## 50th Wedding Anniversary MORE THIS and THAT!

Mr. and Mrs. Clarence Buss, natives  
of Freedom Township will hold open  
house on Sunday, March 3 from 1 to 5  
at Moose Lodge, 390 S. Maple St., Ann  
Arbor to celebrate their Fiftieth Wed-  
ding Anniversary.  
Laura went to school at Pleasant Lake  
School, her first teacher was Ezra Koeb-  
be. Clarence went to school at Rogers  
Corners, first teacher was Julius Schmid.  
Laura was born in a log house on a  
farm which has been in the family over  
100 years. Clarence grew up in the farm  
next to where they now live.  
Their first date was on a Sunday the  
1st of May 1921, to Young People League  
at Salem's Church, west of Saline when  
Rev. Papsdorf was minister there. They

courted mostly with horse and buggy  
although on their first date they had  
Dad's Willsknight.

They were married March 1st, 1924  
at Bethel's Church by Rev. Lenckhof.  
Attendants were Walter Buss and Clara  
Feldkamp. After a short honeymoon to  
Detroit, they settled on the farm where  
they still live.

They are members of Emanuel United  
Church of Christ of Manchester, mem-  
bers of Tri County Sportsman's League,  
members of Pittsfield Union Grange,  
charter members of Pleasant Lake Gr-  
ange organized in 1919 by George English  
of Chelsea. They have been grange mem-  
bers ever since they have taken all 7

## Optimist Club Outstanding Citizen

Lisa Cresswell, daughter of Dr. and  
Mrs. Charles E. Cresswell of West  
Main Street and a sophomore at Man-  
chester High School is the outstanding  
citizen for the month of February.

Looking back to Lisa's Middle School  
days, she was secretary of the seventh  
grade and was on the cheerleading squad.  
In the eight grade she was a cheer-  
leader, a Student Council representative  
and editor of the school newspaper. As  
a freshman Lisa was a member of the  
Ecology Club, Student Council repre-  
sentative, member of the J.V. Girls  
basketball team, girls track team and  
girls softball team. Lisa received the  
most improved award in track. This  
year Lisa is president of the Ecology  
Club, secretary of the Pep Club, mem-

ber of the Varsity basketball team,  
helping to win a State District Champi-  
onship, member of the ring selection com-  
mittee, associate editor of the Adven-  
ture, and member of the debate team.  
She helps with the girls basketball at  
the Middle School. Lisa is treasurer  
of the 4-H Dog Club. She likes to work  
with animals and after having shown  
horses, she is presently training an  
Airdale dog as a 4-H project.

At the Emanuel Church Lisa is with  
the youth fellowship and is helping with  
the Quest Program, a Sunday School  
project.

Lisa does very well in the class-  
room and is planning on going to col-  
lege to become a veterinarian.  
Congratulations Lisa!

Feeling the need to get away from  
it all? The gas shortage really makes  
planning a vacation difficult. Well we  
gave it a little thought, took a look  
at the winter sunshine coming through  
the dirty windows, listened to the child-  
ren bickering, and made a decision.  
We would escape. Florida was out of  
the question, they have no gas at all  
and we could spare only three days  
anyhow. One of the college sons came  
home for the weekend to supervise the  
bickering and away we went.

With enough gas to get to Windsor  
we carefully checked to see if Canada  
had plenty of gas. Never mind the weather.  
The sun shone and the roads were  
clear. Plenty of gas we were assured.  
The price a little high I thought, and  
asking about this got confusing. "Isn't  
sixty cents a gallon alot?" I said.

There is a certain sort of condescend-  
ing look on a husbands face when he knows  
about things that women don't understand.  
"You have to remember, that there are  
five quarts to a gallon here, so it isn't  
really that bad" he says.

Down the expressway we went, pre-  
pared for freedom and lovely peace.  
Found it too. Miles and miles of it.  
Flat land with snow glaring and so cold.  
Having made this trip in the summer-  
time we had pleasant memories and it  
was surprising to find the same land  
looking so desolate.

Hoping to find a pleasant small town  
to have lunch we chose one called Rod-  
ney, which seemed to hold some promise  
and finding a restaurant which housed  
a marble soda fountain with the old high  
stools and a Scotsman, MacDonald by  
name to give us food we ordered fish  
and chips. The chips turned out to be  
french fries.

Onward to Niagara Falls, which we  
had not seen in wintertime. It's beau-  
tiful and breathtaking. And so cold.

The shops are open and imports are  
available, making shopping fun, even if  
you are not buying alot. Korean and  
Japanese dolls, cunningly fashioned of  
wood. Steel and hammered brasswork  
from countries with exotically oriental  
names. Italian painted wood with muted  
pastel colors combined with gilt. Lots  
of delt were in the Holland shop, brace-  
lets and china, with that special blue  
they are so famous for. Lots and lots  
of Eskimo and Indian products from  
Northern Canada. Woolen clothing from  
Scotland. The Waterford glassware and  
Royal Doulton China.

