**Mike Wolfe Day Saturday, June 23, 1973**

By C. Chapin

On Saturday, June 23, the friends of Mike Wolfe will host a "Mike Wolfe Day". For three hours, from 9 - 12 Saturday morning at the Union Savings Bank, Mike will greet friends and bid good-bye to the town he has served faithfully for so many years.

Born on August 8, 1885 at Cape Elizabeth, Alaska, Mike, 5 years old was sent to Presbyterian school at Sitka, which he attended until age eleven.

With the help of Sheldon Jackson, then Commissioner of Education for Alaska, he was sent to Indian School at Carlisle, Pennsylvania where he graduated in 1902.

This well-traveled young man then journeyed to Parkview, Mississippi, to enroll at Park College. Enlisting in the Army in 1907 he was discharged with the rank of Sergeant in 1910.

Working on the Railroad, (the good old Wabash) until 1918, Mike met and married Lily Lampton in 1913. A brother-in-law had a shoe repair business in Manchester, Michigan and when hard times came, they came North to our town.

His oldest son Louis was born February 19, 1919 and another son David in 1933. Tragedy befell the family when David died very young.

Mike settled here and made Manchester his permanent home, becoming the Township treasurer in 1945 and serving with great dedication until his retirement in April of 1972.

Leaving now to live near son Louis at 568 Brookside, Ypsilanti, Mike will be missed by everyone who has seen his familiar face up and down Main Street.

Such a long and extraordinary life this gentleman has lived, with such memories. The boat which transported him in Alaska as a child was the Revenue Cutter "Bear", later taken by Admiral Byrd on his expedition to the South Pole.

In 1969 Mike and Son Louis traveled back North to visit Juneau and Sitka, a sort of homecoming, a touching of the soil of home.

The greatest interest of Mike's later years has been in the work of the Alaska Land Claim Settlement,

in which the monies will be distributed to all Native Alaskans of 1/4 blood, wherever they may live.

Many hours have been spent trying to locate these people so they may share in their heritage and Mike earnestly expresses the hope that anyone who is qualified would get in touch with him.

Public servant, good citizen, business man, husband and father, we wish you well and thank you Mr. Wolfe.

**Proclamation**

WHEREAS, the local government of Manchester Township recognizes the great services rendered to this township by MICHAEL H. WOLFE and

WHEREAS, the Township of Manchester has set aside SATURDAY, JUNE 23, 1973 to honor MICHAEL H. WOLFE for his long, faithful and dedicated service of 28 years as township treasurer.

THEREFORE, I, CLARENCE L. FIELDER, Supervisor of the Township of Manchester, do hereby proclaim Saturday, June 23, 1973 as MICHAEL H. WOLFE DAY and urge all citizens of our community to give full consideration to his past services and to his future happiness.

Signed, Clarence L. Fielder, Supervisor

**Open House**

Mr. and Mrs. Roger Trolz are hosting an open house for Mr. and Mrs. Carl Fererichs (the former Erna Berke) and Miss Marcia Berke. The event will be held Sunday, June 24 at 2 o'clock in the afternoon at the Trolz home, 14155 Austin Road, 5 miles west of Manchester.

It has been several years since they have lived in this area. Friends and relatives are cordially invited to drop in Sunday.

**SENIOR CITIZENS**

This month's Senior Citizens meeting will be held Wednesday, June 27 at 1:30 pm. at St. Mary's Church Hall.

**Brownie Day Camp**

The first and very successful Manchester Brownie Day Camp was conducted June 12 through June 14 at Cam Park. Three separate troops, Lidsville, Odd Squad and Yellow Chicks, were composed of 58 girls in second and third grades.

Activities included hiking, cooking over open fires, selecting and planning menus, grave stone rubbings, various crafts and the eight basic skills of camping.

This program could not have been successful without the considerate participation of the entire community. Thanks go to Anne Wright, Camp Director, Joyce Watson, Asst. Camp Director and leaders, Donna Stengel,

Lois Rodriguez, Mary Gonyer. Mothers that shared their days with the girls were Mrs. Lucas, Mrs. Hoener, Mrs. Ellis, Mrs. Zechunke, Mrs. May, Mrs. Kennedy, Mrs. Leir and Mrs. Kocheski.

June Wellman provided babysitting facilities for the mothers contributing their time. Beverly Knickerbocker, as chairman of the food committee, was in charge of purchasing and delivering the food to camp every day.

Thanks also go to the Doctor Lehr family for offering their grounds for many happy hours of discovery, to Chief James Thomas of the Manchester Police for his concern and kindness to the girls and to Ann Bersuder for the musical enjoyment she brought to all.

