21st Annual Chicken Broil Thursday, July 18, 1974

By C. Chapin

Manchester's 20th annual Charcoal Chicken Broil has become an international event. Scheduled for Thursday, July 18, the Village of 1800 population, nestled in the Raisin River valley twenty miles southwest of Ann Arbor, expects to feed 11,000 people.

Visitors from Hawaii, Philippines, Turkey, Germany, Columbia, and half the States in the Union will gather on the high school athletic field to enjoy the Charcoal Broiled chicken dinner.

Four charcoal pits, consuming two tons of charcoal, each 100 feet long and covered with grids holding tender chicken halves, steadily basted with butter, exuding a delightful aroma, are in view of all visitors. Passing the charcoal pits the by now hungry diner reaches the rows of cabbage cutters, hearty villagers using old-fashioned sauerkraut slicers, cutting more than a ton of cabbage to make the secret recipe for slaw, then radishes, 1,000 lbs. of them, rolls and potato chips, with coffee or milk complete the menu.

Sponsored by the Optimist Club and Jaycees, and including 550 men and boys, nearly all of the male population of the area is involved in this project. The ladies have the day off.

The process of slow-broil without scorching or blistering, was developed by Howard Zindell, head of the Michigan State Poultry Dept. and is personally supervised by him each year.

Serving begins at 4 p.m. and one dinner per second is the standard upheld until all visitors are served. Prices for the dinner is \$2.50 pre-broil, gate tickets \$2.75 and when dinner is done visitors are encouraged to remain and renew old friendships, listen

to WPAG broadcasting and attend one of the three slow pitch ballgames to be played on the field. A womens game at 5:30, followed by another mens game at 7 and 8 p.m. All proceeds are used for community projects.

Jaycee Auxiliary Baby Contest

The Jaycee Auxiliary is sponsoring their "5th Annual Baby Contest." If you are interested in entering your baby please send a picture of the baby with name, address, and age on back of picture. Send pictures to Jaycee Auxiliary, P.O. Box 314, Manchester. Deadline for pictures is July 20, Birth to 3 years eligible.

Cans will remain in Union Savings Bank July 24-August 10. Winner is determined by the can with the most pennies. Winning baby receives a \$25.00 savings bond and is honored by riding in the fair parade. Auxiliary children not eligible. Proceeds go to community projects. Good luck to your baby!

Notice

Applications for Absentee Ballots and the Absentee Ballots for the July 23, 1974 school millage election are now available in the Superintendent's Office. Persons on vacation during this time or others who qualify for absentee ballots should pick them up at their convenience between the hours of 8:00 a.m. and 3:30 p.m. Monday through Friday. Applications for Absentee Ballots and the Absentee Ballots can also be mailed upon request.

Sax Smith 1974 Chest Chairman

Robert Ross, president of the Manchester Area Community Chest and Red Cross Drive, has announced the appointment of Francis "Sax" Smith as the 1974 Campaign Chairman.

Sax, who ably conducted the 1973 campaign, formulates plans for the upcoming drive with Bob.

With one annual campaign the Manchester Community Chest raises funds for 36 community and health agencies and programs thus eliminating repeated and costly individual fund drives.

Sax, a native of Manchester, is retired and resides with his wife Betty at 17175 Pleasant Lake Road.

A slogan contest will again be conducted

by the Chest during the Manchester Community Fair. All citizens of the Manchester area are invited to participate in this contest and the winning slogan will be used in the campaign publicity this fall. With your generosity and cooperation the drive, which will be launched in October, will be successful.

School Answers "Call In" Questions

A number of the calls that were received on the School Board's "Call In" day related to the assessment increases on property within the school district. The callers were concerned with the higher assessments increasing their property tax, and the subsequent request from the Board of Education which placed further demands on their tax dollars. It is apparent that the local township supervisors were advised by the local county equalization department that assessments in their respective township had to be increased. The equalization committee in each county annually makes this determination based on a number of factors. The primary factors being (1) inflation, (2) desirability of property within a specific area, (3) sales of property occurring within that area and (4) the prices those sales are commanding. The determination of assessment rates made by the county equalization committee is subject to review by the County Board of Commissioners and the State Tax Commission. Both boards have the power to approve the equalization committee's figures, increase them or decrease them. Each township supervisor is then charged by the committee to uniformly spread a percentage increase which must be converted to dollar increase in their township valuations. Consequently an equitable, uniform valuation increase appears on each parcel of property in the district.

