

ship Engineer or Building Inspector shall obtain written reports of each final inspection.

505.2 INSPECTION SCHEDULE: It shall be the responsibility of the proprietor to notify the Township or other appropriate public agency when installations are ready for inspection.

505.3 INSPECTION OF IMPROVEMENTS UNDER CONSTRUCTION: Before approving a final plat and construction plans and specifications for the required improvements, an agreement between the proprietor and the Township Board shall be made to provide for inspecting the construction or installation of each improvement under its jurisdiction and its conformity to the approved plans.

506.0 COMPLIANCE WITH STANDARDS: The proprietor shall bear the final responsibility for the installation and construction of all required improvements according to the provisions of this Ordinance and to the standards and specifications of the various public agencies.

507.0 ACCEPTANCE: Approval of installation and construction shall not constitute acceptance by the Township of any improvement for dedication purposes.

508.0 FEES: The proprietor shall pay all inspection costs incurred by the Township according to schedules determined by the Township Board, by deposit made at the time of approval of the final plat. Any funds not used by the Township in its inspections shall be refunded to the proprietor when the subdivision, or stage thereof, is completed. The proprietor shall pay to the Township an amount by which the inspection charges exceed the deposited fee.

509.0 SITE CLEANUP: The proprietor shall be responsible for removal of all equipment, material and general construction debris from the subdivision and from any lot, street, or public way or property therein or adjacent.

ARTICLE VI

VARIANCES

600.0 GENERAL: A variance from the provisions of this Ordinance may be obtained for one of two reasons; first, relief from hardship; and second, to permit a comprehensive development according to a plan for the entire project. Variances shall apply only to improvements, standards, and specifications set forth in this Ordinance; no variances shall be granted on procedures required herein.

601.0 HARDSHIP VARIANCE:

601.1 GENERAL: Such variance may be granted if the proprietor can show that strict compliance with the provisions of this Ordinance, as they apply to his property or parts thereof, will result in extraordinary hardship or practical difficulty. The proprietor shall make a formal request for such variance to the Township Board, in which the reasons for the request are clearly stated.

601.2 FINDINGS REQUIRED: No variance shall be granted unless the following findings are made:

601.21 That there are such special circumstances or conditions affecting said property that strict application of the provisions of this Ordinance would clearly be impractical or unreasonable.

601.22 That the conditions requiring the variance were not created by the proprietor.

601.23 That the variance is necessary for the preservation and enjoyment of a substantial property right of the proprietor, and is not primarily intended for his economic gain.

601.24 That the granting of the variance will not be detrimental to the public welfare or injurious to other property in the area in which said property is situated.

601.25 That such variance will not have the effect of nullifying the intent and purpose of this Ordinance, the adopted General Development Plan, and the Zoning Ordinance.

601.26 That such variance will not violate the provisions of the Subdivision Control Act.

601.3 REPORT: The Township Board shall prepare a complete report of the proceedings concerning the requested variance, containing all findings of fact and actions taken. A copy of this report shall be made part of the record of the meeting at which action is taken and one copy of the report shall be transmitted to the proprietor.

601.4 CONDITIONS: In granting a variance the Township Board may attach conditions to the variance which will substantially secure the objectives of this Ordinance, and which will further the adopted policies expressed in the Township's General Development Plan, or part or parts thereof, and in various ordinances and resolutions.

602.0 COMPREHENSIVE DEVELOPMENT VARIANCE: The Township Board may authorize variances from the provisions of this Ordinance for a comprehensive development upon written request of the proprietor. The Board shall find that such comprehensive development is permitted by the Zoning Ordinance, and shall have the recommendation of the Planning Commission, before acting on the request for a variance. Variances for comprehensive developments may include, but are not limited to, reduction in minimum lot area and dimensions, and modifications in street and utility standards.

The Township Board shall determine on the basis of the Planning Commission's report that the comprehensive development plan, with the requested variances provides, for efficient circulation, adequate light and air and other needs, and otherwise meets the intent of this Ordinance, of the Zoning Ordinance, and of the duly adopted and published General Development Plan or part thereof. The Board, in making its determination shall take into account the criteria set forth in the preceding Sections 601.24-601.26 and the following Sections 602.1-602.4.

602.3 That the Planning Commission has reviewed the project plan and recommends its approval as having met the standards and intent of the General Development Plan, or part thereof, as it applies to the area in and around the subdivision.

602.1 That the proposed project will constitute a desirable and stable community development.

602.2 That the proposed project will be in harmony with the existing or proposed development of adjacent areas.

602.4 Any variance granted for a comprehensive development shall be valid only so long as the plan for the comprehensive development is carried out as approved. Any departure from the approved plan shall permit revocation by the Township Board of any variance granted.

602.5 The Township Board shall establish a time schedule for completion of the various stages of a comprehensive development.

603.0 APPLICATIONS REQUIRED:

603.1 HARDSHIP VARIANCE: Application for any such variance shall be submitted in writing by the proprietor to the Township Board at the time the preliminary plat is filed for tentative approval by the Planning Commission. The petition shall state fully the grounds for the application and all the facts relied upon by the petitioner.

603.2 COMPREHENSIVE DEVELOPMENT VARIANCE: Application for any such variance shall be made in writing by the proprietor at the time the preliminary plat is filed for tentative approval by the Planning Commission, stating fully and clearly all facts relied upon by the proprietor and shall be supplemented with maps, plans, or other additional data which might aid the Planning Commission and the Township Board in their analysis of the proposed project. The plans for such development shall include such covenants, restrictions, or other legal provisions necessary to guarantee the full achievement of the plan. The Planning Commission shall submit a report thereon to the Township Board, as set forth in Section 602.0, herein.

604.0 RESPONSIBILITY FOR GRANTING VARIANCES: The Township Board shall have authority for granting variances to this Ordinance.

ARTICLE VII

ENFORCEMENT

700.0 BUILDING AND OCCUPANCY PERMITS:

700.1 BUILDING PERMITS: The Building Inspector shall not issue permits for the building of houses or other structures intended for human occupancy or any portion thereof until the preliminary plat has received final approval as provided in the Subdivision Control Act, and until he has been officially notified of such approval by the Township Board. No building permits shall be issued for a tract of land between the time that the subdividing process has commenced and a preliminary plat thereof has received final approval. The Township Clerk shall immediately notify the building department having jurisdiction that such process has been initiated.

