Union Savings Bank To Host United Fund Kick-Off Dinner

The Manchester Area Community Chest and Red Cross Drive will be officially underway on October 9, when the Union Savings Bank will host the kick-off dinner at Bethel United Church of Christ.

The speaker for the evening will be Attorney William Van't Hof, Chairman of the Board of Directors of the Michigan Heart Association, of Grand Rapids.

The combined efforts of 8 Divisional Chairmen, 10 Captains, and 50 Solicitors, plus the year-long work of the board of directors is involved in making this drive successful.

PP&K Contest Saturday, Oct. 5

The annual Punt Pass and Kick Contest, sponsored by Tom Marshall Ford, Inc., will be held Saturday, October 5 at 10:00 a.m. at the athletic field.

Those boys and girls ages 8 through 13 who have not registered for this contest may do so at Tom Marshall Ford before Friday, October 4.

The Manchester Jaycees will be in charge, with Bill Panches serving as chairman.

Manchester Senior Citizens Center

Manchester Senior Citizens Center is open every Tuesday from 1 to 4 p.m. in the Emanuel United Church of Christ Fellowship Hall. You don't have to be a member of a Senior Citizens' Club, the Emanuel Church or any other group to come to the Center. If the crafts, the games, the conversation, the refreshments or just the idea of being with people for an afternoon appeal to you, DO COME. If you need a ride, dial 428-7617 the day before transportation is needed, if possible.

This number is also good to remember if you need to get to a doctor or some other important place and do not have regular transportation. Emergencies will be taken care of when possible, but it's best to make an appointment sometime before the day the ride is needed. "Dial-a-Ride" drivers have averaged a client a week since the project began last December. Anyone who can give the time to drive may also call the above number to learn more about this opportunity to serve your neighbors.

Any old-time euchre players take note that there is now a ground floor spot to hold your games. If Tuesday's are not "your day" contact Gregory Kammann at 428-8359. Mrs. Ray Kerr, president of Senior Citizens Council, or LeRoy Marx. Just get your gang together and set your date.

Several organizations have already given financial support to the project--the Jaycees, Emanuel Women's Fellowship and Manchester United Methodist Women. Individuals or groups are welcome to assist the Council (which sponsors the Seniors' Center) and may contact Mrs. Kerr or Mrs. Wm. D. Bunney, the treasurer. The Council meets at the Emanuel Church at 10:00 a.m. the 2nd and 4th Wednesdays of each month to plan activities and conduct the business of the group. Anyone with ideas to offer or wishing to assist may attend.

The craft planned for next Tuesday at the Center is Decoupage, taught by Greg Kammann (you are not required to participate in the crafts-come anyway to play cards, chat, watch TV, or play any of the many donated games available at the center).

Fall Fun Festival Saturday, Oct. 26

The Klager and Pleasant Lake Schools have scheduled their 7th Annual Fun Fall Festival to be held at the Klager School on Ann Arbor Hill on Saturday, October 26th.

Mrs. Connie Pratt and Mrs. Kathy Hagerman are this year's co-chairwomen for the program. The schedule of events for the Festival are 6:30 p.m. to 9:30 p.m.

As in every year the spook house, raffle and refreshments will be available. Plus various other Halloween type activities will be exhibited. All the young people of Manchester between Kindergarten and 4th Grade will have their own drawings on display.

This is a great family event and the entire community is welcome. The young people of Manchester expect to see all of you at this year's program. So Mom's, Dad's, Gramps and Grandmas, Aunt's and Uncle's plus friends should plan on being at the Klager school at 6:30 p.m. on October 26th. See you then.