Community Fair To Have Homemaker

The Manchester Fair will again host the Champion Homemaker Award sponsored by the Michigan State Fair. In order to qualify for the award, the contestant must enter four of the following divisions at the Fair: Baked Goods, Canned Goods, Needlecraft, Sewing, Crafts, Photography, Painting or Flowers and Plants. She will be determined by total points accumulated from ribbons. This year points will be awarded to blue ribbons (4 points), Red ribbons (3 points), White ribbons (2 points) and two points for the special Gold Ribbons. The winner is eligible to attend the Michigan State Fair in 1975 and compete with other local Fair winners for the Grand Champion Homemaker Award.

Last year's Champion Homemaker was Mrs. Hilma Turvo. Reserve Champion Homemaker was Mrs. Ellen Buss, and Junior Champion Homemaker was Miss Beth Feldkamp.

The Fair begins August 20, 1974. Start thinking about ideas for your exhibits now.

Sidewalk Days Are Comming

On Friday, July 26th, the merchants of Manchester will hold the annual Sidewalk Day Celebration. Stores will be open with sale merchandise on the sidewalk at 8:30 AM. They will remain open until 9 PM. Other features of this years sale will include an Art Show sponsored by the Jaycee Auxiliary. Registration blanks can be found in the Enterprise. The Jaycee's will man a concession stand throughout the day.

Beginning at 8 PM, there will be a street dance held on Adrian Street near the Mill.

Remember the day, Friday, July 26th, beginning at 8:30 AM.

Celebrate 60th Anniversary

Mr. and Mrs. Oscar Lee Cox observed their 60th Wedding Anniversary on July 4th. The couple moved to Manchester in 1930 from West Virginia. Mr. Cox did construction work until his retirement in 1960. He then became a crossing guard for Manchester Public Schools for six years.

The Coxes have four children, Mr. James Cox of Manchester, Mr. Jacob Cox of Hillsdale, Miss Juanita Cox of Ann Arbor and Miss Nora Cox of Ypsilanti. They have seven grandchildren and twelve great grandchildren, with another due in September.

Bloodmobile

There is a Bloodmobile this Friday, July 12, from 1:00 to 7:00 p.m. at the Red Cross Headquarters, 2729 Packard Road, Ann Arbor. This is an Open Clinic at which one may give for his blood club or a patient at a hospital.

If one is a regular donor, it is possible for one to give at this clinic and again at the next Bloodmobile in Manchester on October 28. During the summer months blood is greatly in demand because of accidents—every pint counts—please be a donor.

AREA STUDENTS ATTEND SEMINAR

Over 200 high school juniors and seniors from throughout the state spent the week of June 24 at Albion College learning about their citizenship responsibilities. This was the eleventh consecutive year the Michigan Farm Bureau has sponsored the "Young People's Citizenship Seminar."

Students at the five-day seminar were selected by county Farm Bureaus in co-operation with their local schools. Their attendance was sponsored by county Farm Bureaus and insurance agencies, local civic clubs and businesses.

With nationally-known resource people conducting the classes, the young people studied such topics as people and governments around the world, and America's private enterprise and political systems. The students themselves developed party platforms, conducted political campaigns, and held primary and general elections, using voting machines loaned by the city of Albion.

Instructors included lecturer-author Dr. John Furbay; Dr. Clifton Ganus, president of Harding College, Searcy, Arkansas, and Professor John Sparks, economics expert from Hillsdale College, Ken Wimmer, Michigan Farm Bureau regional representative, guided the students in their political activities. A popular speaker with the youth for the past several seminars, Art Holst, National Football League line judge, also appeared on the program.

The students will be sharing their experiences at the citizenship seminar with interested groups in their home communities.

