THE MANCHESTER ENTERPRISE

107TH YEAR NO. 25 TEN CENTS PER COPY THURSDAY, APRIL 18, 1974

Manchester Track Team Tri-Captains For 1974

Bruce Cray

Brad Frey

Tom Guenther

Opal both should break their class records in their specialties, the mile and 2 mile and be contenders for scoring points in the League meet in mid-May.

The underclassmen won't be the only ones scoring points this spring as the senior class has school record holder Tom Guenther in the mile and 2 mile. Guenther has an excellent chance to take top honors in the 2 mile this year at the League meet.

Bruce Cray and Brad Frey are both top multiple event performers, Cray in the high jump and long jump and Frey in the long jump and dashes. Cray and Frey along with Tom Guenther are this seasons Tri-Captains.

Two other Seniors also will be top scorers. John Savage is a consistent threat to top 6 foot in high jump, while John Roberts should be one of the League's premier milers.

Hold overs from last season that should be much improved this season are quarter-miler Dean Decker, shot putter Bill Mann, and sprinter Kurt Koceski. Coach Steeb is counting heavily on these 3 to improve greatly from last season and become the top performers that he feels they should become.

Four other performers that Steeb feels can contribute greatly to this years team are Sophomores Doug Clark shot put, Randy Bennett sprints and hurdles, Rick Rogers 1/2 mile and Junior Dave North middle distances. All four show great potential.

Although Freshman generally don't contribute much to a teams strength in their first season this years crop may be an exception.

Freshmen Pete Tassie and Dan Clark both look to be top prospects. Indoors already Pete Tassie has high jumped 5'6" and he looks to be a point gainer in the hurdles and sprints also. Clark's speciality is the shot put and his performances so far indicate possible star status in the event in the near future.

Two other top yearling prospects are pole vaulter Mike Fomer and middle distance runner Bob Smith.

Rounding out this years Freshman crop are the Janish brothers, Lester 880-mile, and his swift brother Richard 440-880, Gary Bondy 2 mile-mile, Tom Krzyzaniak mile-& mile, Tom Fitzgerald pole vault and sprints, and Dan Hassett high jump.

So because of misfortune the flying Dutchmen probably will not be title contenders this season, but the team looks to have a bright season under Coach Steeb and his assistant Mark Spencer.

Dave Clark should be a consistent point scorer in his event, the shot put, were he should be consistently around the 40 foot mark.

Two excellent middle distance runners should also be top point getters from the sophomore class, Dan Schaible and Tom

Dutch Trackmen Crush Britton

The 1974 edition of the Manchester High Track Team got off to a rousing start last Wednesday as the Flying Dutchmen crushed Britton-Macon 85-34 on Ypsilanti High's track.

Although Coach Larry Steeb would caution that Britton is not one of their stronger opponents this season, he would agree that the early season performances were especially good.

Top point getters for Manchester were Kurt Kensler, 1st 440 (54.5), 2nd 220 (24.4), anchor leg on winning 880 relay, and Sophomore Dave Guenther, 2nd in long jump with an excellent 19'2" jump, 2nd 100 (11.4) and legs on the winning 880 and mile relays.

Although top individual performances abounded, Senior Tri-Captain Tom Guenther's 2 mile school record of 10:29.5 had to be the best, Tom passed the mile mark on the way to his school record at 5:07 faster than the winning time in the shorter event.

The Dutch thinculds put together a 27-5 edge over Britton in the field events and never looked back.

In the shot put Freshman Dan Clark topped everyone in his first varsity meet with a winning heave of 41'9". Second and third went to his teammates Bill Mann 40' 8 1/2" and his brother Dave 39' 9".

The Dutchmen also swept the high jump with Bruce Cray 1st 5' 4", John Savage, 2nd 5' 2" and Freshman Pete Tassie, 3rd 5' 2".

The long jump went to Britton's Dan Exelby but Dave Guenther was 2nd and Brad Frey was third 18'9". In the pole vault only Dutchman Freshman Mike Fomer could clear the opening height as he won with an 8 foot vault.

The 880 relay foursome of Dave Guenther, Pete Tassie, Brad Frey and Kensler reached the tape 1st (1:40.9) as did the mile relay quartet of Dean Decker, Rich Janish, Phil Krzyzaniak and Dave Guenther (3:57.7).

In the individual running events Phil Krzyzaniak led a Manchester seep of the 880 run with a 2:12.4 clocking followed by Rich Rogers 2:19.6 and Rich Janish 2:19.7.

Junior Paul Tassie was 2nd in the high hurdles 19.2 and 3rd in the lows 25.3 to account for 4 points. While John Roberts was first in the mile at 5:05.9 followed by teammate Dan Schaible at 5:12.4.

Other point getters for Manchester in the running events were Dean Decker, 2nd 440 (58.8), Randy Bennett, 2nd 100 hurdles (25.0), and 3rd 100 yd. dash 11.6, while Tom Opal was 2nd in the 2 mile at 11:29.

All in all it was the best opening day performance in the 3 years Coach Steeb has been guiding the team and he was quite pleased.

March of Dimes Walkathon

"No experience is necessary to be a sponsor," says Mrs. Edward Salowitz, general chairman of the Washtenaw County Chapter of the National Foundation March of Dimes' second annual walkathon. The walkathon is scheduled for Sunday, April 28th, starting and ending at Huron High School in Ann Arbor.

