Open House To Honor 50 Anniversary Of Mr. and Mrs. Leslie Chavey

The children of Mr. and Mrs. Leslie Chavey are hosting an Open House in honor of their parents 50th Wedding Anniversary. The event will be held on Sunday, September 8 at the Duane Roller residence 20351 Schwab Road at 3 p.m. Mr. and Mrs. Chavey were married on September 6, 1924 in Redford, Michigan. The Rev. McWilliams of the Presbyterian Church officiated. Mrs. Rudey (Evelyn Chavey) Bowen of Brighton, sister of the groom and Mr. Russell Hawkins of Orlando,

Florida, cousin of the bride attended. The Chavey's have four children, Mrs. Duane (Shirley) Roller of Manchester, Mrs. John (Lorraine) Dunny of Detroit, Grant and Gary both of Manchester, eight grandchildren and one great-grandchild. They are members of the Manchester United Methodist Church and semi-retired farmers. Friends and relatives are cordially invited to join in the celebration. They request that gifts please be omitted.

Compact Tractor Pull Contest

The compact tractor pull got underway with 26 tractors entered in the three classes. We seem to be growing each year, with many returnees and some new drivers. For this we are very grateful. The lightweight class had nine entrants. Our young champion of last year, Carol Diuble, returned, and brought brother Steve. We had another young lady, Barbara Jedele of Saline, join us. Sure glad to see the ladies. Barbara pulled well, but was unable to place. Hope she will try again next year. After we got them started, these 950 pound tractors just did not want to stop. They pulled all the way up to 2450 pounds, before we could find a winner; more than 2 1/2 times their own weight. As it ended, for her own sake, Carol should have left Steve home. Steve Diuble took first place, Mike Eaton of Tecumseh, took second, Carol Diuble got third, and David Jedele of Saline, went home with fourth. The medium class had ten tractors entered. These are up to 1100 pound tractors (tractors are weighed with the drivers), and it took almost 3 times their weight to stop them-3250 pounds. This class had some breakdowns such as broken axels, lost wheel, and our fourth place winner, Brian Leisinger of Grass Lake, broke a gear. He might have gone farther up the ladder had it not been for that. Third place went to James Hayden of Chelsea, second to Willard Girbach of Saline, and top place to Doug Lesser of Dexter. Marvin Brightwell of Grass Lake, and Robert Ball Jr. of Dexter, gave the four top men a run for the money; hope

Janet Denhoff Visits Pen Pal

By C. Chapin

Five glorious weeks in Switzerland. That was the trip of the summer for Janet Denhoff, daughter of Judy and Don Denhoff of 400 E. Main, Manchester. Janet, who is thirteen years old this year has been corresponding with pen pal Barbara Steinmetz, of Schaffhausen Switzerland near Zurich, for four years and this year the family invited her for a visit. Schaffhausen is a city, located in hiking and camping country; so the girls did a good deal of walking and looking at the countryside. A smaller one week trip into Germany to visit Barbara's grandmother near Dusseldorf was a pleasure and with a chance to see much more of the continent, for on the return trip they drove through France, Austria, and Liechtenstein. Included in the special memories are those of a one day trip to the Black Forest, during which they climbed to the highest point in the forest and this view Janet says was "Neat". Climbing over a glacier, driving through a tunnel under a glacier, the trip gave Janet experiences to remember a lifetime. The Steinmetz family helped Janet take photographs, and at each place they visited they bought postcards and maps and then organized all of these in chronological order in two albums as a memento. The country was beautiful, the people charming and friendly, making Janet very happy. But she is happy to be home too!

#### MHS ATTENDANCE & TARDINESS POLICY

Regular attendance is essential for success in high school and for students to gain the utmost from their abilities. Students are expected to attend school every day of the school year and to attend all their classes during the school day whenever physically possible. The students and parents are jointly responsible for regular attendance at school, and the school shall make every effort possible by providing services to encourage regular attendance.

To assist the student and parent, the school will proceed as follows:  
An absence as defined by this policy

means an absence of a single hour, one half day, or one full day.

1. A semester of school is composed of approximately 90 days. Absences may not extend beyond twelve (12) each semester.
2. Parents are expected to phone the school office by 10:00 A.M. when their sons or daughters are absent from school. The school will make every effort to call home if parents fail to call the school. A note the following day signed by a parent is acceptable.
3. The responsibility for checking the number of single hour absences will rest with the students, and it would be to the student's advantage to make inquiries with his or her teacher. If there is a conflict over the number of absences in the teacher's records as compared to office records, the teacher's records will stand.
4. All absences except for school sponsored activities are included in this policy. (Examples are: hospitalization, sickness under a doctor's care, family trips, hunting, etc.)
5. After three (3) days, six (6) days, nine (9) days, twelve (12) days of absenteeism (consecutive or otherwise per semester) the parent will be notified by letter or phone. Also the student will be referred for a conference with the principal to discuss the causes for his or her absences. Parents may attend.
6. A student is considered tardy when he is not in the classroom when the bell rings. Tardiness is judged within the first five minutes of the period. After five minutes the student is considered absent.
7. After the third tardiness to a class a student will be charged with a one day absence to that class only. Each succeeding three tardies will result in another day's absence being charged toward the attendance record.
8. All absences require the completion of make-up assignments given by the

teacher of each class missed. It is the responsibility of the student to secure these assignments. One day for each day of absence will be given for make-up work. Failure to make up this work will constitute a failing grade for said work.

