School Operational Millage Named Chairman At Siena Heights Approved By Voters

Voters in the Manchester School District gave approval Monday, July 29, to the School Board's request for 12.78 mills for operational purposes. In one of the heaviest turnout in years a total of 969 ballots were cast with 609 approving the millage request and 355 against. There were five spoiled ballots.

Although 12.78 mills were approved by the voters, it is unlikely due to a recent legislative development that the Board of Education will levy the full amount. The Michigan Legislature in their final session on July 13 made provisions in the state aid act to forgo state aid forfeitures for 1972-73 and 1973-74. The Manchester School District received notification on July 24, 1974 that Section 15, of the 1974-75 State Aid Act stated that "State Aid forfeitures for 1973-73 and 1973-74 resulting from unsuccessful appeals of SEV will not be deducted providing a district does not collect back taxes." Inasmuch as the millage request was predicated partially on this anticipated deduction this recent legislation will now make it possible for the Board to certify a lesser amount of operational millage. The exact amount will be determined after the board has an opportunity to consider other factors such as enrollment and a revised computation of state aid monies. The legislative change did not occur early enough to make a change in the millage request, nor was notification received early enough to notify the district voters. The amount that Manchester was to have deducted was approximately \$68,000. It has been the Board's custom to certify only that amount that is needed to fund the projected budget.

The approval of the millage request means that the Board of Education can fund a full year operation with all services and extra curricular activities. The Board of Education would like to express sincere appreciation to all district voters who voted in the millage election and to the many people in the district who helped in getting out the vote.

Also to the many interested students who participated in the basketball marathon and others who helped in a variety of ways.

Red Cross Needs Volunteers

Although vacation time is here for many people, there are others whose need for help takes no vacation. Among them are those served through Red Cross Motor Service, Friendly Visitors, and Blood Program. In order to continue these important services, the Red Cross is in immediate need of volunteer drivers, Blood Clinic Aides, and Friendly Visitors. Responsible adults are needed immediately to help patients of all ages to clinics, to deliver blood to hospitals, and to transport needed volunteers and supplies to maintain Chapter services. This job, like the others listed, requires a sincere desire to help and pays big dividends to the person who can spend a morning or afternoon a week driving a Red Cross wagon, or who can be on call as a substitute driver.

Youth volunteers as well as adults are needed to help staff summer blood clinics throughout the county. The need for blood is even greater this time of year, and volunteers are necessary to staff clinics, RN's and LPN's as well as non-professional volunteers who can spend about seven hours as part of a team of volunteers working with trained personnel make clinic operations possible.

The main purpose of the Friendly Visiting program is to provide friendly support for the elderly or handicapped person who is lonely and homebound. A visitor might read, assist in letter-writing, do occasional personal shopping if desired, talk and listen, and in other ways function as a friendly family member. There are many people in need of this service. Can you help?

If you can help in any of the above programs either as a summer substitute or on a regular basis, please call the Red Cross office at 971-5390. We will be glad, too, to furnish information about the many other volunteer services and programs of our Chapter, but are particularly in need of volunteers for the above three areas of service at the present time.

Jaycees To Host District Softball

District 27 of the Michigan Jaycees will play their Annual Softball Tournament in Manchester on Saturday, August 3rd. Manchester Jaycee Chairman Ed Steele III announced that Grass Lake, Adrian, Clinton, Chelsea, Blissfield, Tecumseh and two Manchester Teams will compete in this year's program.

Softball will begin at 9:00 A.M. with Grass Lake Playing vs Manchester Tool & Die, diamond # 2, and Adrian vs Clinton (diamond # 1. Second stage of tournament will be Chelsea vs Blissfield, diamond # 2 at 10:30 A.M. and Manchester Legion vs Tecumseh, diamond #1.

This Saturday's program will provide for double eliminations with the finals being held at diamond #1 at the Athletic Field at 7:30 P.M. Luncheon will be served for all players and guests at Carr Park, service being provided by the Manchester Jaycees Auxiliary.

Fair Parade Tuesday, August 20

The annual Fair Parade will again "kick off" the Manchester Community Fair and will form at 6:00 p.m. on Tuesday, August 20 on the north side of the Athletic Field, (Duncan Street)

School classes, organizations, merchants etc. are urged to enter their displays.

Boys and girls are invited to decorate bikes, wagons etc. and ride in the parade. Prizes will be awarded.

Please call Clarence Fielder, 428-8506-428-7477 or Gene Bentschneider 428-8567-428-8171 for further information and to register entries.

MANCHESTER TOWNSHIP LIBRARY P. O.

MANCHESTER TOWNSHIP LIBRARY P. O.

Siena Heights College president, Dr. Hugh L. Thompson, today announced the appointment of Robert E. Westfall of Manchester, as chairman of the institution's business and economics program, effective September, 1974.

In addition to his duties as an academic program chairman, Westfall will be affiliated with Siena's Cooperative Education Program, serving as liaison to local businessmen interested in employing students in conjunction with this program. The Cooperative - Education Program through the assistance of area employers, enables students to work in industries, governmental agencies and businesses, gaining practical, realistic experience complementing their studies at Siena Heights and helping develop the students into well-versed, responsible individuals, invaluable assets to their employers and communities.

Several local concerns, such as Provincial House, The Corner Shop and an Adrian-based accounting firm, have participated in the program to date and, during the 1974-75 academic year, Westfall plans to expand the number of businesses associated with this Siena Heights project.

Westfall, a former Adrian College accounting instructor, will join the Siena Heights faculty with expertise in the fields of business and educational marketing and accounting. He was previously with the Ann Arbor Bank as marketing director and Eastern Michigan University as a guest lecturer and instructor.

He has also been associated with Eastern Michigan University, the University of Michigan and Wayne State University continuing education programs, and involved in sales, personnel or comptroller training with the Adrian Steel Company and Chrysler Corporation.

Westfall is a graduate of Eastern Michigan University and the University of Michigan, completed advanced studies at Wayne State University and is currently working for his doctorate in communications at the University of Michigan. He is a member of several academic honoraries and an active sportsman, having captured the V.M.C.A. State Football Championship twice.

ber of several academic honoraries and an active sportsman, having captured the V.M.C.A. State Football Championship twice.

Community Fair Needs Your Cooperation

Due to new State Rules and Regulations all exhibitors that exhibit at your Fair this year have to have an individual Premium Statement that will be sent to the State Audit Office. To help us in this extra work we are asking everyone that intends to exhibit any items this year or in the future to please fill out the blank below and mail to the Fair Secretary. We do not have to know what you intend to bring to the Fair, all we are asking for is your name and address. When we receive that information we will assign you an Exhibitor's Registration Number. This will be a permanent number which will be used year after year, so we do not have to do this every year. You will enter all your exhibits this year or in future years by using this number.

We are asking also that if there is more than one member of your family going to exhibit items, please enclose their name on a separate sheet of paper if they have the same address as yours, if not enclose their address too, or if you know of a friend, neighbor or someone that does not have a Manchester address, please enclose that too. You will receive your Registration Card with the number you have been assigned on August 20, 1974 at the Fair Ground: the day you enter your exhibits.

