School Answers "Call In" Questions

As a result of the Board of Education's first "Call In" day held Friday, June 21, 1974, a number of concerns dealt with the following items: Teacher certification, alternatives to 2- millage loss, extra money from an increased SEV and school discipline. Mr. Luther C. Klager, Board President, and Superintendent Swartz will respond to the above stated concerns.

All teachers who teach in Michigan must hold valid certificates and a school district can be penalized with the loss of state aid if their teachers are not properly certificated. All teachers in the Manchester System are properly certificated and teaching either in their major field or minor field. This latter is permitted by the State Department of Education and the University of Michigan's Accreditation Committee. Certificates must be registered with the County Intermediate School District and the State Department of Education and they are kept in the teacher's personnel file in each local district.

Mr. Luther Klager indicated that the only alternatives to a complete, fully funded educational program would be catastrophic not only to the area youth but to the community as well. "The children are hurt immediately in this kind of a situation with the loss of full school days and extra curricular activities. But the community can suffer for years," Klager added, "We have always operated a prudent and reasonable program, and we only ask for just the amount of extra millage we need. We feel that the community wants a good school system and will work toward that end."

A question relative to extra tax money by virtue of the increased valuation was answered by Superintendent Swartz. "We acknowledged that amount right from the start," Swartz said. "With the increase of some seven million dollars of SEV and a new millage factor we would realize approximately \$213,000 of additional tax money for next year. However, our operational expenses have been increased by \$152,000, our state aid has been decreased by \$85,000 because of the increased SEV, and we must plan on \$68,000 of the 1974-75 state aid being withheld to pay back an overpayment received in 1971-72. The 1.28 mills of increased millage will only provide \$50,840, which is the amount necessary to fund our projected 1974-75 budget."

Mr. Klager in responding to the discipline question stated that a new discipline policy was being developed for the high school. "We have had a few problems which apparently are not getting solved with existing policies and procedures. Hopefully, our new discipline policies and absenteeism policy will remedy these situations. The Board will meet on these matters prior to the 1974-75 school year and implementation will occur during the next school year," Klager said.

Mr. Klager again emphasized the need for the millage. Our young people deserve more than half day sessions or a stripped down program. Our first consideration has always been for our students. If we can't provide a good education for them, we are failing them miserably.

Notice

A mistake was made in the Manchester Township Registration Notice. The time should be from 9:00 a.m. to 5:00 p.m. on Monday, Tuesday, Wednesday and Friday.

Youth For Understanding

Right now Youth for Understanding is looking for host families for students coming from Europe and South America in mid-August.

The exchange experience sets out to establish a "new" family. This means the new "son" or "daughter" is accepted as a member of the family, rather than being treated as a guest in the home. The American family is assured of adequate medical insurance for the student from Youth for Understanding, and the student and his natural family understand that he must provide his personal spending money and all travel expenses. The exchange student shares the responsibilities in the home, and respects any existing rules and gradually becomes a real part of his new family. The host family may find its life enriched as each member gains something special from the new family member; they are able to discover

and investigate other parts of the world through the experience of their "son" or "daughter"; bridges of communication are built across language and cultural barriers; and the living experience can make it possible for the family and the exchange student to see and understand their own country through another's eyes. Upon the termination of the visit new and lasting friendships have been created reaching into many corners of the world.

High school enrollment, although secondary in importance to the family living experience, is an integral part of the Youth for Understanding exchange program. Usually public schools enroll the students and welcome them into the school community. In some instances, however, private and parochial schools grant tuition waivers to participate in the program. We encourage the students to enroll in

The Manchester Circle of the International Order of The King's Daughters and Sons celebrated their fiftieth year as a local organization on Thursday, June 27, 1974 at the Manchester United Methodist Church. At this time the Circle was presented with a citation for fifty years of service from the International Order. Brief addresses were given by Mrs. Harry White, Michigan Branch President, and Mrs. Robert Barry, Washtenaw County President. Mrs. Ray Kerr, Past Washtenaw County President gave a memorial service for all deceased members of the past fifty years. Mrs. Alfred Stanley Circle Treasurer, gave the history of the Circle. Mrs. William Palmer, the Circle member with the most years of service, led a group of ladies in some interesting and humorous minute memories. Past Presidents pins were presented to Mrs. William Palmer, Mrs. Clayton Parr, Mrs. Alfred Stanley, Mrs. Robert Novess, Mrs. Egbert Treat and Mrs. Ray Kerr.