9. If a student's total absences from a class should exceed the policy limit of twelve (12), he/she will be dropped from that class with a loss of all credit, and be assigned to the Study Hall for the remainder of the semester. If this occurs in more than one class, including Study Halls, the pupil will be asked to drop from our program and re-enroll the following semester. Pupils under 16 years of age whose absences exceed the limit of twelve (12) days from one or more classes will be permitted to remain in those classes, but will be assessed a failing mark for each absence beyond the twelve, without make-up privileges. Pupils under the age of 16 whose absences exceed the limit of 2 or more periods will be referred to the Juvenile Court.

10. When a student misses a class and remains in school, when a student leaves the school grounds without permission while classes are in session, when a student drives off school grounds while classes are in session and during the noon hour without permission, he will be subject to consultation with the principal. The problem will be resolved in one of the following ways: a. warning, b. informing parents, suspension. Suspensions may be of various types: 1) starting at the close of the school day pending a visit to the school by the parents, 2) one day or more suspension, 3) immediate suspension that day. For any suspension parents will meet with the principal before the student can get back to school.

11. When a student leaves a class without permission he will lose attendance for that class that day.
12. Students who are not specifically assigned and are around the school while classes are in session and during the noon hour and are disruptive will be subject to the same consultation procedure with the principal.
13. Death in the immediate family, hospitalization, or extended illness of five days or more under a doctor's care which causes a student's total absences to extend beyond the permitted number will be given special consideration.
14. PERMIT TO LEAVE THE BUILDING OR RELEASED PERIODS. Permission to leave the building or be released from attending a class or Study Hall during school hours MUST be granted by the Principal or someone authorized by him. Students will not be permitted to leave the building during the regular school day except in the case of emergency, dental or medical appointments or by telephone contact with the parents and the principal's office. Students may leave the school grounds during the noon hour by walking or when picked up by parents only!

Caller: "Madam, I'm the piano-tuner."  
Pianist: "I didn't send for a tuner."  
Caller: "I know it, lady; your neighbors did."

Smith: "Shall we have a friendly game of cards?"  
Brown: "No, let's play bridge."

## OBITUARIES

George Grossman Sr.  
formerly of Manchester

Age 88 years, died Wednesday at the Herrick Nursing Home in Tecumseh following an extended illness.  
He was born May 9, 1886 in Manchester, the son of George and Alice Feldkamp Grossman.  
He was married to Matilda Schable on March 26, 1913. She preceded him in death on June 10, 1946.  
Mr. Grossman was a member of the Emanuel United Church of Christ.  
He is survived by three sons; Roland and George Jr. of Manchester and Milton of Clinton, a daughter; Mrs. George (Ruth) Goodell of Manchester, twelve grandchildren, and a sister; Mrs. Cora Jenter of Manchester.  
He was preceded in death by two daughters, one brother and three sisters.  
Funeral services were held Saturday 1:30 PM at the Jenter Funeral Home, Rev. Joseph W. Wise officiated. Burial followed in Oak Grove Cemetery.

MANCHESTER

140 Acre Stock Farm, 7/8 Mile Road frontage, some woods, small stream, good 3 bedroom house, also out buildings.

Vacant land, 3 acres to more than 100 acres, some with water and woods.

Three bedroom ranch (reduced), possession no problem, terms possible.

### CAN YOU HELP?

The Washtenaw County Department of Social Services Volunteer Unit continues to need more volunteers to serve in their programs. A Friendly Visitor program is being developed and volunteers are needed to visit the elderly and disabled living in Adult Foster Care Homes throughout the county. If you have an interest in arts & crafts or a hobby, or just time to talk and listen, this could be an opportunity to share and enrich another's life.  
The Department has several requests for Shopper's Aides and a bookkeeper is

needed to assist in the business office. The Department cooperates with the Interfaith Center for Human Needs in providing pick up and delivery of donated furniture free of charge to clients and other low-income residents of the county. Since neither agency has facilities to store nor repair furniture, items must be in good condition. (A receipt will be given for your income tax deduction.)  
Can you help? Can you give a few regular hours a week? If so, contact Ardith King, Volunteer Coordinator---663-0567, Monday through Friday, 8 am to 5 pm.

Compact Tractor Pull Contest

to see them and all the others next year too.

There were seven tractors in the heavy-weight (1300 pounds) class. These tractors also pulled close to 3 times their weight, going up to 3600 pounds. We had a breakdown in this class when Paul Ledwidge of Pinkney, broke a belt. Be looking for you with better luck next year Paul. Placing third and fourth was a real tussel between Richard Schank of Ann Arbor, and Ed Buku of Chelsea. Both were a little under the 1300 pound mark. At 3000 pounds they found their limit. Richard pulled the belt 43 inches, but Ed managed 44 inches. That left Richard with fourth and Ed with third. One inch can really make a difference, Ron Duble and Richard Busha, both of Ann Arbor, went on until that 3600 pounds proved to be Richard's undoing. He started having belt problems, and the best he could pull the belt was 8 inches. Ron was able to pull the distance, taking first and leading second to Richard.