The Fair Board is asking everyone for their cooperation in this new system because it will save you time standing in line and will help us to serve you better. Thank you for your cooperation. Manchester Fair Board

ENTRY BLANK ON PAGE 6

Community Chest Needs Slogan

The Manchester Community Chest is seeking a slogan for their Fall Campaign. The Manchester Community Chest is seeking a slogan for their Fall Campaign. Can you help?

For the sixth consecutive year the Chest Board is conducting a slogan contest at the Community Fair which will begin on August 20. Many good slogans have been entered in previous contests and prize winners in the past years have been Mrs. Armand Dresch, Mr. John Ball, Mrs. Helen Courtright, Mrs. Ella Kern and one anonymous winner.

You can also be the winner of the donated prize if your slogan is selected for use in the Fall Campaign.

All Manchester area residents are eligible. No age limit. All slogans entered become the property of the Manchester Community Chest.

Begin thinking of a suitable slogan for entry today. Look for the entry blanks at the Community Chest Booth at the Fair.

YOU MAY BE A WINNER!!

LETTERS TO THE EDITOR

One of the most important planning and land use decisions of the decade is now before us. The proposed HCMA Metropolitan in the Mill Creek area of Washtenaw County was the subject of a public hearing on July 24th, in the Beach Middle School in Chelsea. County citizens are urged to

take the time to write a letter or make a personal appearance to oppose the HCMA's Mill Creek Park proposal for any or all of the following reasons:

1. Locating the Park in a rural agricultural area will accelerate and, in fact, ensure the suburbanization of Washtenaw County west of Ann Arbor. Land use around Kensington Metro Park and Mill Creek demonstrates the disastrous effects of urban growth on agriculture and open space. Present growth and urbanization patterns sprawl can be stopped by alert and informed citizens.
2. The Mill Creek location for a regional park is extremely expensive. Less costly alternate park sites have not been seriously considered.
3. Future transportation patterns may render the automobile oriented park obsolete.
4. The Recreation needs of the people living in Washtenaw County in the future may be radically different than current recreational uses. The trend toward more active recreation may continue. Neighborhood parks and intensive recreation facilities will be needed close to where people live.
5. Agriculture and open space in Washtenaw County will be virtually destroyed.
6. Land will be taken by condemnation from a significantly large number of unwilling sellers. It could happen to you or to your community. An alternative plan with much less social and environmental impact could be developed.
7. The collective impact of such radical changes on the Huron River has not been adequately studied.
8. Money to maintain and develop existing neighborhood parks and to develop large

metroparks will not be available. A choice has to be made. We are now being asked to commit large amounts of money now to the regional park program, without adequate analysis of future needs.

To the People of Manchester:

Numerous letters have been written since the millage election in June, chastising the voters for turning down the millage renewal. Little attention has been given to the point that there were reasons for the defeat of the millage. This country still espouses freedom of speech, and the ballot still is the voter's means of making his views known.

All taxes have been going up and up during the past decade, while the real purchasing power of wages has declined. Millage elections are one of the few opportunities the taxpayer has to directly register his opposition to steadily increasing taxes.

Mrs. Schlemmer, in her recent letter, suggested the millage could easily be met by "cutting out one beer a week, two donuts or coffee at the coffee shop or one pack of cigarettes a week." What about those of us who do not partake of those or other luxuries? What are we to cut out?

As for the quality of education students get nowadays, more expensive education does not necessarily mean better. There are many who feel that students learned the three R's better in the old one room school house than they do with today's luxurious standards. The ones who are really complaining are those who depend on the schools to do their baby sitting and child rearing for them.

What employee who has ever worked for a State Institution is unaware of the policy of tax supported facilities to encourage their departments to use up allotted funds each year, whether needed or not, to prevent the budget from being cut the next year because it is apparent more money has been allotted than needed?

Let's look into some of the ways to pare the fat from our public institutions, instead of continuing to give them more money. As for as the statement, "Without a decent budget, Manchester will always have teachers that will use us as an interim job to something better so good teachers will go to better districts and we will be left with lower quality"---hasn't this been stated just a little bit in reverse order?? For years, Manchester, with its reputation of being a school that hired young beginning teachers whose circumstances were such that they were likely to stay only three years or less. It has been a school system where the word has passed that experienced teachers should not waste their time applying because they won't be hired.

Maybe the voters are tired of supporting increasingly expensive institutions to harbor student smoking, goofing off, and drug passing. Why shouldn't field trips be cut at today's gas prices? The rest of us Americans were asked to economize on gas---why not schools too?

One more point---the 11.5 mills to be renewed? wasn't that passed originally as a temporary measure, and isn't it entirely appropriate to expect to retire it when its term has run out?

Lets stop and look at things from the taxpayer's point of view for once. Many of us are senior citizens who have supported schools all our lives. But our incomes haven't kept pace with inflation, and we have to live too.

Anne Smith

I hope all concerned voters read the article titled "Findings on Mill Creek Criticized" that was on page 31 of the Ann Arbor News on July 24. It points out the difference between a candidate who acts and an incumbent who does nothing.

The article states "One of the most Continued on Page 17"

FILM TO BE SHOWN AT FAITH COMMUNITY CHURCH

A most unusual motion picture, The Chinese Are Coming, will be shown at Faith Community Church, 3400 Sharon Hollow Rd., Sunday evening, August 4th at 7:00 p.m. The film was produced by Underground Evangelism, a missionary organization which specializes in bringing the Gospel to Communist lands.

The film, said by many to be the best up to date film on China today, contains authentic scenes right out of mainland China. Documenting the physical and political changes taking place, Underground Evangelism's new film reveals the desperate need for the Word of God among China's vast population of 800 million.

The background music from The Chinese Women's Revolutionary Ballet and professional Chinese art-act combines to transport the viewer into the very middle of life as it is today in Communist China. Additional authentic atmosphere is provided through scenes filmed in the new territories along the China border and in Hong Kong's oldest Taoist temple. Those who see the film are certain to receive a new burden for mainland China's hundreds of millions of spiritually starved souls.

The public is cordially invited to view

VACATION BIBLE SCHOOL AUGUST 5-9 AT NORTH SHARON

Vacation Bible School will be held at North Sharon Bible Church August 5-9, 9-11:30 a.m. "Uncle" Don Koenig of Rural Bible Mission will conduct the school. Area children remember Uncle Don because last year he allowed himself, along with Pastor Bill Essien, to be squirted with a hose when the school broke its attendance goal. Last year over 300 children attended Bible School at North Sharon.

The school features three dimensional visualized Bible stories, contests and awards, enthusiastic singing and lots of fun for all area youth, ages 4-teens.

Among the 37 area residents who will assist are 7 from Manchester; Sandy Bunney, Karen Geer, Rhonda Chapman, Rick Bunney, Mara Rigg, Ricky and Dawn Lantz.

For bus transportation from the Manchester-Pleasant Lake area call the church at 428-7222.

Memoriam

BERTHA ADAMS
In loving memory of our beloved Mother, Grandmother and Great Grandmother who passed away 1 year ago August 7th.

To those who have loved ones,
Cherish them with care.
For you shall never miss them,
Until they are not there.

She meant so very much to us,
There is nothing we can say,
To tell of the love that is in our hearts,
Today and every day.

We do not want the whole wide world,
The mountains or the dunes,
We only wish that God could send,
Our loved one back to us.

Sadly missed by your children,
grandchildren, and great grand-
children.

