## Card of Thanks

I wish to thank all my relatives, friends and neighbors for all their acts of kindness shown us during my recent stays at the hospital and at home. Also for all the cards of well wishes, gifts and prayers. A special thank you to Pastor Reineck for his visits, prayers and comforting words. It was all very much appreciated. Thanks again to everyone. Alfred Dieterle

We would like to express our appreciation for the many acts of kindness and expressions of sympathy and condolence extended by our friends and neighbors during the illness and death of our husband and father. Your thoughtfulness will be long remembered. We especially thank Rev. Joseph Wise and the Jenter Funeral Home.

## Attend National Crusade

TV's popular Ed Reimers chats with Bill and Lois Cray of 19825 Sharon Valley Rd, Manchester, Michigan at the National Crusade Kickoff Meeting of the American Cancer Society held recently in Houston, Texas. Both participated in the two-day meeting of key volunteers of the Society representing all 50 states. The inspirational meeting was climaxed by a dinner for the 1,000 persons attending the meeting. Bill is chairman of the Washtenaw County Cancer Unit, also on the State Cancer Crusade Committee.

## Drawing for March of Dimes

Pictured L to R: Mrs. Carolyn Ahrens and son Brent, Mrs. Dorothy Buss, Mrs. Maxine Widmayer, Mrs. Rita Burkhardt and son Ryan.

I would like to thank all those who participated in our March of Dimes Drawing; Trickey's of Manchester and Tecumseh for sponsoring our drawing, Mr. Harry Macomber for the donation of the tickets, the ladies who sold tickets, and especially those who purchased them. If it wasn't for you, the project would not have been a success. Your donation of 50 cents is going to help fight birth defects and it also made you eligible for winning \$50.00 of merchandise from Trickey's.  
Our winner was Mr. and Mrs. Robert Comfort of Saline. Congratulations!  
Thanks again to everyone who made our March of Dimes Drawing a success.

## Family Service Annual Report

The annual report for Manchester Family Service was given to the public at the annual meeting last week. This Community Chest agency is a volunteer group of nine board members who are local residents assisted by numerous volunteers in all fields. 52 families were assisted in 1972 including 128 different individuals. 69 of these served were children.  
Nineteen volunteer drivers made 198 trips to nearby clinics, hospitals, Department of Social Services, Social Security, Department of State, Schools, Red Cross, and Blue Cross & Blue Shield, etc. 9985 miles were covered by these drivers, serving 472 individual needs.  
Clothing was distributed through the efforts of the Emanuel Church of Christ and the Manchester United Methodist Church. 14 individual families also donated approximately 200 items of clothing which was distributed to 44 persons.  
Referrals to the Washtenaw County House-by-the-Side-of-the-Road were made for 29 individuals, 12 adults and 17 children, when the needs could not be met from the local supplies. Clothing that is left over from supplies given here is sent on to the Washtenaw County House. One of the volunteer needs in this line is minor mending.  
Household items for burn-outs and others numbered 41. It is the policy of the agency to list all available household items that are offered and those in need are put in contact with the donors. Anyone having such items should contact Mrs. Franklin Reck, chairman, 428-8852. Two household burn-outs in 1972 were also assisted by the Red Cross and the Salvation Army through the local agency. This is one of the endeavors of the local agency--to put people in all walks of life in touch with the agency, organization or office that will be able to handle their requests or needs.  
Emergency Food Orders were given for 2 families, 3 adults and 5 children, and one transient family of 4 was assisted. Frozen meat was donated to six families from a freezer that had to be moved and the problem was brought to the agency.  
1972 Christmas Project in cooperation with the Washtenaw County Christmas Bureau assisted 24 families in the

area. The names of these families were received from the Department of Social Services and the Washtenaw County Health Department and several churches. Seventy nine individuals were served at this time, including 33 adults, 34 children twelve years old or under and 12 teen-agers. Eleven of this number were Senior Citizens.  
The Christmas project was assisted by the Jaycees and Jaycees Auxiliary, the Optimists Club, Bethel Church of Christ Fellowship, Emanuel Church of Christ Fellowship, Manchester United Methodist Church WSCS, Sharon United Methodist Church, St. Mary's 7th and 8th Grade Catechism Class and their leaders and anonymous donors. Dolls were dressed, games, toys, Christmas trees and individual presents were donated by a dozen people in the area who volunteers their services and gifts.  
A total of \$376.43 was used by the agency in 1972. \$200.00 of this was donated by the Manchester Community Chest.