700.2 OCCUPANCY PERMITS: The Building Inspector shall not issue permits for the occupancy of structures or any parts thereof until all improvements required by this Ordinance and agreed to in the preliminary plat as finally approved have been completed or otherwise provided for according to this Ordinance, and until the Building Inspector has been notified by the Township Clerk of completion or provision of improvements. Completion shall mean inspection, approval, and acceptance, where applicable, by the Township. A certificate of completion shall be issued by the Township Building Inspector or Engineer as evidence of adequate and complete installation of facilities.

701.0 PENALTIES: Failure to comply with the provisions of this Ordinance shall constitute a misdemeanor. Any person who violates this Ordinance or fails to comply with any of its requirements shall, upon conviction thereof, be fined not more than one hundred dollars (\$100) or imprisoned for not more than thirty (30) days, or both. Each day such violation continues shall be considered a separate offense. The land owner, tenant, proprietor, builder, public official or any other person who commits, participates in, assists in, or maintains such violation may each be found guilty of a separate offense and suffer the penalties herein provided. Nothing herein contained shall prevent the Township Board, or any other public official or private citizen from taking such lawful action as is necessary to restrain or prevent any violation of this Ordinance or of the Subdivision Control Act.

ARTICLE VIII

AMENDMENTS

800.0 PROCEDURES: The Township Board may, from time to time, amend, supplement, or repeal the regulations and provisions of this Ordinance in the manner prescribed by law. A proposed amendment, supplement, or repeal may be originated by the Township Board, Planning Commission, or by petition. All proposals regarding changes in this Ordinance not originating with the Planning Commission shall be referred to it for a report thereon before any action is taken on the proposal by the Board.

ARTICLE IX

MISCELLANEOUS PROVISIONS

900.0 VALIDITY: Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof, other than the part so declared to be invalid.

901.0 EFFECTIVE DATE: This Ordinance shall take effect in the Township after recommendation of the Planning Commission, adoption by the Township Board and publication as provided by law.

Made and passed at a regular meeting of the Manchester Township Board held on September 12, 1974.

Waldo C. Marx, Township Clerk

THE MANCHESTER ENTERPRISE

Optimist Club Outstanding Citizen

Nancy Fielder, daughter of Mr. and Mrs. Norman Fielder, and a Senior at Manchester High School is the outstanding citizen for September.

In the Middle School, Nancy was a cheerleader and a representative to the student council and sang in the Emanuel Church Choir.

In her Freshmen year Nancy was a cheerleader.

In her Sophomore year Nancy was a member of the student council, was a member of the German Club, going on the German trip, and was on the ring selection committee.

As a Junior, Nancy was a member of the student council, member of the German Club, going to Germany for the second time.

In her Senior year for the third year in a row, Nancy is a member of the student council, being its Vice-President and was on the Fair Queen Court this summer.

For three years, Nancy was in the Steer Club and her highest rating was

third in 1971.

Nancy enjoys student council work and likes German, Geography and Mathematics. Nancy stands high in her class with a 3.70 average.

After graduation, Nancy plans on going to the University of Michigan. Although Nancy is undecided on what curriculum to pursue, it may be Education-Language teacher.

House Tour Thursday October 3

Welcome news! After several years lapse, St. Mary's Altar Society will again this year present the annual house tour. Thursday, October 3, 1-5:30 P.M. with six village and country homes on view for the public.

Mr. and Mrs. Eugene Bentschneider of 20500 Kirk Rd. and Mr. and Mrs. Edwin Walz of 12790 Schlewiss will open their country homes as well as Mr. and Mrs. Donald Denhoff, of 400 E. Main and the Richard Boatwrights of 305 W. Main in the Village of Manchester.

A special delight is in store for the visitors to the Aaron Nathan home at 15490 Buss Rd., for this home has rich historical value as well as contemporary interest. Built between 1830 and 1840 on what was then a main road, it was used as the original stagecoach stop, with rest and refreshment for weary travellers. Falling into disrepair it was purchased some years ago and restored by the then owner and when Mr. and Mrs. Nathan became residents, they further restored the building. Finding the original foundation, the kitchen was added to the building. As a further bonus for the drive into the country, Mrs. Nathan will have on display her extensive doll collection.

A Bavarian Chalet awaits the visitors at 16801 Schlewiss, when arriving at the Robert Lawson home, the rolling hills and wooded background greet the guests. A native of Germany, Mrs. Lawson has made of her home a genuine delight. Not to be confused with the wee A-frames so common on lakeside lots, the open beamed ceilings and color lavishly used, make an altogether lovely home.

Tickets and maps are available at Krauss Pharmacy and Brown's TV shop in downtown Manchester. Hostesses will be greeting visitors at each home. Tickets are only \$2.50 each.

STORY HOUR SCHEDULED

A story hour for pre-school children is scheduled to start Wednesday, October 2 at 10 a.m. at the Manchester Township Library.

Manchester Tool and Die To Celebrate Twentieth Anniversary

By C. Chapin

Manchester Tool & Die Inc., will be celebrating their 20th anniversary in business, this Sunday, September 29, at the Carr Park pavilion. A full afternoon is planned for all employees and families.

In March 1954, two Ford Motor Co. tool & die makers, Clarence Fielder and Eugene Bentschneider, investigated the possibilities of entering business together and decided to accept the challenge.

In June 1954, together with James Cannon, they signed papers to incorporate. Beginning operations in the Fielder garage at 124 Macomb St. with the men working nights and in their spare time while still being employed at their regular jobs, the venture soon looked successful.

Increased business necessitated a move to a larger building, September 1955 saw the present building at 110 Division begun. At this time Ted Stautz, who had also taken the tool & die course at Ford Motor Co., and was a fellow worker of Fielder and Bentschneider, joined the partnership.

In 1965, James Cannon's stock was purchased by the other partners.

The business grew, more employees were hired and during the years four additions have been added to the nucleus plant.

A stamping plant in Brooklyn, owned by Mr. Brannock, was purchased in 1963 and incorporated as Manchester Stamping Corporation.

1974 United Fund Team Captains

Chairman of the Village House to House Campaign, Ronald Walter and Co-Chairman Arnold Weaver are shown above with one of their captains Mrs. Jack Kennedy as plans for the 1975 Drive are being formulated. Other team captains for this division are: Mrs. Robert Armentrout, Mrs. Ronald Hawk, Mrs. John Althouse and Mrs. Robert Swartz.

When a solicitor calls at your home remember "Help Us To Help Others." We need your help and cooperation to reach our budget goal of \$17,993 for 1975.

