Donors Donate 144 Pints

Mrs. Robert Little presenting Mr. Ed. Galloway with his four gallon pin.

Manchester's Bloodmobile, last Friday at the United Methodist Church, made some important records. Ed Galloway, our first 4-gallon donor was pinned by Mrs. Robert Little, Chairman-of-the-Day as he finished donating his thirty-second pint of blood to the needs of the community. Besides this record, Ed has donated many pints to the Ford Motor Company Club and to individuals in need of blood. Congratulations and many thanks.

One hundred eighty one men and women attended the clinic - many for the first time - and 144 of them were donors. 37 were deferred for medical reasons. This was the second largest donation in the 22 years of the club's history. 145 pints were donated on March 10, 1961 at a clinic at the Methodist Church with only 23 deferred.

This clinic's honor roll includes five two-gallon donors, Michael Scully, James Yunglans, William Kirk, Paul Hawkins (Clinton) and Robert Rossback. One-gallon donors were Willis Hassett, J.P. Rorabacker, Eugene Bentschneider, Earl Glen Mann, David Walton and Theodore Guenther.

The only successful group working on the 20% Plan was Manchester Tool and Die and the Stamping Corporation. St. Mary's Church families came within 3 donors of three quota. Since the 20% Plan is on a yearly basis all groups will have open clinics throughout the area and another in Manchester, October 29th, at which to make their quotas.

Local volunteers work with the professional staff that comes with the Red Cross Unit from Detroit. Mrs. Robert Little was assisted by Mrs. Ica Schaffer, Miss Anetta Breitenwischer, Mrs. Norma MacLeod, Mrs. Paul Alber, Mrs. Joe Wise and Mrs. Robert Spensley were registrars.

Staff Aides included Mrs. James Pratt, Miss Amanda Schable, Miss Agnes Kent, Mrs. Ralph England, Mrs. William Schaffer, Mrs. Eugene Bentschneider and Mrs. Birdella Flood. Registered Nurses from Manchester were Mrs. T.H. Tapping, Jr., Mrs. Willard Mann, Mrs. Duane Beuerle and Mrs. Aaron Nathan. Mrs. Gary Dresch was a First Aid assistant. Doctors on call for the clinic were Dr. William Purfield and Dr. D.M. Petersen.

The Legion Auxiliary provided the orange juice for the donors while the United Methodist Women furnished the refreshments. The canteen was chaired by Mrs. R.C. Kerr assisted by Mrs. Olive Hazen, Mrs. Merrill Korth, Mrs. Gerald Post, Mrs. Alfred Strang, and Mrs. Robert Swartz.

Volunteer drivers for the Double A Red Cross cars were Herman Kuebler,

Paul Wilde and Glenn Lehr, Sr. The nursery was a welcome addition to the clinic services, especially since there was no school that afternoon. The Justice's Auxiliary were in charge with Mrs. Robert Burkhardt, chairman, Mrs. Robert Bunney, Mrs. James Settle, Mrs. Conna Gonyer and Mrs. William Bunney. Mrs. Charles King made and placed the posters for the event.

Townships Approve Budgets For 1973

Manchester Township's budget, as approved by residents at the annual meeting, is a bit above last year's \$48,960. Now it's \$53,000. The road improvement portion has been hiked from \$2,000 to \$3,000, allocation for chloride on roads is up to \$4,500 from \$4,000, election expenses down to \$100 from \$1,000, the salaries of the supervisor and treasurer are up \$500 each and the clerks salary is increased \$750. The township trustees; salaries has been increased \$100 each.

Freedom Township residents okayed a \$44,500 budget which compares with \$30,450 expenses last year. The only township official's salary which was increased was that of the clerk, from \$1,800 to \$2,400. Residents decided to use some \$15,000 in revenue sharing funds for a landfill, Saline fire truck, voting machine and a new office safe. A \$12,000 paving program will be set up to be administered by a five-man committee to be named by the clerk.

Sharon Township residents voted Saturday to levy one mill for township operating expenses, marking approval of the township's first millage. The millage will put \$6,700 into township coffers. That \$6,700 is most of the difference between a \$25,000 1973-74 budget and last year's \$17,000 budget. Other items in the new budget approved at the annual township meeting include salary hikes for township officials. The supervisor's salary was raised from \$2,400 to \$3,600; the clerk's from \$1,600 to \$2,600; and the treasurer's from \$2,000 to \$2,600; and trustees from \$5 to \$7.50 per meeting. The budget includes \$5,600 for road improvements. Trustees also discussed revenue sharing funds, explaining the township's \$4,400 in federal monies would be used for fire prevention and use of the landfill.

Harlem Queens To Play Faculty Friday, April 6th

The HARLEM QUEENS average age is 20 years. They now come in from every state in the Union and Canada to try out for the team. They have played in over 1700 games, going into their 12th season. They usually play an average of 160 dates per season in the United States.

