Klager School Proposed Addition

KINGSCOTT ASSOCIATES, INC.
 architects and engineers

-  ADDITIONS
-  REMODELING
-  EXISTING TO REMAIN

On Tuesday, March 26, 1974 registered voters in the Manchester School District will vote on two proposals. Proposition I will provide additional classrooms and other facilities for the Klager Elementary School. Proposition II will provide for the construction and equipping of a new athletic facility to include a lighted football field, track and supporting service facilities.

Both propositions, if successful, will require an initial millage levy of 1.84 mills. Debt retirement millage decreases as the district's state equalized valuation increases. At the present time the debt retirement levy is 3.27 mills, and this will undoubtedly decrease on the next levy by approximately one-half (.5) mill. Therefore, if the bonding proposals are approved by district voters the total debt requirement levy would be 4.61 mills or an overall increase of 1.34 mills.

It is obvious to many sport fans and others in the community that a new athletic field with a track is long overdue. Anyone who observes the many activities, both school and community, that take place on the present athletic field knows the hard usage this facility receives. Serving as a playground and outdoor physical education area to the middle school students during the school year, this facility also has a heavy summer schedule from the total community.

A large number of slow pitch ball teams use the ball diamonds starting in early April and continuing through the summer months. A great and worthwhile attraction to the entire area is the community fair which places heavy use for one week on this area. It is good that this school community has such an area that can

accommodate so many worthwhile activities. However, more and more the football field is being encroached upon to the detriment of the field. This in turn poses a potential threat to every student who plays football on this field.

One need the school district has had for years and never provided is a track. At the present time track is one of the fastest growing sports with over a hundred boys and girls involved. Manchester is one of the few districts in a large area that does not have a track for this popular and beneficial sport.

It is impossible to build a track on the present field due to the placement of the softball diamond, the baseball diamond and the refreshment stand. Knowing this the Board of

Education in 1969 with financial help from the Chicken Broil Committee took steps to develop a facility on the Klager Elementary site where land was available. Approximately ten thousand dollars was spent in rough grading and tiling an area suitable for a track and football field. The Board of Education now feel that this facility should be completed.

The total new athletic facility with football field, lights, bleachers, an all weather track, fencing and supporting facilities will cost the district taxpayer forty cents (40¢) a thousand dollars of assessed valuation. A taxpayer with a twenty thousand dollar assessment would pay eight dollars a year or a fraction over two cents (2¢) per day.

Dutchmen Defeat Clinton 95-74 For District Championship

By Jon Roger Hardenbergh

Monday, March 4 thru Saturday, March 9 is the first week of the basketball playoffs to see who goes to the regionals then the state. There are six schools participating in the District 64 Tournament hosted by Clinton High School. The 6 are: Clinton, Hanover-Horton, Manchester, Vandercook Lake, East Jackson and Napoleon.

Monday I saw the Clinton Redskins play the Comets from Hanover-Horton. It turned out to be close for only the first period then Clinton took over behind Dan Juesek hitting for 31 points and Bob Vogel canning 24 points. Final score was 78-61 Clinton. Clinton proceeds to play a tall East Jackson squad

on Wednesday.

Tuesday our Dutchmen challenged the Jayhawks from Vandercook Lake. The much shorter Jayhawks made up for their lack in height with a good defense and determined hustle. They made a contest of the first half as the Dutch held a slim 4 point lead, 26-22. In the first half John Savage hit for 8 points with Steve Beach and Dean Decker right behind with 6 each. The third period did it as Manchester opened up a comfortable 12 point lead. The Dutch just kept running along in the fourth period to finish as victors, 66-44. The turning point of the second half was caused by Savage and Bruce

SSI Meeting At Emanuel Church

A meeting on the new Supplemental Security Income has been scheduled for Tuesday, March 19th from 1:00 to 3:00 p.m., at the Emanuel United Church of Christ, 324 W. Main St., Manchester according to Mrs. F.W. Smith, SSI Area Chairman.

All low-income persons over 65 years old, relatives, or concerned friends are welcome to attend and learn more about this new benefit program.

Payment of the Supplemental Security Income (SSI) is administered through Social Security. A single older person receiving less than \$180 a month, or a couple receiving less than \$260, may be eligible for some SSI.

Mrs. Smith urges people who feel they or a relative might be eligible for SSI to attend the meeting on March 19th. Representatives from the Social Security Administration and trained Red Cross volunteers will be on hand to explain the new program, present guidelines for eligibility, and help fill out the necessary application form.

To help determine eligibility, older persons should bring; savings account statements, rent receipts, pension statements, car registration and insurance policies.

All persons receiving SSI will also be eligible for Medicaid, which covers prescription drugs and medical bills directly.

Interested persons who cannot attend the meeting or who want further information may call the SSI Alert office at the Red Cross headquarters in Ann Arbor, Phone 971-6085.

People who need transportation to the meeting should call the Manchester Volunteer Driving Services, phone 428-7617 or 428-3981. Please give at least 24 hours notice if possible.

