CAR SAFETY CHECK LIST

Some states or municipalities have regulated systems of mandatory periodic car-safety checks. But in areas where there are no such programs, you're on your own in making sure your car is road-worthy—and safe.

Keep the following safety check list handy on visor or in glove compartment. Use a pencil to check each item, enter the date, and erase and up-date during your next "check-up."

Your service-station dealer will be happy to assist in checking some items, like spark plugs, hoses, muffler and tailpipe. and brake fluid level.

Date_ Mileage _ ☐ Lights ☐ Tires; wear/pressure □ Oil ☐ Wipers/washer fluid ☐ Brakes ☐ Heater/air conditioner Fan belt Air filter Seat belts ☐ Battery ☐ Water/hoses/coolant ☐ Turn signals/brake lights Steering wheel for proper play

Dutch Beat Addison

basketball technique that enabled Clinton to defeat the Dutch, I've been concerned if Manchester would be up mentally and physically for their showdown with undefeated and league leaders Addison. Upon entering Panther country I observed a sign stating "Bomb the Dutchmen". The Flying Dutchmen proved to Addison why they are definite league conference contenders by troun-

had come to play ball as Addison never really threatened after the opening tip. The score at the end of the first period was Manchester-17, Addison-10. In the second period of play each team added 18 points so the half time score stood Dutch-35, Panthers-28. John Savage led the Dutch scoring in the second period with 8 points while Dean Decker added 6 points. The Dutchmen's tight zone defense stifled the Panthers throughout the game. The Addison team has averaged 80 points a game (40 a half) but were held to only 28 points in the first half and 50 points overall. Multiple turnovers occurred in the third period as neither

in Ypsilanti, Mrs. Jeannette Briegel, chairman of the Washtenaw County Chap Savage tallied all 8 points for the ter, introduced members of the executive board and Mrs. Nancy Salowitz, county campaign chairman, introduced area Dr. Arthur Bloom, co-director of the March of Dimes Birth Defects Diagnostic Program at the Holden Perinatal

Research Center, University of Michigan Medical Center, was the keynote speaker of the evening. Dr. Bloom spoke on the progress made in the past year in the March of Dimes diagnostic program and of the problems that yet remain in the field of preventing birth defects. His speech was illustrated with slides. The county-wide Mothers' March set for January 21-28, and area volun-

nival, pony pull association, and others, teers are now finalizing their plans for the door-to-door march. On January 26, The secretary of the Board will be attenda radio auction will be held at Briarwood Shopping Center, and throughout the county home auctions, coffee hours and cilent auctions are being planned. This is in addition to the fashion show which will be held on Saturday, February 2, at the Ramada Inn, downtown in Ann Arbor. All proceeds from the fund drives go oward the March of Dimes fight to prethis expansion in the poultry and watervent birth defects.

National JC Week January 20-26

WHEREAS, the civic bodies and ervice organizations of our Community and the departments of the local Gevernment recognize the great service rendered to this Community by the Manchester

laycees, and WHEREAS, The United States Jaycees, The Michigan Jaycees, and its affiliated local organizations have set aside the week of January 20 - 26, 1974 to observe the founding of the Jaycees (and to commemorate such founding by the selection of an outstanding young man in this Community as the recipient of the Distinguished Service Award), and

WHEREAS, this organization of young men has contributed materially to the betterment of this Community throughout the year,
THEREFORE, I David L. Little,

Mayor of the Village of Manchester, do hereby proclaim the week of January 20 - 26, 1974 as JAYCEE WEEK and urge all citizens of our community to give full consideration to the future services of the Jaycees.

Signed, David L. Little

by Jon Roger Hardenbergh Since last weeks poor display of

cing the Panthers, 63-50. It was clearly evident the Dutch.

team could hold on to the ball. Only 6 points were scored by Addison while

Dutch. The scoring was fairly even in the fourth period as Addison scored 16 points, to the Dutchmen's 20 points The Flying Dutch leveled the Addison Panthers, 63-50. Savage led the Dutch offense scoring 21 points, grabbing 6 rebounds. Scott Gormley added 14 points and shared rebound honors with Decker, 9 each. Decker and Rich Kennedy pumped in 10 points apiece. Bruce Cray filled in as a starter and scored 6 points and grabbed 7 rebounds The Dutch had more turnovers than Addison 21-16, but Addison's failure capitalize helped the Dutch. Addi son pressed the entire game but this only caused 1 mistake that amounted

nothing. Manchester now shares the eague lead with Addison and Onsted. all having 4-1 records. The Little Dutch bettered their

ecord 3 wins, 2 losses with a closely ought battle, winning 51-48.