We want to thank all those who helped us with the pull this year. Our beautiful trophies were sponsored by Duble Feeds of Ann Arbor, Haab Brothers Hardware of Pleasant Lake, and Braun Implant of Bridgewater. The weights were donated by the Chrysler Proving Grounds, and E.G. Mann and Sons, who also allowed us to use their scales for the weigh-in, and

donated the numbers for the tractors. The judges this year were Brian Van Wagnen of Clarklake, Jim Mann, Mike and Alice Rossette, all of Manchester. Sweepers were Mickey and Tom Rossette, and we had some extra help from Brian Schlicht, Victor Dennis, and Greg Rossette, all of Manchester. Our special thanks to all the drivers who brought their tractors, to make our pull interesting and successful. Hope none of the breakdowns were too serious, and you can all join us again next year. Thanks too, to all the spectators. We had a marvelous crowd to cheer on the pullers. This makes all the work total up to fun. Thank you everyone!

Dance Program

Registration for the newly organized Dance Program will be on Wednesday, September 11, at the Klager School in the Gymnasium from 3:30 to 5:00 P.M. Mrs. Delores Gebhardt, who will be teaching this year, will give a demonstration on the day of registration of each type of dancing being offered; which is tap, ballet and jazz.

There will be 3 - 10 week sessions at \$15.00 per session, payable in advance of each session. All classes will be held on Wednesday's after school at the Klager School.

If you have any questions or ideas please feel free to call Mrs. Gebhardt at 428-8221.

Damron-Bersuder Wedding

St. Mary's Catholic Church was the setting when the Rev. Fr. Raymond R. Schlinkert performed the nuptial mass uniting Carol Louise Bersuder and Claude Van Damron in marriage on August 16. Approaching the altar on the arm of her father, the bride was attired in a gown of ivory organza enhanced with Cluny

and Venice lace and seed pearls. The chapel train was trimmed with a Cluny lace ruffle and the silk illusion veil was secured to a Camelot headpiece. Honor attendants were Mrs. William Thompson, of Detroit, cousin of the bride, and Mr. James Damron of Ann Arbor, brother of the groom.

The matron of honor wore a gown of pale yellow with a cape style neckline and carried a nosegay of assorted painted daisies and baby's breath.

The bridesmaids, who wore gowns of pale green identical to the matron of honor's, included Miss Mary Bersuder of Saline, cousin of the bride, Mrs. James Alford of Ypsilanti and Miss Chris Kambas of Ann Arbor.

Seating the guests were Mr. Paul Cyman of Ann Arbor, cousin of the groom, Mr. David Pittman of Ann Arbor and Mr. Ross Bell of Kenton, Ohio, cousin of the groom.

A reception followed at the Knights of Columbus Hall in Manchester.

Parents of the bride are Mr. and Mrs. Harold G. Bersuder of Bridgewater. The

groom is the son of Mr. and Mrs. Claude B. Damron of Ann Arbor.

The newly-weds have returned from their honeymoon in New Orleans and are residing in Ann Arbor.

WELCOME BACK TEACHERS

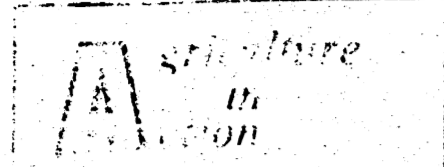

It has been said: The teacher has the greatest profession, for through the hands of our instructors pass all the members of every profession. We, at your Community Service Bank, salute our area teachers for community service which lasts throughout generations.

MEMBER F.D.I.C. MANCHESTER / BRIDGEWATER / PLEASANT LAKE

WHEN FOOD PRICES GO DOWN...

Normally the farmer is a level-headed person who has learned to accept life as it is, but he can become sensitive when uninformed people start sounding off about food prices.

For example, on a recent TV newscast, a young housewife said: "With higher rent, larger car payments, and the cost of clothing, I had to go into my savings to pay for the high cost of food at the

supermarket." She went on to say that she will be able to "live again" when food prices go down.

She was another consumer who felt that food prices can come down while wages, and all other costs of living, remain at a record high.

The simple fact is -- food prices can never stop climbing until production costs stop going up. Farmers' total production costs -- which include the wages they must pay, farm machinery, supplies and taxes -- have risen 20 percent in the past 20 years.

Farming is different than most other businesses in that it is less able to pass along these increased costs. Farmers are not protected by franchises, patents, licenses, fair trade prices or industry-wide contracts. They deal largely in perishable products that must be sold when ready rather than held for the "right" price.

Farmers aren't denying that food prices are high. Farm wives shop at the super-

market, too, and they know food prices have gone up.

Twenty years ago, the typical household spent \$956 a year for farm-produced foods at the supermarket. In 1973, this "market basket" of food cost \$1,537, or 61 percent more. But--if food prices had risen as much as industrial wages have, farm-grown food would cost the typical household \$2,314 today.