**BROWNIE POT LUCK DINNER**

A Pot Luck Dinner, June 14, concluded the Brownie Day Camp program for Summer 1973. This event was planned by Billie Lubbe, Becky Shadley and Peg Townsend with entertainment provided by the Order of the Arrow with authentic Indian dances. The dinner was delicious, the evening enjoyable and the turn out fantastic.

**TRACK CLUB TO HOLD SUMMER MEET**

The M.H.S. track club will hold a summer track meet at the Manchester Athletic Field Wednesday, June 27 starting at 10:00 a.m. There will be two age divisions, open to both girls and boys. Fourth, fifth, and sixth graders 1st division. Seventh and eighth graders 2nd division. Ribbons will be given to the top three in each event. Entry fee will be 25 cents which will entitle each participant to enter three events.

Seven events in all including; 50 and 100 yard dashes, 50 yard low hurdles, 1/2 mile run, shot putt, long jump and high jump.

Members of the track club will officiate.

John Roberts, son of Mr. and Mrs. Ted Roberts of 412 W. Main St., was recently hospitalized at St. Joseph Mercy Hospital for a knee operation. Shortly after returning to school, one of John's teachers requested that the class write an original poem. John chose to write about this experience, and his delightful poem follows:

As everyone can plainly see,  
 I've had problems with my knee.  
 Wrestling with Mike, my knee gave out,  
 And all I did was yell and shout.

Tried to get up, couldn't stand,  
 Mike gave me a helping hand.  
 The Doctor said it didn't look good,  
 But he would help me if he could.

Maybe I needed an operation,  
 So I gave him my co-operation.  
 They gave me a room and put me in bed,  
 Said I'd be fine and patted my head.

The bed I had was really neat,  
 Down went my head, up went my feet.  
 I had a T.V. and a phone,  
 And I layed there all alone.

Upon my foot they put a weight,  
 Only to find it was too late.  
 An operation was needed now,  
 And the X-rays showed them how.

Now it's over, now it's done,  
 They fixed me up so I could run.  
 I have to wait for it to heal,  
 When it does how great I'll feel.

People came both day and night,  
 To see this very dreadful sight.  
 Everyone was so thoughtful and kind,  
 Friends like this are hard to find.

**FOR SPACIOUS SKIES**

How long can we keep America beautiful? And how? Just to mention one pollution problem, solid waste is overwhelming us. Each year we throw away 71 billion cans. Think of it. And we dump 7 million cars and trucks not to mention TV sets, refrigerators, and mountains of other hard-to-demolish products.

Where does it all go? Too often into open burning dumps that pollute the air. Or into incinerators in large urban areas that are already over-stuffed. And these incinerators, according to the government's Environment Protection Agency, are becoming increasingly expensive to equip and operate because sophisticated air pollution controls are now required.

Incinerators, in fact, can reduce or destroy only 50 percent, by volume, of the average municipal solid wastes. There is just too much to chew up. And land-fills are too expensive in congested cities.

As a result, the EPA is sponsoring work to develop a new process that converts solid waste to gas and molten slag. First, wastes are dumped into a large shaft furnace called a gasifier, where there is practically no oxygen. Wastes are exposed to blasts of air which have been heated to high tem-

peratures by natural gas. The organic portions then begin to decompose, and most of the waste turns into gases. These gases can be burned to make steam for power generation; the slag can be used for building materials.

Pollution from the new system is expected to be one-half that from usual incineration methods.

If America can find a way to dispose of its waste products and keep the air clean too, we may stay beautiful a while longer. To find out what you can do in the fight against air pollution, contact your regional double-barred cross TB association.

**GIRL SCOUTS GO CAMPING**

Junior Girl Scout Troop #654 spent the weekend of June 1, 2, and 3 camping at Happy Valley Campground near Brooklyn.

The campground is a fairly new public site with a pond for fishing, juniper bushes and many hills for hiking and laying nature trails.

Friday evening we met at Schwab's with all camping gear needed for the weekend (and more). It is surprising how many cars are needed to carry 26 girls plus leaders to camp. Mrs. Daubner greeted us with "Do you have your permission slip?" and double checked on everything Mrs. Schwab might have forgotten.

5:30 all coolers and jugs full.

Seven cars and tent camper, scouts, parents and leaders (one with curlers in her hair) took off for camp. Sticking together all twelve miles, (some didn't realize where in the world we were going) we arrived about 6:10. First to arrive at the campsite were Mr. Schwab and Mr. Daubner with the tents. Everyone supposedly had their gear in the car they traveled in, but we soon found out that this wasn't true.

