## A Step Backwards Into The Past

By C. Chapin

Lincoln's birthday this week, and it seemed to me a good time to think of that period in our history and what it likely means to us today, in the effects it had on the entire nation, the states, the towns and most of all our community and the families living here.

In 1861 it became fashionable to form groups of young adults, a sort of club for social purposes, giving balls and special affairs, such as celebrating the 4th of July. Formed on Military lines, with rather precise rituals, special uniforms and elaborately formal social events, the local version of this was named the "Manchester Greys". Quite a festive and colorful group.

When in April of 1861 the Civil War began, President Lincoln issued a call for fifty thousand men to come to the aid of the Union, many of these local, small-town groups joined en masse. So it was in Manchester, drawing not only from the Village but from the surrounding townships, the farms and small settlements such as Sharon Hollow, the enlistments of men were accepted here and almost immediately there were about 90 strong young men, signed for a 3 month enlistment.

These "Manchester Greys" at once became Company D of the 1st Michigan Infantry.

Direct to Washington they went and then in July, into the first Battle of the War. Manassas Bull Run. Names that everyone has read. The Confederate Army, of the South, named battles for nearby towns and so it became Manassas. The Union Army named the battles for geographical locations and Bull Run was the name of a Creek in that area.

The first major Battle of the War was won by the South. Politicians from Washington had come to view the spectacle and the festive air of the occasion was soon dispelled as the North was badly beaten and many prisoners were taken.

The three month enlistments soon expired and after that dreadful experience many of the Michigan Men simply came home. Many re-enlisted in other groups to go on to further battles later in the war with 3 year enlistments.

The Northern states gave many men to both Armies. Many Detroit and Canadian men joined the Confederates. We have no knowledge of any Manchester men joining the South.

A great many cultural factors entered into this phase of our history. With no organized Hospital Corps, within the Army to care for the wounded, the Red Cross came to be the greatest help to the suffering men. Out of this period grew the new concept of Social Services as we know it today. Pensions, orphanages, and care for the sick were always done on an individual basis before that time.

Great names, famous today, were then common. George S. Custer was commander of the 1st Michigan Cavalry Brigade which was unique in that it was the first organization to use repeating firearms of any consequence. To be able to fire successive shots, while the enemy must stop to reload each bullet, certainly was a new a startling development in close warfare.

After the war, the Grand Army of the Republic was formed. An Organization similar to American Legion or American Vets, called G.A.R. A Charter Post was formed in Manchester, called #352 and the roster of names has a familiar sound today. L. C. Benedict, joined Dec. 28, 1863, mustered out at Nashville in Sept. 1865, resident in Manchester, died in 1921 at age 76.

## LCAA Wrestling Tournament Sat.

Six schools in the Lenawee County Athletic Association have wrestling teams and all of them will be here on Saturday for the League tournament. This is the first high school tournament to be held in Manchester and should give the local fans plenty of excitement and a chance to see a lot of good wrestling.

Currently it is shaping up as a real battle between Manchester and Addison as the winner of the tournament will probably be able to take the League trophy for this sport.

The tournament is divided into two sessions, preliminaries and finals. The preliminaries will start at 1:00 and will cost \$1.00 for adults and 50c for students. The finals will get underway with 3rd and 4th places starting at 7:00 pm. and the 1st and 2nd places at 8:00 pm. Charge for the finals will be \$1.25 for adults and 75c for students.

The Athletic Boosters will be selling sandwiches, cold drinks, coffee and other refreshments throughout the day.

## engaged

A June 1974 wedding is being planned. Ronald Jenter.

Neil Baggett, Manchester, Michigan accepted the trophy from Laurence Munsell, horsemen's representative won by his colt Starke Star for being the champion 2 year old trotter of the 1972 Michigan Colt Stakes. The trophy was presented at the annual banquet of the Michigan Harness Horsemen's Association, held recently in Lansing, Michigan.

**IRS WILL COMPUTE YOUR TAX**

Many taxpayers again may have the Internal Revenue Service compute their income tax and retirement income credit, Thomas A. Cardoza, IRS District Director for Michigan, said today.

He said the IRS on request will compute the tax for persons with incomes of \$20,000 or less, who take the standard deduction, and whose income is solely from salaries, wages, tips, dividends, interest, pension and annuities.

If the taxpayer also wants the IRS to compute his retirement income credit, he should include the basic information on Schedule R and attach it to his Form 1040, Mr. Cardoza said. He should also enter "RIC" on line 19, Form 1040. Instructions on Schedule R explain which items need to be provided.