Card of Thanks

I would like to extend my sincere thanks to all who remembered my 93rd birthday with cards and cakes. Your thoughtfulness is greatly appreciated.
Will Lanning

Many thanks to all for your prayers, beautiful flowers, cheer notes and cards sent to me while in the hospital.
Dorothy Purfield

In appreciation to neighbors and friends for their concern at the recent death of our beloved husband and father, Carl J. Pedersen. A special thanks to Rev. Joe Wise, Greg Kamman, Alice, Harold and Deloris and to the men who so generously gave of their time to harvest the crops.

Affectionately,
Jane A. Pedersen
Carol and Pat McGannon
Sue and Tom Ariss

The family of Bertha Strahle wish to thank all of their relatives, neighbors and friends for their beautiful flowers, masses and cards of sympathy with a special thank you to Father Schilskert, St. Mary's Alter Society and the Jenter Funeral Home.

The Shelter Building on the Athletic Field, was painted on Saturday, July 27, 1974. I would like to thank the seven fellows that assisted with the job.
Ted Stautz

CAR WASH

The Jr. High Cheerleaders will be holding a car wash on Saturday, August 3, from 1:00 to 3:00 p.m., to raise money for the Muscular Dystrophy Association. Cheerleaders across the nation are raising money for this association and we would like to help those needy children, so please help us!

RECEIVES DEGREES

Michael Ahrens, 11601 Sheridan Road and David Pratt, 29414 Pleasant Lake Road, both of Manchester, received baccalaureate degrees from Eastern Michigan University at the conclusion of its Spring Session.

Michael received a BS degree and David received a BBA degree.

ASK THE CHIROPRACTOR

WHO DISCOVERED CHIROPRACTIC?

Q. I am 11 years old and my 6th grade class has to write an essay on a profession. My dad goes to you whenever he is sick so I thought you could help me answer my question about when chiropractic was discovered.

A. The greatest, the most significant discovery, perhaps of all time, was made by Dr. Daniel David Palmer on September 18, 1896, in Davenport, Iowa.

Up to the time of Palmer's discovery, doctors had proceeded

on the assumption that disease was an "entity" invading the body. But Palmer proved conclusively that disease is an alteration of body condition caused by impinged nerves, chiefly in the spinal column.

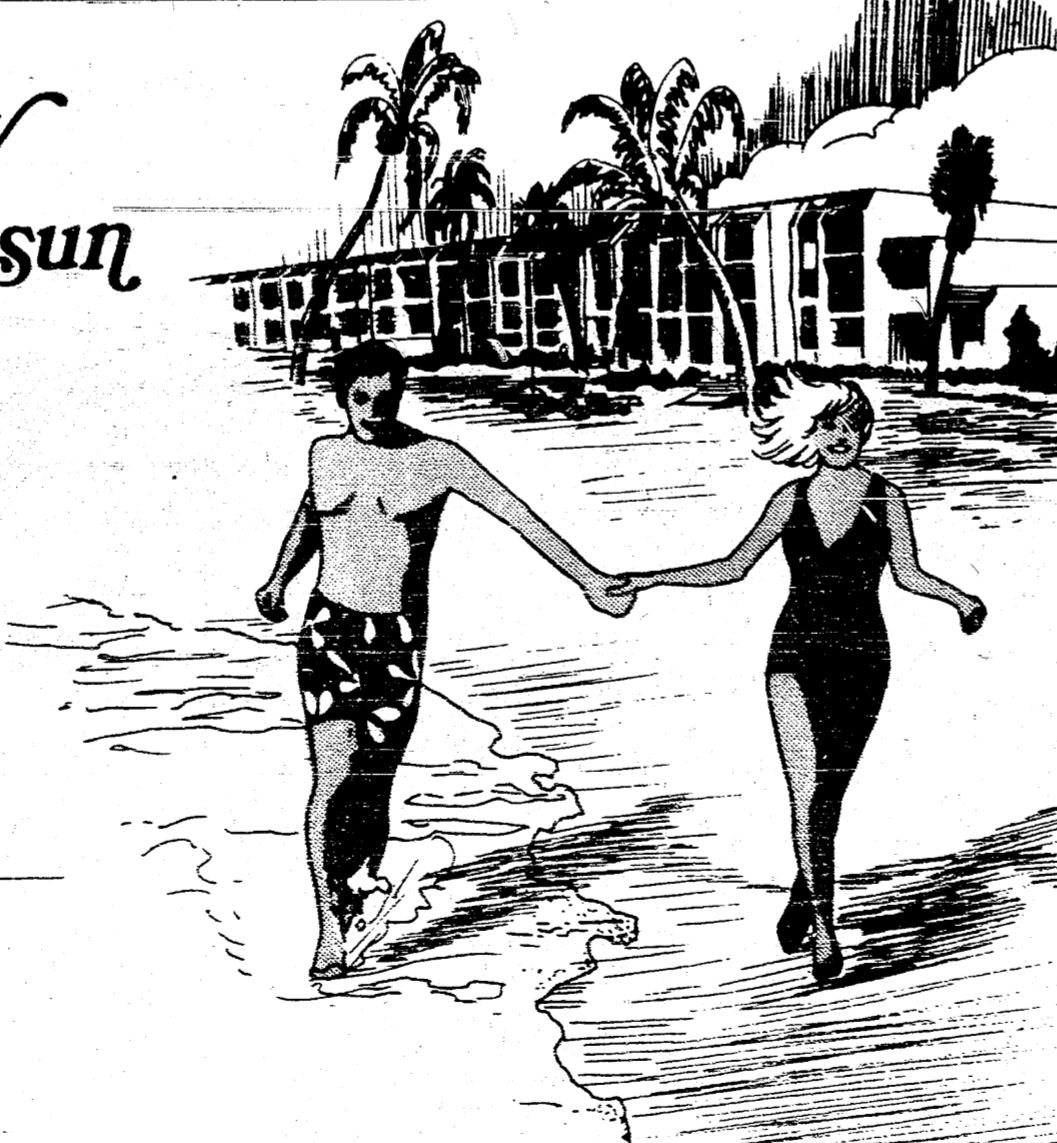

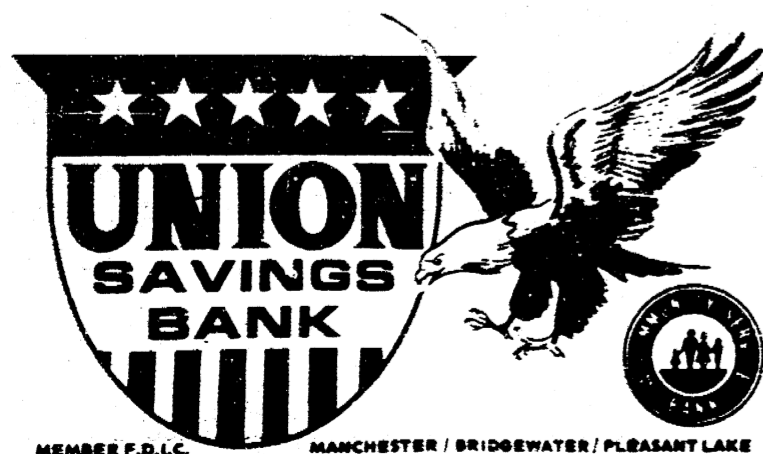

Palmer said, "One question was always uppermost in my mind in my search for the cause of disease. I desired to know why one person was ill and his associate, working in the same shop, at the same bench, was not. WHY? What difference was there in the two persons that caused one

to have pneumonia, catarrh, typhoid, or rheumatism, while his partner, similarly situated, escaped? WHY? This question had worried thousands for centuries and was answered in September, 1896."

