Celebrate 40th Anniversary

Manchester Community Fair Needs Exhibitors Cooperation

Mr. and Mrs. Harold Ahrens of 12939 Schwelweis Road celebrated their 40th wedding anniversary on July 7. The former Ruth Steinway and Mr. Ahrens were married July 7, 1934 at the Bethlehem United Church of Christ in Ann Arbor. Life-long residents of Manchester, Mr. and Mrs. Ahrens are members of the Manchester United Church of Christ, Mrs. Ahrens is involved in several church-related activities, is a member of the Manchester Arbuters and a card club. Mr. Ahrens, an area farmer, enjoys fishing.

Due to new State Rules and Regulations all exhibitors that exhibit at your Fair this year have to have an individual Premium Statement that will be sent to the State Audit Office. To help us in this extra work we are asking everyone that intends to exhibit any items this year or in the future to please fill out the blank below and mail to the Fair Secretary. We do not have to know what you intend to bring to the Fair, all we are asking for is your name and address. When we receive that information we will assign you an Exhibitor's Registration Number. This will be a permanent number which will be used year after year, so we do not have to do this every year. You will enter all your exhibits this year or in future years by using this number. We are asking also that if there is more than one member of your family going to exhibit items, please enclose their name on a separate sheet of paper if they have the same address as yours. If not enclose their address too, or if you know of a friend, neighbor or someone that does not have a Manchester address, please enclose that too. You will receive your Registration Card with the number you have been assigned on August 20, 1974 at the Fair Grounds the day you enter your exhibits. The Fair Board is asking everyone for their cooperation in this new system because it will save you time standing in line and will help us to serve you better. Millage Facts

The amount of extra voted school millage being requested along with the corresponding state aid that would be received approximates one-half of the school district's revenue. Without these funds it would be impossible for the district to satisfy the state's required 180 days or 900 hours of student instruction. Therefore, it is conceivable that all state aid monies would be lost. This would absolutely paralyze the Manchester School System's Educational Program. Not only would academic offerings be drastically cut or eliminated, all extra curricular offerings would, of necessity, be eliminated. Inasmuch as these activities are practically all the young people have in this community to participate in and to occupy their time, it would be most tragic. These facts are not meant to be threatening to anyone. They are a fact of life, and in all fairness to the parents in the school district who are desirous of having an educational program for their youngsters these facts must be told. School officials will gladly talk to anyone who wishes additional information on these or other millage items. The Board of Education is acting in the best interest of and on behalf of every school age child in the district. They earnestly solicit the help and support of everyone who is interested in seeing their school remain open and the educational program continue.

Gold Ribbons For Best Displays

Gold Ribbons will again decorate the best displays of needlework, baking and canning. These coveted ribbons are provided by the Michigan State Fair for exhibits of outstanding merit deemed worthy of exhibit at the Michigan State Fair. The winners of these ribbons are entitled to two free passes to the State Fair in 1975, and can compete with other local Fair winners for high prize money. Classes designated for these ribbons are: Best bedspread or tablecloth, Best crocheted article, Best knitted article, Best rug, Best display of canned vegetables, Best display of jelly, Best loaf of white bread, Best cake. Start getting ready for the Manchester Community Fair now, the Fair opens August 20, 1974 with some 500 new classes to exhibit in.

Engagement Announced

Mr. and Mrs. Cecil Ellenwood of 8999 Dew Rd., Horton, proudly announce the engagement of their daughter, Janet Elaine Ellenwood, to Gale Allen Janofski, son of Rev. and Mrs. Ralph Janofski of 17046 English Rd., Manchester. No date has been set for the wedding. Continued on page 12

School Board Briefs

School officials would like to remind parents that they are always welcome to discuss problems or concerns with school personnel. If these concerns or problems relate to students the procedure is to first confer with the teacher on the matter. If the problem is not resolved at this level, the parent is welcome and, in fact, urged to contact the school principal. Problems not resolved with the school principal should then be brought to the superintendent of schools. If all these conferences do not satisfy the parent or parents concerned, the final recourse is with the Board of Education. School Board President Luther C. Klager urges parents to follow this procedure. "We are all anxious to resolve problems as soon as they occur. Waiting or not following through always complicates the problem and we hope that early remedies will be forthcoming," Klager said. "We do want parents to know that board meetings are always open to the public and if parents do not receive satisfaction at the teacher/administrator level the Board stands ready to hear from them on school related concerns," Klager added. The Board met Monday evening, July 15. Continued on page 12