Students from this area who attended the Young People's Citizenship Seminar were: Stephen Sutherland, son of Mr. and Mrs. Roger Sutherland of 5488 Warren Road, Ann Arbor; Howard Camfield, Sr. of Mr. and Mrs. Howard Camfield, Sr. of 3865 Hillside, Ann Arbor; Rita Kemner, daughter of Mr. and Mrs. Ernest Kemner of 315 S. Macomb St., Manchester; and Judy Herter, daughter of Mr. and Mrs. Paul Herter of 6771 Pleasant Lake Road, Ann Arbor.

LOCAL RESIDENTS RECEIVE DEGREES

The following Manchester residents received degrees from Cleary College at its 90th commencement exercises: Miss Nancy Kennedy, Associate in Business Administration, Secretarial, Miss Cindy Panches, Associate in Business Administration, Legal Secretarial, Mr. Milton Weidmayer, Bachelor of Business Administration, Accounting.

Cleary is a specialized college of business in Ypsilanti, Michigan, offering one-year, two-year, and four-year degrees in management, accounting, and secretarial sciences.

ELECTED TO BOARD OF DIRECTORS OF THE AMERICAN SOCIETY FOR PREVENTIVE DENTISTRY

Dr. Glenn C. Lehr, a local dentist, was elected to the Board of Directors of the American Society for Preventive Dentistry at their recent National meeting held in Washington, D.C.

Dr. Lehr, 509 Galloway Drive, Manchester, Michigan, has been practicing dentistry in Manchester for six years. He is an active member of the American Dental Association, the Michigan Dental Association, the Bunting Periodontal Society, the Detroit Clinic Club and the Vedder Crown and Bridge Society.

The American Society for Preventive Dentistry is an organization concerned with the oral health of the public and is engaged in extensive programs of education to create public awareness that proper personal daily care of teeth not only preserves the teeth but actually reduces dental

disease and in many cases, other diseases. Exciting new research programs in the area of nutrition are being covered by special nutritional conferences as well as ongoing scientific programs sponsored by the American Society for Preventive Dentistry. Membership in the Society is made up of individuals from the dental fields, public health, and others interested in prevention of oral disease.

BETA SIGMA PHI

A tupperware party was held on June 11th at the home of Miss Mary Frances Fielder. Proceeds from this sale were contributed to Lambda Nu Chapter of Beta Sigma Phi. A special thank you to Mary Frances Fielder for the time and effort expended on this project and to the people who supported this project.

Elliott-Grossman Wedding

Deborah Joann Grossman became the bride of Kenneth Roger Elliott June 28 in the Emanuel United Church of Manchester. The Rev. Joseph W. Wise officiated at the double ring ceremony.

Given in marriage by her father, the bride was attired in a gown of silk organza over taffeta styled with a scooped neck bodice. Floral lace appliques enhanced the bodice, neckline and the double puffed sleeves of sheer organza. A camelot

cap secured her fingertip veil and she carried a bouquet of miniature white and yellow roses with baby's breath. She wore a cameo pendant belonging to her great grandmother Mrs. Louise Gauss. Honor attendants were Mrs. Kay O'Connor of Tecumseh, sister of the bride and Mr. Randy Elliott of Clinton, brother of the groom.

The matron of honor chose a gown of yellow and white floral cotton with a wide

white eyelet ruffle edged with lace. A picture hat with velvet ribbon completed her ensemble. She carried a basket of yellow and white carnations with baby's breath.

Bridesmaids included Mrs. Jan Wegner of Ann Arbor and Jo Ann Grossman, sister of the bride. Junior bridesmaid were Becky Grossman and Jenny Elliott, sisters of the bride and groom.

Dressed in blue, pink, green and green respectively, matching the gown worn by the matron of honor. Their baskets of flowers were coordinated to their dresses.

Seating the guests were Dave Elliott of Adrian and Terry Elliott of Ypsilanti, brothers of the groom, Bruce Grossman of Mt Clemens, brother of the bride and serving as junior ushers were Tom Grossman and Tom Elliott, brothers of the bride and groom.

A reception followed at the church hall. Assisting were Mrs. Karl Jacob, Mrs. Edward Weager, Mrs. Sylvia Grossman, Mrs. George Grossman, Jr. and Lisa Moore.