In conjunction with the fine basketball show presented by the talented, crowd-pleasing and versatile HARLEM QUEENS squad of outstanding young ladies, there is also a highly entertaining half-time show presented, featuring top acts.

The HARLEM QUEENS will celebrate their 12th anniversary during 1972-73 season. Trained by owner-coach, Dempsey Hovland, the HARLEM QUEENS play mens' teams, mens' rules, and take on all comers. Fans in your area, from six to sixty-five, will be treated to an outstanding show in basketball, comedy, and entertainment. We suggest that the fans purchase their tickets early in order not to miss this outstanding attraction which has been featured in Sports Illustrated, Time, TV Guide, and other publications.

The Harlem Queens have played teams made up of faculty members, area coaches, all-stars, alumni athletes, etc. In every game, they have demonstrated not only their thorough knowledge of the game of basketball, but also the principles of fair play and sportsmanship. They ask no quarter and give none. Their exceptional record speaks for itself. They are an unusual team of well-trained, intelligent young women who keep themselves physically fit and mentally alert in order to present an evening of sports entertainment as well as wholesome amusement to the fans who are fortunate enough to be able to see them in their community, or a location nearby. They will enjoy an unforgettable evening.

On Friday, April 6, at 8:00 p.m. the Harlem Queens Basketball Team will play the Manchester Faculty at the High School Gym. This game is sponsored by the Manchester Athletic Boosters and the High School Varsity Club.

Pre-Sale-Prices: Students \$1.00, Adults \$1.50. At the gate the price for tickets are \$2.00 for everyone. Tickets can be purchased at the High School, Gambles Store, DoNut Time USA, and Reads Barber Shop.

WASHTENAW COUNTY FEDERATION OF WOMEN'S CLUBS

The Woman's Club of Ann Arbor will host the spring luncheon and annual meeting of the Washtenaw County Federation of Women's Clubs, April 16, 1973, at the Calvary United Methodist Church, 1415 Miller Ave., Ann Arbor. A brief board meeting will be held at 11:30 A.M., with registration at 12 noon and luncheon at 12:30 P.M.

Mrs. Roy Berry will conduct the installation of officers elected during the business meeting. The program will include a salute to the Past Presidents, special music, presentation of awards, and "Happenings in Washtenaw Federation Clubs" by Presidents of member clubs.

MICHIGAN DIABETES ASSOCIATION

The Washtenaw Unit of Michigan Diabetes Association will meet at 8:00 P.M., Tuesday April 10, 1973 at the Ann Arbor Public Library located on corner of South Fifth Avenue and William Street. Dr. George Bacon, Associate Professor and Director of the Pediatric Endocrinology Unit at the University of Michigan Medical Center will speak on Juvenile Diabetes.

We've been visiting my family in Florida and they receive the Enterprise each week. I would like to express my admiration of your paper.

Your articles and the types of events you report, give such a charming impression of your town. We have visited relatives in Manchester and agree, you have one of the nicest towns we've seen anywhere.

I especially wanted to comment on the letter to the editor in your March 22 paper. This dealt with working in the carnival. It was unsigned. However, I was struck with the pleasing way the letter was written and the ideas expressed. I had never thought of carnival work in just this manner either.

If the writer of the letter is an example of the kinds of people who work in carnivals, they must be nice places in which to work, indeed.

And of course, we enjoy the feature stories by C. Chapin!

Again, I hope you keep on printing the same kind of local, homey paper, that describes a side of American living that seems to be disappearing all too rapidly.

Sincerely,
Laura and Reginald T. Hendricks

Shakespeare Club

Last Tuesday, the club met at the home of Mrs. Clayton Parr.

During the business meeting, officers elected for the new year were Mrs. Marvin Kirk, president, Mrs. Paul Feldkamp, vice-president, and Mrs. Earl Daisher as secretary, treasurer. Also a resume was given by the committee, of next year's programs.

For the topic of the day Mrs. Norman Bucholtz took the members on an arm chair trip of the Grand Canyon and its environs—showing pictures taken along the way—which was both interesting and entertaining.

The last meeting of the year, Tuesday, April 10th the club will meet at Emmanuel Church at 11:00 A.M. to go to Leuthuser's for a luncheon—then on to Ypsilanti State Hospital to put on a party for some of the patients there.

Manchester Report of Annual Meeting

The Annual Meeting of the Electors and the Board of Manchester Township, was a very informative session. About 25 Electors met with the Township Board and representatives of the Library Board at 1:00 P.M., Saturday, March 31st in the Village Hall.

One of the most important issues under discussion, was the condition and cure, of the present road condition in the area. Mr. Cal Smith presented Chairman Fielder with a petition containing 180 names, protesting the bad servicing of the roads. After some discussion and comment by those electors present, Mr. Fielder suggested that a copy of the Petition be sent immediately to the Washtenaw County Road Commission. He further suggested that the petitioners appoint a committee of 5 people to sit in with the representatives of the Road Commission and the Township Board at a meeting in the near future, so that the interested people in the Township could become better informed as to procedure and action which the "Road Commission requests. Mr. Fielder pointed out the fact that the Township Board is acutely aware of the condition of the roads and the concern of the citizens. To that end, almost one-fifth of the proposed Budget for 1973-74 will be spent to repair and up-grade our roads. The exact amount approved by the Electors was

\$10,834.00 out of a total budget for ALL proposed operation of the Township, of \$53,000.00.