Plenty of gas too. So I said (having  
been doing some thinking meantime)  
"Listen, I don't understand this. If we  
have four quarts to a gallon and they  
have five quarts to a gallon, then it's  
still a gallon and it's the same gallon  
and the same amount then the price is  
still sort of high".

With that same sort of look on his  
face I was told "You just don't under-  
stand."

The American side of the falls has  
collapsed rather badly and while pretty  
in it's way there is no doubt that the  
Canadian falls have been favored by  
Nature and only become more impressive  
as the years go by. The mist rising,  
spreads over the immediate area and  
each tree and twig has a coating of  
thick frost, so heavy one is amazed to  
think that the spring will find them  
alive and blooming.

Back indoors to get a view from  
warmth. Let's try the Skyline, the tower  
with the revolving restaurant at top.  
The elevator is on the outside and a very  
smooth quick trip it is too! I know,  
because I held my breath the whole  
way. While husband is hearing about  
the suicides from this tower, and be-

cause I don't want to hear the story,  
I've been thinking again. I know how  
to cope. One has only to think it through.  
So I ordered American fries. "What you  
mean" the waitress says "Is that you  
want Cottage Fries".

Well of course, when the potatoes  
arrived they were chunks. Potatoes quar-  
tered and warmed and sprinkled with  
what must have been paprika, for they  
were red.

Undaunted and game to the last round,  
I shook my head and began to think again.  
This was easy for the blitzard had begun  
and the five hour drive home was such  
to keep my eyes closed and leave the  
driving to that man who knows so much.

But there was plenty of gas. Privately  
I still thought that something was wrong.  
If I take a pie and cut six pieces and  
another pie and cut eight pieces then  
certainly I got more pieces but it was  
the same pie. When I shyly and in a very  
humble voice tried to use this to ex-  
plain my ignorance, it turned out that

**LETTERS TO THE EDITOR**

"Two score and some years ago our fathers brought forth upon this nation a new tax, conceived in desperation and dedicated to the proposition that all men are fair game.

"Now we are engaged in a great mass of calculations, testing whether that taxpayer or any taxpayer, so confused and so impoverished can long endure.

"We are met on Form 1040. We have come to dedicate a large portion of our income to a final resting place with those men who here spend their lives that they may spend our money.

"It is altogether anguish and torture that we should do this, but in a legal sense we cannot evade, we cannot cheat, we cannot under-estimate this tax. The collectors, clever and sly who compute here, have gone far beyond our power to add or subtract.

"Our creditors will little note nor long remember what we paid here, but the Bureau of Internal Revenue can never forget what we report here.

It is for us taxpayers rather to be

devoted here to the tax return which the Government has thus far so nobly spent. It is from these vanquished dollars that we take increased devotion to the few remaining that we highly resolve that next year shall not find us in a higher income bracket; that this taxpayer, underpaid, shall figure out more deductions, and that taxation of the people, by the Congress and for the Government shall not cause our solvency to perish from the earth."  
 George Macomber

I think the trouble we are in now is the result of not having enough energy and its not the kind we get from oil. Our trouble started many years ago when a group of people decided that the easiest way to get more for doing less would be to hold a sit-down strike. The reason our troubles have increased so fast since then is that they were allowed to keep others that wanted to work, from doing it. The sad part is, those on strike are still allowed to vote it and for the same reason, their votes. Since our trouble started people in other countries used their energy to produce the things we could sell for less and we kept on wasting ours by picketing, protesting and playing.

**MOTHER WRITES SERVICE MAN SON**

Believing that a bit of *mirch* is good reading at times, we offer this letter from a backwoods mother:

Dear Son:  
 Your Paw has a job. It's the first one he had in forty-eight years since we have been married. We are a little better off now, because we have so much money now we don't know what to do with it. Paw gets \$17.15 every Thursday, so we thought we ought to do something about fixing up the house.

We went to Sears & Roebuck for one of those bathrooms you hear people having in houses. It took a plumber to put it in shape.

On one side of the bathroom is a great long thing, something like a pig trough, only you get in it and wash all over. Over on the other side is a little white thing they call a sink where you wash your face and hands. But over in the other corner we really got something. This thing, you put one foot in,

wash it clean, then you pull the chain and get fresh water for the other foot. Two lids come with the thing. We got no use for them in the bathroom so I'm using one for the bread board. The other lid has a hole in it so we use it for a frame for grandfather's picture. Sears & Roebuck are real nice people to deal with. They sent us a roll of paper with the outfit. We can't write on it very well, so I'm using it to wrap Pa's lunch. Take care of yourself. - Maw.

**THIS and THAT!**

there are SIX AMERICAN quarts to an Imperial gallon. Well!!!

