Ted Stautz Receives DS Award

President Ron Mann (right) presents Outstanding Citizens Award to Ted Stautz.

Left to right: Len Minor, President Mann and Mark Roberts.

John Schable receives Jaycee of the Month Award.

The Manchester Jaycees held their Annual Bosses Night on Friday, February 8th at the Polish Falcon Hall. Guest Speaker for this year's program was the Honorable John Swainson of the Michigan Supreme Court. Judge Swainson counseled the young men and the bosses on the need for court referendum in Michigan. This year's program was further highlighted by the presentation of State Jaycee Vice President Jim Curley who awarded the Michigan State Jaycees President's membership Award to Mark Roberts and Len Minor for the extension of membership

in the Jaycees to new young men in Manchester. The Outstanding Citizens Award for District Service went to Theodore "Ted" Stautz for his services to Manchester through Scouting, Church, City Council, Fair Board, and the Optimist. Ted Stautz is an outstanding and accomplished businessman in Manchester who has a native son who has devoted his life to service for others.

Manchester Jaycees under the leadership of President Ron Mann have continued to achieve the high goals of leadership through community service.

"Teller For A Day"

Jim Herrington of TV Channel 7, works at being "Teller for a day", at Union Savings Bank of Manchester. Working at the window with Ron Walters, with two cameramen busily filming each transaction, Mr. Herrington successfully served many Manchester Residents. To see yourself or your friends on television watch the newscast on Channel 7, at eleven p.m. on Wednesday, February 20th, which is the presently scheduled date for viewing.

Mexican Market Day

All the students participated and brought in a fantastic and variety of articles, sea shell to luscious cookies, and cactus plants, typical of any market some items were red hot sellers, others slow. All the students made a profit both educationally and monetarily and from the comments it seemed as though they were doing very well.

The project came to real life as the crafty merchants with their interesting displays matched wits, with the haggling bargain hunters, thus proving to be a very successful and highly rewarding educational and learning experience.

From the comments of students it was great, they were exhausted and had that

great look of happiness, satisfaction and day well spent.

Jaycees Tip-Up Festival Feb. 16-17

The Manchester Jaycees will host their Annual Tip-Up Festival at Wampplers Lake on Saturday and Sunday, February 16 and 17th.

Fishing Contest starts Saturday morning till Sunday evening at 5 p.m. where prizes will be awarded for the biggest fish. Tickets are available at Wampplers Lake, Union Savings Bank and your local Jaycees for \$1.00 each.

In addition to the fishing contest food and refreshments will be available at the Dairy King.

The highlight for the Sunday program will be snowmobile games featuring slalom, clover leaf, and flag race with trophies being awarded for the different events. There will be plenty of fun and games for the entire family and at the same time to support a civic and social organization achieve community improvements.

Glass Recycling Bin Relocated

The Manchester High School Ecology Club announces a change in the location of its glass recycling service. The storage bin, formerly located on the High School grounds, has been moved to the Village Transfer Station north-east of Manchester on Parr Road.

BOARD OF EDUCATION

The regular meeting of the Board of Education was held in the High School Library on February 11, 1974 with all members present. Also present were Superintendent Swartz and Principals Koceski, Tapping, McGuire and Tassie, Mr. Douglas Price, Mrs. Susan Davis and three members of the German Club. President Klager called the meeting to order at 8:00 p.m.

The minutes of the previous meeting were accepted as recorded.

The Statement of Revenues and Expenditures was reviewed. Lou Vogel moved, supported by Don Walter, that we accept the financial statement as presented. Motion carried.

Mrs. Davis and members of the German Club presented a proposal to sell containers to raise money for their German trip. The cost of the container will be \$3.00 with \$1.00 as profit. Lou Vogel moved, supported by Gene Bentschneider, that we permit the German Club to sell these containers for a period of three days. Motion carried.

Lou Vogel moved, supported by Reno Feldkamp, that all bills be approved as presented. Motion carried. Two letters were read approving our

special election. (Letters on file.)

Don Walter moved, seconded by Jim Walkow, that the resolution to call the special election on March 26, 1974 be signed by the secretary. Motion carried. Buses for the coming year were discussed. McFadden Corp. offered buses at last year's prices from their pool. Two Ford chassis were considered. Reno Feldkamp moved, supported by Don Walter, that we accept the proposal of two new Ford buses from McFadden Corp. Motion carried. The bus committee will meet to consider keeping the newer buses and trading in older ones.

Disciplinary procedures in the school system were outlined and presented to the board. Ted Tapping presented the policy of the Middle School. Chester Koceski reviewed the policies at the High School level and procedures that are followed when a student is disciplined. The Board went into executive session. A discussion on probationary and tenure appointments was held.