The attention of those present was then turned to the Manchester Township Library. Mrs. Kuntz read the Financial Report and Proposed Budget, and Mrs. Reck gave the Circulation Report. The Township's proposed Budget allots the Library and operation.

Landfill, that "horn in the side" of every local form of Government then came under scrutiny. Within 60 days, we should have, in operation, a modern compactor system, which will accept almost any material up to eight feet in length, except cement or large logs. This will eliminate all the verbal controversy at the dump-site, which will be located on the same land as the present Dump.

Presentation of the proposed Budget was made and accepted with no objection. Last year's budget amounted to \$48,960.00 and the new proposed budget totals \$53,000.00, only \$4,000.00 over last year.

The Electors present were satisfied that the Board is sincerely trying to do a good job for ALL the people of Manchester Township, and on that note, the meeting was adjourned at 3:00 P.M. Manchester Township Board

NEWS ABOUT BOOKS AT THE WASH-TENAW COUNTY LIBRARY

Adult Non-Fiction

"Bike Tripping" by Tom Cuthbertson, (Random, 1972): Cross country racing, urban commuting, and taking short "escape" trips and tours are some of the aspects of this book.

"Born to Heal" by Ruth Montgomery, (Coward, 1973): The story of a dynamic man and his seemingly miraculous cures of tragic ailments.

"Fielding's Guide to Traveling With Children in Europe" by Leila Hadley, (Fielding, 1972): This guide covers the special attractions each country offers a child in addition to practical details about baby food, doctors, emergencies, sports, camping, etc.

"From the Nets of a Salmon Fisherman" by Eric Forner, (Doubleday, 1973) The land in which the author begins his narrative is the vast wilderness of the Yukon. There, accepted by the Eskimo salmon fisherman, he shares their lives, language and feelings.

"Gardening for Food" by W.G. Smith, (Scribner, 1972): Book describes the best methods for growing a variety of vegetables, fruits, herbs, and nuts without the use of chemicals.

"The Great American Ice Cream Book" by Paul Dickson, (Atheneum, 1972): Discusses the history and lore of ice cream in America and provides recipes for delectable desserts and toppings.

"Panjamon: I was a Headhunter" by Jean-Yves Domalain, (Morrow,

1972): The amazing experiences of a young French scientist among the headhunters of Borneo—a fascinating and detailed account of the culture of a remote and primitive tribe.

"The Randolphs of Virginia" by Jonathan Daniels, (Doubleday, 1972) The story of a powerful and aristocratic family and of the role they played in Virginia and U.S. history from the colonial period into the 20th century.

"The Winds of Mara" by Colin Fletcher, (Knopf, 1973): A wonderful evocation of the wild creatures of Africa and of the great schemes of nature that bind them to one another and to the land.

"Any Minute I can Split" by Judith Rossner, (McGraw, 1972): Tensions and pressures of marriage set in the context of communal living in Vermont.

"Augustus" by John Williams, (Viking 1972): The author uses the device of letters, dispatches, and memoranda to re-create the lives and world of Augustus Caesar.

"The Columbus Tree" by Peter S. Feibleman, (Atheneum, 1973): This story covers a wide spectrum of social levels, from the very rich to the very poor, all of whom cross each

other's paths in a summer season-setting is the seacoast of Spain.

"Last Seen in Samarra" by Janet G. Vermandel, (Dodd, Mead, 1972) Alex Grainger returns to England to discover that her sister has been missing for several months.

"Mark Of The Taw" by Jack Finegan, (Knox, 1972) Story of the life of St. Mark from a hitherto undiscovered ancient scroll.

"The Miniatures Frame" by Kenneth Royce, (S. & S., 1972) Spider Scott is appointed to a Royal Commission to study the British prison system, is invited to another commission member's estate and shown a cache of stolen art objects.

"Run/Ride" by Kip Crosby, (Grossman, 1972) Sandy Collins, an immature and chameleonic college freshman, serves as a foil for the more powerful characters about him.

Chosen Secretary

Professor of Electrical Engineering and Director of the Department of Electrical and Computer Engineering, Electron Physics Laboratory at the University of Michigan. Prior to her present position, Miss Cummings was secretary to the Assistant Director of the Laboratory, University of Michigan, and Secretary and Office Manager for Autohaus-Jackson, Inc.

Miss Cummings is a charter member of the Jackson/Albion Chapter, NSA and received her Certified Professional Secretary (CPS) rating in 1967. She has served as Treasurer and Recording Secretary of the Chapter and on Secretaries Week and CPS Service and Education Committees. During the last Chapter meeting, Miss Cummings was elected as President of the Chapter and will assume her new duties on June 1, 1973.

