"Help Us To Help Others" A Matter of Simple Economics?

"Help Us to Help Others" is the winning slogan for the 1974 campaign of the Manchester Area Community Chest and Red Cross Drive. Submitted by Mrs. Floyd Schiel, pictured above, receiving a check from "Sax" Smith campaign chairman. Congratulations to Mrs. Schiel on her entry.

UF Budget \$17,993

President Robert Ross has announced the 1975 Budget for the Manchester Area Community Chest and Red Cross Drive is \$17,993. This represents a 3.4% increase over last year.

The allocations are as follows: Manchester Student Council-\$200, Manchester Area Recreation-\$4,200, Manchester Family Service-\$200, MOMS of America-\$150, American Red Cross-\$4,000, Cystic Fibrosis-\$200, Salvation Army-\$1,100, Huron Valley Child Guidance Clinic-\$100, United Way of Michigan-\$2,983, Wolverine Council-\$1,750, Child & Family Service of Washtenaw County-\$400, Catholic Social Services-\$700, Washtenaw Assoc. Retarded Children-\$250, Huron Valley Girl Scout Council-\$1,750, Total-\$17,993. 3.4% increase over 1974 budget.

Law Enforcement Program Offered

Young people from the Manchester area who are considering careers in law enforcement are invited to participate in a challenging new program offered jointly by the Manchester Police Department and the Explorers. Anyone between the ages of 14 and 21 may take part in the program.

Participants will work directly with the Manchester Police Department to get an inside view of the daily activities of the police officers. In addition, they will be given 77 hours of training at the Police Academy in Ann Arbor. A certificate will be awarded at the completion of the course. High School credit will also be granted.

Interested young men and women may call Chief Zsenyuk at 428-8505 for further details or stop at the station for an application.

MANCHESTER VS ST. ALPHONSUS AT HOME FRIDAY

The Manchester Varsity Football Team will be hosts to Dearborn St. Alphonsus on Friday, September 13. This will be the first game of the year for the Dutch. A good crowd is needed to cheer them on. Be sure to come.

When your solicitor calls remember "Help Us to Help Others".

School Millage Levied At 25.54

The Manchester Board of Education at its September 9, 1974 meeting set the total school millage levy at 25.54 mills. This is a decrease from the 1973-74 levy of 45 of a mill. The Board reduced the voted operational millage by one-half (.5) mill and the debt retirement levy by 1.23 mills. Because of the marked decrease in the enrollment (67 students from a projected 1400) with the subsequent loss of state aid, it was impossible to lower the operational millage more than one-half (.5) mill. The total millage decrease amounts to 1.73 mills.

In other action the Board approved the purchase of one school bus in the amount of \$12,250, and adopted a resolution to borrow operational monies for the months of October, November and December. The following new teachers were approved for employment:

Mrs. Melinda Crombez, a graduate of Eastern Michigan University, will teach third grade at Pleasant Lake.

Philip Montgomery, a graduate of the University of Michigan, will teach high school mathematics.

Bart Bartels will teach fourth grade at Klager Elementary School. Bart is a graduate of the University of Michigan. Miss Lynda Dunkelberger, a recent graduate of Western Michigan University, will teach vocational homemaking at the high school.

Miss Alice Greminger, a graduate of the University of Michigan, will teach instrumental music in the middle school.

Mrs. Carmen Misner has been employed to teach science in the middle school on a half-time basis. Mrs. Misner graduated from Central Michigan University. Mr. Roger Kish will teach seventh and eighth grade students in the middle school and coach wrestling. Mr. Kish is a graduate of the University of Toledo.

Mr. Reno Feldkamp reported that plans to acquire additional land at the Pleasant Lake site were underway and a report on this matter would be made at the workshop meeting.

Mr. Jim Walkow reported on attempts to get a workable track at the Klager site. Inasmuch as this track is already graded and drained it is believed that an inexpensive oil base will suffice to make the track useable. The track and field area will be mowed, and the track prepared for spring use.

The principals made brief reports on the school opening. It was noted that the enrollment was down in both elementary schools and the middle school and up by four students in the high school.

By C. Chapin School days are here, along with inflation and whether the twain shall meet is a neat question.

Father lit the fuse by asking whether the college sons have enough money to enter school this fall. Well-modern math is beyond my comprehension but I think I've learned a little about the economy and the value of a good line of credit.