Those planning to participate in the walkathon are now actively getting people to sign a pre-determined pledge starting at 10 cents a mile or up. Those sponsors may be parents, friends, relatives, neighbors, businessmen or even entire organizations.

All proceeds from the walkathon go to the Foundations' fight to prevent birth defects and to aid those already afflicted. Over 250,000 babies are born each year with crippling birth defects.

The walkathon course is 16 miles and is set up with checkpoints along the way. Each walker passes through these checkpoints and their route cards are stamped certifying each mile they have walked. After the walkathon these certified cards will be shown to each sponsor for payment as previously pledged.

Anyone may participate in the walkathon, but children under 12 must be accompanied by an adult. Those between 12 and 18 years of age must have signed permission from a parent or guardian.

Sponsor sheets are available in all communities at local banks, high schools and junior and middle schools. Refreshments will be served along the patrolled route of the walkathon and prizes will be awarded to the top participants.

U-M football coach Bo Schembecker is honorary chairman of the walkathon.

Jaycee Auxiliary Elects Officers

This past week the Manchester JayCee Auxiliary elected its new slate of officers who will be installed on Wednesday, May 8 at the West Bank Beef and Barrel in Ann Arbor. Those newly elected officers are: President - Cheryl Dunn, Vice-President - Barbara Kennedy, Secretary - Diana Sloat, Treasurer - Rita Culp, Directors - Rosanne Hawk and Sandy King, and Chairman of Board - Beverly Poet.

Operation Petunia

The Manchester Chamber of Commerce will again this year launch "Operation Petunia", with the chamber planting the petunias in the park along Main Street.

If you would like to join this project by planting petunias on your property (at a small cost to you) please notify Glenn Lehr at 428-8277 or fill in coupon below and mail to Glenn Lehr, Galloway Drive, Manchester.

Please indicate how many flats of petunias you would like.

Lend-A-Hand

On April 27, from 1:00-6:00 P.M., the Manchester Senior Council in co-operation with the JayCeess, church groups, and other community groups will sponsor a Lend-A-Hand Day for senior citizens. On this day these groups will be ready to help Manchester senior citizens with housekeeping, yardwork, taking trash to the dump, or other spring chores. All donations received will go to the organizations sponsoring workers.

If you need a hand with any of your spring clean up work on April 27 or have any questions please call Don Steele (428-8984) Mark Roberts (428-7401) or Emanuel Church at (428-8359).

We have plenty of eager workers, so please do not hesitate to call.

LETTERS TO THE EDITOR

Ms. Barbara Walters
TODAY - NBC - N.Y., N.Y.

Re: Telecast Thursday, April 11 with Professor Rusk on Good Friday.

Dear Barbara:
It was a pleasure this morning to hear you and Professor Rusk discuss the matter of the burial and resurrection of Christ. Many just drift along from year to year without ever considering the facts. We agree with Professor Rusk that since Jesus said in Matthew 12:40, "For as Jonas was three days and three nights in the whale's belly, so shall the Son of man be three days and three nights in the heart of the earth," it has to be a period of 72 hours, and the Bible itself reveals when these 72 hours began and ended. It was evening when Joseph of Arimathea came to Pilate to beg the body of Jesus, Matthew 27:57, "When the even was come, there came a rich man of Arimathea

named Joseph, who also himself was Jesus' disciple: He went to Pilate and begged the body of Jesus." This means that Jesus was crucified on Wednesday afternoon and during Wednesday night His body was prepared for burial. See John 19:39, "And there came also Nicodemus, which at the first came to Jesus by night, and brought a mixture of Myrrh and Aloes, about an hundred pound weight. Then took they the body of Jesus, and wound it in linen clothes with the spices, as the manner of the Jews is to bury." And, it may well be that by the time his body was fully prepared for burial, (yes, it had to be, to make the perfect three days and three nights) just as Wednesday night ended and Thursday morning began, since we find in Matthew 28:1, "In the end of the sabbath (Saturday - 7th day), as it began to dawn toward the first day of the week, came Mary Magdalene and the other Mary---". So, going back 72 hours, gives us the beginning of Thursday morning. Thus, Jesus was in the tomb all day Thursday, all day Friday and all day Saturday (3 days), and all night Thursday, all night Friday and all night Saturday (3 nights).

Many have stumbled over the fact that in Mark 15:42 it says, "And now when the even was come, because it was the preparation, that it, the day before the sabbath, ---", by believing that the only sabbath was the 7th day (Saturday) sabbath. However, the Jews had many sabbaths, and this particular one (Thursday that year) was called a "high" sabbath.

This is the first time we have written to you, Barbara, but we listen (and watch) TODAY quite regularly.

Sincerely,
Dorothy Brown

cc: Professor Rusk

P.S. If you search this out in a good encyclopedia, you will find that neither Easter nor Christmas were observed until the 4th century, and both are foreign to the teaching of the scriptures. Funk's Manual of Church History (used by the R. C. Church in training their priests), says that both of these, Easter and Christmas, are "Christian equivalents" of Pagan festivals. It is a fascinating subject and one worthy to be investigated.

OBITUARIES

Otto G. Trinkle
Chelsea Methodist Home

Age 80 years, a retired Manchester area farmer died Friday at the Chelsea Community Hospital.

He was born August 25, 1893 in Lima Township, the son of Christ and Julia Staebler Trinkle.

He was married to Ruth Lutz on December 4, 1918. She predeceased him in death on February 11, 1967.