Applicants for Secretary of the Year must be members of the National Secretaries Association. They are judged and scored on the scope of their current position, business experience, education, and participation in NSA activities on the local, division, district and international level.

The 1973 4-H Spring Achievement was held last weekend at the Dexter High School in Dexter, Michigan. Twenty members of the Sharon Valley 4-H Club exhibited their projects in wood, leather and photography.

In the Apprentice division of woodcraft, the following members received "A" ratings on their projects, Robert Schulze of Chelsea, Rita Drouare and Cathy Tobias of Grass Lake. Bob Feldkamp, Mike Fisk and Dan Hassett, all of Manchester, received "A" ratings in the Handyman group. Receiving a "B" rating in the same division was Jerry Landwehr, also of Manchester.

In the Craftsman division, Joel Tobias of Grass Lake received an "A" rating. Honor group ribbons were awarded to Dan Hassett and Joel Tobias. Dan's project was a wall hung tool cabinet. A picnic table and benches were made by Joel. These boys also received a steel tape and a folding rule for their efforts.

Mr. Clinton Fisk and Mr. Russell Fuller are the 4-H leaders of the woodcraft group. Many Saturday mornings and afternoons were spent by the leaders and members working together on the woodcraft projects.

In the Apprentice division of Leathercraft, Douglas Drouare of Grass Lake received an "A" rating. Receiving "B" ratings in the same division were Jeff Catanese, Jerry Catanese, Greg Eggleston, Jeff Schlicht, all of Manchester, and Gary Flint, Rex Spiegelberg and Mary Tobias, all of Grass Lake. Brian Schlicht, also of Manchester, re-

ceived a "C" rating in this division. Vicki Hansen of Saline received a "B" rating on her projects in the Handyman group. In the Craftsman division, Mike Fisk of Manchester received an "A" rating. Both Anna and Joel Tobias of Grass Lake received "B" ratings on their projects.

Awarded honor ribbons were Douglas Drouare and Mike Fisk. Douglas made a set of six coasters and a bill-fold. A clock, a key case and a small picture of a deer were done by Mike.

Kathy Hartmann of Milan had two entries in the photography project. She received an "A" rating on a display of four colored pictures and a "B" rating on her exhibit of five flash pictures.

Mr. and Mrs. Clinton Fisk are the co-leaders in the leathercraft and photography projects. Also under their leadership, the Sharon Valley Saddle Club had a poster display booth entitled, "Hooked On Horses", as a part of the Spring Achievement exhibits.

Music for the fashion shows, presented on both evenings, was furnished by Mr. Fisk. Many of the girls involved in both the Sharon Valley 4-H Club and the Sharon Valley Saddle Club are also active in the sewing projects and had modeled in one of the style shows.

If anyone has any questions regarding 4-H and its many projects, please call 428-9341.

Linda Carlson, 18500 Burtless Road, Manchester, whose 4-H poster appeared in March 29th issue of the Enterprise, is an active member of both the Sharon Valley 4-H Club and the Sharon Valley Saddle Club.

COUNCIL PROCEEDINGS

March 19, 1973

Council met in regular session with the meeting called to order by Pres. Little at 7:14 pm. Trustees present were Benedict, Mahony, Fitzgerald, Scully; absent Stautz and Walton.

Election results from the March 12 annual election were given. The machine tally registered 41 voters. Fitzgerald received 38 votes, Scully, 38 and Walton, 36.

Scully and Fitzgerald were sworn in previous to regular business. Minutes from the March 5 regular meeting were read and corrected. Moved by Fitzgerald, supported by Scully to approve the corrected minutes. All yeas.

Fitzgerald reported on Public Works activities. The storm of the previous weekend cost the Village approximately \$1000, not counting repair costs. There were 107 hours of equipment time put in. The crew began work at 5:00 am on Saturday and worked through until 2:00 pm Sunday. The tests required by McNamee, Porter and Seeley, on raw sewage influent have been run in Ann Arbor at a cost of \$300.

Enter Walton at 7:37 pm. Walton was then sworn in.

LeRoy Marx, Waldo Marx and Clayton Paar were present questioning the advisability of putting pavement in prior to a sewer. It was explained that the Village cannot undertake such a costly project without Federal funds, for which we have applied. However, until the necessary funding comes through there will be no major sewer work.

Federal cutbacks in spending and budgets and a change in requirements on combination and sanitary sewers by the Dept. of Natural Resources have put the work at a standstill. Fitzgerald assured the individuals that the Public Works would check into cleaning of tiles, etc. in the area of Madison St.

Enter Stautz at 7:45 pm. Duckham's letter requesting an in-

crease for the landfill-transfer station was read and discussed. Another price was also to be submitted. Moved by Scully, supported by Walton that the decision be left to the Public Works Committee, as to whether the Village would continue with Mr. Duckham or change services until the compactor is set up and operating. All yeas.