Red Cross Blood Club

March is the beginning of the twenty-third year for the Manchester Area Red Cross Blood Club. The bloodmobile will be in Manchester, Friday, March 29, at St. Mary's Catholic Church Hall from 12:00 to 6:00 p.m.

Mrs. John Wallace, Jr., is Chairman-of-the-Day and she will be assisted by a volunteer staff of twenty trained Red Cross aides. The churches and industry in the area will be co-operating with the blood program to reach their 20% quotas for the coming year. Mrs. Paul Alber is chairman for the Emanuel Church of Christ, Mrs. Merrill Korth for Manchester United Methodist Church and Mrs. William Schwab for St. Mary's. Iron Creek Church chairman is Mrs. Ralph Janofski; North Sharon Bible Community Church, Mrs. Floyd Proctor; Bethel United Church of Christ, Mrs. Roman Reineck and Sharon United Methodist Church, Mrs. Lynn Voegeding.

Since the last clinic in October, Miss Annetta Breitenwischer has refiled all of the blood donor cards for the Manchester Club since 1957. In the process, it was discovered that there are at least five one-gallon donors who had not received credit to date. These names have now been added to the honor roll and the following will receive their one-gallon pins at the clinic March 29th: Millard Uphaus, Frances White, Robert B. Rutherford, Kenneth Kouba (10 pints) and Fred Spiess (12 pints).

Mrs. Charles King is making and distributing the posters for the clinic. Mrs. Jack Kennedy is in charge of the nursery for the Jaycees Auxiliary during clinic hours so mothers may come and donate blood without finding their own

LETTERS TO THE EDITOR

I am writing this letter in support of the Athletic Field Bond Issue. I have been up town and discussed this issue with friends and have listened to their comments on why Manchester should not have a new field and track. Their reasons are very good, a poor economic year, higher taxes, higher gasoline, lay-offs etc. The schools did not cause this problem, but as tax payers this is where we strike back with our vote. I feel Manchester needs a new field and track because of our OVERTIME of the old field. To the best of my knowledge no other school has as many events on their field as Manchester. I can see many organizations getting (bent out of shape) with this remark, but I'm not knocking any group as the events they hold contribute greatly to the community, and have every right to use the field. Add the Middle School kids with their over crowded situation having to use the field for play, the Football team, Varsity, J.V., 7th & 8th graders, Baseball in the Spring, our hardball teams with the 18 year olds, our girls softball team, the Farm

Leagues and Little League Summer teams, and our slow-pitch teams. One comment that has come up often (why not fix the old field?) That is like beating a dead horse. I could not sit back and tell any organization they couldn't use the field so it can be repaired. So we sit by thousands of dollars to resod and put in a new drainage field and possibly even a track if there was room. Back come all the events. In four or five years do the same repair work! Field is still OVER-used!! Lets give the Field back to the Athletes and to school.

Just as our schools have doubled in size, so has our Athletic Program. Many years ago wrestling was introduced, first in High School, then J.V. team now to many elementary children who are very active in the Midget Wrestling program. Much equipment has been bought and contributed to make this a very active sport.

Track is now a very active sport in High School and Middle School. There are many boys and girls and coaches who participate in this program. They are just as dedicated to their program as any athlete. These kids do their running on the roads and thru town, practice high jumping, running hurdles, pole vaulting behind the High School. This doesn't dim their enthusiasm, but I'd like to see some other sports have such a handicap. Track has become a rapidly growing school sport and if anyone has seen these kids in action its quite exciting. We have in Manchester a track coach (Mr. Larry Streeb) who even on his own time during the fall, keeps the track team active by taking them to meets in Jackson, Ypsilanti and Ann Arbor. There are even some young men who are out of school who compete in these events. They are open to young men under 20 and all different classes of schools.

A new Football and Track Field would contribute greatly to the Pride of Manchester. The coaches who are very dedicated to their Individual Sports Programs certainly would be very proud and boisterous about how the citizens of Manchester backs their school issues and athletic programs. Just as I think Carr Park is one of the nicest parks in the surrounding areas we could also point with pride at a new track and field.

The Athletic Field is going to have to be built sooner or later, and the cost has already doubled. Manchester is a

very sports minded community, and there are seldom so many sporting events that aren't discussed, either from the older generation as say do you remember when we beat Clinton - something to something in the year? or with the kids in school now with do you remember when Manchester beat Grass Lake in our 1st overtime game. Believe me I will remember.

I know we are being taxed to death, and for people who are on fixed incomes it is doubly hard. I think of the many people who are moving into Manchester, and our many young people who are starting families and we put our faith in our young people coming up, and needing improved facilities. Lets get out and Vote!