Gene Bentschneider moved, supported by Jim Walkow, that the salaries agreed upon previously for the administration be accepted as stated. Motion carried.

The bus situation on Sylvan Road was discussed.

President Klager reported on the meeting held to discuss the possibility of establishing some career studies for students of this county.

Meeting adjourned.
Andrew Luckhardt, Secretary

The Christian Education Committee will meet Wednesday, January 20, at 7:30 p.m.

Township Report

The regular meeting of the Manchester Township Board was held at the Village Hall on Monday, January 14, 1974 at 8 p.m. Members present were Fielder, Widmayer, Lentz, Burch and Marx.

The minutes of the last regular meeting held at 8 p.m. December 11 was read by the Township Clerk.

It was moved by Widmayer and supported by Lentz that the minutes be approved. Motion carried.

The following bills were then presented for the township board to approve. L. Manchester Enterprise Printing litter ordinance et. \$25.00.

2. Spears Fire & Safety Service Inc.

\$21.87.
3. Earl Alber Fire dept supplies \$119.35.
4. Fire Chief Magazine \$7.50.

5. Roesch, Delhey & Schaberg 1973 Legal Matter \$1,750.00.

6. L.V. Kirk light bulbs \$2.85.

7. Premium Adjustment statement Township Property \$12.00.

8. Grossman Huber gas for fire dept. \$17.00.

It was moved by Lentz and supported by Burch that these bills be paid. Motion carried.
At the December 12, 1973 meeting of the Washtenaw County Metropolitan Planning Commission action was taken on two zoning referral cases in Manchester Township planning commission for denial of both cases.

On January 14, 1974 these 2 cases were presented to the Manchester Township Board.

Case #2-104-73- It was moved by Widmayer and supported by Lentz to deny changing of zoning of I 1 Industrial and tabling parcels to be zoned B I General Business for more information. Motion carried unanimously.

Case #2-105-73- It was moved by Widmayer and supported by Lentz to deny rezoning of 5 acre parcel along U. S. 12 from A-1 Agriculture to I-1 Industrial. Motion carried unanimously.

The quarterly financial report of Dorothy Burch Treasurer was then read. It shows that the tax collections are coming in very satisfactorily.

Moved by Lentz seconded by Widmayer that the complete financial report be approved.

Constable Lyle Moore was present. He had been at the State Constable Seminar held at Kellogg Center M.S.A. He reported on some of the questions discussed.

There being no further business the meeting was adjourned.

Waldo Marx, Clerk

WASHTENAW COUNTY MEDICAL AUXILIARY MEETING

The Washtenaw County Medical Auxiliary Meeting will be held February 20 at 9:30 a.m. at the Juvenile Court Center 2270 Platt Rd. Discussion of points, to consider in selecting a retirement or nursing home. Visitors welcome.

Volunteers Needed

A group of Manchester citizens, in cooperation with Manchester Family Service and the Washtenaw County Council on Aging, is beginning to organize a driving service; getting groceries, medicine, trips to the doctor, etc., for the elderly or shut-in who often need transportation but do not have a car or other regular means of getting where they need to go. We hope to be able to put together a list of volunteers who could be called upon to help with occasional driving.

An organizational meeting for this driving service will be held on February 20 at 10:00 a.m. at Emanuel church. All interested persons are welcome.

VENTRILOQUIST TO VISIT NORTH SHARON ON MY HEART FOR CHRIST DAY

Sunday, February 17 has been designated "My Heart for Christ" day at North Sharon Bible Church, Sylvan and Washburn Roads, Grass Lake. Gospel Ventriloquist Jerry Reason of Pinckney and his dummy, Eddie, will visit the Sunday School classes at 10 a.m. and church and Junior churches at 11 a.m.

The church has met a goal of 425 persons in attendance for the day, which will be a record attendance for February. A box of valentine candy will be awarded to the child and to the teen or adult who

bring the most visitors. Dumper stickers promoting the church will be distributed.

Free to-your-door bus transportation is available in the Manchester-Pleasant Lake area by calling the church at 428-7222.

Twentieth Century

The regular meeting of the Twentieth Century Club was held Tuesday evening February 5, in the home of Mrs. Rolland Grossman.

During the business meeting plans were given by program committee planning Style Show arrangements for March 4th meeting. The program for the evening was a very interesting talk on antique "Dolls" given by Mrs. Aaron Nathan.

Refreshments were served by hostess and her co-hostess Mrs. Kenneth Furgason.

Shakespeare Club

The Shakespeare Club met Tuesday, February 5 at the home of Mrs. Richard Boatwright. Mrs. Merrill was welcomed as a new member.

