Manchester Stamping Exceeds Goal Celebrate 40th Anniversary

For seven consecutive years Manchester Stamping Corporation has earned an Outstanding Citizenship Champion Award from the United Fund for exceeding their goal. Again this year they are the first to wrap up their campaign in the Industry Division.

Chairman Clarence Fielder says that his division so far has reached about 25% of the goal set for industry.

With the help from generous people like those at Manchester Stamping Corporation and your generous contribution,

UNICEF Drive Wednesday Oct. 30

UNICEF is children, not governments. The United Nations Children's Fund exists because over one billion children live in the developing countries of the world—children who suffer from hunger, disease, poverty, lack of education. Political differences do not deter UNICEF from its response to their needs, and it assists all countries who ask for aid to build services for their children.

UNICEF contributions become water pipes and pumps, high protein foods, medical supplies and vaccines, blackboards and pencils, bicycles and boats in long-range programs to help children. Assisted countries also contribute from their own resources on a matching basis. Training grants for teachers, health workers, and other local personnel are administered under UNICEF's control.

In the countries assisted by UNICEF, three quarters of the people have an average annual income of \$200 or less. These developing countries cannot fully support services for children from their own resources. UNICEF strengthens a country's own efforts in self-help programs; the assisted country contributes an average of \$2.50 in local resources for each \$1.00 UNICEF spends.

The annual UNICEF campaign will be conducted in the Manchester community on Wednesday, October 30, from 7:00 to 8:00 p.m. UNICEF workers consisting of 7th and 8th graders will conduct the canvass. The community is asked to generously support the UNICEF appeal.

This year, topics include hypertension diagnosis and management, management of pain, synovectomy in rheumatoid arthritis, and the minimal brain damaged child.

LETTERS TO THE EDITOR

TO THE PARENTS OF HIGH SCHOOL STUDENTS

When you call the school indicating that your son or daughter will be out of school, it is not necessary to also write a note.

The fact that the note reads that a student is sick does not make the absence exempt from the 12 day limitation. All absences regardless of reason will be applied to the 12 day limitation. Once the 12 day limit is reached special consideration will be given for extenuating circumstances only.

There is no such thing as an excused or unexcused absence--Within the limits of the policy a student is given an opportunity to make up the work. People are concerned why they are receiving letters from the school when they already have communicated with the school. The policy reads that the parents should call the school when their son or daughter is out of school--or the school will make a effort to call the parent. A note is accepted the following day.

The Board of Education is insisting that

the administration communicate with the parents giving a record of the absences. These letters will be sent after 3 absences; 6 absences; 9 absences and 12 absences. These letters are intended to give the parents an accurate record of attendance. If the parent is in agreement with the absences there is no need for follow up. If there is disagreement please call the principal.

The reason for parents calling or sending a note is to increase communications between the home and the school. On a number of occasions when the school called the home, the parents were unaware of the absences--in other words this is a good way of determining skipping.

AREA AUTHORESS RECEIVES LETTER FROM MICHAEL FORD

"I wrote Michael Ford because I had read that he and President Ford had both trusted Jesus Christ as personal Savior," Lorella Rouser says.

"When I heard about his mother's illness, I felt my chances of obtaining an interview plummet from little to zero. I never expected a page and a half handwritten reply."

President Ford, in a recent letter to Billy Zeoli of Gospel Films, stated, "Because I've trusted Christ to be my Savior, my life is His." Zeoli's friendship with Ford began when Zeoli stopped by Ford's Grand Rapids office to meet his congressman. Later they met regularly for prayer and Bible study. Ford has been a lifelong churchgoer, but according to Zeoli, he personally invited Jesus Christ into his life two years ago at a Washington Redskins-Dallas Cowboys pregame Chapel at which Zeoli was unofficial chaplain.

Michael Ford, now a theological student, is more outspoken about his faith. At an early Spring prayer luncheon in Grand Rapids this year, Mike was asked to close with prayer. He surprised everyone by seizing the opportunity to testify, "I would like to share with you how Christ touched my life three and a half years ago." Mike said he realized that the joy and peace he was experiencing was "very temporary" and "channeled to number one, to me." His closest friends shared the Gospel with him and Mike said he "realized the new life available thru Jesus Christ."

Lorella said Mike's letter was con-

tinued with what she had read about his faith. He said he felt his primary responsibilities at present are, "building a Christian home with my new bride, closely supporting my family in their new and demanding role, pursuing a theological education, contributing as an active member in my local church family, and maintaining and cultivating those personal relationships to which God has called me."