The Circle was organized on November 6, 1924 by Mrs. A.R. Crittendon, who was then Washtenaw County President. The first meeting was held at the home of Mrs. A.J. Waters. There were eight charter members with Mrs. Minnie Spafford serving as the first president, Mrs. Ella Kern as secretary and Mrs. Mary Merriman as treasurer.

The purpose of the International Order of The King's Daughters and Sons is the development of spiritual life and the stimulation of Christian activities. The text is, "Not to be ministered unto, but to minister". Mark 10:45. The watchword is, "In His Name".

The Manchester Circle has in the past fifty years, worked to fulfill this purpose. The original project, which is still being done today, was the making of various articles for the University Hospital School. Through the years, these other areas of service have developed; Ypsilanti State Hospital, Washtenaw County Care Facility, Michigan Indians, Camp Missaukee, Red Cross, United Fund, March of Dimes, Cancer Fund, Spaulding For Children, Chelsea Methodist Home, Lurie Terrace, also the needs of Local persons.

Some of the handmade articles include: layettes, quilts, lap robes, pillows, bed jackets, restraining jackets, slippers, ditty bags, dresses, shirts, vests, aprons, doll clothes, stuffed animals and other play items. The Circle also maintains an active Good Cheer program. To further the development of the spiritual life of its members, the Circle continues to include Bible Study and devotions as a vital part of each meeting. The Order is inter-denominational and welcomes men and women of all faiths.

Francis Cusino Joins Fair Board

Mr. Francis Cusino has joined the Fair Board as expert-in-residence for the expanded Poultry and Waterfowl Department. Mr. Cusino is a poultry breeder and exhibitor himself, and has placed very well around the state.

The egg production and meat production division for youths 17 years and under has remained the same as last year. The adult division is all new to include 210 different breeds of poultry and waterfowl. Entry fees should be made payable to the Manchester Fair and sent to Francis Cusino, 9700 Clinton Rd., Manchester by August 15, 1974.

Rosettes will be awarded to the Champion Large Fowl, Champion Bantam, Champion Duck, Champion Goose and Champion Pair of Pigeons. A trophy will be awarded to the best all-over bird of the Senior Division.

The Manchester Fair begins August 20, 1974.

Jaycee Auxiliary Art Show

The Manchester Jaycee Auxiliary's is hosting their 1st Annual Art Show in conjunction with The Side Walk Sales on Friday, July 26th at 9 a.m. to 9 p.m. with a win date of the 27th.

All area artists and craftsmen interested in displaying and selling their works should register now. The dawn to dusk fee for this Downtown Manchester event will be \$10.00. Please watch the Enterprise for further details.

For information call Barbara Kennedy (428-7174) or Rita Burkhardt (428-8063).

Mann-Hiller Vows Spoken

Roberta Lynn Hiller and Donald Paul Mann were married June 29 at The First Congregational Church of Charlevoix. The Reverend Lawrence E. Tenhopen and The Reverend Raymond H. Giffen officiated at the double ring rites in the presence of 200 guests.

White gladioli and white fugi mums graced the altar. Other flowers at the chancel included candelabra arrangements of white fugi mums and greens. A garland of greens graced the chancel rail and pew arrangements included white fugi mums and greens.

Traditional wedding music was played by organist Mrs. Charles E. Bellinger. It included Purcell's "Fanfare" during the processional and his "Trumpet Air" during the recessional. Included in the service were "The Lord's Prayer" and Bach's "Ave Maria" given by soloist Mrs. Wayne Woods.

The bride is the daughter of Mr. and Mrs. E. James Hiller of Charlevoix, and the groom is the son of Mrs. Earl G. Mann of Bridgewater, Michigan, and the late Mr. Mann.

The bride, escorted to the altar by her

father, wore a semi-princess organza gown fashioned with a high neck line and bishop sleeves. It was delicately trimmed with chantilly and venice lace. She wore a matching lace cap with a lace-edged mantilla. She carried a bouquet of white roses, stephanotis and baby's breath.

Mrs. Donald R. Smith of Charlevoix served her sister as matron of honor. Other attendants included the bride's sister, Mrs. Charles A. Pease of Charlevoix, Mrs. Bruce E. Kroken of Peshtigo, Wisconsin, and Mrs. Steven J. Overweg of Flint, Michigan. The bride's attendants all wore matching dresses of navy blue dotted swiss with shirred halter tops and matching elbow length capes. Each carried a single red rose.

