Dutch To Defend Title Saturday

The runners begin to string-out near the 1/2 mile mark, in last year's Invitational

The 2nd Annual Manchester Cross-Country Invitational gets underway this Saturday at 11:00 a.m. with our Manchester High Dutchmen the defending champions. The invitational will pit the teams from Chelsea, Clinton, Columbia Central, Brighton, Dexter, Grass Lake, Saline, St. Thomas, Greenhills, Tecumseh, Napoleon, and Manchester for the 2 teams trophies and the 20 individual medals that will be awarded. This year there will also be a Junior High run, with the 7th grade running for 5 medals and ribbons to 15th, while the 8th graders will be running for 10 medals and ribbons to 15th place.

Zion Lutheran Church Dedication Sunday October 22

107 years (November 1867) after the dedication of Zion Ev. Lutheran Church of Freedom Township (Rogers Corners), the congregation will dedicate its new Church and Educational Unit in services set for 3 p.m. this Sunday, October 20th. The last scheduled worship service in the 107 year old structure will be held at 10:15 a.m. with the Rev. Theodore Brueckner, son of the late Pastor M.W. Brueckner who served Zion Congregation from 1926-1954, as the Guest Preacher. Rev. Theodore Brueckner is the Assistant to the Bishop, North Pacific District The American Lutheran Church, Beaverton, Oregon. Pastor John R. Morris will lead the congregation in this worship.

Up, Up and Away Bloodmobile To Be Here October 28

By C. Chapin
Well here we go---
After twenty eight years with the wildly exciting week-ends at Sea World and Cedar Point as standouts for distance travel, with Niagara Falls a bonus in the snow, we are finally, fearlessly climbing aboard an airplane.
There seems to be some excitement generated by the whole idea.
Children are telling friends, parents are cautioning that we must not drink water in strange places, friends are smiling and wishing well the travelers, neighbors are hoping the dog will stay at home while we are away, and of course the baby sitter (who is also a large son) has entered the hospital for surgery.
I remain calm though.
Friends have especially been helpful. The garden this year was nonexistent and I worried that no tomatoes had been canned, so friend Ginny brought what seemed at a glance to be 43 bushel, so that was nice. I proceeded to can the tomatoes, while running about the house sometimes searching all likely spots for socks.
The thing is, you see, that in a large household there is a continuous shortage of socks. Especially when there are a group of male creatures all wearing the same size, and as the years go by they find themselves with their hands in each others drawers, you might say. It's a chain reaction, if a pair of socks is missing, then borrow from brother, then on along the line till Father's socks are pilfered. If the laundry is on time everyone is happy. However, when the great exodus begins at School term time in the fall, then grand theft takes place. A dozen pairs disappearing to Bethesda, causes a landslide the following month to East Lansing, and leaves poor Father with a laundry basket full of one-of-a-kind. Where on Gods green earth did 87 single socks go?
The second day of canning was peaceful. The third day brought a phone call by a good neighbor inviting me to a friendly morning coffee hour to welcome a new family to our block. Said I "Well, I'd love to come, but that's days away, and I might forget-you know we are going to be packing about that time".
Days later, Monday evening, Helen calls and reminds me, "Tomorrow morning at ten the welcome coffee, remember". Goodness, I had forgotten.
Next morning, as I stagger sleepily to work-Sandy follows me up the street-"Did you think you were going to work--Well we are supposed to remind you to come to coffee". So I went.
Company and coffee were delightful. When I get back to the office at roughly noon, I began to call about the car-dialed the wrong number, (it could happen to anyone) and friend Mary answers, "Hello"
Well, for gracious sakes, what are you doing at that number?" I ask. "But it's my number", she replies.
Getting just a little confused by this time I listen as she explains "I thought perhaps you were calling to explain why you didn't meet me for lunch as we had planned".
As I said, I remain calm.
The tomatoes were finished, the baby sitter survived the surgery and awaits stitch removal, and if we can just find enough socks, we will bid everyone bon voyage and see you all in three weeks.

Don't Forget! Sweetest Day Oct. 19

The Western Washtenaw Area Association of Huron Valley Girl Scouts will hold a meeting Monday, October 24 at 7:30 p.m. at the Wylie Intermediate School, 3060 Kensington Street, Dexter, Michigan. All registered adults and girls over 14 are welcome.

Notice

The Western Washtenaw Area Association of Huron Valley Girl Scouts will hold a meeting Monday, October 24 at 7:30 p.m. at the Wylie Intermediate School, 3060 Kensington Street, Dexter, Michigan. All registered adults and girls over 14 are welcome.