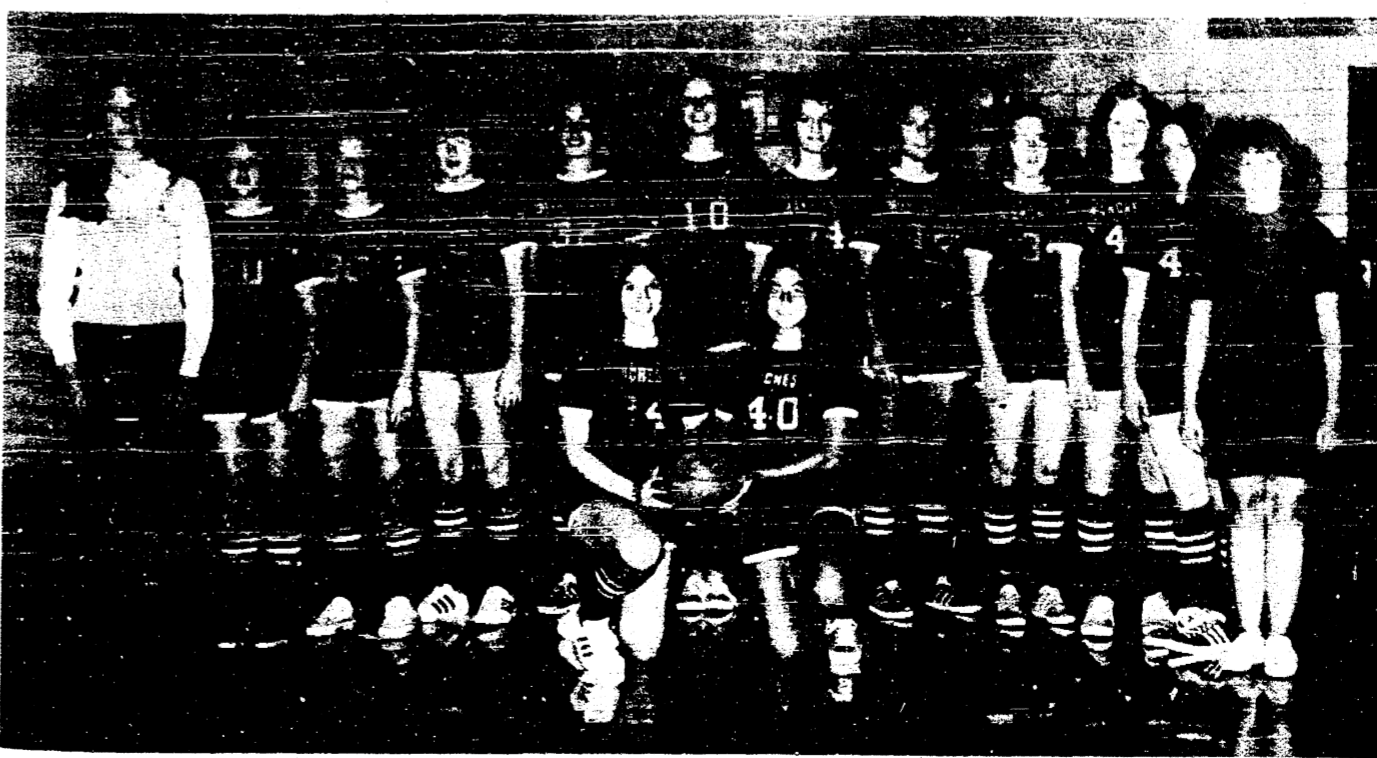

Decline In School Enrollment

The Manchester Public Schools experienced a decline in school enrollment for the first time in over ten years. The unofficial count on the fourth Friday of September indicated a total of 1334 students. This is forty five less students than last year at this time and sixty six less than had been predicted.

The student count at the various schools is as follows: Klager Elementary-350, Pleasant Lake Elementary-123, Middle School-440, High School-421. The lower enrollment causes an increase in the State Equalized Valuation Per Pupil which results in less state aid to the school district. Also, the state aid per pupil is lost.