He was a member of Emanuel United Church of Christ, Manchester Lodge #148 F & AM, Royal Arch Masons, Order of Eastern Stars and Washtenaw Farm Bureau.

Survivors include two daughters; Mrs. Robert (Edna) Diferderfer of Manchester, Mrs. Elman (Jean) Kopka of Manchester, three grandchildren, two brothers; Clarence Trinkle of Chelsea and Elton of Springfield, Ohio.

He was predeceased in death by son Norman in 1924, two brothers and one sister.

Funeral services were held Monday 1:30 PM at the Jenter Funeral Home. Pastor Eugene Nelson officiated. Burial followed in Mt. Hope Cemetery Freedom Township. Memorial contributions may be made to Emanuel Church or the Chelsea Methodist Home.

Masonic memorial services were held Sunday 8 p.m. at the Jenter Funeral Home.

Patrick A. Spensley
19800 Sharon Valley Rd.
Manchester

Age 22 years, died early Thursday as a result of injuries received in an automobile accident in Hamilton, Ohio.

He was born February 29, 1952 in Detroit, the son of Charles and Margaret Williams Spensley.

Patrick graduated from Culver Military Academy in Culver, Indiana in 1970. At the time of his death he was a senior in Miami University in Oxford, Ohio. He was to graduate in June.

He is survived by his parents Mr. and Mrs. Charles R. Spensley of Manchester, five brothers; Michael a student at M.S.U., Robert of Ypsilanti, Charles and John, students at Culver Military Academy, Stephen at home, paternal grandmother, Mrs. Naomi Spensley of N. Hollywood, California.

He was predeceased in death by a brother David in 1957.

Funeral services were held Saturday 1:30 PM at the Jenter Funeral Home. Rev. Walter Damberg officiated. Burial followed in Oak Grove Cemetery.

OSTOMY CLUB

The Ostomy Club of Washtenaw County will meet on Thursday, April 18, at 7:30 P.M. at the Senior Citizens' Guild, 502 W. Huron Street, Ann Arbor. Guests are welcome!

COUNCIL PROCEEDINGS

April 1, 1974

Council met in regular session with the meeting called to order by Pres. Little at 7:10 pm. Present were Beal, Curley, Daniels, Fitzgerald, Mahony, Scully, Walton and Zsenyuk. Minutes from the March 18, 1974 regular meeting were read and approved in a motion by Fitzgerald, supported by Scully. All yeas, carried. Zsenyuk presented the Police report for March, 1974.

Police runs: 50 Vehicles investigated: 65 Persons investigated: 177
Number of complaints: 22 Vacation checks: 30
Assists other departments: 4 Doors found unlocked: 2

(Washtenaw County)
Crimes investigated: 13
Forgery: 2
Larceny from building: 1
B & E Business Place: 3
Total Arrests: 6
Fogery: 2 (juveniles)
Robbery not armed: 1
Total Traffic violations: 34
Moving Violations: 12
N.C.P. 3 Expired Lic. Plate 1
No reg. 1 Disregard Stop sign 2
Speeding 3 Pass School Bus 1
Equipment 1 Misc. Ord. 1 (Minor in poss. of alcoholic bev.)
Warnings issued: 53
Accidents: 2
Inj. 1
P.D. 1

Crimes closed: 3
Attempt B & E: 1
Larceny (Simple): 2
M.D.P.: 4
Larceny from building: 2 (juveniles)
D.U.I.L.: 1
Parking Violations: 24

Zsenyuk also discussed current activities in the Police Dept. In conjunction with the JayCeers, the Manchester Police Dept. will be carrying out "Operation Identification", a project whereby individuals' valuable belongings will be marked at their request and for no cost. The Police Auxiliary will provide the manpower and the JayCeers will pick up the cost of the stickers supplied to participants. Smaller appliances can be marked at the police station, Elderly people, or others who cannot bring items to the station due to the large size of the item may call and arrange to have the appliance scribed with their Driver's License in their homes.

The new police car is in operation. A maintenance contract with Comtronics of Jackson to service the police radios is being considered. However, and decision will be held until after a meeting scheduled with a Federal Committee regarding the availability of a grant to provide more updated police equipment. If granted, the equipment would cost the Village 5% of the total. The meeting is set for April 9, 1974.

Delinquent tickets were discussed with Judge Arkinson, who said he would issue warrants on them, but final warnings must be sent out first. Zsenyuk reported that the warnings are being printed.

Civil Defense requires three shelter areas. Because of the basement areas the Catholic, Emanuel and Methodist Churches possibly will be designated as Emergency Shelter areas. This must be done before any C.D. equipment would be available to run such a shelter. Generators, helmets, etc. can be acquired at that point.

Larry Becktel was present in regard to the proposed restrooms for Kirk Park. He said that it had been approved as a JayCee project; the group will now be contacting the Chicken Broil Committee and the Optimists to see if they want to contribute also. The Public Works will dig the footings and pour the concrete, charging the JayCeers for the concrete. Previous to that Bruce Daniels will stake out the designated area for approval.