Dutchmen Defeat Clinton 95-74 For District Championship

Cray mainly on defense. Savage had 8 blocks and 1 steal while Cray grabbed 6 steals taking most in for 2 points. Savage ended up high scorer with 19 points as Beach and Decker added 12 apiece. Cray and Rich Kennedy finished offering 11 and 8 respectively. Kurt Kensler and Jeff Wallace capped the Dutch score with 2 each. Decker and Savage controlled the boards with 13 and 12 respectively. Cray helped with 7 rebounds. Manchester had less turnovers, 31-24. Now the Dutch meet Napoleon on Thursday.

Wednesday started round 2 of the playoffs putting the Clinton Redskins up against the Trojans from East Jackson. The starting line for the Trojans had 3 men taller than Clinton's tallest but you can't win if you can't put the ball in the hoop. Again Clinton's opponent was ahead after the first period but Jurasek hit for 25 points and Vogel pumped for 23 as Clinton stormed to a 77-56 win. Clinton now jumps to the championship game Saturday.

Thursday was another round 2 contest having Manchester against Napoleon. The Pirates were said to have a rough tough squad and true it was. The game was really physical but the Dutch didn't have trouble chalking up their second playoff victory earning the right to meet Clinton in the District Championship.

The Pirates kept it close in the first period as the Dutch held a narrow 2 point lead, 12-10. This was Savage's period as he scored 8 points. The second period saw the Dutch start to leave the Pirates behind as they out scored them 26-14 to lead at half 38-24. This period belonged to Decker as he poured in 12 points. The start of the third period was beautiful. The Dutch controlled the tip and moved

down to score 2 points. Then it happened. The Dutch threw a rarely used full court press on the Pirates. Scott Evislizer stole the ball twice under our basket and layed them up and in. After 4 minutes the Pirates were so rattled they called time out, at this point the Dutch had put 20 points on the score board to Napoleon's mere 2. It was a joke from here on out as Manchester closed the third period, 69-32. This period was Evislizer's as he stole the ball 3 times, popping for 12 points. One of the highlights of the game was the return of Scott Gormley. The crowd went wild when he entered, sank a 15 foot shot and left having played about 2 minutes. Final score was 82-48. Decker was high man hitting for 21 points while Evislizer had his best night to date tossing in 14 counters. Kennedy and Savage pumped in 12 each. Savage led in rebounding with 11 as Decker was right behind with 9. Gary Voegeding and Steve Beach gathered 6 apiece. I'm sure this game was the Dutchmen's lowest output in the turnover column, 16-20.

Saturday finally came putting the League Champion Manchester Dutchmen against the Redskins from Clinton. This was the third meeting for these 2 teams with Clinton winning the first but Manchester countered on their home court defeating the Redskins in overtime. The Dutchmen knew if they won their 2 playoff contests and Clinton did likewise that they would have another crack at the Redskins. So it was.

Ever since Thursday's win over Napoleon the Dutchmen were fired up to meet Clinton in the District Championship game. I arrived early to assure a good seat as 2000 people

jammed in the Clinton gym. The game was all Dutch after the opening tip, Savage out jumped his counterpart Tom Sharpe and the ball went to Decker who laid it up and in, being fouled in the process. Decker made his foul shot to give the Dutch a 3-0 edge. Clinton was cold from the field long enough for the relaxed Dutch to zoom to a 7-0 score before the Redskins got on the board. The rest of the night the Redskins tried to stop Savage but to no avail. Savage shot long, short or passed off missing very few shots. The first period ended 17-10 Dutch, paced by Decker's 7 points and Savage's 6. Behind Savage canning 10 more points the half closed with the Dutch in command, 42-29. Both teams used their full court press with Clinton suffering 12 turnovers in the first half to Manchester's 7. The third period showed the Redskins trying to fight back by out scoring the Dutch 23-21. Savage poured in 7 points as Kennedy and Evislizer posted 6 each. It did become breathtaking as at the 5:18 mark Clinton had rallied to bring the score to 69-64. Decker canned 2 free throws and Savage, Kennedy, Evislizer and Cray all connected on 2 pointers to leave the Redskins behind 79-64. The Dutch finished the game in a flurry of baskets to complete their rolling over of the Redskins 95-74. Savage remained unstoppable as he hit for 16 points. There are several dominant factors why the Dutch won. 1. The Dutch were relaxed and confident. 2. 7 players saw action and all scored. 3. Savage was unmet both on offense and defense, having burned the nets for 39 points and gathering in 16 rebounds, posting 8 blocks. 4. The Dutchmen's ability to break Clinton's press and the Dutch press and defense forcing Clinton to 29 mistakes to the Dutchmen's 19. 5. The Dutch being hot from the charity strip hitting 23 of 26. Adding to Savage's 39 points were Kennedy, Evislizer and Decker pumping for 15:14 and 13 respectively. For complete scoring, rebounds, and fouls consult boxscore. 2 big factors of all 3 games. 1. Manchester shot

80% from the free throw line sinking 63 of 80. 2. Having a lower turnover total, 59 to 80.

TAX FORM DUE FROM FARMERS AND FISHERMEN

Farmers and fishermen may have to file their Federal income tax return and pay that tax by a week from Friday, March 1.