A letter was read from Walt Gamin regarding the Village billing for sewer work. Moved by Fitzgerald, supported by Mahony that the bill be re-submitted to Mr. Gamin and that he be advised that if payment were not forthcoming alternate action would be taken. The clerk was requested to write Mr. Gamin advising him of the motion of council.

Stautz listed permits: alterations-D. Limpert-109 E. Main St., plumbing-Al's Plumbing-109 E. Main St., electrical-Freedom-409 E. Main St., plumbing-Al's Plumbing-K of C Hall. Stautz advised Council that the letters concerning permits and their use have been mailed to local contractors.

Scully reported that the Police Dept. had been exceptionally busy over the weekend, and that Joe Catalana had enlisted the use of the Middle School in setting up emergency shelter. Snowmobilers had responded to Joe's requests for help and aided in taking supplies and medicine to those in need.

The introduction on the Planning brochure has been written and edited. It is now ready for mock-up. Sang Nam of the Washtenaw County Planning Commission has all the necessary information. Mayor's Exchange Day is scheduled for May 21, 1973.

Moved by Scully, supported by Benedict that the meeting be adjourned at 9:20 pm.

'73 Track Team Co-Captains

Mark Spencer and Jeff Bruestle, Co-Captains of Manchester Track Team.

The 1973 prep track season is nearly here and now would be a good time to honor two outstanding young trackmen, this season's Dutchman co-captains, Seniors Jeff Bruestle and Mark Spencer.

Jeff who follows in his brother Jim's footsteps as a track co-captain (Jim was co-captain in '71) was also one of last fall's cross-country co-captains, and has played varsity basketball the past two seasons, also.

As a two miler, Jeff has set his sights on the school record in his event and according to Coach Larry Steeb, the record will be his unless one of his team mates beats him to the punch.

Coach Steeb describes Jeff as a near perfect co-captain, leading by example both on the track and off. "I really can't picture coaching without this boy," commented Steeb, "He was the leader of my first team here, (1971 X-Country team) and I've depended on him ever since as sort of an assistant coach."

Jeff, the son of Mr. and Mrs. Robert Bruestle of Pleasant Lake Road, plans on attending the University of Michigan this fall.

Mark Spencer a versatile performer, will be sharing co-captain duties with Jeff this season. He will compete in events from 100 to 440 yards as well as

the long jump and even a leg on any or all three relays.

Mark, like Jeff, has the potential to break a school record in his specialty, the 440 yard run. This will be the first season Mark will run this event, as he was mainly a 220 man last year. According to Coach Steeb, with some extra work on endurance and Mark's already powerful running style (Mark played tackle on the football team) the combination could be converted to attainment of this goal.

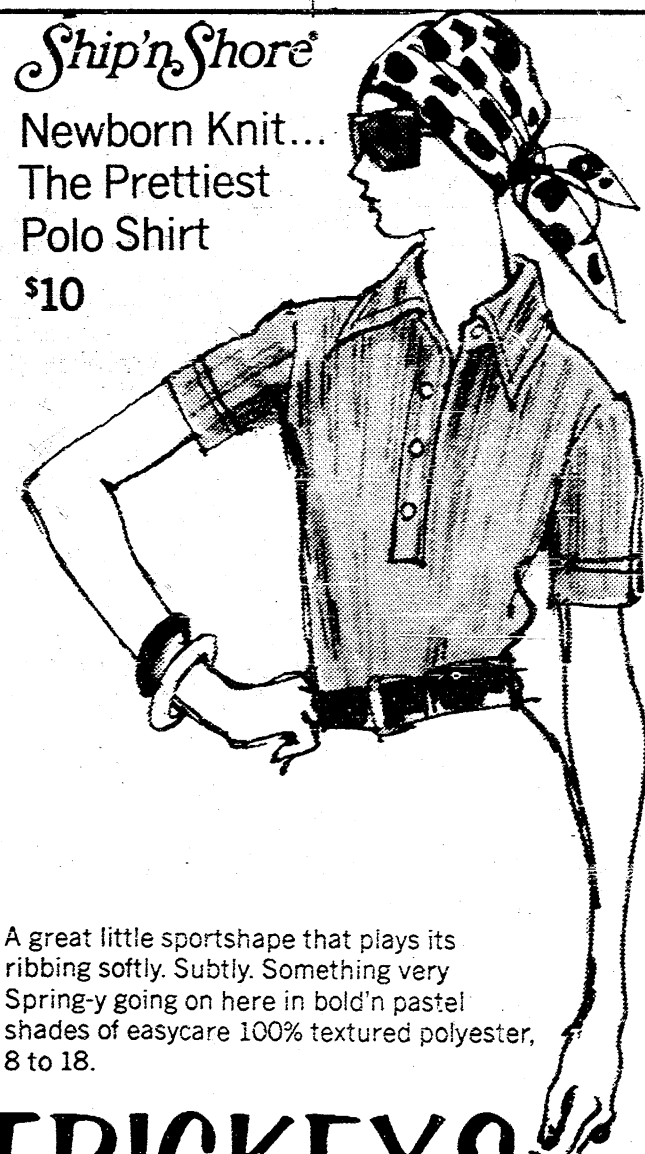

Records are nothing new to Mark, as he was part of last season's 440 and 880 yard record breaking relay teams.