Fitzgerald discussed Public Works activities of the previous two weeks. County engineers have been contacted regarding the quality and quantity of gravel that can be made from the water plant hill. Requests for bids on asphalt work for West

Main Street have been mailed out. Meters have been read and meter bills will be out shortly. Bids were received for paint to be used at Cam Park; \$6.84 per gallon in one gal. lots and \$6.65 per gal. in five gal. lots from Gambler, and \$6.25 per gal. from Beals. A six inch water main is recommended on Clinton Street to service a new restroom at the park and any future needs of the area. The estimated cost is \$2500 to \$3000. The crew has patched asphalt and cleaned catchbasins. They are setting up the radio tower at the office. Some work has been done on the sewer line near 815 Vernon in an attempt to rectify the stinking in and holes which have occurred. McNamee, Porter and Seeley would like to submit the plans and reports to state officials on the sewer plant program. These have been currently under review by Council. Moved by Fitzgerald, supported by Scully that the plans be submitted. All yeas, carried. The snow removal budget was over for the combined Major and Local streets, fiscal year 1973-4 by about \$3800. This is approximately what the major snow storm last March cost the Village. The Equipment Report for February was \$1218.62 for equipment usage. Bruce was requested to obtain some general figures for sidewalk work in the downtown area, for which a special assessment district would have to be set up. Trees are due about the middle of April.

Mahony reviewed the year-end preliminary report as well as the invoice listing. Moved by Mahony, supported by Fitzgerald to transfer \$1326.10 from Federal Revenue Sharing to the General Fund. All yeas, carried. Moved by Mahony, supported by Curley to pay invoices as listed. All yeas, carried.

SERIES ON "THE CHILD: IN HOME AND CHURCH"

Adults are very concerned about the future of our younger generations of today. Beginning on Thursday evening, April 25, at 8:00 p.m., and continuing for four Thursdays, a series dealing with "The Child: In Home and Church" will be held at the Sharon United Methodist Church. The Reverend Tim Lentner from Maybee an ordained Lutheran minister who also works with the Washtenaw County mental

health program, will be leading this series.

There will be group discussion, a time for questions and sharing of ideas in the various areas of special interest (teachers, parents, etc.) This is a cooperative series of the Southwest Washtenaw County Churches in Ministry. A fellowship time will follow each session. Most of you have children, or grandchildren, or teach children, or are visited by the neighbor's children and are interested in learning more about how to guide children. All interested persons are welcome to attend.

EMANUEL UNITED CHURCH OF CHRIST TO HOST ELMHURST COLLEGE CHOIR CONCERT

The Elmhurst (Illinois) College Choir will present a spring concert at 7:30 p.m. at Emanuel United Church of Christ, 324 West Main St., Manchester. The Reverend J.W. Wise is pastor of the concert will be held on Saturday, May 4. The 40-voice choir, which is comprised of the Men's Glee Club, the Women's Chorus and the Mixed Chorus, have a repertoire of contemporary, secular and sacred music that stretches from the 15th Century to date.

The Choir is currently on a whirlwind tour presenting 12 concerts in eight states during 10 days. A four-year private liberal arts college affiliated with the United Church of Christ, Elmhurst College confers the Bachelor of Arts and the Bachelor of Science degrees in 27 major areas of study. The 103 year old college is located 16 miles west of Chicago in Elmhurst, Illinois. Additional information regarding the choral concert may be obtained by contacting the church office.

NEIGHBORHOOD BIBLE STUDY WORK-SHOP

The Neighborhood Bible Study Workshop will meet on Tuesday, April 30, in Zion Lutheran Church at 1501 West Liberty in Ann Arbor. Registration will start at 9 a.m. with the last session concluding at 2 p.m.

Ladies in Bible studies, those desiring to start one, or women who would like to know more of the concept are invited to attend.

Mrs. Gladys Hunt, local author and lecturer, will present a study from Romans with some helps for personal Bible study.

Dr. Donald Somerfeld, psychologist, will lend a workshop entitled "What Do You Know About The Devil?". Somerfeld is associated with High Scope, a foundation which involves research and study of early child education.

Mrs. Matja Kaldjian will conduct a mini session on prayer. Mrs. Martha Rice, Mrs. Mary Waterloo, and Mrs. Gay Somerfeld will combine on a panel dealing with "Teaching Your Children About God".

Babysitting is available at the church. Reservations for the nursery should be made to Mrs. Mary Roedema at 971-3467. Mothers and children should bring sack lunches. Beverages will be furnished.

Mrs. Jo Vredevelde, general chairman, is available at 769-8008 to answer questions.

302 E. Main St. Manchester, Michigan

Governor William C. Milliken has proclaimed April 21-27 as Arbor Week in Michigan.

In urging the planting of trees during this week, Milliken pointed out that pressure on our forest lands has increased rapidly during the past several years as population and the concurrent need for additional lumber for homes and businesses, as well as the need for recreational land, have risen.

Because Michigan's more highly populated areas have the most crucial need for trees, the proclamation reads, it is to the advantage of all of us that our natural resources in these areas be preserved and enlarged and that conservation and restoration of trees be considered a major step in continuing the benefits of our great natural heritage.

Milliken suggests that various programs, such as the nurserymen's Green Survival program, seeking to cope with the environmental crisis facing people are to be encouraged.

Michigan's forests, covering more than half of Michigan's land area, have been the basis for great industries throughout our history and help make Michigan one of the most beautiful of all states. Celebrating Arbor Week with proper ceremonies and the planting of trees will be a constant reminder of a priceless gift we must preserve for this and future generations.