Roger F. Shockoor, Acting IRS Director for Michigan, said today that farmers and fishermen, who did not file a declaration of estimated Federal individual income tax by January 15 should file their 1973 tax return and pay all tax due by March 1 to avoid a penalty.

Farmers and fishermen are defined as those persons who earned at least two-thirds of their 1973 gross income from farming or fishing.

IRS Publications 225, "Farmer's Tax Guide," and 505, "Tax Withholding and Declaration of Estimated Tax," provide additional information and are available free at the IRS office.

24 Hour Track Relay March 23

Members of the Manchester High track teams (both boys and girls) will be showing their support for the proposed Athletic Field on the millage ballot March 26th, by running a 24 hour relay beginning early Saturday morning (March 23).

The team members hope to focus the attention of the electorate on the need of the schools and the community for a new athletic field and track to relieve the strain on the already over-taxed old athletic field.

The team members would like to point out also that while the track program in the last few years has grown to become the second largest in the schools athletic program there are no facilities in the community for the sport.

The relay will be run in shifts of four runners to a group with each member running the one mile distance from the High School to Cam Park or the reverse and handing off to the next member of the squad. Each squad's shift will last approximately three hours.

The team members urge you to get out and vote on the issues (Klager School Additions and the Athletic Field) March 26.

Agriculture in Action

Michigan Farm Bureau

ever the consumer demands—but will do so only if they receive a fair profit from their labor and investment. In this respect, they are not unique. Major manufacturers of baling wire are no longer making it because the price ceiling on steel products, set by the Cost of Living Council, does not allow them to make a fair profit.

Farmers can readily understand this and have asked for a total lift of steel products for production. They know without adequate supplies of wire, there will be a shortage of cattle and dairy feeds. Then consumers will know how the "want of baling wire" affects the availability and price of their meat and milk.

Community Chest

The Annual Meeting of the Manchester Community Chest was held on Tuesday, March 5 at the F.M. Reck Library at the High School.

Reports were given by various agencies followed by election of new board members.

The four Board members elected to a three year term were: incumbents Robert Ross, Louis Vogel and Mrs. D.D. Ludwick, new board member Mrs. Ruth Blanchard.

The new officers for 1974-1975 are: President; Robert Ross, Vice President; Mrs. James Baker, Corresponding Secretary; Mrs. D.D. Ludwick, Recording Secretary; Mrs. Victor Wurster and Louis Vogel was re-elected Treasurer.

The date of the next meeting to be announced.

LOCAL BANKER GRADUATES FROM ABA INSTALMENT CREDIT SCHOOL

J.J. Kennedy, Assistant Vice-President of the Union Savings Bank of Manchester has graduated from the National Instalment Credit School sponsored by the American Bankers Association and the University of Oklahoma.

Aim of the two-week school is to educate bank officers on both the

technical and managerial aspects of instalment lending.

At the end of 1973 banks had nearly \$70 billion outstanding in instalment loans -- 47 per cent of the total outstanding for all lenders. Banks have been the nation's instalment lending leaders since consumer credit's great expansion began following World War II.

Some 260 bankers attended the school at the university's campus at Norman, Oklahoma. Classes covered such topics as simple interest, leasing, small business loans, the role of instal-

ment credit in the economy, home improvement loans and auto loans. The school's 20 faculty members include experts from the insurance, legal, and educational fields, as well as bankers. Students came from 50 states, Puerto Rico, and the District of Columbia.

The ABA is the national association of the banking industry. Its membership totals more than 13,000 banks -- nearly 96 per cent of the nation's total.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H. No prescription is needed for Preparation H. Ointment or suppositories.

Country Kitchen Skillet

Here's country kitchen fare that the whole family will love. Good, old-fashioned flavor fried bologna, potatoes and onions served kitchen style right out of the skillet. This simple recipe should not only bring back memories of your own childhood, when fried potatoes were a special treat, but is the answer for one of those Sunday night suppers when you need a quick recipe for a hot meal.

Long remembered, strictly for its use in sandwiches, bologna offers unlimited other uses for hors d'oeuvres, casseroles and a variety of dishes. Bologna generally sparks the little ones' appetites, too, because it's always a treat for children - even when it's disguised in a nutritious, one-skillet meal such as this one.

Peter Eckrich and Sons, Inc., a well-known meat processor, suggests you try this recipe the next time you have a hungry family ready for supper and you're looking for a meal that's quick and easy.

COUNTRY KITCHEN SKILLET

- 3/4 lb. Eckrich bologna, sliced 1/4 cup fat
1 cup sliced onion 1 tsp. salt
4 cups thinly sliced raw potatoes 1/4 tsp. pepper
2 tblsp. chopped green pepper 2 tblsp. chopped pimiento
Saute bologna in 1 tblsp. fat until lightly browned. Remove and set aside. Add remaining fat, onion, green pepper and potato to skillet. Cook slowly until potato is tender, about 25 minutes. As potato browns, carefully turn with a spatula adding salt and pepper. Sprinkle with pimiento, top with bologna, cover and heat through. Makes 4 servings.