Settling day came when the paper boy asked for his money and I had to write a check. No cash. Cash had been given to those wanting milk tickets and dairy queens. Grumbling mightily I asked a large son about the fifty dollars I had loaned him a month ago. Received it, and he turned to his brother and demanded the thirty he had loaned him three weeks ago.

Small daughter said, "Dad you owe me a dollar from the ten I got for Christmas and asked you to hold for me. She got it. Young son mentions he has three dollars coming from big brother for some work he did. Paid up.

Another young son says-you owe me a dollar of that three because I helped you that day. Dad says "If you are subcontracting the work out all through this house----" and never got to finish the sentence.

Large son says to me this mother-in-law (I bought you some things at the grocery store and you didn't give me back the money-so of course I did. Small daughter says "Dad-you promised to give me a dairy queen the day the boys had one and I didn't, so I'll take the money instead. She got it.

Other large son says to me, "Please give this ten dollars to John-which I borrowed one day and haven't seen him since. Sure I will, because John has owed me five for a while and now I can get it back.

Small son says "Remember the night you bought us a Pizza and I gave you the change for tax?" Settled that small score.

I handed an envelope to Large son and told him "this is some money a friend of yours brought one day and said he owed you". Thinking this over for a few minutes I then smiled gently and asked "if you had money to loan a friend-how is it had to borrow fifty from me?"

"Well don't you see that because I had loaned some to a friend that's why I had to borrow from you" with a sweetly condescending look that meant I was asking silly questions again.

Dad says "You should never a borrower or a lender be----" and looked a little sheepish for even mentioning such a thing.

Small daughter says "Mom-I used my own money to buy milk at school for two days-can I have it back"? Well that seemed reasonable. So I gave it to her. "I paid your way into the movies once when you didn't have the money" declared one son, and collected.

"Do you remember the day we went shopping and I helped to pay for gas"? Sure I do.

Folding money is being tucked into bill-folds, change is dropping into pockets. Small daughter (enlarging her field of operations) asks big brother "Do you remember that when you didn't give me a birthday present you said you would give me some money when you got some?" And she got it too!

Dad has melted into the woodwork, gone, disappeared, and as I begin to see what is happening and slide slowly toward the door I hear small daughter say "If you want to give me money instead of a Christmas present, that will be allright, because you won't be here for Christmas anyway". Big brother might be a cool college student but he's a sucker for

big brown eyes, and as I leave I ponder on the implications of an economy built on credit. I also wonder if it's possible to hire a very small, brown eyed daughter as family economic adviser.

Engagements Announced

Mr. and Mrs. Arthur Hanawald of Schleswols Road, Manchester, announce the engagement of their daughter Nancy Lee to Marc Raymond Coronaky, son of Mr. and Mrs. Raymond Coronaky of Wheeler Ct, Saline.

Nancy is a graduate of Manchester High School and Northwestern Michigan College School of Nursing. She is presently employed by Saline Community Hospital. A graduate of Saline High School, Marc served in the U.S. Army for three years and is presently employed by the Postal Service in Ann Arbor.

A February 8 wedding is planned.

Mr. and Mrs. Frank E. Gokay, of Ellsworth Road, Freedom Township, are pleased to announce the engagement of their daughter, Cheryl Ann, to Mr. Robert C. Stevens, also of Freedom Township. Mr. Stevens is the son of Mr. Charles O. Stevens, of Morningside Drive, Ann Arbor, and Mrs. Juanita F. Combs of Belleview, Florida.

A December wedding is planned.

BIRTHS

Mr. and Mrs. Paul Marion of Saline are the parents of a girl Marcia Lee weighing 5 pounds. They have a son Michael who is 4 years old.

Maternal grandparents are Mr. and Mrs. Earl Uhr. Paternal grandparents are Mr. and Mrs. Herman Marion of Saline.

JOLLY FARMERETTES

The September meeting of the Jolly Farmerettes 4-H Club was called to order by President Beth Feldkamp. Roll call was your favorite state, there were 23 members, 4 leaders and 1 guest present. Flag pledges were led by Rita Kemmer.

Under new business it was decided to have a bake sale for a needy cause in the leaders report we were told that our club received the Banner Club Award at the 4-H Fair. The Banner Club award is given to the club that has the most participation by the members and is the most active.

Laurie Smith, Reporter-Jennifer Feldkamp. Telephone Committee-Joanne Kastl Chairman, Diana Johnson, Lisa Huber, Carol Buss, Jean Ann Wahl, Colleen Scully, Heidi Dresch.