Mr. and Mrs. James Moore were host and hostess at a reception held later at the home of the bride's parents, Mr. and Mrs. Milton J. Grossman of Clinton.

The bride and groom will reside in Sanford, Florida. He is a Senior at Florida Technological University in Orlando majoring in Speech Pathology.

COUNCIL PROCEEDINGS

June 17, 1974

Council met in regular session with the meeting called to order by Pres. Little at 7:08 pm. Present were Curley, Daniels, Fitzgerald, Walton, Scully and Zsenyuk; absent were Beal and Mahony. Minutes from the June 3, 1974 regular meeting were read and corrected. Moved by Curley, supported by Fitzgerald that the corrected minutes be approved. All years, carried. Enter Mahony at 7:11, Beal at 7:17. Minutes from the June 13, 1974 special meeting were read and approved in a motion by Beal, supported by Curley. All years, carried.

A citizen, who asked to remain anonymous, suggested that Council look into upgrading the pay scale of the Police Dept. He said that a starting deputy for the Washtenaw County Sheriff's Dept. makes more than the Manchester Chief. He feels we have a fine department here and would like to see us keep it.

Moved by Mahony, supported by Scully that an invoice for legal notices and printing of brochures be approved: Manchester Enterprise \$253.60. All years, carried.

Zsenyuk discussed police department activities. The June 6 meeting of SEMCOG indicated that the Village will receive its communications grant. A phone conversation with Rep. Chamberlain today further confirmed this. The police department held an open house for one of the second grade classes and had received letters of appreciation from the students. The auxiliary purchased a tear gas gun for the Dept. with funds from last year's policeman's ball. A dance will be held later this year, to continue the annual tradition. A softball game between the Manchester High School Girls team and the Police Dept. took place Friday evening, with the girls winning 25-24. Hopefully this will be undertaken again next year.

Philip Duckham of Modern Disposal assured Council that he had contacted the merchants and offered large container service. He admittedly was reluctant to put in a single very large container which would serve many merchants. However, he granted that one merchant could be responsible for it, and if he wished allow others to use it. He agreed to

Fitzgerald listed Public Works activities:

1. The wall at the transfer site is up, and fill has been placed. Some grading is yet to be done.
2. The fire hydrant at Kirk Park has been placed and water service run inside the footings of the comfort station.
3. All parks were cut and trimmed this past week.
3. All parks were cut and trimmed this past week.
4. The clutch was replaced in the 1967 dump truck.
5. There was a fire at the transfer site on June 8 due to someone dumping hot coals. It necessitated emptying the container by hand to get at the source of the fire and extinguish it.
6. Repairs were made on the Ford dump hydraulic system.
7. Michigan Bell has requested and will be granted a permit to place some underground wires on Schaffer Court.
8. Bradner Contracting Co. is planning

to begin work on the water tower later this week.

9. West Main should be paved this week, weather permitting.

10. Water meters are to be read during the next two weeks.

Sam Beal requested that the Mayor notify Robert Downey, in writing, that his services as electrical inspector would no longer be called for, since an apparent conflict of time made local inspections difficult to obtain.

Beal moved and Scully supported payment of \$125 to Mayor's Exchange Day Committee for expenses incurred. All years, carried.

Mahony questioned when another work session was to be held on the Zoning Ordinance. A meeting was then set for June 24 at 8:00 p.m.

Moved by Curley, supported by Scully to adjourn at 9:10 p.m. All years, carried. Mary H. Wheeler, Clerk

Sando-Samonek Vows Spoken

A candlelight ceremony united Sally Marilyn Samonek and Gregory Allen Sando in marriage on Friday evening. The Rev. Joseph W. Wise of the Emanuel United Church of Christ, officiated as the daughter of Mr. and Mrs. Walter Samonek of Brooklyn and the son of Mr. and Mrs. Gordon Sando of Daren, Connecticut exchanged rings.

Approaching the altar on the arm of her father the bride was attired in a princess style gown of sheer organza over taffeta with a mantilla veil. She carried a cascade arrangement of white daisies, stephanotes and baby's breath.