LETTERS TO THE EDITOR

My old man is a bum. My old man is out of touch with the world, how many times have you heard someone say this, or maybe you've said it yourself. It hurts whenever I hear these phrases used. Why? Because my Dad never lived long enough to be referred to as old man, and even if he had, he would still always be Dad. If he had lived, my Dad would be 57 years old today, October 3, 1974. My Dad lived for his family, he sacrificed personal gains and pleasures to insure that my mother, brother, sister, and our families were spiritually aware and wordly secure. I'm sure it appears to many that the possessions I have are a result of my own success. In truth, it is a tribute to the efforts and hard work of my Dad. Without his guidance and helping hand, I would not have many of the things I have today. Even the day my Dad died he displayed his unselfish personal attitude. He never once mentioned his sickness or complained about the pain he was enduring. His only concern was for his family. He told each of us that he loved us very much. He asked about all his grandchildren. He asked God to Bless us all. To my Mother he said, I love you mom and love me always. No, MY Dad was never my old man, and I only hope and pray that my children, and all children have the opportunity to have a Dad like I

had, and that they will respect and love him as much as I respect and love mine. God Bless You Dad And Happy Birthday

GROUND BREAKING AT CHELSEA UNITED METHODIST

A Momentous Event will take place on Sunday, October 13, 1974. At that time ground will be broken to initiate an ambitious program of expansion and improvement at the Chelsea United Methodist Retirement Community.

The \$8 1/2 million, 5 year, project comes as a result of three years of careful research and planning by the

Trustees and staff of the United Methodist Retirement Homes Corporation, assisted by the Institute of Gerontology and the School of Architecture of the University of Michigan, Nathan Levine and Associates, architects from Southfield, has designed the addition and changes to the Chelsea Facility, which will make it one of the finest retirement centers in the nation. Many new and innovative concepts are incorporated in the design to make it a home well suited for its intended residents.

The plans call for doubling of the nursing facilities to a total of 120 beds, construction of a central spa-center to centralize and better accommodate important living activities, and remodeling of all semi-independent leisure living areas. Total occupancy of the retirement community will be increased to approximately 350 individuals.

As the Chelsea Retirement Community opens wide its doors to the public on October 13, the special event will be the Groundbreaking Ceremony at 2:30 p.m. The Reverend Doctor Robert P. Ward, Superintendent of the United Methodist Ann Arbor District, will be the featured speaker of the brief service. Other dignitaries, including representatives from church and community will participate.

The event comes on the occasion of the 27th Annual Open House of the Chelsea Home. In connection with this, festivities will abound from 2 to 4 p.m., including visitation of residents and facilities, special music and refreshments. Home residents will be available throughout the large facility to give welcome and guidance. The Open House is annually sponsored by the ladies' auxiliary, the Retirement Homes Friends.

the twin towers in the Irish hills, last Thursday our Manchester High cross-countrymen just plain over powered Onsted 21-36.

Despite the fact of getting lost in the maze of trail bike paths, Dutchmen Co-Captain Phil Krzyzaniak took first place honors with a strong 16:49 docking. Running right behind Krzyzaniak was teammate Bob Smith who finished only a second behind.

Onsted's top man was 3rd but the Dutchmen took 4th, 6th, and 8th places to cement the victory. Fourth place went to Junior Tom Opal with a 17:34 clocking, 6th to Junior Dan Schable, 17:48 and a 17:58 clocking by Senior Co-Captain Joel Tobias was good for 8th place. Running his strongest race of the new season, Sophomore Dan Heslip pushed up the Onsted total with a strong 9th place finish (18:15).

Completing the varsity 2 was Sophomore Gary Bondy 18:58.

The Junior Varsity team won by forfeit, they were led by Freshman Terry Brown 19:04, Tom Krzyzaniak 20:09, Barry Seltenright 20:36, Eric Norgaard 21:46, Kurt Kensler 21:51, Keith Moore 23:57, Mark Guenther 24:02, Ben Smith 25:26 and Scott Barber wandered in at 30:33 after being lost out on the course.

half-time. Whitmore Lake's defense gave Manchester some real problems in the first half. But in the 3rd quarter, Manchester began to play a better ballgame and took the lead at the end of the 3rd quarter. In the 4th period Manchester girls displayed their potential and ran away with the game. Final score was Manchester 38, Whitmore Lake 27.

Nicki Lentz was leading scorer with 16 points followed by Jo Ann Bruestle with 8.