Engagement Announced

Mr. and Mrs. Donald R. Young are proud to announce the engagement of Mr. and Mrs. Donald R. Young of 20700 Waldo Rd., Chelsea are proud to announce the engagement of their daughter Patricia Ann to Stanley James Parr, son of Mr. and Mrs. Floyd Parr of 14300 Logan Rd., Manchester.

The bride-elect is a 1971 graduate of Chelsea High. She is presently attending Mercy School of Nursing of Detroit.

Stanley is a 1969 Manchester High graduate and is presently working for National Aggregate Corporation.

A December 28 wedding is planned.

**LETTERS TO THE EDITOR**

I think we should blame our leaders for most of our troubles, but not just the leaders that live in our big White House. Parents have always been the most important ones and they always will be because it's the example they set that really shapes the future. The leaders we spend a lot of time and money to find every four years also help by the examples they set, especially the one that lacked respect for our laws. Seems like the more we spend trying to find the best the less they care about keeping our big White House clean, its because of poor housekeeping that we have a replacement living there now.

I thought this new fellow was just what we needed to air it out. I heard him say, "I prayed for guidance." That's what it takes to keep it clean, but it will take more than that to remove the stains. I think he had lost all interest in being a better housekeeper by the time he chose the wealthiest runningmate he could find to help in the next presidential election. I have a feeling he was also thinking about votes when he made a big deal out of signing important pension papers using 45 different pens and making sure it happened on Labor Day.

This isn't the first time someone made a big deal out of signing papers or choosing a wealthy runningmate to get votes.

I hope its the last because most of us are sick and tired of big deals and shady deals that favor the wealthy. Shady deals put most of the stains in what used to be the best house in the world. Now this house has another stain that's impossible to remove. It was caused by this new fellow pardoning the one that lacked respect for our laws before anyone seemed to know which or how many laws he broke. I used to think all we needed to keep our big White House in order was an honest manager. That shows how stupid I am. Now I think we need one that understands our laws and also knows enough to respect them and I'll tell you why. I was brought up to believe that crime doesn't pay and I did until this new fellow gave me a reason to believe that it not only pays, it also has fringe benefits. I also think this decision to pardon was reached with the help of some kind of guidance. I'd like to know if it was divine or political and if it was reached before this new fellow became a replacement. I hope I don't find out because I want to save what little faith I still have in this fellow from Michigan for his next mistake.

Earl Koebbe

**CONCERNED CITIZENSH**

A very active and enlarged Ecology Club has begun another year at M.H.S. Last year's projects are being continued. Our glass bin, located at the village transversal station, is bringing in profits and hopefully helping the community develop a better environment. It is open from 12-4 on Thursdays and 8 a.m. to 4 p.m. on Saturdays. Members of the club are there to assist you. Last Thursday and Saturday's hard workers were Denise Galinas, Malinda Hudkins, Dave Hoover, Kurt Kensler, Bonnie Padley and Julie Scott. This Thursday's handy helper will be Cathy Moore and Saturday's helpers are Judy Luckhardt, Jodie Scott, Denise Galinas, and Cheryl Whittington. Don't make their efforts wasted!

Bushes, planted around the High School by the Ecology Club, are being cared for and will look very nice by the Spring. A Fall trip North is planned for the near future. Many new projects are in the offing.

A Pennsylvania court heard a case in which the defendant was accused of witchcraft in 1949!

# 1974 Cross Country Team

Kneeling 1 to r: J. Tobias, B. Smith, T. Brown, K. Moore, Mgr. Bondy, G. Bondy, D. Heslip, T. Krzyzaniak. Top 1 to r: Coach Steeb, S. Barber, P. Krzyzaniak, D. Guenther, K. Kensler, D. Decker, T. Opal, D. Schaible, L. Janish. Missing: M. Forner, B. Smith, M. Guenther, E. Norgaard.

### DUTCH CRUSH STOCKBRIDGE

Although our Manchester high cross-country team has not yet shown the fine

form that propelled them to a 9-1 and Regional Championship record last season, you couldn't prove it to the Stockbridge team as our harriers crushed them 21-

40 Monday. Stockbridge drew 1st blood as John Prescott finished 1st for them on their home course but it was all Manchester

Thursday, September 26, 1974  
after that, Junior Tom Opal finished 2nd on the strength of a solid 17:14 clocking. Tom was followed home by teammates Phil Krzyzaniak (17:36), Bob Smith (17:40), and Dan Schaible (18:10). Stockbridge took the 6th spot but it was again Manchester who took the 7th thru 11th place finishers. Senior Co-Captain Joel Tobias was 7th (18:45), Dan Heslip 8th (18:52), Terry Brown 9th (18:53), Gary Bondy 10th (19:20), and Freshman Barry Seltenright 11th (19:32).  
The remaining Dutch finishers were Tom Krzyzaniak (14th-20:15), Mike Forner (15th-20:38), Eric Norgaard (17th-20:59), Keith Moore (19th-23:01), Ben Smith (20th-23:22), Mark Guenther (21st-23:36) and Scott Barber (24th-25:58).

When two cross-country powers such as Addison and Manchester meet something has to give and unfortunately for the Dutchmen Addison proved to strong to beat on their home course.  
Last Wednesday, these two fine Regional Championship teams met with Addison taking the meet 22-33 (in cross-country like golf the low score wins).

Although Addison won the dual Manchester Phil Krzyzaniak was the first across the finish line with a new course record of 17:14 over Addison's rocky, treacherous course.

The next finisher for the Dutchmen was Sophomore Bob Smith (17:38) in 6th place with Junior Tom Opal right behind in 7th place (18:01).

Completing the scoring for Manchester were Dan Schaible 18:20 (9th place) and Joel Tobias 18:50 (10th place).

### DUTCH GIRLS WIN

By Jon Hardenbergh

On Tuesday, September 17 I made my first trip in many years to the high school to watch the Varsity and Junior Varsity girls play the Chelsea Bulldogs in a game of basketball. What I saw was incredible. The incredible part was my surprise at how well the girls played. My simple problem stemmed from lack of knowledge concerning girls basketball. I thought six or so girls on each side ran around throwing the ball at the hoop in hopes it would go in. What I witnessed sure proved me wrong.

In the first half of the JV game, offense showed a lack of scoring as the defenses kept causing turnovers. Manchester held a 6-5 lead at the end of 1 period but came up 1 short at half, 16-15. In second half both offenses improved but neither team assumed a lead of more than 3 or 4 points. Finally in the 4th period Diane Sott stole the ball several times as Jan Savage put the ball in the hoop to give the JV's a 38-32 win. Jan was high-scoring with 14 points.