The college son maintaining vigilance over the disorder at the Homestead, seemed in good form and receptive to conversation. "Tell me" I said "About this difference in quarts and gallons". So he did. The thing is, you see that he is my son and has not learned to use that smug expression when talking to the woman who raised him. "The problem as I see it Mother" he says, "Is that you should get the amounts memorized. There are four American quarts to an American gallon, Five American quarts to an Imperial gallon. The Imperial gallon is used there. However when you need a tankful it would be easier to order eight Imperial gallons, which is a firkin. You just drive right in and say "Give me an Imperial firkin please".

So you see a college education is of great value and travel is truly broadening. Bigger potatoes and fatter gallons. Higher prices too.

**Fun Night Saturday, March 2**

Sponsored by the Manchester Athletic Booster's will be held on March 2, 1974 at 7:00 P.M. ## TWENTIETH CENTURY

The Twentieth Century Club met Tuesday evening, February 19 at the home of Mrs. Lyle Widmayer with Mrs. Charles Cresswell as co-hostess. A very interesting "Show and Tell" program gave each member an opportunity to present her favorite activity or project for the year or past years—everything from doing an eight generation family tree through handicrafts and collections of all sorts.

The next meeting will be on Monday, March 4. The club members and their guests will attend an Invitational Style Show at Goodyears in Ann Arbor beginning at 7:15 sharp. Members and guests wishing transportation should contact Mrs. Lyle Widmayer.

The program for the year was corrected by putting the Annual Meeting on April 2 rather than April 16. The April 16 meeting time will be devoted to a speaker.

It's been proven that seat belts save lives. Yet some people still dislike using them. So it shouldn't be surprising if during the energy crisis, some people are reluctant to lower their thermostats to 68 during the day and 65 at night. Letting the other guy do it won't work... not this time. If we are to have enough fuel for everyone — everyone must realize that conservation of energy is HIS or HER responsibility.

## Klager School Notes

A group of thirty interested parents and teachers met at the Klager School last Thursday evening to consider the possibility of forming a parent organization. After a period of discussion there was general agreement among those present that there ought to be a parent-teacher organization at the Klager School. It was felt that the main purpose of the organization would be to co-ordinate the efforts of parents and teachers in these four areas: (1) parent volunteers, (2) social activities involving parents and children (3) fund raising events, (4) improving communication between school and home.

Since there is much to be done it was agreed that the first step should be to elect a slate of officers. With this in mind the following people have agreed to have their names presented as the next general meeting for election as officers: President; Mr. and Mrs. Jack Kennedy, Vice President; Mr. and Mrs. Richard Stanbridge, Secretary; Mr. and Mrs. Bob Evans, Treasurer; Mr. and Mrs. Jim Scully.

The nomination of other interested parents will also be accepted from the floor at the next Klager Parents Teachers Meeting which will be at 7:30 p.m. on March 21 in the Klager gym.

## CONSERVATION SCRAP-BOOK CONTEST

A Conservation Scrapbook Contest is being held for Washtenaw County's 3rd through 8th Graders. Scouts, 4-H'ers and school children are urged to enter.

The Contest is sponsored by the Washtenaw County Soil Conservation District in cooperation with the Michigan Soil Conservation Districts, Inc. and the Michigan State Game. The Washtenaw County SCD hopes to foster interest and understanding of conservation problems and their solutions in the County's youth.

Scrapbooks made by participants on any conservation subject are due June 1. They should be delivered to the Washtenaw County SCD Office at 6101 Jackson Road, Ann Arbor.

Scrapbooks in the local competition will be judged by District Directors. Token Awards will be given to all participants. Prizes will be given to the 2 best scrapbooks in each of the 3 classification divisions. These 6 scrapbooks will be submitted for State level competition.

Please contact the Washtenaw County Soil Conservation District at 761-6721 for additional rules and information.

# Agriculture in Action

Michigan Farm Bureau

Suppose you had a goose that laid golden eggs—how would you go about making it more productive? Squeeze it so more eggs would come out? Let the government eat the goose and lay the eggs itself? Or would you decide to put a little fat on the goose—plow a little profit back into it—let the goose eat an egg once in awhile so it knows what they taste like, and if the goose likes the eggs, it will lay more?

History's records of various economic systems show that the latter stimulates increased "golden egg" production. It's called the incentive system, responsible for this productive, young nation of ours having the highest standard of living in the world. Any society, to be affluent, must be a high-producing society.

Secretary of Agriculture Earl Butz recently illustrated a basic lesson in economics by comparing two systems.

"There are two ways to make men work; you can use the stick—or the carrot. The totalitarian system uses the stick. You assign each worker a quota. If he does not make it, you banish him to Siberia—or some equivalent fate.

"The American system uses the carrot. You dangle dollar bills in front of a person—most of them just a little further away from him than he can conveniently reach. He innovates to get them. He improves his product to get them. He strives to please the consumer to get them. He dreams to get them. In short, he works to get them—and when he does produce, he gets those dollar bills."

It's this very simple economic fact of life that made last year's meat boycotts such a dismal failure. Even leading consumer groups have come to the conclusion that boycotts don't work. Boycotts and price controls resulted in less production and higher prices than would have been the case if the market had been allowed to function. The sad part of that hard lesson is that consumers continue to bear the consequences of "squeezing the goose," because market distortions take time to heal.