On the other hand, if wages had gone up no faster than food prices in the last 20 years, the average industrial worker would be earning \$2.74 an hour rather than the \$3.89 he does today -- or a 30 percent cut in 1973 wages.

Public opinion polls have shown that most consumers do not blame farmers for high prices, but there are still some who are waiting for food prices to go down.

The return to cheap food prices will come when we return to cheap production costs, cheap money, cheap cars, cheap shoes, cheap land, and also -- cheap wages.

were pleasing to all who had successful keys.

The following is a list of winners-- Mrs. Owen Zahn-whip, Joanne Schielstick of salami, Lowell Parr-apples, Elmer Grob-wood keg, Hazel Kouba-eggs, Chuck Steele-apples, Karen Bristol-Dairy Queen certificate, Marie Romelhardt-eggs, Ted Wheeler-cane, Helen Helber-G.L.H. cap, Dave Bunn-honey, Raymond Weber-G.L.H. cap, Jack Davis-2 cycle oil, Frank Teachout-DeKalb cap, Paul Heimerdinger-apples, Ed Vicek-apples, Edna Knauss-cane, Mrs. Clemet Gunther-sprayer, Vera Jacob-eggs, Marcia Bunney-Dairy Queen certificate, Mae Punched-DeKalb cap, Susie Wiegand-cane, Doris Mahony-apples, Wendall Reinhart-apples, Jim Haab-G.L.H. cap, Allen Ross-eggs, John Steele Jr.-Dairy Queen certificate.

Both Mrs. Andrew Post and Mrs. Roger Troz, co-chairmen of the booth, feel it was very successful this year.

FARM BUREAU BOOTH DRAWS MANY

One of the most visited booths in the merchants tent at the Manchester Fair this year was the one that the Farm Bureau Women of the Manchester Area were in charge of. The display of products which Michigan ranks 1st thru 6th in the Nation in were on display all during the fair. The statement "Agriculture America's Treasure Chest-Farm Bureau Agriculture's Treasure Chest" was carried out in the evenings with a locked chest which many people tried keys in and many were successful. The prizes, which were donated by area farm related businesses,

UNIT #117 NEWS

The American Legion Auxiliary held its annual picnic, at the home of Mrs. Charles Steele on July 10, 1974.

Election of officers for the executive board was held. Officers are: Jane Kern, Delorais Richardson and Ruth Hainstock. The Auxiliary is to have a booth at the fair, sponsored by Manchester Tool and Die, Inc.

Installation of officers is set for the month of September. Mary Smith, the incoming President has chosen Delorais Richardson as her installing officer. Yvonne Huber as installing Sgt. at Arms and Fern Sutton as installing Chaplain.

New officers for the 1974-1975 are as follows: President - Mary Smith, Treasurer-Phyllis Baker, Chaplain-Edna Knauss, Secretary-Arlene Walters.

Girls State representative, Janet Popkey, gave an interesting report on her trip, to the group.

Being no further business, the meeting was adjourned by President Ruth Hainstock.

MANCHESTER BUSINESSMEN'S BOWLING LEAGUE

The Manchester Businessmen's Bowling League will start the season on September 10.

Individuals interested in bowling, call Dave Pratt at 428-7023.

FORD PICNIC

The annual Ford Picnic of former employees of Manchester Ford Plant and husbands and wives are invited to a potluck picnic Sunday, September 8th at 1:00 P.M. to be held at Sportsman Club on Grossman Road, Manchester.

Bob Winters plans to show film of past Ford events picnics and etc.

Bring a dish to pass and table service and come join the fun and renew old friendships.

WOLF REUNION

The Wolf Reunion was held at Carr Park Sunday, August 25 with forty two guests and five visitors.

Harold Hasting, formerly of Jackson and now from Fairfield, Iowa was present. He had not seen the rest for about 50 years.

Mr. and Mrs. Max Scofield of Jackson, Mr. and Mrs. Kenneth Ernst of Tipton was also present.

A lovely dinner and a few games were enjoyed by all.

Also we took lots of pictures, it was a beautiful day and Carr Park was well supplied.

The oldest present was Harold Hasting and Debra Bailey, daughter of Wm. and Linda Bailey of Ypsilanti was the youngest.

ROGERS CORNER FARM BUREAU

The Rogers Corner Farm Bureau will meet September 13 at 8:30 p.m. at the home of Neil Stierle, on Waters Road.

IRON CREEK STUDY GROUP

The Iron Creek Study Group will meet with Mrs. Richard Schable on September 12, 1974 at 12:00 for a potluck dinner on Polish foods.

Ask  
Senator

**GRIFFIN**

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I'd like to run for Congress someday, and I'm wondering whether it's best to get a law degree first. After watching the Judiciary Committee hearings on T.V., it looks like just about everybody down there is a lawyer.

—S. W., Marquette

Having a law degree can be very helpful, but it's not necessary. Out of the 435 members of the U.S. House of Representatives, 222 are lawyers, 213 are not. In the U.S. Senate, 68 of the 100 members are lawyers. We've had 38 Presidents; 24 of them—including President Jerry Ford—have been lawyers.