LETTERS TO THE EDITOR

Three years ago I said, "give the Board of Education rope enough and they would hang themselves", which proved my point when the millage was defeated. Now Mr. Swartz and Mr. Klager are using propaganda and brain washing instead of facing the problems that do exist. They do this to convince us taxpayers how conserving and economical they have been operating the schools.

My taxes have doubled in the seven years I have lived here. Increasing the supd. and teachers salary do not make for better education for our children. Now the board is talking about hiring a General Manager to work under Mr. Swartz's supervision, or should we say another rubber stamp. All this for only \$15,000. a year. What I think would do more good for our school and country would be honesty, a few brains, a little common sense and some ambition. These simple things would go a long way to get support for our schools and government.

Until there is an itemized account of where the school tax money is going and published in the paper, I will have to vote no on the millage July 29.

Geo. Macomber

OPEN LETTER TO DASY DONOTHING

Dear Ms,
I am somewhat sympathetic to the womans equality cause. Men generally can understand why women want to play football, climb telephone poles or maybe jump the Snake River Canyon, but I wonder Ladies; are you ready to take on working at our Chicken Broil.

Could you woman the pits, taking directions from a man whose normal occupation would be farm'ing or working at the Double "A". Hardly an expert at cooking.

Could you have the chickens you broiled judged by another woman, or worse, a man.

Could you work in the cole slaw department making the same slaw that has been made for the last 21 broils, knowing full well it didn't measure up to your mothers recipe.

Of all the jobs at the broil there is only one I would entrust to a woman. The P.A. Announcer, after all we know women are good talkers. But please Ladies or Ms's - No Gossip!!
David Doseeverything

TO THE VOTERS AND PARENTS OF THE MANCHESTER SCHOOL SYSTEM

We the members of the Manchester High School Student Council are concerned with the possible results of the upcoming millage vote. We feel that the results of the past millage vote was unjustified. The voting down of the millage can only deprive each student of greater educational opportunities. If the millage is not passed on July 29th the school system may be run on half days and extra-curricular activities may be eliminated.

If this should happen most students, especially the younger ones would lack the education they would receive in a complete day of school. Students would be forced to learn a specific amount of material in just a small amount of time, thus covering the material too quickly and leaving out many important points. This type of schedule can be damaging to any student especially those who are college bound.

We are also concerned with the sports and other extra-curricular activities that play a major part in the school and the community. We feel that sports and other activities bring not only the students but the faculty and the rest of the community closer together as evidenced by the Regional Champion Basketball Team of 1974. We are sure no one would like to see an experience like that no longer a part

PHYSICAL EXAMINATIONS FOR BOYS AND GIRLS FOR ALL SPORTS IN HIGH SCHOOL

Physical exams will be given for boys going out for any sport on Thursday, July 25 at 9:00 A.M. in the boys' locker room.

Physical exams for girls for all sports will be given at 9:00 A.M. on Friday July 26 in the girls' locker room.

It is highly recommended that all athletes, both boys and girls, receive a more thorough physical from their family doctors.

If you have not received a physical card in the mail you may pick one up at the High School or main office.

School authorities are arranging for these physicals on anticipation of the passage of the millage vote on July 29. Sports programs could not be funded in the event the millage falls.

EMPLOYMENT TAX DEADLINE NEAR

Wednesday, July 31, is the last day for Michigan employers to report and pay Social Security and withheld Federal income taxes for the second quarter of 1974.

"Employers have until August 12 to file Form 941, 'Employer's Quarterly Federal Tax Return,' if they have deposited the entire quarterly tax liability on time in a Federal Reserve Bank or authorized commercial bank," said R.L. Plate, IRS district director.