THE

Ask
Senator
GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I understand the Government provides some help in selecting air conditioner units. I promised my wife I'd buy an air conditioner this summer. If I don't, I could be in the hot-house in more ways than one!
—L. G., Detroit

Some air conditioners carry a lower "energy price-tag" than others. A good way to compare is to look for the Department of Commerce Energy Guide Labels on various air conditioners. The label indicates how much electricity that particular unit will use compared to others with the same cooling capacity—based on tests conducted under the Government's new Energy Conservation Labeling Program.

Another good guide for selecting the right air conditioner is a pamphlet entitled: "Energy Efficiency in Room Air Conditioners." Your dealer may have a copy, or write to the National Bureau of Standards, 411.00, Washington, D.C. 20234.

The pamphlet is free and it just might help you save energy, money, and your marriage!

My mother-in-law in Europe wants to visit us this summer, but she's confused about what papers she needs. Could you help a nice old woman from the old country find her way?
—L. D., Detroit

She will need a passport and a visitor's visa. She should apply to her own government for a passport. She then may apply at the nearest American consulate for a visa.

To qualify for a visitor's visa, your mother-in-law will have to show that she has a round-trip ticket for transportation, and she must establish her intent to return home after the visit.

If any problems develop, my office will be glad to work with the State Department in an effort to be of assistance. I hope your mother-in-law has a pleasant stay in America.

GENERAL PRIMARY ELECTION

TO THE QUALIFIED ELECTORS:

NOTICE IS HEREBY GIVEN, That a General Primary Election will be held in the

SHARON TOWNSHIP
COUNTY OF WASHTENAW

— AT —

GENERAL REVENUE SHARING

ACTUAL USE REPORT

General Revenue Sharing provides federal funds directly to local and state governments. Your government must publish this report advising you how these funds have been used or obligated during the year from July 1, 1973, thru June 30, 1974. This is to inform you of your government's priorities and to encourage your participation in decisions on how future funds should be spent.

Serve Beautiful Blueberry Pie

Now, when blueberries are at their large beautiful best, they are too pretty to hide under a crust. This is the time to bake a European type Glazed Blueberry Cream Cheese Pie.

- | | |
|--|------------------------------------|
| 1 unbaked 8-inch pastry shell | 1 pint blueberries |
| 1/2 cup light corn syrup | 1 1/2 tablespoons Argo corn starch |
| 2 packages (3 ounces) cream cheese, softened | 1 tablespoon sugar |
| 1 tablespoon corn starch | Dash salt |
| 1/4 cup milk | 2 tablespoons lemon juice |
| 1 egg, slightly beaten | 1/2 cup water |
| 1 teaspoon vanilla | 1/2 cup light corn syrup |

Gradually mix 1/2 cup corn syrup into cream cheese until smooth. Mix 1 tablespoon corn starch and milk. Stir into cream cheese mixture. Beat in egg and vanilla. Pour into unbaked pastry shell. Bake in a 350° F oven 45 minutes or until a knife inserted in center comes out clean. Cool. Arrange berries over filling. For glaze, mix together 1 1/2 tablespoons corn starch, the sugar and salt in saucepan. Stir in lemon juice, water and 1/3 cup corn syrup until blended. Cook over medium heat, stirring constantly until mixture comes to a boil and boils 1 minute. Remove from heat, cool slightly and spoon over blueberries. Chill until set. Makes 6 servings.

The salesman was stranded at a deserted farmhouse during a bad storm. He asked the farmer if he could put him up for the night. The farmer scratched his head.

"The only way would be for you to sleep with the red-headed school teacher."

The salesman was indignant and replied, "I'll have you understand, I'm a gentleman." The farmer smiled, "So is the school teacher."

The young lady eyed her escort with extreme disapproval.

"That's the fourth time you've gone back for more punch, Albert," she said coldly. "Doesn't it embarrass you at all?"

"Why should it?" the young man shrugged. "I keep telling them I'm getting it for you."

THE

PAID POTITICAL AD

CLIFF TAYLOR

A PRIVATE CITIZEN WHO'S TAKING ON THE PROFESSIONAL POLITICIANS

Cliff Taylor is running for the Republican nomination to Congress in the Sixth District. He's running because he believes that Congress, controlled by the Democrats since the New Deal, has taken too much power away from private citizens, and state and local governments, and placed it in a remote Federal bureaucracy. Cliff wants to change that.

Cliff's also running because he thinks that Congress has too many professional politicians. Men and women who are out of touch with what the average citizen thinks. Cliff's two opponents in the Republican primary have spent most of their adult lives running for office. Cliff's taking them on because he believes that the concerns of private citizens must be more strongly voiced in Congress.

Cliff Taylor is well qualified to serve us in Washington. During the mid 1960's, he worked as a legislative analyst in Congress. This means that Cliff understands how Congress is supposed to function. But it also means that he gained his experience without collecting the fistfull of political debts that accumulate with many campaigns for public office.

Cliff Taylor will make a great representative for the Sixth District. He was raised here, he lives here, and he's worked here doing everything from working in a factory to practicing law. He knows the district, and the concerns of the people who live here.

Finally, Cliff Taylor is running a campaign that reaches out to people. On the day he entered the race, he revealed his complete personal finances. Since then, he's been going door-to-door eight hours a day throughout the district, meeting people like you, to find out what you think.

This is the kind of man we need in Congress — a private citizen who isn't afraid to say what he thinks, and who isn't burdened by past political debts. If this is the kind of man you want in Congress, vote for Cliff Taylor in the August 6th Republican primary. It's one of the best things you can do for your Congress.

CLIFF TAYLOR CITIZEN FOR CONGRESS REPUBLICAN

Because Congress Has Too Many Professional Politicians

SCOUTS ATTEND WRIGHTS LAKE SCOUT RESERVATION

Sunday, July 21, twenty five scouts and two leaders Mr. Alfred Sannos and Mr. Mark Chapin started a week of Summer Camping. We camped in typical scouting weather. At the campfire Sunday night it started to rain which lasted thru Monday into early Tuesday morning. This gave them an opportunity to learn to start fires in the rain.

Tuesday evening they all joined by patrols in different adventure trails, this included eating their supper on the trails and also sleeping under the stars or in homemade shelters away from their campsites. They arrived back at the campsite in heavy fog Wednesday morning, most sleeping bags were quite wet. Also on Wednesday Dr. and Mrs. Lehr arrived. This was a great help as the scouts that had been homesick became active again after seeing someone from Manchester.

Thursday they had a chance to renew their starting fires in the rain as it rained all day.

Friday evening Mr. McEwan and Mr. Derohal arrived at campfire that evening. Fritz Semmes joined the Indian dancers and some of the troop putting on the first skit of the evening.

Saturday morning was spent cleaning up the site and preparing for the trip home.

We had a campwide picnic then retreat. Nearly everyone received a segment award to add to their camp patch. Twenty-one merit badges were earned and five partial badges. We left after Mr. and Mrs. Sauter and Mr. Rodriguez arrived to help return the scouts to Manchester.