Sadder yet—some did not learn the lesson in economics and continue to try to undermine our successful American incentive system by making "profit" a dirty word in our vocabulary. Whatever the name—carrots, golden eggs or profit—remove that incentive and the products and services they take for granted would no longer be....

### PROJECT SSI ALERT

Project SSI Alert is conducting training sessions for volunteers to continue the County-wide drive to inform citizens over 65 years of age of the new federal program called Supplemental Security Income, according to Agnes Waser, Volunteer Chairman. SSI payments can help people over 65 or those who are disabled or blind, who have less than \$180/month income and less than \$1500 in savings or other resources (not counting a home and car). For couples the figures would be \$280/month income and \$2250 in resources. And if people are still working after they reach 65 years

of age the figure for income goes up. At the training sessions, SSI Alert Director, Gay Cox, announced plans for group meetings for people over 65 years of age in all areas around the county. Invitations to potential applicants will be issued so that anyone who attends a meeting in his or her local area will be able to apply for SSI if they are eligible. This will avoid the necessity of trips to the Social Security office in Ann Arbor and will use SSI Alert volunteers as helpers to both the Social Security staff and to the people who need help in filling out applications. Mrs. Waser added that Social Security staff will determine eligibility in all cases.

Anyone wishing to volunteer should call Mrs. Waser at 971-4930. Any senior citizen group that wants to arrange a meeting for its members should call Mrs. Cox or Mrs. Dorothy Thomas at the Project SSI Alert office, at the Red Cross headquarters, phone 971-6085. The office will also be glad to receive information about potential SSI applicants.

### WHAT IS SSI?

"What is SSI?" This is the topic of Mrs. Gay Cox, Project Director of SSI Alert. She will give an explanation of

supplement security income followed by discussion. This is not to try to enlist just inform. The Morning Coffee Meeting of the Washtenaw County Unit of the Michigan Diabetes Association will be held at 9:15 A.M. Wednesday March 6, 1974 at the home of Mrs. Edward Sichter, 1470 Crawford, Ann Arbor, Michigan. For further information phone 428-7543.

### TRANSPORTATION SERVICE OFFERED

A volunteer driving service has been organized by a group of citizens in the Manchester area. This service is intended primarily to aid the elderly or shut-in who do not have a regular means of transportation for trips to the doctor, to get groceries, etc. There is now a group of volunteer drivers in Manchester who will take you where you need to go. If you are a senior citizen and you need transportation please call 428-7617 or 428-3981 and we will get a ride for you. Please try to give at least 24 hours notice of your transportation needs. If you need a ride, please do not hesitate to call.

If you would like to volunteer to be a driver, please call one of the above numbers.

## Hartwig-Osborne Vows Exchanged

The Rev. Walter Damborg officiated at the ceremony uniting Susan Marie Osborne and Larry Edward Hartwig on Friday, February 22 in the Manchester United Methodist Church.

The bride, daughter of Mr. and Mrs. Harold L. Osborne of Manchester, wore a gown of ivory crepe with slit neckline, drop bishop sleeves and full circular skirt. Re-embroidered alencon lace and seed pearls trimmed the bodice. She

wore a chapel length veil and carried a colonial bouquet of white roses and baby's breath.

The bridegroom is the son of Mr. and Mrs. Frederick R. Hartwig, Sr. of Manitou Beach.

Mrs. Gary Griffin, of Monroe, sister of the bride was matron of honor and Mr. Greg Weaver of Delphi, Indiana was best man.

Bridesmaids included Mrs. Harold Til-

ton of Tecumseh, Miss Margaret Kemner of Manchester and Miss Deanne Mroz of Ypsilanti.

Seating the guests were; Mr. Barry Williamson of Tecumseh, Mr. David Hartwig of East Lansing and Mr. Frederick Hartwig, Jr. of Coldwater.

Miss Shelle Hartwig of Coldwater attended as flower girl while Master Christopher Hartwig of East Lansing carried the rings.

The bride's attendants wore gowns of gold crepe featuring a V neckline, empire waist and puffed sleeves.

A reception followed at the Tecumseh Products Union Hall. Assisting were; Mrs. Greer Cleavenger of Ypsilanti, Mrs. David Hartwig and Mrs. Frederick Hartwig, Jr.

After a wedding trip to the west coast the newlyweds will be at home at 1309 Huron Drive, Ypsilanti.

**DUTCH DEFEAT BRITTON**

by Jon Roger Hardenbergh  
Saturday the Dutchmen traveled to Britton Macon to play the Tories. The Tories were the Class D State Champions of 1963 and 1964. This year the Tories aren't doing too well, having won only 1 or 2 games.