Requests for volunteers are heard on the TV and radio each day. Manchester Family Service would like to remind Manchester residents that it is not necessary to write to Washington or call Ann Arbor in order to volunteer their services. Manchester Family Service can use a great many and put others in touch with locations that they may prefer.

1973 licence plates will be sold at Tom Marshall Ford Sales, 512 W. Main St., Manchester, Michigan on February 17, 1973 from 1:00 pm to 4:00 pm.  
The Rogers Corner Farm Bureau Group will meet Friday, Feb. 9 at 8:30 p. m. at the home of Mr. and Mrs. Edwin Hornung.  
SINGLES 25 AND UP  
The Tuesday Night Singles Club will be holding their annual Valentines Ball at the YM-YMCA in Ann Arbor from 9:00 to midnight on February 13. Join us for dancing, fun, and refreshments.

### HURON VALLEY GIRL SCOUT COUNCIL

Tomorrow 60 Girl Scouts in Manchester will begin taking orders for Girl Scout cookies, according to the Huron Valley Girl Scout Council. The girls will be out to better their sales record of last year when they sold 4,800 boxes and had total receipts of \$2,160.

Guiding this year's cookie sale locally will be Mrs. James Kemler of 309 Territorial Road, Manchester.

The Girl Scouts will be introducing a new \$1.00 box of cookies this year, a replacement of previous years' 50-cent box. Cookie manufacturer Bury Biscuit Company was forced by costs to discontinue making the 50-cent box, according to council chairman for the cookie sale, Mrs. Jack Hagopian.

The \$1.00 box of the Chocolate Mint cookies exactly doubles the size of the 50-cent box last year, with 48 cookies instead of 24. Costs have hit harder at other flavors, but the \$1.00 box of Scot Teas contains 88 cookies, and those of Fudge, Chocolate-Vanilla Creams and Savannah cookies each contain 36 cookies.

Girl Scouts will be taking orders for cookies from February 9 to February 25 and will be delivering cookies from March 27 to April 9.

## Village Planning Commission

January 4, 1973

The regular meeting of the Manchester Village Planning Commission was held at the Village Hall. The meeting was called to order at 7:50 p.m., by Chairman Curley. Other members present were Leeson, Little, Kraus, and Kirk. Also in attendance were Supt. of Public Works Daniels, and Mr. Art Williams.

Minutes of the meetings of October 5 and December 7 were read, and approved. Chairman Curley opened the meeting for discussion of the "1990 General Land Use Development Plan". Mr. Williams was called upon and he expressed some concern as to the suggested future use for a portion of his property. It is to be understood that this particular Plan (map) is concerned only with possibly desirable development in the future, and does not include definitive zoning for either now or in times to come.

It was moved by Little that the "1990 General Land Use Development Plan" as currently presented be adopted as our concept of what we would like to have as the official guide-lines for our community in the future. The motion was seconded by Kraus; all ayes; passed.

Attention was now directed to the question of having brochures printed to better acquaint the public with the various phases of the planning program as it applies to current problems, and especially with reference to future developments, including the upcoming new Zoning Ordinance and Map in their several aspects. The planners have prepared a mock-up of such a publication. It was moved by Kirk that we recommend to the Council the purchase of them, in a multicolor format, and secure quotations for their printing in a sufficient quantity to furnish a copy to every household, with extras for other interested persons. The motion was seconded by Kraus, and unanimously approved.

Following further discussion of other topics, with no action taken at this time, adjournment was moved by Little. The meeting was declared adjourned at 9:35 p.m.

Laurin F. Leeson, Secretary

## AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

It looks like the U.S. Department of Agriculture will have substantially fewer federal dollars and somewhat fewer employees to spend them, according to President Nixon's new budget.

The budget for the 1974 fiscal year, which begins on July 1, 1973, will cut the USDA spending plans to \$9.6 billion from \$10.1 billion this fiscal year (July 1, 1972 to June 30, 1973) and \$10.9 billion in fiscal 1972.

Some of the target areas in the agriculture section of the budget are reductions of direct federal subsidy payments to farmers, a halt to wheat and other export subsidies, the elimination of the federal two percent rural electric and telephone loans, some reductions in soil conservation funds and water and rural waste disposal grants. There is also a proposed increase in interest rates on crop loans.