I was surprised Chelsea even made an appearance for the Varsity contest. Hitting 46% from the field Manchester zoomed to a 12-2 lead. Continuing their offensive dominance the Dutch took a 24-9 lead to the locker room. The Varsity was in command all the way as they sent the Bulldogs home with their tails between their legs, 41-20. To show the depth of talent, Coach Pitt two-platooned the entire game with no offensive or defensive loss.

### DUTCH FALL TO ADDISON

By Jon Hardenbergh

The Manchester football team is a big question mark this season. Everything was going right for the Addison Panthers and nothing went right for the Dutch. Manchester was unable to move the ball and coughed up 3 first half fumbles as the Panthers roared to a 23-0 lead. Addison was unstoppable as they chalked up points running, thru the air and a 28 yard field goal. In the second half both defenses were tough but the Panthers did score 8 points to put the final touches on a 31-0 win.

Friday the Dutch again take to the road to play Onsted.

Vicki Wurster was high totaling 10 points, as Lisa Cresswell was high rebounder. On September 24, Manchester hosts Clinton, then travels to Whitmore Lake for a 4:30 contest September 28. Return home October 1 against Addison at 6:00.

### DUTCH JV'S PLAY TO STAND STILL

Last Thursday night, the Manchester Dutchmen took on the Addison Panthers and came away with a heart stopping 6-6 tie. The Dutchmen came into the game trying to forget their last game, a defeat to Tecumseh 8-0.

The Dutch finally made themselves known for offense by moving the ball between the 30 yard lines but always losing momentum after that. Unlikely penalties, and missed blocks cost the Dutch two good scoring chances in the first and fourth quarters. Good runs by Curt Fielder, and Jon Steele set the stage for the only Manchester score. Their only touchdown came midway through the third quarter. It was third and goal to go when Curt Fielder burst through the line for the score. The run for the extra points failed and it was 6-6.

The defense as usual, played very tough, holding Addison most of the night. The only time the defense let down Addison scored. But this isn't the defense's fault, on 4th and goal in the second quarter Addison ran over left tackle from about 6 inches out. The defense, then failed their extra point kick by blocking it. The brightest point in the game for the Dutch was a 30 yard pass from Curt Fielder to Jim Lenhart on a halfback pass. The J.V.'s play again this Thursday at 7:00 here so come out and help cheer us on.

Clinton shot 180 to 183 for Manchester. Scores were Matt Little 43, Cal Munson 46 and Tom Blossom and Doug Nickels 47.

Monday, September 23 was a cold day for both the weather and the Dutch at Morenci against Grass Lake and Morenci. Previously, we had beaten Morenci by 22 strokes and lost to Grass Lake by 10. But Morenci has caught fire lately and has shot good golf. For the first time since 1969 we lost to Morenci in a league match. Grass Lake again had consistent scoring with a 176. Morenci had 180 and Manchester 187. Doug Nickels had 44, Matt Little 47 and Cal Munson and Mike Kotrbel 48.

### CROSS-COUNTRYMEN 3RD AT JACKSON MEET

Our Manchester High cross-country team, the 1973 Regional Champions weren't hitting on all their pines Saturday but still managed a 3rd place finish at the prestigious Jackson Invitational.

The Dutchmen finished well back of strong league foe Addison who tallied 66 points but were on five points back of 2nd place finisher Concord. Both of these teams ranked high last season. Senior Co-Captain Phil Krzyzaniak came away with a strong 3rd place medal finish with a 16:30 clocking. Bob Smith also finished in the medals as he was 15th in the large 14 team 98 runner field. Rounding out the scoring for the harriers were Tom Opal 21st, Dan Schaible 35th and Joel Tobias 49th.

Freshman Terry Brown 54th and Sophomore Gary Bondy 83rd rounded out the varsity seven.

Detroit ranks first in the nation in the commercial value of its commodities manufactured for export.

Michigan is the home of the Michigan Arttrain, unique six-car touring adventure in the arts.

### MANCHESTER GOLF TEAM

On Wednesday, September 18 the Dutch had the usual high scoring match with defending League Champions Clinton. When the two teams play, anything can happen and usually does. The Dutch had six triple boggies and it cost them the match by three strokes.

**Lattice-Topped Meatball Dinner Pie**

A peek-a-boo crust lets the children sneak a look while Lattice-Topped Meatball Dinner Pie bubbles its way done. Their wonderment will last as they taste the frozen mixed vegetables, mushroom soup and ground beef. Quick or old fashioned oats stretch the one-dish-meal so they can enjoy it often. Only the cook will know that the golden brown crust, so flaky and tender, began with a pie crust mix that's quick and easy.

**LATTICE-TOPPED MEATBALL DINNER PIE**  
Makes 6 servings

- Meatballs:**
- 1 lb. ground beef
  - 3/4 cup quick or old fashioned oats, uncooked
  - 1 teaspoon salt
  - 1/4 teaspoon pepper
  - 1/4 teaspoon thyme
  - 1/4 cup milk
- 1 egg, beaten**
- One 10-oz. pkg. Flako Pie Crust Mix**
- One 10-oz. pkg. frozen mixed vegetables, cooked and drained**
- One 10 1/4-oz. can condensed cream of mushroom soup**

Heat oven to hot (400°F.). For meatballs, combine all ingredients. Shape to form 4 dozen small meatballs. Brown meatballs in small amount of vegetable oil in a skillet; drain.

Prepare pie crust mix according to package directions. Form into ball. (If too dry, add a little more water.) Divide dough into two equal parts. Roll out half of dough on lightly floured board or canvas to form 13-inch circle. Fit loosely into 9-inch pie plate; trim. Fill with meatball filling made by combining meatballs, vegetables and mushroom soup.

Roll remaining dough to form 12x9-inch rectangle. Cut into 1/2-inch strips. Lay half the strips across filling; weave remaining strips over and under these; trim. Turn edges under and flute. Bake in preheated oven (400°F.) about 30 to 35 minutes or until top is evenly browned and filling is bubbly.

**UNCLOGGING THE LUNGS**

Female sex hormones may help treat some kinds of lung diseases. In men as well as women.