The Tories captured the opening tip and moved down the floor to draw first blood. Steve Beach and John Savage each canned 6 points while Rich Kennedy helped with 4 points as the Dutch closed the first period up by 2, 16-14. The second period saw Dean Decker turn loose, burning the nets for 10 points as Savage popped in 4. The Dutch had enlarged their lead to read 37-21 over the Tories. The third period saw the Dutch score get bigger behind 6 points by Scott Evilsizer as Savage added 4 points. Score stood Dutch-56, Tories-35. The fourth period closed behind Kennedy's 6 points and Savage's 4 points to emerge 75-55 victors to post the Dutchmen's 13th win of the season. Savage led all Dutch scorers with 18 points. Kennedy and Decker added 14 points and 12 points respectively. Beach played his second excellent game in as many starts chalking up 10 points and clearing the boards 12 times.

The Little Dutch won, 58-50.  
Tonights Insight is on Dean Decker. Dean is a 6'3" junior forward who has

started every game for the Dutch. He scores on the average of 11 points per game and averages 10 rebounds. He kept both averages intact tonight pumping in 12 points and gathered in 3 offensive rebounds and 8 defensive rebounds. Dean shot 83% from the field having made 5 of 6 buckets. He posted 2 for 3 from the charity stripe. He blocked 1 shot and committed 2 turnovers both on steps. Dean having 3 fouls at the half way mark didn't play the third period and saw only 4 minutes of service in final period.

**DUTCH ROLL OVER ADDISON**

by Jon Roger Hardenbergh  
The Dutchmen sewed up at least a tie in the (if they lose the last 2 games) L.C.A.A. by decisively beating the Panthers from Addison, 71-53.

The Panthers never did contend after they controlled the opening tip to fall to a well balanced attack by the Dutch. Steve Beach poured in 4 buckets for 8 points with Rich Kennedy adding 4 points. The first period ended with Manchester ahead, 19-10. The Dutch had their running game working in the second period and Addison could do nothing to stop it. Kennedy pumped in 8 points while John Savage and Dean Decker posted 6 each. Scott Evilsizer contributed 4 points as the game was half over with the Dutch up by 24, 47-23. The third and fourth periods saw all the players see action. The end of the third period saw the score more than doubled 63-31, behind a 6 point offering by Bruce Cray while Jeff Wallace added 4 points. Evilsizer, Paul Tassie and Kurt Kensler scored 2 points each while Wallace helped with 1 to finish the fourth period. Final score was 71-53 Manchester. Beach and Cray were tied for high scorer both posting 13 points. Kennedy followed next with 12 points while Decker, Savage and Evilsizer tallied 8 points each. Finishing the Dutch scoring is Wallace totaling 5 points with Tassie and Kensler adding 2 apiece. Beach started tonight for the injured Scott Gormley. He played a superb game scoring 13 points offensively and being very

tough on defense, sweeping the boards 15 times. Steve knew what he had to do and he did it. Other rebounders were Savage and Decker with 10 and 7 respectively. Manchester did fairly well in the turnover department in the first half, leading by only 1, 9-8. The second half was very sloppy with Manchester turning over 28 times for a tally of 35 to Addison's 18.

The JV's lost a tough one. Manchester had a huge lead by half (30 points I think) but the Little Panthers kept whittling away at the score to close the game at 63 all. The Panthers scored 7 quick points as the Little Dutch were held to 2 points in this 3 minute overtime. The Manchester JV's are now 7-5 after losing this contest 70-65.

Tonights insight is directed towards Rich Kennedy. Rich is a 5'11" senior guard. He is the playmaker and scores on the average of 15 points per game. This night he was slightly below his average posting 12 points. His biggest offensive out-break was against Hudson where he shot 70% from the field totaling 35 points. Rich never rebounds much for the simple reason; on an opponent's shot he is streaking the opposite direction in hopes a teammate will rebound and throw down court for an easy 2 points. He had 2 buckets on the fast break tonight. On the other hand; as soon as we shoot Rich is moving to prevent the opponents from fast breaking on the Dutch. Rich shot 11 times sinking 6 for 55%. He shot no free throws. He snatched the ball twice and had 6 assists. He suffered 4 turnovers on walking, kicking the ball, 3 seconds and steps. Rich had 1 foul.

**DUTCH HAVE 5 WINNERS AT DISTRICTS**

Last Friday the Dutchmen Wrestlers went to Napoleon for what would be the last tournament for many wrestlers, the Districts. Manchester went there with all the Varsity wrestlers able to compete, but after the first round there was little hope of winning the team title as four men lost. Cris Ventimiglia was pinned,

John Young was pinned at 3:55, Phil Krzyzaniak lost a hard fought match 12-6, and Dave Rinkel lost by a pin also, and Garry Eversole lost to Doug Keller, pin 1:38. In the second and first round seeing Brian Merriman by a bye in the first round lost 15-0, John Roberts also having a bye in first round, won 9-2. Joel Tobias wrestled twice that day winning both on a pin 1:14 and decision 17-0. Steve Gross won as expected 15-2 after having a bye in the first round. Greg Bertke had a bye in the first round action but still had a close one even though he hadn't wrestled before that 5-2. Mark Eversole having a bye

the first round lost a heart breaker by a pin at 3:40. Ross Haeussler won by a pin 1:18.