Employers should use the pre-addressed Forms 941 mailed to them by the IRS, or obtain copies of the form from the nearest IRS office.

IRS Publication 15, "Circular E - Employer's Tax Guide," is available free from all IRS offices to provide more information for employers.

PASTOR JANOFSKI TO VISIT BOLIVIA
Pastor Ralph Janofski is leaving for a 3 week visit to Bolivia, South America to see his aged mother who has been serving as a "Mom" to the children at Tambo School for Missionaries Children for the past 20 years. Having begun this ministry at the age of 67, she has been cook, gardener, seamstress, house mother, butcher and store keeper. Her health has failed in the past 6 months but she prefers to remain at her post at the Mission School and be useful in a limited way as long as possible. In the absence of Pastor Janofski there will be services as usual with supply ministers.

HURON VALLEY GIRL SCOUT COUNCIL

Mrs. Robert Rodriguez of 501 N. Territorial Road, has been appointed to a volunteer supervisory position with the Huron Valley Girl Scout Council, it was announced by Mrs. Louis Galan, Council President.

Mrs. Rodriguez has been named Troop Services Director for the 7 troops headquartered in Manchester.

As Troop Services Director, Mrs. Rodriguez is responsible for recruiting troop leaders for 149 Girl Scouts, ranging in age from 6 to 14, for training leaders, providing program ideas, contacting resource people, researching community services and opportunities available to Girl Scout troops. She also assists in coordinating the activities of volunteer Troop Committee members and acts as liaison between the local troops and the Huron Valley Council.

Troop leaders working with Mrs. Rodriguez will be: Mrs. Robert Paul, 18250 Bethel Church Road, Ms. Joan Rinehart,

P.O. Box 391; Mrs. David Shadley, 11305 Sheridan Road, Mrs. Larry Wright, 5200 Esch Road, Mrs. Patricia Decker, 311 Torrey Street, Mrs. Titus Schneider, 11577 Pleasant Shore Drive, and Mrs. William Schwab, 116 Beaufort.

Mrs. Rodriguez's past Girl Scout experience includes three years as a Brownie Troop leader, one year as a troop committee member. She was elected a 1974 delegate for the Western Washtenaw Area Association to the Huron Valley Council annual meeting.

Jeff Needs A Family

these areas.

He is accustomed to living with a fairly religious family and it is important to him that his adoptive family be religious also.

A family with children older than Jeff would be ideal since he is used to being an only child and would probably adjust better to a new family who did not have other teenagers or children too close to his age.

Because of his quiet, agreeable and obedient personality, Jeff would be a pleasant addition to just the right family. If you are interested in learning more about him or other schoolaged children available for adoption, please call Gretchen Farah, Adoption Homofinder for Washtenaw County Department of Social Services, (313) 769-8716.

Stockwell-Steele Wedding

A double ring ceremony, performed by the Rev. Joseph W. Wise, united Dawna Margaret Steele and Michael Vern Stockwell in marriage. The June 29 vows were spoken in the Emanuel United Church of Christ.

The bride, escorted to the altar by her parents Mr. and Mrs. Lorenzo Steele, was attired in a gown featuring an empire waist high neckline and chantilly lace trim. Her floor length veil was enhanced by matching lace and the bridal bouquet was of roses and lilies of the valley.

Honor attendants were Miss Pamela Widmayer and Mr. David Stockwell, brother of the groom, both of Manchester. Pam's gown had pink baby roses on

a white background with an empire waist, scooped neckline and short puffed sleeves. She carried a pink parasol.

Bridesmaids were; Miss Danell Steele, sister of the bride, Mrs. Tim Preston of Saline, and Mrs. Pat Wallace of Manchester.

Miss Denise Kuebler, niece of the bride of Manchester, was junior bridesmaid. They were dressed identical to the maid of honor, except in aqua, blue and yellow and each carried a parasol to match her gown.

Michelle Alber and Angela Schable, nieces of the bride were flower girls with Michelle scattering rose petals and Angela carrying a basket of mums and

baby's breath. Their gowns were of pink, to match the maid of honor's. Seating the guests were: Mr. Tim Preston of Saline, Mr. Scott Sloat, Mr. Jeff Stevens, Mr. Ryan Limpert and Mr. Dennis Steele, brother of the bride, all of Manchester.

