107TH YEAR NO 35 TEN CENTS PER COPY THURSDAY, JUNE 27, 1974

## Coast To Coast On \$5 A Day?

By C. Chapin

"The lowest point of the trip" was the only way Robert Sinaheimer of 247 Greenbriar Dr., Danville, California, could describe his stop in Manchester last week.

Robert, a senior at Dartmouth College, in Hanover, New Hampshire, had planned carefully his bicycle trip across the United States.

Leaving Danville on May 13, he had spent several weeks riding approximately 25 miles per day to train for this trip, and allowing himself 60 days as an outside time limit he set out carrying 45 pounds of luggage and keeping a journal so that he could record the trip as well as make notations about expenses, for the budget was to be \$5.00 per day if possible.

Twenty one year old Robert is from a large family, having 3 brothers and 2 sisters, and has been a student at Dartmouth since his freshman year, where he had become Coxswain of the Boat Crew and a member of the fraternity house Heorot. (name derived from a drinking hall in Beowulf).

Traveling through Yosemite Park, Nevada on Rt. 66, camping with a small tent, building a fire and cooking with his small propane stove, called a grasshopper, sleeping bag and poncho for weather, the desert was delightful and small town parks made excellent campsites.

Thirty five days and only one motel. This after 24 hours of rain and it was time to dry out. Bedford, Iowa housed him for that indoor evening.

Only one flat tire gave him trouble in the desert and that hurt the budget but not badly.

Warm Springs, Nevada was a surprise. In the desert, yet 3,000 ft. altitude it suddenly and unseasonably had a snowfall.

The only thing to do was stop and ask for work to supplement the provisions and this very small town provided another surprise. Mr. Gurgin, a good man to know in trouble seemed to own the cafe and his right hand man named Ace. Gurgin says "Ace, get this man a beer" and proceeds to make him welcome, including dinner which was soon served. Tortisos and Beans and a red sauce which looked slightly dangerous - However, "When in Rome" or maybe, "When in Gurgins," or because Robert has nice manners, he tried the Tortisos and the Beans and the Sauce and panted, and blew and drank and cried a little.

And Gurgin smiled and said "Kid, food ain't food if it don't make you sweat".

Provo, Utah at the Brigham Young University, provided a chance to rest up, then on to Colorado on Rt. 40.

The French bicycle, 10 speed called

a Jeunet, only \$110.00 new was equal to the trip through Rocky Mt. National Park on the Trail Ridge Pass, 12,179 ft. high, and yes sir that is some work but an incredible adventure.

Stopping in small towns like Estes Park he worked for \$2.00 per hour and room and board for 2 days then on across the Platte River doing 100 to 120 miles a day the best day being 140 miles.

Crossing the Mississippi River in Iowa, then Illinois and at Peoria turned North through Kankakee, Illinois, back roads through Indiana looking at Menomonee County into Michigan. US12 seemed a good way to get across to Canada but at Jonesville the traffic was heavy, turning to the back roads again he wound down through Brooklyn and into Manchester on a Saturday evening.

Parking the bike, and entering the Black Sheep Tavern to ask directions, the bike disappeared, with all gear aboard.

Auxiliary Police took the report, assisted in every way and finally arranged for Robert to stay the night in Chelsea, where, upon arrival, our traveler walked right into a huge crowd of Dexter folks.

In Chelsea for the evening to celebrate the Sesquicentennial, the clothes, the noise, the confusion were terrific.

The next morning Robert came back to our town hoping to find his bike and at this point everything improved.

Mr. and Mrs. Al Simmons took Robert into their home and made him welcome, and Police Chief Zsenyuk began to put his mind on this problem. By Tuesday the bike had been recovered and all Robert's clothes and equipment were restored to him, the only loss being his journal.

A personal apology from our town council and good wishes from many kind people gave a warmth to Robert's stay which helped to balance the bad beginning.

Wednesday morning the eager traveler was on his way. First stop Windsor, then Niagara Falls, through the Adirondacks and on to Hanover, where he will work for the balance of the summer before classes begin in the fall.

Robert most especially asked that we express his gratitude to Chief Zsenyuk for the long hours and hard work to give a stranger some badly needed help.