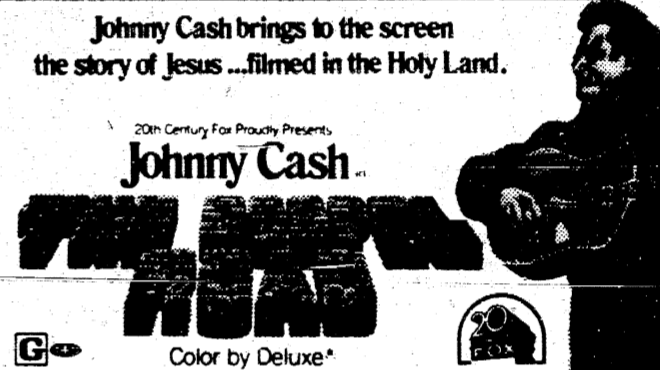

At the Districts there is no first, second, or third except when you're seeded or thought that you're better than the rest of the competition.

The next step for the five winners will be the Regionals where if they win they would go to the State Finals in Lansing one week from Saturday.

### Mike Moon Fund

For those of you who do not know Mike Moon, we want to tell you about him. Mike is the son of Harold and Dorothy Moon. His mother has taught in the Clinton Elementary School for 17 years. Mike graduated from Clinton High School in June, 1972. He was a member of the CHS Marching and Symphony Band and holds the CHS shot putt record. In the fall of 1972, Mike started college. His education was interrupted last fall. In August Mike was seriously hurt in an auto accident. In fact, Mike is now a quadriplegic and has been a patient in the University Hospital in Ann Arbor since the accident. Mike's parents want to bring him home. To do this, they need special equipment built to Mike's needs. The special wheelchair will cost \$1500, but

they need a ramp and other things too. A Mike Moon fund has been set up at the Clinton State Savings Bank. We want to show Mike and his parents we really care. Won't you please help us, help them bring Mike home. Contributions are to be sent or turned in at the bank to the Mike Moon fund.

#### VALENTINE'S RECITAL

Sunday, February 17th, the piano students of Mrs. Duane Haselschwerdt entertained their families and guests with a Valentine's recital. Those taking part were: Susan Ahrens, who also played the organ; Alane Wolf; Jeannie Gonyer; Carol Paul; Lisa Huber; Jodi Huber; Carolyn Schwab; Todd Haselschwerdt; and Heidi Haselschwerdt. Refreshments and a social hour followed the program.

### March of Dimes

Mrs. Leonard Ahrens, Chairman of the Manchester 1974 March of Dimes campaign, has released the following final report: Mother's March-\$714.27, Bus & Ind; Professional-\$327.00, Clubs & Organizations - \$85.00, Canisters & Dime Boards-\$46.10, Special Events - \$411.58, Total \$1,583.95.

This total exceeded last year's total of \$1,583.46 although an exact figure cannot be determined because this year for the first time, the early mailers were returned to Ann Arbor. "Due to the large volume of early mailers from all over Washtenaw County, it was impossible to keep a total of each community," Nancy Salowitz, Washtenaw County, Campaign Chairman pointed out. Last year the early mailers within the Village of Manchester totaled \$42,000, "so we hope this amount or more was sent in by the early-mailers," Mrs. Ahrens added.

"I want to thank the chairmen who worked with me on this year's campaign which included Mary Kay Bailey, Jane Kern, Mary Gonyer, Olga Nickels and Barbara Wise; the captains and marching mothers; business and industry as well as clubs and organizations for their generous support; The Manchester Enterprise; the schools, teen clubs and individual businesses for their special events; and may I add a very special thanks to all who contributed to the Mother's March which is responsible for nearly half the total Manchester campaign and which exceeded last year's Mother's March total by \$128,000. YOU are the March of Dimes because YOU have made the fight against birth defects a reality."

#### MICHIGAN DEPARTMENT OF STATE HIGHWAYS AND TRANSPORTATION

Motor Vehicle Highway Fund collections for the fourth quarter of 1973--up 12 per cent over the same period in 1972--are now being distributed to Michigan counties and municipalities, the State Highway Commission reported.

Net receipts of the Highway Fund for the October through December period totaled \$118,800,421, an increase of \$12,467,681. Anticipated declines in revenue because of gasoline shortages and reduced driving were not apparent through the end of 1973.

The 12 per cent increase for the quarter is attributable to an increase of two cents a gallon in the gasoline tax that went into effect Feb. 1, 1973. One-half cent of the two cent increase goes to the state's new General Transportation Fund for public transportation purposes.

After deduction of collection costs by the Department of State and 1.25 per cent for the Michigan Waterways Commission, the funds are distributed according to a formula established by the Legislature. The formula provides 44.5 per cent to the Department of State counties; and 19.8 per cent to the state's 530 incorporated municipalities.