The letter added, "I appreciate your Christian witness in the area of Christian journalism and I pray God's rich blessings on your work," and was signed, "Faithfully in Christ, Mike Ford."

Lorella says she was "thrilled that people from all levels of society are seeing their personal need of Christ." Concerning the President's recent pardon of Nixon she said, "I'll reserve judgement on that since I don't have all the facts. It's easy to criticize but it's more beneficial to pray for those in authority."

LETTER TO THE EDITOR

Isn't it funny after the millage was defeated, how worried and concerned Mr. Swartz and our Board of Education were about our children's education and well being. At least that's what they would like us to believe. At one of the school board meetings, Mr. Klager told the parents how concerned the board was about the good relationship between the parents and teachers. If they had any problems to tell the superintendent and get the problem solved as soon as possible. One gentleman told how one couple came to

a board meeting and everytime they tried to say something they were shouted down. He said he would have them come to a meeting to prove the point if they so desired. This sounds like some of the very same things that happen at the Village Council meetings, or so I have been told since I moved to Manchester. Some parents told of the need for a better discipline policy in the schools. They also asked if the teachers couldn't stay in their room for a short time after class so parents who wanted to, could talk to them. The parents also discussed a certain teacher and his attitude towards some of the students.

I attended a meeting that was called in Sharon Township where Reno Feldkamp told of the need for the millage to finance our schools, and the need for a general manager to work under Mr. Swartz. He said a savings of \$6,000 could be made. Someone said "is that \$6,000 over and above the \$15,000 for his salary." Then he talked for some time on the computerized accounting of the budget for the different schools. I never heard someone talk so long and say so little. I don't know who wrote the school news letters, but everytime one came it made me feel like voting no. After the millage was passed the news letters stopped coming. What a relief. I think it would make interesting reading to know how many of those yes votes were property owners, and how much school property tax Mr. Swartz pays, seeing he is so generous with our

MANCHESTER BAPTIST CHURCH

The poet, Paul Lawrence Dunbar, describing his dissatisfaction with life penned these words:
"A CRUST OF BREAD, AND A CORNER TO SLEEP IN, A MINUTE TO SMILE AND AN HOUR TO WEEP IN, A PINT OF JOY AND A PECK OF TROUBLE, AND NEVER A LAUGH BUT THE MOANS COME DOUBLE: AND THAT IS LIFE!"
There are many that would agree with Mr. Dunbar. Life for the multitude are described in the words of his poem. But your life doesn't have to be that way. You can know what it is to really live.
A new life with a deep settled peace in the heart and a new direction for living come from knowing Jesus Christ as Saviour.
Jesus said: "...I AM COME THAT THEY MIGHT HAVE LIFE, AND THAT THEY MAY HAVE IT MORE ABUNDANTLY... HIM THAT COMETH TO ME I WILL IN NO WISE CAST OUT" (John 10:10;6:37).
Neighbor, why not call upon Jesus now and get this matter settled.

lip was the Dutchmens 5th man in 20th place with a solid 17:24 clocking.

Completing the varsity seven for Manchester were Terry Brown and Joel Tobias. Freshman Brown ran his strongest race of the year as he clocked 17:49 in 44th while Tobias finished 51st with a 18:12 clocking.

Although Manchester's Junior Varsity

CROSS-COUNTRYMEN RUN WELL BUT LOSE TITLE

Our Manchester High cross-country team put together a fairly strong 89 point performance Saturday at the 2nd Annual Manchester Cross-Country Invitational, but were still dethroned of the championship they won in 1973 by a strong Brighton squads 77 points. Brighton has become one of the areas strongest class "B" teams and of the top 5 finishers Saturday only Manchester wasn't a class "B" team.

Manchester and Brighton prtty much left the rest of the field behind as 3rd place finisher Chelsea had 112 points, and 4th place finishers Columbia Central and Salline had 123 points. League for Grass Lake had 142 points in 6th place, St. Thomas 159 points in 7th, Napoleon totalled 172 points to finish 8th with Dexter (195 points) and East Jackson (201 points) trailed behind in 9th and 10th places.

The individual race was as exciting as expected with a new course record being set by Columbia Central's Tim Terrill in 15:52.