The groom's brother, Gerald R. Mann of Manchester, served as best man. Groomsman included other brothers, Victor J. Mann and E. Glen Mann, also of Manchester; and Timothy J. Hiller of Charlevoix, brother of the bride. Ushers were Albert Shindorf of Charlevoix and Larry Helber of Manchester.

A reception followed at the home of the parents of the bride. Sisters-in-law Mrs. E. Glen Mann, Mrs. Victor J. Mann and Mrs. Gerald R. Mann, all of Manchester, presided at the punch bowl. The wedding cake was served by Mrs. Gerald Roberts of Swartz Creek and Miss Pamela Henry of Flushing. Miss Ann Schenk of Charlevoix attended the guest book.

The bride's mother wore a long floral gown with pale jade accessories. The mother of the groom wore a long gown of soft apricot with white accessories. Their corsages were of gardenias and stephanotis.

After a wedding trip through Canada and New England, the couple will reside in Flushing. The groom is a bank examiner with the Michigan Department of Commerce, Financial Institutions Bureau. The bride is a member of the faculty of Flushing Community Schools.

A rehearsal dinner, hosted by the groom's mother was held at the home of Mr. and Mrs. Hiller, Friday evening.

STELLA STEVENS and RODDY McDOWALL
and ARNOLD
A BCP Production in Color

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I prefer to travel by bus when I take a long trip. Since I've quit smoking I'm bothered by people around me who light up and blow smoke all over. Airplanes have special areas for nicotine addicts. Why not buses?

—M. M., Southfield

You may breathe a bit easier because the Interstate Commerce Commission has come to your rescue. As of this April, an ICC ruling allows smoking only in the back 20 per cent of seats on interstate buses. It is expected that the natural air flow in a moving bus will keep the smoke back where the smokers are. The ICC ruling does not apply, however, to buses which do not cross state lines.

I read where some of those government bureaucrats are taking it upon themselves to change the names of places on the map by "cleaning them up." For heaven's sake, don't let them change the name of the Grand Tetons—or my old home town of Flushing!

—W. K. Flint

The Grand Tetons seem to be safe! But map-makers at the U.S. Geological Survey do review local situations to see if especially offensive or derogatory names of places used in the past can be "cleaned up" as maps are revised. Survey officers blame many colorful names on the vivid imaginations of frontier adventurers, who sometimes named landmarks after parts of the human anatomy. For

example, an Arizona mountain, which for years has borne the descriptive name of a part of the female body, has been renamed "College Peak." An Oregon meadow named for a house of ill repute has been redesignated the "Naughty Girl Meadow."

When a name is in common local use and residents don't find it offensive, there's no change on the map. Cases such as Willies Bottom, Kentucky, and Nakedtop, Virginia, are being reviewed. But for the foreseeable future, places like Hinky Dinky, Old Woman's Gut, and Goose Pimple Junction will stay on the map—along with your old home town.

I am constantly arguing with my boyfriend about a matter of life or death. Jeff has a motorcycle, but he hates to wear a helmet. He says it wouldn't save his life if he did have an accident. I say it would! Do you know any statistics to back me up? He won't listen to me, but he might listen to you.

L. L. East Lansing

A study conducted by the National Highway Traffic Safety Administration reveals that use of the helmet reduces serious and fatal motorcycle accidents by 60 per cent. The motorcyclist who wears no helmet is three times more likely to suffer a serious or fatal head injury than if he wears one. Not only that—in Michigan the motorcyclist who rides without a helmet is breaking the law!

The number of motorcyclists has been growing, but the fatality rates have been going up even faster. Last year 3,214 riders were killed. During the first three months of this year, the fatalities were up 43 per cent higher over the same period in 1973.

Your boyfriend should take every precautionary measure available when riding a motorcycle. Even if he doesn't care about his own life, he ought to care about the people who do. So, go ahead and nag him; he may live to thank you for it!

REGISTRATION NOTICE

FOR

General Primary Election TUESDAY, AUGUST 6, 1974

Member: Federal Home Loan Bank System & Federal Savings and Loan Insurance Corporation

School Board Briefs

At the beginning of the meeting copies were distributed to all board members of the comments received on "Calling Day", June 21. After the members have a few days to digest this report, discussion will be held as to what course of action to take on this matter. Discussion of increased valuation was held and board reiterated that the .55 mill increase must stand and so July 29 the proposal will be put before the people as before.