Dr. Henry Yeager, assistant professor of medicine at Georgetown University in Washington, D.C., is investigating the effects of female hormones on mucous membranes in the respiratory tract. Although results are inconclusive as yet, there is some evidence that the hormones can help change membranes that function abnormally in patients who have such diseases as bronchitis and asthma. Dr. Yeager's research is supported by a grant from the American Lung Association.

Normally, a liquid-like secretion called mucus plays a major role in protecting the lungs against invaders in the air. The mucus is like a moving blanket inside the bronchial tubes, trapping bacteria, viruses, dirt, and potentially dangerous particles and transporting them up to the mouth, where they're swallowed,

digested, and then expelled. In some kinds of severe lung disease, however, the goblet cells which produce mucus become overactive; the secretions become thicker and less effective in clearing the lungs. Dr. Yeager has found that changes occur in goblet cells in the bronchial tubes of rats when female hormones are injected.

Dr. Yeager hopes to find out whether female hormones affect how fast the mucus moves, the thickness of the mucus, and chemical changes in the mucus itself. The results could someday influence the treatment of lung diseases.

To find out more information about all kinds of diseases of the lungs and ways to help treat them, contact your regional lung association. It's a matter of life and breath.

What this country needs is good people and you can do your part along this line.

**MANCHESTER COMMUNITY CHEST BOARD MEETING-**

September 3, 1974

The Manchester Community Chest Board met at the home of Sax Smith, 17175 Pleasant Lake Rd., at 7:30 p.m. on September 3. Nine members, Campaign Chairman and Mrs. Smith and Mrs. Robert Ross were in attendance. Absent were: R. Armentrout, C. Fielder and L. Wurster. President Ross called the meeting to order. Secretary's minutes were approved by Klager, supported by Vogel, carried. Treasurer's report was read, approved by Vogel, supported by Swartz and placed on file. Mr. Vogel stated out-of-town obligations amounted to about \$700 to \$800 and would be paid shortly.

Slogan Contest-The President asked R. Swartz, F. Smith and Mrs. Blanchard to review slogans submitted and present the best ones. During the interval, President Ross stated that reception at the Fair Booth was good. He suggested sprucing the booth up in the coming year spending money to fix it up, using more thought and imagination. Gilbert Luchhardt-Electric sponsored the Fair Booth. The committee returned and presented several very good slogans which had been chosen from about 50 submitted. The Board chose 'Help Us To Help Others', entered by Elizabeth Schiel. Plans were made to

place a picture in the Enterprise of Sax and Mrs. Schiel with the \$5 prize which was donated by Mr. Smith. Mrs. Schiel will be asked to attend the Kick-Off Dinner. Campaign Plans-Mr. Smith announced the following chairman for the campaign October 9-31: School-Mary Blossom, Business-Mary F. Fielder, Village-Ron Walter and Arnold Weaver, Rural-Mary Moore, Industry-Clarence Fielder, Organizations-Janice Little, Special Gifts-Robert Spensley, Outside Business-Luther Klager.

Village, Rural and Business Division will be meeting two weeks ahead of Kick-Off in groups to receive kits and instructions concerning the drive. Times and places will be determined by Sax and Chairman of divisions. The Thermometer will be placed in Gamble Store window, 50 easel-type posters to be placed in businesses, 12 street flags will be placed before Kick-Off. Publicity will be planned by L. Steele and Mr. Smith. P. Baker, Supply Chairman, noted that most of the supplies were here and would complete printing, ie; budgets, agency lists, in the near future.

Kick-Off Dinner-Sax reported Kick-Off Dinner would be held October 9 at Bethel United Church of Christ @ \$3.50 per serving at 7 PM. Sponsor of dinner will be the Union Savings Bank. Speaker will be William Van't Hof, attorney, of Grand

Rapids. Decorations will be supplied by R. Blanchard, Mrs. Ross and Mrs. Smith. Punch will be served starting at 6:30 PM, Chairman, V. Fielder. Perhaps Sax will contact Luke Schable to play music during this interlude. Programs will be the responsibility of Mr. Smith. Reservations will be handled by E. Ludwick.

The Board was invited to the home of V. Fielder for the November meeting. Date will be chosen and members notified. The meeting was adjourned, Mrs. Smith was thanked for her excellent hospitality and food served.

**"BUCKS FOR BURNS"**

"Bucks for Burns" will be collected in a door-to-door campaign Thursday and Friday, September 26 and 27 in the evening. Leave your porch light on for the canvassing youth and let your generous impulses control you.

All proceeds go to the National Institute for Burn Medicine, headquartered in Ann Arbor, through the Burns Awareness Program of the local and State Jaycees.

Your gift is tax deductible.

**1975 Ford Granada**  
Elegance in a new efficient size.  
On Sale Friday, September 27th

GRANADA 2-DR. GHIA

GRANADA 4-DR. GHIA

**The Design:** Ford Granada is designed to help deal with such problems as crowded roads, increased fuel cost and maintenance. Granada is about 2 feet shorter and a half ton lighter than most standard-size cars. So you can expect excellent gas mileage. Yet there's a family-size room inside.

**The Economics:** A luxurious car today has to earn its keep. Granada doesn't back away from that fact. Its trim design helps reduce needless weight and excessive fuel consumption. Granada's base engine is a Six that's economical and easy to maintain. Gas-saving radial ply tires.

**The Comforts:** Granada is planned for riding comfort and durable good taste. Appointments have such a rich look you'll wonder whether you're admiring the top-of-the-line. Supple vinyl trim is standard, and both front seats recline. Granada Ghia provides extra styling and elegance.

The closer you look, the better we look.

## Agriculture in Action

Michigan Farm Bureau

Remember impatiently waiting for the mailman to see if he'd brought your Jack Armstrong hike-o-meter? Or your Lone Ranger silver bullet? Or Ted Williams' baseball ring? This bit of Americana may become just a pleasant childhood memory as consumers, young and old, come under

the ever-expanding umbrella of "protection" provided by the Federal government.

According to some consumerists, the average citizen does not have the intelligence to save himself from being bilked, deceived or malnourished. So he is protected by numerous agencies with enough initials to use the entire alphabet: FTC, FCC, EPA, OSHA, CPSC, CFS— the list could go on and on.

Now, a new set of initials looms on the legislative horizon—CPA—Consumer Protection Agency, a superagency which would have the authority to represent the consumer, and intervene, in any issue involving anyone else, such as farmers, business and professional people. As powerful as this agency would be, there's one big area it exempts: labor-management. The authors of this proposed legislation claim that consumers have no interest in dis-

cussions between labor and management. No interest in a 25% increase in a supermarket clerk's salary, reflected in the price of groceries? That's hypocrisy so blatant that even the most dedicated consumerist should question just exactly who is being protected.