This year, Governor Milliken will plant a tree furnished by the Michigan Association of Nurserymen at the official governor's mansion in Lansing, instead of on the capitol lawn as has been done

in the past. The Michigan Department of Natural Resources, in cooperation with the nurserymen's association, has prepared a special pamphlet giving full information for the observance of Arbor Week. The pamphlet may be obtained free from the department's Publications Room, Stevens T. Mason Building, Lansing 48926.

The six regional chapters of M.A.N., at Detroit, Flint, Grand Rapids, Kalamazoo, Lansing, and Saginaw, will aid groups with their programs. For information contact M.A.N., headquarters, 5127 Aurelius Road, Lansing, Michigan 48910.

MICHIGAN ASSOCIATION OF NURSERYMEN

Coming of Spring marks the appearance of miracle plant con-men who prey on home gardeners and landscapers. "Don't be taken in by these racketeers" is the warning sounded by Attorney General Frank J. Kelley, Agricultural Director B. Dale Ball and the Michigan Association of Nurserymen.

Home gardeners are warned against high pressure salesmen and mail order advertisers using fancy names for ordinary shrubs and plants and making exaggerated claims for their plant material.

Beware of glowing word descriptions and faded photographs of climbing vine peaches, giant climbing strawberries, 1,000 giant red roses on a single bush, flowering shade trees that grow roof high in a single year, etc.

All consumer complaints, including verbal misrepresentations are received by the Consumer Protection Division of the

Attorney General's office and appropriate action is taken" said Assistant Attorney General Edwin M. Bladen. "It is our experience that purchasers who deal with established local merchants can see what they are buying and are not misled by photographs or lurid verbal pictures."

"One cannot expect to get high quality stock at ridiculously low prices!" said Dean F. Lovitt, chief of the plant industry division of the Dept. of Agriculture. "Purchasers should always demand a certificate of inspection with the stock as their assurance that it has passed inspection for insects and disease. Local nurserymen usually are familiar with local conditions and the varieties likely to do well in an area, and their advice can be helpful."

"There are reliable mail order houses but there is no substitute for the expert service on selection, planting and care

of the plant that your local nurseryman can give you" said M.A.N. Exec. Sec. L.E. Ahti. "He wants to protect your interests so he can continue to serve you. That's why we advise - 'Ask Your Nurseryman First'"

MICHIGAN DIABETES ASSOCIATION

Reminder: Evening Meeting of Washtenaw County Unit of Michigan Diabetes Association. Dr. Jerome L. Epstein, M.D., Ophthalmologist will speak on "Eye Care and Diabetes" at 8:00 P.M., Wednesday, April 24, 1974 at First Baptist Church, Ypsilanti, Michigan. For further information phone 428-7543.

Effort Recognition - Three or more ratings of "C"
At least two "Cs" must be earned in academic subjects (Language Arts, Social Studies, Math or Algebra, Science, Reading (5th and 6th grades only).

One "C" may be earned in areas as Physical Education, Art, Instrumental Music, Vocal Music, etc.

An "I" or "P" in any class disqualifies the student from appearing on the "Effort Recognition".

CORRECTION - 4-H NEWS

Please pardon us - we goofed. Due to an oversight, the name of Bill Oltmanns of Ypsilanti, a member of the Range Rider 4-H Club, was omitted from the County 4-H Horse Jamboree article last week. Bill definitely was a member of the Washtenaw County 4-H Senior Horse Bowl Team. Nancy Andrews of Ann Arbor was the alternate.

Little moron's wife sent him downtown for a bucket of ice. He came back with a pail of water. "I got this for half price because it was melted."

BIRTHS

Born to Mr. and Mrs. Edwin Walz a boy, Patrick Kirk on April 5. He weighed 6 pounds 11 ounces. Patrick has two brothers; Brian 12, Mark 6, and one sister Laurie 11.

NAMED TO DEAN'S LIST

Karen C. Sullivan, of 19880 Lehman Rd., Manchester a freshman in the school of arts and social sciences has been named to the Lake Superior State College Dean's List for the term which recently ended.

To be so listed a student must have earned a 3.00 grade point average or better. A B is 3.00; and an A is 4.00.

STOLEN CAR RECOVERED

On April 15, 1974 at 5:15 a.m. Manchester Patrolman Beasley gave chase to a suspicious car within the Village Limits of Manchester. After flashing lights and use of siren the driver, Eric Lee Harris, student at Boysville veered off road and struck a tree. The car was reported stolen from Clinton between 10:00 p.m. and 5:15 a.m. by owner Phillip Owens, having left the keys in the car. The driver was taken to St. Joseph Hospital, then to County Jail.

The Vikings believed that the first woman was made from an alder tree. That's really packing a trunk!

Jaycee Auxiliary Scholarship Fund

Again this year the Manchester Jaycee Auxiliary is offering a scholarship to a high school graduate or any adult age 18 and over who needs financial aid to further his or her education. Applications are available at the high school or contact any Jaycee Auxiliary member. Completed applications may be left at the high school or mailed to P.O. Box 314, Manchester. Please be sure to mark envelopes "Attention-Scholarship." Deadline all applications is May 15. All information will be kept confidential.

ATTENTION CLASS OF 49

A meeting is being held on Saturday, April 20 at 8 p.m. at the home of Chuck and Elaine Steele to make plans for a 25 year reunion. For further information please call 428-8984 or 428-8731.