The Topic for the day on "The Amish" was given by Mrs. Martin Keasal. There are over fifty settlements in North America of these much misunderstood people. Their mission to Americans, as Apostles of Peace, is to bring healing to a Human Society and to witness to a higher way of life.

The next get together of the club will be "Husband's Night", Tuesday evening February 19 with dinner at 6:30 p.m. and entertainment to follow at Emanuel Church Hall.

SINGLES 25 AND UP

Join a happy group, the Tuesday Nite Singles of Ann Arbor on February 19 at the Ann Arbor YM-YWCA to dance from 9 to midnight to the merry music of the Merrim Combo. Refreshments will be served. Dance instruction at 7:10 and 8:10.

DUTCH BEAT HUDSON

by Jon Roger Hardenbergh

As I was fighting my way thru the snow and cold weather, Tuesday, I thought to myself, I don't like away games for the simple reason that home court and crowd tend to be an advantage. I eased my worries by thinking any squad that's together shouldn't mind what hoop they shoot at. The Flying Dutchmen proved their togetherness by disposing of another League opponent, this time the Tigers from Hudson. The win kept the Dutch in first place in the L.C.A.A. It also marked the fifth straight League victory.

Manchester controlled the opening tip and with an 8 point offering by John Savage jumped to a 7 point lead, 14-7. The second period showed a well balanced offense by the Dutch, as Scott Gormley

scored 6 points, Dean Decker pumped in 5 points, Rich Kennedy offered 4 points, and Bruce Cray and Savage added two points each. Half time score stood 33-24 Manchester. The third period did it again! The Dutch defense held the Tigers to only 10 points, while the offense put the contest out of reach by pumping in 22 points. Third period score, 55-34 Dutchmen. The fourth period was the only jump ball Hudson controlled but it didn't effect the score any. Decker poured in 7 points and Savage added 6 points to end the shellacking of the Tigers with a final tally of 78-51. Savage finished the evening with 21 points and 7 rebounds. Kennedy was next as he scored 17 points. Decker had a big night both offensively with 16 points and defensively as he cleared the boards 11 times. Gormley had 15 points and snatched 9 rebounds. Chris Gregerson added 4 points as Cray and Jeff Wallace offered 2 points apiece. Kurt Kensler ended the Dutch scoring with 1 point. Cray played a tough defense as he stole the ball twice and had 1 block. Coach Schick sharpened up the team ball handling as last week showed 35 turnovers to improve this week to 19 for Manchester to counteract 27 turnovers by Hudson.

The Dutch Junior Varsity were snowed under by a score of 75-54 Hudson. This week I've started something new, called insight to better acquaint you with the Dutch players. I select a different player each game and completely analyze his play. For the Hudson game it was John Savage. John is a 6'6" 175 pound senior who has started all the games this

season as center for the Dutchmen. Tonight he shot 12 times from the field and canned 8 for a 76% average. From the charity stripe he made 5 of six attempts for 83%. He grabbed 5 defensive rebounds and 2 offensive rebounds. He jumped ball 6 times with the Dutch controlling 4. John had 4 blocks, one of these, he gathered in and fired down court to a waiting Dutchmen for an easy two pointer. John committed only 2 errors, first, a 3-second violation and, second he entered the lane to soon on an opponent's foul shot. John suffered only 3 fouls. **DUTCH WIN A CLOSE ONE**

by Jon Roger Hardenbergh

Friday night at Sand Creek a tremendous, unbelievable, thrilling game took place. The League first ranked Dutchmen met the Aggies from Sand Creek who hold down the fifth spot in the League. The Aggies had 3 obstacles waiting for the visiting Dutch. First, an unusually small basketball arena. Second, a hard tile floor and third, a fantastic desire to upset a number one team (this they almost pulled off).

Manchester got the opening tip but missed their first shot giving the ball to Sand Creek. The Aggies set out methodically to achieve a victory by working the ball till the best shot available, this taking 1 or 2 minutes. John Savage and Scott Gormley each scored 4 points with Bruce Cray adding 2 points in the first period but with the Aggies deliberate offensive strategy they came out ahead, 12-10. With the score 18-15 Aggies, Sand Creek went into a 3 minute stall before Dean Decker stole the ball. Soon the score read 20-18 Dutch. The Aggies then held the ball for the last shot sinking it with only 2 seconds remaining on the clock. The game was half over and the score was tied 20-20. The third period saw Manchester control the tip with an 8 point contribution from Savage and Decker helped with 4 points. Decker had 7 points in the second period. Still the Aggies were working as a well oiled