The matron of honor, Mrs. Edgar Briggeman of Rochester, Michigan, sister

of the bride, wore a peach colored gown of flocked crepe in princess style and carried a bouquet of white daisies, peach roses and baby's breath.

Miss Sara Samonek of Manchester, niece of the bride, dressed identically to the matron of honor, served as flower girl.

Mr. Daniel Friedman of Ann Arbor acted as bestman while Mr. Andrew Muth and Mr. Bruce Wallace, both of Ann Arbor seated the guests. Mr. Jeffery Briggeman, nephew of the bride carried the rings.

Immediately following the ceremony a reception was held in the church hall with Miss Laurie Fuhrman of Milan presiding at the guest book, Miss Laurie

Sando of Daren, Conn. sister of the groom in charge of gifts, Mrs. Willard Schable of Brooklyn pouring coffee, Mrs. Wilbur Frey of Manchester cutting cake and Mrs. James Samonek of Manchester serving punch.

The bride is a graduate of Cleary College with an A.B.A. in Legal Secretarial. The groom is a graduate of the U of M Law School and is an attorney in Chicago, Illinois.

The newlyweds will be at home at 701 Austin, Apt. 2E, Evanston, Illinois.

HURON RIVER WATERSHED COUNCIL

The Huron River Watershed Council will sponsor a public informational meeting on Monday evening, July 15, 1974 at 8:00 p.m. at the Freedom Township Hall, 11508 Pleasant Lake Road. The meeting will focus on South Branch Mill Creek. A slide presentation illustrating the character of the area, the services the creek provides and some of the potential problems that may relate to the creek and its drainage basin or watershed (creekshed) will be the main feature of the evening.

The Huron River Watershed Council is conducting this meeting as a part of a research study called the Creeksheds Project. The project, funded by the Office of Water Resources Research, U.S. Department of the Interior is studying methods for equipping those having an interest or responsibility for managing local water resources with the perspective, understanding and tools appropriate to the particular conditions and circumstances of the local area.

The research method is to select creek communities representative of three general situations; Built-Up, Agricultural and Fringe. The project staff will work with citizens and officials in each community to define and progressively refine an approach or strategy to improve local water management practices related to the creek in question.

The results of the study should be of assistance to other communities in similar situations where a better understanding of how to go about managing or protecting what is valued is desired.

School Board Briefs

The Manchester School Board met July 8, 1974 for the Regular Monthly Meeting. Fourteen visitors were present plus the principals of the Elementary School and High School.

Election of officers was held, results as follows: President-L. Klager; Vice President - J. Walkow; Secretary - A. Luckhardt; Treasurer-L. Vogel. The second Monday of each month was again designated as the date of the Regular Monthly Meeting. (Workshop meetings to be held the fourth Monday each month.) It was decided to continue with Union Savings Bank as depository for the General Funds but to look into Ann Arbor Federal Savings and Clinton State Savings Bank as secondary banking facilities. Mr. Klager announced that the auditor will be here next month to complete the annual school audit.

Mr. Klager reported on questionnaire letters sent to former graduates asking how prepared they felt they were for college, how difficult it was to adjust, what changes would they suggest in curriculum and how did they compare with their fellow students from other areas. Most replies were good, however they did express need for more languages and

stated students from larger schools had a deeper background in most subjects. A lack in vocational courses was acknowledged and these needs are under discussion by the board.

Decision on hiring of a Business Manager was postponed until a later date. One board member stated that perhaps this was not the time to hire a new man.

Much discussion was held about conditions of discipline, methods of certain teachers and unnecessary curriculum, particularly at the Middle School. Many concerned parents related cases of poor handling of their children by teachers and unhappiness with the courses offered. The board stated that at a meeting on July 22nd they will report to the people on proposed action on these complaints.

Brian Schick was appointed Varsity Football Coach, on the recommendation of the Superintendent.

The Principal of the High School presented a booklet to the board on policy and laws governing loitering, absenteeism and truancy as adopted at another school and has also presented same to the Council and Chief of Police. It is felt a co-operative program is needed between the schools and the police department to correct some situations which now exist.

A request was made for \$1800 for study tables at the Elementary School.