It was decided that meetings would be held on the first Tuesday of each month. Demonstrations were given by Carol Buss, Lori Voegeding, Heidi Dresch, and Jennifer Feldkamp.

Refreshments were served and the meeting adjourned.

BETA SIGMA PHI

The Lambda Nu Chapter of Beta Sigma Phi held its regular meeting September 5th at the home of Mrs. Thomas Lavender. Co-hostesses for the evening was Mrs. Ronald Mann.

Mrs. William Martin presented a very interesting program on "manners"; tracing the development of manners from the "Age of Chivalry" to present. A group discussion on the topic followed the program.

A splash party and potluck picnic was enjoyed by members and their families on Sunday, September 8th, at the home of Mrs. Tom Roberts at Pleasant Lake. Plans were made to assist and support the Manchester area United Fund Campaign in their drive this year. Members have volunteered to assist the Campaign as one of their service projects.

The next meeting will be held at the home of Mrs. John Vitale, September 17th, at 7:30 P.M.

Sunday, September 15, will be Rally Day with several events planned for the day. At 10:00 a.m. during the Sunday School hour, a helium-filled balloon will be given to each person present with a tag to be attached with the name and address of the person sending up the balloon, so if it is found they can write to the sender. Everyone who brings some-

one, will get another balloon to release for each person they bring. A map will be placed in the church entrance to pinpoint where the balloons land. Persons will meet in their regular classrooms briefly and to prepare tags for the balloons.

At 11:00 a.m. will be the regular morning worship service. Then at 1:00 p.m. there will be an Old-fashioned Sunday School and Church potluck picnic at Carr Park. Help will be needed to turn the crank to make home-made ice cream, and there will be games and prizes--sack races, three-legged races, etc.
This is one of several events planned as the Sharon United Methodist Church celebrates its Centennial Year.

NORTH SHARON CHRISTIAN SCHOOL WILL HOLD OPEN HOUSE

The area's newest private school, North Sharon Christian, Sylvan and Washburne Roads, will open its doors to the public Sunday, September 22, 2:30-5:30 p.m. The teaching staff will be on hand to explain school policy and answer questions. Refreshments will be served by some of the students.
North Sharon began its school year September 4 with an enrollment of 51 students. The school is affiliated with Accelerated Christian Education, an individually prescribed program of self-paced learning with a totally Christian philosophy.

Senior Co-Captains Phil Krzyzaniak and Joel Tobias, proven veterans.

Last season our Manchester High cross-country team finished the season with an 8-1 record and the State Regional Championship. With this kind of a record it would be hard to improve, but that's exactly what this years squad intends on doing. And if injuries are held to a minimum Coach Larry Steeb feels they will do even better this year.

This years squad is led by Senior Co-Captains Phil Krzyzaniak and Joel Tobias, both medal winning, proven veterans. Between the two of them they are captains of 3 different sports, as Phil teams up with Joel as captains of next winters wrestling squad and Phil is also one of next springs co-captain in track with senior teammate Kurt Kensler.

This seasons Dutchmen team looks to be very strong from the 1st to 5th positions with Juniors Tom Opal and Dan Schaible and Sophomore Bob Smith all running hard in these positions. All three of these boys could be the number one runner on many other teams in the area that are less gifted.

But Coach Steeb feels his real strength is in the competition for the two remaining varsity positions (in cross-country 7 men comprise the varsity team but only 5 score). Right now Steeb feels the battle is between Senior Kurt Kensler Junior Dave Guenther, Sophomores Gary Bondy and Dan Heslip, and Freshman Terry

Brown. Kensler has had 3 years experience and has seen the team improve from 2-4 his first season to 7-3 and 8-1 the past two seasons. Dave Guenther is entering into his first season of cross-country after two starring seasons with the Junior Varsity Football team. Dave is exceptionally fast for a distance runner and needs only to build up his endurance to make certain his place on the varsity 7.

Gary Bondy is beginning his second season of cross-country competition and he looks able this season to cut over a minute from his 3 mile time of last season. Although Dan Heslip did not go out for this sport last season he has worked very hard so far this season and should be varsity material. Freshmen seldom are counted on in most sports to produce, but in cross-country its man against the clock and Freshman Terry Brown looks to be able to run the course fast enough to gain a varsity position at times.