DRAFT REGISTRATION BY MAIL PLAN STARTED IN AREA

Young men reaching the age of 18 can now register for the draft by mail in the Manchester area, according to Harold Crow, supervisor of the Ann Arbor Selective Service System Area office covering Washtenaw, Lenawee and Monroe Counties. The "Mailers" are now available in the Manchester post office, high school and police station, and in all high schools and post offices in Washtenaw County.

Instructions are included with the "mailer", it can be completed at home, then folded and mailed. It is pre-addressed and needs no postage. Federal law still required the registration of young men at age 18 even though inductions have stopped. Failure to register is a violation of the law and could result in prosecution by the Department of Justice. Individuals may also request a mail registration form by writing to the Ann Arbor Selective Service System Area office at Room 210, First National Building, 201 South Main Street, Ann Arbor, 48108, or telephoning 665-3766.

ENGINEERING APTITUDE TESTS

The engineering aptitude tests for high school students conducted for the Junior Engineering Technical Society (JETS) of New York will be repeated on Friday, April 26, at 1 p. m. at the Lawrence Institute of Technology.

the country.

"High school students planning a career in engineering should begin with an early selection of courses, such as science and mathematics, which are prerequisites for admission to engineering colleges," Dr. Davis said.

Dr. Davis said that the unusual interest in the tests may be attributed to the booming market for engineers brought about by the increased demand for engineers coupled with the decline over the past several years in engineering students.

percent more new engineers this year than last.

A nominal fee of \$3 per student is charged by JETS, a non-profit organization, to help offset expenses.

Open House

The family of Earl and Core Bauer will be having an open house on April 21st, at 2 p. m. till 5 p. m. at the Chelsea Community Fair Service Center.

Mr. and Mrs. Bauer have lived in the Chelsea area all their lives. He is a retired farmer.

Their children are Mrs. John Lewis of Ypsilanti, Mrs. Jean Freysinger of Dexter, Paul, Leroy, Mark, John, Mary, Joe and Ken of Chelsea, and Jim of Westland, Michigan.

They have 26 grandchildren and one great grandchild.

JOLLY FARMERETTES

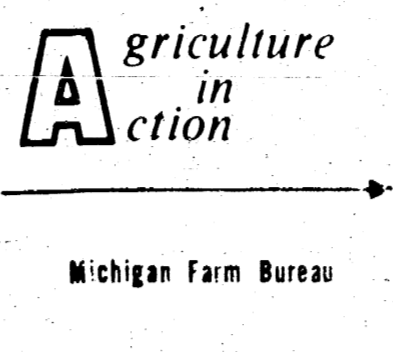

The April meeting of the Jolly Farmerettes 4-H Club was called to order by Junior President, Teresa Schlicht.

Under committee reports Joyce Schwab and Joanne Kastl reported on Cancer Tag Day which will be held April 20, our home station will be the Gallup-Sillworth Golf Station.

Virginia Bowers reported on the Club Dress Rehearsal.

The leaders gave us new ideas and hints for our sewing and modeling. We received a note from Mrs. Kemmer thanking us for inviting her to our club dress review.

Demonstrations were given by Rita Drouare, Lisa Huber, Jackie Drouare, and Lucie Smith. The meeting was adjourned and refreshments served. The next meeting will be May 7.

Food is an international language and because of the amazing productivity of U.S. agriculture, farmers have contributed much toward world peace.

A general fear of hunger has swept the world from time to time throughout the years. Crop failures, drought, natural disasters, population increases—all have accentuated concern about food security.

Here in the United States, richest nation in the world, concern about food supplies surfaced last year when price controls discouraged agricultural production.

The current student body includes boys and girls from Ann Arbor, Ypsilanti, Saline, Dexter, Milan, Plymouth, Brighton, South Lyon and Chelsea.

Land—from whose fertile womb the farmer delivers our daily bread—has been violated. Rich farmland has been covered with concrete, the "green, green grass of home" lost forever under a blanket of shopping malls and subdivisions.

Farmers are concerned about the urban sprawl which has steadily inched an ugly path across our agricultural lands. It resulted as an increasing population pursued the traditional American dream of a home and a couple of acres of land in the country...

American dream of a home and a couple of acres of land in the country--and the providers of services and goods, in turn, pursued the population.

Farmers have turned their concern into action by becoming involved in land use planning which will protect productive farmland while still maintaining traditional private ownership rights.

All citizens are involved in what happens to our good earth. Hopefully, they will not wait until they are hungry to decide to actively share the concern of farmers for our land.

COLLEGE PREPARATORY SCHOOL EXAMS

Entrance examinations for Greenhills School, the area's only independent college preparatory school, will be held Saturday, April 27, from 8:30 a. m. to noon.

According to Edward M. Read, headmaster, the examinations are open to all students who will be in seventh through twelfth grade next fall and will be given at the school, 850 Greenhills Drive off Earhart Road which is one block west of the Geddes exit of US 23.

The school which is accredited by the Independent Schools Association of the Central States, now has full enrollment of over 250 students, Mr. Read reports.

The examinations test verbal and writing skills, mathematics background, and general attitude for academic achievement.

The 20-room school building contains a fully-equipped gymnasium, an atrium for group discussions, well-stocked library and two science laboratories with computer terminal, tennis courts, baseball diamond and soccer field comprise the outdoor facilities.

Join the happy group of the Tuesday Nite Singles at the Ann Arbor YM-YWCA on April 23, and dance from 9 to midnight to the music of the Frank Venice Orchestra.