Ringbearers included Darryl Kuebler and Stephen Alber, nephews of the bride, while another niece and nephew Carrie Alber and Dennis Steele II carried the brides train.

A reception followed at the church hall. Assisting were; Mrs. Earl Oltersdorf and Mrs. Leo Lentz, aunts of the bride, cutting cake, Mrs. Brad Widmayer pouring coffee, Mrs. Howard DuRussel II serving punch, Mrs. Gregory Sando and Mrs. Jackie Donaldson presided at the guest book, and Mrs. Scott Sloat and Mrs. Raymond Steele in charge of gifts.

Mrs. Joseph Moore, organist accompanied the soloist Duane Kuebler.

Parents of the bridegroom are Mrs. Peter Hovey of Saline and Mr. Donald Stockwell of Manchester.

The newly weds will reside in Manchester.

COUNCIL PROCEEDINGS

July 1, 1974

Council met in regular session with the meeting called to order by President Pro-tem Mahony. Present were Beal, Mahony, Scully, Walton and Zsenyuk; absent Curley, Daniels, Fitzgerald and Little. Minutes from the June 17 regular meeting were read and corrected. Moved by Scully, supported by Beal to approve the minutes as revised. All yeas, carried.

Beal reported no new permits. He also indicated that no electrical inspector had been found. Mahony offered to follow up on a possible choice.

Mahony reviewed the June financial statement. Tax bills are due to go out this week. Del Ludwick requested a list of bills for Mayor's Exchange Day which the Village paid directly, so that all costs could be planned for next year. Moved by Walton, supported by Scully that the Petty Cash Fund be raised to \$100 to facilitate accurate current information in the financial statements regarding fine and permit income. All yeas, carried. Enter Fitzgerald at 8:20 pm.

Zsenyuk passed out copies of an informative booklet on law which will be distributed to the Junior and Senior High School students. The booklet is being printed gratis for the Manchester Police Dept. by the Detroit News. The police report for June is as follows:

Fitzgerald discussed a letter from G.J. McLravey, the engineers for the Main Street Bridge, regarding the possible purchase of a plaque for the bridge. Fitzgerald agreed to inform the engineer and builders of the feeling on the matter. Public Works activities of the previous two weeks have included mowing and repair work on mowing equipment, repair of the leaking water service to Kirk Park, cleaning and repair of the interior of the water tank, tap-in of a sanitary sewer and storm sewer for the new Double A building.

reading of water meters, and paving of West Main Street. Further study of Michigan Bell plans regarding Schaffer Court area have revealed that underground lines for future expansion are scheduled to be placed between the sidewalk and the curb, directly under the trees. It was noted that when lines were installed on Ann Arbor Hill a good number of trees died within a year. Fitzgerald was requested to notify Michigan Bell that it would be all right to locate the lines in the street or under the sidewalk, but definitely not under the trees.

Enter Little at 8:45 pm. Little reported that the June 24 meeting had resulted in a section revision of the Planning Ordinance, which has now been sent to the Washtenaw County Planning Commission for inclusion in the final plan.

Mahony discussed the list of bills and suggested that they be paid as presented. Moved by Fitzgerald, supported by Beal to pay bills as listed. All yeas, carried.

Bridgewater Lumber

GArden 8-3039 8870 Boettner Ed., Bridgewater

While providing a steady stream of food and fiber for the American consumer, U.S. agriculture has also produced an abundant flow of words and phrases that have enriched our vocabulary. The National Cotton Council recently pointed out, in a colorful description of today's farmer, that some of our most down-to-earth expressions originated from the farm....

Today's farmer is no hayseed and he doesn't farm like his grandpappy or even his own father did, either. Forty acres and a mule just won't cut the mustard when it comes to helping feed and clothe today's growing world.

