

**GUENTHER TAKES 3RD IN 6 MILER**

Tom Guenther, distance runner for the Manchester Track Club and co-captain of next fall's high school cross-country team, placed 3rd in the teenage division of a 6 mile road race sponsored by the Huron Valley Road Runners club of Ann Arbor this past Sunday.

Guenther finished in 6th place over-all as Jon Richardson of the Macomb Track Club ran away with top spot in the senior division with a course record 32:16 time.

Guenther will be competing in a 10 mile road race in 2 weeks, the event also will be sponsored by the H.V.R.R. Club.

**TRACK CLUB JUMPER SOARS**

It didn't take Manchester Track Club jumper, Dan Beach long to establish himself as a definite threat to break the 6 foot high jump barrier anytime he competes. Beach with only 2 days practice, cleared the bar

at 5'10" to tie for 3rd place in the U.S. Track & Field Federation Indoor Meet at the University of Michigan, this past Thursday.

Also competing for the track club in the 60 yard dash was club President Mark Spencer. Spencer finished 2nd in his heat and 7th over-all as he just missed the cut-off for the finals. Spencer's time was a quick 6.9.

Tom Guenther inched down his best in the indoor 2 mile with a 11:27 clocking. Guenther's previous best being 11:29.8 at the Holiday Invitational at Eastern Michigan University. His time wasn't fast enough to place him with the leaders.

Difficulty with his stride pattern led to Brad Frey recording no distance at all in the long jump. Brad fouled in all three attempts, his best previous indoor effort was a 18'6" jump at the Holiday Invitational meet at E.M.U.

The Track Clubs next indoor effort will be February 15th with another Federation Meet at Yost Fieldhouse in Ann Arbor.

**J. V. GIRL'S WIN AGAIN**

Manchester girls went into action again Monday night against Willow Run.

The Jr. Varsity out-scored and out-played Willow Run. The score at the half was Manchester 15-9. Both teams came on strong in the second half ending in a defeat for Willow Run with a score of Manchester 31 Willow Run 25.

Malinda Hudkins was high scorer with 10 points. Followed by Vicki Wurster with 7 points and Sally Roberts with 6 points.

The Varsity gave the game to Willow Run as they only hit 10 out of 30 times at the free throw line.

Manchester had trouble getting the ball to go through the rim on their shots from the floor. Nicki Lentz was high scorer with 10 points, followed by Georgia Baughey with 6, and JoAnn Brunstle with 5.

The girls go into action at home again, next Monday, January 29 against Saline. Spectators are welcome and encouraged.

**Engagement Announced**

Mr. and Mrs. Lyle A. Widmayer announce the engagement of their daughter Jane Lynn to Thomas Joseph Flynn, son of Mr. and Mrs. T. Raymond Flynn of Schenectady, New York.

The bride elect is a graduate of Manchester High School and a June candidate for an Associate Degree in Fashion Merchandising at Northwood Institute in Midland, Michigan. Her fiancé is a graduate of Bishop Gibbons High School and holds an Associate Degree in Automotive Marketing and a Bachelor of Arts Degree in Business Administration from Northwood Institute in Midland. He is employed at Schenectady Chrysler - Plymouth, Inc.

A July wedding is being planned.

been compiled on compactors and was presented to the local government officials. A feasible solution to the existing situation would entail installing a compactor on a nearby site. A 40 cubic yard container, attached to the compactor, would receive compacted rubbish. Arrangements would be made on a contract basis to have the filled container hauled away and emptied. A second container would be attached at the time of removal of the first one. The degree of compaction of the refuse would probably necessitate this service once a week at most.

Should a compactor be purchased as the solution to the refuse problem, it would be operated on approximately the same schedule as the present transfer station. All controls would be handled by a qualified operator to eliminate danger to the users of the station. The size of the compactor would allow a truck to dump directly into it. Two vehicles might possibly be accommodated at one time. Once refuse is dumped into the loading hopper, the operator would set the compactor in motion. The cycle time on the machine is 40 seconds. Refrigerators and other large items, as well as normal household trash, can be crushed by the compactors.

The local governmental representatives intend to discuss the proposal with their respective units and report further findings on land site, installation costs, etc., at the next joint meeting scheduled for 8:00 pm, February 7.

**Twentieth Century**

Twenty-three members and one guest were present when the Twentieth Century Club of Manchester met at the home of Mrs. Charles Cresswell Tuesday evening, January 23.

The membership voted to give a donation to the High School Ecology Club towards the purchase of their bottle collection bin; and, in other business, ideas were exchanged for use in the 1973 - 1974 club year.