In our private enterprise system, serving the consumer is what it's all about. An economy which serves the consumer optimally will also produce jobs, profits and wages. It provides him with a freedom of choice—a Cadillac or a Volkswagen, a Manhattan shirt or a Brand-X irregular. He does not expect to get a Cadillac for the price of a Volkswagen and he does

not expect Cadillac luxury from a Volkswagen. If he chooses to buy the cheaper Brand-X shirt, he doesn't feel cheated if the cuffs fray quicker than the Manhattan. He got what he paid for; it was his choice.

Being "protected" by numerous federal agencies may not be his choice, but he does pay for it. When a standard is enforced which raises production costs, that cost will be passed on to the consumer.

The consumer is also a taxpayer and it's his money the federal government will use to launch yet another agency for his "protection." He may decide he needs an agency to protect him from government protection.....

### OPEN HOUSE SUNDAY 2-5 P.M.

Senior Citizens Hold Open House

Every Tuesday afternoon all Senior Citizens in the area are invited to come to Fellowship Hall at the Emanuel Church of Christ to continue the activities started at the first meeting of the group on September 17.

Fifty men and women enjoyed the first "Senior Day" and unanimously endorsed the project which they hope many others will plan to attend. Crafts were displayed by Seniors; George Lyke, Harold Ahrens, Mrs. Earl Koebbe and Mrs. Burton Murray. Mrs. Ted Roberts displayed dozens of handicraft projects for which she is noted and tingled the ambitions of everyone for future activity in this line.

During the afternoon a half dozen card tables were humming with as many games. Bingo was also played for a time by all with prizes furnished by generous merchants and individuals. And, of course there were delicious cookies galore with tea or coffee poured by the President of the Council, Mrs. Ray Kerr. The hosts and hostesses for the first event were Mr. and Mrs. LeRoy Marx, Mr. and Mrs. Harry Sutton, Mr. and Mrs. John Buss, Mr. and Mrs. Earl Dalsber, assisted by junior hostesses Mrs. Wm. Bunney, Mrs. Brian Aiber and Mrs. Larry Becktel.

Transportation was arranged through the Senior Citizens Council "dial-a-ride" service (428-7617) for those who requested need of such assistance. Wheel chairs and crutches were no problem as assist-

ance was ready at the parking lot entrance.

All of this has developed through the aid of the Washtenaw County Commission on Aging and the interest of Eugene Nelson, former assistant to Reverend Wise, pastor of Emanuel Church and finally Gregory Kammann, the present assistant who put on the opening event with the help of the officers of the group-- Mrs. Kerr, president, Mr. Kammann, vice-president, Mrs. Otto Timmerman, treasurer and Mrs. Millard Uphaus, publicity chairman. The SCC has grown slowly, feeling the pulse of the needs of local older adults. Its first public appearance was the placing of benches on each side of Main Street this summer with the help of the Village Council. It is hoped that these stopping spots will ease the shopping trips for those over sixty as well as for mothers with small children and the handicapped.

The volunteer driving service has been active for almost a year with fifteen or twenty drivers on call. Deep appreciation is extended to all of these drivers by the Council.

There is also a Senior Day Room available at the church for card playing, sewing (machine furnished by Mrs. Paul Wahr) or television viewing (TV furnished by the Timmermans). Additional activities will be ready as the needs become apparent.

On October 8, from 1:00 to 5:00 chair caning will be taught by Mrs. Everett Stockwell and the making of Christmas decorations by Mrs. Earl Koebbe. Games cards, puzzles and visiting over refreshments will make the afternoon fly. Call 428-7617 if you need transportation. Hosts and hostesses will be recruited at each meeting for future dates and new craft ideas will be welcomed by the council.

### Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

There must be lots of things to do on these beautiful fall weekends besides staying inside to watch football games or old Westerns on TV! But I have a hard time tearing my husband and children away from the tube. It's a real fight.

—E. G., Livonia

I suggest you arm yourself for battle with a copy of the latest edition of the Michigan Calendar of Tourist Events. It will give you plenty of ideas about fun things to do in Michigan this fall and winter.

Get your free copy by writing to the Michigan Tourist Council, Lansing, Michigan 48926. Or call the toll free number, 1-800-292-2520..

We're a young couple with a baby on the way and we need to find a house. But buying a home isn't easy these days, especially if you've never done it before. Where can we get some good, honest advice?

—F. M., Dearborn

You will probably want to select a realtor in whom you have confidence. In the meantime, there's some good straight talk available in a popular government pamphlet entitled "Wise Home Buying." It helps answer such questions as when to buy, how to find the right house and how to finance it. Get a free copy by writing to the Department of Housing and Urban Development, Washington, D.C. 20410.

I hope it will help you and that new arrival get off to a good start.

## "Help Us To Help Others"

# "NO FAULT" auto insurance

For the coverage and the answers you need, see your nearby State Farm agent.

With some old-fashioned personal attention, he can help make the new Michigan "no-fault" law easier for you to understand. And you can count on him to continue providing the kind of prompt, personal service that's made State Farm the number one car insurer in the world.

See one of these agents today:

## Manchester Artist Society

Robert J. Reed, Northville artist, who regularly shows his work with the Farmington Artists Society.

The Manchester Artists Society, which was formed early this spring, holds classes every Thursday evening at 7 p.m. at the Manchester Professional Centre. The group, very ably taught by Mr. Robert J. Reed, a prominent Northville artist, is presently working in charcoal. Future plans are to expand to a variety of mediums and exposure to other teachers and styles, with lectures, workshops and demonstrations on a regular basis. For more information please call Mrs. Mike Gleason-428-7189. They would like to take this opportunity to thank Mr. and Mrs. Robert Lawson for generously donating the facility for their meetings.

# REGISTRATION NOTICE

October 3, 1974, at 210 N. Union St., 9 a.m. to 6 p.m.  
October 4, 1974, at 210 N. Union St., 9 a.m. to 6 p.m.

AND ON

### Monday, October 7, 1974 -- Last Day

From 8 o'clock a.m. until 8 o'clock p.m.

The 30th day preceding said Election

And on Saturday, October 5, 1974 — 8 a.m. to 5 p.m.

As provided by Section 496, Act No. 116, Public Acts of 1954 As Amended.