Four Sophomores and four Freshmen round out this years squad, the largest in the schools history, with only one having previous experience. The Sophomores include Eric Norgaard (who ran last season) Mike Forner, Tom Krzyzaniak and Ben Smith. The four remaining members of the squad are Freshman Larry McKeever, Barry Seltentright, Scott Barber and Mark Guenther.

Coach Steeb feels that anyone of the

8 Sophomores and Freshmen previously mentioned could become varsity material this season, but most will help this season Junior Varsity squad, the strongest ever. So all in all the burden of being defending regional champions is one that this years squad feel they can carry and wouldn't mind carrying again next season.

MOUTHGUARDS FOR FOOTBALL TEAM MADE

This past week Dr. Glenn C. Lehr and his staff made custom mouthguards for the Manchester Football teams. An individual impression was made of each player's mouth and then the mouthguards were molded on this model.

The mouthguards were designed by Dr. W. Godwin, professor at the University of Michigan and are used by the U of M football team and Ann Arbor High School teams. Dr. Godwin has made thousands of them and states that they give excellent protection to the teeth, prevent concussion and are comfortable to wear. Approximately 60 were made by Dr. Lehr and his staff.

Claus-Merritt Vows Spoken

Roxanne Merritt and James Claus Jr. were united in marriage August 10 in the United Church of Christ, Clinton. The Rev. Earl Lawrence officiated. Carolyn Dicks was organist and Diane Terry and Bob sang a duet. The bride is the daughter of Mrs. Hank Pyzik of Tecumseh and James

Merritt of Adrian. The groom is the son of Mr. and Mrs. James Claus Sr. of Manchester. Grandparents are Mrs. Leta Claus of Manchester, Mr. and Mrs. Archie DeWeese of California, and Mr. and Mrs. Chet Merritt of Clinton. Bride was given away by her parents and wore a white satin and voile gown.

It featured lace from neckline to hem. She wore a lace Juliet cap with fingertip veil.

She carried a cascade of white roses intertwined with red roses and stephanotis. The bride chose her sister, Pam Ayres, as matron of honor. She wore a blue and white checked gown and carried an umbrella with blue daisies. Bridesmaids were Diane Dony, Debbie Smith of Kalamazoo, Diane Merritt, of Clinton, sister-in-law of the bride, Kim Merritt, of Tecumseh, sister of the bride, and Chris Weis of Grosse Pointe Park. Flower girl was Laura Smith of Kalamazoo. They all wore gowns like that of the matron of honor and each carried an umbrella with blue daisies.

Best man was Dan Smith of Kalamazoo. Ushers were William Goble Jr., John Miller, brother-in-law of the groom, Ozzie Hashley, Paul Drake of Kalamazoo, Kevin Moran of Grosse Pointe, Tom Claus, brother of the groom, of Manchester, and Jeff Haasberger of Gran Blanc.

Reception in the Tecumseh Products Union Hall was attended by 800 guests. Mr. and Mrs. Chet Merritt, grandparents of the bride, served as host and hostess. Kathy Retylas took care of the guest book. Denise Winchell cut and served the wedding cake.

Rehearsal dinner was given at Leutheuser's by the groom's parents.

The bride is a 1972 graduate of Clinton High School. The groom is a 1970 graduate of Clinton High School and is employed with Wilson Metal Shop.

After a wedding trip to the East Coast the couple will be at home at 1940 Howard St. Apt. 309, Kalamazoo.

COUNCIL PROCEEDINGS

August 19, 1974

Council met in regular session with the meeting called to order by Pres. Little at 7:05 pm. Present were Beal, Daniels, Curley, Fitzgerald, Mahony, Scully and Walton; absent Zsenyuk.

Minutes from the August 5 meeting were read and approved in a motion by Mahony, supported by Scully and carried unanimously.

Fitzgerald reported on public works. Auburn Street has been paved; catch basins have been cleaned; Cass Street has been repaired, as well as the driveway to the cemetery; a dead tree has been removed on Auburn; a section of clay has been replaced on Hibbard Street with gravel; Schaffer Court paving has been started. Enter Zsenyuk.

The clerk was requested to submit a new lease to Gulf Oil Corporation with an annual rate of \$1500 payment due from G.O. Oil.