The program theme for the evening was "Women Then and Now" and was very cleverly covered by Mrs. Lyle Widmayer who gave an interesting preview of ladies fashions for the spring season; and, Mrs. Franklin Reck covered a day in the life of a young woman of yesteryear, growing up in Manchester, and described the many changes that have taken place for the women of that day and around our town.

Following this, refreshments were then served by the hostess assisted by the co-hostess, Mrs. Paul Alber.

**4-H YOUTH NEWS**

Poster promotion may not be a "new thing", but for the nation's 5 million 4-H members it may mean a "new theme."

According to Joani Degrand, 4-H Program Associate, 4-H members around the country are annually called upon to design posters describing 4-H "the way it is."

Called the 4-H Poster-Art Program,

the contest gives 4-H members the opportunity to use their creative talents in promoting 4-H and developing their own theme.

"Selected ones will then be sent to the State 4-H Office at Michigan State University where they will be judged by the state 4-H creative-arts developmental committee."

Last year several of Michigan's poster creations were reproduced for use in slide-tape presentations, brochures, promotional pamphlets, and on place-mats.

At the national contest posters are judged by 4-H members attending the National 4-H Conference in Washington, D.C. The one selected this year will become the official 4-H poster for next year, and its slogan will be the new 4-H theme.

Coats and Clark, Inc., sponsor of the National 4-H Poster-Art Program, awards cameras for the 10 best entries along with the one for the poster with the best international 4-H emphasis.

Mrs. Degrand reminds all Washtenaw County 4-H members that the deadline for having their posters at the County Building is Friday, February 23.

**FEDERAL CROP INSURANCE CORRECTION**

Unfavorable weather during the small harvest season for corn and soybeans caused thousands of policyholders to report probable losses to the Federal Crop Insurance Corporation, according to Earl Wilson, Service Director for the area. When the weather cleared in January for a few days, many farmers were able to complete harvesting by virtue of staying in the fields around the clock. Wilson stated that policyholders who had reported a probable loss earlier should again notify the local FCIC office and report the production when harvest of an insured crop is completed. If a loss occurred, the policyholder will then be contacted by an adjuster. If the production exceeds the policy guarantee, the 1972 records can be cleared and the Corporation can then concentrate on those cases which need further attention. Wilson also emphasized that February 1, 1973 is the final date for notification of loss to 1972 corn and soybean crops for policyholders who have not given notice to the Corporation. The Federal Crop Insurance Corporation is an agency of the United States Department of Agriculture. Protection is provided against all natural causes of loss on farm crops.

The County Office located at RR West Chicago Road, Coldwater, Michigan, services the following counties: Branch, Calhoun, Cass, Clinton, Eaton, Hillsdale, Ingham, Ionia, Jackson, Kalamazoo, Lenawee, Livingston, Monroe, St. Joseph, and Washtenaw.

## New Look In Congress

The 93rd Congress, which convened the first part of January, has been labeled the most urban in the history of our nation.

During most of the history of our nation, the Congress has been made up of rural or rural-oriented persons. This is not so today. The so-called "farm-bloc" is long gone and the present Congress reflects a city and urban upbringing.

Of the 435 members of the U.S. House of Representatives, including 19 from Michigan, there are only five who represent districts where more than one-fourth of the people live on farms. Two of these are from districts in Minnesota, and the other three are from Iowa, Nebraska and South Dakota. There are 65 members of the House who represent districts that have ten percent or more of their constituents who are farmers.

On the other end of the spectrum, 77 members of the House, or almost 18 percent, represent districts that have no farms at all. There are 21 New York State Congressmen, 16 members from California and nine from Illinois who represent no farms. Pennsylvania, Michigan, New Jersey, Texas, Ohio and Wisconsin are other states where two or more members of the House have no farm constituents.

This new Congress is expected to consider many bills of importance to agriculture. These may include the federal farm program, marketing and bargaining, strategic reserve, minimum wages, consumer protection and government reorganization.

The make-up of the new Congress will inevitably have its effect on agricultural legislation. This impact won't necessarily be unfavorable to agriculture, but it's a good bet that farm bills will have to be presented by their sponsors as legislation in the national interest.

"Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great." -- Mark Twain.

## NOT ALL WIDOWS TO RECEIVE 100% SOCIAL SECURITY

Most --- but not all --- widows will receive an increase in their Social Security checks due on Saturday, February 3, according to Robert A. Kehoe, District Manager of the Social Security Office in Ann Arbor. When the law providing for increases to widows was enacted last fall, early press releases left the impression that all widows would receive 100% of the amount their husbands had received or would be receiving if alive. However, Kehoe said, whether you receive an increase, and the amount of the increase, is determined by two factors: (1) your age at the time you began receiving widow's benefits, and (2) your husband's age at the time he started receiving benefits (if he had been drawing prior to his death).