Up, Up and Away Bloodmobile To Be Here October 28

Manchester's Bloodmobile, Monday, October 28, 12 to 6 P.M. at Manchester United Methodist Church gives everyone able to donate (18 through 65) an opportunity to help replenish its Manchester Red Cross Blood Bank. With a number of heart operations and many other serious surgical operations in our area this past six months, the local blood supply is low.
The Jaycees Auxiliary, under the direction of Mrs. Charles King will again operate the nursery at the clinic to care for children of donors. No appointments need to be made for this service.
Most industries in town and the Jaycees are part of the team. Manchester Tool and Die and Stamping Corporation have fulfilled their 20% Plan for their employees and will be high on the donors list again this time. Double A Products anticipates completing their quota on the 28th. The 20% Plan means that if 20% of the employees of an industry give blood during a year all of the employees and their families as well as their parents, parents-in-law, grandparents, grand parents-in-law and children over 18 who can not donate blood no matter where they live in the United States or most parts of Canada will be eligible for free Red Cross blood service.
Other industries backing the project are Manchester Plastics, Uniloy and Economy Baler which is still tied in with their Ann Arbor plant Blood Bank with the Red Cross.
Chairpersons for the church groups working toward their quotas are Mrs. Merrill Korth, Manchester United Methodist Church; Mrs. Joseph Kastl and Mrs. William Schwab, St. Mary's Catholic Church; Mrs. Paul Alber, Emanuel United Church of Christ; Mrs. Ralph Janofski, Iron Creek Community Church and Mrs. Floyd Proctor, North Sharon Bible Community Church. Other participating churches are Sharon United Methodist, Faith Community, Zion Lutheran, St. Thomas Lutheran and St. John's Church of Christ.
If you are not in any of the above mentioned groups or have not been asked to donate and so desire, please call Mrs. Merrill Korth 428-7280 who will be doing the scheduling for Mrs. Robert Little, Chair-person-for-the-Day. Call by October 22 if possible as the scheduling will be done by the 23rd in time to mail appointment cards back to donors outside of industries. If you can not make an appointment, do not hesitate to come to the clinic and you will be worked in as quickly as possible. This is the closest Bloodmobile you will have the opportunity to attend this year. The next one is March 21, 1975 which will begin a new year for the club.

Halloween Party October 31

Trick or treat will begin at 5:00 p.m. on Halloween evening, Thursday, October 31 and end when the church bells ring at 7:00 p.m. The children will then go to the gym at the high school where costume judging will begin at 7:30 p.m. Prizes will be awarded in four categories; Ugliest, Prettiest, Spookiest and most original, for children pre-school through 6th grade. Parents not attending should pick up their children by 9 p.m. Refreshments will be served to every participant and every child will receive a bag of treats as they leave.
We hope that everyone will co-operate for a Safe and Happy Halloween. Sponsored by the Manchester Jaycees and Jaycee Auxiliary.

LETTERS TO THE EDITOR

In the Ann Arbor News of October 10, I explained the threat that is now confronting Washtenaw County Library. Since many Manchester residents may not have seen the letter they are unaware that their reading needs may be drastically reduced if the County Library budget is cut to the degree presently planned by the Budget Committee.

The original request for Washtenaw County Library was \$195,000. It has been reduced through conference with the Commissioner's Budget Committee to \$173,039. On September 24 the Library was requested to cut \$58,395 from its already reduced budget, leaving \$119,644. This amount would literally delete the book and film budget, leaving only a bare maintenance subsistence for bookmobile service to residents of Washtenaw County not served by

any other library and for interloan service to all the libraries in the county.

This "recommended" cut was 32.8%, slightly more than twice the next largest cut and three times as much as most others. This was not the thinking of all the commissioners, of course.

To Manchester people this would mean about 35% loss in the supply of current books because of the reduction of the County Library book budget. It would mean that reference material might be slower in coming since more of it would have to come from the State Library. Interloan of children's books would also be greatly reduced.

To the area's Bookmobile patrons, it would mean a poorer collection of books on the Bookmobile for the same reason as above and the possibility of gaps in service because of the limited staff left to operate the whole library.

The logical result might then meet the aim of this group, to reduce the efficiency of the Library to such a degree it would not be able to meet the needs of its patron and could therefore be declared defunct.