Incidentally, the Judiciary Committees of the House and Senate are not exactly typical. Because their duties and jurisdiction relate to the Courts and law enforcement, all of the Senators and Congressmen assigned to those particular Committees are lawyers.

It is encouraging to know that young people like you have your sights set on a political career. Best of luck.

Like most mothers, I'm really concerned about the nutritional value of the foods I serve my family. I'm also a bit confused by the various government requirements as to food labeling. I've been asked to make a presentation before our local PTA on this subject. But I need some help.

—T. R., Dearborn

You're in clover! The Food & Drug Administration has produced an excellent film on nutrition and the government's labeling program. It's 14 minutes long and stars Dick Van Dyke.

You can borrow the film—free—from the FDA's regional office at 1560 East Jefferson Avenue, Detroit. Just call 226-7282 to make arrangements. In addition, you can obtain from that office a number of informative publications on your subject. If you wish, you might even arrange for an FDA Consumer Specialist to do the program for you—and you'd only have to worry about the introduction.

The film is also available through the FDA office in Grand Rapids. Dick Van Dyke fans in that area can contact the FDA, Room 532, Federal Building, 110 Michigan Avenue, N.W., Grand Rapids 49502. The phone number is 616-456-2340.

**TO THE ELECTRIC CUSTOMERS OF CONSUMERS POWER COMPANY**

**NOTICE OF HEARING AFFECTING ELECTRIC RATES**

On July 8, 1974, Consumers Power Company filed an application with the Michigan Public Service Commission for authority to amend the fuel cost adjustment clause in its electric rates, M.P.S.C. No. 7 - Electric, Case No. U-4621. Existing electric rate schedules contain fuel adjustment clauses which permit adjustments to those rates to reflect changes in the cost of fossil fuel burned in the Company's fossil fuel electric generating plants. The Company proposes to amend its electric rate schedules to permit recovery of the cost of purchased and net interchange power which the Company must purchase to meet its electric system requirements, as well as the cost of fossil fuel. In addition, the Company proposes to utilize a system of estimates based upon the most up-to-date actual costs of fossil fuel and purchased and net interchange power and the most up-to-date actual kWh sales data to calculate the fuel adjustment clause and thereby eliminate the two-month lag in recovery of costs under the Company's current clause.

The incorporation of the proposed amendment to the existing fuel cost adjustment clause, as set forth below, will cause the Company's electric rates to increase or decrease as the costs of fossil fuel and purchased and net interchange power increase or decrease.

The fossil fuel and purchased and net interchange cost adjustment shall consist of an increase or decrease in the cost per kWh, based on the difference between the estimated average cost per kWh of fossil fuel and purchased and net interchange power and 5.790 mills per kWh, rounded to the nearest 1,000th mill per kWh. The estimated average cost per kWh of fossil fuel and purchased and net interchange power included in this clause shall consist of the estimated calendar month delivered cost of fossil fuel burned plus the estimated calendar month cost of purchased and net interchange power, divided by the estimated billing month kWh sales. This adjustment shall apply to all kWh included in the customer's bill during the billing month in which the estimated calendar month's cost of fossil fuel and purchased and net interchange power is incurred. After the actual cost per kWh has been determined, any difference between the estimated and actual cost of fossil fuel and purchased and net interchange power per kWh of sales shall be included in the next estimated cost determination of this adjustment clause.

The Company represents that its earnings rate is appreciably less than that authorized by the Commission in its last electric rate case, Case No. U-4332. Applicant further represents that purchased and net interchange power contributes a substantially larger percentage of total electric system requirements than that utilized by the Commission in setting rate levels in that case and that the average cost per kWh of purchased and net interchange power is substantially higher than that utilized by the Commission in setting rate levels in that case. The Company further represents that the purchased and net interchange

power kWh requirements used as a basis for the relief requested in the application are not duplicative of the purchased and net interchange power kWh requirements used as a basis for the request for rate relief which it currently has pending before the Commission in Case No. U-4576.

Public hearings will be held on Consumers Power Company's application commencing at 9:00 a.m. on September 16 and 17, 1974, in the offices of the Commission, Law Building, Lansing, Michigan for the purpose of determining whether the authority sought should be granted.

Any person interested in the hearing, but not desiring to formally intervene, may attend and participate by making a position statement pursuant to the provisions of Rule 16 of the Commission's Rules of Practice and Procedure. Persons seeking to formally intervene as a party to the proceeding shall be required to strictly comply with Rule 11 of the Commission's Rules of Practice and Procedure by filing with the Michigan Public Service Commission, Law Building, Lansing, Michigan 48913, at least five (5) days prior to September 16, 1974 an original and twelve (12) copies of a petition to intervene, together with proof of service upon Consumers Power Company, General Attorney, Legal Department, Jackson, Michigan 49201.

Consumers Power Company, on or before September 16, 1974, shall serve upon each person seeking to formally intervene under Rule 11 of the Commission's Rules of Practice and Procedure a copy of its application and supporting direct testimony and exhibits as filed with the Commission, and proof of service shall be filed with the Commission on or before September 16, 1974.