machine bent on destroying the Dutch as they came out in front again with a 30-28 tally. At one point in the final period, Manchester was 6 points down but fought back to tie the score at 40-40 with less than one minute to play. The Aggies' following shot missed with Decker clearing the board to enable Savage to pop a ten footer with about 25 seconds left to put the Dutch ahead 42-40. At the 15 second mark, we witnessed the Aggies' well oiled machine suffer a mechanical break down by walking with the ball. They immediately fouled Rich Kennedy at 11 seconds. Kennedy stepped up to the charity line with the Aggies fate in his hand, but he missed. The Aggies dribbled down court to shoot what could have been a test into overtime. Oddly with 2 seconds the shot failed to enter the hoop with Decker high to prevent a rebound as the buzzer sounded. The Dutch had won an exciting and hard fought contest, 42-40. Savage ended the night scoring 19 points and grabbing 7 rebounds. Decker added 11 points and was big man, rebounding with 8. Gormley, Kennedy, and Cray offered 4 points apiece. In turnovers, the Dutch won again, 18-12.

The Little Dutch won easily, 99-58. The stage is set for the Manchester-Clinton game here Friday. It will be the biggest game of the season. The winner will be in first place and is likely to stay there. Both teams support fantastic scores with Manchester having the better defense. The Redskins are right behind the Dutch, losing the first two contests and winning the next 11. Manchester is seeking revenge, as their only League loss this season came at the hands of Clinton.

Then on Saturday, February 16, the Dutch travel to Ann Arbor for their rematch with the Irish of St. Thomas, who are currently the number three ranked team of Class D schools. I'm sure the Dutch would love to hand the Irish their second loss of the season, as the first meeting saw the Ann Arbor cagers narrowly escape with a 62-60 win.

Are you gambling with your family's security?

Suppose you were sued for \$500,000 . . . and lost! Would you be able to stay out of bankruptcy? And what would happen to your family security? Suits involving hundreds of thousands of dollars are all too frequently started against businessmen and professionals simply because they are well-known as affluent and successful people! Here's an economical way to avoid such a risk! Our Executive Liability Insurance provides up to \$5,000,000 of protection for you and your family. Call us now. We can probably put all your liability insurance together and even save you some money.

7TH GRADERS KEEP ROLLING

Onsted's 7th Grade basketball team was victim number 4, for our Middle Schoolers Monday evening. A strong 2nd period scoring outburst led the Junior Dutchmen to a 33-19 victory.

The victory puts the Dutchmen into the semi finals of the Manchester Jr. High Tournament against a very strong Morenci team.

Leading the way for the Dutch was the outstanding play of center Bob Weirich. Weirich led all scorers with 11 points and he also dominated the defensive boards with 11 rebounds.

Rick Krzyzaniak chipped in another fine performance, scoring 10 points and hauling in 9 rebounds.

Brian Evans was the Dutchmen other hot hand with 8 points. While Craig Rogers and Tom Tassie both tossed in 2 points to complete the scoring for the Dutchmen.

8TH GRADE DUTCHMEN IN FINALS

There was much determination in the minds of Coach Bill Symons' eighth grade basketball team Monday night. The Dutch beat Morenci by a score of 32 to 30 in order to qualify for the tournament finals Saturday, February 16 at 3:30.

During the game, Manchester led most of the way by about 4 points due to the superb play of Curt Fielder, Tom Little and a strong effort by all of the remaining members of the team.

Curt Fielder finished the game with

20 points while Tom Little had 4, Bruce Dixon with 2, Scott Barber with 2, Bob Feldecamp with 2 and Mark Guenther with 2 points.

Although Manchester was outsize greatly the efforts of Tom Little, Bruce Dixon, Russ V. sir, Curt Fielder, and Scott Barber were sighted by Coach Symons as being instrumental, by means of rebounds, in winning the game.

These same young men will be in action against a strong Hudson team Saturday at 3:30. Admission will be \$1.00 for adults and 50¢ for students. Be sure not to miss this great game.

DUTCH GET BURNED AT LEAGUE

The Manchester Matmen went to their last league match last Saturday and came away with a disappointing third place in the L.C.A.A. wrestling tournament at Addison. But they really were never in as Hudson ran away with it in the per as Hudson ran away with it in the preliminaries and Addison ran away with it in the finals. The final standings 95 Addison, 92 1/2 Hudson, 89 Manchester, 44 Morenci, 34 Onsted, 23 1/2 Clinton. Manchester had a comeback in the late stages of the meet when the Dutch matmen had four first place finishes, one second place and three third places.