The Dutchmen host Onsted Friday. Insted is also a strong contender for the conference championship. They have beaten 2 league teams Manchester also beat, both losing to Clinton.

Engagement Announced

Mr. and Mrs. Elwyn Gieske of 02 Exchange, Norvell, Michigan are nnouncing the engagement of their laughter, Susan Marie Gieske to Thomas harles Vogt, son of Mrs. Margaret Vogt and the late August Vogt of Jackson

The couple are planning a March 2. 1974 wedding.

Judge Ross Campbell **Guest Speaker**

The January 17th General Memberhip meeting of the Manchester Javcees will highlight Judge Ross Campbell, a former Probate Judge and for the past four years a Circuit Judge of Washtenaw County. Judge Campbell is a graduate of West Point and the University of Michigan Law School.

Judge Campbell's subject will be the Early History of Washtenaw County. Judge Campbell has long been interested in the subject of local history as his family settled in our county in 1826.

A slide and visual presentation will be used by our guest and all Jaycees are encouraged to attend this interesting and educational program. See You All on

Scouts To Have Paper Drive

Manchester Boy Scouts are set for mammouth paper drive. The entire community will be canvassed the forenoon of February 2, 1974.

So please save your newspapers and magazines, if they are tied in bundles it will make it much easier for the scouts to handle.

A truck will be centrally located with pickup trucks going out to each street covering the entire town. If you do not live in the village. papers may be brought to the loading

Due to the gas crisis it would not e to our advantage for us to drive very far out in the country, the fringe areas will be covered in most cases.

For further information call, 428-7672 Alfred A. Sannes, 428-8600 James E. McEwan, 428-3291 Robert L. Armen-

Klager School Winter Party

Parents of Klager School will be aving a Winter (roll-up) Sleding Party on Saturday evening, January 26th at 6:00 p.m. This program will feature (CHILD_PARENT) winter activities, topped off by hot chocolate and refreshments. All parents of Klager children are encouraged to bring the entire family for an evening of fun. There will be a bonfire so bring your own hot dogs for roasting. All children must be accompanied by parents.

Further information regarding this function may be obtained by calling 428-8802 (Mrs. Rosemary Hughes) or 428-7174 (Mrs. Barbara Kennedy).

NEW PROPERTY TAX FORMS TO BE EXPLAINED TO SENIOR CITIZENS

A representative from the Michigan State Department of the Treasury will be at the Emanuel Church Hall on January 30 at 1:30 to discuss the new property tax forms. Senior citizens, veterans, the blind and other interested persons are welcome to attend,

The Michigan Homestead Property tax credit has changed this year resulting in more senior citizens being eligible for a tax refund.

If you need or will provide transportation, please call 428-8289.

SINGLES 25 AND UP

Come on along and mingle with the Tuesday Nite Singles of Ann Arbor at the YM_YWCA on January 22 and dance to the music of the Suburbanites from 9 to midnight. Refreshments are served. Dance instruction from 7:10 and 8:10.

Community Chest Meeting

The Manchester Community Chest Board of Directors met on Thursday. January 10, to formulate plans for their annual meeting which will be held on Wednesday, February 6 at 7:30 PM in the Manchester High School.

At the annual meeting, four Board members will be elected for 3 year terms, to serve on the twelve member Board. Members whose terms are expiring are: Mrs. D.D. Ludwich, Douglas Pri ce, Robert Ross and Louis Vogel. Robert Swartz will head the nominating committee aided by Clarence Fielder and Luther Klager.

All agencies that are included in the Community Chest budget will be asked to be represented and give 1973 reports on their activities in our area.

As we are all members of our Community Chest, we invite you to be present. At this meeting with the agency representatives, it is the time to ask those questions which you've often wondered about. Please come and get those

The United Way of Michigan Budget Conferences will be held at the Kellogg Center in E. Lansing on April 30 and May 1. Mrs. F.M. Reck and Robert Ross will represent Manchester at this 2 day conference.

Let's continue Caring - Sharing!!