## Optimist Club Outstanding Citizen

Jane Bucholtz is the Manchester Optimist Club's Outstanding Citizen for the month of June. She is the daughter of Mr. and Mrs. Norman Bucholtz, 19442 Bethel Church Road.

In Jane's Freshman and Sophomore years she was a member of the Girls Athletic Association, Pep Club, and Mixed Chorus. She worked on a number of class projects and committees including their floats and magazine sales.

In her Junior year she was class Secretary, a member of the Girls Athletic Association, German Club, and Prom Committee.

During Jane's Senior year she has been part of the Visage staff and worked on various committees including the Food Tent, Christmas Card Sale, and choosing of Senior Announcements.

Jane's main interests are music, sports, and traveling, having traveled to many southern and midwestern states and Germany in her Junior year.

Jane was graduated this year third in her class with a 3.7 grade point average. She plans to attend Eastern Michigan University in the fall taking general courses, possibly doing something in the medical line.

Congratulations, Jane!

## Start Your Fair Projects Now

The 1974 Fair Book has been revised and rewritten. Some 500 new classes have been added to enhance the look of the Fair and enable more people to exhibit their specialities.

The Baked goods division has increased its classes including a special class of wedding cakes. Many more classes were added to the Canned Goods division to make the competition more specific.

Needlecrafts have added classes in needlepoint, crewel embroidery, holiday ornamentation and handmade dolls. In the sewing division, classes have been broken down to more specific articles and have added a class for the Stretch n Sew technique.

In the Crafts and Hobbies Department we have added classes for the dyeing, batik, several jewelry classes, expanded ceramics classes and macramé.

The biggest increase in number of classes came from and age breakdown for competition. Age divisions will be 9 years and under, 10-13 years, 14-17 years and 18 years and older. This new age breakdown will be used for all home-related classes except cooking.

The Manchester Fair begins August 20, 1974. Now is the time to start working on your projects for the Fair.

## Open House

On Sunday, June 30, an Open House will be held in honor of the 89th birthday of Mrs. Mable Loucks. The event will be at the home of her granddaughter Mrs. Joyce Scott, 531 Lafayette Street, Manchester from 2 to 5 in the afternoon.

All friends and relatives are cordially invited to join in the celebration. Mrs. Loucks has been a resident of the area all of her life, and has made her home with her daughter for the last 3 1/2 years. She enjoys doing needlework, such as embroidery, crocheting and quilting.

She has one son Raymond and one daughter Mrs. Clarke Bertke. Her grandchildren and 12 great grandchildren. Congratulations!

**LETTERS TO THE EDITOR**

Dear Editor,

This letter is directed at the Public Water Works of Manchester. At approximately 10:20 a.m. Monday, June 24, the water was shut off on East Main Street without any warning. How many people were running washing machines, dishwashers, flushing toilets, or taking a shower when the water just suddenly stopped? Besides inconveniencing the people, this sudden stopping of the water isn't good for the equipment while

its running. Why can't the Water Works let the people of Manchester know in advance when and for how long the water will be shut off? I don't feel it would be too much trouble for them to have a notice put in the Enterprise saying beforehand that we'll be without water.  
 Deborah Davis

To the People of Manchester:

I was appalled at you regarding the recent school millage vote. Renewal means just that and not an increase. You were already paying the 11.5 mills and so renewal meant no increase. The 1.28 mills would have increased taxes but only .55 of a mill as there was a reduction of amount levied for debt retirement. This is the first school district that I have lived in (3 previous districts) where a school district has actually lowered taxes due to debt retirement. The .55 mill increase is so low it is a terrible thing that it was not approved. I myself feel that maybe the ballot should have separated the two so we at least could have the 11.5 mill renewal.

When you look at it you are only making the children suffer for your lack of understanding or lack of making a point of really checking into how much it would cost. One beer a week, two donuts or coffee at the donut shop a week, or one pack of cigarettes a week would more than pay for the .55 mill per week. It is a shame that one person could sway voters by placing posters in a place of business that really shouldn't be partisan. This person apparently doesn't understand many things. Should the district go broke the State can come in and take over in some cases. It would then impose an income tax or raise the valuation to meet its obligations.