In the Police Dept. radio specifications are to be completed by G.E. for the radio grant. Of the three companies contacted, RCA, Motorola and G.E., only G.E. would do it free of charge. The frequency request has been resubmitted; it is now the one designated by SEMCOG. The existence of an Explorer Law Enforcement program has been brought to Chief Zsenyuk's attention. It consists of a nine month series of lectures and training sessions with the possibility of achieving high school credit for the course. Of the 80 openings 15 could be Manchester youth 15-21 years of age who have completed 9th grade. Zsenyuk has a meeting set up in regard to participating in the program for August 29 with school officials, officers, and representatives of the Explorer Law Enforcement Program.

Moved by Scully, supported by Curley to recess as Village Council and convene as Zoning Board of Appeals. All yeas carried.

The board was to consider the application of Murray Eugene Smith pertaining to the premises located adjacent to and easterly of 611 City Road, Manchester, Michigan. A large turnout of the notified persons within 300 feet of the above property presented questions and objections to having a small tool shop in a residential

area. According to legal opinions, however, since the building has been used in that vein, the use itself could not be denied. Also, the property holds a building which would be unadaptable to residential use, thus causing a problem in selling it as such. Conditions may be set, however, in the acceptance of Mr. Smith's request. With the help of concerned people present the below conditions were reached, subject to approval of the Village Attorney.

1. Sanitary facilities of sewer and water must be installed. Water would be obtained from Summit Street; Sewer would be obtained from City Road, with the opening permit to be arranged for from the State Highway by Mr. Smith.

2. Business activity and storage shall be confined inside the building.

3. Maximum noise level when measured at the property boundary shall not exceed 85 dba continuously and 90 dba for one minute peaks, not to exceed four peaks per hour.

4. Ground vibrations emitting from manufacturing operations shall not go beyond boundaries of the property.

5. Exterior illumination should be such that light is not reflected to adjoining property.

6. A transition strip shall be provided on the south and east property lines.

7. One offstreet parking space shall be provided for each one and one-half employees.

8. Existing structure cannot be enlarged.

Moved by Fitzgerald, supported by Scully that the variance be granted subject to the above conditions. All yeas, carried. Moved by Mahony, supported by Beal to adjourn as Zoning Board of Appeals and reconvene as Council. All yeas, carried.

Ethel Kerr and Greg Cameron were present to report on action regarding two benches for the use of senior citizens. Mr. Limpert is constructing them, at a cost of \$120 each. The final locations of the two benches have not yet been decided. Clarence Fielder requested the legal descriptions of the railroad property owned by the Village of Manchester, and the property leased by Gulf Oil. He was advised to contact the Village attorney. Beal present the contract to be entered into with Manchester, Bridgewater and

Freedom townships and the Ordinance No. 93 related to an enforcing agency for the Village of Manchester. Moved by Walton, supported by Fitzgerald that the Village of Manchester adopt the Uniform Building Code Agreement. All yeas, carried. Moved by Beal, supported by Scully that Ordinance No. 93, An Ordinance to designate an enforcing agency to discharge the responsibilities of the Village of Manchester under the provisions of Act 230 Public Acts of Michigan, 1972, State Construction Code Act. All yeas, carried. Resolved by Mahony, supported by Beal that a Board of Appeals under the Michigan State Construction Code Act of 1972 shall consist of four members. All yeas, carried.

An electrical permit was issued to L.V. Kirk for 624 City Road, Irving Brown. Fitzgerald questioned the progress of the restrooms at Kirk Park and why the project had not been completed. Curley said he would check into it. Little suggested that the project was Curley's responsibility to report on to council at the next meeting.

A letter from an institute on burn medicine was turned over to the police department for permit.

Mahony brought up the Haselschwerdt property on Ann Arbor Hill for discussion. It has been proposed that the area be purchased and utilized as a recreation area for swimming and hockey; that a portion of the property be allocated as water works. It is possible to obtain 50-50 funding with the government, but no agreement can be reached on the purchase of any property until grant approval has been received. The project cannot take over three years. It is repaid to

the municipality on a payment for completion of phase basis. If interested, the Chicken Broil Committee could become incorporated and buy the property, selling the Village that portion of the property needed for the waterworks. The remainder could then be purchased from the Committee after Federal funding was approved. The necessary paperwork was given to Curley to pursue.

An open house at Chrysler is being held on Sept. 6 to show the 1975 models. Anyone on Council who would be interested in attending is welcome.

Mr. Tapping expressed concern about the swimming and diving done by students from the Furnace Street bridge during noon hour. He requested that it be curtailed.