We were eager to get our home for the weekend set up. The scouts, assisted by Fathers, began setting up tents, each one different. Some tents new, some old, some big and some small. When all houses were built and every bed was made we had our first camp meal. A SACK LUNCH. Some of our parents joined us for supper and then departed

for a quiet evening at home. We enjoyed our evening around the campfire by singing, popping popcorn and gazing at the sky, full of many bright stars.

Saturday, Mother Nature was very good to us. We took many hikes, laid nature trails, went fishing in the pond, carried many gallons of water and ate lots of good food. Fishing was especially fun since we first had to make fish poles. We selected just the right stick, strung it with fish line and tied on a fish hook. The mothers really came in handy here. Sometime they even had to help girls make their second pole if the fish got a little rough. Many of the girls enjoyed whittling. It was especially fun making bows and arrows and marsh-mallow sticks. Saturday evening we had our campfire by the pond. We roasted marshmallows and made some-mores.

Sunday was a day full of new experience. We know that scouts never go camping unless it rains. Well, we had hoped to be different, BUT, we found out many things can be done in the rain. We still at very well, had dry tents when we were to leave for home and that there is a way to keep the campfires going, even in the rain. Did you ever hear of a recipe called "Pancakes and scrambled eggs in the rain?" We did. Instructions are: Make pancake batter as directed. Mix up eggs as for inside cooking, but when the rain begins, gather five scouts and one poncho. Hold poncho over five with one girl on each corner. For two fires gather ten girls and two ponchos. Don't forget one scout is needed to turn pancakes and scramble eggs.

The rest of Sunday was guided by a very confused weatherman. Much hot sun and lots of warm rain. You know that ALMOST everyone enjoys playing in the rain. The final activity of our campout was a water splashing party which involved everyone. Mothers and Fathers who had managed to stay dry during the rain just couldn't resist getting wet. We left our campsite about 4:30 and arrived back at Schwab's promptly at 5:00 where our parents picked us up, wet or dry, whatever.

Our weekend was a success. Each scout had at least one new experience.

For many girls camping itself was new. For others camping in tents was an experience that many had wished for. Menus included many new ideas for our troop to cook outdoors. Tacos, Girl Scout sodas, miniature donuts, and cherry cobbler were only a few of the foods enjoyed by the scouts.

We say "THANK YOU" to the following mothers who helped Mrs. Schwab with our camping trip. Mrs. Daubner, our assistant leader, Mrs. Bauer, Mrs. Helfrich and Mrs. Fitzgerald.

Without the expert help of some fathers our tents would not have been up so well. Mr. Daubner, Mr. Denhoff, Mr. Brokaw, Mr. Schwab and Mr. Bauer were very welcome Girl Scout consultants.

Mrs. Bedrosin, Mrs. Steele and Mrs. Lentz shared their time driving either to or from camp.

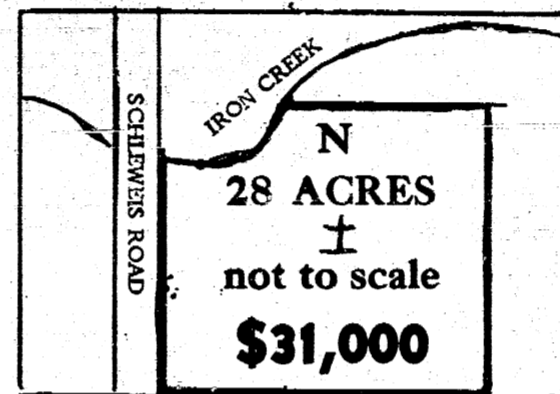

Troop campers were: Roxanne Steele, Sue Ann Armstrong, Phyllis Sullivan, Kelly Helfrich, Sue Smith, Teresa Seeger, Cheryl and Carol Brokaw, Janet Denhoff, Debbie Bauer, Carolyn Schwab, Susan Ahrens, Kathy Kensler, Karl Gregerson, Jenny Bedrosin, Brenda Benedict, Phyllis Youloun, Laurie and Lisa Fitzgerald, Debbie Blossom, Shannon Lentz, Diana Johnson, Stephanie Daubner, Jayne Walkowe, Kim Walker and Dawn Ebersole.

**FINAL CROP INSURANCE REPORTING DATE JUNE 30**

Area farmers who are Federal Crop Insurance Corporation policyholders are reminded that the final date for reporting their acres of crops for insurance purposes is June 30. Any crops that are reported after this date and suffered previous damage could result in no insurance coverage, explains Earl Wilson, Director of the Contract Service Center, Springfield, Illinois.

In the five states serviced out of the Springfield Center, Federal Crop Insurance Corporation has approximately 20,000 Spring Crop Contracts with farmers protecting their crops against all natural hazards from planting until harvest.