From 8 o'clock a.m. until 8 o'clock p.m. on said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

In addition the Clerk's Office will be open from 8 o'clock a.m. until 5 o'clock p.m. on the Saturday preceding the 30th day.

The names of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

WALDO C. MARX, Clerk

### ANN ARBOR SATURDAY NIGHT SINGLES

The Ann Arbor Saturday Night Singles Dance for 25 years and older will be held at the YM-YWCA at 350 South Fifth Avenue from 9 to 12 midnight. Refreshments will be furnished. The orchestra will be Bob Peroleo. For more information call 663-6068.

### SCOUTS ATTEND FOOTBALL GAME

On Saturday, September 21, twenty-seven Cub Scouts and Webelos, Pack 421, Dens 1, 2, and 3 went to the University of Michigan-Colorado Football Game. The final score was Michigan-31, Colorado 0.

### MANCHESTER MIDDLE SCHOOL CONDUCTING LABEL COLLECTION DRIVE

Manchester Middle School is again in the midst of a special collection drive aimed at obtaining needed audio-visual and physical education equipment. The program, Labels for Education, is sponsored by Campbell Soup Company and offered to schools, both private and public.

"Between now and December 31 we hope to collect enough labels from Campbell's Soup cans and all Campbell Bean products to earn projectors and tumbling mats", said Theodore H. Tapping, Jr., Middle School Principal.

"Our students are saving their labels, and they would appreciate it if friends of the school would do the same".

Any Campbell's Soup or any Campbell Bean product label counts in the drive. More than 70 audio-visual equipment and physical education items are being offered. A participating school sends in the assigned number of labels for the particular items selected.

"During the 1973 label collection drive, we collected 15,613 labels and redeemed them for recorders and student listening centers. Our goal this year is 17,000 labels", Mr. Tapping said.

### MICHIGAN DIABETES ASSOCIATION

The Washtenaw County Unit of the Michigan Diabetes Association will meet at 9:30 A.M. Wednesday, October 2, 1974 at the home of Mrs. Jack E. Engelhardt, 1500 Maywood St., Ann Arbor, Michigan. The program will be Organizing for the Diabetes Detection Program, November 17 - 23. For further information phone 428-7543.

### BETA SIGMA PHI

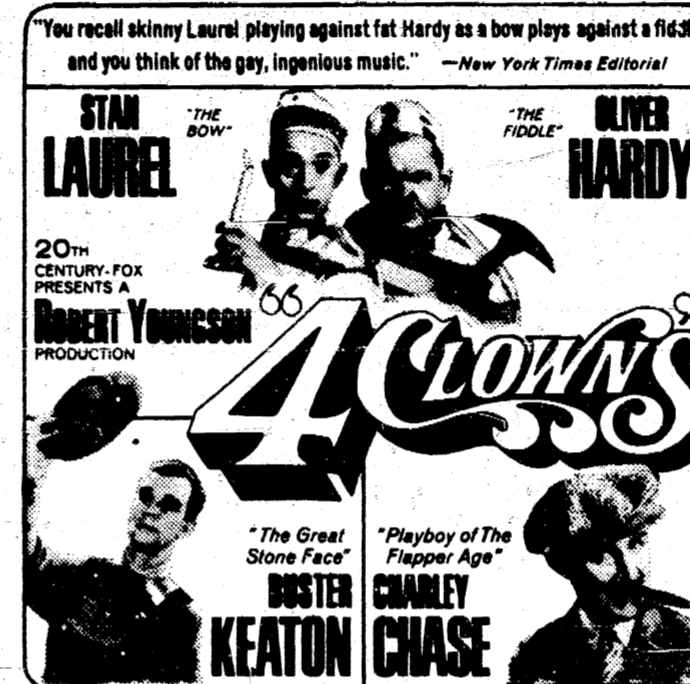

The Lambda Nu Chapter of Beta Sigma Phi held its regular meeting on September 17th at the home of Mrs. John Vitale. Co-hostess for the evening was Mrs. James Curley.

The program for the evening was given by Mrs. Ronald Mann. She gave a very informative program on the mechanics of formal and informal entertaining.

The Ritual of Jewels ceremony was given by President Mrs. Ronald Mann to Miss Mary Frances Fielder, and we welcomed her as a member of our group. The next meeting will be held at the home of Mrs. Richard Groves on October 3rd at 7:30 P.M.

## Union Savings Bank To Host United Fund Kick-Off Dinner

The Manchester Area Community Chest and Red Cross Drive will be officially underway on October 9, when the Union Savings Bank will host the kick-off dinner at Bethel United Church of Christ.

The speaker for the evening will be Attorney William Van't Hof, Chairman of the Board of Directors of the Michigan Heart Association, of Grand Rapids. The combined efforts of 8 Divisional Chairmen, 10 Captains, and 50 Solicitors, plus the year-long work of the board of directors is involved in making this drive successful.

## PP&K Contest Saturday, Oct. 5

The annual Punt Pass and Kick Contest, sponsored by Tom Marshall Ford, Inc., will be held Saturday, October 5 at 10:00 a.m. at the athletic field.

Those boys and girls ages 8 through 13 who have not registered for this contest may do so at Tom Marshall Ford before Friday, October 4.

The Manchester Jaycees will be in charge, with Bill Panches serving as chairman.

## Proclamation

Whereas: The Village of Manchester is participating in the largest voluntary fund raising effort in America;

Whereas: The local campaign is helping to support 39 local, state and national agencies;

Whereas: The Board of Directors of the Manchester Community Chest, the Campaign Chairman and volunteer solicitors receive no remuneration for their diligent work to meet the budget of \$17,993.

I, David L. Little, President of the Village of Manchester, do hereby proclaim the month of October 1974 as campaign month for the Manchester Area Community Fund and Red Cross Drive.

I pledge my support to the campaign and urge all residents of the Manchester School District to "Help Us To Help Others".

David L. Little, President, Village of Manchester

## Manchester Senior Citizens Center

Manchester Senior Citizens Center is open every Tuesday from 1 to 4 p.m. in the Emanuel United Church of Christ Fellowship Hall. You don't have to be a member of a Senior Citizens' Club, the Emanuel Church or any other group to come to the Center. If the crafts, the games, the conversation, the refreshments or just the idea of being with people for an afternoon appeal to you, DO COME. If you need a ride, dial 428-7617 the day before transportation is needed, if possible.

This number is also good to remember if you need to get to a doctor or some other important place and do not have regular transportation. Emergencies will be taken care of when possible, but it's best to make an appointment sometime before the day the ride is needed. "Dial-a-Ride" drivers have averaged a client a week since the project began last December. Anyone who can give the time to drive may also call the above number to learn more about this opportunity to serve your neighbors.