Under this formula, the Department of State Highways and Transportation receives \$51,976,182 as its share in the fourth quarter collections; the counties receive \$41,697,750; and the municipalities, \$23,126,483.

The counties; share includes \$1,445,587 in snow removal assistance previously announced for 23 counties which qualified.

The 1973 fourth quarter distribution for Manchester county is 1973-\$8,162 and 1972-\$7,435.

### Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

How are the giant pandas doing at the National Zoo? We saw them last Easter Sunday along with thousands of other panda lovers, and I'd be interested in a status report. —P. L., Allen Park

Since you were here, much construction has been underway to provide more comfort for the pandas, Ling-Ling and Hsing-Hsing.

The construction is almost completed. Each panda has its own separate glass-fronted cage and an outdoor sodded yard planted with willow trees. The yards are separated by a fence but a gate in the middle can be opened during mating season. In addition, a new walkway around the yard offers plenty of space for panda watchers.

Since their arrival in 1972 from the People's Republic of China, more than six million people have visited their cages. In fact, let's face it: the pandas are becoming Washington's top tourist attraction.

When I got out of the service in 1962, I went to work because I couldn't afford to go to college. Then after they passed the post-Korean GI bill in 1966, I attended college for a while but quit. This year I went back to school again for a semester, but I may drop out. If I should quit again, will I still be able to get benefits next semester or a few years from now? —K. T., Albion

You'd better hit the books and stick it out. The Korean GI bill is scheduled to expire on May 31. A new veterans education bill is being considered in Committee—the Vietnam Era Veterans' Readjustment Act of 1973—which would extend your eligibility for two years. However, the primary purpose of the new bill is to help Vietnam veterans. Since the bill may be amended and is still a long way from enactment, I don't think you should count on it too much.

### Cheese Snack Stack

To celebrate special occasions, why not try this Cheese Snack Stack recipe, created in honor of the 20th Anniversary of Saran Wrap, the original plastic household wrap? Serve in slim wedges as an appetizing accompaniment with punch, wine or cocktails. And for your convenience, make it the day ahead and refrigerate.

#### CHEESE SNACK STACK (Makes 16 to 20 servings)

Pastry:	2 1/2 cups unsifted flour	1/4 cup chopped pimiento-stuffed olives
	1 teaspoon salt	1/4 cup chopped parsley
	3/4 cup vegetable shortening	2 tablespoons slivered toasted almonds
	1 cup shredded cheddar cheese (4-ounce package)	1 teaspoon instant minced onion
	4 to 5 tablespoons water	1/2 teaspoon Worcestershire sauce
Cheese Filling:	1 package (8 ounces) imitation cream cheese*	1/4 teaspoon garlic salt
		1/2 pint (8 ounces) dairy sour cream

Mix together flour and salt. Cut in shortening until mixture resembles coarse meal. Stir in shredded cheese. Add water one tablespoon at a time until dough forms into a ball. Divide into 5 portions.

Using hands or rolling pin, press or roll each portion into a 6 1/2-inch round. Place on baking sheet and prick generously with fork. Bake in a 375° oven until golden brown, about 12 minutes. Remove from oven and loosen pastry gently with metal spatula while hot. Handle rounds carefully because they are fragile.

For Cheese Filling: Beat cream cheese until smooth and fluffy. Add remaining ingredients except sour cream; mix well. Fold in sour cream. Spread between pastry layers and over top. Garnish with almonds, parsley and olives as desired. Wrap tightly with Saran Wrap, inserting 5 wooden picks to keep saran above cheese. Chill at least 8 hours before cutting into thin wedges for hors d'oeuvre or canape serving.

\*Regular cream cheese is not recommended because it may crack.

## DUTCH LCAA CHAMPIONS

Front row: John Savage, Scott Gormley, Rich Kennedy, John Wallace, Bruce Cray, Mgr. Dan Popkey, Middle row: Chris Gregerson, Paul Tassie, Dean Decker, Mark Feldkamp, Kurt Kensler, Back row: Coach, Brian Schick, Scott Evislizer, Steve Beach.

by Jon Roger Hardenbergh

Tuesday was special in 2 ways. 1. The school gym and fans said good-bye to 5 graduating seniors as they played their last home game. The 5 seniors are: Co-Captains Rich Kennedy and Scott Gormley with John Savage, Bruce Cray and Jeff Wallace. 2. The Dutch wrapped up sole possession of first place in the L.C.A.A. by demolishing the Aggies from Sand Creek, 63-34.

The first period saw the Aggies slow the game down in an attempt to force Manchester to play the way they wanted. By being deliberate the Aggies shut off the Dutchmen's running game. Sand Creek stayed close as the first period closed, 12-8 Dutch. In the second period the Dutch offense exploded, paced by Dean Decker's 7 points while Savage and Kurt Kensler added 6 points apiece. The Dutch had opened up a big lead 34-14 at half time. Behind Decker's 4 buckets the Dutch closed the third period up 21, 46-25. The fourth period saw Kennedy hit for 5 points while Scott Evislizer and Chris Gregerson helped with 4 each. Final score was 63-34 in favor of the L.C.A.A. champs. Decker lead all scorers posting 21 points and he cleared the boards 10 times, Kennedy and Kensler dumped in 10 points and 8 points respectively. Sand Creek won in the turnover category 28-25. The Little Dutch bettered their record to 8-5 by killing the Aggies 71-49.