**FRIENDLY VISITING PROGRAM**  
 The Washtenaw County Chapter of the American Red Cross is sponsoring a new program called Friendly Visiting. It will provide moral support for the elderly person who is lonely, and perhaps, disabled. Names of elderly people who are in need of this service, are received from local public service agencies.

The Friendly Visiting program currently has an urgent need for volunteers to serve as Friendly Visitors. Due to a Project Find program, which was a search to find elderly people who were in need of food stamps, some important needs of the aging were uncovered. The Friendly Visiting program hopes to alleviate some of these needs.

A Friendly Visitor might read to a homebound or sick person, assist them in writing letters, do occasional personal shopping if desired, talk and listen to the elderly person and in other ways, function in the capacity of a friendly family member. The Friendly Visitor will in no way supply professional service. It is not the responsibility of the Friendly Visitor to supply transportation for the client.

There are no age restrictions. The Friendly Visitor must furnish his/her own transportation and be willing to visit with the elderly person approximately once a week. If you have a desire to help others, you will find this work a worthwhile and satisfying experience.

The Friendly Visiting program will be coordinated by Ms. Sue Ochala from the Red Cross office, 2729 Packard Road, Ann Arbor, 48104, (phone: 971-5300). If you wish to participate in this program or desire additional information, please contact Ms. Ochala.

**RED CROSS OPEN HOUSE**  
 Volunteer Red Cross workers who have served at Bloodmobiles here or with any Red Cross Bloodmobile team are invited to attend an Open House at the Red Cross Center, 2729 Packard Road, Ann Arbor, Monday June 25 from 2 to 4.

The occasion is in honor of Mrs. Pauline McKenna who is retiring after ten years as director of the Washtenaw County Chapter Blood Program. She is well known to many local volunteers for the organization. Anyone needing transportation to the Open House may contact Mrs. Millard Uphaus.

The annual meeting of the Washtenaw County Chapter of the American Red Cross is on Tuesday night, June 19. Reservations must be made for this event. Mrs. McKenna will also be honored at the annual meeting.

**DIABETES CAMP OPENS JULY 3**  
 Diabetic children aged 8 - 16 can attend recreation-education sessions starting July 3 and 16 at Camp Midcha, located 20 miles north of Pontiac. Information and applications are available from the Michigan Diabetes Association, 6131 West Outer Drive, Detroit 48235, telephone (313) 342-9333.

The actual cost per child for a camp session is \$160, and those that can be asked to pay it. But the official fee is \$125, and families not able to afford even that can apply for a full or partial campership. Many camperships are provided by individuals, clubs, businesses, and foundations throughout Michigan.

The camp provides the specific medical care for diabetic children which most camps are not able to give. At the same time the youngsters get the social and recreational experience enjoyed by so many of their friends.

But the camp is much more than just recreation. The children often learn the complexities of the diabetic diet, the techniques of daily urine testing, the sensitivities of regulating physical activity, and how to give the daily insulin shots that will be needed for the rest of their lives. Michigan's 4400 diabetic youngsters need this extensive education if they are to have any chance at all for a near-normal life.

AGRI COMMUNICATIONS NEWS

Mr. Harold Lein, General Manager of the Michigan Live Stock Exchange, has announced the hiring of Mr. Larry Squires of Rockford, Michigan, to work with farmers in selling their cattle at the St. Louis and Battle Creek yards of the Exchange.

Mr. Squires has been a cattle buyer for the Peet Packing Company for the past thirteen years. He was born and raised on a farm in the Rockford area, knows cattle and enjoys working with farmers.

Larry and his wife are the parents of three children.

In a recent survey of the Managers at each of the Michigan Live Stock Exchange on the outlook for cattle, they were very optimistic on continued good prices to the farmer in the foreseeable future.

Despite predictions of a possible tight feeder cattle market, the Managers reported that they have been able to take care of any request for feeders

MICHIGAN LOTTERY

One of the 120 semifinalists invited to the Michigan Lottery's fourth Millionaire Drawing Thursday, June 21, will go home a millionaire.

The contestants, including one Canadian and six out-of-staters, will participate in the festivities at Eastern Michigan University's Bowen Fieldhouse at 6:45 p.m. sharing \$1,295,000 in prizes. Semifinalists had 479, the number selected in the fourth elimination drawing held earlier, on their \$25 prize check warrant stub.

Ten contestants will advance to the finals. Besides the new millionaire, one person will win \$100,000; one, \$50,000; and the remaining seven finalists will each take home \$5,000. The other 110 semifinalists will pocket \$1,000.

Ann K. Cashin, 48, of Manchester, a widow with seven children aged 17 - 26. She would share a major prize with her family and charity. She is one of the semifinalists.