Resignation of Doug Price was accepted. Mr. Price is taking a position in Florida to teach in the ROTC program there.

Pertaining to the millage campaign for the July 29 election it was announced that absentee ballots are available at the high school for those people on vacation or otherwise unable to come to the polls on this date.

GUEST EDITORIAL BY THE RENOWNED WOMEN'S ACTIVIST DAISY DONOTHING

To the Women of Manchester:
I am astonished and dismayed at the passiveness of the Women of this town. Have you no understanding of the Womens Liberation goals and aspirations. Total equality for women.

The men of this town have excluded women from participation in the biggest annual event we have, if you don't count the turkey shoot, and it passes my understanding how you can all swallow your pride and the chicken too.

Do you realize that at the pre-broil dinner at Carr Park these men actually play euchre and sometimes even drink Pepsi-cola? How can you, after working hard all day not wish to be a part of this fun-filled evening.

When the big day arrives with visitors from all countries and states here to view our manner of doing things we stand as an example to the world of slighted womanhood. While the males, even young adolescent males are allowed full rights, and total participation by standing over those charcoal pits in the warm July weather, turning the heavy grids, basting with butter, and carrying those 11,000 chickens to the serving table, then the amazing sight of only men standing under the sun and pushing the sauerkraut slicers to cut up one ton of cabbage, for the dinner which would very likely be tastier if the women were cooking it.

Women arise, get off your porches, get involved, let the men of the country know that we are tired of resting on that July day of activity. Welcome the world, not at your backyard picnic table, with boxes of take-out chicken, but by smiling over the smoke of the charcoal pits. You too can have full rights of citizenship.

Rita Cousino Weds Claran Knauss III

St. Mary's Church of Manchester was the setting Friday evening June 23 when Rita Grace Cousino was married to Mr. Claran W. Knauss III.

The marriage ceremony was performed by Father Raymond Schlinkert. The organist was Miss Peggy Thomas of Ann Arbor.

Mr. and Mrs. Raymond H. Cousino are the parents of the bride, Mr. and Mrs. Claran Knauss Jr. are the parents of the groom.

The brides gown was an Empire A-line silhouette in polyester organza trimmed in bands of Cluny-type lace and flower buds. The bodice had a sheer yoke and Bishop sleeves. A full chapel train was attached. The veil of illusion was secured to a Juliet cap.

A sister of the bride Mrs. Charles Schiel was matron of honor. She made a gown of pink flowered dacron for the occasion. She wore a pink picture hat.

Two nieces of the bride Rosemarie Thompson of Tecumseh and Catherine Gainsley of Deerfield were the junior bridesmaids. They wore orchid and green flowered gowns of dacron print made by their mothers. Their accessories were white.

The bestman was Gaylord Knauss Jr. Francis Cousino and Gary Knauss seated the guests. Christopher Thompson of Tecumseh, nephew of the bride was ring bearer.

Following the wedding a reception was held at the K of C Hall in Manchester. Assisting at the reception were two sisters of the bride, Mrs. Dolores Thompson and Mrs. Yvonne Gainsley. Others were Mrs. Luvisa Cousino, Mrs. Mary Cousino, Mrs. Trudy Kaidan, the Misses Gretchen and Gina Knauss.

Both families hosted a rehearsal dinner June 23. After a short trip the couple will reside at the Water Wheel Estates in Clinton, Michigan.

Average Maximum M.A. Salary (Teachers) \$15,537., Manchester \$13,728.

Soms' callers suggested the Board cut back or stay within existing limits of funds available to the Board. Mr. Luther Klager responds to this with the following statement.

"Each year I personally send letters to a number of graduates to see how well they're doing and how our school system prepared them for college or the world of work. It is most gratifying to hear from these young people. The answers are always frank and honest. Some praise and they also voice their criticisms. Invariably recent responses have indicated improvements that the school system should make which would make the educational program more relevant to the out-

more vocational-technical courses for the non-college student, more foreign language classes, more written English and Grammar, and more laboratory experiences in the science area. If we, as a board, take these suggestions seriously we should plan to implement them in our program. This takes additional staff members and subsequently more dollars. We must continue to improve our schools and grow in the direction that is most beneficial to our area youth. These are the people we exist for and we cannot stand still or regress in the educational process."