The Dutch matmen that finished first or best wrestler in the league were John Roberts at 112 weight class, Joel Tobias at 119, Steve Gross at 132, and Ross Haussler at 185 pounds. Mark

Eversole took second place at 155. Mark had a super performance against Rick Sherman from Hudson who took first place by beating Mark 8-4.

In the third place category Brian Merriman had third place at 105 weight Phil Krzyzaniak pinned his man to take third spot at 136, and Greg Bertke beat his man in the finals 10-7.

MANCHESTER 8TH GRADE WIN

Manchester eighth grade won their first game of the tournament last Saturday by beating Onsted 41 to 33. Starting quickly Manchester gained a 9 to 1 first quarter score but Onsted came back to tie. This did not stop the Dutchmen in their quest for victory since from that point on Manchester led and refused to yield.

Curt Fielder again led the scoring with 27 points, Tom Little pitched in with 10, Louis Ross helped with 2, while Mark

Guenther and Keith Moore helped with 1 each.

Tom Little controlled the boards for Manchester with 6 rebounds while Curt Fielder had 5. Bruce Dixon and Scott Barber did their job on the boards with 3 each.

Although the statistics don't show too much about Coach Symons' substitutes, all these young men played an important role in bringing in this victory.

**Village of Manchester
ORDINANCE NO. 94**

AN ORDINANCE REGULATING CROSS CONNECTIONS WITH THE PUBLIC WATER SUPPLY SYSTEM, I.E., A CONNECTION OR ARRANGEMENT OF PIPING OR APPURTENANCES THROUGH WHICH WATER OF QUESTIONABLE QUALITY, WASTES OR OTHER CONTAMINANTS CAN ENTER THE PUBLIC WATER SUPPLY SYSTEM.

THE VILLAGE OF MANCHESTER ORDAINS:

Section 1. That the Village of Manchester adopts by reference the Water Supply Cross Connection Rules of the Michigan Department of Public Health being R 325.431 to R 325.440 of the Michigan Administrative Code.

Section 2. That it shall be the duty of the Department of Public Works of the Village of Manchester to cause inspections to be made of all properties served by the public water supply where cross connections with the public water supply is deemed possible. The frequency of inspections and re-inspections based on potential health hazards involved shall be as established by the Department of Public Works of the Village of Manchester and as approved by the Michigan Department of Public Health.

Section 3. That the representative of the Department of Public Works of the Village of Manchester shall have the right to enter at any reasonable time any property served by a connection to the public water supply system of the Village of Manchester for the purpose of inspecting the piping system or systems thereof for cross connections. On request the owner, lessee or occupants of any property so served shall furnish to the inspection agency any pertinent information regarding the piping system or systems on such property. The refusal of such information or refusal of access, when requested, shall be deemed evidence of the presence of cross connections.

Section 4. That the Department of Public Works is hereby authorized and directed to discontinue water service after reasonable notice to any and directed to discontinue water service after reasonable notice to any property wherein any connection in violation of this ordinance exists, and to take such other precautionary measures deemed necessary to eliminate any danger of contamination of the public water supply system. Water service to such property shall not be restored until the cross connection (s) has been eliminated in compliance with the provisions of this ordinance.

Section 5. That the potable water supply made available on the properties served by the public water supply shall be protected from possible contamination as specified by this ordinance and by the state and village plumbing codes. Any water outlet which could be used for potable or domestic purposes and which is not supplied by the potable system must be labeled in a conspicuous manner as:

WATER UNSAFE FOR DRINKING

Section 6. That this ordinance does not supercede the state plumbing code and village plumbing ordinance No. 63 but is supplementary to them.

Section 7. That any person or customer found guilty of violating any of the provisions of this ordinance, or any written order of the Department of Public Works, in pursuance thereof, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not less than \$5.00 nor more than \$100.00 for each violation. Each day upon which a violation of the provisions of this act shall occur shall be deemed a separate and additional violation for the purpose of this ordinance.

Section 8. **EFFECTIVE DATE.** This ordinance shall take effect and be enforced twenty (20) days after legal publication thereof.

Section 9. **VALIDITY.** Should any section, clause or provision of this ordinance be declared by the courts to be invalid the same shall not effect the validity of the ordinance as a whole or any part thereof other than the part so declared to be invalid.

David I. Little, President
Mary H. Wheeler, Clerk

I certify that the within Ordinance No. 94 of the Village of Manchester was duly adopted by the Board of Trustees of the Village of Manchester, at a regular meeting thereon on Mon. January 21, 1974 and was duly printed and published on the Thurs. February 14, 1974 in the Manchester Enterprise a newspaper printed, published and circulated in the Village of Manchester.

February is a red, white and blue month, filled with cherry trees and hatches, log cabins, hearts and flowers. It's a time when Americans pause to reflect on their heritage and use manufactured verses to express their emotions.