USE FORESIGHT INSTEAD OF HINDSIGHT FOR ACCIDENT PREVENTION

Webster's dictionary defines foresight as an act or the power of foreseeing. It defines hindsight as the perception of the nature and demands of an event after it has happened.

Which should we use to prevent accidents, hindsight or foresight? We should use foresight of course. Foresight will prevent the accident from happening. Hindsight will only show us how to prevent an accident from happening again—after it has already happened.

Unfortunately, most of us use hindsight much more than we use foresight. Why? Probably because in our society and in our daily lives the emphasis is on speed. We rush from place to place. We eat foods that can be prepared in the shortest amount of time. We take speed-reading courses. We envy the person who can get things done fast.

Perhaps that is why we find ourselves using hindsight so much. We choose many

times to do work quickly and unsafely rather than to take the time to use foresight to plan the safe way to do a job.

The Michigan Department of Labor says use foresight to prevent accidents. There isn't much satisfaction in using hindsight after you've lost an arm or an eye in a serious accident.

The prescription for most of the ills that beset the world is just plain, everyday honesty.

Missionary: "Why do you look at me so intently?"
Cannibal: "I am the food inspector."

Clyde WELLWOOD for County Commissioner District 2

REPRESENTING THE SEVEN TOWNSHIPS OF LYNDON, DEXTER, LIMA, FREEDOM, SHARON, SYLVAN, MANCHESTER

- FOR:
- EXPERIENCE—Farmer, Law Enforcement and Public Works.
 - ATTITUDE CHANGE—Complaints checked out and serviced in a reasonable time.
 - COURTS—Policy changes to speed up our County Court system. Local police spend too much time in Court.
 - MILL CREEK PARK—Opposed to it anywhere in the area. There are far better locations available.
 - COMMUNICATION—Keep residents more informed so that projects such as Mill Creek aren't forced on us unaware.
 - THE AREA—This District is one of beauty, you should have a voice in how it grows.
 - THE JOB—Your Representative from this area is the only voice you have in county government. Elect a strong one who will speak up and express the wants and feelings of the people in these 7 townships.

THE

DUNDEE SESQUICENTENNIAL

The Dundee Michigan area Sesquicentennial is moving into full swing as the time of the full week of festival activities is rapidly drawing near.

The full-scale activities all scheduled for August 18-25 with many special attractions on the program for the official week of the area celebration.

Cross-Roads of Time, a historical spectacular of the Dundee area, will be staged at the Dundee Community School football field on August 19, 20, 22, 23, performances to begin at 9:00 p.m.

Events leading up to the week-long program include an old fashioned Ice Cream Social every Friday night in the historic bandstand located in the center of the business section of the community.

Caravans will visit communities in southeastern Michigan through August 16. Promenades and Kangaroo Courts are also scheduled beginning July 19 and extending through August 24.

MIKE CONLIN

State Representative 23rd District

"More than ever before, voters are asking why the people now running the system can't or won't make it work. They are asking where the leadership is and why won't it lead... and they're saying it about both parties and about all levels of government. We need political and government leaders we can believe. We need programs that work... and if they won't work, let's get rid of them. This year, voters are looking for someone to get the system working again. I want to be your Representative in Lansing because I think I can help provide that leadership."

- Mike, who is the son of Mr. and Mrs. Henry T. Conlin of Ann Arbor, was born and raised in Washtenaw County. He graduated from Eastern Michigan University with a degree in Economics. His father is a senior partner in the law firm of Conlin, O'Hagan, Henry, Hurbis and Graf.
- Mike is not an attorney and he is not a professional politician. He is a businessman with broad labor, business and government exposure on the local, state and national level. Mike wants to bring that background, along with a healthy dose of common sense, to the job of being your Representative of Lansing.
- Mike belongs to Queen of the Miraculous Medal Parish in Jackson, the Jackson County Bicentennial Committee, the Disabled American Veterans, and the University Club in Lansing.

A RECIPE TO RELISH

When it's time to put up tomatoes, consider turning some of the crop into Tomato Relish. The recipe here calls for light corn syrup which gives the right amount of sweetening without watering the mixture.

TOMATO RELISH

- | | |
|-------------------------------|------------------------------|
| 3 pounds ripe tomatoes | 1 tablespoon salt |
| 3 medium onions, chopped | 2 cups cider vinegar |
| 1 large green pepper, chopped | 1 tablespoon mustard seed |
| 1 cup Karo light corn syrup | 1 1/4 teaspoons whole cloves |
| | 1 1/4 teaspoons celery seed |
| | 2 (8-inch) sticks cinnamon |

Dip tomatoes in boiling water just until skins are softened, about 1 minute. Remove skins and stem ends; coarsely chop. Place tomatoes, onion, green pepper, corn syrup, salt and vinegar in 4-quart saucepan or kettle. Tie mustard seed, cloves, celery seed and cinnamon in cheesecloth; add to vegetable mixture. Bring to boil over medium heat; reduce heat and boil gently, stirring occasionally, about 2 hours or until mixture thickens. Remove spice bag. Leaving 1/4-inch head space, ladle into clean hot 1/2 pint jars with 2-piece metal caps. Seal following jar manufacturer's directions. Process in boiling water bath 10 minutes. Cool on wire rack or folded cloth. Label and store in cool dry place. Makes about 5 (1/2 pint) jars.

The Courts Should Work For Everyone

- A dedicated public servant in the Washtenaw County for the last 15 years.
- City Attorney for the City of Ypsilanti since 1959.
- Judge of the City of Saline from 1965 to 1968.
- Served as Acting Judge of the Village of Manchester and a part-time Municipal Judge of the City of Ann Arbor.
- He is qualified, experienced and a man of integrity and competence.
- Vote for experience and integrity. Vote for Kenneth Bronson for 14th District Court Judge.

MANY IRS REFUND CHECKS UNDELIVERED

Many Michigan taxpayers have undelivered refund checks waiting for them at the Internal Revenue Service.

Any taxpayer who has not yet received his refund should call or visit his local IRS office as soon as possible, R.L. Plate, district director of Internal Revenue for Michigan, said today.

The most common reason for an undelivered check, according to Mr. Plate, is that the taxpayer has moved and left no forwarding address with the U.S. Postal Service.

In cases where the taxpayer suspects his check may have been lost or stolen, Mr. Plate urged the person to get in touch with his local IRS office as soon as possible so that the IRS can put a tracer on the missing check.

Some refunds may have been delayed

because of errors or omissions on tax returns, according to Mr. Plate. Taxpayers affected should follow the instructions received from the IRS in order to speed up issuance of their checks.

Mr. Plate stressed that in all refund inquiries to the IRS, the taxpayer should be prepared to provide the name and address as it appeared on the return, the actual name and address if different, the social security number, and the type of form filed.

Taxpayers in this area can call the IRS toll free at Ann Arbor, 665-9741, Detroit, 355-6900, Flint, 767-8830, Mount Clemens, 465-6511, Pontiac, 858-2530. Residents in area codes 313 (other than the cities listed above) call 800-543-3590, Grand Rapids, 774-8300, Lansing, 392-1550, Muskegon, 726-7971. Residents in area codes 906, 616, and 517 call 800-632-8701.