If you are a library patron or interested in the need for library service to the public and find this information distasteful, please write your opinion to your commissioner, Mr. Jack Bradbury 9910 Easton, Dexter, Michigan, 48130 or to the attention of Elizabeth Taylor, Chairperson of the Budget Committee, County Building, Ann Arbor, Michigan, 48106.

If you wish more information call me at 428-8852, Mary Boutell, Librarian Manchester Township Library at 428-8045 or Mr. Davenport, Director of the Washtenaw County Library 971-6056.

His Honor—
The Mayor of Manchester, Michigan

Dear Sir:

I am assuming that the mayor is of the male sex - hope that I am not wrong. Anyway, I have a favor to ask of you. I would like to know the name and the

address of your local Newspaper. I want to put an Ad in it.

I never lived in Manchester, but used to know it fairly well. I did live in Michigan Center, and in Jackson. We used to come to Manchester rather often, as there was once a Meat Market, where we bought various sausages and the best bologna, that was made. I understand that this was a Family thing and one of the last times that my husband and I were in Napoleon, we were told that the Market did not exist any more.

You may wonder why I want to run an Ad in your paper. I want to sell my Mobile Home here in Zephyrhills. My husband passed away last April, and I do not want to spend the winter here without him. A friend told me that she sold her Mobile Home by running an Ad in a smaller Newspaper, so I put a Number of smaller towns in a jar and drew a name out. It was Manchester. It is worth a try anyway.

I am inclosing a stamped and addressed envelope for your reply.

Thank you for the time, it will take.

Respectfully yours,
Mrs. Thelma L. Hunt

WASHTENAW COUNTY FEDERATION OF WOMENS CLUBS

Mrs. Stanton G. Roesch, Manchester, President of the Washtenaw County Federation of Womens Clubs reminds Pres-

ident's and Delegates to bring baked goods to the Annual Fund-Raising Bake Sale during the Social Welfare meeting Monday, October 21st.

The Whitmore Lake Womens Club headed by Mrs. Erwin Niethammer will hostess the meeting. Gathering will be at the Whitmore Lake Methodist Church, corner of Main and Lakeshore Drive with registration at 1 p.m. and meeting at 1:30 p.m. Board will meet at 12:30.

A skit by members of the Milan Womens Club will highlight the program. Mrs. Frank Tellus of Milan, Federation Social Welfare Chairman has offered the light hearted voting day skit to be presented.

To washtenaw county farmers and trucker merchants

In an effort to serve the agricultural community in your area more fully, we would like to introduce you to Cargill, Inc.

Cargill is an international corporation with offices worldwide involved in all aspects of agribusiness. This system provides us with ready access to both domestic and international marketing information and, more importantly, to a wide range of cash grain markets. While it has not in the past been Cargill's policy to buy directly from the producer, we do feel that we can best serve your area by doing so. We believe that we can provide you with a new, highly competitive market for your cash grain.

In the Toledo area, Cargill has two elevators, one on Conant Street (Route 20) in Maumee, Ohio, and the other on Miami Street, across the river from downtown Toledo. Here we have facilities to unload semi trailers at the rate of 30 trucks per hour.

Currently we are taking delivery on wheat, oats and shelled corn at the Maumee elevator. Soybeans should be delivered to the River elevator. Cargill does not handle ear corn.

We offer the farmer three alternative means of pricing grain:
1. Grain may be "spotted" in, in this case, it is priced out at the closing price on day of delivery. Payment in full is mailed the following day.
2. Farmers may contract grain for up to 30-day delivery.
3. Delayed price arrangements may also serve your purposes well. Delayed price on necrop corn and soybeans is available at a charge of 1/20¢ per day with a 10¢ minimum. Charges on soft red wheat are 1/20¢ per day with a 12¢ minimum. This grain may be priced at the daily market any time after delivery, and final settlement will be made the day following.

We invite you to take part in any or all of these methods of marketing your grain and welcome any questions you might have. If you wish daily grain markets or would like to know more about Cargill's operations, please call (419) 893-3344.

Sincerely,
CARGILL, INC.

DUTCH J.V.'S CLUB MORENCI

By Tom Fitzgerald

Last Thursday night the J.V.'s traveled to Morenci looking to even their record at 2-2-1 which they did easily, 14-6. Although the score was close the game really wasn't.