Township Report

The regular meeting of the Manchester Township Board was held at the Village Hall, Monday, February 11 at 8 pm.

Members present were Fielder, Widmayer, Lentz, Burch and Marx. The minutes of the last regular meeting held at 8 pm, January 14 were read by the Clerk.

It was moved by Widmayer and supported by Lentz that the minutes be approved as read. Motion carried. The following bills were then presented by the clerk for the township board to approve.

1. Tom Marshall Inc. Overhaul of fire truck, oil, etc. \$106.34.
2. Manchester Enterprise envelopes, twp. meetings etc. \$42.85.
3. Mayer Schairer Co. 1 Twp. of Manchester Seal. \$11.95.
4. 10 - 1973 Zoning Supplement Mich. Twp. Ass'n. \$25.00.
5. Village of Clinton for stand by Fire

Service 1 year \$300.00, also for 1 fire contract run - John Mailly home 1 hour \$150.00.

6. Village of Manchester Dept. of Public Works, our share of operating cost. \$1,890.98.
7. Grossman & Huber Service - Gas for fire trucks for Jan. \$28.85.
8. Clarence Fielder Bal. on MTA Convention - expense to Grand Rapids \$22.54.

It was moved by Lyle Widmayer and supported by Dorothy Burch that these bills be paid. Motion carried.

On January 10th '74 a letter was received by the Manchester Township Board from the Washtenaw County Board of Health requesting for application of liquid chloride for township local roads.

Our reply was that we put an application of liquid chloride on all Manchester Township Local roads for 1974 on June 1st for 400 ft. in front of each house. Another like application on July 15. An estimated 50,000 gal. for total chloride spread.

Also on May 15 spread one applica-

tion of brine on entire length of Schleweisse Road to Rowins Road then east to M 52 and a duplicate spread of brine July 1st on same roads.

On February 11, 1974 at the regular meeting of the Manchester Township Board application was received for request of rezoning from Emory W. Garlick, 644 W. Main St., Manchester, Michigan.

It was passed by resolution to request the recommendation of the Manchester Township Planning Commission on this request for rezoning.

There being no further business the meeting was adjourned. Waldo C. Marx, Twp. Clerk

NAMED TO A HONOR ROLL

Seventeen year old Denise Way of Merced, California has been named to the A honor roll at Merced High School, north Campus, where she is a junior. Through the first semester, Denise had a 3.6 grade average, and is in the top 10% of her class which totals 985 students.

She is the daughter of Mr. and Mrs. Richard E. Way, formerly of Manchester.

FORMATION OF LAY CHAPTER OF KIDNEY FOUNDATION OF MICHIGAN

Organizational meeting for a lay chapter of Kidney Foundation of Michigan in the Washtenaw, Monroe, Lenawee and Livingston County area, will be held on Monday, March 18, in the public meeting room of Ann Arbor Federal Savings and Loan, Liberty at Division, in Ann Arbor at 8 pm. Miss Phyllis J. Carty and Mr. David St. Clair of the Kidney Foundation will share with those attending needs which can be met through the formation of a lay kidney-oriented group.

At this meeting a discussion will be held on activities in which a chapter can involve itself. Also provisional officers will be elected.

All persons interested in the work of the Kidney Foundation are urged to attend this public meeting.

Manchester High School will present its Second Annual All School Play, entitled "Tell Me That You Love Me, Junie Moon", March 22nd and 23rd in the Study Auditorium at 8:00 pm.

The play is an unusual love story. It includes three young people - Arthur, Warren and Junie Moon - which have each been marked tragically for life. They decide to pool their meager resources and face the world together.

This is an off beat play about off beat people and their adventures are sad and happy, comic and tragic. The play also has an interesting underlying question for everyone in the audience - what would they do in this circumstance?

The students and the characters they are portraying are: Junie Moon - Kathy Opal, Arthur - Tom Guenther, Warren - Scott Gornley, Minnie - Shelly Spencer, Dr. Kirkland - Gary Voegedins, Miss Holt - Dorian Tassie, Miss Oxford - Karen Kennedy, John Goren - Mark Feldkamp, Marilyn - Cheryl Carr, Sidney Wyner - Tom Steele, Gregory - Michele Jenkins, Mario - Paul Tassie and Intercome - Jean Kees.

To see this exciting and dramatic play, tickets can be purchased from one of the above cast members or at the door. We are anticipating a sell out crowd both nights so don't delay buy your tickets today. See you there!

DRIVING SERVICE OFFERED

This is a reminder that the Manchester Senior Council has organized a driving service for senior citizens in the Manchester area who need transportation.

If you need a ride to the doctor, market, drug store, etc., please call 428-7617 or 428-3981. Please try to give at least 24 hours notice of your transportation needs.