For those persons who qualify, the IRS will compute the tax, whether the return is a Short Form 1040A or the regular 1040. The tax instructions explain what information should be entered on the return, Mr. Cardoza said.

After this information is entered on the return, the taxpayer should sign it and send it to the Cincinnati Service Center, Cincinnati, Ohio 45298.

He said the IRS will then compute the tax and send the taxpayer a refund or a bill for the tax due, whichever is the case.

**MEDICAL CARE AUXILIARY**

Saturday, Feb. 17 the F. H. A. will be having a Cherry Pie bake sale at the Union Savings Bank from 9:00 am to 12:00 noon.

**WESTERN WASHTENAW AREA ASSOCIATION WINTER MEETING**

The Western Washtenaw Area Association of Girl Scouts held its Winter Meeting at St. Andrews United Church of Christ in Dexter on January 29 at 8 pm.

Roberta Hinz called the meeting to order. Junior Troop 509 from Dexter presented the flag ceremony. Cadette troops 75 and 125 entertained the adults with their singing.

A proposal was made to give Troop Service Directors money for communications concerned with Council business. It is being studied by an adhoc committee.

Then the Board of Directors introduced Jane Galan, Huron Valley Girl Scout Council Vice President, from Dexter who spoke on the Backbone of Scouting.

Jane explained that the Board of Directors might be considered the brains of the council staff. The executive staff see's that the board's plans are carried out. The delegates and other volunteers give the board the direction in which to head. So therefore they are the backbone of the organization which holds it all together.

Council Delegates were elected to the March meeting. They are Doris Bersuder and Ann Wright from Manchester, Lucy Crossey, Saline, Sandy Schmunk, Chelsea and Gloria Brigham, Dexter. The alternates are Barbara Van Gorder of Chelsea and Betty Schneider of Manchester. These ladies would appreciate any ideas that you might have to give them so they can take it to the area council meeting.

Greta Skjaerlund from Dexter is the new area chairman. She would like any suggestions sent to her. Her phone number is 426-3294. Diane Schwab from Manchester is new area chairman.

Several questions were raised about the purpose of the area association. The purpose is twofold.

1. Area Association provides a channel for the volunteer to reach the board of directors.

2. Area Association should present scouting with broader view of Girl Scouting and life in their community.

A recognition dinner for the leader was suggested.

Two By Law changes were moved, seconded, and approved to be put on the agenda.

1. Board members who aren't officers be dropped as automatic members to local council.

2. Each Area Association be allowed girl delegates - 14 yrs and older. The meeting was adjourned.

**WASHTENAW COUNTY SOIL CONSERVATION DISTRICT HOLDS ANNUAL MEETING**

The Washtenaw County Soil Conservation District's 24th Annual Meeting was held February 7, at the Pittsfield Grange Hall. Approximately 130 people attended.

Reports to the people were made of the past year's activities of the Soil Conservation District. These reports included a financial report by Treasurer Andrew Maffett of Dexter, a joint conservation activities report by Chairman Stephen Bristle and District Conservationist Clark Eacker. A status report of the modern Soil Survey Program was made by Robert Engel, Soil Survey Party Leader.

Henry Holland of Manchester was elected to a 3-year term to fill the expired term of Stephen Bristle, also of Manchester. Mr. Bristle decided not to seek re-election to the Board of Directors.

Three awards were made to individuals and an organization for their efforts during 1972 in the field of soil and water conservation. Award recipients were: Rudy Layher of Saline, Outstanding Conservation Farmer. Stephen Hastings of Dexter, Outstanding Conservationist. Newport West Housing Project of Ann Arbor, Outstanding Urban Conservation Development. Ralph Bergsma, President

of Property Development Group, accepted the award for the Newport West Project.

All of the award recipients received an engraved plaque and letter of commendation recognizing their conservation efforts during 1972.

Out-going Board Chairman, Stephen Bristle of Manchester, received a Distinguished Service Award from his fellow Board members for his service to the District during his term of office. Bristle served as Chairman of the Board during 2 of his 3 years on the Board.

The featured program for the evening entitled "Washtenaw County - Land of Contrast" was presented by Donald Pennington, Senior Planner, of the Washtenaw County Metropolitan Planning Commission.

Special musical entertainment was provided by Luther Schaible of Manchester and Jim Burmeister of Ann Arbor, both members of the local Pleasant Notes Band.

Following the drawing for door prizes, a luncheon was held, compliments of the Washtenaw County Soil Conservation District.