Moved by Beal, supported by Scully to adjourn at 10:27 pm. All yeas, carried. Mary H. Wheeler, clerk

SPECIAL MILK PROGRAM

Manchester Public School District today announced its policy for Free Milk for children unable to pay the full price of milk served under the Special Milk Program.

Local school officials have adopted the following family size and income criteria for determining eligibility: 1-\$2,910, 2-\$2-\$3,830, 3-\$4,740, 4-\$5,640, 5-\$6,480, 6-\$7,310, 7-\$8,080, 8-\$8,810, 9-\$9,510, 10-\$10,190, 11-\$10,860, 12-\$11,530. Each additional family member: \$670.00.

Children from families whose income is at or below the levels shown are eligible for free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such milk for them, it should contact the school. In the operation of child Special Milk

Programs, no child will be discriminated against because of race, sex, color, or national origin.

Under the provisions of the policy the Business Manager will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may make a request either orally or in writing to Robert D. Swartz, Superintendent, 710 East Main St., Manchester, Michigan; Telephone: 428-7300 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school and the office of the Superintendent has a copy of the complete policy which may be reviewed by an interested party.

Plaque and Fluoride Treatment

The Plaque Control and Fluoride Program will again be held for the Manchester Children on October 2, 3 and 4th. The program is available to the second, fifth and eighth grade children, Preschoolers and other grades will be served if time is available. Dr. Glenn Lehr has once again generously donated his time and use of his office. Transportation will be provided to and from the schools. Applications will be sent home from school this week.

If you have any questions or have time to donate to the program, PLEASE contact Mrs. Stephen Bristol, 428-7211 or Dr. Lehr's office or Mrs. Korthe 428-7280.

Township Report

The regular meeting of the Manchester Township Board was held at the Village Hall, Monday, August 12, 1974 at 8 P.M.

The members present were Clarence Fielder, Dorothy Burch, Waldo Marx, Ambrose Lentz and Lyle Widmayer.

The minutes of the last regular meeting held at 8 p.m. Monday, July 8th at the Village Hall was then read by the clerk.

It was moved by Ambrose Lentz and seconded by Lyle Widmayer that the minutes be approved as read. Motion carried. The following bills were then presented by the Township Clerk to be paid.

1. Manchester Enterprise bills for June 1974-\$54.50.
 2. Manchester Enterprise bills for July 1974-\$94.20.
 3. Merkel Home Furnishing for Township Library-\$152.24.
 4. Sutton Agency Inc. Library Insurance-\$294.00.
 5. Grossman Euber Service July 1974-\$26.63.
 6. Ebel Fahey, 8 hrs. clerical work, registration cards-\$13.00.
 7. Margaret Fielder, 20 hrs. typing and clerical work-\$40.00.
 8. Clarence Fielder Bridgewater Lumber Co.-\$31.26.
 9. Clarence Fielder U of M extension service-\$25.00.
 10. American Fire Equipment Co. Fire Dept. \$3,748.28.
- It was moved by Lyle Widmayer and supported by Ambrose Lentz that we pay

all bills as read. Motion carried. At our Township Meeting held on this date August 12th, Dorothy Burch asked permission to have a telephone placed in our township office if possible.

It was unanimously approved that we have a telephone in the township office as soon as possible. Motion carried.

On July 20, 1974 two letters were received from the Washtenaw Road Commission in regard to roads designated as "stop" roads in Manchester Township also that township roads in Washtenaw County require acceptance of the Washtenaw County Road Commission's "Haul Route Ordinance" prior to issuance of permits to pit operations. This was passed by the Manchester Township Board unanimously and a letter was mailed to the road commission 8-13-74 informing them of this. There being no further business the meeting was adjourned.

Senior Citizens To Hold Open House

The Senior Citizens Council will hold an Open House on Tuesday, September 17 from 1:30 to 4 p.m. at the Emanuel Church Hall.

Any and/or all senior citizens are invited to attend. Rides are available by calling Mary Schaible at 428-7617 or Ella Duck at 428-3981.

ATTENTION GRANDPARENTS AND/OR SENIOR CITIZENS

We would enjoy having loving grandparents or Senior Citizens along with the mothers to help with the Fluoride Control and Fluoride Program. The childrens enthusiasm will fill your day with sunshine and smiles. Three hours of your time on any or all days of October 2, 3 and 4 would be marvelous.