Mark is now serving as President of the newly formed Manchester Track Club, one of many extra-curricular activities he is involved in at the high school.

Mark is the son of Mr. and Mrs. Thomas Schill of Boettner Road, Bridgewater. He plans on attending Western Michigan University this fall, where he intends on continuing his track career.

"I really can't say enough about these two boys," stated Steeb. "With 35 boys out for track, I just can't be everywhere, and all I have to do is tell these boys what I want done and I know it will get done."

Congratulations boys and good luck in this coming season.

What Is A Cop?

A cop must know where all the sin is and not partake out 10 nights to tag one witness who saw it happen but refuse to remember.

The policeman must be a minister, a doctor, a social worker, a diplomat, a tough guy and also a gentleman. And of course he'll have to be a genius for he'll have to feed and clothe a family on a policeman's salary. So the next time you see a policeman wave at him and call him friend for he is every one's friend and we all need friends.

We see quite a lot of advertising about the heroin "hotline" that President Nixon has established. But is it doing any good? I think it's long past time for a tough crack-down on pushers. What kind of response has there been?
—R. A., Detroit

The heroin "hotline" was set up last April to make it easy for citizens to feed information anonymously to law enforcement officials about pushers of hard drugs. About 5,000 arrests were made last year, and at least 300 of them were directly attributable to hotline tips. From April, 1972, to March, 1973, about 21,500 calls were received, of which 19,500 were considered valuable. A "valuable" tip is one which the Bureau considers worth investigating. If you have information that may help to apprehend or convict a drug pusher, use the hotline; call toll free 800-368-5363.

Both of my parents were killed in an automobile accident last year. I am 20 years old and trying to go to college, but it's rough for me financially. I've heard that I might be eligible to receive social security benefits based on my father's earnings. He paid into social security for 20 years and never received anything. Can I get any help?
—N. V., Lansing

Yes. Since your father worked more than five and a half years under social security, you should be eligible to draw benefits based on his social security record as long as you are a student, single, and under 23. Contact your local social security office and file an application.

Lyle Widmayer Top Salesman

Lyle A. Widmayer, a salesman at Tom Marshall, Inc., a Ford dealership in Manchester, has been named a member of Ford Division's exclusive 300-500 Club, an organization of top Ford Salesmen.

Membership in the club was gained through individual sales success during the 1972 calendar year.

The Tom Marshall, Inc. salesman is among 484 in the Detroit Sales District who will receive awards, which will include Ten Top Hatters and Six 23-Year Membership Awards.

The presentations will be made at a dinner on March 31, 1973 at the Raleigh House.

The Top Hatter award is the division's highest salesman award. Approximately 525 of 27,000 Ford salesmen in the United States were named Top Hatters in 1972.

The 23-year awards are presented to Ford salesmen who have been a member every year since the 300-500 Club was founded in 1950.

"Simply to attain true sales success is a difficult task in itself," said Carver Wood, Ford Division's Detroit district sales manager. "To continue making progress over 23 consecutive years is a most demanding achievement."

In addition to Top Hatter and 23-year awards, special Sales Awards will be presented to salesmen whose achievements neared Top Hatter level.

Mr. Wood said the purpose of the

300-500 Club is to recognize outstanding salesmen and to highlight automotive sales positions as "valuable service to the national economy and the local community."

AGRICULTURE IN ACTION

by Carl P. Koptler

MICHIGAN FARM BUREAU

The decision to place a ceiling on meat prices can have a serious effect on an already critical supply-demand situation, according to Elton R. Smith, president of the Michigan Farm Bureau.

In a statement during a news conference at the organization's headquarters in Lansing Smith said, "The long-range result of the President's action will likely be a decrease in supply, and higher prices."

"Because of the current supply and demand imbalance, the farmer's costs have been rising at an accelerated rate. When the market takes a severe drop like it did this week, the price the farmer receives can be below his

cost of production. Farmers cannot be expected to increase supply at a loss."

Smith placed the blame for rising prices, including food prices, on inflation and called for responsible action. The Farm Bureau president said, "Records show that during the last eight-year period, retail food prices are up 33 percent but per capita income is up a whopping 62 percent. Because personal income dollars are up nearly twice as much as food prices, it is rather simple to recognize that such buying power has resulted in better eating standards and increased demand."

"But current price trends reflect more than just increased demand—they are a direct result of inflation. Inflation which, for the most part, has been caused by irresponsible actions on the part of our elected public officials. The relationship of rising government spending, an increasing national debt, a rapidly growing money supply and irresponsible wage demands to rising prices, should be obvious by now."