Things just went Manchester's way, winning the toss, the first time the J.V.'s won one all year, they scored on a good kickoff return to about midfield by Pete Fielder. The Dutch, with sweeps by Pete Tassle and blasts up the middle by Tom Ross, took them to the 12 yard line, where Freshman David Slane scored on a sweep. Bob Kellogg kicked the point after. In the second quarter, the Dutchmen moved the ball down to the Morenci 6 yard line after a Bulldog punt. Pete Tassle, the speedster tailback converted quarterback, caught a pass from new quarterback Curt Fielder. Bob Kellogg again kicked the point after. Curt passing alot through the night had just one picked off but it cost Manchester their shut-out as the scrambling Morenci quarterback ran it from the 15 yard line to the 2 yard mark. Three plays up the middle gave Morenci nothing but headaches as a fired up defense stopped them cold. Finally, on a sweep, a Bulldog runner found an opening. Their extra point kick failed. The second half neither team did much but finally in the dying minutes of the last quarter the Dutchmen had the ball on the Bulldog 15 yard line but ran out the final 48 seconds with the score ending up 14-6.

The defense played a tough game, pestering the Morenci quarterback who wanted to pass all night. But Tom Ross Continued on page 12

DUTCH EDGED 14-13

By Jon Hardenbergh
The Dutchmen fought valiantly against Morenci but came one point short at conclusion of the contest. It was homecoming night for the flying Dutchmen who I'm sure wanted to chalk up their first win of this season. Morenci struck in the first quarter and even with a beautiful run by the Dutchmen's Kocesski setting up a first and goal from the 3 yard line, Morenci took a 7-0 at half. Manchester came on in the third quarter with a vengeance. First quarterback Jeff Clark capped a Dutch drive off with a 6 point one yard plunge. Manchester went for the two point conversion but it failed giving Morenci a 1 point edge at this point. An interception set up another Dutch TD with Craig Fielder scampering around the end for the 6. Manchester then con-

verted the extra point making the score 13-7. But the Dutch defense, unable to hold back Morenci, as they roared down the field with Kruse plunging the final yard to tie the score. Van Arsdallien's extra point kick, iced the victory for Morenci, 14-13.

On Friday, the Dutch travel to Hudson. Hudson is not only undefeated this season but hasn't lost in 59 straight games. Hudson had a tough fight last Friday but managed to beat Grass Lake, 14-8.

High School Football Trivia-High score honors go to Traverse City St. Francis as they demolished Whittemore-Prescott 62-0. Odd score game goes to Detroit Finny who fought Detroit Osborne to an 8-4 win. Battle of the defenses took place between Grosse Ile and Gibraltar Carlson with Grosse Ile finally winning in double overtime 14-7.

GIRLS UNBEATABLE

The first opponent for the girls last week was Adrian Madison. The Dutch had no problem proving who was boss as Manchester motored to a 30-9 half-time lead. Still showing no mercy they zoomed to a super high score of 70 points as Adrian Madison tallied 14. Vicki Wurster was high scorer with 22 points.

Next opponent was Onsted. Onsted kept with the Dutch thru the entire first half and even took a 1 point lead to the locker room, 29-28. The second half belonged to Manchester as in the third period they out-scored Onsted 18-2 to take another victory 72-43. High scorers of this game were Nicki Lentz and Cathy Niehaus each

totaling 15 points. Dexter was not only the last opponent for this week for the Dutch but also the toughest. Neither offenses could get on track as Dexter took an 8-6 lead at the end of 1 period. Manchester came back to take the halftime lead 17-14. Dexter kept the score close but Manchester got it together in the final 2 minutes to win 39-34. Denise Galinis was leading scorer tallying 10 points.

For his fine week in practice and his improvement in the inter-squad meet, Eric Norgaard was named "Runner Of The Week".

MORENCI FORFEITS TO DUTCH HARRIERS

Despite the fact that because of illness and ineligibility Morenci couldn't field a team to face our Dutch cross-country last Wednesday, Coach Lurry Steeb divided the

team into 2 equal squads and ran a time trial anyway.

Winning the inter-squad affair was the "Maroon Mob" squad led by Senior Captain Phil Krzyzanski's strong 16:41 clocking, followed by teammate Tom Opal's first sub-17 minute clocking in 2nd place. Opal clocked a swift 16:57 time, the 1-2 finish by Krzyzanski and Opal led their team to a narrow 27-28 victory over the "Gold-diggers".

The "Goldiggers" took the 3rd through 5th spots as Bob Smith was 3rd (17:14), Dan Schabbe 4th (17:26), and Dan Heslip 5th (17:57).