Public hearings, if necessary, shall be held, in addition to the dates aforementioned, at such times and adjourned dates as shall be determined by the presiding officer until the matter has been fully heard.

Jurisdiction of the Commission in this matter is pursuant to 1909 PA 106, as amended, MCLA 460.551 et seq.; 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; Chapter 4 of 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Rules of Practice and Procedure Before the Commission, 1954 Administrative Code, Supplement No. 54, R 460.11 et seq.

Copies of the application and supporting testimony and exhibits of Consumers Power Company are available for inspection in the offices of the Commission Secretary, 5th Floor, Law Building, Lansing, Michigan 48913, or at the office of the Secretary of Consumers Power Company, 212 West Michigan Avenue, Jackson, Michigan 49201 or at Consumers Power's division headquarters within its electric service area.

**School Board To Meet September 9**

The Manchester Board of Education at its regular meeting on September 9, 1974 will determine the 1974-75 school tax levy.

Because of action by the State Legislature in July State Aid forfeitures for 1972-73 and 1973-74 in the amount of \$68,000 will not be deducted from the 1974-75 State Aid payments due the school district, inasmuch as the millage request was based on this need, a millage reduction will now be considered by the board.

Anyone in the district interested in this meeting is invited to attend.

**RED CROSS NEWS**

Red Cross volunteers are constantly in demand and they were on hand at the Manchester Fair as usual. The Safety Trailer was open from noon to 9:00 p.m. every day and until 10:30 on some.

Workers included Paul Lemon, Medical Administrative Assistant at Veteran's Hospital who opened the trailer the first three days; Mrs. Robert Paul, Mrs. Arthur Ekin, Mrs. Robert Sporzinski and Mrs. Ronald Gonyer who filled in many times during the week. Penny Sayer and Genifer Jones of Ann Arbor were on duty every night from 6 to 9 except Wednesday when Bill Wade of Chelsea, another member of the County Disaster Team, took over. Mrs. Hilma Tervo was on duty from

9 to 10:30 the opening night.

Wednesday, Safety Aides included Mrs. David Shadley, Mr. Gonyer, Nancy Hanewald, Mrs. Charles Robinson, Mrs. Stanton Roesch who assisted Mr. Wade during an emergency and Mrs. Frederick Wurster who worked from 9 to 10 p.m.

Thursday, Mrs. Hilma Tervo, Mrs. Clara A. Knickerbocker and Mrs. Charles Hough were on duty with Mrs. Robert John working from 9 to 10:30.

Friday, Mrs. Robert Rodriguez, Mrs. Monroe Eversole, Nancy Hanewald, and Mrs. Gerald Ahrens were in charge. There being no one on duty after 9:00 this evening, Paul Eisle handled an emergency by finding medical assistance on the grounds.

Saturday, Mr. and Mrs. Larry Wright opened the trailer at noon and were followed by Mrs. Robert Fry, Mrs. Walter Ellis and Mrs. Gonyer.

The Red Cross and the community are especially grateful to these people for their services during the Fair Week. Volunteers are now being recruited by Ica Schaffer for a Bloodmobile at the Chrysler Proving Grounds on Monday, September 16th from 12 to 6 p.m.

The next local Bloodmobile will be at Manchester Methodist Church on Monday, October 28 from 12 to 6 p.m. Donors please note this date on your calendars now. Everyone is needed.

**BIRTHS**

Mr. and Mrs. Michael Hughes of 121 Beaufort are the parents of a son born August 28. His name is Jeffrey Lee, he weighed 7 pounds 15 ounces and is their first child.

**Spice Cake Is Autumn Favorite**

The fragrance of sweet spiced desserts a-baking has a heart-warming homey goodness that—though good anytime—seems to belong especially to autumn. Spice Cake is one of these treats. Frost it with Mocha Frosting.

**Spice Cake**

- 1 1/2 cups sifted flour
- 1 cup sugar
- 1/2 cup corn starch
- 1 teaspoon baking powder
- 3/4 teaspoon baking soda
- 1/2 teaspoon salt
- 1 1/2 teaspoons cinnamon
- 3/4 teaspoon nutmeg
- 3/4 teaspoon clove
- 1/2 cup margarine
- 2 eggs
- 3/4 cup sour milk or buttermilk
- 1 1/2 teaspoons vanilla

Grease 2 (8-inch) layer cake pans. Line bottoms with waxed paper. Sift together flour, sugar, corn starch, baking powder, baking soda, salt, cinnamon, nutmeg and clove. Cream margarine in mixing bowl. Sift dry ingredients over margarine. Add eggs, sour milk or buttermilk and vanilla. Stir until dry ingredients are completely moistened, then beat 2 minutes with medium speed of electric mixer or 300 vigorous strokes by hand, scraping bowl and beaters often. Pour into prepared pans. Bake in 375°F. oven 25 to 30 minutes or until cake springs back when lightly touched with finger.

### Card of Thanks

We wish to thank all our friends and relatives for their cards, gifts and flowers on our Fiftieth Wedding Anniversary. Also, thanks to D' Agostino Greenhouse, The Manchester Enterprise, and all who helped to make our special day a memorable occasion.