Two From Manchester IGA WILL WIN All-Expense PAID TRIPS TO CALIFORNIA

OFFICIAL RULES... Jet Journey to the Stars

- 1. Election is open to any boy or girl age 10 through 18 years. Boys or girls who receive the highest number of votes in each store will win.
2. Vote for your favorite boy or girl by writing his or her name on the back of each gold cash register tape you receive at all participating IGA stores.
3. The total value of each gold tape will be determined by the total purchases shown on each gold tape you receive. You will receive one vote for each tape purchase. For example, a \$10 purchase shown on your gold cash register tape would be worth 100 votes for you.
4. Votes must be placed in the official ballot box provided in each store. Each store will have the number of winners they are sponsoring posted in the store.
5. Votes will not transferable between stores and all candidates must be registered by the end of the 4th contest week.
6. "Jet Journey" will start the week of April 8, 1974, and close Saturday night, June 1, 1974. Election is not open to wholesalers, their supply depot employees, retail store owners, store employees nor the immediate families of any of the above.

HURRY and REGISTER TODAY!

- WINNERS WILL VISIT Disneyland, MARINELAND MAJOR LEAGUE Baseball, MUSEUM, Universal Studios, Japanese Village, Knott's Berry Farm. 450 BONUS VOTES with the purchase of the following items...

OFFICIAL Jet Journey to the Stars REGISTRATION BLANK WORTH 100 BONUS VOTES. Includes fields for NAME, ADDRESS, CITY, STATE, AGE, SEX, STORE.

20th Century Club Leads The Way

Exchanging notes on club projects is always a highlight of the Washtenaw County Federation meeting. Leaders from this section of the county told of interesting fund-raising approaches and the projects they benefitted when they met for Spring session in Manchester.

Delegates were intrigued by the 20th Century Club of Manchester's rolling fund-raising program that delights newcomers to the town. It's an ongoing bridge marathon for all the people of the community who donate \$1.00 an evening.

With this pleasant approach, they are continuing their project for providing hanging baskets along Main Street in May, and are hoping to provide old-fashioned lamps to adorn the downtown bridge.

In addition to Community Chest, March of Dimes, Varsity High School Choir, and Washtenaw Medical Care Facility, the women also provide 2 1/2 scholarships for a band member and a violin player to attend Blue Lake Band Camp and a violin camp.

A style show and quartet were the money-making ways of the Milan Woman's Club, Milan reported to the meeting. For good works in the community which include a scholarship for a Milan student, Christmas boxes for the needy, and work and aid for Loch Rio Girlstown.

Working with the city "to develop a beautiful and rich-needed nature park" is the favorite new interest of the Milan Women's Club, which has members on the school board and city planning commission and features information on regional, community, and school development.

Well noted was a unique and engaging club project initiated by the Saline Women's Club...a Christmas recipe exchange "with samples."

Their community activities, including a flower show at Saline Community Fair, Christmas gifts sent to Ypsilanti State Hospital, working at the Red Cross blood clinic in Saline, and sponsoring a junior Girl Scout troop.

Leaders of women's clubs throughout Washtenaw County were guests this week of the 20th Century Club of Manchester.

Morning session of the annual Spring meeting of the Washtenaw County Federation of Women's Clubs was highlighted by a spirited discussion of public electorate woes and possible remedies.

The fracturing of voting schedules, means and purposes was complained with revealing solidarity.

This intensified mutuality of concerns evinced by these leading women, highlights the need for responsive action cooperatively undertaken.

This need stresses the importance of more active participation in recognized and firmly established group forms such as local clubs and their strengthening agents for influencing public events the General, State, and County Federations, notes Washtenaw Federation President Mrs. Stanton G. Roesch of Manchester.

Mrs. Stanton G. Roesch commented that solutions to these problems can be undertaken by concerted action and cited the Washtenaw Federation as a vehicle.

She reminds members of innovations this year...open-forum format of meetings and the real exchange of ideas which has resulted...the new service of factual civic information via the "Leader Information Letter."

Then Mrs. Roesch challenged the members to spark matching vigor among

their membership with lagging club rolls throughout the country. She said of the Federation "That future...lies solely with you, the membership, and I so challenge you..."

Afternoon speaker, Mrs. Mary McGregor, director of Girls' Town. Hostess club members were complimented by the lively purchase by guests of colorful "birds" in straw nests artfully arranged on twigs and branches as favors and centerpieces.

Youth County Day Wednesday, May 1

Since 1953, the Washtenaw County American Legion, in co-operation with members of county government and school officials, has sponsored the Washtenaw County Youth Government Program in an effort to acquaint young people with the operation of county government according to County Commander, Clare LaFeria.

This year the program will culminate in "Youth County Day" to be held at the county seat in Ann Arbor coinciding with Law Day on Wednesday, May 1, 1974. Over two hundred students from twelve of the county's high and junior high schools will participate.

Prior to May 1st the twelve participating schools will each select twenty students to represent ten elected and eleven appointed county government positions, such as County Clerk, Commissioner, Circuit Judge, etc.

On Youth County Day the festivities will begin at 9:00 a.m. at the County Building when the twelve student-officers from the various schools meet with their "real-life" counterparts for a short presentation discussing the responsibilities of that position in county government.

During the remainder of the morning these groups of twelve students accompanied by a teacher, a Legion member, and a member of the Washtenaw County Bar Association will visit with the remaining nineteen county officers for similar presentations.

