DETECTION

During Diabetes Week, November 11-17, free screening tests will be given at three locations in the Washtenaw area. These tests are done to find undiagnosed diabetics. Although these tests are not for people who know they have diabetes, they offer an opportunity for relatives and friends to be tested.

Reyer Hospital, Ypsilanti - Nov. 13-15 from 8 A.M. - 2 P.M.,
St. Joseph Mercy Hospital, Ann Arbor Nov. 12-16 from 10 A.M. - 4 P.M.,
University of Michigan Hospital (Room C3086) Nov. 13-16 from 1 P.M. - 5 P.M.

Support camp, research, and educational programs of the Michigan Diabetes Association by buying and telling your friends about the MDA Christmas Cards. For further information about the cards call Mrs. R.R. Fullerton, Christmas Card Chairman for the Washtenaw unit of Michigan Diabetes Association (665-0968).

School Notice

With a delightful Fall Season almost behind us and the winter months approaching all too fast, we would again like to remind you of our school closing policy. In the event of severe inclement weather (blizzards, sleet storms, icy roads or a combination of the aforementioned) that makes it necessary for school to be closed, this announcement will be heard on Radio Stations WJR Detroit, WPAG Ann Arbor and WNRS Saline starting at 6:15 a.m. Only on extreme occasions is it possible to make this announcement the evening prior to the day school is to be closed. When this is done it will be obvious to all. Please do not call school personnel to find out what will happen the next day. In most instances the decision to close cannot be made until early in the morning of the day school will be closed.

FLUORIDE PROGRAM

Fluoride appointment cards will be sent home from school on Wednesday and Thursday, November 7 and 8. If you have any questions please contact Karen Brittle - 429-7211.

"The Wildlife Division of the Michigan Department of Natural Resources will operate a deer checking station for three one-half day periods in Washtenaw County during the 1973 firearms deer season. The checking station will be located as follows: Location - Washtenaw County, SCS - ASCS Office, 6101 Jackson Road, Ann Arbor, Michigan - 48103. Date & Time: Saturday, November 17th - 9:00 A.M. - 12:00 noon, Saturday, November 24th - 9:00 A.M. - 12:00 noon, Saturday, December 1st - 9:00 A.M. - 12:00 noon. Successful deer hunters are urged to bring their deer, or head of their deer, to the checking station during this period at which time a wildlife division representative will

obtain a variety of biological information on each deer, such as age, sex, township bagged, and other data which will assist in management of this superb game animal. Every successful hunter who brings his deer in for examination will be awarded a "Successful Deer Hunter" shoulder patch which is a memento that will become a collector's item after this year. This oval, four-colored shoulder patch measures 4 1/2 X 3 inches. The picture shows the features of this commemorative patch. It is strongly suggested that interested persons save this article for reference in case the hunter in the family bags a deer."

107TH YEAR NO. 3 10 CENTS PER COPY THURSDAY, NOVEMBER 15, 1973

Optimist Club Outstanding Citizen

Tom Opal, son of Mr. and Mrs. Richard Opal of Bemis Road and a sophomore at Manchester High School, is the outstanding citizen for the month of November. Tom came to our school from Milan during the second semester of the eighth grade. In the ninth grade Tom ran cross country and track. This year Tom made our varsity cross country team, running as our fourth finisher for the most part. He worked on the class floats and acted as one of the escorts for the homecoming court. Tom attends the Free Methodist Church in Milan and is involved in the youth group. Tom is interested in all sports and spends a lot of time horseback riding and reading. He is an all-A student and his future plans call for joining the Air Force to learn to fly and to pursue a college education. Mr. Klager is a member of the awards committee. Congratulations Tom!!!

4th Annual Christmas Bazaar Friday, November 30th

L to R: Mrs. Allen Benedict, Mrs. Lynn Carpenter and Mrs. Roland Grossman.

Manchester Methodist Women making homemade noodles.

Christmas! Along with the Christian beauty of Christmas is the question of what to get grandparents, aunts and uncles and those on your holiday list who "have everything." The answer? The 4th Annual Combined Christmas Bazaar on Friday, November 30 from 9 a.m. to 7 p.m. at the Emanuel United Church of Christ Hall.

Unusual and beautiful hand-made gifts will be plentiful, with as wide a variety of ideas and originality as the ladies of three area churches are able to create. Knitted, crocheted and embroidered work, Christmas candles, tree decorations, stocking-stuffers and many other gift ideas at the Thread and Thimble. Ye Ole Bake Shoppe will tempt you with holiday cookies, breads, pies and jams and jellies, while the Delicatessen will feature home-made chicken and noodles from the Manchester Methodist ladies; the Emanuel United Church of Christ ladies are making chili and schnitz-brod; and St. Mary's speciality this year, German potato salad and sauerkraut casserole.

Also for your convenience while you shop, a beef and rice casserole luncheon will be served from 11:30 to 1:00. Mrs. Roland Grossman of Emanuel United Church of Christ, Mrs. Lynn Carpenter of Manchester Methodist and Mrs. Allen Benedict and Mrs. Duane Beuerle of St. Mary's as co-chairmen of the event, extend their invitation to enjoy an early shopping spree and lunch at the 4th Annual Combined Christmas Bazaar.

Union Savings Christmas Club

President William K. Cray, of the Union Savings Bank of Manchester, announced the successful completion of another year's Christmas Club program. Mr. Cray indicated that the Manchester Bank had 309 checks totaling \$57,594.00, distributed to the local, eager Christmas shoppers. This indicates that the Bank's average check is running close to \$200.00 and that each Manchester Christmas shopper this year, will be armed with additional shopping power to make this Christmas a happy one for all.

The completion of this year's Christmas Club program is just really the beginning of savings for next year's Christmas. Hopefully, both the amount of savings and the number of accounts will increase.

Buy, Sell, Rent with a Want Ad

Good-bye To Main Street

By C. Chapin. Saying good-bye to Main Street after some 30 years is Margaret (Peg) Kirk Dittie, of 315 Riverside Drive, Manchester.

In 1920 Peg began working at the old Candy Kitchen, operated by Pete Johnson, which was located where the Hardware store is at present.

Across the street above the old Hotel (where Grossman Huber stands) there was a chair factory called Michigan Seating and she next worked there until in 1933 she moved down the street to the American Legion Hall. The second floor dining room at that time housed the Michigan Bell Telephone offices and there Peg stayed until 1941 - Ford Motor Co. for two years, then Mingus Manager (later the KGA) for six years. Peg then joined Millard Uphaus for nine years followed by five years at Kraus Dress.

Peg's working years on Main Street provide us with a capsule history of the growth and change of the downtown business district.

Peg intends to pursue her hobbies of needlepoint, knitting and crocheting. A long time to work and a lot of service to the Public, always with a smile. Good Luck Peg.

Peg's wedding years on Main Street provide us with a capsule history of the growth and change of the downtown business district.

Engagement Announced

Mr. and Mrs. John Livermore of Grass Lake announces the engagement of their daughter Jonni to Mr. Michael Brenaman, son of Mr. and Mrs. Walter Brenaman of Pinckney.

A December wedding is being planned.

NOTICE

Due to the Thanksgiving Holiday and early publication of the Manchester Enterprise, all copy, both advertising and news, must be in by 10 AM Monday morning on November 19.