Mr. and Mrs. Waldo C. Marx

To all of the people who made it possible for the 1974 Sophomore Class float to be an almost winner this year is a feat that should make the contributors proud. All the thank you's go to Mr. Cliff Tracy for lending us his wagon, Mrs. Rosemary Hughes for putting up with our class the week before the fair, all the Mothers who either gave food or time to help us, our sponsors Roller Jewelers, Buff Browns T.V. Service, and L.V. Kirk Appliance. Special thanks goes to all the kids who

worked on it to make it the fine float it was.

Sincerely yours,  
President, Tom Fitzgerald

Thank you to the kind people that gave money as we walked the neighborhood collecting for the Jerry Lewis Telethon for Muscular Dystrophy. A total of sixteen dollars was collected.  
Dawn and Heidi Keezer  
Michelle Gonver

We would like to thank the following businesses who provided the prizes for the Farm Bureau Booth at the Manchester Fair: Alber's Orchard & Cider Mill, Manchester Dairy Queen, E.G. Mann & Sons-Manchester, Haller & Son Meats, K & W Equipment Inc., Michigan Livestock-Manchester, Vescio-Manchester, A & G Weidmayer Farms, Loren & Roger Trolz, Wayne Trolz's Early Bird Farm. We would also like to thank all of the

Farm Bureau ladies in the area who helped.

Mrs. Andrew Post  
Mrs. Roger Trolz  
Co-Chairmen Farm Bureau Booth  
Manchester Fair

### Senior Citizens To Hold Open House

The Senior Citizens Council will hold an Open House on Tuesday, September 17 from 1:30 to 4 p.m. at the Emanuel Church Hall.

Any and/or all senior citizens are invited to attend. Rides are available by calling Mary Schabell at 428-7617 or Ella Duck at 428-3981.

One project of the Council has been the placing of two benches on Main Street for the use of the Senior Citizens. The Village Council has very generously funded this project.

I was grateful for the cash bonus which I received from the State of Michigan following my tour of duty with the U.S. Navy during the Korean Conflict. This "Godsend" made it possible for me to liquidate some of my financial obligations which were pressing at the time.

The State of Michigan has granted bonuses to Michigan veterans following the war periods of World War I, World War II, and Korea. Vietnam era veterans should receive similar recognition in the interest of fairness. A financial reward would provide some needed compensation to partially assist with some of the difficulties so many of our Vietnam veterans are experiencing.

THURSDAY, SEPTEMBER 12, 1974

## "Help Us To Help Others" A Matter of Simple Economics?

"Help Us to Help Others" is the winning slogan for the 1974 campaign of the Manchester Area Community Chest and Red Cross Drive. Submitted by Mrs. Floyd Schiel, pictured above, receiving a check from "Sax" Smith campaign chairman. Congratulations to Mrs. Schiel on her entry.

### UF Budget \$17,993

President Robert Ross has announced the 1975 Budget for the Manchester Area Community Chest and Red Cross Drive is \$17,993. This represents a 3.4% increase over last year. The allocations are as follows: Manchester Student Council-\$200, Manchester Area Recreation-\$4,200, Manchester Family Service-\$200, MOMS of America-\$150, American Red Cross-\$4,000, Cystic Fibrosis-\$200, Salvation Army-\$1,100, Huron Valley Child Guidance Clinic-\$100, United Way of Michigan-\$2,983, Wolverine Council-\$1,750, Child & Family Service of Washtenaw County-\$400, Catholic Social Services-\$700, Washtenaw Assoc. Retarded Children-\$250, Huron Valley Girl Scout Council-\$1,750, Total-\$17,993. 3.4% increase over 1974 budget.

### Law Enforcement Program Offered

Young people from the Manchester area who are considering careers in law enforcement are invited to participate in a challenging new program offered jointly by the Manchester Police Department and the Explorers. Anyone between the ages of 14 and 21 may take part in the program. Participants will work directly with the Manchester Police Department to get an inside view of the daily activities of the police officers. In addition, they will be given 77 hours of training at the Police Academy in Ann Arbor. A certificate will be awarded at the completion of the course. High School credit will also be granted. Interested young men and women may call Chief Zsenyuk at 428-8505 for further details or stop at the station for an application.

When your solicitor calls remember "Help Us to Help Others".