The budget also calls for a major cut in the school milk program and places a \$25 million limit on the ex-

penditure. This is about one-fourth of the current level. The funds would be used to supply low-cost milk only to schools lacking regular lunch programs, rather than for general school distribution.

With the major changes in the agriculture budget, the Administration also intends to reduce the USDA's total employment by 4,600 to 78,800 by the end of the 1974 fiscal year.

The main reason behind the White House hold-the-line attitude on the budget is to live up to the President's conviction that no increase in income taxes should be imposed on citizens.

We must realize the only way this can be accomplished is by budget cuts in all departments of federal government operation.

### WATER SAFETY INSTRUCTOR CLASSES SCHEDULED

The Red Cross has scheduled a Water Safety Instructor class. Set to begin Wednesday, March 7, 1973, the class will meet once a week for thirteen weeks. The first two and final classes will be conducted at the Red Cross Headquarters, 2729 Packard Rd., Ann Arbor, from 7:00 p.m. till 10:00 p.m. The other ten classes will be held at the Milan High School pool, also from 7:00 p.m. till 10:00 p.m. This will be the only Water Safety Instructor class to be offered in Washtenaw County this spring.

You must be at least 17 years of age and have a current Red Cross Senior Life Saving Certificate to be eligible for this class. There will be a \$3.00 registration fee to cover use of the pool facilities.

It is necessary to pre-register. This may be done by calling the Red Cross at 971-5300, Monday through Friday from 8:30 a.m. till 5:00 p.m. There is a limited enrollment and early registration is recommended.

Red Cross is a participating member of the Washtenaw United Fund.

### Federal Savings Tops 200 Million

Today Ann Arbor Federal Savings exceeded \$200 million in total assets, it was announced by Roy Weber, President.

"Ann Arbor Federal Savings is the largest financial institution in Washtenaw County and the fourth largest Federal Savings and Loan in the state of Michigan," Weber said in revealing the achievement. "In the past year alone, we have added \$36 million in

total assets. This is quite phenomenal when you consider that in 1942 our total assets were just \$5 million; in 1952, \$18 million and in 1965 just \$64 million.

"This growth has been achieved through an ever-growing number of depositors which now number over 46,000. Although our customers live primarily within Washtenaw, Livingston and Oakland Counties, we have many throughout the United States and in twenty different nations," he continued. "The addition of a full service office in Chelsea early in 1972 contributed measurably to this growth. We expect to further this growth pattern in 1973 by the open-

ing of an office in Ypsilanti Township. In addition, other facilities are in the planning stage which will further extend the services of the Ann Arbor Federal Savings into other communities.

Expanding assets have been matched by availability of funds to stimulate the building of homes in Washtenaw and Livingston Counties. Over \$54 million in new mortgage loans were made in 1972. Ann Arbor Federal Savings is the largest single source for home loans in the area.

The growth of the S & L is reflected in their new five story building adjacent to their old structure at the corner of Liberty and Division Streets. They

have just moved into the 28,000 square foot addition. While the remodeling of the former building is underway. The attractive completed building will include a two story, ten foot wide portico across the Liberty Street side and complete remodeling of interior office facilities. The completed lobby will cover the 10,000 square feet of the combined buildings. Completion of the structure is expected in the late spring.

Your money won't do much good when you're dead. Put it to work now.

# savings VERSUS THE stock market

How does the undramatic savings deposit really compare to the widely discussed more glamorous stock market?

What about the usual advice to discipline yourself first by building a savings account, and then, after that duty is completed, you can venture into more profitable, worthwhile investments?

A look at long-term trends in the stock market should cause this bit of locker-room lore to be discarded.

Over most of the past half decade, the unheralded savings account actually outperformed the stock market. The asset value of the savings remained at \$10,000 while the asset value of stocks fluctuated widely. The savings account paid a better return on capital than the companies on the Dow Jones Averages.

The chart here shows the asset value of \$10,000 placed in the market at each of the Dow Jones averages and in a savings account at the beginning of January 1966. In early 1966, the stock market investments looked good. Industrials climbed to a peak of 995.15 on Feb-

ruary 9. Then the market faltered and the redemption value represented by the blue chip stocks in the Dow averages fell to around \$8,000, or a 20% capital loss by fall.