The only widows who will receive 100% of their husband's amount will be in those cases where neither she nor he drew anything prior to age 65. If either the widow or her husband had drawn checks prior to age 65, the increase will be less, and in some cases none at all.

Social Security Administration figures estimate that only about 38% of the ladies receiving widow's benefits will get the full 100% of their husband's amount. 51% of widows will receive some increase, and about 11% of the widows will receive no increase at all. Kehoe pointed out that this last 11% are receiving minimum benefits of about \$84.50 per month and are already receiving 100%.

All women who are widows but receive Social Security checks on their own work records should contact a Social Security Office to see if they would be due an increase under the new law. Even if these ladies were once advised that their own benefit was higher than a widow's payment, the reverse may now be true under the new law. There is no automatic way to identify these women, Kehoe stated, so they should contact a Social Security Office to file an application.

## IRS Office Open Saturdays

Taxpayers who work or can't get to IRS offices during regular business hours can obtain help from the IRS on Saturdays from now until April 16, Thomas A. Cardoza, District Director of Internal Revenue for Michigan said today.

IRS employees will be on duty from 9:00 a.m. to 3:00 p.m. at the Ann Arbor office to help taxpayers fill out income tax returns. The phone number for income tax assistance in the Ann Arbor area is 971-0370.

Taxpayers who have questions or problems with filling out their returns should call or visit their IRS office for help. Mr. Cardoza said that many taxpayers may find it more convenient to call the IRS on the phone instead of making a trip to the office.

Trained taxpayer assistants will answer questions and help fill out their returns, Mr. Cardoza said.

## APPLICATION FOR NEW FARM FEED GRAIN BASES

A feed grain base may be established under the 1973 Feed Grain Program for farms which did not have a base in prior years and meet eligibility requirements, Mrs. Stump of the Washtenaw County ASCS Office, announced today.

Interested producers should contact the County ASCS Office not later than February 15, 1973, and file an application, Mrs. Stump said.

To be eligible for a new feed grain base, the operator must expect to receive 50 percent or more of his livelihood in the current year from the production of agricultural commodities; must have adequate equipment for the production of feed grains; the land must be suitable for the production of feed grains; and neither the owner nor the operator may have an interest in any other farm for which a feed grain base has been established.

A farm for which a new farm base is established may qualify for program payments and price support loans by setting aside the acreage required as for old farms and complying with all other program provisions.

For the first time, a plaque was awarded for special achievement in the 4-H horse and pony project. The award was sponsored by the Ypsilanti Farm Bureau and was won by Mike Fisk.

Certificates and pins were given to eighteen members of the club. Those competing the 1972 club year were Linda and Patty Carlson, Ruth Curtis, Rita Drouare, Mike Fisk, Vicki Hansen, Pauline Kuebler, Beverly Ludwick, David Meta, Grace Mooneyham, Karen Randall, Rex Spiegelberg, Barbara Tanner, Anna, Cathy and Joel Tobias, David Vacek and Sandy Wilson. First year pins were given to Pauline Kuebler, Beverly Ludwick, David Meta, Karen Randall, Rex Spiegelberg, Barbara Tanner, David Vacek and Sandy Wilson. Patty Carlson received a third year pin. A fifth year pin went to Mike Fisk.

Each year, the leaders of the club select one member of the club to receive a very special award. This award is given to the outstanding 4-H club member and the 1972 recipient of this award was Rex Spiegelberg. Rex was presented with a trophy buckle.

Mr. Fisk then introduced the officers for the 1973 club year. They are - Anna Tobias, President; Patty Carlson, Vice President; Linda Carlson, Secretary and Rita Drouare, Treasurer. The officers, along with Mr. Fisk, welcomed into the club, the following new members for 1973. They are - Tina Carlson, Douglas Drouare, Mark Guenther, Pam Handy, James Hansen, Kathy Hartmann, Curt Lawrence, Petra and Susan Moessner, Gerald Ratzlaff, Mary Tobias, Ann and Jean Widmayer and Toni Wilson. All of these new members were the special guests of the club along with the Ed Dangler family of Jackson Road, Dexter, Michigan.

Following the dinner and the presentation of all the awards, everyone enjoyed a movie, in color and narrated by Wayne Newton. The film, entitled "The Proud Breed", was produced by the International Arabian Horse Association and featured the Arabian Horse.