### School Millage Levied At 25.54

The Manchester Board of Education at its September 9, 1974 meeting set the total school millage levy at 25.54 mills. This is a decrease from the 1973-74 levy of 45 of a mill. The Board reduced the voted operational millage by one-half (.5) mill and the debt retirement levy by 1.23 mills. Because of the marked decrease in the enrollment (67 students from a projected 1400) with the subsequent loss of state aid, it was impossible to lower the operational millage more than one-half (.5) mill. The total millage decrease amounts to 1.73 mills. In other action the Board approved the purchase of one school bus in the amount of \$12,250, and adopted a resolution to borrow operational monies for the months of October, November and December. The following new teachers were approved for employment: Mrs. Melinda Crombez, a graduate of Eastern Michigan University, will teach third grade at Pleasant Lake. Philip Montgomery, a graduate of the University of Michigan, will teach high school mathematics. Bart Bartels will teach fourth grade at Klager Elementary School. Bart is a graduate of the University of Michigan. Miss Lynda Dunkelberger, a recent graduate of Western Michigan University, will teach vocational homemaking at the high school. Miss Alice Greminger, a graduate of the University of Michigan, will teach instrumental music in the middle school. Mrs. Carmen Misner has been employed to teach science in the middle school on a half-time basis. Mrs. Misner graduated from Central Michigan University. Mr. Roger Kish will teach seventh and eighth grade students in the middle school and coach wrestling. Mr. Kish is a graduate of the University of Toledo. Mr. Reno Feldkamp reported that plans to acquire additional land at the Pleasant Lake site were underway and a report on this matter would be made at the workshop meeting. Mr. Jim Walkow reported on attempts to get a workable track at the Klager site. Inasmuch as this track is already graded and drained it is believed that an inexpensive oil base will suffice to make the track useable. The track and field area will be mowed, and the track prepared for spring use. The principals made brief reports on the school opening. It was noted that the enrollment was down in both elementary schools and the middle school and up by four students in the high school.

By C. Chapin School days are here, along with inflation and whether the twain shall meet is a neat question. Father lit the fuse by asking whether the college sons have enough money to enter school this fall. Well-modern math is beyond my comprehension but I think I've learned a little about the economy and the value of a good line of credit. Settling day came when the paper boy asked for his money and I had to write a check. No cash. Cash had been given to those wanting milk tickets and dairy queens. Grumbling mightily I asked a large son about the fifty dollars I had loaned him a month ago. Received it, and he turned to his brother and demanded the thirty he had loaned him three weeks ago. Small daughter said, "Dad you owe me a dollar from the ten I got for Christmas and asked you to hold for me. She got it. Young son mentions he has three dollars coming from big brother for some work he did. Paid up. Another young son says-you owe me a dollar of that three because I helped you that day. Dad says "If you are subcontracting the work out all through this house----" and never got to finish the sentence. Large son says to me this mother-in-law (I bought you some things at the grocery store and you didn't give me back the money-so of course I did. Small daughter says "Dad-you promised to give me a dairy queen the day the boys had one and I didn't, so I'll take the money instead. She got it. Other large son says to me, "Please give this ten dollars to John-which I borrowed one day and haven't seen him since. Sure I will, because John has owed me five for a while and now I can get it back. Small son says "Remember the night you bought us a Pizza and I gave you the change for tax?" Settled that small score. I handed an envelope to Large son and told him "this is some money a friend of yours brought one day and said he owed you". Thinking this over for a few minutes I then smiled gently and asked "if you had money to loan a friend-how is it had to borrow fifty from me?" "Well don't you see that because I had loaned some to a friend that's why I had to borrow from you" with a sweetly condescending look that meant I was asking silly questions again. Dad says "You should never a borrower or a lender be----" and looked a little sheepish for even mentioning such a thing. Small daughter says "Mom-I used my own money to buy milk at school for two days-can I have it back?" Well that seemed reasonable. So I gave it to her. "I paid your way into the movies once when you didn't have the money" declared one son, and collected. "Do you remember the day we went shopping and I helped to pay for gas?" Sure I do. Folding money is being tucked into bill-folds, change is dropping into pockets. Small daughter (enlarging her field of operations) asks big brother "Do you remember that when you didn't give me a birthday present you said you would give me some money when you got some?" And she got it too! Dad has melted into the woodwork, gone, disappeared, and as I begin to see what is happening and slide slowly toward the door I hear small daughter say "If you want to give me money instead of a Christmas present, that will be allright, because you won't be here for Christmas anyway". Big brother might be a cool college student but he's a sucker for

### Engagements Announced

Mr. and Mrs. Arthur Hanawald of Schiewels Road, Manchester, announce the engagement of their daughter Nancy Lee to Marc Raymond Coronaky, son of Mr. and Mrs. Raymond Coronaky of Wheeler Ct, Saline.

Nancy is a graduate of Manchester High School and Northwestern Michigan College School of Nursing. She is presently employed by Saline Community Hospital. A graduate of Saline High School, Marc served in the U.S. Army for three years and is presently employed by the Postal Service in Ann Arbor.

A February 8 wedding is planned.

Mr. and Mrs. Frank E. Gokay, of Ellsworth Road, Freedom Township, are pleased to announce the engagement of their daughter, Cheryl Ann, to Mr. Robert C. Stevens, also of Freedom Township. Mr. Stevens is the son of Mr. Charles O. Stevens, of Morningside Drive, Ann Arbor, and Mrs. Juanita F. Combs of Belleview, Florida. A December wedding is planned.

### BIRTHS

Mr. and Mrs. Paul Marion of Saline are the parents of a girl Marcia Lee weighing 5 pounds. They have a son Michael who is 4 years old. Maternal grandparents are Mr. and Mrs. Earl Uhr. Paternal grandparents are Mr. and Mrs. Herman Marion of Saline.