BAND AND ORCHESTRA BOOSTERS MEETING

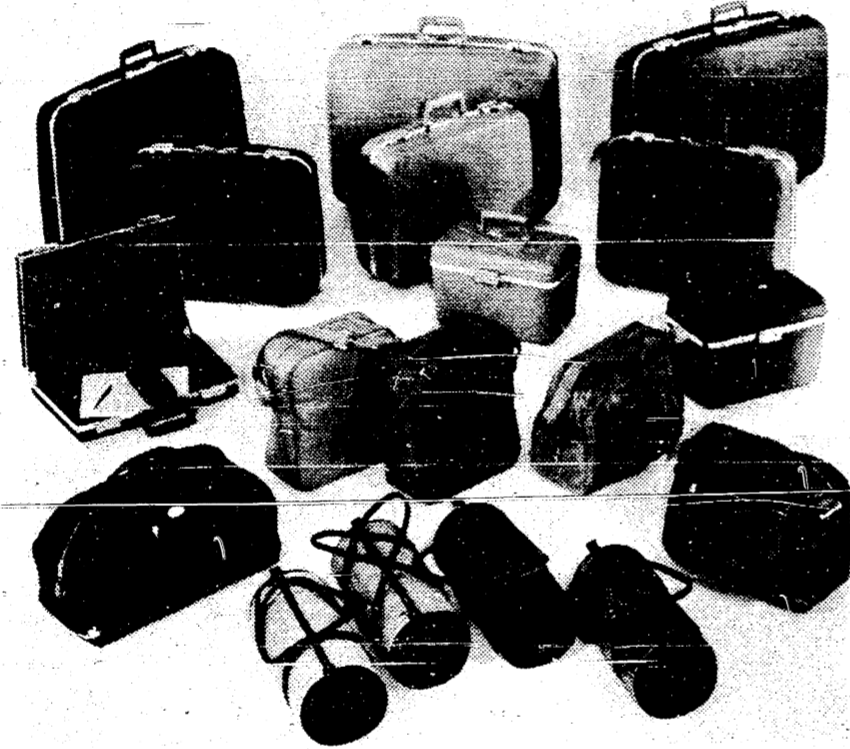

The first meeting of the Band and Orchestra Boosters was held on September 4. At that time, members were introduced to Mr. Christopher Contino, band director and Miss Alice Greminger, string instructor.

Plans were made for the club to have a "Get Acquainted Pot-luck Supper" on Wednesday, September 18 at 6:30 p.m. in the high school study auditorium. Each

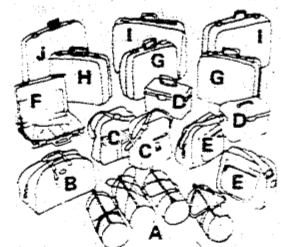

family should bring their table service, a main dish and a dessert. This is an excellent opportunity to meet the new instructors and express support for the instrumental music department of the school system.

The next Band and Orchestra Boosters Club meeting will be held on October 15. All parents with children in the instrumental music program are urged to attend. Please mark this date on your calendar now!

CENTER SEEKS VOLUNTEERS

The Washtenaw County Community Mental Health Center has announced the start of a new series of training sessions for new volunteers for the Center's several programs. Volunteer openings are available in Ypsilanti and Ann Arbor services.

The new training series begins September 30th. Volunteers are needed in work with disturbed children, retarded adults, and with adults facing mental, emotional and other personal difficulties.

John Schwarz, Director of Volunteer Services, states that "more and more we're finding that volunteer work makes as much of a difference in the life of the volunteer as it does for the clients served by the volunteer. One reason for that is that volunteer mental health workers today do responsible work, in real contact with people. Usually it really adds something to their lives."

Volunteers are asked to work one day or evening per week, and must stay with the program for a substantial length of time. They should be at least 21 years of age. Interested persons can inquire by calling Volunteer Services at 761-9830.

Every home (conventional or mobile-new or old) should be equipped to put out small fires BEFORE they become big ones. The first five minutes, Fire Departments agree, are the most crucial.

Recessed in the wall, the Fire Warden is connected to the water system for lifetime protection against most fires. An optional "dry" extinguisher is provided for electrical or chemical emergencies.

When closed, all that can be seen is a wall-flush handsome picture or (optional extra) a smartly framed mirror.