Manchester was led by Senior Co-Captain Phil Krzyzaniak's 16:24 clocking in 6th place. Following Phil in were Dutch Sophomore Bob Smith in 13th place (16:49), Juniors Tom Opal and Dan Schable placed 20th and 24th on 17:06 and 17:18 clockings for the 3 mile course. Rapidly improving Sophomore Dan Hes-

team also lost the title it won a year ago but Coach Larry Steeb was pleased nonetheless as all of the Junior Varsity team clocked their fastest home-course times to date.

Gary Bondy started things off for the Dutch J.V.'s, with a 19th place finish (18:37), followed closely by Barry Seltenright (20th-18:40).

Mike Forner was the next finisher for the Dutchmen JV in 25th (19:10) followed by Tom Krzyzaniak (32th-19:35), Eric Norgaard (34th-19:54), Ben Smith (37-20:18), Mark Gumbler (47th-22:05) and Scott Barber (55th-27:21).

HARRIERS RIP HUDSON

Manchester continued its winning ways in cross-country last Wednesday as they ripped a twice beaten Hudson team 21-35.

Phil Krzyzaniak continued his L.C.A.A. dual meet victory string, as he chalked up his 5th victory with a 16:48 clocking.

Sophomore Bob Smith remained Manchester's number 2 runner and was also the meets second place finisher with a solid 17:06 clocking.

Remaining Manchester Placers: 5th-Tom Opal-17:37, 6th-Dan Schable-17:46, 7th-Dan Heslip-17:56, 10th-Joel Tobias-18:13, 12th-Terry Brown-18:26, 15th-Gary Bondy-19:06, 16th-Barry Seltenright-19:24, 17th-Tom Krzyzaniak-20:10, 18th-Kurt Kensler-20:36, 21st-Mark Goenther-24:30, 22nd-Scott Barber-26:33.

DUTCHMEN SUPER TOUGH

By Jon Hardenbergh

Manchester traveled to Hudson to challenge the states number 1 class C school. Despite the fact the Tigers were undefeated so far this year and hadn't

lost in 59 games the Dutch had some surprises in store for Hudson.

Shortly after the kick the Dutch defense proved unyielding so Hudson was forced to punt. Manchester then called up 2 first downs before punting back to Hudson. Unbelievably the Dutch stopped the Tiger charge bringing another punt. This time the Dutch stalled in 3 so had to punt.

Unfortunately the ball was centered over the Dutchmen's head. Hudson had great field position-first and ten on Manchester's 21. But the Dutch defense were unmovable as Manchester's offense took over on downs. Going from bad, to good, to worse, the Dutch fumbled the first play with a Tiger recovering. Several plays later Hudson crossed the white line for 6-the try for 2 was no good so Hudson took a 6-0 lead. At half the score remained 6-0. I was amazed! The Dutch were playing hard (for they had nothing to lose) and all Hudson had done was score 6 on a lucky break.

As the second half started Hudson was aware that Manchester wasn't going to be an easy push over as their winless record showed. But some very untimely calls kept the Dutch squad winless.

A long punt return by a Dutchmen was motored into the end zone for a TD only to be called back on a clipping penalty. Next the Tigers moved the ball in for a TD with the 2 point conversion good making the score 14-0. Manchester then took the ball to the Tiger's 2 yard line.

Naturally, we prefer companies like Auto-Owners who look at a loss and take care of it right away, without haggling or delays. That's one of the reasons we're part of the Altogether Family. Ask
Senator
GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I hear there are lots of neat things being planned for the Bicentennial, even a coast-to-coast bike trip for cyclists from all over the world! How can I find out more about these and other events?

—J. P., Royal Oak

Not only is there going to be a "Bike-Centennial '76," there's also going to be a horse-drawn wagon-train trip from Los Angeles to Valley Forge!

To keep up with Bicentennial events being planned nationwide, write to the American Revolution Bicentennial Administration, and ask to be put on the mailing list to receive the "Bicentennial Times," published monthly. The address is: 737 Jackson Place, N.W., Washington, D.C. 20276; and it's free.

I think it's great that President Ford is a "man of Congress." How many other Presidents have served on Capitol Hill before coming to the White House? —F. G., Lansing

Almost two-thirds of our Presidents served in Congress before going to the White House. Seven (including President Ford and President Lincoln) came from the House of Representatives, five from the Senate, and eleven served in both Houses of Congress.

In fact, a couple of Presidents (John Quincy Adams and Andrew Johnson) went back to Capitol Hill after leaving the White House. So, like President Ford has said— Pennsylvania Avenue can be a two-way street!