Completing the scoring five for the "Maroon Mob" were Terry Brown 6th (18:22), Barry Seltentright 8th (19:24) and Tom Krzyzanski 10th (20:15).

For the "Goldiggers" it was Gary Bondy 7th (18:41) and Ben Smith 9th (19:48) that completed their scoring five.

The remaining members of both teams were Kurt Kensler 11th (20:35), Eric Norgaard 12th (21:25), Keith Moore 13th (22:16), Mark Guenther 14th (24:46) and Scott Barber 15th (26:12).

MIDDLE SCHOOL CROSS-COUNTRY TEAM 3RD.

Led by 8th grader Mike Gregerson's 9th place finish our Middle School cross-country team finished 3rd Saturday in the Columbia Central Junior High Invitational. Seven teams and 49 runners competed

Michael Peterlin, pastor of Sharon United Methodist Church,

Four natives of Haiti will present special programs at North Sharon Bible Church on October 19 and 20. At 6:30 Saturday evening the quartet will be guests at a potluck supper, open to the public. At 7:30 they will sing and tell of their missionary work among their own people in Haiti. The Haitians will also conduct the Sunday services at 10 a.m. and 7 p.m.

Dr. Cebien Alexis, who has been featured on coast to coast TV, will be preaching. Traveling with the quartet will be D.L. Bovard, Director of Independent Gospel Missions. Bovard has hosted several Christmas "missionary work vacations" in Haiti. He says that Haiti is a land where Voodoo and witchcraft are prevalent. Everyone is welcome to attend these meetings.

Sincerity is a pleasing and vanishing virtue.

Agriculture in Action

Michigan Farm Bureau

A wise man once said, "Every cause produces more than one effect." How right he was.

Appellate Court decision, which affects far more than just the man who brought the case to Court. It could also effect the price of food—and even the economic and social well-being of Michigan citizens.

An advertising firm hired a man to peddle flyers down the street on a cold winter's day. His total term of employment was 32 hours, during which time his hands were frozen. His employer, through workmen's compensation, provided for his hospital and medical care. According to the doctor, he was "incapacitated for industrial employment," and therefore was awarded the minimum benefit of \$27 a week.

It was suggested to the "incapacitated" man that perhaps the Legislature, in setting the benefits, did not intend the minimum to be so low. The Legislature had provided for increases in maximum benefits in relation to the state's average weekly wage and perhaps the lawmakers had made a "mistake" in not also raising the minimum.

The Court agreed and this decision, if allowed to become law, will increase the minimum workmen's comp benefit from \$27 per week to \$63 for a single person with no dependents.

What does this have to do with the price of food—or the social and economic life of Michigan? First, raising the minimum benefits increases workmen's comp insurance premium rates—very substantially—just one more added production cost for agriculture—a cost which eventually would have to be passed along to consumers.

Secondly, youth and others who now enjoy part-time employment in restaurants, hospitals, nursing homes, farms and other businesses would find themselves without help. Businesses which operate almost exclusively with young, part-time employees could consider moving to another state where they would not be burdened with this prohibitive cost, and those thinking of moving into Michigan will look for other locations.

It's not just an economic issue; it's a moral issue. In many cases, the minimum benefit would be several times the normal earnings of part-time employees. There's something unhealthy about a society where people can earn more by NOT working than by working.

Farmers and other Michigan business people hope the Legislature will correct this situation soon—before it's too late.

"LEND-A-HAND" DAY

The Senior Citizens Council and the Manchester J.C.'s are co-sponsoring a "lend-a-hand" day on Saturday, October 19. With the help of the local scout organization, we will be ready to assist any senior citizens or disabled persons with such things as putting up storm windows, raking leaves, taking trash to the dump, or any other chores with which the seniors require help.

Call the president of the J.C.'s, Dick Wolk, at 428-8334, or Greg Kammann, co-chairman of the Senior Citizens Council, at 428-8359 to sign up for the 19th.

ELECT

Hubert Beach

COMMISSIONER DEMOCRAT
DISTRICT 3

Dexter Village
Scio Township
Lodi Township
City of Saline
Saline Township
Bridgewater Township

Fellow Voters:

I want to be your County Commissioner. This letter will tell you about the job and how I will attack it.

State Statute (MSA 5.331 (17) gives the Board of Commissioners seventeen duties plus others referred to in various laws. They fall in six main groups: (1) manage and control all business of the County; (2) approve all property assessments and set all tax rates; (3) borrow money, pay loans; (4) set wages and salaries of most County employees and officials; (5) buy, sell, build, control all lands and building for County functions; (6) appoint the members to most of the boards and commissions.