Sharing February honors with leaders past and loves present are youth who hold the promise of the future. They are the young men and women of some 8,000 Future Farmers of America chapters throughout the nation—our "insurance" that tomorrow's agriculture will be able to meet the needs of tomorrow's consumers.

February 16-23 is National FFA Week, with the theme: "FFA—For Tomorrow's Agriculture" — a simple slogan, considering what it means to all citizens.

The farm community may have shrunk over the years, but its importance has not. The nation's economic stability ultimately hinges upon the success of our agricultural industry. As the world leans evermore heavily upon American farmers to supply the food and fiber vital to human life and well-being, the importance of FFA becomes

more evident. "Involvement" is the key word in FFA activities, not just during the Week, but throughout the year—involvement in preparing for future careers in agriculture, involvement in leadership training, and involvement in working together cooperatively. FFA means much more than just developing individual skills in agriculture; it provides opportunities for leadership development, learning individual enterprise and good citizenship.

These future farmers, when they pursue their careers, will make up a very small percentage of the total U.S. work force, but they will be among the most highly productive people in the world. Today one American farmer produces enough food for 52 people, while in Russia the ratio is 1 to 7. Because this fantastic productivity has freed the major portion of our population for other fields of endeavor, "the good life" which has eluded so many other countries of the world, is taken for granted here.

Producing agricultural leaders capable of maintaining the excellence of U.S. agriculture, and developing community leaders who are contributing and responsible citizens—these FFA goals are vitally important to our future.

FFA chapters are an asset to every community, and their Week offers an opportunity for citizens to tell them so.

GM Scholarships Available

General Motors recently announced the continuation of its Scholarship Plan for the fall of 1974, beginning the twentieth year of the Plan. Scholarships will be awarded by 123 participating colleges and universities to 135 outstanding secondary school graduates. The awards will be made to entering freshmen and may be renewed through the normal four undergraduate years for those with satisfactory records.

While the colleges have full discretion in the allocation of GM scholarships and in the selection of students, they have been asked to give preference to those applicants who look forward to careers in industry. For example, those institutions which offer programs in engineering are urged to select highly qualified young people who are interested in this field of study. Colleges which do not offer degrees in engineering are being asked to select students in business administration, economics, mathematics and science. Seniors at Manchester may apply.

General Motors established its Scholarship Plan in 1955 with the guidance of leading educators. To date, General Motors has helped more than 6,000 able students to go to college, including 5,500 scholars who have received their baccalaureate degrees. Over 80% of these GM scholars graduated in the top quarter of their classes, and a majority plan to continue their education at the graduate and professional levels. Many of these talented young people are already beginning to make substantial contributions to their professions and communities. Of the colleges awarding scholarships in 1974, 72 are private and 51 are public

institutions. Scholarship committees of these institutions review the student applicant's secondary school records, available entrance test scores, participation in extracurricular activities and leadership traits. Stipends range from \$200 to \$2,000 per year depending on demonstrated need. Private colleges receive an unrestricted grant-in-aid varying according to the tuition rate charged, from a minimum of \$500 to a maximum of \$800 per year for each scholarship. GM scholars must be citizens of the United States.

Interested students should see their principal or counselor for a complete listing of the participating colleges, then apply directly to the institutions of their choice. No GM application is necessary.

Envy supplies the motivation for about fifty per cent of the world's small talk.

Don't expect everyone to agree with you; variety of opinion makes the world interesting.

It is amazing how many excuses a person can find for not making a donation to some worthy cause.

The trouble with politics today isn't politics, but calculating men who use politics for their own selfish ends.

Despite what you may think there's always someone who is experiencing a tougher pull through life than you are.

Ask
Senator
GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

Whatever happened to all the talk and promises about Congress helping out older folks by reducing air fares? Many senior citizens have the time to travel, but we can't afford it.

Believe it or not, the Senate finally stopped talking and took action. The Senate has passed a bill I have long sponsored which would authorize a reduced fare program for persons 65 and older on the airlines, railroads, and buses. But keep in mind that a bill does not become a law unless it passes both Houses of Congress and is signed by the President. Unfortunately, the fuel shortage has now complicated the situation so that prospects for final enactment in the near future are not bright.

I'm a college student interested in getting a job with the federal government. How can I go about getting some consideration?

—J. T., Detroit

You should file your application and take the required test as soon as possible.

Instructions and information concerning summer jobs are set forth in a Civil Service Commission announcement No. 414, entitled "Summer Jobs in Federal Agencies." You may obtain a copy by writing the Federal Job Information Center, 144 West Lafayette Street, Detroit 48226, or by calling 313-226-6950. The Center also has a toll-free number (800-572-8242) which can be used by those calling from outside the Detroit area.