Participation ribbons were given to Linda and Patty Carlson, Ruth Curtis, Rita Drouare, Mike Fisk, Mike Katanis, Pauline Kuebler, David Meta, Rex Spiegelberg, Barbara Tanner, Anna Tobias, Cathy Tobias, Joel Tobias and Sandy Wilson. Horse judging on the club level, County Contest for Horse Judging, Officers' Workshop, Spring Achievement, Council Convention, Share-the-Fun, Spring Round-up and the Manchester Fair Parade were the activities that the members took part in. Some of the members were an active part in all of the events.

Mike Fisk, Pauline Kuebler, Rex Spiegelberg, Cathy Tobias, David Vacek, Barbara Tanner and Sandy Wilson all received perfect attendance pins for 100% attendance at all of the business meetings of the club. Special awards of finishing brushes were given to Mike Fisk and Rex Spiegelberg. Both of these boys attended all the business meetings and all of the weekly workout sessions.

When he serves a summons, he's a monster. If he lets you go, he's a doll. To little kids, he's either a friend or a bogeyman, depending on how the parents feel about it. He works "around the clock," split shifts, Sundays and holidays, and it always kills him when a joker says, "Hey, tomorrow is Election Day, I'm off, let's go fishing" (that's the day he works 20 hours).

A cop is like the little girl, who, when she was good, was very, very good, but, when she was bad, was horrid. When a cop is good, "he's getting paid for it." When he makes a mistake, "he's a grafter, and that goes for the rest of them too." When he shoots a stick-up man he's a hero, except when the stick-up man is "only a kid, anybody coulda seen that."

# Girl Scouts Cookie Time

Starting February 9, 6,500 Girl Scouts in Washtenaw, Livingston, western Wayne and northern Monroe counties will be knocking on doors seeking to sell 250,000 boxes of Girl Scout cookies, it was announced by the Huron Valley Girl Scout Council today.

This year for the first time the Scouts will offer larger boxes, containing double or nearly double the number of cookies as in previous years.

The price for the larger boxes has also doubled, going from 50 cents to \$1.00. All previous flavors will again be offered in order of their popularity, most popular Mints, Savannahs, Chocolate and Vanilla Cremes, Fudge Creme and Scout-Tears. The Girl Scout cookies are made by Bury Biscuit Company, a division of the Quaker Oats Company of Chicago, Illinois.

Troop profits from the sale of the larger boxes will triple, it was announced, going from 5 cents in past years to 15 cents per box this year. The portion of profit going to the Council will double to 38 cents per box.

Cookie money is vital to the operation of both the troops and the Council, according to Council President, Mrs. James A. Kennedy. Troops use the money to finance service projects, such as purchasing specialized equipment for hospitalized children or elderly patients, or for providing camping equipment for their troop use.

Council cookie funds go to pay for camp scholarships, for the purchase of equipment and reference materials used by troop leaders, and for improving the Council's three camps, Camp Linden in Livingston County, Camp Hilltop in Ann Arbor and Camp Crawford near Ypsilanti.

The Junior, Cadette and Senior Scouts (Brownies do not take part in the cookie sale) will take orders for cookies from February 9 to February 25 and will deliver cookies March 27 to April 9.

Chairman of the 1973 cookie sale is Mrs. Jack Hagopian of Plymouth, serving her fourth year in this volunteer position. Assisting her will be 23 area chairmen, Mrs. James Rorabacher of Plymouth; Mrs. Richard Dunchock of Northville; Mary Ronchetto and Mrs. Howard Green of Westland; Mrs. Robert Brewer of Wayne; Mrs. Barbara Jorgensen of Belleville; Mrs. Nichole Menke of Romulus; Mrs. Peter Hogberg and Mrs. William Wallace of Flat Rock; Mrs. James Baker, Mrs. Barbara Root and Mrs. Cecil Barrett of Ypsilanti; Mrs. Lola Johnson of Willis; Mrs. Agnes Rafalski of Milan; Mrs. Orla McNaughton, Mrs. Ruth Weber and Mrs. Norma Schneider of Ann Arbor; Mrs. Douglas Schumann of Whitmore Lake; Mrs. Emmett Ulrich of Dexter; Mrs. Jerry Satterthwaite of Chelsea; Mrs. Herbert Wagner of Saline; Mrs. James Kessler of Manchester; Mrs. Thelma Elm of Pinckney; Mrs. Andrew Parker of Brighton; and Mrs. Richard St. Onge of Howell.

# Girl's Basketball Team Defeat Saline

Manchester Girl's Basketball Teams went into action again Monday night against Saline.

The Jr. Varsity walked by Saline with a score of 22-9. Malinda Hudkins was leading scorer with 8 points, followed by Cathy Niehaus with 6 points and Jeri Walz with 4. Lisa Cresswell and Donna Dixon played a fine defensive game to contribute to the win.