Twentieth Century Stock Fund, Investors Variable Payment | Shakespeare Club Club Meeting

The Twentieth Century Club met t the home of Mrs. Harry Krauss for the first meeting in 1974.

A contribution of \$25.00 was voted for the March of Dimes campaign. Plans were begun for a Valentine Party the club will host for the Marathon Bridge players of the area. Invitations will be going out soon for a party February 14 at the Emanuel Church of Christ Fellowship Hall. Mrs. Chester Koceski is chairman of the event.

The County Federation of Women's Clubs will meet January 21 at St. John's Library in Ypsilanti. The program will be given by a diamond cutter. Mrs. Theodore H. Tapping, Jr., club president will be attending and members may contact her for transportation to the

DUTCH FALL IN NON-LEAGUE CONTEST

season, January 10, The Hudson Tigers proved to be a bit much as they defeated our Dutch, 24-16. The Dutchmen, as Saturday, January 12, saw the Champs of the 2 last consecutive years, Dutch challenge the Irish from Ann Arbor St. Thomas. The Irish are a high ranked class D school in the state Steve Gross led the Dutch wrestlers out (1 or 2). The Irish have seen 7 oppoto face the Tigers of Hudson. Manchest lost some key players from graduation and also lost their coach. The new nents get crushed by their team so far this year. The irish have run over all foes easily but Manchester was detercoach, Wayne Jackson, will have to re-

mined to change that. Manchester lost the jump in the first period and the lead by 4 points, so and Brian Merriman (105 lbs.) both going the score was St. Thomas-18, Manchester-14. The Dutch fought back in the second period with John Savage was Hudson-6, Manchester-0. The next scoring 8 points and Bruce Cray adding 6 points. Cray and Rich Kennedy each had point producing steals with Savage blocking 2 shots. The Dutch left the court at half time 2 points down, 38-36. The third period saw the Dutch fight harder with Dean Decker scoring 6 points and Kennedy adding 4 points. The Dutch had tied the score at 50-50. As the Manchester team stepped on the court to start the fourth period, the capacity crowd gave them a well de-Young (126 lbs.) lost a decision so Hudserved standing ovation. After 2 minutes had elapsed the Irish's big man, Len Lillard, fouled out having scored giving the lead back, Dutch-10, Tigers-18 points. I thought this might be the 8. Gross won his decision 15-0. When break the Dutch needed. St. Thomas was able to hold a slight lead regardless. lost by decision giving the lead back to Hudson, 12-10. Greg Bertke (145lbs.) Manchester had 2 excellent opportunitie to go ahead but Savage and Scott Gormley failed to capitalize on one and one situations from the free throw line. In the final period Bertke proved he was With 2 minutes left and the Irish up by boss as he nearly pinned his man several four, the St. Thomas team went into stall, with Manchester having to foul to get the ball. The Irish free thrower sank 2, putting them up by 6 points. Rieneck (167 lbs.) both lost to decisions I thought it was over because there was 33 seconds left. The Dutch didn't

agree as in these 33 seconds they scored points, scaring the still undefeated Thomas team and fans.

The luck of the Irish was flying to high for the Flying Dutchmen who fell 62-60. It was Decker playing hi-scorer with 16 points. Savage and Cray played an excellent game each pumping in 12 points. Savage had Len Lillard as his counterpart which he handled well, obtaining no fouls and grabbing 7 rebounds. Cray had some important assists and 7 rebounds. Kennedy and Gormley added 10 points apiece. The Dutch had less turnovers 16-18 scoring

on 3 Irish turnovers. The Junior Varsity lost, 59-53. After seeing the capacity crowd and the valiant try the Dutch made, am proud of the team and fans.

TH GRADE BASKETBALLERS OPEN SEASON WITH VICTORY OVER CLINTON

Fine shooting and good rebounding for shorter Dutchmen team spelled doom for Clinton's 7th grade basketball team

Coach Larry Steeb's team took alo less shots than Clintons taller team, but they also made alot more as they crushed Clinton 46-26 in each team opener. Brian Evans led the Manchester am with 20 points while Bob Weirich

and Rick Krzyzaniak both contributed 4 points and 10 rebounds apiece. Also scoring for the Dutchmen team vere Mike Lentz (4 points), Doug Strong (4 points), Craig Rogers (4 points), Tom Tassie (2 points), Bob King (2 points) and Mike Lehr (2 points).