1. all sports are cut out, 2. all field trips cut out and 3. the students put on half days? You who voted no and those who refused to vote. Also it is not the parents who will suffer but our children. We already have our education but we have an obligation to our children, our grandchildren and relatives children. I sincerely hope that you think seriously about it, plus look around and even check into what happens to a district that goes broke. I am sure most of you are aware of Detroit and how the State took over and then imposed an income tax. It wasn't long before the people were happy to give them the mills they needed. This can happen to Manchester.

Without a decent budget Manchester will always have teachers that will use us as an interim job to something better so good teachers will go to better districts and we will be left with lower quality. Do we want that for our children?

I will be moving from Manchester but I have friends here and also fond memories and therefore would hate to hear later that it has gone broke and the children the losers.

Mrs. Virginia Schlemmer

Editor, Manchester Enterprise

Petitions - Bah Humbug

Two petitions were once sent around, concerning two men they did sound. The one to recall. The other to fall. Were there some signers to be found?

Petitions should have a good reason. But these were not really in season. With rumors so wild, who'd believe that a child. Were there feelings that needed some easing?

These men have both worked without tire. To do the best job's been their desire. Why all this turmoil, this fuss and this foil. Good men should not be asked to retire.

The School Board needs help to progress. A 'yes' vote on the millage we stress. Then, come get involved. That's how problems are solved. Our schools do not deserve less.

AREA RESIDENT ATTENDS GRAHAM WRITERS CONFERENCE

Lorella Rouser, long time area resident, attended the Decision School of Christian Writing June 16-19 at the headquarters of the Billy Graham Evangelistic Association at Minneapolis, Minnesota.

The four days were spent in intensive instruction and personal conference with national religious editors and publishers. Lorella said that the most valuable feature of the school for her was personal consultation with editors. The religious books editors of Harper and Row, Doubleday, Tyndale House, David C. Cook and others participated, as well as magazine and newspaper editors and successful authors.

About half of the 400 who applied were selected by the Decision staff on the basis of assignments submitted. The participants were from many denominations, Lorella says, but were bound together by their common allegiance to Jesus Christ as personal savior, and by their desire to make Him known to others. Lorella says she toured every part of

the offices of Graham's film ministry. Mrs. Rouser has published thirty articles in twenty publications, also writes for North Sharon Bible Church and Christian School, Lorella, a graduate of Michigan Center High School and Jackson Community College, also attended Moody Bible Institute. She is the daughter of Mr. and Mrs. Henry J. Miller, 1207 Fairfax. She and her husband John are the parents of three children and hold staff positions at North Sharon Bible Church. The Graham headquarters, saw his personal office, and visited World Wide Pictures, the offices of Graham's film ministry.

### WCC STUDENTS HONORED

Forty three WCC students are listed in the current edition of Who's Who Among Students in American Junior Colleges.

Students were selected on the basis of scholarship; participation and leadership in academic and extra-curricular activities; citizenship; service to the school; and potential for future achievement.

Many of WCC's top academic students also hold full-time jobs or are homemakers with young children. These circumstances were also taken into account.

Only second year students matriculated in a two year program were eligible for consideration.

WCC had a Fall '74 enrollment of 4,401 students of whom 1,594 are women. The following student from this area who was awarded a certificate is Monica J. Curtis of 3630 Sharon Hollow, Manchester, Michigan.

citizens will begin at 9:30 P.M. on July 1 on the Tecumseh High School Athletic field. There will be pre-spectacle entertainment prior to each performance and the Tecumseh Sesquicentennial Queen and her Court will be presented.

The many important events of the Celebration Week will begin with Governor's Day on July 1. Fun and entertainment will be provided with the Jaycees Carnival, bike races, canoe races, dances, fireworks, parades, exhibits, historical window displays.

Three dances are planned which include the Ladies and Gents Celebration Ball on July 3. Bob Butler and the D.J.'s will play from 10:00 P.M. until 2 A.M. The Buttons and Bows teens can rock on July 4 to the music of "Revue" a rock band from the Ann Arbor-Ypsi area. The Grand Sesquicentennial Ball will be held July 6 from 7:00 P.M. to 2:00 A.M. Two bands will play for listening and dancing, Glenn Driscoll and the Raisin River Rats and Louis Prange Trio of Adrian.