Even Tigers Go For Cookies

Tony the Tiger says Tiger Cookies are "Gr-r-reat!" What further endorsement is needed?

These cookies are true to their name with stripes of melted chocolate morsels running through each cookie. Better watch these first ones, warm and fresh from the oven. You know how tigers, even make-believe tigers, feel about sugar coated corn flakes. Now you can guess what's inside Tiger Cookies.

TIGER COOKIES

- 3 cups sugar coated corn flakes
- 2 cups regular all-purpose flour
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1 cup regular margarine or butter, softened
- 1 cup sugar
- 2 eggs
- 1 teaspoon vanilla flavoring
- 1 pkg. (6 oz., 1 cup) semi-sweet chocolate morsels, melted

1. Measure sugar coated corn flakes; crush to 1 1/2 cups. Set aside.
2. In small mixing bowl, stir together flour, soda and salt. Set aside.
3. Measure margarine and sugar into large mixing bowl; beat until well combined. Add eggs and vanilla; beat well. Add dry ingredients; mix thoroughly. Stir in crushed sugar coated corn flakes. Swirl warm melted chocolate lightly through batter, leaving large streaks of chocolate. Portion by level measuring-tablespoon onto ungreased baking sheets.
4. Bake in oven at 375° F. about 12 minutes or until lightly browned. Remove from baking sheets; cool on wire rack.

Yield: about 5 dozen cookies

only to fumble with a Tiger gathering the loose sphere and running it to mid-field. The Dutch hadn't given up yet as they intercepted a pass running it back very close to the Tiger goal. Again a long gainer was nullified on clipping. After this Manchester's poise was worn down as Hudson added 16 more to conclude 30-0 victors.

Let me say this for myself and the many who made the comment to me. The Dutch played super ball, giving all out. Without some critical mistakes the outcome might have been different. The squad and coaching staff deserve credit for a well played game.

On Friday the Dutchmen play host to the Aggies from Sand Creek. Both the Dutch and Aggies have one big identical statistic—both are in search of their first win of this season. This is Dad's Night denoting the last home (League) game of the 74-75 campaign. I won't put myself on a limb to predict a win but if I were to lay odds—they would be in strong favor of the Dutch.

High School football Trivia—My first glance at the scores last week saw me almost awarding Traverse City-St. Francis the high score honors by wiping out Kalkaska 76-6. But on further inspection, I award high score to Midland who dismantled Saginaw 81-0.

GIRLS LOSE FIRST

It finally happened—the Dutch went down to defeat for the first time this season having won 7 straight. Now the girls have a 7-1 overall record with 3-1 league standing.

Grass Lake led all the way with a 5 point lead at half and a 34-25 score at the end of three. With 1:30 left Manchester closed the Warrior lead to 1, but a Dutch foul followed by a Grass Lake 2-pointer, shut the door on the Manchester girls, 44-42. Leading scorers were Denise Galinis with 11 points and Nicki Lentz with 10.

Next home game is Tuesday, October 29 against Hudson.

DUTCH J.V.'S GET WALLOPED BY HUDSON

By Tom Fitzgerald

Last Thursday night the Dutch J.V.'s looking to pull off an upset victory over a powerful Hudson team, but unfortunately didn't quite work the way Manchester planned, as the Tigers of Hudson scored at will in the first half to take a 30-0 lead after only 2 quarters. The Dutch just did not show the poise and stamina they had in earlier games, with their offensive line just completely caved in, the J.V.'s couldn't spring their great running backs. Only twice in the first half did the Dutch look like a team and both times their touchdown bound drives stopped by penalties and just plain bad blocking. Curt Fielder running from the Hudson 40 to the 2 yard line on a quarter

bound, Fielder mixing up his plays masterfully, moved the fired up Dutchmen down to the victims 2 yard line. From there it was pure football muscle as Curt Fielder with help from his center and guards Lou Ross and Mike Molnar shoved it over at the gun. With no time remaining Tom Ross bulled over the same spot for the 2 point conversion. Final score Hudson 30-Manchester 8. The defense led by the end Mike Fisk played brilliant the second half helping the offense led by Curt Fielder.

The Dutchmen now travel out to Sand Creek to play the vengeful Aggies who were buried last year 68-0 and I look for them to be improved so travel out and enjoy the countryside on the way over. The game will be played at 7:00 Thursday.