Interviews were given to applicants for the position of business manager. At the present time the superintendent has been also performing the duties of business manager but due to increased enrollment, advanced direction in vocational-technical studies, more bus runs, maintenance problems and additional state aid available, it has become too much for one man to do it all and do it well. A business manager could devote time to study of other monies available to aid the system and perhaps make better use of our money. All area schools surrounding Manchester have business managers, except Whitmore Lake which is smaller. Salary offered to manager is \$14,000, including Blue Cross etc., total cost to the district would be less than \$15,000. The business manager derives his authority from the Superintendent of Schools and is responsible to the superintendent for the effective and efficient management of the business affairs of the school system. He has both line and staff control, line authority over

non-professional personnel and staff relationship with professional personnel. He will supervise business office personnel, maintenance and custodial service and will be transportation director. His job goal is to administer the business affairs of the district in such a way as to provide the best possible educational services with the financial resources available. Decision on hiring was tabled until a further meeting to give board members more time to decide.

The regular board meeting, July 8, will be an organizational meeting, as required by law on this date. Election of officers will be held and Mr. Evans will officially take over his duties as a board member. Six visitors were present at this June 24 meeting and the board welcomes all concerned citizens to these meetings.

Goals Discussed At Public Meeting

On June 25, 1974, a public meeting was held at the High School. Approximately 50 people attended as Dr. Glen Lehr conducted the meeting. Dr. Lehr presented a program of three goals for the group: 1) Fact finding; 2) Reasons for the millage failure and 3) Positive action to achieve school needs.

The Superintendent of Schools presented the figures on the financial condition of the system, outlined the costs and incoming monies for the coming year. It was explained that with costs up \$150,000 for operation this year, total expenditures will be \$1,504,007. Total receipts for 1974-

75 will be \$1,525,401.78 which will leave a June 30, 1975 balance of only \$21,394.78. This would be a dangerously low balance thus indicating the definite need of the .55 mill increase on July 29. Mr. Swartz stated there would be three new teachers added but two of these, a special education teacher to work with emotionally disturbed children at elementary level and a social worker for the high school, would be paid with federally funded monies. Some interesting facts brought out were figures for total mills levied at surrounding schools of which only one was lower than Manchester. Also Manchester's cost of education per pupil is \$111.04 compared to \$135.72 in Ann Arbor. It was pointed out that Manchester is now operating as economically as possible, to the exclusion of curriculum additions which are sorely needed. It was stated that 10 years ago Manchester was receiving 60% of their money from the State level and 40% from local taxes. Now these figures are reversed.

As to why the millage was defeated, discussion centered on the increased valuation of property, as set by Township Supervisors, as one strong reason for no votes. Both proposals, removal and increase, on the ballot, was suggested as also responsible for defeat. Some people reported knowing of people who did not vote because they felt the millage would pass. One lady stated she did not vote for this reason and "learned a lesson the hard way." Unfortunately it is a costly way also as each election held costs the system from \$600-\$1,000.

The group then discussed what action could be taken to insure passage of the July 29 millage. Suggestions were absent

ballots for vacationers; phone reminders to vote on election day; urging unregistered voters to register before July 1; placement of an ad in the newspaper; announcements at the churches, on local radio stations, at the chicken broil and placement of posters. It is also planned to offer a pick-up service for voters who need transportation to the polls on election day.

The meeting was informative and constructive and it is hoped more and more concerned citizens will attend meetings of this type in the future. Opportunity for all comments, both negative and positive, was given and there were only constructive comments offered. Working together in this fashion, becoming informed and involved, will greatly benefit our community, school system and students.

Mrs. Mather was going away after a long visit. "Do you remember what time my train leaves tomorrow?" she asked her son-in-law. "Sixteen hours, seventeen minutes, and thirty seconds from now, dear Mama."

Card of Thanks

I would like to thank my relatives, neighbors and friends for their prayers, cards, visits, and phone calls during my stay at Houston, Texas and St. Joseph Hospital.

Special thanks to Rev. Wise for his visits. Also to Dorney Lamb, Mr. & Mrs. LeRoy Marx, Mr. & Mrs. Waldo Marx, Amanda Schable, and Dorothy Mann. Thanks to North Sharon Bible Church for their prayers.
Sam Brown

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy, beautiful floral and memorial offerings received from our kind friends and neighbors during our recent bereavement in the loss of our beloved father and grandfather. We especially thank Mr. and Mrs. Ronald Jenter and Rev. Wise for his many visits and comforting words.
The family of George A. Frey

LIKE TO SING?