The Tecumseh Area Sesquicentennial cordially invites you, your family and friends to attend our 150th Anniversary Celebration, July 1 through July 7.

## Way-Swartz Vows Spoken

The marriage of Martin John Way and Susan Ellen Swartz took place June 21, 1974 at 7:30 o'clock in the evening in Manchester United Methodist Church.

The Rev. Walter Damberg, assisted by the Rev. Raymond Schlinkert, officiated at the double ring ceremony. Mr. Paul Bakeman of Dowagiac, cousin of the bride sang several selections during the ceremony.

The bride is the daughter of Mr. and Mrs. Robert D. Swartz of Manchester and the granddaughter of Mr. and Mrs. Walter S. Gilbert, former residents of Dowagiac and the late Mr. and Mrs. Frederick Swartz of Dowagiac. The bridegroom is the son of Mr. and Mrs. Richard E. Way of Merced, California.

The reception was held in the Rod and Gun Club of Chelsea.

The bride wore a white Edwardian gown of cotton voile with bands of alencon lace on the deep yokes in back and front, edged in a ruffle of the same lace. A double row of lace bordered the chapel length train. She wore her great-great grandmother's pearl lavaliere and carried a colonial bouquet of white daisies, yellow sweetheart roses, stephanotis and baby's breath.

The groom and his attendants wore light grey cut-away tuxedos accented with a deeper grey velvet collar.

Honor attendants were Mrs. Kim R. Swartz of Saline and Louis R. Way of Manchester, the bridegroom's brother. Bridesmaids included Mrs. Gary P. Hamilton of Manchester, Mrs. William Fox of Muskegon, Mrs. Walter Stanley of Tecumseh and Miss Denise M. Way

of Merced, the bridegroom's sister.

The bridesmaids wore light yellow dotted swiss gowns designed with a deep collar in back and front, trimmed in white lace and edged in a ruffle of the same material. A wide ruffle circled the hem. They carried colonial bouquets of white daisies and yellow baby's breath.

The ushers were Philip J. Way, the bridegroom's brother, Michael J. Krzyzanski, Ron J. Walter of Manchester and Kim R. Swartz of Saline, the bride's brother.

The bride's mother wore a floor length pale blue eyelet embroidered gown with a deep flounce. The groom's mother wore a long turquoise double knit gown with white chiffon ruffles at neck and wrists. Their flowers were a single yellow sweetheart rose surrounded by stephanotis and baby's breath.

The bride is a graduate of Western Michigan University and is a member of the staff of the Jackson Intermediate School District. The groom attended Ferris State College and is employed by the Dexter Bakery in Dexter.

The couple will live in Manchester after a wedding trip thru Tennessee.

On June 22nd, Mr. and Mrs. Ronald W. Frey became the proud parents of a 8 pound 4 ounce son, Carl W.

The proud grandparents are Mrs. Wilbur Frey and Mr. and Mrs. N.B. Creason.

### Jaycees Fill Sand Boxes

The Manchester Jaycees fielded Dick Wolf, Arnie Weaver, Gary Brokaw and Dave Walter, who distributed sand donated by Rockcrete and Union Construction Company. Over 30 homes received sand from the Jaycees on Saturday.

A special thanks to Bill Alber for the use of his truck, Joe Fitzgerald for loading the sand, and the Garlick's for the use of their wheelbarrow.

This year's program was the most successful in recent years and it is hoped that many more parents will accept this generous offer from the Jaycees next year.

President Dick Wolf, in behalf of the Manchester Jaycees, hopes that all the young people who received sand will have a very nice time this summer.

### WASHTENAW COUNTY SOIL CONSERVATION DISTRICT JUNE MEETING

The Washtenaw County SCD's June Board of Directors Meeting was held Thursday, June 13, 1974. The Board met at the Soil Conservation Service Office at 6101 Jackson Road in Ann Arbor at 8:30 p.m. Minutes of the May Meeting were read and approved. Treasurer's Report was given and correspondence was read.

Old Business was next on the Agenda: - In compliance with the Statewide Sediment & Erosion Control Ordinance, the District will prepare copies of the Standards & Specifications for Soil Erosion Control for Washtenaw County.