Thursday, January 17, 1974 8TH GRADE BASKETBALL TEAM NIPPED

Curt Fielder's 32 points weren't quite enough as Coach Bill Symon's 8th grade team fell to a balanced Clinton

The Dutchmen team experienced foul trouble early and most of the 4th period played without 3 starters who fouled out.

Tom Little chipped in 9 points

for the Dutchmen while Dan Turvey and Mark Guenther had 2 points apiece. Scott Barber added 1 point to the cause.

THE VALUE LEADER

Michigan Farm Bureau

Last year, Americans brought a real boom to the home freezer market when they purchased every one in sight to store beef. This was before the price freeze on beef was lifted and there was fear that prices would sky-rocket. They didn't, however, which proves again that you can't mess with the law of supply and demand.

If that situation caused panic, it was nothing compared to the fear last year when the United States put a temporary embargo on soybean exports.

It was reported that thousands of Japanese homemakers rushed to the stores to buy scybean-based foods which are the chief sources of vegetable protein in the Japanese diet. A Japanese family seldom sits down to eat without soya sauce and soybean curd on the table, and no more soybeans from the U.S. created fear that their daily diets were threatened. This was not too surprising since American farmers furnished more than 92 percent of the over three million tons of soybeans Japan imported in 1972.

Since the embargo problem has been solved, and shipments of soybeans are continuing again, a look back at the action reveals some good that may have come out of it. Susumu Matsuoka agricultural attache from Japan, spoke to farmers in Nashville, Tennessee, recently and pointed out that both Japanese and American citizens now realize the importance of export sales to Japan, both from the standpoint of survival and economics.

"We have people in Japan who never realized before that soybeans, which they eat daily, were coming from the United States. Likewise, I'm sure that many Americans did not realize that you were selling to us such quantities of soybeans at an annual rate of more than 600 million dollars.

"This new interest and knowledge will, in the long run, surely provide a climate in which stronger and better ties between our countries can be estab lished. As in the case of the chicken and the egg, I don't know which comes first -- a stable and dependable import market or a stable and dependable export market. However, the essential

TO THE ELECTRIC CUSTOMERS OF CONSUMERS POWER COMPANY

NOTICE OF HEARING ON AMENDMENTS TO RULE 13 and RULE 14 (D) OF CONSUMERS POWER COMPANY'S STANDARD RULES AND REGULATIONS

On August 2, 1973, Consumers Power Company (the "Company") filed an application with the Michigan Public Service Commission in Case No. U-4399 which requests authority to amend Rules 13 and 14(D) of its presently effective Standard Rules and Regulations (MPSC No. 7 - Electric, Consumers Power Company). The Company states in its application that Rule 13 relates to electric overhead distribution line extension policies and Rule 14(D) relates to electric underground distribution line extension policies. The Company also states in its application that the cost of construction of both overhead and underground electric distribution line extensions has greafly increased. However, the Company's presently effective Rule 13 and Rule 14(D) do not reflect these increased costs. Accordingly, the Company proposes to amend such Rules to reflect the current costs of constructing such facilities.

As set forth in proposed Rule 13, the Company proposes to amend the conditions under which applications for electric service which require the construction of overhead distribution line extensions would be granted. Under proposed Rule 13, the Company proposes to decrease the number of feet of single phase overhead electric distribution line which it will construct without deposit for prospective residential

Under proposed Rule 13, the Company would construct single phase electric overhead distribution line extensions for permanent year-round dwellings at its own cost for a distance of 1,000 feet, of which no more than 250 feet is a lateral extension from the main line distribution feeder. Under present Rule 13, the Company will construct such extensions at its own cost for a distance of 2,400 feet. Under proposed Rule 13. the Company would construct single phase electric overhead distribution line extensions for permanent seasonal dwellings a distance of 200 feet, of which no more than 100 feet is a lateral extension from the main line distribution feeder. Under present Rule 13, the Company will construct such extensions at its own cost for a distance of 309 feet for permanent seasonal dwellings. Under proposed Rule 13, electric overhead distribution line extensions in excess of the proposed free allowances would require an advance deposit of \$1.30 per lineal foot, plus a nonrefundable contribution for estimated tree trimming costs for such excess footage. Presently, Rule 13 requires an advance deposit of 40 cents per lineal foot for electric overhead distribution line extensions in excess of the free footage extension and does not require a contribution for tree trimming costs.