The Jacksonaires Chorus invites all men interested in singing to join them Tuesday at 8:00 p.m. at the Hayes Hotel in Jackson for song and good fellowship. Rehearsals are currently underway for additional information, call Bud Knorpp, 428-3301 or Del Sparks, 428-8638.

WESTERN MICHIGAN UNIVERSITY

The top students at Western Michigan University during this past winter semester have been honored by being named to the university's Dean's List.

A total of 1,833 achieved the distinction of taking 14 hours of class work and earning a grade point average of 3.5 out of a possible 4.0 (all A's).

Leaders of the Dean's List were 493 students who received all A's for their class work last semester.

Mary Ellen Simmons of 222 Hibbard Rd., Manchester was one of the students who achieved a 4.0 average.

Engagement Announced

Mr. and Mrs. George E. VanSickle, announce the engagement of their daughter, Jacqueline Sue, to Michael L. Moore, son of Mr. and Mrs. Owen Moore of Brooklyn. A May 1975 wedding is being planned.

Page 9

"Is that you, Sam?" the wife called out to the late-returning and somewhat inebriated husband. "All I know," grumbled Sam, slamming into the buffet, "is that I'd damn well better be."

Keep calls beautifully private with a Trimline® Extension!

If your "big scenes" are turning into mob scenes you're ready to keep things personal with a new Trimline extension.

They're handy. Trimline phones nest neatly in one hand, have illuminated dials for anytime-anywhere use. Available in desk or wall models.

They're convenient. Extra Trimline phones save you time, steps, missed calls.

They're versatile. Use new Trimlines as extra phones for sharing calls (carrying on 3- or 4-way confabs with family and friends, for instance). Or as your own personal phone to assure private conversations.

They're attractive. High-fashion Trimline phones in table or wall models come in these handsome decorator colors: beige, blue, green, ivory, red, white, yellow and basic black. They can match or complement the decor in every room, basement to attic.

Agriculture in Action

Michigan Farm Bureau

Remember the threats earlier this year by the baking industry that bread would go to \$1 a loaf if export controls were not imposed on wheat? "...No hamburger buns, no rolls for hot dogs at ball games, no birthday cakes, no pizzas," were their warnings.

Despite the scare stories issued by an industry unwilling to compete in the world market for its needed products, there were no export controls. There is still sufficient wheat for hot dog buns, birthday cakes and pizzas--and bread is not \$1 a loaf. If it were, it wouldn't be because of wheat prices, which have dropped by nearly half since February.

Congressman Findley, in a recent letter to the American Bakers Association, summed it up well when he wrote:

"On January 9, you forecast that without export control, wheat prices would skyrocket to \$8, \$10, or \$12 per bushel by spring--and this would push bread to \$1 a loaf. Spring is here and no controls have been imposed on exports. But instead of doubling, as you forecast, wheat

is down more than 40 percent. The cash price L.o.b. Kansas City on May 7, 1974 was \$3.46, a decline of 40.3 percent from the January 8 price of \$5.80 to which you alluded in your statement.

"Now that wheat is down, consumers are eagerly awaiting your forecast that bread prices will be declining sharply in the near future. USDA reports that the retail price of a one-pound loaf of white bread was about 32 cents in January. As wheat prices have fallen by more than two-fifths, I must draw a corollary to your reasoning and assume that a one-pound loaf will soon cost about 20 cents. Or, because you implied that a twofold increase in wheat prices would precipitate a threefold increase in bread prices, are we to expect that a 40 percent wheat decline will cause an 80 percent decline in bread prices?"

"You will surely make millions of consumers very happy with the dough-saving announcement of a seven-cent loaf of bread. Big news, not matter how thin you slice it.

"Knead I say more?
"Maybe I sound a bit crusty, but who wouldn't be when bread prices stay up despite a big drop in wheat prices."

Legion Auxiliary Elects Officers

The American Legion Auxiliary met for their regular June meeting at the home of Mrs. Leota Schwab, with nineteen being

present.

The minutes of the last meeting and the treasurers report were read and approved.

Standing committees reported as well as special reports.