Several calls complained of dirty schools, especially the Middle School. The administration reported that for a time the Middle School was without a daytime custodian, but this position has now been filled. All schools are completely cleaned and refurbished each summer. Again, a partial refurbishing occurs during the Christmas vacation period. All schools have their own full time custodians or housekeepers who clean their buildings daily. The administration points out that specific activities occurring during the evening can quickly dirty a building especially if refreshments are sold. However, this is cleaned up prior to the next school day if at all possible.

Concern relative to malicious damage done to buildings was expressed by several citizens. Unfortunately some of this does

occur as it does in every district. Most of the damage done to the Manchester System is window breaking which occurs all during the year and not just during the school year. During the 1973-74 school year the school spent a minimal amount replacing windows broken either accidentally or maliciously in the various school buildings. When glass is broken and replaced plastic windows are used to reduce future breakage. Other damage occurring is lawn damage done by unknown people joyriding in cars. This is usually done in the early morning hours and the culprits are very seldom apprehended. Very little damage to buildings or equipment is maliciously done by students in school. Most of the exterior malicious damage done is believed to be done by those outside the local school population.

**Agriculture
in
Action**
Michigan Farm Bureau

A good way for Michigan families to enjoy some good entertainment this summer is to attend one of the 83 county, 4-H or agricultural fairs to be held in the state. Regardless of where a person lives in the state, a fair will be held within a short driving distance.

In the beginning, most fairs were tied to farming. Often it was a matter of a few tents springing up in a grassy meadow, with merchants and entertainers mixing with the men of the soil. In Scotland, sheep dog obedience trials were often run, each dog handling a small flock through an intricate course by voice command for honors and prize money.

While things have changed, most of Michigan's fairs, including the two state fairs, remain closely tied to agriculture. Most are held in mid-summer or fall and most continue to follow the traditional pattern of carnival and competition, with livestock and crop judging, farm machinery and supply displays providing much of the excitement.

This year there will be an unusual "Treasure Chest" exhibit at many fairs, placed there by county Farm Bureaus to emphasize that agriculture is indeed America's Treasure Chest. Food is an international language and because of the amazing productivity of U.S. agriculture, farmers have contributed much toward world peace.

Food is a language that leaps oceans and crosses borders, piercing bamboo and iron curtains. It is the product that enables America to speak more forcefully, more powerfully, and more compassionately than any other nation in the world.

State and county fairs are an American

tradition. They provide a magnificent bridge between the people of our agricultural and urban communities. They are a great meeting place of people—where folks get together to talk and have fun, and where people can learn about America's treasure chest—agriculture.

DRAFT REGISTRATION CONTINUES

The Selective Service office at Ann Arbor registered 340 men for the draft during the month of June, according to Harold Cross, area office manager. The Ann Arbor office area includes Lenawee, Monroe and Washtenaw Counties.

Total number of men registered at age 18 so far this year is 2263. This figure reflects an increase of 377 for the same period in 1972 and an increase of 462 for the 1973 period.

Even though operating on a "standby" basis with no inductions, Selective Service still requires registration at age 18, holds a national draft lottery each year, and maintains a readily-available pool of about 100,000 Class I-A men during the year of their 20th Birthday in case of any national emergency.

Men can be registered at the Ann Arbor area office or by volunteer registrars available in most high schools where they are attending.

Individuals unable to appear in person can obtain mail-in registration forms from colorful displays located in all U.S. Post Offices, high schools and U.S. Army National Guard Armories. Also, at the Manchester Police Department.

Mail-in registration forms may be obtained by writing to the Ann Arbor Selective Service System area office, Room 210, First National Building, 201 South Main Street, Ann Arbor, 48108. Telephone 665-3766.

HUMANE SOCIETY OF HURON VALLEY

Animal cruelty cases are an important part of work done by the Humane Society of Huron Valley. In 1973, 224 cases were investigated by the Society, the only animal shelter in the Huron Valley region. They ranged from inadequate food, water and shelter to physical abuse.