JUNIOR VARSITY GIRLS BASKETBALL

The Manchester Junior Varsity Girls Basketball team has chalked up its third victory of the season by defeating Whitmore Lake last Thursday evening. The final outcome of the low scoring game was 24-12. Kyle Kensler lead the Dutchettes in scoring with 12 points. The tough Whitmore Lake defense made the Manchester offense work for every point.

MANCHESTER GOLF TEAM

The final triangle match of the golf season took place on Monday, September 31 at Hudson. It figured to be a high scoring match in 50 degree temperatures and 15 mph wind. The Dutch dropped their second match of the season to Hudson by 9 strokes or about two strokes a man. The Dutch have lost six matches by 10 strokes or less to date. However, we did edge Sand Creek by three strokes. This is Sand Creek's last year in the L.C.A.A. and the Dutch have not lost a golf match to them in two years. The

scores were Manchester 183, Sand Creek 186, and Hudson 174. Scoring for Manchester were Doug Nickels 44, Tom Blossom and Mike Kobrehel 46's and Cal Munson 47.

The last regular match of the season will be on Wednesday, October 2 against Clinton at Clinton. On Wednesday, October 9th the League Match will be held at Centerville and the Regionals on Friday, October 11 at Bedford.

Last week the J.V. Golf team played its first match and beat Sand Creek by four strokes 208 to 212 at Woodlawn in Adrian. Several freshmen who have been showing good improvement over the season led the victory. Tom Little had 46, Greg Dorr 53, Jeff Frey 54 and Bob Huber 55. The J.V.'s have one other match scheduled against Clinton on Thursday, October 3 at Clinton.

DUTCH NOW 0-3

The football squad has a definite problem. The inability to put points on the score board. This is the second consecutive game the Dutch haven't pushed the ball over the goal line. Needless to say the Dutch score at the start of the game has matched the score at the finish.

The contest, Friday, had 2 winless teams trying to break into the win column. The Onsted Wildcats seemed to start out bad as they received the kick-off only to fumble on their 20, giving Manchester the first break. In 4 downs the Dutch were unable to capitalize so Onsted took over. For the rest of the period, and a majority

of the second, it was a defensive battle with neither offense mounting a drive. It was Onsted's defense that put the first 6 points on the board as with 49 seconds left in the half they intercepted and went 35 yards for a touchdown. The kick for extra point was good giving the 7-0 edge to the Wildcats at half-time. The second half start was almost a replay of the beginning, but in reverse. Meaning that Manchester returned the kick but fumbled on their first play from scrimmage. Dutchmen's defense held for 3 plays so Onsted set up for a 27 yard field goal attempt. good-10-0 score. Manchester did get several drives going but were jeopardized by penalties then an interception. Final remained 10-0 Onsted.

DUTCH J.V.'S STEAMROLLER ONSTED

By Tom Fitzgerald

The Manchester J.V.'s finally put it all together last Thursday night as they put Onsted through the wringer 35-0. The Dutch fired up and needing a win badly, went out and showed Onsted their big guns.

In the first quarter at about the midway point Tom Ross shot up through the Onsted middle line for a 30 yard score, set up by Jon Steele's 35 yard run one play before that. The extra point kick was fumbled by a bad snap from center and Bob Kellogg ran around left end for the two points. Onsted then got the ball but couldn't move. A punt returned to mid-field by Curt Fielder set the stage for another Dutch touchdown. The third play from scrimmage once again, Tom Ross blew through the center of the Onsted defense for a 40 yard touchdown run. Bob Kellogg quickly kicked the extra point.

In the second quarter the Wildcats punted to the Dutchmen, but they stalled out till midway through the quarter. Then it was like lightning, a 25 yard pass from halfback Curt Fielder to quarterback Pete Tassie, who then raced another 20 yards again put Manchester on the score

board. Once again Bob Kellogg kicked the extra point. The Dutch held the Wildcats again inside the 50 yard line, got the booming punt and Curt Fielder again moved it to about midfield. From there the Dutch again struck like greased lightning. It was almost a carbon copy of the touchdown before it. A 20 yard pass with a 20 yard run by speedster Pete Tassie from Curt Fielder. The Dutchmen let up on poor Onsted by not scoring in the third quarter. But in the last quarter the Dutch after roughing up the Onsted quarterback, took the ball on a punt and ground out the yardage and the clock. Finally after keeping the ball most of the quarter and most of the game, the Dutch started a drive after another Onsted misdeed that would give them their final score. Starting at their own, by an interception by Jon Steele to the Onsted 38 Steve Schneider, second string fullback ran the middle 3 straight times for 34 yards.