The Dutch traveled to the home of the Onsted Wildcats to close their 1973-74 campaign. It was a good night for the Dutch varsity and junior varsity as they smashed their opposing Wildcats.

The Little Dutch closed their season with a 9-5 record by running over Onsted with a score of 90-55.

I wasn't quite sure how the varsity would do. Onsted is one of very few teams

that have had a height advantage over the Dutch. Also, Onsted has proved in the past to be tough on their home court. Height or no height the Wildcats couldn't stop the hot shooting of the Dutchmen.

Onsted was able to give the Dutch a run for the first period as the period ended 15-13 Manchester. The Wildcats fell behind in the second period as Manchester got their offense rolling. Dean Decker hit for 10 points as Bruce Cray added 8 and Steve Beach helped with 5 points. Half time saw Onsted down, 42-24. The first couple of minutes of the third period saw Onsted rally as the Dutch couldn't put the ball in the hoop. Onsted ran off 10 unanswered points before the Dutch got on track, sore at this point 42-34 Dutch. John Savage got the Dutchmen back on their feet by pumping in 15 points. Beach and Cray offered 6 points apiece. Third period tally stood, 71-48 Dutch. Tonight as in many games this season, the Dutch have been way ahead by the fourth period so the benchers are able to see action. The fourth period marked all Dutchmen helping to put Onsted away till next season. Jeff Wallace and Savage each tallied 4 points as Decker and Kurt Kensler contributed 3 apiece. Final was 88-60 Manchester. Savage helped his falling average by posting 25 points. Decker had another great night on offense and defense by dropping 18 points thru the nets while sweeping the boards 15 times. Cray helped with 16 points as Beach poured in 15 and gathered in 11 rebounds. Much to my surprise the Wildcats edged the Dutch in turnovers, 25-24. A little statistic I figured out concerning turnovers covering only the 14 league games, Manchester lost the ball 307 times to their opponents 291.

Closing out this seasons Insight is 6' senior guard, Bruce Cray. Bruce has the big task of shutting off the opponents gun, this he does well. He gives all when he is on the court, tonight having 3 steals, 1 assist being assessed only 2 fouls. Bruce shot 46% from the field making 6 of 13. He was 100% from the free throw line canning 4-4. He jumped ball twice with Manchester controlling both. Bruce gathered in 3 defensive rebounds and 3 offensive rebounds. He had 1 turnover on walking. Bruce posted 16 points tonight which has the largest scoring of

the season being 22 points.

Manchester is now playing in the District playoffs hosted by Clinton. Monday saw Clinton defeat Hanover-Horton. Clinton now plays East Jackson Wednesday, winner advancing to championship on Saturday. The Dutch play Vandercook Lake on Tuesday with the winner playing Napoleon Thursday. Winner then proceeds to the championship game on Saturday. All games start at 7:30 p.m.

## Kenneth Beasley New Patrolman

## Success Is Getting What You Want

HAPPINESS IS WANTING  
WHAT YOU GET

by C. Chapin

Home Town Boy makes good! Horatio Alger stories and childrens tales beginning with the words "Once upon a time" are the pattern for the very old-fashioned story about a wildly exciting, with-it, rock group calling themselves the Brownsville Station. More particularly, the story we have today deals with a member of that group, Mike "Cub" Kodá, of Manchester, Michigan.

Born in Detroit, of parents George and Lois Kodá, with one sister Andrea, Cub came to Manchester with his family when he was about thirteen. Long before that, back when he was only five years old, he began drum lessons, and soon began playing along with records. Music was his dream and collecting records his hobby. Fourteen years old and he got his first guitar. A forty-two dollar Harmony guitar, and idol Gene Krupa had to move over to make room for Carl Perkins and Bo Diddley.

Cub and Andrea attended Manchester High School and here he formed the first band. The Del-Tinos, Cub, with Doug Hanks and Rusty Crouch, played locally and the "new" music had an unerring sound to the older generation, but the youngsters loved it.

Graduating in 1966, Cub then attended Northern Mich. University at Marquette, Mich. and soon had a band going, he began writing music, did a score for a play on campus called "Revival". Soon music crowded out everything else and Benny Goodman moved in to share heartspace with other idols.

"The two people I love and admire most in the world are my parents. My best friends are the two other members of the band, Michael "Sam" Lutz, bass, and Henry "H-Bomb" Weck, drummer, and my closest friend is my manager Al Nall, but my parents are the greatest," says Cub clearly and without batting an eye. This from the frantically yelling, fast moving, intensely alive member of one of rock's hottest young groups. Slogging around the country these past