TAXES—The only way taxes can go down is for your government to spend less. Other than savings on purchases—a cut in the number of employees or their wages—this is not likely to happen. With inflation it would require a drastic cut in service.

ASSESSMENT—If your assessment is higher than 50% or many of your neighbors are less than 50% you have a real gripe. This Board of Commissioners can control. A person with this complaint should appeal to the Board of Review to the State Tax Commission; and get on his Commissioner. I don't want to pay anyone else's taxes either.

MONEY—Handling the County Budget requires dependable information. I have little confidence in County financial reports. The first need is a complete certified County audit each year. We have not had an audit of any kind since 1971. Such an audit is more than checking arithmetic. The auditor verifies that authority was given for each expenditure; he comments on budgetary errors; on monetary controls; on financial policies and suggests improvements to the system. Without knowing where we are, how can we direct where we want to go? SHERIFF—Where is the Sheriff when we call him? The Board sets the Sheriff budget and should thus control the department. Sheriff also contracts with local units for extra police protection. On August 7, 1974, the Board by a unanimous vote gave \$102,000, extra, to pay 1/3 of Ypsilanti Township's contract with the Sheriff. We all pay the same county tax to support the Sheriff's regular duties. To be fair should not the Board pay 1/3 of the rest of the County's police budget and increase the township patrols by 1/2? 1/3 of Dexter's \$71,700. Sheriff contract? 1/3 of Saline's \$259,400 police budget?

COUNTY MANAGER—I oppose the County Manager Proposal to require an appointed County Manager. It is not a "restructuring", but what we have now. We have always had someone who carried out the Board of Commissioners policies. At times an appointed administrator—the county clerk—a secretary of the Board—the chairman—individual commissioners and at times all at once and at cross purposes.

WE HAVE TRIED IT—IT DON'T WORK Why? An appointee owes his job to the Board and tries to satisfy 15 individual separate commissioners. An elected Manager answers directly to the people. His duties and powers are clearly defined by state law. The Board controls the budget and thus sets policy. This provides the check and balance needed in our political system.

LOCAL CONTROL—I will vote to stop any restriction in township, village, or city government's control of its own destiny. These governments are much more responsive to the people's wishes than any other. (We can run our own affairs). Come to think of it, the old Board of Supervisors didn't do such a bad job when the farmers ran it.

I ask you to vote for me.

School Board Adopts Budget For 1974-75

The Manchester Board of Education at its regular October meeting adopted an operating budget showing anticipated receipts of \$1,502,880.71 and projected disbursements of \$1,457,231.00 for the 1974-75 year. This is essentially the same amount presented earlier in a proposed budget form to district voters. The fourth Friday enrollment was the last factor to be known before the anticipated receipts could be finalized, and the drop of 45 students from last year reduced the amount of state aid to the district.

In other business the Board discussed maintenance items that are to be done and received a quotation from Eddie Walz on concrete work that is to be done at the high school and the middle school. The Board instructed the Business Manager, Mr. Earl Misner, to secure additional quotations on the concrete work.

A letter from Tom Marshall, Inc. expressing a concern about bus bids was read and a lengthy discussion followed. It is hoped that a meeting with Mr. Tom

Marshall will resolve the problem.
Mr. Bart Bartels was appointed varsity basketball coach upon the recommendation of the administration and the athletic director.

Two new teachers were approved by the board. Mrs. Anne Shain and Mrs. Loretta Bunyon have been hired to work in the Pleasant Lake Elementary School and the Manchester Middle School. Both new staff members will work with children with learning disabilities or other problems. These two positions will be funded with funds from the State and the Intermediate School District.

The Board of Education is interested in the formulation of a Citizen's Advisory Committee to work with the administration and board on improvements in curriculum and other areas. Any one interested in serving on this committee should contact the board members or the Superintendent's Office.

SOPHOMORES WIN HOME-COMING FLOAT

By Tom Fitzgerald

Last Friday night the Manchester High School held its homecoming with floats and the crowning of a queen. The float

competition was won by the Sophomore Class of '77', second place to the Juniors, third by the Seniors, and the Freshmen last. This float competition is much harder than the fair float, you only have one week to do it in and only then after school. With football, basketball, and golf it means working right up till parade time. One other rule was that you could spend no more than 40 dollars on the materials for the float.