Effort Recognition - Three or more ratings of "G". At least two "Gs" must be earned in academic subjects (Language Arts, Social Studies, Math or Algebra, Science, Reading (5th and 6th grades only). One "G" may be earned in areas as Physical Education, Art, Instrumental Music, Vocal Music, etc. An "P" or "R" in any class disqualifies the student from appearing on the "Effort Recognition".

SALINE COMMUNITY HOSPITAL

Officials at the Saline Community Hospital announced that it took only eight days for the collapsed portion of the roof in the new building to be repaired. Although the collapse did cause some minor delays, the building of the new Saline Community Hospital continues to be on schedule.

The emergency area of the new Saline Community Hospital facility is rapidly nearing completion. The emergency treatment area will be composed of four examination treatment cubicles, a trauma room, cast room and reception area. When the new facility is in operation, it will have a doctor on duty 24 hours a day just as the present hospital has. However, hospital authorities say that the new emergency facility will be able to handle many more times the 5,000 emergency patients and 7,900 outpatients that the current emergency room handled last year.

From Labels To Audio-Visual

Pictured above is the audio-visual equipment that the Middle School (with the help of many students, parents, and friends of the school) earned last fall for collecting 15,613 Campbell Soup labels.

Each year the Campbell Soup Company sponsors a "Labels for Education" program. Selected schools throughout the country have the opportunity to conduct a drive to collect labels from cans of Campbell Soup and redeem them for various pieces of audio-visual equipment. This year the Middle School responded with enthusiasm to the offer and collected enough labels to get three Panasonic Tape Recorders and an eight station listening center. The 1973 drive ended on December 8.

"We are already looking forward to next year's 'Labels for Education' drive", states Ted Tapping, Middle School Principal, "because there are still items of audio-visual equipment we could really use, but which we can't always afford to buy, and this program gives us an excellent way to get them free."

4-H Compete In Regional Run-Off

Eleven members of the Washtenaw County 4-H horse bowl teams and their coach traveled to Michigan State University in East Lansing on Saturday to compete in the Southern Regional Run-off Contest.

The Junior team successfully out-distanced their opponent, Livingston County, by a score of 275 points to 80 points. Lori Lichlyter of Willis and a member of the Mustangs 4-H Club is the captain of the Junior Team. Other members are Gail Howard and Liz Clark, both of Willis and members of the Mustangs 4-H Club; Tammy Rhoades of Manchester, a member of the Manchester Mavericks 4-H Club and the alternate is a member of the Range Riders 4-H Club, Mary Tyson of Ypsilanti.

The Senior team was not quite as fortunate in their competition. Their opponent, Berrien County, won by a score of 175 points to 120 points. However, the game is never over until the final gun. The Washtenaw County Senior team was the highest scoring losing team and therefore had a chance for a rematch against Cass County as their original opponent did not arrive. In an exciting game between Cass and Washtenaw, Washtenaw County emerged the victor by only ten points, the final score being 135 to 145. The captain of the Senior team is Alene Garlick of Manchester, a member of the Sharon Valley 4-H Saddle Club, Mary Guenther of Bridgewater, a member of the Kossel Equestrians; Bill Oltmanns of Ypsilanti, a Range Rider 4-H Club member and Carolyn Gerganoff of Ypsilanti, a member of the Brand X 4-H Club are the balance of the Senior team. The alternates are Mike Fisk of Manchester, a Sharon Valley 4-H Saddle Club member and Nancy Andrews of Ann Arbor, a Brand X 4-H Club member.

The coach for both teams is Clinton Fisk of Manchester.

Klager School Notes

All parents of children at Klager Elementary School are invited to attend a meeting this Thursday, February 21, at 8:00 p.m. in the Klager gym.

The purpose of this meeting will be to discuss and decide what kind of a parent organization we would like to have and how to get it organized.

Coffee will be served for what is hoped will be a large turn out.

Those who seek to improve their minds will be the leaders of tomorrow.

Board of Education Meets With Township Supervisors

Monday evening the Manchester Board of Education met with the township supervisors from Manchester, Freedom and Sharon Townships. In the discussion which ensued the supervisors indicated that growth would certainly occur in the school district. Mr. David Meinhart, supervisor of Freedom Township, cited problems of a growing township and said that growth in the Pleasant Lake Area specifically and in Freedom Township would certainly accelerate in the next decade.