At 11:20 a.m. the buses will leave the County Building and head for the American Legion Home where a luncheon will be served by the American Legion Auxiliary. The luncheon is sponsored by American Legion Posts of Washtenaw County. The Honorable Ross W. Campbell, Circuit Judge, will deliver a speech. After lunch, the students will move on to Pioneer High School where a simulated jury trial, presided over by the Honorable Edward D. Deake, Circuit Judge, will be held. The day's activities will be over at 3:00 p.m.

Petitions For School Board Due May 13

Two seats on the Board of Education will be filled at the annual school election held June 10, 1974. The terms of Eugene Bentschneider and Reno Feldkamp are expiring this year. Nominating petitions may be picked up in the Superintendent's Office or from the Board Secretary, Mr. Andrew Luckhardt. Petitions must be in by 4:00 p.m. on Monday, May 13, 1974.

Operation Identification

One of the biggest businesses in America today is burglary. It's happening every 13 seconds; 2,368,400 times a year. Whether it involves a home or an office, the losses inflicted on the public reached a staggering \$739,000, 000 in 1971.

Now there is an effective way to cut this loss. It is called "Operation Identification", a crime prevention program sponsored by the Jaycees and Manchester Police Dept. to make burglary a less popular occupation.

"Operation Identification" simply involves etching your driver's license or social security number on your valuables and placing a decal in your window, warning would-be burglars that all property inside is marked for ready identification by Law Enforcement Agencies. This makes it harder to fence the loot, offers police hard evidence for conviction and enables the police to locate you so you can identify and recover stolen property. With these factors working against them, burglars are, according to the record, reluctant to break into an "Operation Identification" house. This was proven in Monterey Park, California, where the program started, and in many other towns that have adopted the program.

The procedure for having your property marked will be to bring your smaller valuables into the Manchester Police Station at 214 N. Macomb St. where your property will be marked and recorded by a police official. The hours will be from 4:00 p.m. to 8:00 p.m. Monday through Saturday. If you wish to have your larger valuables marked, a Police Officer or a member of the Jaycees will come to your house and mark this property. For further information call the Manchester Police Department at 428-8505 or Dave Ahrens at 428-7728.

Don't wait until your property has been stolen and you wished you had it marked. Have it marked now.

Board of Education Holds Special Work Session

A special work session of the Manchester School Board was held in the library on April 15, 1974. All members were present including Superintendent Swartz.

A discussion was held on problems concerning the band program. Superintendent Swartz apprised the board of some parent contacts that he had had and the recommended procedures which were being followed relative to these problems.

Superintendent Swartz reported that the maintenance people had indicated to him that the furnace and the roof at the Pleasant Lake Elementary School had been repaired and no problem with the roof was evident since the application of twenty-five gallons of roof cement.

A discussion relative to the baseball field at Pleasant Lake was held and it was suggested that Superintendent Swartz contact someone to take the sod off the infield and have some sand brought in to improve the playing surface.

Superintendent Swartz presented to the board a projected budget of revenues and

Bloodmobile Donor Cards Returned

Donor cards from the March 29 Bloodmobile were returned to the Manchester Blood Club this week from the Southeastern Michigan Red Cross Blood Center. The results for the groups working on the 20% Plan are as follows: Manchester Tool and Die and Stamping Corporation 100%; North Sharon Bible Community Church 80%; Double A Products 65%; Manchester Methodist Church 46%; St. Mary's Catholic Church 42.1%; Emanuel Church of Christ 33%; Iron Creek Church 20% and Jaycees 5%. Bethel Church of Christ made 15% at this clinic but their record is combined with the Saline two day clinic held early in April and their total report is not in.

There will be another Bloodmobile in Manchester Monday, October 28 at which time quotas can be raised to the necessary 100%. Remember, if you live in Manchester School District, you are covered by the Manchester Red Cross Blood Club no matter where you may need blood in the United States and most of Canada--any hospital that accepts Red Cross blood. To have blood released for you to a hospital contact Mrs. Franklin Reek, Mrs. Rolland Grossman or Mrs. Millard Uphaus. The 20% Plan is for additional coverage for members and employees who live outside the Manchester School District. One does not have to have given blood to receive it for himself or family.

Career & College Nite May 1

On Wednesday, May 1 Washtenaw Community College will host all area and county high schools in a "Career & College Nite" program. The purpose of this program is to acquaint high school juniors and below with decisions about a career or college before their senior year. With emphasis now placed on taking admissions and scholarship tests during the junior year, Manchester High School and other area schools will not hold College & Career programs in the fall. However, individual colleges and universities will continue to visit with students during the school year. According to Washtenaw Community College representatives there will be twenty-nine colleges and universities attending the program along with twenty-two occupational careers represented. The program will begin on the Washtenaw Community College campus at 7:30 P.M. Each person attending will be able to meet with three careers of their choice for thirty minutes at designated rooms around the campus. Guides will be stationed around the campus to direct students and parents, with fifteen minutes given between sessions. In addition to the three scheduled sessions there will be a wrap up meeting from 9:30 to 10:00 for those who wish to visit a fourth representative or return to a previous station for additional information. All students and parents are urged to attend this program on Wednesday, May 1 at Washtenaw Community College. A bus will be provided for students leaving at 6:45.

Community Chest

The Manchester Community Chest Board Meeting will be held Monday, April 29 at 7:30 p.m. at the home of Mrs. Edward Steele.