I would like to thank the people who helped us make this homecoming a good one. Mr. Cliff Tracy for lending us his wagon, Mr. and Mrs. Bedrosian who let us, the Sophomore Class, use their barn for a shelter. The mothers who chaperoned after school and the mothers who cooked supper for us when we worked our hardest on Friday.

START SAVING 7-UP CAPS

The Seven Up Company, makers of popular soft drinks, 7-Up and Sugar-Free Diet 7-Up, has pledged a minimum con-

tributions of 100,000 to telethon 74.

The Jaycee Auxiliary is asking everyone to start saving 7-Up and Sugar-Free Diet 7-Up caps. The 7-Up Company will donate 25¢ to Muscular Dystrophy Association for every four cap liners or the purchase of one of the six pack cartons of 7-Up beverages.

There is a container at Donut Time and Union Savings Bank if you would like to drop the 7-Up caps or seals in. To mail in, the address is: Jaycee Auxiliary, P.O. Box 314, Manchester.

ARTS AND CRAFTS CLASS

Registration for the Arts and Crafts Classes will be Monday, October 21 at 7:30 p.m. in the Art Room at the High School.

Mrs. Cathy Spurr of Ann Arbor will be the instructor.

You can still participate by registering on Monday evening. Even if you have signed up for the course you should still register.

JOLLY FARMERETTES

The September meeting of the Jolly Farmerettes 4-H Club was called to order by Joanne Kastl. Wendy Kivi from the 4-H office showed some slides about 4-H exploration days at E.M.U. Flag pledges were led by Theresa Ames. Roll call was taken with 39 members, 5 leaders and 9 visitors.

There was no old business. Under new business we decided that dues were to be 25¢ for the year. We decided our meetings will be the first Tuesday of every month. National 4-H Week is Oct. 6-12. All of the new members and their mothers are to meet Thursday, Oct. 17, 1974 at 7:00 at the Town Hall.

Demonstrations were given by Terri Schlick and Beth Verralli. Refreshments were given and the meeting was adjourned. The next meeting is November 12.

INFLATION

Can the State Legislature
Help Control Inflation?

YES - By controlling waste such as welfare mismanagement. Fraudulent ADC payments of \$77 million were discovered by a recent federal study of just part of Michigan's Department of Social Services.

YES - By electing EARLE STEVENSON, whose management experience and education equip him to see that procedures are written into budget laws to protect our tax dollars.

Manchester Stamping Exceeds Goal Celebrate 40th Anniversary

For seven consecutive years Manchester Stamping Corporation has earned an Outstanding Citizenship Champion Award from the United Fund for exceeding their goal. Again this year they are the first to wrap up their campaign in the Industry Division.

Chairman Clarence Fielder says that his division so far has reached about 25% of the goal set for industry. With the help from generous people like those at Manchester Stamping Corporation and your generous contribution, we can indeed make our slogan "Help Us to Help Others" be meaningful all year.

UNICEF Drive Wednesday Oct. 30

UNICEF is children, not governments. The United Nations Children's Fund exists because over one billion children live in the developing countries of the world—children who suffer from hunger, disease, poverty, lack of education. Political differences do not deter UNICEF from its response to their needs, and it assists all countries who ask for aid to build services for their children.

UNICEF contributions become water pipes and pumps, high protein foods, medical supplies and vaccines, blackboards and pencils, bicycles and boats in long-range programs to help children. Assisted countries also contribute from their own resources on a matching basis. Training grants for teachers, health workers, and other local personnel are administered under UNICEF's control.

In the countries assisted by UNICEF, three quarters of the people have an average annual income of \$200 or less. These developing countries cannot fully support services for children from their own resources. UNICEF strengthens a country's own efforts in self-help programs; the assisted country contributes an average of \$2.50 in local resources for each \$1.00 UNICEF spends.

The annual UNICEF campaign will be conducted in the Manchester community on Wednesday, October 30, from 7:00 to 8:00 p.m. UNICEF workers consisting of 7th and 8th graders will conduct the canvass. The community is asked to generously support the UNICEF appeal.

Leaf Pick-Up

The Manchester Village Public Works Department will pick up leaves on Thursday afternoons starting October 24. Leaves must be bagged and at the curb.

LOCAL DOCTOR ATTENDS MEDICAL MEETING IN LOS ANGELES

Dr. William Purfield is attending the Annual Scientific Assembly of the American Academy of Family Physicians in Los Angeles. The medical meeting began October 14 and runs through October 17. More than 4,000 family doctors are participating in this once-a-year continuing education convalesce.