Clarence Fielder, Supervisor of Manchester Township, expressed confidence in his townships ability to grow rapidly. Mr. Fielder said the only thing that could slow it down would be the energy crisis or the shortage of gasoline. Sharon Township Supervisor, Allen Alber, also expressed this opinion.

All three supervisors indicated that their townships were concerned with zoning ordinances which would make growth orderly and desirable.

The Board of Education is proposing a building addition to the Klager Elementary School which will alleviate the crowded conditions in both the Middle School and the Klager Building.

A bonding election will be held on Tuesday, March 26, 1974 for this purpose. Several open meetings are being

Village Primary Election Results

The Primary Election which was held Monday resulted in the following: Republican ticket for mayor, David Little 142 votes and Democratic ticket for mayor; Joseph Catalana, 10 votes. The rest of the slate are all on the Republican ticket. Mary Wheeler clerk, 142 votes; Betty Curley treasurer, 100 votes; Dealores Richardson treasurer, 62 votes; Russell Widmayer assessor, 132 votes; James Curley trustee, 122 votes; Sam Deal trustee, 122 votes; trustee, 122 votes; Sam Deal trustee, 118 votes; Herbert Mahoney trustee, 100 votes; Richard Boatwright trustee, 76 votes. A total of 177 voters out of 456 registered.

Dutch 10-1 Eye Championship

by Jon Roger Hardenbergh

I'm sure Friday's showdown between League leading Manchester and second place Clinton was witnessed by more spectators than ever before, never has anyone been refused entrance, until now. These faithful Clinton and Manchester fans watched amidst crowded conditions as the Dutchmen escaped with an overtime 44-40 win over the Redskins.

Band Boosters Meet February 20

The Band Boosters meeting will be held on Wednesday, Feb. 20 at 8:00 P.M. in the high school library for all parents with children in the instrumental music department. Parents are urged to demonstrate their support for the various phases of this department in the school system. Nominations for new officers will be discussed as well as the possibility of group lessons for students to improve their skills. Please plan to attend!

Exciting things are happening in the string department. Mr. James McCullough is taking the students to a young people's concert presented by the Flint Symphony on Tuesday, February 26.

Another special treat is in store for band members and parents. Mr. Robert Novota has made arrangements to attend the University of Michigan Varsity Band Concert conducted by James Keene on Thursday, February 28 at Hill Auditorium.

The South Eastern Michigan District of the Michigan School Band and Orchestra Association again sponsored the yearly Instrumental Solo and Ensemble Festival for High School students. This year it was held at the Henry Ford Community College in Dearborn on Saturday, Feb. 16.

Two students from Manchester attended and performed solos. They were Brad Frey and Cathy Moore. Brad received a 2nd for his performance of a baritone saxophone solo, a minuetto by Mozart, and Cathy a 1st for her rendition of Fantasy Piece by Schumann for clarinet. They were judged on performance, musicianship and interpretation.

Saturday, February 23 approximately 15 seventh, eighth and ninth graders will travel to the same College to perform solos at the Junior High Solo and Ensemble Festival.

Coming up on March 19 will be the Manchester Festival of Bands concert. Circle this date on your calendar now.

The pressure hit the players as soon as Manchester controlled the opening jump, as if someone had put lids on the baskets. The first period ended with Clinton having a narrow 9-8 advantage. Scott Gormley and Dean Decker both posted 4 points. The second began with Manchester again controlling the tip, with the terrible field shooting continuing. Gormley pumped in 4 points, while John Savage and Bruce Cray added 2 points each. Both teams scored 8 points so Clinton's lead was still 1, 17-16. The first half saw the Dutch in foul trouble early but Clinton's inability to capitalize on 1 & 1 shots kept the Dutch in the game. The third period started by Clinton gaining the tip but the Dutchmen's shooting eye seemed to be coming back. Savage and Steve Beach (welcome back Steve) dumped in 4 points each as Decker, Gormley and Rich Kennedy offered 2 points apiece. This showed the contest deadlocked at 30-30. Cold shooting came back for the fourth period with Gormley scoring 6 points while Savage and Cray helped with 2 points each. A 40-40 score sent this game into overtime (this was Manchester's first overtime). The Dutch got the tip but the poor shooting continued. With 1:04 left, Clinton's center, Tom Sharpe, fouled out giving Manchester control of the inside. Kennedy sank the 2 shots from the charity stripe as Decker previously had added a basket to give the Dutch a 44-40 win. Dan Jurasek, the Clinton gunner who killed the Dutch before with 32 points was held to a mere 7 points. Field shooting was 30% for the Redskins and 35% for the Dutchmen. Manchester actually lost in turnovers, 19-16. For scores, rebounds and fouls consult boxscore below.

The Dutch JV's crushed Clinton be-