Technological changes in agriculture have streamlined farming practices, and the modern farmer keeps up his production inputs just as much as he does the skies and the market pages. Chances are he has a sheepskin from his state university, backed up by a lot of practical experience that enables him to really know his onions. He's got a lot of cabbage tied up in his farming operation and it amounts to a whole lot more than just chicken feed. Some experts figure it takes on the average of \$250,000 to go into the farming business today. And that's not hay in anybody's

vocabulary. Another thing about the man out there on the farm: he was planting cover crops, building terraces, and carrying out other soil conservation practices when most of today's environmentalists were knee-high to a duck. He's the steward of America's most valuable asset and the renewer of its natural resources--and if he hadn't done his job well, our horn of plenty would have dried up long ago.

If you put all the people in the U.S. in one small corner of the world and tried to find a farmer, you'd soon discover they're just about as scarce as hen's teeth. Farmers now make up less than five percent of our total population. That means they have a lot of mouths to feed and a lot of backs to cover--their city friends' as well as their own.

While they're not exactly like peas in a pod, farmers share a lot of the same traits our pioneers had. Maybe the most important of these is stubbornness. A fellow's got to be as stubborn as a mule to keep on farming against the odds of weather, insect damage, plant disease, fuel shortages, government regulations, rising costs, uncertain prices, and consumer misunderstanding. He's got a tough row to hoe, but he just keeps on plowing. It sort of makes you wonder who's living off the fat of whose land anyhow.

PLEASANT LAKE PROPERTY OWNERS' ASSOCIATION

The Pleasant Lake Property Owners' Association held its annual Boat Parade & Picnic on July 4. This year's parade theme was "Stand Up For America". Parade judges were Mr. and Mrs. Charles Collins, Tom Roberts and Mrs. Faith

Vleck; Mr. and Mrs. Mike McGee acted as parade marshalls.

Parade prize winners were: Best of Parade; Hankses family; Best Decorated; Coach Menefee and Pleasant Lakers; Most Effort; Mary Sue Moore and Star Spangled Banders; Cleverest: Golden family; Best No Adults entry: Bobby Smith and friends. Support awards to the Lutzes and Bob Smith Sr's.

A sizeable group of picnickers meet for alieurely start and fast finish at Bonnie Bree park as thunder showers washed out the gamas and the shirts of a few slower eaters as they raced for shelter. A smaller group weathered the storm at the Roberts' where children held a grab bag and drew odds and ends game prizes for their fathers.

The Association wishes to extend its particular thanks to the following merchants for their generous donations of prizes: Pleasant Lake Branch of Union Savings Bank-blanket, wallet purse and two globe savings banks; Gambles-Pop cooler; Haab Brothers Hardware-two drawer tool box; Krause Pharmacy-10

lottery tickets; Weber's Tavern-case of pop or beer; Beal's Ace Hardware- selection of odds and ends handy tools.

We also wish to belatedly thank Ken and Patsy Pardon and Patsy's Superette for last year's prize of 10 lottery tickets which was not reported through oversight.

School Board Briefs

15 to discuss concerns brought to them by parents on Monday, July 8, 1974. These concerns dealt primarily with discipline problems existing in the Middle School and the High School.

Mr. Ted Tapping, Middle School Principal, explained in detail the activity periods in the Middle School and the rationale behind them. He explained that the Middle School staff was attempting to augment the regular curriculum by offering these extra courses for the purpose of broadening the middle school student's educational horizon. "It is done in many middle schools throughout the country, and especially in small middle schools where limited funds prevent classes such as shop, homemaking, typing, foreign languages, etc. from being a part of the regular curriculum," Tapping said.

Mr. Chet Kocesi, High School Principal, reviewed with the Board a revised policy on absenteeism and tardiness. When this policy is acceptable to the Board it will be implemented during the coming school year.

Mr. Klager reminded board members and administrators that good communications with parents and school district citizens was most essential and that these lines of communications must be improved. The Board will meet with citizens on Monday, July 22, 1974 with recommendations on these matters.

AUGUSTA FIREMEN AND LADIES AUXILIARY

The Augusta Township Firemen & Ladies Auxiliary will host the 24th Annual Augusta Homecoming on Saturday, August 3rd from 5:30. It will be held on Whittaker Rd. behind the Post Office. There will be rides, games, entertainment and booths.