TWO LIFE CENTERS

HEALTH FOR YOUR CONVENIENCE

WHY BE SICK WHEN YOU CAN BE WELL

There are only two well-known kinds of doctors that make your health their concern. Chiropractors are one of them. If you're not completely satisfied with the results you're now getting, for health's sake — **SWITCH!**

- IF you are sick and tired of being sick and tired... **TRY CHIROPRACTIC!**
- IF you're living on a diet of nerve pills, stomach pills, sleeping pills, headache pills, blood pressure pills, pills, pills, pills... **TRY CHIROPRACTIC!**
- IF you feel your doctor is experimenting with you and your health... **TRY CHIROPRACTIC!**
- IF you are being tranquilized into oblivion... **TRY CHIROPRACTIC!**
- IF you are from "Missouri" and have to be shown... **TRY CHIROPRACTIC!**
- IF you work and your shoulder and neck areas feel tight, tired or stiff... **TRY CHIROPRACTIC!**
- IF you wish to be part of TWO MILLION Americans who'll SWITCH to chiropractic in 1966... **TRY CHIROPRACTIC!**

- DID YOU KNOW?**
- THAT if you've been in an auto accident your **CAR INSURANCE** will pay for your chiropractic care?
 - THAT if you've been hurt on the job **WORKMAN'S COMPENSATION** will pay for your chiropractic care, if your employer allows you to go to the doctor of your choice?
 - THAT now over 600 insurance companies include **CHIROPRACTIC** in their policy coverage?
 - THAT over 20,000 Michigan residents will switch to chiropractic this year.
 - THAT you cannot honestly say "everything has been done" unless chiropractic has been included?

- WITH CHIROPRACTIC IT'S POSSIBLE TO:**
- CUT job absenteeism at least 50% if chiropractic care is used exclusively for menstrual irregularities, headaches, upper and lower back conditions, shoulder and arm pains, nervous tension, sleeplessness, chest pains, sciatica, irritability.
 - INCREASE on-the-job production because of enhancement of the worker's mental attitude due to his optimum health...
 - CUT hospital admissions at least 50%—It's a known medical fact that 15% to 20% of all admissions are attributed to improper diagnoses, drug reactions, etc. The other 30% to 35% would not require hospital care because chiropractic could alleviate the problem.

The following is a partial list of conditions which have responded to chiropractic methods:

Back trouble... skin eruptions... chest pains... asthma... sciatica... ulcers... leg pains... whiplash... nerve tension... constipation... run down condition... neuritis... arthritis... pinched nerves... kidney infection... fatigue... stomach disorders... tired of being sick... arm and shoulder pains... poor circulation... numbness in arms, fingers, and toes... headaches... dizziness... sleeplessness... irritability... high blood pressure... stiff neck and shoulders... pressure in and around head... nervousness... skin conditions... sinus trouble... earache... colitis... neuralgia... throat conditions... burpitis... thyroid conditions... shortness of breath... smothering spells... functional heart conditions... pleurisy... heartburn... diabetes... gastritis... rheumatism... menstrual irregularities... knee pains... blood condition...

FOR YOUR HEALTH'S SAKE

Yes, we could go on and on about the merits of chiropractic... but "talk will get us nowhere... you must go where the "action" is... you must actually experience chiropractic care for a few weeks or months before you can be as enthusiastic as we are, as to its wonderful healing principle.

We invite you to try it... your dollar will never pay a greater dividend... your time will never be better invested... you and your family will never be so glad you made the step...

INCREASE your athletic abilities. In one test it was shown that the "control" group of basketball players enjoyed a better "free throw average" than the group not under chiropractic care. There is similar improvement for bowlers and golfers.

INCREASE your earning power. Not only will you perform your duties much more efficiently you will also enjoy many more years of productive employment with less days off due to illness.

SAVE countless marriages. Many problems originate in marriage due to ill health, overtiredness, or irritability on the part of one of the mates. This definitely influences the relationship between husband and wife, as well as, the children.

ELIMINATE drop-outs in school and produce better scholastic achievement. Many children today are slow in school because of the influence of spinal misalignment. In chiropractic offices we've seen report cards show definite improvement AFTER chiropractic care. Needless to say, the major reason for "drop-outs" is the fact that the child does poorly, scholastically, loses interest in school, embarrassed before his peers, and finally eases his "tension" by dropping out of school.

CUT your auto and health insurance premiums... simply because it costs less (many times 50% less) to get well under chiropractic care.

THE TRUTH IS — If you have a family doctor worthy of your trust, he will be glad to see you get well by any means.

TO BE TRUTHFUL IS TO BE ETHICAL and Chiropractic intends to continue advertising the TRUTH.

Couple Enjoy Unique Hobby

By C. Chapin

Busy, creative and industrious, are the best description for this wonderful couple.

