DUTCH J.V.'S LOSE TOUGH ONE

By Tom Fitzgerald

Last Thursday night the Manchester Dutchmen J. V.'s lost to a fired up Grass Lake team 8-6.

The Dutch didn't get things started till late in the third quarter. But during the first half, the J.V.'s were shut right down on offense, while the defense let the Warriors score on a 60 yard sweep. Finally the J.V.'s offensive team got it together and moved the ball 50 yards with short passes from Curt Fielder converted halfback to quarterback Pete Tassie, bursts up the middle by Tom Ross and sweeps by Jon Steele and Dave Slane. At last from the six yard line Curt Fielder ran it over. Their extra

points run failed, making the score 8-6. The Dutch had many opportunities to take the game home in their back pockets.

Michigan Historical Society To Hold 100th Annual Meeting in Ann Arbor

The state of the s

U-M North Campus October 17-19. Ann Library. Arbor was chosen as the site for the meeting because the city is celebrating its Sesquicentennial this year.

The Society, which was founded in 1828 y Lewis Cass and Henry Rowe Schooleraft, has played a vital role in the preservation of meaningful links with the past in Michigan. It is deeply committed to the cause of historic preservation in all its aspects, and works closely with local, state, and national preservation groups to assist communities throughout the state in reserving their valuable heritage.

Purpose of the annual meeting is to ring together representatives of local istorical groups from throughout the state and provide them with updated nformation on the many activities and rojects related to preserving Michigan's past. In addition to the annual meeting, the Society conducts seven regional conferences during the year, with the emphasis at these being projects and problems of a egional nature.

Highlight of this year's meeting will be tours of Ann Arbor's historic architecture and of historical libraries on the U-M campus. Friday's tour of Ann Arbor architecture will be conducted by Kingsbury Marzolf of the Ann Arbor Historic Dictrict Commission and Wystan Stevens of the Ann Arbor Sesquicentennial Commission. Thursday's library tour will take participants to the William L. Clements

Dress-A-Doll makes you a part of warmer Christmases for little girls who desperately need cheer and love. You show you care when you enter our Dress-A-Dol!

So simple. We provide the 16" doll, and you design and sew an outfit for it. There are six costume categories with six \$10 prizes and one grand prize of \$50. Costumes will be judged and dolls displayed in our lobby in December. At Christmastime each doll becomes a gift to some needy child in the community. And you made it happen. Pick up your black or white doll and rules at any AAFS office starting October 7. It must be returned by November 15.

Won't you warm a little girl's heart this Christmas? Yours will be warmer, too.

Shown above is the 1973 Grand Prize winner designed and sewn by Candace VanFarowe

Council met in regular session with the City Road to Wolverine had been paved. meeting called to order by President Little at 7:07 pm. Present were Beal. Daniels, Fitzgerald, Mahony, Scully, Walton; absent Curley and Zsenyuk.

Minutes from the September 3, 1974 regular meeting were read and corrected. Moved by Mahony, supported by Scully to approve the corrected minutes. All yeas, carried.

Dave Petsch was present questioning a billing on service work by the Village. After explanations and some discussion Fitzgerald assured Mr. Petsch and Council that the Public Works Dept. would check into the matter further and make a deter-

Richard Boatwright was present with a written request to place an ancestral wrought iron hitching post on the property in front of his home between the sidewalk and the street, Moved by Fitzgerald, supported by Walton that permission be granted with the location such that snow removal on sidewalks would not be hindered, and parking would not be restricted. All yeas, carried, Mr. Boatwright also inquired as to a possible complaint being filed regarding his antique business. He was informed that questioning had been done at the direction of Council, and that a complaint had not been filed. He was also informed that the business is in violation of the zoning at that location and to forestall any problems he should obtain a conditional use permit. Mr. Boatwright's third question concerned the use of his home as a two-family dwelling. Previous to his purchase it had been used as such. Dual meters are still in existence. Council agreed that the property could again be used as a two-family dwelling.

Mr. Jones was present with a quot from the transfer station. Mr. Jones quote was for \$70 per load. Lenawee Disposal submitted a quote of \$78 per load, Moved by Fitzgerald, supported by Scully that Council accept Mr. Jones' quote of \$70 per load, beginning October 1, 1974. All yeas, carried.

A question was raised concerning burning near the transfer site when the County Health Department inspector was checking for the annual license. A subsequent letter indicated that it would be permissible on a graveled location. Fitzgerald and Walton will check on the matter further.

Beginning September 30 sidewalks on Main Street from M-52 to Adrian Street will be reworked.

> Don't Forget! Sweetest Day Oct. 19

Well here we go----

After twenty eight years with the wildly exciting week-ends at Sea World and Cedar Point as standouts for distance travel, with Niagara Falls a bonus in the snow, we are finally, fearlessly climbing aboard an air-

There seems to be some excitement

generated by the whole idea. Children are telling friends, parents are cautioning that we must not drink water in strange places, friends are smiling and wishing well the travelers, neighbors are hoping the dog will stay at home while we hoping the dog will stay at home while we need to be made for this service. (who is also a large son) has entered the hospital for surgery.

I remain calm though.

Friends have especially been helpful. The garden this year was nonexistent list again this time.