The Varsity girls finally won a home game. Dorian Tassie was high scorer with 9 points, followed by Nicki Lentz, Jeanne Kullenkamp, and JoAnn Bruestle, all three contributing 6 points. Sharon Bondy and Laura Sullivan helped the winning effort by tossing in 5 points each. Final score 37 - 30.

Next Monday, February 5, the girls will play at Dexter at 6:30.

# Dutch Wrestlers Win Trophy

A new trophy has been added to the High School trophy case. This one came from the Vandercook Lake tournament where the Dutchmen wrestlers took second place behind Fowlerville. The winners had 86 points and the Dutch 84 and one half so it was a battle right down to the wire.

Mike Johnson stretched his win to 17 as he placed first at 145 pounds, Joel Tobias at 105, John Roberts at 112, Steve Gross at 119, DeLuss Wolff at 138 and Ross Haessler at 167 all took second places. Doyle Deasal won his first medal with a third at 155 as did Jose Arana at 126. Keith Alber filled in for injured Randy Seegert and placed a respectable 4th at 185.

Tuesday didn't prove too much as Hudson and Manchester tied 25 to 25 in a league wrestling meet. This puts the Dutch at 2-0-1 in the league. Winners for Manchester were: Joel Tobias 105, John Roberts 112, Steve Gross 119, Dave Korth 126, Jose Arana 132 and Keith Alber at heavyweight.

Thursday night was parents night and the boys gave the folks a good show as they downed Morenci 63 to 6 in a match that lasted 20 minutes. That brings the record to 5 wins, 2 losses and 1 draw.

The Manchester Ladies Arbrieters will be having a public card party on February 6 at 8:00 pm at the K of C Hall.

## Family Service Annual Report

The annual report for Manchester Family Service was given to the public at the annual meeting last week. This Community Chest agency is a volunteer group of nine board members who are local residents assisted by numerous volunteers in all fields. 52 families were assisted in 1972 including 128 different individuals. 69 of these served were children.

Nineteen volunteer drivers made 198 trips to nearby clinics, hospitals, Department of Social Services, Social Security, Department of State, Schools, Red Cross, and Blue Cross & Blue Shield, etc. 9985 miles were covered by these drivers, serving 472 individual needs.

Clothing was distributed through the efforts of the Emanuel Church of Christ and the Manchester United Methodist Church. 14 individual families also donated approximately 200 items of clothing which was distributed to 44 persons.

Referrals to the Washtenaw County House-by-the-Side-of-the-Road were made for 29 individuals, 12 adults and 17 children, when the needs could not be met from the local supplies. Clothing that is left over from supplies given here is sent on to the Washtenaw County House. One of the volunteer needs in this line is minor mending.

Household items for burn-outs and others numbered 41. It is the policy of the agency to list all available household items that are offered and those in need are put in contact with the donors. Anyone having such items should contact Mrs. Franklin Reck, chairman, 428-8852. Two household burn-outs in 1972 were also assisted by the Red Cross and the Salvation Army through the local agency. This is one of the endeavors of the local agency--to put people in all walks of life in touch with the agency, organization or office that will be able to handle their requests or needs.

Emergency Food Orders were given for 2 families, 3 adults and 5 children, and one transient family of 4 was assisted. Frozen meat was donated to six families from a freezer that had to be moved and the problem was brought to the agency.

1972 Christmas Project in cooperation with the Washtenaw County Christmas Bureau assisted 24 families in the

area. The names of these families were received from the Department of Social Services and the Washtenaw County Health Department and several churches. Seventy nine individuals were served at this time, including 33 adults, 34 children twelve years old or under and 12 teen-agers. Eleven of this number were Senior Citizens.

The Christmas project was assisted by the Jaycees and Jaycees Auxiliary, the Optimists Club, Bethel Church of Christ Fellowship, Emanuel Church of Christ Fellowship, Manchester United Methodist Church WSCS, Sharon United Methodist Church, St. Mary's 7th and 8th Grade Catechism Class and their leaders and anonymous donors. Dolls were dressed, games, toys, Christmas trees and individual presents were donated by a dozen people in the area who volunteers their services and gifts.

A total of \$376.43 was used by the agency in 1972. \$200.00 of this was donated by the Manchester Community Chest.

Requests for volunteers are heard on the TV and radio each day. Manchester Family Service would like to remind Manchester residents that it is not necessary to write to Washington or call Ann Arbor in order to volunteer their services. Manchester Family Service can use a great many and put others in touch with locations that they may prefer.