# 5 Injured In Car Crash

Five girls were injured, one critically, Sunday afternoon when their car went out of control on a hill on Austin Road, just west of the Village of Manchester, and hit a tree, according to Manchester Police Chief Jim Thomas.

The driver, Resa Zemaits, 17, of Plymouth, is reported in critical condition at University Hospital. Two of her four passengers were also admitted, Dale Cerniasius and Donna Bruns, both 17, of Chicago, are in fair condition at the hospital. The other two passengers, Vida Jurgals, 16, and Natalie Lotera, 15, also of Chicago were treated and released.

Chief Thomas said the girls were trapped in their vehicle for about a half hour. They were extricated by the Manchester Fire Department.

### SALINE COMMUNITY HOSPITAL

Saline Community Hospital today announced a gift of \$5,000 from the Owens Illinois Company of Milan, Michigan. Mr. P.M. Coy, the General Manager, and Mr. Herbert O. Kurtz, the Plant Industrial Engineer and Personnel Director, presented the gift to the Hospital for its building expansion program.

Hospital Board Vice President Gerald O. Bahnmiller thanked Owens Illinois for its contribution and stated that he was both grateful and proud to accept their generous gift.

In another statement, Mr. Bahnmiller urged the community to be aware that the fund raising campaign will be ending in two weeks. And, while business and industry have contributed \$296,439 and organizations and

individuals have contributed \$885,672, the Hospital is still \$67,889 short of its \$1,250,000 goal.

He went on to say that 95 pledge cards were still out-standing, and that if those who have not yet pledged their support would please do so now, the fund raising campaign could be considered a total community success.

BOY SCOUTS OF AMERICA

P. Richard Guest, Camping Chairman for the Wolverine Council, Boy Scouts of America, announced today that Camp Kanesatake and Wrights Lake Scout Reservation will be open during the next two weeks to provide a summer outdoor adventure for 70 troops and more than 1500 Scouts and leaders.

The Wolverine Council comprises Washtenaw, Livingston, Lenawee, and Monroe Counties and operates Camp Kanesatake in the Irish Hills and Wrights Lake Scout Reservation near Ewart, Michigan.

Guest announced that Berkeley P. Duncan, Council Program Director, will serve as Camp Director for both camps and head a staff of 36 adults and junior leaders. Duncan is an Eagle Scout, a graduate of the National Scouting Camping School, and has had more than 25 years of Summer Camp experience.

In addition to these two fully staffed resident camps the Council will operate Camp Munnacke on Bruin Lake for troops wanting to provide their own equipment and program.

New this year, will be an opportunity for individual boys to attend Camp Kanesatake or Wrights Lake at times other than with their troops. Information on this provisional camping program can be obtained by writing the Council Service Center, 2163 W. Stadium, Ann Arbor, 48103, or by calling 313 663-8514.

While Camp Kanesatake is almost completely filled, Guest announced that there is still an opportunity for troops to register for a North woods, wilderness camping experience at Wrights Lake Scout Reservation.

MICHIGAN HEART ASSOCIATION

The Washtenaw County Stroke Club, in conjunction with the Ann Arbor Recreation Department and the

Michigan Heart Association, sponsored a pilot recreation program April 28 through May 19. Recreation served as an outlet for both the stroke victim and his family.

Newly elected President, Mrs. Ada Crispin, and club members want to continue to provide some avenue of release for stroke victims in Washtenaw County. Because of the enthusiasm of persons attending the pilot project, the club will continue a recreation program throughout June and July. Tentative June dates are the 16th and 30th from 2:30 p.m. - 4:30 p.m. at the Burns Park Center, 1300 Baldwin, Ann Arbor. July dates are still in the planning stage.

Come out and enjoy yourself with chess, croquette, in-door bowling, horse shoot, shuffleboard, in-door golf, badminton, etc. If you have transportation problems, call Mary Youard at 763-6556.

Serve This Salad With Pride

Fresh iceberg lettuce, medium to light green in color, and romaine with its firm, dark green leaves are Kay Kellogg's choices when she prepares Caesar Salad. Packaged herb seasoned croutons, crisped in olive oil then tossed lightly with the chilled greens, provide a texture and flavor accent for an exceptional salad any hostess can serve with pride.

CAESAR SALAD

- 1 garlic clove, split
1/2 cup olive or vegetable oil
1 head romaine lettuce
1 head iceberg lettuce
2 tablespoons olive or vegetable oil
2 cups herb seasoned stuffing
3/4 teaspoon salt
1/2 teaspoon pepper
1/4 teaspoon dry mustard
1 tablespoon Worcestershire sauce
1/4 cup grated Parmesan cheese OR crumbled Blue cheese
1 egg, coddled 1 minute
2-3 tablespoons lemon juice
1 2-oz. can anchovy fillets, drained (optional)

Yield: 8-10 servings.