The Unit voted to show the expense with the Bingo committee and the Post in buying an automatic coffeemaker. In the observance of Flag Day, a very nice article was read by one Chaplin and Americanism chairman, Edna Knauss. The Manchester Tool & Die has offered to be our sponsors for a position at the Manchester Fair in August. We gratefully accepted.

A report was given from the nominating committee to select officers for the coming year.

The following have been selected and unanimously voted on to be the officers for the 1974-75 term of office. President-Mrs. Mary Smith, 1st Vice President-Linda Jacob, 2nd Vice President-Helen Popkey, Secretary-Arlene Walter, Treasurer-Phyllis Baker, Chaplin-Edna Knauss, Sgt. at Arms-Della Weidmayer, Historian-Ella Kern.

Flowers for Memorial Day were put in the urns at Wurster Park as well as Leila Weir and Gennie Logan's Grave site.

The July meeting will be held the second Wednesday at Carr Park, 6:30 p.m. Committee for the July meeting is Dealoris Richardson, Elaine Steele and Jane Kern. Rolls and beverages to be furnished by the committee.

Judy Hoelt has taken good cheer for the next month.

Door prize was not given as Elma Troz was not present. \$12 will be in the July drawing.

No further business the meeting was

adjourned.

The members enjoyed refreshments and a social hour after by Leota Schwab, Yvonne Huber with the help of Karen Jenter.

Respectively Submitted,
Ruth Hainstock, President

WORKERS FOR CHICKEN BROIL

All school age boys who wish to work at the Manchester Chicken Broil should submit their names to Robert D. Swartz prior to Thursday, July 18, 1974. Please call during the day, 428-7300. Mr. Swartz will also be available Wednesday morning July 17, 1974 at the Athletic Field Shelter between 10:00 A.M. and 11:00 A.M. for the purpose of receiving names.

All boys who sign up and work a designated shift will receive a free dinner.

107TH YEAR NO. 37 TEN CENTS PER COPY THURSDAY, JULY 11, 1974

21st Annual Chicken Broil Thursday, July 18, 1974

By C. Chapin

Manchester's 20th annual Charcoal Chicken Broil has become an international event. Scheduled for Thursday, July 18, the Village of 1800 population, nestled in the Raisin River valley twenty miles southwest of Ann Arbor, expects to feed 11,000 people.

Visitors from Hawaii, Philippines, Turkey, Germany, Columbia, and half the States in the Union will gather on the high school athletic field to enjoy the Charcoal Broiled chicken dinner.

Four charcoal pits, consuming two tons of charcoal, each 100 feet long and covered with grids holding tender chicken halves, steadily basted with butter, exuding a delightful aroma, are in view of all visitors. Passing the charcoal pits the by now hungry diner reaches the rows of cabbage cutters, hearty villagers using old-fashioned sauerkraut slicers, cutting more than a ton of cabbage to make the secret recipe for slaw, then radishes, 1,000 lbs. of them, rolls and potato chips, with coffee or milk complete the menu.

Sponsored by the Optimist Club and Jaycees, and including 550 men and boys, nearly all of the male population of the area is involved in this project. The ladies have the day off.

The process of slow-broil without scorching or blistering, was developed by Howard Zindell, head of the Michigan State Poultry Dept. and is personally supervised by him each year.

Serving begins at 4 p.m. and one dinner per second is the standard upheld until all visitors are served. Prices for the dinner is \$2.50 pre-broil, gate tickets \$2.75 and when dinner is done visitors are encouraged to remain and renew old friendships, listen

to WPAG broadcasting and attend one of the three slow pitch ballgames to be played on the field. A womens game at 5:30, followed by another mens game at 7 and 8 p.m. All proceeds are used for community projects.

Jaycee Auxiliary Baby Contest

The Jaycee Auxiliary is sponsoring their "5th Annual Baby Contest." If you are interested in entering your baby please send a picture of the baby with name, address, and age on back of picture. Send pictures to Jaycee Auxiliary, P.O. Box 314, Manchester. Deadline for pictures is July 20, Birth to 3 years eligible.

Cans will remain in Union Savings Bank July 24-August 10. Winner is determined by the can with the most pennies. Winning baby receives a \$25.00 savings bond and is honored by riding in the fair parade. Auxiliary children not eligible. Proceeds go to community projects. Good luck to your baby!

Notice

Applications for Absentee Ballots and the Absentee Ballots for the July 23, 1974 school millage election are now available in the Superintendent's Office. Persons on vacation during this time or others who qualify for absentee ballots should pick them up at their convenience between the hours of 8:00 a.m. and 3:30 p.m. Monday through Friday. Applications for Absentee Ballots and the Absentee Ballots can also be mailed upon request.