Under present Rule 13, the Company would construct single phase overhead electric distribution line extensions for commercial and industrial customers at the Company's own cost where the length of such an extension does not exceed five lineal feet of distribution line for each dollar of estimated annual revenue to be received from the customer or customers to be served. Rule 13 presently provides that extensions made beyond this free footage allowance require a deposit, in advance of construction, of 40 cents per lineal foot. Under proposed Rule 13, the Company would make such extensions without customer deposit when the cost thereof does not exceed three times the amount of estimated annual revenue to be received from the customer or customers to be immediately served when the extension is completed. Extensions in excess of this free allowance would require an advance deposit in the amount by which the estimated construction costs exceed the free allowance.

, The Company proposes no change in the present treatment of overhead electric three phase extensions and primary extensions.

The Company also proposes to amend Rule 14(D), relating to its electric underground distribution extension policy.

Under proposed Rule 14(D), the Company would construct all electric underground distribution line extensions at its own cost when such cost (excluding transformers, services and meters) does not exceed three times the estimated annual revenue to be received from the customer or customers to be served when the extension is complete. Extensions in excess of this free allowance would require an advance deposit in the

amount by which the estimated construction costs exceed the free allowance, less a payment in respect of the difference in cost between overhead and underground extension construction.

Under present Rule 14(D), the Company will construct single phase electric underground distribution line extensions for permanent year-round dwellings at its own cost for a distance of 2.400 feet and will construct such extensions for permanent seasonal dwellings at its own cost for a distance of 300 feet. Presently, an advance deposit of 40 cents per lineal foot for such extensions in excess of the free footage extension, plus a payment in respect of the difference in cost between overhead and underground extension construction, is

Under present Rule 14(D), the Company would construct single phase underground electric distribution line extensions for commercial and industrial customers at the Company's own cost where the length of such an extension does not exceed five lineal feet of distribution line for each dollar of estimated annual revenue to be received from the customer or customers served. Presently, an advance deposit of 40 cents per lineal foot for such extensions in excess of the free footage extension, plus a payment in respect of the difference in cost between overhead and underground extension construction is required.

The Company proposes no change in the present treatment of underground electric three phase extensions and primary extensions.

Under both proposed Rules 13 and 14(D) the Company proposes to change the manner in which refunds of deposits made with respect to extensions other than three phase and primary extensions are

In addition to the foregoing, other changes to Rules 13 and 14(D) were also proposed by the Company. The application of the Company in Case No. -U-4399, together with copies of existing and proposed Rules 13 and 14(D) are available for public inspection at the offices of the Michigan Public Service Commission. Law Building, Lansing, Michigan 48913 and at each local office of Consumers Power Company.

The Commission has scheduled hearings on the application in Case No. U-4399 and has ordered that notice be given that

A. A public hearing will be held at 9:30 a.m. on January 31, 1974 in the offices of the Commission in the Law Building, Lansing, Michigan 48913, for the purpose of determining whether, or in what form, Rule 13 and Rule 14(D) of Consumers Power Company's Standard Rules and Regulations should be approved by

B. Any party seeking to intervene in this proceeding, in accordance with Rule 11 of the Commission's Rules of Practice and Procedure, shall file with the Commission, at least five (5) days prior to January 31, 1974, an original and six (6) conformed copies of the petition to intervene, together with proof of service upon Consumers Power Company.

C. PROPOSED RULES 13 AND 14(D) DESCRIBED IN THIS NOTICE ARE IN THE FORM REQUESTED BY CONSUMERS POWER COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER AUTHORIZE THEIR ADOPTION IN THE FORM REQUESTED, DENY THEIR ADOPTION OR MAY ORDER THE ADOPTION OF NEW RULES 13 AND 14(D) IN A FORM DIFFERING FROM THAT DESCRIBED HEREIN.

LETTER TO WATER CUSTOMER

The Division of the Michigan State Health Water Supply, Bureau of Environmental Health, requires each Public Water Department to make inspections for cross connections to the public water

A cross connection is where water can return to the public supply after leaving the public system and being exposed unknown health hazard.

Inspections at all properties shall be made and the order shall be based on potential health hazards established by the Public Works Department of the Village of Manchester and Michigan Department of Health.