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

My Dad reads the Congressional Record at the library. He said he thinks everything reported is altered before the Record is printed so Congressmen can look good to their constituents. Are floor debates printed in the Record as they actually occur, or are they changed? -T. R., Bingham

A large portion of the transcript is printed in the Record without any editing. However, a Congressman or Senator is permitted to straighten out his grammar if he wishes, so long as he does not change the substance of his remarks. You may be interested to know that the Congressional Record is not really the official record of what happened in the Senate, although it generally will suffice. Official actions of the Senate, as distinguished from debate, are recorded in the Senate Journal.

This may seem like a petty problem, but no one here seems able to tell us what to do about the high cost of dog licenses in this area. Our seven dogs will end up at the local dog pound if we don't buy licenses. But they are demanding a big increase in the price. Isn't this in violation of price controls? If you had seven dogs, I bet you'd be concerned too. -L. D., Highland

Sorry, but price controls apply to commercial goods and not to local license fees. The dog license is a form of taxation imposed by your local government, and you will have to take the matter up with local officials.

Michigan Farm Bureau

"If Michigan loses the Hot Dog War, will we have to settle for something less than the great hot dogs now served at Tiger Stadium?" inquired a fan in an action-type column of one of the state's metropolitan papers. Baseball fans aren't the only ones concerned. Michigan, home of the No. 1 Hot Dog, has lots of consumers -- and producers -- who are worried about the outcome of the "Hot Dog War" currently being waged. Michigan has the highest comminuted meat standards in the

nation, and both consumers and producers are joining in the battle against the federal government and the courts to keep it that way.

Consumers may be surprised that they have such a strong ally, inasmuch as the less stringent federal minimum requirements would allow the use of by-products in hot dogs, sausage and luncheon meats. Michigan's livestock industry, however, prefers the strong confidence consumers have in their high-quality comminuted meats, and they're willing to fight to maintain that confidence.

Michigan Farm Bureau President Elton R. Smith recently testified before a Senate subcommittee in Washington, D. C. in support of Senate Bill 991, which would allow states to determine whether their meat inspection, labeling, ingredient and other requirements may be more stringent than minimum federal standards.

"We do not quarrel with federal measures when there is an obsolete need to establish minimum standards to protect the public. But federal action

should not force a state to lower its high standards just to fall in line with the federal minimums," Smith told the subcommittee.

High-quality hot dogs aren't the only thing at stake in this issue. There's the matter of states' rights. The Supreme Court's doctrine that the enactment of federal legislation pre-empt the field is an example of destruction, through coercion by units of higher government, to responsible states' rights, self government and individual freedom.

The monthly meeting of the Jolly Farmerettes 4-H Club was held June 12, 1973.

The meeting was called to order by President Lois Kemmer. Flag pledges were led by Margaret Sokolowski. Roll call was the last thing you did before coming to the meeting.

There were 21 members, 4 leaders, and 4 guests present.

A committee report on our 4-H bake sale was given. We made a total profit of \$41.15. A report was given about the 4-H Farm Council Convention.

Under new business, a report was given by the Food Committee about our 4-H Club Picnic to be held July 8th. It was determined that everyone should bring a dish to feed ten. Bring your own drinks and table service. Dinner at one o'clock.

Under the leaders report, we were reminded to submit our 4-H summer project enrollment sheets. These sheets are due in the Agricultural Extension Office by June 21st.

Demonstrations were given by Lori Voegeding and Cathy Niehaus. Refreshments were served and the meeting was adjourned.

**"RED CROSS SEEKS TEEN VOLUNTEERS"**

The Youth Program of the Washtenaw County Chapter of the American Red Cross would like to remind teens that it is still not too late to register for the teen volunteer program this summer.

The youths, 14 through 18 years of age, will be placed in Red Cross departments and community agencies throughout Washtenaw County. Of the more than 15 agencies involved, some of the jobs available include: hospital work, recreation aides, blood clinic aides, youth program aides, nursing homes, day care centers and nurseries, handicapped recreation, clerical and secretarial work. An orientation seminar is being planned where teens may meet the supervisors of each agency and then decide where he could best devote his time this summer.

Interested teens should either call 971-5300 (ask for Chad Furman or the Youth Program), or come to the orientation session which will be held on Wednesday, June 20 at 2 p.m. at the Red Cross building at 2729 Packard Rd., Ann Arbor.

# Free moon light at NBJ!

### The light that went to the moon.

NASA never takes chances. So when they wanted a foolproof flashlight for the astronauts to take to the moon, they went to ACR Electronics and said, "Build us a foolproof flashlight." And ACR did.