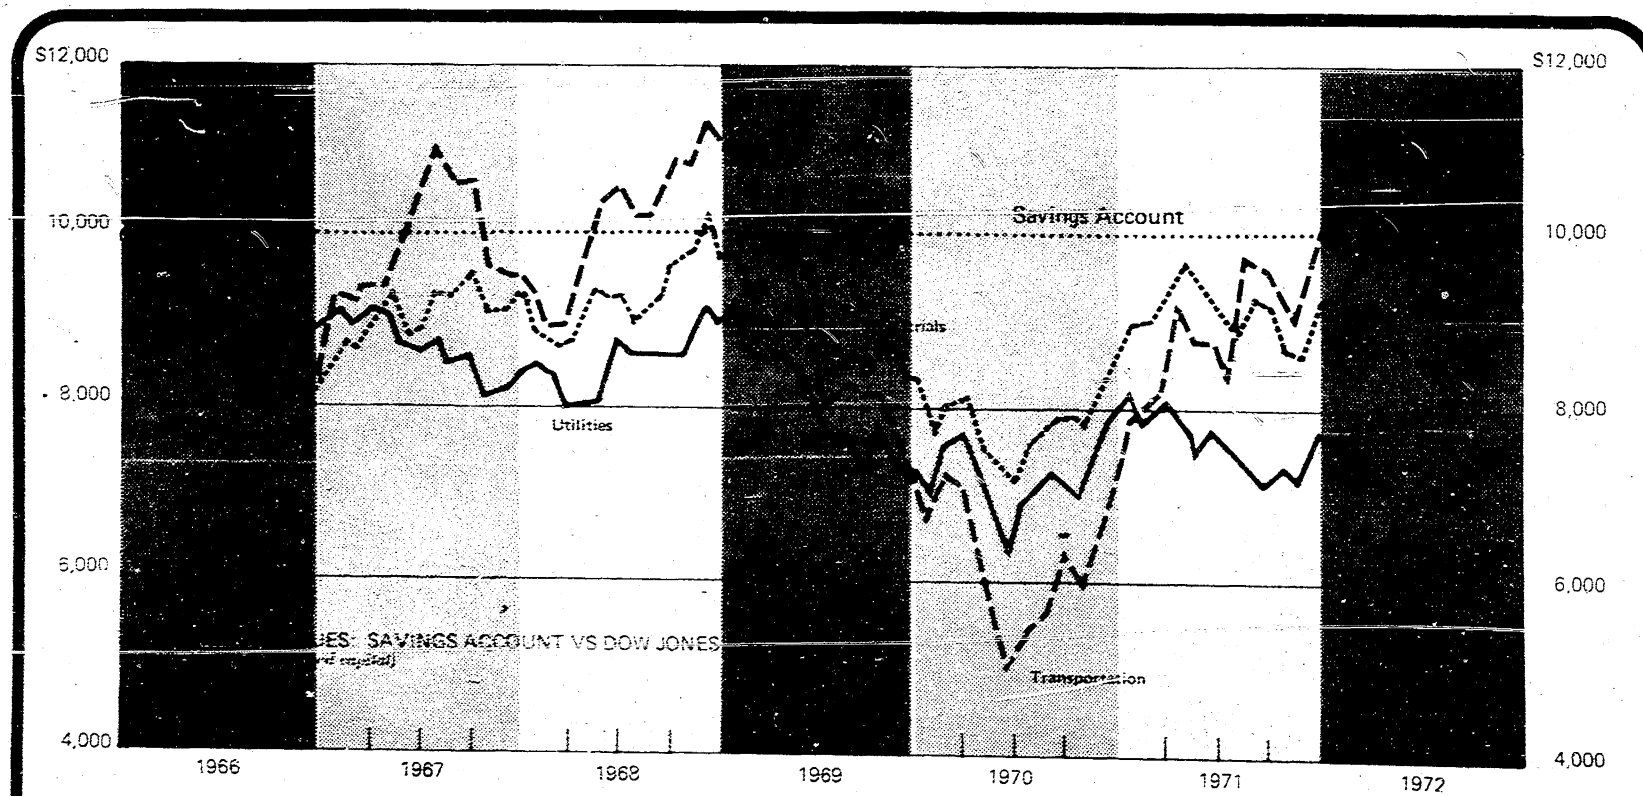

The market recovered from time to time, but on only three occasions did the value of the stock equal or exceed the initial \$10,000 investment. There were many long, dry periods when the value of the original stock investment was far under the \$10,000 savings account.

Long term plans for retirement or college education would have suffered greatly if the funds were needed during these dry periods.