Lydia Hartman Luckhardt and Walter Luckhardt, both 84 years old, she born in Saline and he in Lodi Township met and married in 1916 - 56 years ago.

Living on the family farm in Freedom they raised six children, Robert, Andy, Viola, Irene, Arlene and Gilbert.

After a lifetime of farming, the golden years arrived. So also did a new occupation.

Gilbert, attending an auction a couple of years ago, bid for and bought an antique wood lathe. With Brass fittings! A lovely piece of machinery and really useful too! Dad received the lathe as a present and promptly made good use of it.

It seems Raymond Jacob just happened to have a walnut tree on his land and of course some of the wood found its way to the basement workshop at 5195 Schneider Road where the Luckhardts live.

Walnut bowls and wooden candlesticks resulted. Beautifully warm brown with lovely graining, smoothly polished, delightful to the eye and velvety smooth in handling.

The back yard has huge sections of Walnut leaning against the wall, beginning the aging process, after which it is cut in slab sections about 4 inches thick and stored in the garage for further drying. After a couple of years the wood goes on the lathe. When shaped but rough, Lydia takes over and, skill on the lathe, she applies the sandpaper, for a smooth finish. The final step of applying a sealer is also here, to finish with a softly shining handcrafted bowl. The outer layer of wood, close to the bark will sometimes be a different color,

one bowl and candlestick set had nearly pure white wood streaking the chocolate brown.

Other woods have been used. Wild cherry from the home farm was successful and very pretty, but an Osage Orange tree from the Bob Ross farm came out with a distinctly orange color.

Some have been used as gifts, many have been sold.

Truly, the retirement hobby is good business too. Happy people, with a message for all of us. Creativity flourishes with age and wisdom.

MANCHESTER TOWNSHIP LIBRARY

As your mothers and fathers have told you, this April 22 is Easter. As a special treat for all my friends, from tiny tots through the third grade I am having an Easter Egg Hunt on Saturday, April 21, at 1:30 p.m. at Cam Park.

I will have prizes for the lucky girls and boys who find the prize eggs, but even if you don't find one of the prize eggs, I'm sure you will have loads of fun and no child will go away empty handed.

So plan to be at CARR PARK, Saturday, April 21 at 1:30 p.m. Rain or Shine -- or Snow!!

Be real good and I'll see you when you are sleeping.

Optimist Club Outstanding Citizen

Kathy Opal, daughter of Mr. and Mrs. Richard Opal of Bemis Road and a Junior at Manchester High School, is the Manchester Optimist Club's Outstanding Citizen for the month of April. The Opal family moved to Manchester from Milan at the start of the second semester in January of 1972. At Milan High School, Kathy sang a solo in the school musical, "Tell Me Like It Is", and was in the National Honor Society and student council. Her church activities in the youth group at Milan included two Crusades to Irvin, Kentucky and Curtis, Michigan. One year she held the treasurer's position in the youth group.

Kathy likes it very much at Manchester and has been well accepted. During the football season she was elected to the homecoming court. Kathy is on the newspaper staff, the girl's track team, is secretary of the Pep Club, and plans on going out for the girl's summer softball team. During the first semester Kathy took a part in one of the all school plays, "Murders in the Rue Morgue".

Kathy likes reading, sewing and horseback riding. After graduation Kathy may join the Air Force and somewhere along the way she would like to go into criminal law.

Congratulations!

March of Dimes Walkathon

Want to get in shape, lose weight, test your endurance and have fun at the same time? Join the parade - the March of Dimes Walkathon on Sunday, April 29, 1973.

This "orgy of physical fitness" has been organized by the Washtenaw County Chapter March of Dimes to help in the fight against birth defects and to aid those children already afflicted. All funds raised from the walk will go to the March of Dimes Programs in birth defect research, direct patient aid, pre-natal care, public and professional education.

What is the Walkathon? Most of all it will be fun! Bands will play. Refreshments and first-aid will be plentiful. It will cover a 16 mile course with checkpoints. Each person walking all or part of the course gets others to sponsor him at a monetary rate per mile. Sponsors may be parents, friends, neighbors, relatives, small businessmen or anyone who will help aid in the fight against birth defects. Sponsors may contribute

any amount per mile from 10¢ up. Official Sponsor sheets will be available in Manchester by calling: Mrs. Leonard Ahrens at 428-8181. Walkers will pass through checkpoints along the route and have their route cards stamped. When the walk is over, the walker shows his route card to his sponsor for the March of Dimes. There will even be a special "Poop-Out Pickup Service" for those who can't make the whole route.

Prizes will be given two weeks after the walk. To be eligible you must have sponsor pledges collected and returned. Be sure to return your entire sponsor sheet with your pledges and checks. Addressed envelopes will be provided for return of sponsor sheets and checks. The walk is open to all. Those under 12 years of age must be accompanied by an adult; those under 18 must have permission from a parent or guardian.

To participate in the Walkathon you must register at 9:00 a.m. on Sunday, Continued on Page 5