1974 United Fund Team Captains

Mrs. Joseph Moore, Chairman of the Rural Division of the Manchester Area Community Chest and Red Cross Drive has named her Township Captains for the 1975 campaign. They are: Mrs. Titus Schneider, Mrs. Lloyd Carey, Freedom Township; Mrs. John Swainson, Bridge-water Township; Mrs. Harold Flint, Sharon Township; and Mrs. Ronald Fielder, Manchester Township.

L to R: Mrs. Harold Flint, Mrs. Joseph Moore, Mrs. Titus Schneider, Mrs. John Swainson, missing Mrs. Ronald Fielder and Mrs. Lloyd Carey.

Manchester opened their football season on a sour note as Dearborn St. Alphonus over-powered the inexperienced Dutch 14-6. Actually the previous statement needs a bit of explanation. The Dutchmen have a young inexperienced team (5 Sophomores, 7 Juniors and 9 Seniors) but they fared well against Dearborn, realizing St. Alphonus was ranked 4th in the state last year.

Dearborn was said to have a very strong passing game which Manchester worked on in practice. Unfortunately St. Alphonus didn't pass but gained their 224 total yards on the ground. The Dutch had 185 total yards with 68 coming thru the air.

On Friday the Dutch travel to Addison for their first league game. The Panthers shut the door on our Dutchmen last year to the tune of 12-0. The Junior Varsity play on Thursday night hosting the Addison squad at 7 p.m.

A little comment by me concerning the poor turnout of varsity football players. There are only 21 members on the team this year with only 3 having previous varsity experience. I remember when I was in Junior High myself and some of my classmates could hardly walk to be varsity players. Those who know me know I never got to play but my classmates played and win or lose they were proud to be "VARSITY". I suppose this comment was for two purposes; 1-to the kids who could have gone out but didn't, WHY? 2-True, this year's team is young and inexperienced but they need support. Let's be at Addison Friday to cheer the varsity.

BY Tom Fitzgerald

The Manchester J.V.'s played their opening game last Saturday at Tecumseh and came home after their game with nothing to show except need for improvement as they lost 8-0.

The Chiefs scored on a long drive in the third quarter. It was a third and goal from the 2 yd. line. The 2 point conversion was also good.

The only bright spot in the game for the Dutch was the defense and the Pete Tassie punting. Tassie's booming punts kept the Tecumseh players backed in a hole most of the night, while the defense kept them there. The only lapse cost them a touchdown.

The Dutch had many different opportunities to beat the Chiefs by recovering 4 fumbles inside their 45 yard line. The Dutch had one last chance to tie the score in the last two minutes and had a drive going, but on an intercepted pass ran out the clock.

Our next game is a home game against Addison at 7:00 Thursday, September 19. So come out and support your team.

Bloodmobile

Seventeen Manchester Red Cross volunteers assisted the professional Bloodmobile unit at the Chrysler Corporation Proving Grounds clinic Monday, September 16.

Mrs. Ica Schaffer was chairman-of-the-day. Annette Breitenwischer was prescreener and Mrs. Ronald Jenter, Mrs. Robert Swartz and Mrs. Eugene Bentschneider were registrars.

Nurses who were on duty were Mrs. Aaron Nathan and Mrs. Willard Mann. Mrs. Joseph Moore took temperatures. Nurses aides included Mrs. Millard Uphaus, Mrs. Earl Koebbe, Mrs. Morgan Kern, Agnes Kent, Mrs. Ralph England and Amanda Schaible.

Refreshments which were furnished by the Chrysler Corporation were served by Birdella Flood, Mrs. John Wallace and Mrs. Franklin Beck.

156 donors were processed, resulting in 110 pints of blood for the Chrysler Blood Bank the first day of a two day clinic. Ann Arbor Red Cross volunteers assisted the unit on Tuesday.

Plaque and Fluoride Treatment

The Plaque Control and Fluoride Program is now in full swing. Anyone wanting an application can pick one up at the Principals office. Three cheers for the Third Graders at Pleasant Lake for making Posters for the program. Those chosen to be displayed around town and Pleasant Lake were: Katie Miller, Paul Meoide, Kathleen Westfall, Beth Kouba, Debra Hamilton, Suzanne Wheeler, Jan Coval, Theresa Ray and Mary Steirle. If you have any questions or would like to help with the program, please call Mrs. Stephen Bristle, 428-7211 or Mrs. Merrill Korthé, 428-7280.