### Astronauts need it

because the totally new and revolutionary Moon Light works equally well in space, on the surface of the moon or back here on earth. It's small (3 1/2 in. long), light (6 1/2 oz.), neat and has no external switches to corrode or break.

### Husbands need it

when they go fishing early in the morning, look for tools and parts behind the workbench or to rattle around in their tackle box, tool box or briefcase.

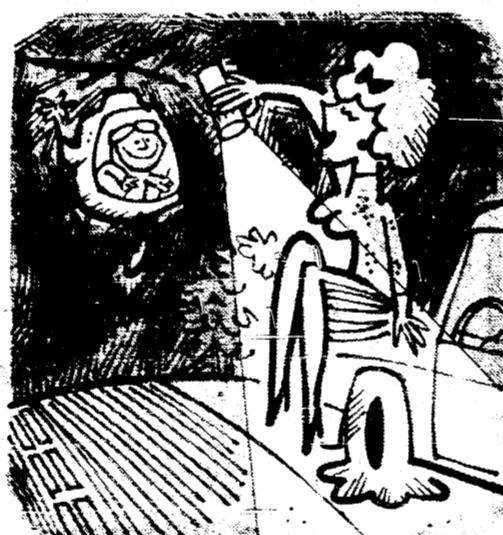

### Mothers need it

to put in the drawer next to the silverware in the kitchen since the flashlight in there now doesn't have any batteries, and the bulb's burned out anyway.

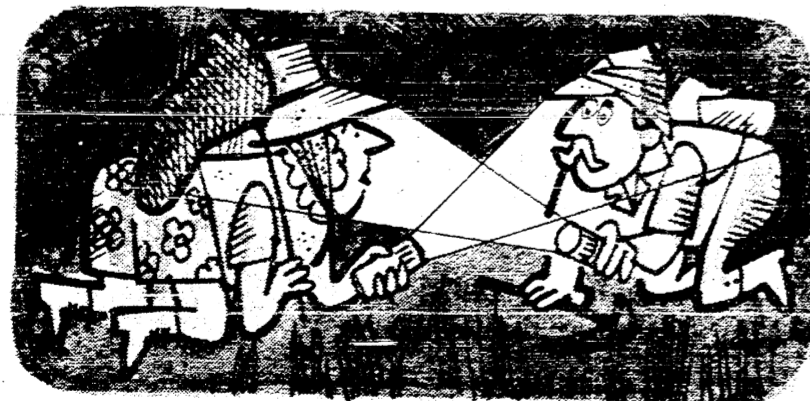

### Kids need it

for safe bicycle riding in the evening, reading comic books under the bed covers and finding their way to the bathroom after midnight.

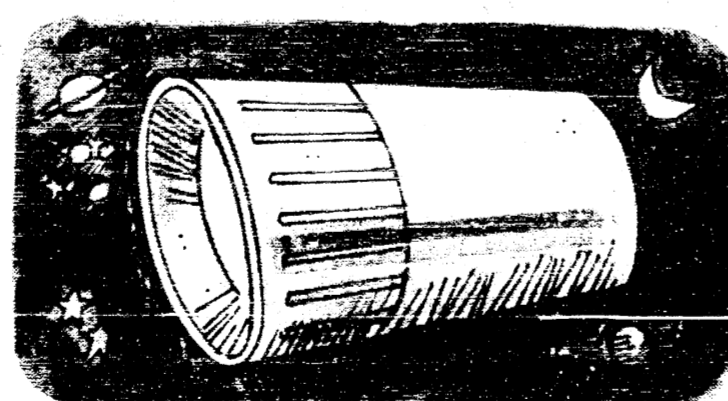

### Glove compartments need it

for a portable trouble light, map light or roadside emergency signal.

### Everybody in the dark needs it.

If you're not in the dark now, store it away somewhere and forget about it until you are. The space age battery has a five-year shelf life and ten times the staying power of an ordinary flashlight.

### Just \$200 and it's yours free!

Open a new NBJ checking or savings account for \$200 or purchase a \$200 Certificate of Deposit at either of our Brooklyn or Napoleon area offices. Or you can get one free by adding \$200 to your present NBJ savings account.

## Optimist Club Outstanding Citizen 25th Wedding Anniversary

Manuel Arana, son of Mr. and Mrs. Manuel Arana of 8755 Ernst Road is the Optimist Club's Outstanding Citizen for the month of June. The Arana family came to the United States in March of 1971. In April of that year the family traveled from near New York City to visit with Toya Gonzales, an exchange student from Chile who was related to the Arana family. They liked the town of Manchester very much, and by August of that year, and with the help of Mr. and Mrs. James Lyons, the family found a home and Mr. Arana received employment at the Manchester Plastics Plant.