ASK THE DENTIST

by Alfred E. Seyler, D.D.S. and the Michigan Dental Association.

Q. Just how much should a person's gum shrink after he has all his teeth out? Mine don't seem to want to stop. Is there any way a fellow could be Sen-forsied? D.S.

A. You never know what nature is going to leave in the way of jawbone after the teeth are removed. Although most people can expect a gum ridge that doesn't shrink too much after the first year of toothlessness, a few are less fortunate. Note the shrinkage that occurred in this case: an upper jaw of a 44-year old woman: One month after extractions, the back ridge was three-fourths of an inch wide. Fourteen months later the ridge had a shrunk to half that dimension. The denture which was using a little more than a year before, now had spaces as great as one-fourth of an inch between its edges and the jawbone.

This is often why dentures break. Bit-

ing forces at the molars where the ridges have shrunk, strain the plate over a fulcrum which is the center of the hard palate - much like breaking a stick over the knee.

Upper dentures should be refitted when they become loose or bear too heavily on the hard palate during chewing.

Our first thought, then, might be that this person should take more calcium in his diet - but dental research tells us that it wouldn't help.

Records indicate that during the time of severe endocrine imbalance a person could take a bucketful of calcium daily, yet still would eliminate more than his intake.

So it is useless to try to preserve a denture ridge by abnormally high calcium intake. The best thing to do is to take care of the natural teeth and gums. The ridge stays longer when holding natural teeth with healthy gums.

THE

scathing attacks...was delivered by Thomas Roberts of Freedom Township. He said he was amazed at the lack of professionalism which went into the study. He criticized sharply what he termed were inconsistencies... He concluded after giving a long list of examples that "This report is woefully incomplete." The incumbent, who was one of the

shortsighted early supporters of Mill Creek states in his leaflets that he will... "continue to fight the proposed plan whenever and wherever it is feasible." But I see no indications that he had anything to say. How does this stack up with his campaign promise? What better chance has he had to speak out on the issues? Or is this just another case of trying to trick the voters?

I encourage everyone to vote for Tom Roberts for Commissioner in the August 6 primary. He has shown that he is willing and able to give the out county area the strong representation it needs. And don't forget, the primary will elect our

next Commissioner. If you want better representation, now is the time to get out and vote for Tom Roberts.

Sincerely,
Harry Macomber

HELP!!

We, the Sophomore Class need help on our float, we need kids and mothers to make our float a winner.

Signed,
Sophomore Class of '77"

FOUR TYPES OF INSULATION MADE FOR HOMES

Home insulation is available as blankets, batts, blowing wool, and pouring wool. Blankets and batts are similar--pre-formed lengths of mineral wool that fit between ceiling joists or wall studs. Blankets come in rolls. Batts are cut lengths of blanket.

Blowing wool is loose insulation to be installed by a contractor, who blows it into place through a hose. Pouring wool is installed simply by pouring it out of a bag into the ceiling space, then raking it level.

HURON VALLEY REGION OF THE MICHIGAN LUNG ASSOCIATION

The Huron Valley Board of Directors meeting of the Michigan Lung Association was held at the Hillsdale Community Health Center to discuss current issues and activities the Lung Association is involved in for the region.

After the meeting was called to order by Mrs. Faye VanEngelenburg of Hillsdale, vice chairman, the report on the MLA state board meeting held on June 20 was given. Following this, a discussion was conducted on the Huron Valley's position regarding the support of future MLA involvement in research and pulmonary fellowships. The board resolved to support this endeavor at the same level as in the 1974/75 MLA budget.

The Christmas Seal Publicity Committee, headed by Richard Calvert of Jackson, discussed many possible activities for the coming 1974 campaign which will make the public more aware of Christmas Seals and what the funds from them are used for.

Activities of the Professional Education Committee were discussed by Dr. Martin

Nemiroff, of Ann Arbor, chairman. Included in the activities is a program for student visitation in hospitals whereby small groups of students would join physicians or respiratory therapists on "rounds" in hospitals. Also in the near future, pulmonary programs will be held as day long workshops in hospitals in the Huron Valley. These workshops will be headed by respiratory therapists, respiratory nurses, pulmonary physicians and specialty social workers.

The next topic of discussion was by the committee for Consumer Concerns, headed by Dr. James McLean, of Ann Arbor. Future activities include a respiratory career day for high school and/or college students, and the exploration of lung patient rehabilitation programs.

Among activities of the Anti-Smoking Committee, headed by Dr. Max Durfee of Ann Arbor, are teacher workshops on smoking, three of which will be held in the Huron Valley Region this fall, and a National Education Week on Smoking which is to be held next January.

The Huron Valley Region of the MLA is interested in the Hillsdale Foundry

case from the standpoint of air pollution from the MLA in the area of air pollution and occupational health.

The next regional board meeting is scheduled for October 3, 1974, at Mercy Hospital in Jackson.

NAMED TO DEAN'S LIST

Gale Janofski has been named to the Spring Arbor College second semester Dean's List with a grade point average of 3.46. He is the son of Rev. Ralph Janofski of 17046 English Road, Manchester, Michigan. Based on a 4,000 point system, a 3.25 grade point average or above is required for this scholastic honor.

THE

Agriculture in Action

Michigan Farm Bureau

Pesticides really bug some people. Mostly, these are the folks who hold fast to the belief that the chemical warfare waged against bugs also threatens the extinction of the human race.

Such pronouncements get the general public more than a little confused. And, in many cases, the resulting upheaval of protest gets aimed at the farmer. He

becomes the guy who sprinkles poison on the nation's food.

In the face of this, few people probably realize how much of their security they owe to agricultural pesticides alone.

Without pesticides, many of the foods we now take for granted would be luxury items available to only a few, according to the United States Department of Agriculture.

Commercial apple production would be impossible, as would be the production of peaches. Oranges and grapefruit would be infected with maggots, and the producers of potatoes and tomatoes would lose every second or third crop. The expansion of beef and dairy products in this section of the nation would have been impossible.

In North America, cultivated crops are attacked by over 3,000 species of insects, an equal number of plant disease agents, and unestimated numbers of nematodes, rodents, weeds, and other competitors.

Notice Relative to Opening and Closing of the Polls
ELECTION LAW, ACT 116, P.A. 1954
SECTION 729. On the day of any election, the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock a.m. and will remain open until 8 o'clock p. m. of said day of election.
Rena L. Girbach, Township Clerk

Estimates of the destruction caused annually by agricultural pests in the U.S. range up to over \$15 billion, an enormous portion of the nation's yearly production. Chemicals, however, have helped the American farmer to meet the challenge and keep his product ahead of consumer demands.

One agricultural authority points out that a ban on agricultural chemicals, which is suggested by some, would so reduce food supplies and upset the orderly movement of foods to market that the effects would reverberate throughout the entire economy.

And that would bug us more than pesticides!

AREA COUPLE ATTEND MEETING IN KANSAS

Mr. and Mrs. Dale Weidmeyer of 10044 Pleasant Lake Rd., Manchester will leave Lansing, August 6, to attend the annual meeting of the American Institute of Cooperation at the Kansas State University, Manhattan, Kansas, through the sponsorship of the Farm Bureau Services.