The owner of the property inspected shall take all precautionary measures necessary and furnish all devices needed to eliminate any danger to the public

Frequency of reinspection shall be based on potential health hazards.

Standing Committee reports were read by the various chairmen. The Community Service Chairman gave the following report: Two local hospitalized veterans were remembered with gifts at Christmas. Twenty Shut-In Boxes were delivered to local citizens and twenty service men were remembered with Christmas cards and gifts.

Three Auxiliary members worked at the VA Hospital Gift Shop helping with the gift program in December.

The Unit voted to send one girl to Girls State June 16-23. The program will be held at Olivet College and registration is due February 1. The Unit also voted a donation to the March of Dimes and will send two subscription copies of the National Legislative News Bulletin to the VA Hospital in Ann Arbor.

Mrs. Robert Popkey will head the January Jaycee Dinner Committee. Mrs. Philip Kern will serve as Good Cheer Chairman for the coming month,

The next regular meeting will be held on Wednesday, February 13 and Mrs. Ronald Whittington and Mrs. Harry Sutton will serve as the lunch committee for this meeting.

Mrs. Donald Sucton's name was drawn for the door prize. Following the meeting Mrs. Max

Walter served dessert. REMINDER - Hospital equipment; rutches, walkers etc. are available for oan to the Community by the Auxiliary. Anyone needing such equipment is as ked to contact Mrs. William Hainstock phone

The Auxiliary also has note paper, place mats and two year panning cal-endars available. For information conact Mrs. Hainstock.

was to be voted on at this meeting and as read by Dorothy Burch. It was oved by Ambrose Lentz and seconded Dorothy Eurch that this ordinance be dopted. It should be published in the

nterprise Dec. 20, 1973 and a copy ealed in the township minutes book. The following township board mem pers voted for the adoption of the ordinance. Ambrose Lentz, Dorothy Burch and Waldo Marx. Lyle Widmayer was

vas passed by a vote of 3 votes for and

It was moved by Ambrose Lentz and seconded by Dorothy Burch to have the Manchester Township Board give the Manchester Planning Commission authorit o work with Washtenaw County to draw up a Specific Subdivision Ordinance for Manchester Township. Motion was carried.

At the regular meeting of the Organization of Townships held on Nov. , 1973 the following action was

Moved by Supervisor Brandon and ipported by Supervisor Hayes that each member township contribute an initial ump sum of \$300.00 to be used as a legal fund for the continuation of the appeal of the S.T.C. decision by the townships of Washtenaw Co. and further that the officers of the organization be

instructed to encourage similar initial contributions from the three cities and the County Board of Commissioners who have joined in the appeal. Motion was approved unanimously.

The motion was made by Ambrose Lentz and seconded by Dorothy Burch that the Township of Manchester send a check for \$300.00 payable to the Organization of Townships of Washtenaw County -"legal fund" and mail it to The Organization of Townships of Washtenaw County c/o Robert A. Lillie, 701 W. Ellsworth Road, Ann Arbor, Michigan 48104. Motion Carried.

The 21st Annual Convention of the M.T.A. will be held on Jan. 9-10-11-1974. It was moved by Ambrose Lentz and seconded by Waldo Marx that we pay the \$30.00 registration fee necessary to send Supervisor Clarence Fielder as a representative to the Michigan Township Association Convention at Kalamazoo. Motion carried.

There being no further business the eeting was adjourned. Waldo C. Marx, Township Clerk

Onsted, 72-52. by Jon Roger Hardenbergh
This week saw the Flying Dutchmen On Friday, January 25, the Dutchmen take on the Grass Lake team (in take on another league opponent, both the Onsted Wildcats and Manchester are Grass Lake) for the second time this season. The first meeting will be long tied for the first spot in the conference

overs to Onsteds 24.

remembered as the Dutch opened their season by running over Grass Lake, 81-27. I'm sure Grass Lake would like to

redeem themselves by upsetting the

Front row: John Savage, Scott Gormley, Rich Kennedy, John Wallace, Bruce Cray, Mgr. Dan Popkey. Middle row: Chris Gregerson, Paul Tassie, Dean Decker, Mark Feldkamp, Kurt Kensler. Back row: Coach, Brian Schick, Scott

The Little Dutch easily defeated

14 points respectively. Manchester

anced scoring attack with 17 points and Dutchmen. Grass Lake has a league record of 0 wins and 6 losses. The Manandled the ball well having only 8 turnchester J. V. team will be looking for evenge as the Grass Lake J. V.'s beat the Little Dutch by 1 point in the final

seconds of the November contest. As you know Manchester was tied for the Conference lead with Onsted and Addison. Well, Manchester took care of Onsted and thanks go to Hudson for up-setting Addison. Now our Dutchmen are in sole possession of first place in the Lenawee County Conference.