Unless you are an investment specialist, know just when to buy and sell, or are just plain lucky your best investment is a savings account at Ann Arbor Federal Savings. It pays a sure, safe return and each account is insured to \$20,000 with the FSLIC.

A folder that goes into this in greater detail is available at any AAFS office.

### LOCAL BOWLERS TAKE OVER LEAD

Two Manchester koglers, Evert Brown and Richard Wolf, have taken over leadership positions in the Michigan State Bowling Association's Tournament. Brown rolled into first place in the handicap singles event with a sharp 748 total while Wolf topped the all events handicap standings on a 2,138. And that wasn't all. Brown moved into third place in the singles actual with his 652 just a few pins behind Al Rainwater of Battle Creek at 676. Wolf's 736 handicap singles is good enough for third too.

Alber's Trucking Team placed 6th in High Team Series with a 3167.

### Girl's Basketball

The Girl's Basketball went into action Monday night against Dexter, although both games ended in defeat. The Jr. Varsity team lost by 1 point, in what was a tough battle. Ma-linda Hudkins and Wanita Benedict lead the scoring with 5 points each, followed by Jeri Walz with 4 points. The final score was 17 - 16.

The Varsity found Dexter to be a little tougher than their last game. Dexter lead most of the game, often by 20 points. Manchester managed to come within 8 points once, but could not tie the score. Final score was 54-40, giving Dexter the win. Jeanne Kulenkamp was high scorer with 12 points, followed by Georgia Baughey with 9 points.

The girls next game is Wednesday, Feb. 14, at Manchester against Sand Creek.

### Dutch Wrestlers

Tuesday January 30, 1973. Some good news and some bad news. First the good news. Manchester wrestling team has been rated tenth in the state in classes C and D by a state newspaper poll.

Now the bad news. The Dutch lost a home match to Dundee by the score of 34 to 13. The worst defeat of the year for the wrestlers. Joel Tobias, John Roberts, Mike Johnson and Delruss Wolff were the only ones able to salvage a victory.

The absence of two senior first stringers has put a crimp in the Dutchmen's style. Randy Seegert, a co-captain is out at 185 and Doyle Keagal is missing from the lineup at 155. This means that some of the boys are going to have to change weight classes to fill in for these two.

The next home match is a league match against Clinton on Thursday night February 8. Let's see if the Dutch can live up to their tenth place rating.

### Community Service And Church Go Hand In Hand

The Manchester Chapter of the U.S. Jaycees would like to take this opportunity to encourage each and every member of the community to worship in the church of his choice. The Jaycees are a community service organization, and as such feel that every member of our community should attend and support his church. The church in America has been one of the last areas of moral support in a society interested in material matters. Therefore, each of us should take time out at least once a week to renew and reawaken our spiritual outlook on life. The Pledge to the American Flag states that we are "One National Under God". Thus, let us each thank God in our own way. Remember, moral and civic responsibility go hand in hand.

### COUNCIL PROCEEDINGS

January 15, 1973

Council met in regular session with the meeting called to order by Pres. Little at 7:07 p.m. Minutes from the Jan. 2, 1973 regular meeting were read and approved with a motion from Scully and a second by Fitzgerald. All yeas.

Moved by Scully, supported by Fitzgerald that Lawrence G. Becktel not be rehired in Village employment as acting Chief of Police on the basis of a meeting with the Police Dept. on January 3 in private, a meeting with Larry on January 11, and also because of irreconcilable differences between Larry and the Health and Safety Committee. Included in this motion is two additional weeks pay for compensation. Although a signed statement was received from Mr. Becktel indicating his willingness to work under conditions set up by the Health and Safety Committee, the Committee felt that certain necessary relationships could no longer be established for the harmony required. Roll was called and all answered yes, motion carried.

Scully reported that the new police car is due within the next two weeks.

Stautz listed permits: new building - Manchester High School - house on corner of Torrey & Main, electrical - L. V. Kirk - temporary service for the above, electrical - Tri-City Electric - 122 W. Main, electrical - L. V. Kirk - Manchester Plastics.

Building Inspector Gerald Hibbs asked to be relieved of his appointment. Ted Stautz suggested replacing Mr. Hibbs with Claran Knauss, Sr. Moved by Stautz, supported by Benedict to appoint Claran Knauss, Sr. building inspector for the Village of Manchester. All yeas, carried.