Dale and Mary have been active in church, Farm Bureau, extension and 4-H club work. In addition Dale serves on the ASGS Board and Church Council at Bridgewater Lutheran Church. Mary serves on the State Young Farmer Committee, Women's Committee, Policy Development Committee and is active in County F.B. activities.

"Cooperatives in Transition" is the theme of the 1974 largest U.S. Farm Business Conference to be attended by 2,000 adults and 1,000 young people from most of the 50 states. A special program is planned for young farmer couples. The American Institute of Cooperation was organized as a University and incor-

porated in the District of Columbia in 1925. It has often been referred to as "a University without a campus". Each August a Land Grant University loans its campus to the Institute and invites its members and friends to hold what has become the largest annual conference on farm business matters.

Michigan State University and Michigan Cooperatives have invited the 1975 National AIC Meeting, to be held on the Michigan State University Campus, the last week of July, 1975.

BILL MC CARTY JOINS MICHIGAN LIVESTOCK

Harold Leln, Manager of Michigan Livestock Exchange, has announced hiring of Mr. Bill McCarty as hog man at their Manchester branch. He replaces Mr. Mike Bigelow who was transferred to the Battle Creek Branch of the Exchange to assist Mr. Art Bickford, Manager, in the hog operation there.

Mr. McCarty, of Frankfort, Indiana worked with the Indiana Producers a livestock coop in Indiana, for 8 years as head hog man at their various yards.

Bill McCarty is married. They have 5 children from 2 weeks old to 11 years old, 3 girls and 2 boys. The family will be moving to Michigan in the near future.

Mr. Leln said he is very proud to have Mr. McCarty on the staff of the Michigan Livestock Exchange.

LEGIONAIRES!

There will be a Legion meeting, August 8, 1974 at 8 p.m. Installation of Officers and Steak Fry. 1975 dues will be accepted.

SUMMER OF '74 SAVINGS

Want a great small car at clearance prices? Ford is now producing more small cars than ever before.

That means better selection and prices that may never be this low again.

FORD MAVERICK
The family compact has an outstanding reputation for economy. With a standard 200-cubic-inch 6-cylinder engine that's easy to service and easy on gas.

FORD MUSTANG II
The right car at the right time. It's smaller than last year's Mustang. Redesigned to give you luxury, comfort, and economy in one small package. You get many standard features at a surprisingly low base sticker price.

FORD PINTO
America's basic economy car. Get back to basics with Pinto's thrifty 2000-cc, 4-cylinder engine. With standard equipment like front disc brakes and rack and pinion steering. It's America's sensible economy car.

Clearance savings now at your Ford Dealer's late-late Show.

4-H Gets It All Together

Linda Carlson and Kaliff

"Four-H Gets It All Together" was the theme of the Washtenaw County 4-H Youth Show held this past week at the Rural Activities Center on Ann Arbor-Saline Road.

Twenty-five members of the Sharon Valley 4-H Saddle Club participated in the four day horse and pony show. Sixteen horses, plus one foal and nine ponies were shown by the members. For a few of the members, it was the first time in the show ring.

The horses and ponies were hauled in Monday. Fitting and Showmanship Classes for horses began at 8:00 A.M. Tuesday morning. In the Class for All Other Breeds including Grades, Appaloosas, Morgans, Half Morgans and Half Arabians, Mares and Geldings, Members 16 Years Old and Older, First Year of 4-H Showing, Linda Dora of Manchester, showing her grade mare, Babes, won the class. Linda received the blue ribbon and an "A" rating. This win entitled her to show in the Senior Fitting and Showmanship Championship Class for Members 14 Years Old and Older which was held later Tuesday evening.

Robin Knepper of Ann Arbor, showing her grade Quarter Horse, Fiddle, in the Class for All Other Breeds, Geldings, Members 14 and 15 Years Old, received a third place ribbon and an "A" rating.

In the Mare and Foal Class, Cathy Tobias of Grass Lake, showed her Registered Appaloosa Mare, Gier's Lady Bird and her colt, Fancy Pants. Cathy did not place with the mare and foal in a strong class, but she did receive an "A" rating. Cathy was assisted in this class by Rita Drouare, also of Grass Lake.

In the Class for Registered Quarter Horses, Mares and Geldings, First Year of 4-H Showing, Members 13 Years Old and Older, Jean Widmayer of Manchester received a "B" rating. Jean showed her bay gelding, Counter Bar.

Rex Spiegelberg of Grass Lake showed his grade palomino mare, Goldy, in the Class for All Other Breeds, Mares, Members 11 to 12 Years Old. Rex received a "B" rating.

In the Class for All Other Breeds, Mares and Geldings, Members 12 and 13 Years Old, First Year of 4-H Showing, Beth Widmayer of Manchester won the blue ribbon and an "A" rating. Beth showed her grade palomino mare, Shawnee. With this win, Beth and Shawnee were eligible to show in the Junior Fitting and Showmanship Championship Class, Members 10 to 13 Years Old, which was held later in the evening on Tuesday.

Vicki Hansen of Saline received a "C" rating in her Fitting and Showmanship Class for Registered Quarter Horses,

Geldings, Members 14 to 16 Years Old. Vicki showed her horse, Shiloh Barleo.

In the Class for Registered Appaloosas, Arabians, Half Arabians, Morgans and Half Morgans, Mares and Geldings, Members 11 to 13 Years Old, Linda Carlson and Bruce Garlick of Manchester, both received "A" ratings. Linda showed her Half Arabian gelding, Kaliff, to a sixth place. Bruce, also showing a Half Arabian gelding, Fami's Sajo, received a fourth place ribbon.

Toni Wilson of Grass Lake, in her First Year of 4-H Showing, showed her gelding, Mart's Schmacko, in the Registered Quarter Horse Class, Mares and Geldings, Members 10 to 12 Years Old. Toni and "Mac" received a sixth place ribbon and an "A" rating.

In the Class for All Other Breeds, Geldings, Members 11 to 13 Years Old, Rita Drouare of Grass Lake and her grade Appaloosa gelding, Chief, won a sixth place ribbon with a "B" rating.

Pauline Kuebler of Manchester received a "B" rating ribbon. Pauline showed her gelding, Tray Choice, in the Class for Registered Quarter Horses, Mares and Geldings, Members 11 to 13 Years Old.

Fancy Pants, shown by Cathy Tobias of Grass Lake, took a sixth place ribbon with an "A" rating in the Foal Under One Year of Age Class.

In the All Other Breeds, Mares, Members 13 and 14 Years Old, Ann Widmayer of Manchester received a "B" rating. Ann showed her grade mare, Smokey.