School Board To Ask For New Facilities In The Spring

The Manchester Board of Education will be asking for citizen's approval of a new addition to the Luther C. Klager Elementary School sometime in late March or early April. At the same time the Board will also be asking the district's residents to approve a new athletic field on the Klager site.

With the district's elementary classneed for additional elementary classrooms Also, if the new rooms are approved the fifth grade students presently housed in the Middle School will be transferred to the Klager School thus permitting the sixth, seventh and eighth grades to grow n the Middle School.

The proposed building addition consists of ten classrooms, an all purpose coom to be used mainly as a gymnasium an additional kindergarten room and emodeling within the existing building to provide space for additional library cilities and art and music.

Several years ago a start was made on a new football field and track facility. Rough grading for these areas was made cossible with funds from the Manchester Chicken Broil Project. Since that time

a number of people have petitioned the Board of Education to complete this project, consequently the Board decided to place it on a ballot in order that the people of the district might have an opportunity to decide on this facility.

Indications from the school district's onding attorney show that both the classroom additions and the new athletic field coms filled to capacity there is an urgent can be accomplished with a small amount of millage. It is estimated that both ropositions can be completed for appromately 1.9 mills of additional levy. The total debt retirement levy for the district at the present time is 3,27 mills and this amount will decrease on the

At the present time the Board is nviting organizations within the district o provide representatives to serve on a citizen's advisory committee. The purpose of this committee will be to help the Board relate its needs and plans to he community.

The Kingscott Architectural Firm who designed the original Klager School is also working with the Board on these

March of Dimes Mother's March

Beginning Monday (January 21st) and continuing throughout the week, Manchester March of Dimes Mother's March Chairman Mrs. Everett Bailey reminds you that county and village mothers will be marching door-to-door asking for contributions to help the March of Dimes in its fight against birth defects.

County workers have been busy for the past month lining up volunteers, amassing materials, attending information meetings and preparing carefully so that no house is missed and everyone is given the opportunity to contribute to this campaign.

Each marching mother is aware that the annual Mothers' March contributed the largest single source of funding for research, education and medical service programs for the March of Dimes' campaign against birth defects. The need for such a campaign is emphasized by the knowledge that each year approximately 250,000 children are born with

The March of Dimes Foundation works throughout the year sponsoring educational and community service programs to inform the public about snown means of birth defects prevention. MOD's goal is to make the public aware of the need for better prenatal and perinatal care -- this is medical care during the months of pregnancy and the weeks just before and after birth. These are the critical times for every mother and

Genetic counseling and medical esearch are some of the modern means used to combat birth defects. Intensive care also is offered to the critically ill ewborn child.

March of Dimes and its marching nothers remind us all that birth defects re forever -- unless we help.

March of Dimes Balloon Sale

On Saturday, January 26th, the Jolly Farmerettes 4-H Club will conduct their annual March of Dimes Balloon Sale. Warming station for the girls and the use of the air pump facilities will again be provided by Grossman-Huber. Many thanks to Rollie and Red from March of Dimes.

The March of Dimes Coffee Day at Donut Time U.S.A. netted \$35.68. Mr. Bob Beaubien's guess of \$35.73 won him a cup of coffee and a donut each day for the week of January 21 thru 26. Lowest guess was \$8.43 and the highest \$54.70 among the sixty-one contestant entries.

Congratulations to Mr. Beaubien, our thanks to all who participated and a special thanks to Mr. and Mrs. Charles King at Donut Time U.S.A.

Trickey's and March of Dimes 50-50 drawing tickets are available at Trickey's from Mrs. Bob Nickels at 428-8632 on several March of Dimes volunteers. Drawing date is January 31.

Engagement Announced

Mr. and Mrs. Raymond H. Cousino announce the engagement of their daughter Rita Grace to Mr. Claran W. Knauss III, the son of Mr. and Mrs. Claran W. Knaus Jr.

Both are 1969 graduates of Manchester High School. A late June wedding is being