- Proposed petitions for a Saline River Inter-County Drain will be forwarded to Supervisors of York, Saline, Bridgewater and Lodi Townships for their consideration.

- Directors judged county level Youth Soil and Water Conservation Scrapbook Contest.

Seven new Cooperator's request for

assistance on their conservation projects were approved by the Board of Directors. Soil Conservation Service showed Directors Conservation Plans which were prepared for 15 SCD Cooperator's property. Meeting was adjourned at 12 p.m.

### HURON VALLEY REGION OF THE MICHIGAN LUNG ASSOCIATION

Michigan's 1973 Christmas Seal Campaign reached a total of \$780,683 as of March 31, 1974, the last day of the campaign, according to James A. McLean, MD, Ann Arbor, president of the Michigan Lung Association's Huron Valley Region.

The nationwide energy crisis and subsequent mass layoffs in several industries were the primary reasons for a lower Michigan campaign total, McLean said. The decrease was also felt in many other states nationwide.

A total of \$80,629 was contributed by residents of the five-county Huron Valley Region in contrast to \$88,992 in 1972.

Contributions for each county were: Hillsdale County, \$7,607 in 1973 and \$7,101 in 1972. Jackson County, \$8,078 in 1973 and \$10,090 in 1972. Lenawee County, \$17,614 in 1973 and \$18,316 in 1972. Monroe County, \$20,734 in 1973 and \$22,357 in 1972. Washtenaw County, \$26,597 in 1973 and \$31,128 in 1972.

In Jackson and Washtenaw counties, McLean said, many people who have regularly contributed to the traditional double-barred cross Christmas Seals were confused by a campaign with a competitive seal. The campaigns were organized by the Jackson and Washtenaw associations when they withdrew from the Michigan Lung Association respectively in 1971 and 1972. Although these organizations are no longer a part of the Christmas Seal family they are misrepresenting the facts by calling themselves "local Christmas Seal" organizations.

"We sincerely appreciate the fact that so many Michigan residents contributed to traditional Christmas Seals during this period of nationwide financial stress."

Ask  
Senator  
**GRIFFIN**

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I bought some insurance through the mail with a so-called "iron-clad" guarantee. Many payments later, I hurt my back and needed some treatments, but the company refused to pay my claim. They said I had a previous physical condition when I bought the darn policy. Sure I did—stomach ulcers!  
I hope you'll put this one in your column, Senator, so some other unsuspecting soul doesn't get the shirt ripped off his aching back.

—F. R., Grand Rapids

Of course, anyone who buys insurance by mail-order should read the policy very carefully. Indeed, that's a good rule regardless of how you buy insurance.

I suggest that you report your experience to the State Commissioner of Insurance, Lansing, Michigan 48913. In addition, if you file a complaint, the Federal Trade Commission will review your case. You may contact the FTC by writing to Regional Director Carol G. Emerling, Federal Office Building, 1240 East 9th Street, Cleveland, Ohio 44199 (216) 522-4207.

Maybe you can at least help save someone else a case of ulcers!

Several years ago I took out a second Social Security card because I lost my first one. Recently we moved, and when I packed I came across my old card. Much to my dismay, it bears a different number. Do I have a problem?

—C. L., Detroit

Yes. You should contact your Social Security office and get it straightened out. When one individual has had two Social Security numbers, he stands to lose part of his benefits unless credits under both accounts are consolidated. To reach the Detroit Social Security office, call 226-4850. People living in other communities should check the telephone directory.

I have been receiving a reduced Social Security retirement benefit for nearly three years. Since I'm now approaching age 65, I would like to know when and how I sign up for Medicare.

—F. T., Highland Park

Don't worry about it. Since you are already receiving Social Security retirement checks, a few months before your 65th birthday you will automatically receive an enrollment form for Medicare—both for hospital and medical insurance. A monthly premium payment (presently \$6.30) will be required for medical insurance. When you get the form, you will be free to decide whether to take the insurance or not. Others approaching 65 should contact their local Social Security office.

Al: "Your wife used to be very nervous but now she doesn't show a sign of it. What did you do for her?"  
Dick: "Found a new doctor who cured her in a hurry. He just told her nervousness is a sign of old age."