Mike Moon Fund

One morning two neighbors sat drinking coffee when they agreed someone should do something to help Mr. and Mrs. Harold Moon bring their son, Mike, home from the University Hospital.

The first step was to contact the Clinton State Savings Bank where Mr. David VanTuyle agreed to accept contributions and set up a fund for Mike. Next was a visit to the Village Council meeting where President Floyd Tate proclaimed March 8th as Mike Moon Day.

Letters were sent to radio stations, newspapers, industries, clubs, organizations, churches, the school, and soon, everyone was talking about Mike Moon Day. Posters appeared all over town, businesses set up canisters, folks stopped in and mailed checks to the bank. The fund drive was on, and the people were all united for a worthy cause. On Mike Moon Day, women had canisters on Michigan Avenue in Clinton. The total received in that eight hours was \$1,361.82. At noon Monday, March 11, 1974, there was \$7,290.00 in the fund. We would like to reach a goal of \$10,000.

Mike needs special equipment when he gets home. He was in an auto accident in August, 1973, and is now a quadriplegic. He has lost the use of his arms and legs. Mike had finished his freshman year at Albion College and was to return for his sophomore year the day after the accident happened. Mike has not given up; he still wants to finish his education. If you

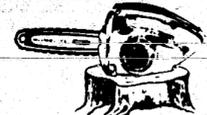

would like to help Mike, send your contribution to the Mike Moon Fund: Clinton State Savings Bank, Clinton, Michigan 49226.

To those of you who have already given, we sincerely thank you. Words just cannot express our gratitude to all of our wonderful neighbors in Jackson, Lenawee, and Washtenaw Counties.

This all started over a cup of coffee, but without the hundreds of folks that have given their time, talents, and monies, the drive would never have been successful. So, the two women want everyone to know they surely didn't do this alone.

A little boy stopped in front of an abstract painting in a gallery exhibition. "What's that?" he asked his mother. "It's supposed to be a child and his dog," she explained. "Well," demanded the boy, "why isn't it?"

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

A friend told me about the President's Commission on Marijuana and its report. I would very much like to know how to get a copy. I understand that the Commission has come up with facts which disprove the President's blubber about marijuana being harmful. I want to see these facts for myself and be able to show my friends and relatives. —G.E. Warren

I'll be glad to help you obtain copies of these extensive reports. However, you may be surprised by what you read. Although the Commission did attempt to dispel some myths about the issue, it did not recommend legalization of marijuana. On the contrary, the Commission proposed stringent measures to reduce the production, distribution and use of marijuana. You may obtain a copy of the Commission's first report by writing to the Government Printing Office and asking for "Marihuana: A Signal of Misunderstanding." The price is \$1.90. The Commission's second report, "Drug Use in America: Problems and Perspectives," is available from the GPO for \$2.25. Many public libraries have copies of the reports available for study without charge.

Our baby is six months old and at times we leave her with a baby sitter. What I'm looking for is a guide for baby sitters. It seems like the government prints a booklet on just about everything. Any chance it has to fit our needs? —C.C., Detroit

As a matter of fact, there is a booklet for baby sitters. It's called "When Teenagers Take Care of Children, A Guide for Baby Sitters." You can get a copy for 25¢ by writing to the Government Printing Office, Washington, D.C. 20402. Ask for Catalog No. FS 17-210-409. This booklet will not keep kids from spilling their milk, but it can be helpful in many ways to prevent the unexpected! Good luck!

RETIRED MISSIONARY TO SPEAK AT BETHEL UNITED CHURCH OF CHRIST

The Rev. Clifford H. Towle, a former United Church of Christ missionary retired after 35 years of service in India, will speak at Bethel United Church of Christ, 10425 Bethel Church Road, Manchester starting at 8:00 pm., March 22. Everyone is invited.

Combining the talents of agricultural engineer and training as an ordained minister, Mr. Towle spent most of his life in western India helping the local farmers to modernize their methods. As director of the agricultural extension program at the Vadala Rural Life Center, Mr. Towle worked with farmers of the Ahmednagar District helping them to develop their land through the use of tractors, mobile pumps, and other machinery. The program also helped to develop water resources of the area, blasting new wells with modern equipment and deepening old ones.

Upon Mr. Towle's retirement in March, he turned over a going concern of 14 teams in the field, 114 men on payroll, and about \$400,000. Now the project has four high-speed drills that can bore through 100 feet of solid rock in a day.

In 35 years, the Towles have collected a wealth of friends, experiences and interesting stories. He's survived a typhoon in a steamer loaded with scrap iron, driven across Europe twice by car and watched the preparations for what was to become the war between India and Pakistan.

The Towles have returned to their native Massachusetts and are living in Pelham. The Towles have three grown daughters and although they have established their own lives, all would go back to India "at the drop of a hat," concluded Mr. Towle.