Manuel and his brother Jose enrolled in the high school, Manuel as a junior and Jose as a freshmen. In Chile Manuel was on the school's championship soccer team. The team never lost a game while he played. Both boys became good cross-country runners at Manchester with Jose usually coming in before Manuel. Manuel says, "I am too hard to warm up". Manuel went out for wrestling and became recognized as a good wrestler, but unfortunately an injury kept him

out about half of the season. In the spring Manuel competed in track and was a member of the mile relay team that broke the school record.

Manuel's greatest interest is in athletics. He enjoys the various sports in our school and especially likes the great amount of time that is devoted in preparation for a sport. In Chile, there were not as many sports and only one week was devoted to preparation.

Manuel graduated on June 10. He was not permitted to participate in sports during this past year because of his age.

Weight lifting is a favorite past time for Manuel and he is so proficient at karate that he can teach it. He likes our system of education because it is more free and there are greater choices, but he does not like our system of eating three meals a day. The Chileans eat four meals a day and don't get as fat as Americans.

Manuel was accepted by Western College, Eastern Michigan University, and Siena Heights, but he chose Siena Heights and will pursue the field of medicine or chemistry. Congratulations!!!

The 25th Wedding Anniversary of Rev. and Mrs. Ralph Janofski will be observed Sunday, July 1st from 2 to 5 p.m. at the parsonage of the Iron Creek Community Church, corner of Sharon Hollow and English Rd.

The Janofskis were married at Flint, Michigan on July 2, 1948 by Rev. C. E. Stace of the Wesleyan Church. It is expected that the complete wedding party will be present and there will be a brief program and renewal of the wedding vows at 3 p.m. in the Iron Creek Church.

All are welcome to attend and

share the enjoyment of this occasion with the Janofskis who have been pastoring the Iron Creek Church for the past five and a half years, and have been in the ministry continuously for the past twenty three years.

## 96th Annual Alumni Reunion

The 96th Annual Alumni Association Reunion of the Manchester High School was held at the Manchester United Methodist Church on June 16, 1973 at 7 P.M. with approximately 160 present.

Following a delicious family style Swiss Steak Dinner served by the Methodist ladies, the meeting was called to order by President L. V. Kirk. The minutes of the 1972 meeting were read and approved.

Mr. Kirk commended Mr. Steele on the edition of the Enterprise which was sent to all Alumni members and the 1972 graduating class. He also thanked the officers who had served with him as well as Lynn Voegeding for printing stickers with names of Alumni members.

The treasurers report was given and it was reported only \$20.50 was in the treasury at the beginning of 1973. Several donations were made by Alumni members and plates were passed at the dinner for a collection. So expenses were met and approximately \$30.00 was left in the treasury for 1974.

The nominating chairman, Guy Little read his slate of officers for 1974 as follows: President - Edward Galloway, Vice President - Dick Krzyzaniak, Treasurer - Elaine Johnson - Steele, Address File Chairman - Ethel Brown, Record Secretary - Margaret Lowery-Trolz, Correspondence - Constance Evisitzer-Petsch, Trustee 3 year - Frank Brown, Nominating Committee Chairman - Margie Guenther - Blumenauer.

Mildred Wurster made the motion that the slate of officers be accepted and a unanimous ballot be cast. Seconded by Louis Vogel. Motion was carried and the business meeting was adjourned. Mr. Kirk then introduced Louis Vogel as toastmaster.

Musical selections by several members of the Varsity Choir, eleven Continued on page 2

## Receives Promotion

Marine Lance Corporal Michael J. Steele, son of Mr. and Mrs. Edward E. Steele of 305 Beaufort St., Manchester, Michigan, was promoted to his present rank while serving at the Marine Corps Air Station at Cherry Point, North Carolina.

He was a 1971 graduate of Manchester High School and entered the service on March 15, 1972. His basic training station was in San Diego, California. He attended Supply School at Camp Le Jeune, North Carolina.

## ATTENTION SPORTSMAN

The Manchester Sportsman Club will hold their meeting Thursday, June 28 at 8:00 pm. All members are urged to attend.

## Attends State JC Meeting

Manchester Jaycee President, Ron Mann, conferred with Michigan State President Dick Robinson, at the Waldon Woods Conference Center this past month.

Both Dick and Ron are planning a very successful and civic minded year.

The Manchester Jaycees were tops in the State of Michigan for their civic, municipal, and benevolent undertaking during the 1972-73 Jaycee year. Now, President Mann, is planning

an even more successful and dynamic program for the 1973-74 Jaycee year, in hopes of leaving a lasting imprint on the entire United States Jaycee organization.