MICHIGAN BELL NEWS

Michigan Bell today announced a "freeze" on employment and the near elimination of overtime as part of a general austerity program. David K. Easlick, company president, said the cutbacks will cause some delays in telephone service and could result in the loss of more than 2,000 jobs.

for installation this year. As a result, two-party lines may be the highest grade of service available to some customers moving into new homes or business locations. Easlick said Michigan Bell also is holding up all charitable contributions scheduled for payment through the balance of the year.

tion of the issue of rate of return on equity capital from its request for a \$11 million rate increase. In addition, telephone revenues -- reflecting the slowdown in Michigan's economy -- have been disappointing while costs have continued to soar because of the rapid rate of inflation, Easlick said.

slow the company's present prompt response to customers ordering service installations. Weekend installations will be severely limited. "Our service will not be as good in all respects as it has been," Easlick said, "and we hope our customers will be patient with us. We'll do everything we can to avoid degradation of service but some of the reductions we're making are bound to hurt sooner or later."

Agriculture in Action Michigan Farm Bureau

As the traditional 4th of July celebration for 1974 approaches, the United States finds itself at crossroads similar to those faced by our forefathers on the first Independence Day in 1776. Our national purpose is being questioned and numerous problems assail us on every front. There are many Americans who are convinced that the United States is fast rolling down the road to ruin.

mers, through their county Farm Bureaus throughout the state, have sponsored a Young People's Citizenship Seminar. This year, over 200 high school juniors and seniors will spend the week of June 24 on the campus of Albion College with some of the nation's top political and economics resource people to teach them the why and how of their citizenship responsibilities.

FINANCIAL CRISIS ON LIVESTOCK FARMS TO BE FELT BY CONSUMERS The financial crisis faced by the state's livestock producers will soon be felt by consumers, according to Elton R. Smith, president of the Michigan Farm Bureau. "If current losses to cattlemen and hog producers continue, the result will be lower output and higher prices to consumers," the farm spokesman said.

## School Answers "Call In" Questions

As a result of the Board of Education's first "Call In" day held Friday, June 21, 1974, a number of concerns dealt with the following items: Teacher certification, alternatives to a millage loss, extra money from an increased SEV and school discipline. Mr. Luther C. Klager, Board President, and Superintendent Swartz will respond to the above stated concerns.

All teachers who teach in Michigan must hold valid certificates and a school district can be penalized with the loss of state aid if their teachers are not properly certificated. All teachers in the Manchester System are properly certificated and teaching either in their major field or minor field. This latter is permitted by the State Department of Education and the University of Michigan's Accreditation Committee. Certificates must be registered with the County Intermediate School District and the State Department of Education and they are kept in the teacher's personnel file in each local district.

Mr. Luther Klager indicated that the only alternatives to a complete, fully funded educational program would be catastrophic not only to the area youth but to the community as well. "The children are hurt immediately in this kind of a situation with the loss of full school days and extra curricular activities. But the community can suffer for years," Klager added, "We have always operated a prudent and reasonable program, and we only ask for just the amount of extra millage we need. We feel that the community wants a good school system and will work toward that end."

A question relative to extra tax money by virtue of the increased valuation was answered by Superintendent Swartz. "We acknowledged that amount right from the start," Swartz said. "With the increase of some seven million dollars of SEV and a new millage factor we would realize approximately \$213,000 of additional tax money for next year. However, our operational expenses have been increased by \$152,000, our state aid has been decreased by \$85,000 because of the increased SEV, and we must plan on \$68,000 of the 1974-75 state aid being withheld to pay back an overpayment received in 1971-72. The 1.28 mills of increased millage will only provide \$50,840, which is the amount necessary to fund our projected 1974-75 budget."

Mr. Klager in responding to the discipline question stated that a new discipline policy was being developed for the high school. "We have had a few problems which apparently are not getting solved with existing policies and procedures. Hopefully, our new discipline policies and absenteeism policy will remedy these situations. The Board will meet on these matters prior to the 1974-75 school year and implementation will occur during the next school year," Klager said.

Mr. Klager again emphasized the need for the millage. Our young people deserve more than half day sessions or a stripped down program. Our first consideration has always been for our students. If we can't provide a good education for them, we are failing them miserably.