Procedures have had to be streamlined to deal with ever-increasing numbers of cruelty complaints. Reporting persons' names are kept confidential on their request. Offending parties are sent letters stating the nature of the complaint and requested to correct it. If an animal's life is in jeopardy it may be removed. Persons making the complaint are contacted by the organization again to find out if the problem has been corrected or if it continues. Most complaints are corrected after initial action by the Society.

If animal abuse continues, offenders are visited by Shelter Manager Lee Kvarnberg and problems are discussed. A sheriff's deputy, he says he seldom uses his power of arrest because most offending animal owners comply with the Humane Society's requests. Maximum penalties for cruelty to animals are 90 days in jail and/or a \$500. fine.

Manchester Community Fair Needs Exhibitors Cooperation

Due to new State Rules and Regulations all exhibitors that exhibit at your Fair this year have to have an individual Premium Statement that will be sent to the State Audit Office. To help us in this extra work we are asking everyone that intends to exhibit any items this year or in the future to please fill out the blank below and mail to the Fair Secretary. We do not have to know what you intend to bring to the Fair, all we are asking for is your name and address. When we receive that information we will assign you an Exhibitor's Registration Number. This will be a permanent number which will be used year after year, so we do not have to do this every year. You will enter all your exhibits this year or in future years by using this number. We are asking also that if there is

more than one member of your family going to exhibit items, please enclose their name on a separate sheet of paper if they have the same address as yours. If not enclose their address too, or if you know of a friend, neighbor or someone that does not have a Manchester address, please enclose that too. You will receive your Registration Card with the number you have been assigned on August 20, 1974 at the Fair Grounds the day you enter your exhibits. The Fair Board is asking everyone for their cooperation in this new system because it will save you time standing in line and will help us to serve you better. Mrs. Dealoris Richardson, Secretary 128 Riverside Drive Manchester, Michigan 48158

Mr. and Mrs. Harold Ahrens of 12939 Schwilke Road celebrated their 40th wedding anniversary on July 7. The former Ruth Steinway and Mr. Ahrens were married July 7, 1934 at the Bethlehem United Church of Christ in Ann Arbor. Life-long residents of Manchester, Mr. and Mrs. Ahrens are members of the Manchester United Church of Christ, Mrs. Ahrens is involved in several church-related activities, is a member of the Manchester Arbiters and a card club. Mr. Ahrens, an area farmer, enjoys fishing.

Millage Facts

The amount of extra voted school millage being requested along with the corresponding state aid that would be received approximates one-half of the school district's revenue. Without these funds it would be impossible for the district to satisfy the state's required 180 days or 900 hours of student instruction. Therefore, it is conceivable that all state aid monies would be lost. This would absolutely paralyze the Manchester School System's Educational Program. Not only would academic offerings be drastically cut or eliminated, all extra curricular offerings would, of necessity, be eliminated. Inasmuch as these activities are practically all the young people have in this community to participate in and to occupy their time, it would be most tragic. The winners of these ribbons are entitled to two free passes to the State Fair in 1975, and can compete with other local fair winners for high prize money. Classes designated for these ribbons are: Best bedspread or tablecloth, Best crocheted article, Best knitted article, Best rug, Best display of canned vegetables, Best display of jelly, Best loaf of white bread, Best cake.

Gold Ribbons For Best Displays

School Board Briefs

School officials would like to remind parents that they are always welcome to discuss problems or concerns with school personnel. If these concerns or problems relate to students the procedure is to first confer with the teacher on the matter. If the problem is not resolved at this level, the parent is welcome and, in fact, urged to contact the school principal. Problems not resolved with the school principal should then be brought to the superintendent of schools. If all these conferences do not satisfy the parent or parents concerned, the final recourse is with the Board of Education. School Board President Luther C. Klager urges parents to follow this procedure. "We are all anxious to resolve problems as soon as they occur. Waiting or not following through always complicates the problem and we hope that early remedies will be forthcoming," Klager said. "We do want parents to know that board meetings are always open to the public and if parents do not receive satisfaction at the teacher/administrator level the Board stands ready to hear from them on school related concerns," Klager added. The Board met Monday evening, July 15. Continued on page 12