3 points making their grand total 5. Manchester finished at 55.

The Varsity contest was similar in the score. It was fairly slow as many fouls and turnovers occurred. Manchester took the first half lead at 20-6. There was no stopping the Dutch as they coasted to a 47-18 win.

The JV and Varsity kept their winning way defeating Whitmore Lake last Thursday.

On his fourth straight run up the middle, Schneider was stopped dead in his tracks, and Jon Steele took in the last touchdown of the night for Manchester. Bob Kellogg after missing the point after, on the touchdown before, booted the last point of the night, with a little over 3 minutes left in the game. The defense again stifled the Wildcats, a punt and the remaining minutes were wasted away.

The defense played brilliantly sacking the Wildcat quarterback 7 times, intercepting 1 pass while the Dutch had also one pass intercepted and one fumble. The Dutch now travel to Grass Lake to do battle with the Warriors at 7:00 this Thursday, so come on over and cheer us on.

Wanted, a capable statistician to keep stats for the J.V.'s. To work contact Coach Bartlett or Coach Dick Fielder by 4:00 p.m. Thursday.

To washtenaw county farmers and trucker merchants

In an effort to serve the agricultural community in your area more fully, we would like to introduce you to Cargill, Inc.

Cargill is an international corporation with offices worldwide involved in all aspects of agribusiness. This system provides us with ready access to both domestic and international marketing information and, more importantly, to a wide range of cash grain markets. While it has not in the past been Cargill's policy to buy directly from the producer, we do feel that we can best serve your area by doing so. We believe that we can provide you with a new, highly competitive market for your cash grain.

In the Toledo area, Cargill has two elevators, one on Conant Street (Route 20) in Maumee, Ohio, and the other on Miami Street, across the river from downtown Toledo. Here we have facilities to unload semi trailers at the rate of 30 trucks per hour.

Currently we are taking delivery on wheat, oats and shelled corn at the Maumee elevator. Soybeans should be delivered to the River elevator. Cargill does not handle ear corn.

We offer the farmer three alternative means of pricing grain:

1. Grain may be "spotted" in. In this case, it is priced out at the closing price on day of delivery. Payment in full is mailed the following day.
2. Farmers may contract grain for up to 30-day delivery.
3. Delayed price arrangements may also serve your purposes well. Delayed price on necrop corn and soybeans is available at a charge of 1/20¢ per day with a 10¢ minimum. Charges on soft red wheat are 1/20¢ per day with a 12¢ minimum. This grain may be priced at the daily market any time after delivery, and final settlement will be made the day following.

We invite you to take part in any or all of these methods of marketing your grain and welcome any questions you might have. If you wish daily grain markets or would like to know more about Cargill's operations, please call (419) 893-3344.

Sincerely,
CARGILL, INC.

A visiting psychiatrist, wandering through the wards of a state asylum, was particularly intrigued by a patient who sat huddled in a corner all by himself, and scratched himself, for hours on end.

"My good man," the doctor addressed the patient gently, "why do you stay huddled in a corner all by yourself and scratch yourself?"

"Because," replied the man wearily, "I'm the only person in the world who knows where I itch."

The young man started work as a stock-room boy. Within six months he was made a salesman. In another six months he was upped to sales manager, and shortly thereafter he was made general manager.

A few days later, he was called in by the president of the firm, who explained he would retire soon and would turn the presidency over to the newcomer.

"Thanks," said the young man.

"Thanks!" growled the president. "You've been with this firm only about a year. Is that all you can think of to say?"

"Well," said the young man, "thanks a lot, Dad."

Decline In School Enrollment

It is believed the moratorium on building in the townships plus the exceptionally high mortgage interest rates have prevented people from moving into the school district. At least this was the indication from a number of people.