Art Williams was present and discussed with council the problem of having people call for their final inspections. He suggested that possibly if a deposit were put down to be refunded upon final inspection a large percentage of the problem might be alleviated. Stautz was asked to draw up a possible change in the ordinance to accomplish this and submit it to the Village Attorney.

Fitzgerald discussed differences in design of an unloading hopper to be used if the townships and village approve the purchase of a compactor.

Mahony reviewed the new wiring to be added to the well system which will automatically alternate the use of pumps on the two wells according to pressure switches.

Edward Curley presented a means of advising the public of facts considered in the 1990 Land Use Development Map. Moved by Walton, supported by Fitzgerald that the Planning Commission be given authority to publicize the material in the best way possible with final review made by Council before publication. All yeas, carried.

The Planning Commission requested a meeting with Council to consider possible areas of annexation as well as what services might be provided the areas.

L. V. Kirk resigned from the Planning Commission. Bruce Daniels was recommended to fill the vacancy. Moved by Benedict, supported by Scully to approve the recommendation that Bruce Daniels fill the vacant position. All yeas, carried.

Moved by Benedict, supported by Scully that the request from Ada Shannon, Estate, Peter A. Kenler, Administrator, and Fred Rumler, partner, for transfer of classification of present 1972 Tavern license to a Class C license, to be held in conjunction with the existing SDM license, located at 223 East Main St., Manchester, Michigan, Wash-tenaw County, be amended to Fred Rumler, individually, per prior approval of May 15, 1972, under Act No. 7, P.A. 1970 be considered for approval. All yeas, carried.

A meeting of the Zoning Board of Appeals is scheduled for Feb. 5, 1973 at 8:00 pm to consider the conditional use of the Manchester Enterprise at 305 Beaufort Street.

Moved by Mahony, supported by Stautz to adjourn at 10:15.

### What Is A Cop?

Lots of them have homes, some of them covered with ivy, but most of them covered with mortgages. If he drives a big car, he's a chiseler; a little car, "who's he kidding?" His credit is good; this is very helpful, because his salary isn't. Cops raise lots of kids; most of them belong to other people.

A cop sees more misery, bloodshed, trouble, and sunrises than the average person. Like the postman, cops must also be out in all kinds of weather. His uniform changes with the climate, but his outlook on life remains about the same: mostly a blank, but hoping for a better world.

### Receive Degrees

The following people were awarded degrees by Eastern Michigan University at its Twenty-fourth Winter Commencement: John Raffaele, 20415 Boetger Rd., MA; Joan Schiller, 105 Hibbard, MBA; Carol Walter, 401 Adrian, BS.

### Card of Thanks

I would like to express my thanks and appreciation to all of my friends, neighbors and relatives for their cards, flowers, visits and calls during my stay in St. Joseph's Hospital. Everyone's thoughtfulness is something I will never forget.

Armond Dresch

Our sincere thanks to all our relatives, neighbors and friends who in any way helped to make the passing of our husband, father and grandfather a little more bearable. A special thank you to Fr. Schlinkert, the Knights of Columbus and The Altar Society. Our one worry is that because of the great number of those who gave of themselves, we fail unknowingly to give to even one person the proper thanks.

### CONSERVATION DISTRICT SETS ANNUAL MEETING DATE

The 24th Annual Meeting of the Washtenaw County Soil Conservation District will be held Wednesday evening, February 7, 1973 at 8:00 p.m. The meeting will be held at the Pittsfield Grange Hall located south of Ann Arbor on the Ann Arbor-Saline Road.

"Washtenaw County - Land of Contrast" is the title of our feature program for the evening. The presentation, developed by the Washtenaw County Metropolitan Planning Commission, features a multi-projector, synchronized, full-color slide presentation accompanied by narrative and music.

Dr. Donald Pennington, Senior Planner, Washtenaw County Metropolitan Planning Commission will present the program, highlighting scenes of historical interest, such as the growth and in some cases decline, of local towns, villages and cities. Familiar landmarks will be shown as well as some of the unique characteristics of the County, the institutions and the people that make Washtenaw County the place it is.

One director will be elected at the meeting to serve a three year term. Candidates for the office are: Tom Carlton, Clinton and Henry Holland, Manchester.

Special musical entertainment will be provided during the meeting by the "Pleasant Notes". Luke Schaible with his accordion and Jim Burmeister with his guitar are set to play some

### ANN ARBOR KIWANIS PLANS SALE

The Kiwanis Club of Ann Arbor's 47th annual sale will be held Feb. 8-10 at the club's activity center, W. Washington and S. First, Co-Chairmen Chester Carter and Richard Reason have announced.