## Youth For Understanding

Right now Youth for Understanding is looking for host families for students coming from Europe and South America in mid-August.

The exchange experience sets out to establish a "new" family. This means the new "son" or "daughter" is accepted as a member of the family, rather than being treated as a guest in the home. The American family is assured of adequate medical insurance for the student from Youth for Understanding, and the student and his natural family understand that he must provide his personal spending money and all travel expenses. The exchange student shares the responsibilities in the home, and respects any existing rules and gradually becomes a real part of his new family. The host family may find its life enriched as each member gains something special from the new family member; they are able to discover and investigate other parts of the world through the experience of their "son" or "daughter"; bridges of communication are built across language and cultural barriers; and the living experience can make it possible for the family and the exchange student to see and understand their own country through another's eyes. Upon the termination of the visit new and lasting friendships have been created reaching into many corners of the world.

High school enrollment, although secondary in importance to the family living experience, is an integral part of the Youth for Understanding exchange program. Usually public schools enroll the students and welcome them into the school community. In some instances, however, private and parochial schools grant tuition waivers to participate in the program. We encourage the students to enroll in Continued on page 3

The Manchester Circle of the International Order of The King's Daughters and Sons celebrated their fiftieth year as a local organization on Thursday, June 27, 1974 at the Manchester United Methodist Church. At this time the Circle was presented with a citation for fifty years of service from the International Order. Brief addresses were given by Mrs. Harry White, Michigan Branch President, and Mrs. Robert Barry, Washtenaw County President. Mrs. Ray Kerr, Past Washtenaw County President gave a memorial service for all deceased members of the past fifty years. Mrs. Alfred Stanley Circle Treasurer, gave the history of the Circle. Mrs. William Palmer, the Circle member with the most years of service, led a group of ladies in some interesting and humorous minute memories. Past Presidents pins were presented to Mrs. William Palmer, Mrs. Clayton Parr, Mrs. Alfred Stanley, Mrs. Robert Novess, Mrs. Egbert Treat and Mrs. Ray Kerr.

The Circle was organized on November 6, 1924 by Mrs. A.R. Crittendon, who was then Washtenaw County President. The first meeting was held at the home of Mrs. A.J. Waters. There were eight charter members with Mrs. Minnie Spafford serving as the first president, Mrs. Ella Kern as secretary and Mrs. Mary Merriman as treasurer.

The purpose of the International Order of The King's Daughters and Sons is the development of spiritual life and the stimulation of Christian activities. The text is, "Not to be ministered unto, but to minister". Mark 10:45. The watchword is, "In His Name".

The Manchester Circle has in the past fifty years, worked to fulfill this purpose. The original project, which is still being done today, was the making of various articles for the University Hospital School. Through the years, these other areas of service have developed; Ypsilanti State Hospital, Washtenaw County Care Facility, Michigan Indians, Camp Missaukee, Red Cross, United Fund, March of Dimes, Cancer Fund, Spaulding For Children, Chelsea Methodist Home, Lurie Terrace, also the needs of Local persons.

Some of the handmade articles include: layettes, quilts, lap robes, pillows, bed jackets, restraining jackets, slippers, ditty bags, dresses, shirts, vests, aprons, doll clothes, stuffed animals and other play items. The Circle also maintains an active Good Cheer program. To further the development of the spiritual life of its members, the Circle continues to include Bible Study and devotions as a vital part of each meeting. The Order is inter-denominational and welcomes men and women of all faiths.

## Francis Cusino Joins Fair Board

Mr. Francis Cusino has joined the Fair Board as expert-in-residence for the expanded Poultry and Waterfowl Department. Mr. Cusino is a poultry breeder and exhibitor himself, and has placed very well around the state.

The egg production and meat production division for youths 17 years and under has remained the same as last year. The adult division is all new to include 210 different breeds of poultry and waterfowl. Entry fees should be made payable to the Manchester Fair and sent to Francis Cusino, 9700 Clinton Rd., Manchester by August 15, 1974.

Rosettes will be awarded to the Champion Large Fowl, Champion Bantam, Champion Duck, Champion Goose and Champion Pair of Pigeons. A trophy will be awarded to the best all-over bird of the Senior Division.

The Manchester Fair begins August 20, 1974.