Copies of the District's 24th Annual Conservation Report were distributed at the meeting and additional copies are available by contacting the District Office at 6101 Jackson Road, Ann Arbor, Michigan 48103. Phone: 761-6721.

### Township Report

The regular meeting of the Manchester Township Board was held in the Village Hall Monday Jan. 8, 1973.

The members present were Clarence Fielder, Dorothy Burch, Waldo Marx, Lyle Widmayer and Ambrose Lentz.

The clerk was then asked to read the minutes of the last regular meeting on Dec. 8, 1972.

It was moved by Lyle Widmayer and seconded by Ambrose Lentz that the minutes be accepted as read. Motion carried.

A resolution and certification of posting was received by the clerk from Mr. Roesch, township attorney in regard to legalizing the process of junk yard licensing. The clerk has these papers in the township files with other township records for reference by members of the township.

A true copy of the resolution was posted in three places: 1. Manchester Village Hall on So. Clinton Street, 2. The Township Library on W. Main St. 3. On a pole at corner of Main and So. Clinton St.

The treasurers quarterly financial report was then given the numbers of the township board for Oct., Nov. and Dec. 1972. This included the General Fund, Receipts and Disbursements, Trust and Agency Fund, Liquor Control Fund and Cemetery fund, all of which are in very good condition.

It was noted by Clarence Fielder that we are short two members from our planning commission and the township board should have suggestions at our next meeting as to who shall fill these vacancies.

The township association of Michigan will have a three day convention soon at Grand Rapids and the township board felt it should be represented by two of its members and their expenses paid.

It was moved by Ambrose Lentz and seconded by Waldo Marx that the township do this.

It was moved by Ambrose Lentz and seconded by Lyle Widmayer that Dorothy Burch be given authority to see about ordering stationery for township officers use. Motion carried.

It was moved by Clarence Fielder and seconded by Lyle Widmayer that we pay the Washtenaw Co. Road Commission \$2,457.88 as partial payment of 1972 agreement due Nov. 10, 1972 for road maintenance, also to tell them to put the first layer of Liquid Chloride on the local roads during the week of May

20, 1973, 400 ft. in front of each house in Manchester Township as usual. Motion was carried.

On Jan. 26, 1973, Manchester Township received a check from the state of Michigan for \$531.14 which was to cover the election expenses of the Presidential Primary election held in May 1972. This was placed in the Manchester Township Treasury. There being no further business the meeting was adjourned.

### 4-H HORSE JUDGING CONTEST

Twelve members of the Sharon Valley Saddle Club competed Saturday in the Washtenaw County 4-H Horse Judging Contest which was held at the Washtenaw Farm Council Grounds in Ann Arbor. A total of twenty-five 4-H'ers participated in the judging event.

The 4-H members were given four classes of horses to judge. Two classes, on which oral reasons were given, were Appaloosas and Grade Horses. A written reasons test was given on a class of Arabian Stallions and a Western Pleasure Performance Class was for placements only. Many local breeders and horse enthusiasts supplied the horses for the classes.

Winning a third place on the senior judging team was Anna Tobias of Grass Lake with a score of 265 out of a possible 350. Kathy Hartmann of Milan won a fifth place or first alternate position on the team with a score of 252. Other members of the Sharon Valley Saddle Club competing in the senior division were Melody Chapman of Grass Lake and Curt Lawrence of Manchester. The top senior judge was Flory Lewis of Milan with a score of 282. Flory is a member of the Range Riders Club in Ypsilanti.

The top junior judge was Mike Fisk of Manchester with a score of 269 out of a possible 350. In third place, not to be outdone by older sister, was Cathy Tobias of Grass Lake. Her score was 255. Rita Drouare, also of Grass Lake, was fourth with a score of 251. In fifth place or the first alternate, with a score of 240, was Beverly Ludwick of Manchester. In sixth place or second alternate was Sandy Wilson of Grass Lake. Her score was 237. The Carlson girls, Patty, Linda and Tina of Manchester, were also competing for honors.

Following the contest, everyone enjoyed a pizza party celebration at Thompson's in Chelsea.

Now, more hard work begins as

these members continue to increase their knowledge and speaking ability for the up-coming state 4-H horse judging contest which will be held at Michigan State University in East Lansing in April. For the first time, junior 4-H horse judges will be competing in the contest along with the seniors.

### CHILDREN'S PLAY CAST AT ALBION COLLEGE

"The Great Cross Country Race" will be Albion College's third production and the annual children's play for the 1972-73 theater season. The play, adapted by Alan Broadhurst from the fable of "The Tortoise and the Hare," will be presented at 4 p.m. Friday, March 2, and 2:30 p.m. Saturday and Sunday, March 3 and 4, in Dickie Hall Auditorium.