The local physician, who is a member of the Academy, will hear nationally-known speakers discuss up-to-the-minute health care topics. He will also have an opportunity to attend his choice of clinical seminars on 40 different topics and visit more than 110 scientific and 280 technical exhibits.

Subjects covered in this 4-day scientific session are of immediate interest to family doctors both in their everyday practices and in their continual endeavors to keep abreast of the latest advances in medicine. This year, topics include hypertension diagnosis and management, management of pain, synovectomy in rheumatoid arthritis, and the minimal brain damaged child.

The Academy, headquartered in Kansas City, Mo., is the nation's second largest medical association and the only national medical organization that requires its more than 36,000 members to keep "going back to school." All AAFP members must complete 150 hours of continuing education every three years.

The Manchester Senior Citizens will now be ready (with the help of the local scout groups) to help seniors or disabled persons with such tasks as leaves raking, storm window cleaning and installing, and taking trash to the dump on October 26, this Saturday.

Call Dick Wolfe at 428-8334 or Greg Kammann at 428-8359 to have someone from the Jaycee's or the scout groups help out around the home this Saturday.

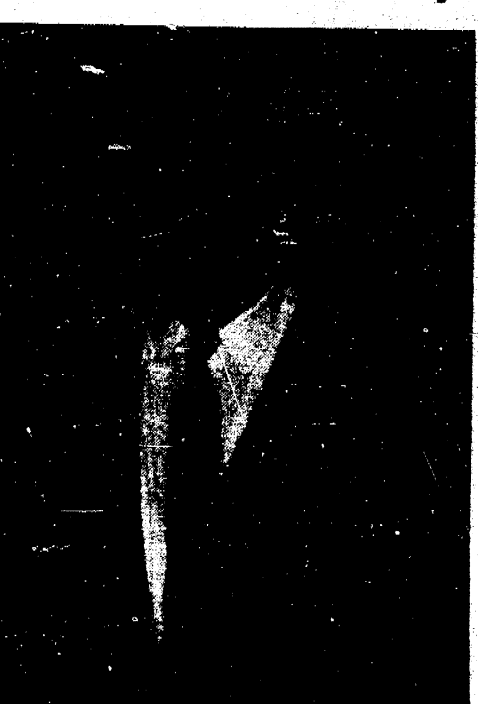

Lend-A-Hand Day Saturday

The Manchester Senior Citizens Reading Club on Tuesday, October 29 at 2 p.m. at the Emanuel Church Hall.

Mr. Robert Plummer will speak to the group on The Early Life of Carl Sandburg.

On Wednesday, October 30 the Manchester Senior Citizens will take a trip to Jack Miners Sanctuary in Kingsville, Ontario. The bus will leave the Emanuel Church parking lot at 11:30 a.m. Sharp.

Born to Mr. and Mrs. Gary Reynolds of 13563 Sharon Hollow Rd., Manchester, a girl on October 8 at Herrick Memorial Hospital, Tecumseh, named Lori Arlene.

Helping Hands

The Manchester Jaycee Auxiliary again this year will be running a project called Helping Hands.

If you would like a picture of a helping hand in your window to assist a child in need of help or an elderly person needing help, send your name, address, phone number to: Manchester Jaycee Auxiliary, P.O. Box 314, Manchester.

Lend-A-Hand Day Saturday

Deadline for applications will be November 1, 1974.

Klager School To Have Open House

On Wednesday, October 30, there will be an Open House at the Klager Elementary School at 7:30 in the evening. The purpose of this Open House will be to give parents an opportunity to meet the teachers and the teachers a chance to explain and describe what and how they teach.

Parents are asked to go directly to their child's room where the teacher will present a brief description of what takes place in the classroom. This will be followed by time allowed for parents to ask questions, look at materials that are being used and of course to have some refreshments.

OUR TRIP AT CAMP LINDEN

October 4, 5, and 6 at Camp Linden, Troop 186 went to the Fall Ball. We had fun square dancing and just visiting other camps. We camped in tents in a alfalfa field.

On Friday we arrived at Camp Linden at 7:30 p.m. We packed lunches before we left.

Saturday morning we had pancakes and sausage, Saturday afternoon we got our own lunches, Saturday night we had Girl Scout stew.

Sunday morning we had french toast, donuts and bacon. Sincerely yours, Troop 186