SEE THE DETROIT TIGERS IN ACTION ON AUGUST 3

This year the recreation department is sponsoring a trip to see the Tigers play Baltimore on August 3.

Since it is Ladies-Retirees day all children 14 years old and under are admitted for 50¢. Retired people are also admitted for 50¢. General admission tickets will cost \$2.00 while reserved tickets will be \$3.25. Tickets can be ordered through Mr. Brian Schick who can be found at the high school gymnasium. Monday thru Friday from 9:00 a.m. to 12:00 p.m. Tickets will be distributed the day of the game as you board the buses. Buses will be supplied by the recreation department and will leave from the athletic field at approximately 11:00 a.m. on August 3.

Deadline for ordering tickets will be Monday, July 29.

CANCER SOCIETY SPONSORS FASHION SHOW

The J.L. Hudson Company is allowing the American Cancer Society of Washtenaw County to sponsor their first Fashion Show opening at the Briarwood Mall. It is to be held at the Community Center Room on Wednesday, July 24th. There will be two showings; 10:00-12:00 and 2:00-4:00 at which coffee and cookies will be served for the morning show and tea and cookies for the afternoon. There are 400 tickets available for each show. Hudson's are supplying Fall Fashions, professional models, flowers, music, door prizes and Madeline Coe as moderator. We are responsible for printing and selling the tickets, and refreshments and ladies to officiate at the tables.

The store will open the same day as the show so our guests will have the opportunity of viewing that also. We are told that it will be Hudson's most glamorous shopping center.
The tickets will be a \$5.00 donation

made to the Cancer Society, to be deductible.

The show is chairmanned by Mrs. Daniel T. Quirk and Mrs. James R. Elliott, assisted by the campaign chairmen from Washtenaw County: Mrs. Howard Wikel and Mrs. Don Robinson from Ann Arbor; Mrs. Robert Daniels and Mrs. John Dunn from Chelsea; Mrs. Terry Walters and Mrs. Ronald Easterling, Dexter; Mrs. Leroy Knickerbocker, Manchester; Mrs. Richard Bancroft, Milan; Mrs. Charles Deasey from Saline; Mrs. Charles Baker of Whitmore Lake.

Tickets may be purchased from any of the above people.

SALINE COMMUNITY HOSPITAL DEDICATION AND OPEN HOUSE

More than 2,000 guests are expected to attend the dedication and open house at the new Saline Community Hospital

this weekend. The guest list includes many people from the Manchester area whose contributions and hard work on the hospital fund-raising campaign helped to make the new health facility possible. The Manchester area, part of the S.C.H. service territory, will make up part of the growing patient load which has made expansion of the 15-year-old hospital necessary.

Main speaker at the dedication will be John C. McCabe, president of Blue Shield of Michigan. Master of ceremonies will be John Daly, president of Hoover Ball and Bearing Co. Ernest Cirbach, chairman of the Saline Community Hospital board, will cut the ribbon to signal the official opening of the new 82-bed facility.

Saline's summer band will open the dedicatory program with musical selections beginning at 1:30 p.m. Saturday, July 20. The brief ceremony will be held just outside the main entrance of the hospital, on Russell St., west of Mills Rd. An open-wall tent will protect against

the weather. Members of the S.C.H. staff will serve as guides during the open house on Saturday -- and during a second open house to be held from 2 to 5 p.m. on Sunday. The Hospital Auxiliary and the Candy Strippers, and other helpful groups and individuals will serve refreshments during the hospital tours on both dates.

The new Evangelical Home, located just north of the hospital, will also welcome the public during these same hours on Saturday and Sunday. The extended care facility is scheduled for dedication in September, but it is ready for public viewing now.

Saline Community Hospital began serving this area at its present location in 1959. Its latest expansion, a \$3,600,000 project, will provide its service area with one of Michigan's most modern health care centers.