MEN AND BOYS NIGHT AT SHARON UNITED METHODIST CHURCH

All the men and boys are invited to Men and Boys Night which will be Tuesday, March 19, beginning at 7 pm. with a smorgasbord type dinner followed by a program featuring sports by John Korican, Athletic Director at Manchester High School (including movies of some Manchester games). Tickets are \$1.50 and 75¢ (under 5 free) and will be available from Rev. Peterlin or Bruce Hunt or at the door the night of the banquet.

ATTENTION ARBIETERS

The Arbitrer Meeting has been postponed until April 8.

Red Cross Blood Club

Industry pre-registration for the Bloodmobile will take place at each individual plant. Church chairmen will contact their own members. Other prospective donors in the area who are not covered by these sources may register at the Union Savings Bank counter or call Mrs. Wallace at 428-8442.

Card of Thanks

A warm and sincere thank you
for the many cards and acts of kind-
ness shown me during my stay in the
hospital and since returning home.

Dear Concerned Citizens,
How can we express our gratitude
to all the wonderful people who have
become so concerned about Mike and
his future?

Your response to Clinton's Mike
Mo on Day has been overwhelming.

We would like to say a deeply
felt thank you to all who in any way
contributed to make Clinton's endeavor
to help Mike such a tremendous success.

May God bless you all.
Sincerely,
Mike, Dorothy, Harold Moon

IN MEMORIAM

In Memoriam of Ernest Flint who
passed away 5 years ago the 14th of
this month.

What Would We Give To Say
Hello Dad

"Hello Dad," in the same old way
To hear your voice and see your smile,
To sit and chat with you awhile.
So many times you seem so near
Your loving voice I seem to hear.
Some may forget that you are gone,
But we'll remember no matter how
long.

Sadly missed by his family.

Congratulations Regional Champs

Dutch with their Regional Trophy, missing from picture Mgr. D. Popkey and Steve Beach.

By Jon Roger Hardenbergh

You could say the Dutch really muddled
thru this one and lucked out in winning.
For most of the game the old Dutch
snap wasn't there then the beginning 4
minutes of the third period showed im-
provement as the Dutch jumped to a 10
point lead but proceeded to lose it. The
Dutchmen did maintain a 3 point edge
and slowly enlarged it to send the Royals
back to Blissfield 69-55.

The Regional #17 tournament was
played in a huge arena at Jackson Park-
side High School. The Dutch controlled
the opening tip but fell to hot field
shooting from the Royals, 14-12. By
the second period the Dutchmen had
discovered Blissfield wasn't as easy an
opponent as their 10-8 record showed.
The Dutch fought the clock to go to the
locker room up by 1, 28-27. Rich
Kennedy and John Savage kept the Dutch
in the game scoring 10 and 8 points
respectively. Supersub Scott Evislizer
entered in the second period to add 6
points.

I kept waiting for "it" to happen--
"it" being the Dutch offensive explosion.
The third period saw the Dutchmen's
full court press finally force the Royals
into some costly mistakes. Soon the
Dutch were sitting back the proud owners
of a 10 point lead. But Blissfield couldn't
be written off yet as they rallied to
close the period 45-41. In the fourth
period Blissfield couldn't crack the 3
point mark as the Dutch basketballers
traded buckets for awhile then started
pulling away, paced by Kennedy's 11
point effort. Savage and Cray added
10 each with Gormley offering 7 points
in the second half. Final tally was 69-
55.

Kennedy was high tonight hitting long
and short for 21 points. Savage had a
well balanced game posting 19 counters
and grabbed 11 rebounds. Gormley made
his first start since breaking his ankle
February 16 to toss in 11 and sweep
the boards 8 times. Cray and Evislizer
had a good night pumping for 10 and 6
points respectively. One thing that hurt
the Dutch was Dean Decker having an

SCHOOL PLAY POSTPONED

Because of our school's participation
in the state basketball tournament the
All School Play is postponed until after
the basketball season.

The powerful Dutchmen just kept roll-
ing, this time sending the Blackhawks
home to Leslie. Leslie was the number
8 school in the State but this didn't
scare the mighty Dutch. Some say the
3,000 delirious fans were the most to
witness a contest in Jackson Parkside,
these fans saw Manchester take it to
the Blackhawks and come away 71-62
victors to win their first Regional title
since 1946.

Manchester had the height and Leslie
were small but fast. Leslie controlled
the opening tip but not the score. The
Dutch took advantage of Leslie's cold
field shooting to jump into a 7 point
lead, 20-13. In the second period the
Dutchmen tied the Blackhawks up in
the sense Manchester showed speed and
superb ball handling to hold a 13 point
lead. The Blackhawks started hitting
from the field to close the half down
only 6, 36-30. At this point I was feel-
ing pretty good because Leslie hadn't
been very impressive. We had broken
their press for easy buckets and on
offense they were cold. I was soon to
discover why Leslie was number eight.
Savage got the tip to start the third
period then Leslie showed me their class.
They just ran and shot so in 3 minutes
they captured the lead at 39-38. Still
not stopping they zoomed to a 5 point
lead. Coach Schick shoved his supersub,
Scott Evislizer in the game to give the
Dutch a spark. Scott ignited the offense
as they rallied to put Leslie down by