Any old-time euchre players take note that there is now a ground floor spot to hold your games. If Tuesday's are not "your day" contact Gregory Kammann at 428-8359. Mrs. Ray Kerr, president of Senior Citizens Council, or LeRoy Marx. Just get your gang together and set your date.

Several organizations have already given financial support to the project—the Jaycees, Emanuel Women's Fellowship and Manchester United Methodist Women. Individuals or groups are welcome to assist the Council (which sponsors the Seniors' Center) and may contact Mrs. Kerr or Mrs. Wm. D. Bunney, the treasurer. The Council meets at the Emanuel Church at 10:00 a.m. the 2nd and 4th Wednesdays of each month to plan activities and conduct the business of the group. Anyone with ideas to offer or wishing to assist may attend.

The craft planned for next Tuesday at the Center is Decoupage, taught by Greg Kammann (you are not required to participate in the crafts-come anyway to play cards, chat, watch TV, or play any of the many donated games available at the center).

## Engagement Announced

Mrs. Norma Patrick and Mr. David Slane, both of Chelsea, announce the engagement of their daughter, Gina Rebecca Slane to Christopher K. Lentz, son of Mr. and Mrs. Ambrose Lentz of 9415 Grossman Rd., Manchester.

The bride-elect is a graduate of Manchester High School and is employed at Uniloy in Manchester.

Mr. Lentz is a graduate of Manchester High School and also Washenaw Community College where he obtained an Associate Degree as an Electronics Engineering Technician. He is employed at L.V. Kirk Electric.

A May wedding is being planned.

## Fall Fun Festival Saturday, Oct. 26

The Klager and Pleasant Lake Schools have scheduled their 7th Annual Fun Fall Festival to be held at the Klager School on Ann Arbor Hill on Saturday, October 26th.

Mrs. Connie Pratt and Mrs. Kathy Hagerman are this year's co-chairwomen for the program. The schedule of events for the Festival are 6:30 p.m. to 9:30 p.m.

As in every year the spook house, raffle and refreshments will be available. Plus various other Halloween type activities will be exhibited. All the young people of Manchester between Kindergarten and 4th Grade will have their own drawings on display.

This is a great family event and the entire community is welcome.

The young people of Manchester expect to see all of you at this year's program. So Mom's, Dad's, Gramps and Grandmas, Aunt's and Uncle's plus friends should plan on being at the Klager school at 6:30 p.m. on October 26th. See you then.

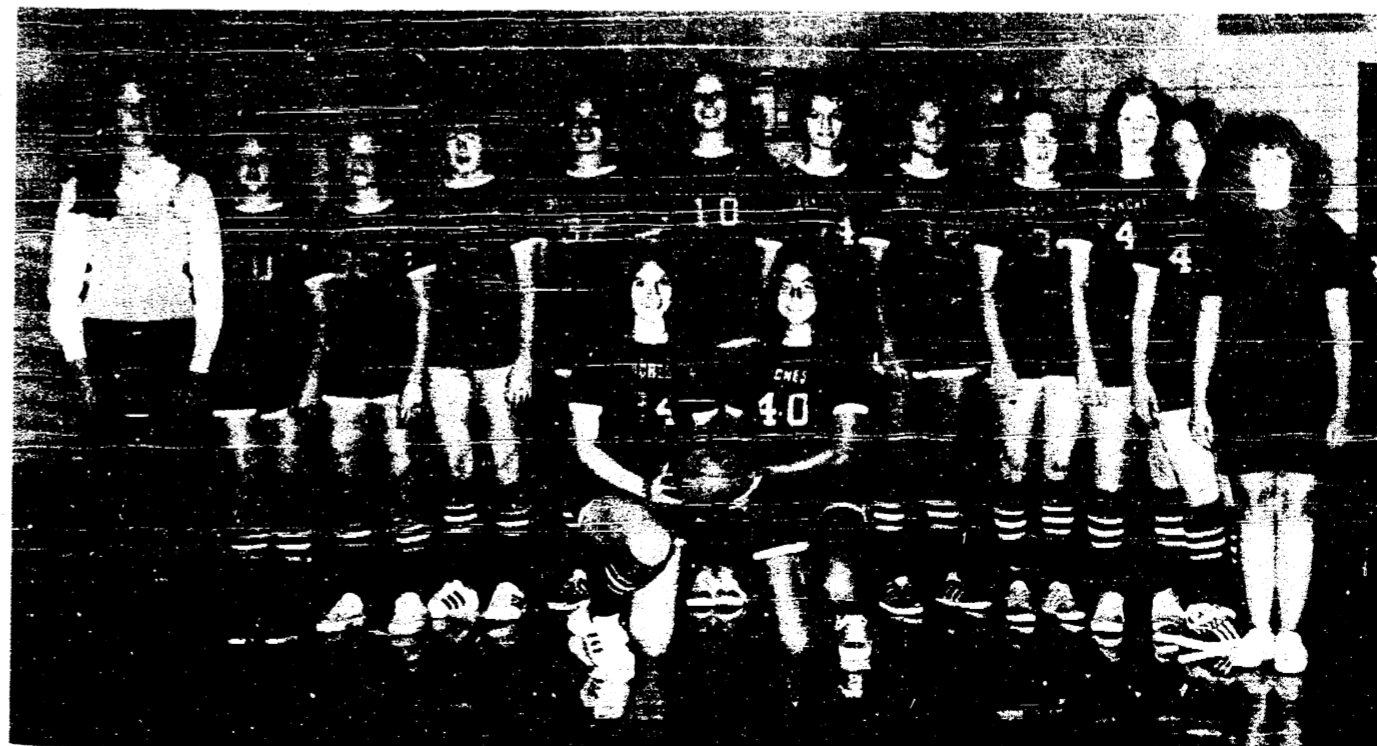

## Decline In School Enrollment

The Manchester Public Schools experienced a decline in school enrollment for the first time in over ten years. The unofficial count on the fourth Friday of September indicated a total of 1334 students. This is forty five less students than last year at this time and sixty six less than had been predicted.

The student count at the various schools is as follows: Klager Elementary-350, Pleasant Lake Elementary-123, Middle School-440, High School-421. The lower enrollment causes an increase in the State Equalized Valuation Per Pupil which results in less state aid to the school district. Also, the state aid per pupil is lost.