The co-chairmen said profits from the sale will aid the various community projects of the Kiwanis Club. Last year \$28,000 in profits were realized from the sale and the largest beneficiary of this money was the Fomey Clement Foundation for Crippled Children at the Mott's Children's Hospital. Eighty-eight other projects for underprivileged children and other boys and girls in the area absorbed the full profits of the Kiwanians' efforts this past year.

Anyone wishing to donate items for the sale may call 665-0450 for pick-up or they may leave them at the building on Wednesday evenings or Saturday mornings.

All three floors of the building will be used for the sale. The second floor is currently being used by Senior Citizens and community groups on a regular basis.

## Notice of Hearing Affecting Residential Electric Rates

Consumers Power Company has filed an application with the Michigan Public Service Commission for authority to incorporate a fuel cost adjustment clause in its Residential Service (Open Order Rate "A") and Residential Electric Heating Service (Open Order Rate "A-1") MPSC No. 7 - Electric. Consumers Power Company's presently effective electric rates for commercial and industrial customers now contain adjustment clauses which permit adjustments in those rates to reflect changes in fuel costs. The requested authority to incorporate a fuel cost adjustment clause in residential rates results from recent amendments to the laws relating to public utilities.

The incorporation of the proposed fuel cost adjustment clause in the electric residential rate schedules will cause residential rates to increase or decrease as the cost of fuel increases or decreases.

A public hearing will be held on Consumers Power Company's application at 1:30 p.m. on February 12, 1973, in the offices of the Commission, Law Building, Lansing, Michigan, for the purpose of determining whether the authority sought should be granted. Any interested parties may attend the hearing and participate, subject to the Commission's Rules of Practice and Procedure. Copies of the official notice of this hearing and the application of Consumers Power Company are available for inspection at the office of the Secretary of the Commission, 5th Floor, Law Building, Lansing, Michigan, and at the office of the Secretary of Consumers Power Company, 212 West Michigan Avenue, Jackson, Michigan.

### LIBRARY NOTES

Good news for Library patrons - we have received memorial books for our collection and fine ones they are.

In memory of Lynn Burch by the Manchester Township Library Board: The complete book of U.S. coin collecting - Daves.

Stamp collector's guide - Zarchy  
In memory of Jane Palmer by friends and neighbors:  
Norman Rockwell - Buechner

The Norman Rockwell book is a very large one and exciting to look at, for it represents a large slice of rural American life and history. Old covers of the Saturday Evening Post painted by Rockwell are reproduced here in color as well as some serious murals done for special events. Including Presidents and near-presidents, children and young lovers, the lively humor and wisdom of the old are portrayed. Recommended.

## Notice of Hearing Affecting Residential Gas Rates

Consumers Power Company has filed an application with the Michigan Public Service Commission for authority to incorporate a fuel and purchased gas cost adjustment clause in its Residential Service (Open Order Rate "A") MPSC No. 6 - Gas. Consumers Power Company's presently effective gas rates for commercial and industrial customers now contain adjustment clauses which permit adjustments in those rates to reflect changes in the cost of gas. The requested authority to incorporate a fuel and purchased gas cost adjustment clause in the residential rate results from recent amendments to the laws relating to public utilities.

The incorporation of the proposed fuel and purchased gas cost adjustment clause in the gas residential rate schedule will cause the residential rate to increase or decrease as the cost of gas increases or decreases.

A public hearing will be held on Consumers Power Company's application at 9:30 a.m. on February 12, 1973, in the offices of the Commission, Law Building, Lansing, Michigan, for the purpose of determining whether the authority sought should be granted. Any interested parties may attend the hearing and participate, subject to the Commission's Rules of Practice and Procedure. Copies of the official notice of this hearing and the application of Consumers Power Company are available for inspection at the office of the Secretary of the Commission, 5th Floor, Law Building, Lansing, Michigan, and at the office of the Secretary of Consumers Power Company, 212 West Michigan Avenue, Jackson, Michigan.

## A Step Backwards Into The Past

By C. Chapin

Lincoln's birthday this week, and it seemed to me a good time to think of that period in our history and what it likely means to us today, in the effects it had on the entire nation, the states, the towns and most of all our community and the families living here.