3 at the period end, 52-49. It was this
junior dynamo who turned the momentum
around with 2 steals and an assist to
put the Dutch ahead for keeps. The
fourth period saw Leslie's center foul
out giving Manchr for all the height.
Savage fouled out at the 2 minute mark

Register Now For Bloodmobile

Blood donors are urged to register
before or by March 25 so that they may
be scheduled for definite appointment
times by the Chairman-of-the-Day for
the Bloodmobile Friday, March 29, the
hours for the clinic are 12:00 to 6:00
as usual. For information or phone
registration call the Chairman, Mrs.
John Wallace, Jr. at 428-8442 or Mrs.
Ica Schaffer, 428-2541.

Important Notice: Striking Double A
Products employees may register at
their reporting station where appoint-
ment cards and instructions are avail-
able. Gary Brokaw, 428-8119, is handling
this portion of the drive for blood donors.
Donor cards should be signed by the
25th.

Person-to-person registration be be-
ing done through all the churches in the
area and at the industries. The new
chairman for Emanuel Church of Christ
is Mrs. Ica Schaffer due to the hospital-
ization of Mrs. Paul Alber.

Notice to mothers bringing children
to the nursery at the clinic. The Emanuel
Church of Christ is opening their Nur-
sery School Room for the clinic. Mrs.
Jack Kennedy announced this week. Chil-
ren should be taken to the nursery, a
half block from St. Mary's church on
the adult's way to the Bloodmobile.

Manchester Blood Club has had its
share of emergencies in its lifetime.
Babies have had to have a complete
change of blood shortly after birth be-
cause of the RH factor in the parents
blood; open heart surgery has almost
become a routine request; blood al-
lments that have taken 35 to 100 pints
of blood per year per victim have been
success stories in some cases and losses
in other which went beyond the control
of new blood. Then there has been a
parade of accidents and illnesses that
have needed varying amounts of help
that only an active Blood Bank can fur-
nish.

Now is the time for you to help.

Engagements Announced

Mr. and Mrs. Robert Swartz of Man-
chester announce the engagement of their
daughter, Susan to Martin J. Way, son
of Mr. and Mrs. Richard Way, of Mer-
ced, California.

Both Susan and Martin are graduates
of Manchester High School. The bride
elect is a graduate of Western Michigan
University. She is presently teaching
at Lyle Torrant Training Center in
Jackson. Mr. Way attended Ferris State
College and is employed by the Dexter
Bakery.

A June wedding is planned.

Mr. and Mrs. Nova L. Creason
announce the engagement and forth-
coming marriage of their daughter Amy
Ann to Floyd E. Coppernoll of Grass
Lake.

School Board Answers Your Questions

The proposed addition to the Klager
Elementary Building is planned to pro-
vide one extra classroom for each grade
housed in that building Kindergarten
through fourth and allow the school dis-
trict to move the fifth grade students
from the Nellie Ackerson Building to
the Klager Building. This move would
provide room for the Middle School,
grades six through eight, to grow in and
alleviate the class size problems in this
school. With classrooms in the Klager
Building and the Middle School filled to
the negotiated size or above, it stands to
reason that new, additional rooms are
needed now for the growth that is coming
to the school and to the community.

There are some who feel that extra
elementary classrooms, when built,
should be added to both the Klager School
and the Pleasant Lake School. In other
words, if ten new classrooms are built
in the district five should be added to
each school. Unfortunately, our overall
growth pattern and the enrollments in
the Pleasant Lake School do not justify
this particular plan. Also, of the forty
new families who have moved into our
school district this current year only
seven families were in the area serviced
by the Pleasant Lake School. At the
present time the need for additional
classroom space is in the village schools,
both elementary and middle. When the
enrollment and the growth in the Pleas-
ant Lake Area warrant additional class-
rooms at the Pleasant Lake School, the
Board will certainly act upon this need.

Because a number of good questions
concerning the proposed athletic field
have been raised, we would like to re-
spond to them through this newsletter.
Q. What will the new facility cost the

taxpayers?
A. The total new athletic facility in-
cluding the football field, all weather
track, lights, bleachers, fencing and
supporting facilities will cost the dis-
trict taxpayer forty cents (40¢) a thou-
sand dollars of assessed valuation. A
taxpayer with a twenty thousand dollar
assessment would pay eight dollars a
year or a fraction over two cents (2¢)
per day.

Q. Why can't we remodel the present
field?
A. The present field is already over-
taxed for space with the extensive use
by middle school gym students. (Approx.
130 each school hour in good weather)
It would be impossible to place a run-
ning track on this field because of the
placement of the baseball diamond, the
softball diamond and the refreshment
building. To improve the football field
as it should be improved would require
relocating the present ball diamond and
the existing light poles. This is not
feasible nor practical without additional
land. This is not available in this area.

Q. Why is a track necessary to our
athletic program?