The heaviest loss is at the elementary level. The middle school and the high school enrollment remains fairly constant.

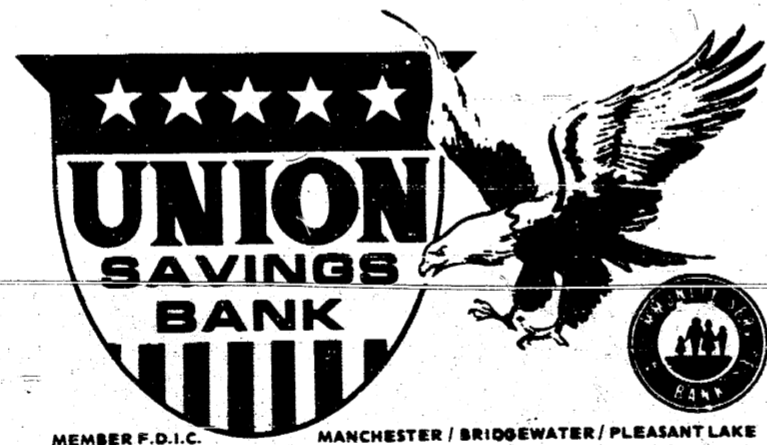

Life's hardest task: living each day by the Golden Rule.

"Of the Corporation of the Goosequill, of the Press...of the Fourth Estate...there she is—the great engine—she never sleeps. She has her ambassadors in every quarter of the world—her courtiers upon every road—her officers march along with armies, and her envoys walk into statesmen's cabinets. They are ubiquitous."

It was well over 100 years ago that William Thackeray penned that description of the press; it's a description that is as appropriate today as it was a century ago. The crucial role of a free press in a free society was recently demonstrated as the battles of Watergate rolled across the land. They left no doubt that there is nothing to equal an inquiring reporter when it comes to cleaning skeletons out of political closets.

But for every Jack Anderson, for every Washington Post—there's thousands of journalists and local newspapers, dedicated to their calling, righting wrongs, striving to make their own communities better places to live. Farmers, especially, have long depended on their local news media to keep them up to date with weather and market reports and, since most of them are active citizens of their commu-

nities, on what's happening when and where. The relationship between the farmers and the press has changed somewhat during the '70s. Farmers, usually positioned on the traditional "Farm Page" are surprised to find themselves sharing the front page with national and world news. Newsmen, in turn, have been surprised that farmers have a real story to tell. Farmers have appreciated their efforts in passing this story on to citizens and, in national convention, have passed official resolutions to commend the news media who have contributed to better consumer understanding of agriculture.

Newspaper Week, October 6-12, gives citizens an opportunity to recognize the contributions of a free press to our American way of life. Resolutions with pretty words may suffice at the national level—but back home where it's really at—farmers have a better idea:

"To save the editor from starvation, take his paper and pay for it promptly. To save him from bankruptcy, advertise in his paper liberally...To save him from taking on the misanthropic look of a pug dog, give him words of encouragement when he publishes something good. To save him from mistakes, bury him—for dead people are the only ones who do not make mistakes."

This special Week, pay for his paper, buy an ad, encourage him, forgive him—but don't bury him. Your Town, USA, needs him.....

Less than 3% of the junior and senior class students nation-wide are awarded this recognition. Deb is the daughter of Mr. and Mrs. C.A. Knickerbocker of 319 Ann Arbor Street, Manchester.

Miss Knickerbocker is attending Eastern Michigan University, and is majoring in Physical Education.

ARTS AND CRAFT COURSE

The Manchester Public Schools will offer a Fall course in Craft work if enough people are interested in such a class. This would be a part of the adult education program that is normally held in January through March.

The early craft course would enable the participants to use the ideas and projects for Christmas gifts.

A variety of craft work would be offered and an instructor from Ann Arbor would be in charge of the class. A small tuition fee would be charged. Participants would pay for their own craft materials.

Interested persons should call the Superintendent's Office either to sign up or to get additional information. The school must know how many are interested by Wednesday, October 9, 1974.