Special School Millage Election Monday, July 29

School officials would like to emphasize the fact that the operational millage being requested on Monday, July 29 is most crucial to the school system. If the school is to provide the required 180 days or 900 hours of instruction to the area students and continue the extra curricular activities such as the athletic events, it is imperative that the operational millage be approved.

This millage along with the corresponding state school aid that would be received represents approximately one-half of the school's operational needs. To continue the present program and provide the same educational opportunities as last year these funds are absolutely essential.

School board members urge district citizens to support this request.

School Board President, Luther C. Klager says, "There is no alternative to a complete, fully funded educational program. If the millage does not pass the children are the ones that will get hurt immediately with the loss of full school days and extra curricular activities. We have always operated a reasonable program with curricular improvements each year. We again are asking for just the amount of extra millage we need. I feel definitely that the community wants a good school system and will work toward that end. This community can suffer for years with a negative vote."

Lou Vogel, School Board Treasurer says, "For the community to support our schools and this operational millage is vital to our district to qualify for our share of the state aid. Teacher contracts, supplies and other commitments for the school year can only be made if this millage is approved and now. The young people in our community need and deserve our support."

Trustee Don Walter added, "For months we have been reviewing the needs of the school district and formulating a reasonable budget for the coming year. We have held our needs to a bare minimum. I am convinced that the board's request is a proper one, and I urge people who are interested in our youth to support the board's request for 12.78 mills."

"Very simply our children need the millage," said Trustee Reno Feldkamp. "Parents and citizens have shown great interest in our youth. I have every confidence that this interest will continue into the school year and improve our system," Mr. Feldkamp added.

"I endorse the millage request," said Trustee Bob Evans, "because I have elected to live in this community, and I want to see the schools provide sound educational opportunities for my five children and all children in the school district."

Trustee Jim Walkow offered this statement. "If you feel your kids are not getting a good education or a fair shake help us try to get it straightened out by bringing your concerns to the school board meetings. Do not take it out on the children by voting the millage down."

"The requested millage is most necessary for the continuation of a full program. Anything less will be detrimental to the youth of our school district," said Andrew Luckhard, School Board Secretary.

Next Monday, July 29th the operational millage for our Schools comes before us for another vote. The millage should be approved.

The honest and sincere disagreements about school administration have a place and time. The elected School Board members are available and Board meetings are open to the public. The questions every taxpayer has a right to ask are properly considered at these meetings.

Coffee shop conversation is useful for ideas, but often ends only in picky pettiness.

The children are not at fault.
The discussions should continue.
The school officials should be responsive to those who elected them.

Again, we urge you to support the millage proposal.
Vote "YES" on July 29th

County 4-H Show July 30-August 2

If you've been wondering what 4-H clubs do, then come to the Washtenaw County 4-H Show at the Farm Council Grounds on Ann Arbor-Saline Road July 30 to August 2. Admission is free. Refreshments will be available. Gates will be open from 9:00 a.m. to 10:00 p.m.

4-H'ers from all over Washtenaw county will be exhibiting hundreds of projects from the past year in the areas of Livestock, Arts-Crafts, Home Economics, Plant Science, and Environment.

Each day will feature special activities. Tuesday is Press Day, Wednesday is Little Folks Day, Thursday is Old Timers Day. Children will be especially interested in Little Folks Day when there will be a Bike Rodeo, a robot naming contest with a prize of ten dollars, and a Little Farm with barnyard animals for petting. Also, clowns will be handing out balloons.

On old timers day, craftsmen will be demonstrating many skills of the past including quilting, weaving, and an antique car exhibit.

The 4-H Horse Show will be running all four days with Fitting and Showmanship on the first day; Equitation, Trail and Driving classes on the second day; Pony classes Thursday morning; a Horse and Pony Fun Show Thursday afternoon; and on Friday, Western Horse Performance classes during the day, and the Grand Entry at 6:30 p.m. with winners from all classes parading.

Other highlights include the Livestock auction on Thursday at 8:00 p.m., the Awards Program on Thursday at 7:00 p.m., and Sweepstakes Showmanship on Friday evening at 9:30.

The public is welcome to participate in many of these activities. Gates will be open from 9:00 a.m. to 10:00 p.m.