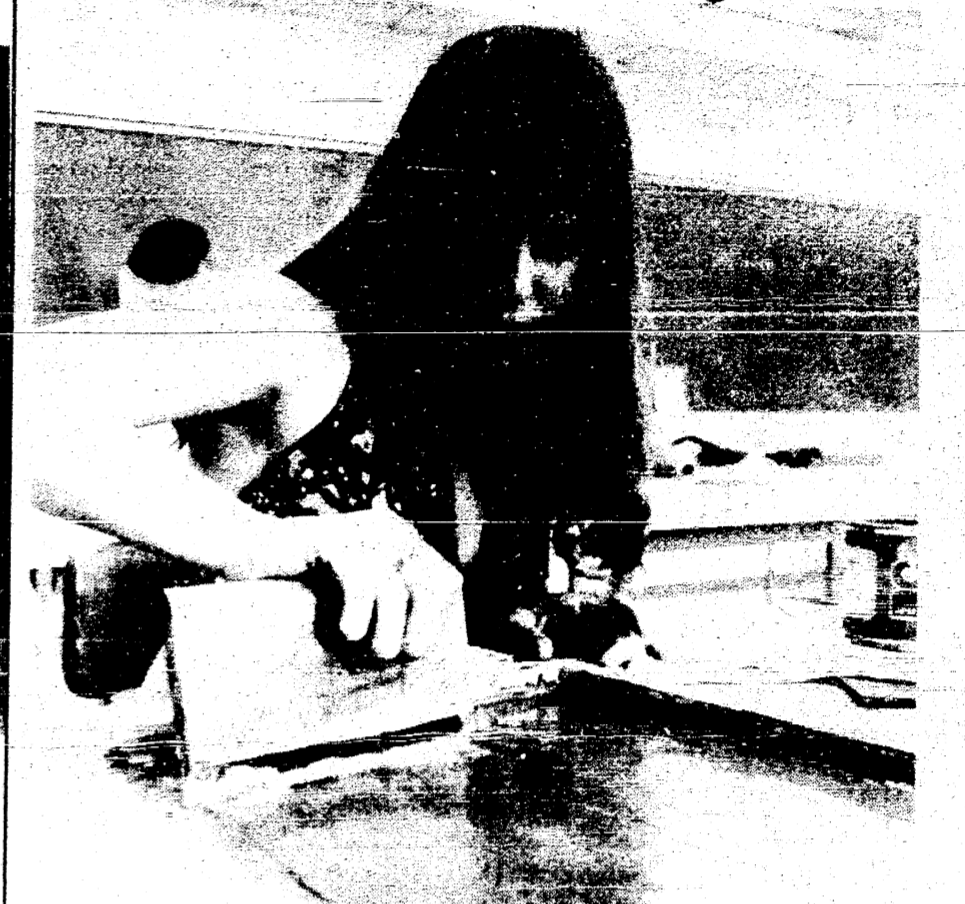

In the last class of the day on Tuesday, Patty Carlson, Mike Fisk and Alene Garlick, all of Manchester, were strong competitors. All three showed Registered Half Arabians in the Class for Appaloosas, Arabians, Half Arabians, Morgans and Half Morgans, Members 14 and 15 Years Old. Mike, showing his mare, Shir-Rich Starbright, won the blue ribbon with an "A" rating. Tonara, a gelding shown by Alene, received an "A" rating and a fourth place ribbon. Patty and her gelding, Shir-Rich Sugarfoot, received an "A" rating. Mike and "Star" were eligible to show in the Senior Fitting and Showmanship Championship Class, Members 14 Years and Older, which was held Tuesday evening. None of the class winners from the club were championship showmanship ribbon winners, still they were "winners" in every sense of the word.

On Wednesday, the program included all English classes. Several of the club members participated in these classes as well as in the Western classes which were held on Friday.

Robin Knepper earned the blue ribbon in the Advanced Equitation, Hunt Seat Class for Registered Quarter Horses,

Attends Summer Youth Program

Julie Bedrosian of Manchester, Mich., works on a project in the exploration on silk screening in the Summer Youth Program of Michigan Technological University in Houghton.

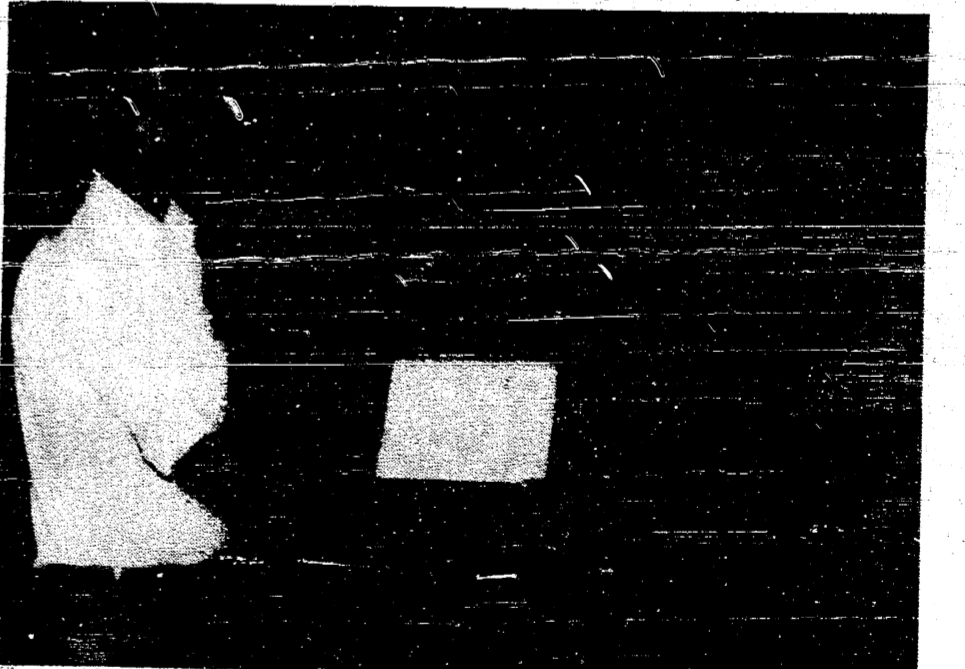

She was among some 1,000 youngsters from four countries who participated in the 47 explorations in careers and knowledge.

Students in silk screening cut stencils, bonded them to a fine-mesh silk-gauze screen, and printed by squeezing liquid oil-base colors through the screen with a squeegee. Many of the project designs were inspired by campus and surround-

ing Copper Country scenes of forest, Lake Superior, and remnants of the Copper Mining boom days. The students spent time composing and sketching before beginning their printing.

In addition to posters, they produced prints that can be used on lightweight fabric as wall hangings or clothing.

Julie will be a senior at Manchester High School, where she participates in track. Her brother, Daniel, participated in the Summer Youth Program's Computer Science Exploration. He will be a senior next year. Their parents are Mr. and Mrs. Sidney Bedrosian, 115 West Main,

Manchester JC Of The Month

On Thursday, July 25, 1974, the Manchester Jaycees awarded jointly, the Jaycee of the Month to Gale Koebe and Jeff Schaffer for their diligent and hard work on the Manchester Jaycee Inaugural Ball.

Unfortunately, Mr. Koebe was not available for the presentation and will receive his plaque at the August meeting. Pictured here is Jeff Schaffer receiving his award from Manchester Jaycee President, Dick Wolf.

The recipients of the June awards, Mr. Koebe, who is formally a Jaycee president, resides at 317 W. Territorial with his wife Susan and their two children. His co-chairman, Mr. Jeff Schaffer, re-

sides at 11939 Elmdale Drive with his wife Connie and their daughter Dawn.

The Manchester Jaycees take this opportunity to encourage all their fellow Jaycees to work as diligently as these two young men have.

President Dick Wolf extends a formal invitation to all young men between the ages of 18-36, to join the ranks of Manchester's most vital and moving young mens organization. For further information, please call Dick Wolf at 428-7231 or his business telephone 428-8334.

Notice

The Enterprise office will be closed from Thursday noon August 8 until Monday 9 A.M., August 12.