Assisting with the scenery and costume designing is Ginny Vogel, senior, daughter of Mr. and Mrs. Louis Vogel, 11437, Pleasant Lake Road, Manchester.

### What Is A Cop?

Cops like days off, vacations, and coffee. They don't like auto horns, family fights, and anonymous letter writers. They have unions, but they can't strike. They must be impartial, courteous, and always remember the slogan "At your service." This is sometimes hard, especially when a character reminds him, "I'm a taxpayer, I pay your salary."

Cops get medals for saving lives, stopping runaway horses, and shooting it out with bandits (once in a while his widow gets the medal). But sometimes, the most rewarding moment comes when, after some small kindness to an older person, he feels the warm hand clasp, looks into grateful eyes and hears, "Thank you and God bless you, son."

**AGRICULTURE IN ACTION**  
by Carl P. Kouture  
**MICHIGAN FARM BUREAU**

If you are anything like the average of approximately 80 Million U.S. taxpayers, you'll pay 43 percent of everything you earn this year in some form of taxes.

This percentage includes all taxes, hidden as well as direct. In includes local school taxes, township and county taxes, sales, gasoline, state and federal income tax--all of them.

It will take you from New Year's Day until the first part of June to earn enough just to pay your taxes this year, if you are one of the average taxpayers.

For easy figuring, let's say you expect to earn \$10,000 this year. Out of

that \$10,000, you will pay \$4,300 in some form of taxes. That figures out to over \$82 per week.

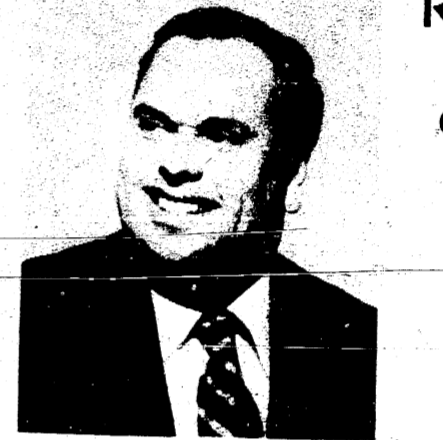

All of the facts and figures, it must be remembered, are based upon averages and calculated estimates, but by some of the nation's best statisticians and tax experts.

We are reaching the point in this country where almost half of our total working time must be devoted to our township, county, state and federal governments and school districts.

We are also reaching the point where almost half of our work force is employed in operations run by our tax dollars.

While averages and estimates can always be proved faulty when applied to specific and individual circumstances, there can be little argument about the total picture they portray.

If all this disturbs you, perhaps you'll find consolation in the fact that it is really relatively good news, for there are strong indications that things may be worse in years to come unless we find a way to halt excessive government spending.

It was a great day for the Dutchmen and many of the hometown fans turned out to watch and cheer on as the wrestling team captured its second straight league championship. The 112 1/2 points that this years team scored exceeded last years total by 2 1/2 points and outdistanced second place Onsted by 42 points.

The championship team had six of the twelve individual weight champions. Joel Tobias was Manchesters first sophomore to become a conference champ as he won at 98 pounds. John Roberts uped his record to 24 and 2 as he won at 105 pounds. Steve Gross finally overcame his bad luck and became the 112 pound champion. Jose Arana excited the crowd with his speed and aggressiveness as he captured the 119 pound crown. Mike Johnson avenged his loss in the finals last-year and defeated last years champion to become the 145 pound winner. Randy Seegert showed that last year was no flake as he took the 185 pound title for the second year in a row.

Five other members of the team added valuable points as Delruss Wolff, a senior 138 pounder was 3rd. Ross Haussler at 167 and Keith Alber at Heavyweight took thirds in their weight classes.

Greg Bertke managed only one win, but it was a pin and gave him a fourth at 132.

Doyle Keasal came back from a serious injury to gain the finals, but was beaten by last years champion and had to settle for a second place at 155.

"This team was really dedicated to win this tournament and championship for the school. No one, not involved with the sport, knows the amount of time, work and desire that these boys put in, in order to be able to feel the excitement and pride of winning the championship. They are justly proud and I am proud of them said a smiling coach Gulliver."

The next match will be at home Thursday with Vandercreek Lake. Varsity starts at 7:00 pm.

CONGRATULATIONS DUTCH AND COACH TED GULLIVER!!!