Sax Smith 1974 Chest Chairman

Robert Ross, president of the Manchester Area Community Chest and Red Cross Drive, has announced the appointment of Francis "Sax" Smith as the 1974 Campaign Chairman.

Sax, who ably conducted the 1973 campaign, formulates plans for the upcoming drive with Bob.

With one annual campaign the Manchester Community Chest raises funds for 36 community and health agencies and programs thus eliminating repeated and costly individual fund drives.

Sax, a native of Manchester, is retired and resides with his wife Betty at 17175 Pleasant Lake Road.

A slogan contest will again be conducted

by the Chest during the Manchester Community Fair. All citizens of the Manchester area are invited to participate in this contest and the winning slogan will be used in the campaign publicity this fall.

With your generosity and cooperation the drive, which will be launched in October, will be successful.

School Answers "Call In" Questions

A number of the calls that were received on the School Board's "Call In" day related to the assessment increases on property within the school district. The callers were concerned with the higher assessments increasing their property tax, and the subsequent request from the Board of Education which placed further demands on their tax dollars. It is apparent that the local township supervisors were advised by the local county equalization department that assessments in their respective township had to be increased. The equalization committee in each county annually makes this determination based on a number of factors. The primary factors being (1) inflation, (2) desirability of property within a specific area, (3) sales of property occurring within that area and (4) the prices those sales are commanding. The determination of assessment rates made by the county equalization committee is subject to review by the County Board of Commissioners and the State Tax Commission. Both boards have the power to approve the equalization committee's figures, increase them or decrease them. Each township supervisor is then charged by the committee to uniformly spread a percentage increase which must be converted to dollar increase in their township valuations. Consequently an equitable, uniform valuation increase appears on each parcel of property in the district.

Community Fair To Have Homemaker

The Manchester Fair will again host the Champion Homemaker Award sponsored by the Michigan State Fair. In order to qualify for the award, the contestant must enter four of the following divisions at the Fair: Baked Goods, Canned Goods, Needlecraft, Sewing, Crafts, Photography, Painting or Flowers and Plants. She will be determined by total points accumulated from ribbons. This year points will be awarded to blue ribbons (4 points), Red ribbons (3 points), White ribbons (2 points) and two points for the special Gold Ribbons. The winner is eligible to attend the Michigan State Fair in 1975 and compete with other local Fair winners for the Grand Champion Homemaker Award.

Last year's Champion Homemaker was Mrs. Hilma Turvo. Reserve Champion Homemaker was Mrs. Ellen Buss, and Junior Champion Homemaker was Miss Beth Feldkamp.

The Fair begins August 20, 1974. Start thinking about ideas for your exhibits now.

Sidewalk Days Are Comming

On Friday, July 26th, the merchants of Manchester will hold the annual Sidewalk Day Celebration. Stores will be open with sale merchandise on the sidewalk at 8:30 AM. They will remain open until 9 PM. Other features of this year's sale will include an Art Show sponsored by the Jaycee Auxiliary. Registration blanks can be found in the Enterprise. The Jaycee's will man a concession stand throughout the day.

Beginning at 8 PM, there will be a street dance held on Adrian Street near the Mill.

Remember the day, Friday, July 26th, beginning at 8:30 AM.

Celebrate 60th Anniversary

Mr. and Mrs. Oscar Lee Cox observed their 60th Wedding Anniversary on July 4th. The couple moved to Manchester in 1930 from West Virginia. Mr. Cox did construction work until his retirement in 1960. He then became a crossing guard for Manchester Public Schools for six years.

The Coxes have four children, Mr. James Cox of Manchester, Mr. Jacob Cox of Hillsdale, Miss Juanita Cox of Ann Arbor and Miss Nora Cox of Ypsilanti. They have seven grandchildren and twelve great grandchildren, with another due in September.

Bloodmobile

There is a Bloodmobile this Friday, July 12, from 1:00 to 7:00 p.m. at the Red Cross Headquarters, 2729 Packard Road, Ann Arbor. This is an Open Clinic at which one may give for his blood club or a patient at a hospital.

If one is a regular donor, it is possible for one to give at this clinic and again at the next Bloodmobile in Manchester on October 28. During the summer months blood is greatly in demand because of accidents--every pint counts--please be a donor.