In 1861 it became fashionable to form groups of young adults, a sort of club for social purposes, giving balls and special affairs, such as celebrating the 4th of July. Formed on Military lines, with rather precise rituals, special uniforms and elaborately formal social events, the local version of this was named the "Manchester Greys". Quite a festive and colorful group.

When in April of 1861 the Civil War began, President Lincoln issued a call for fifty thousand men to come to the aid of the Union, many of these local, small-town groups joined en masse. So it was in Manchester, drawing not only from the Village but from the surrounding townships, the farms and small settlements such as Sharon Hollow, the enlistments of men were accepted here and almost immediately there were about 90 strong young men, signed for a 3 month enlistment.

These "Manchester Greys" at once became Company D of the 1st Michigan Infantry.

Direct to Washington they went and then in July, into the first Battle of the War. Manassas Bull Run. Names that everyone has read. The Confederate Army, of the South, named battles for nearby towns and so it became Manassas. The Union Army named the battles for geographical locations and Bull Run was the name of a Creek in that area.

The first major Battle of the War was won by the South. Politicians from Washington had come to view the spectacle and the festive air of the occasion was soon dispelled as the North was badly beaten and many prisoners were taken.

The three month enlistments soon expired and after that dreadful experience many of the Michigan Men simply came home. Many re-enlisted in other groups to go on to further battles later in the war with 3 year enlistments.

The Northern states gave many men to both Armies. Many Detroit and Canadian men joined the Confederates. We have no knowledge of any Manchester men joining the South.

A great many cultural factors entered into this phase of our history. With no organized Hospital Corps, within the Army to care for the wounded, the Red Cross came to be the greatest help to the suffering men. Out of this period grew the new concept of Social Services as we know it today. Pensions, orphanages, and care for the sick were always done on an individual basis before that time.

Great names, famous today, were then common. George S. Custer was commander of the 1st Michigan Cavalry Brigade which was unique in that it was the first organization to use repeating firearms of any consequence. To be able to fire successive shots, while the enemy must stop to reload each bullet, certainly was a new a startling development in close warfare.

After the war, the Grand Army of the Republic was formed. An Organization similar to American Legion or American Vets, called G.A.R. A Charter Post was formed in Manchester, called #352 and the roster of names has a familiar sound today. L. C. Benedict, joined Dec. 28, 1863, mustered out at Nashville in Sept. 1863, resident in Manchester, died in 1921 at age 76.

## LCAA Wrestling Tournament Sat.

Six schools in the Lenawee County Athletic Association have wrestling teams and all of them will be here on Saturday for the League tournament. This is the first high school tournament to be held in Manchester and should give the local fans plenty of excitement and a chance to see a lot of good wrestling.

Currently it is shaping up as a real battle between Manchester and Addison as the winner of the tournament will probably be able to take the League trophy for this sport.

The tournament is divided into two sessions, preliminaries and finals. The preliminaries will start at 1:00 and will cost \$1.00 for adults and 50c for students. The finals will get underway with 3rd and 4th places starting at 7:00 pm. and the 1st and 2nd places at 8:00 pm. Charge for the finals will be \$1.25 for adults and 75c for students.

The Athletic Boosters will be selling sandwiches, cold drinks, coffee and other refreshments throughout the day.

## engaged

Mr. and Mrs. Richard A. Hummel of Midland are announcing the engagement of their daughter Susan Victoria to Timothy Patrick Price, son of LTC and Mrs. Douglas E. Price, USA Ret., 625 Sunset Drive, Miss Hummel and her fiancé are students at Michigan State University majoring in Chemistry and Anthropology respectively. A June 1974 wedding is being planned. Ronald Jenter.

Neil Baggett, Manchester, Michigan accepted the trophy from Laurence Munsell, horsemen's representative won by his colt Starke Star for being the champion 2 year old trotter of the 1972 Michigan Colt Stakes. The trophy was presented at the annual banquet of the Michigan Harness Horsemen's Association, held recently in Lansing, Michigan.

## Twentieth Century

The Twentieth Century Club met at the home of Mrs. Chet Kocesk, Tuesday evening, with seventeen members and one guest present.

After the business meeting, a very entertaining program was given on an "Old Fashioned Fun Night" by Mrs. Ray Trolz, Mrs. Harry Sutton and Mrs. Frank Tibb with all members participating. Refreshments were served by the hostess assisted by the co-hostess, Mrs. Ronald Jenter.