I went to a school board meeting Oct. 14, at which time Mr. Swartz said the proposed budget should be adopted. A projected balance at the end of the school year would be \$45,000. After listening to Mr. Swartz at the different school meetings he reminded me of some of our politicians, he has a good gift of gab and a lot of hot air and I think more than his share. I wonder if those minutes in the paper were written by him or someone he told what to write.

Walkow and Reno told about the repair work that was to be done to the schools and asked the general manager why it wasn't being done. They had a bid on some concrete work from Mr. Walz for \$1500. Bob Evans made a motion to accept the bid at which time a couple of ladies asked how come they didn't get bids on the work to be done. After a little discussion, Mr. Evans withdrew his motion and asked the general manager to get more bids.

Mr. Walkow told about the field trip that was taken and how the parents and school children sat in the bus for 3/4 hour waiting for the teachers to return from their shopping trip. The ladies also asked Mr. Swartz how the jobs at the school were filled, such as secretarial and other jobs that might be available. He replied that he had a long list in

his office, of names that had applied for these jobs. He said it was on a first come, first hired basis. This makes one wonder how Mrs. Evans got on the top of the list.

The board received a letter from Tom Marshall, Inc. which they did not read the full content of. There are stories going around that they bought the bus in Ohio and saved \$1750. The new general manager bought the bus and Mr. Walters is covering up for him. I understand the Ford chassis was bought in Plymouth, and the body was bought in Ohio. It sounds like the other deal a year ago when Mr. Swartz ordered two buses from McFadden Corp. without even going to our local Ford dealer. Then he found out he had to go through a local dealer. How come they don't get bids from other dealers like the other schools do? Now we have a general manager who makes \$15,000 a year to be another rubber stamp for Mr. Swartz. I wonder if Mr. Swartz really knows what the word "truth" means.

To the voters of Manchester Township our supervisor and some trustees time runs out and are up for re-election. Are they worthy of our votes? When they can't even put in the paper that their terms are expiring and they are seeking re-election and want our support. All of the other townships had theirs in the Ann Arbor News about who was seeking re-election and the names that were running for the first time. Whether the law requires this information to be published or not isn't the point.

Agriculture in Action

Michigan Farm Bureau

The few desperate cattlemen who slaughtered and buried their calves to call public attention to their plight have given agriculture a "black eye" and have made it tough for the majority of farmers who value their producer-consumer relationships. Throughout the recent, trying period of inflation, farmers and consumers have maintained a good understanding, through communication, of each other's problems.

That's why a majority of those involved

in agriculture are concerned about consumer reaction to the negative, grandstand play of a few farmers. Most of them believe that negative actions, such as the recent slaughtering of calves, breed negative reactions. They understand how consumers are "turned off" by the sight of appealing, soft-brown-eyed, defenseless calves being shot and buried. They, too, are turned off by such irresponsible action.

Consumers should be relieved to know that in Michigan—61,000 families belong to Farm Bureau, and nationwide—over two million. And these farmers who belong to the largest farm organization believe in a more appropriate, positive method of solving their economic problems.

While they share the very real concerns of the livestock farmers who resorted to the appalling action, they abhor their tactics of getting the message across that they are in a serious predicament. There's no question that livestock producers are in trouble. They have suffered price drops of 30 to 40 percent during the past year and, at the same time, their costs of

production have increased close to 20 percent—which means they are losing money on practically everything they send to market. But their grotesque action won't solve the problem.

Farm Bureau families believe the ideal solution would be a better price incentive for livestock farmers to continue producing meat and a moderate price to consumers—two goals which are not incompatible. They favor a positive approach to move livestock, such as "Give Meat for Christmas" campaigns, and other promotional efforts to encourage meat consumption.

This kind of action, no matter how

positive, won't bring back those bely calves—but, hopefully, it will reassure consumers that most farmers do not resort to cattle massacres to solve their problems. The black eye they must share because of the actions of a few of their number is very painful—even if they were only innocent bystanders.

The hardest job we know is trying to be impartial.

Freedom is too often taken for granted by Americans.

Security for your investment dollars is more important than ever. A 7½% Certificate Account is the smartest way to protect your dollars from inflation and a falling market. \$10,000.00 invested in a 7½% Certificate Account will grow to \$13,461.14 in just four years, with interest compounded. The same \$10,000 invested in the stock market in the last two years would have struck one third or one half or more. Bonds fluctuate. Gold and silver fluctuates. The best hedge against inflation is a non-fluctuating AAFS certificate. Of the investments mentioned it is the only one insured by an agency of the Federal Government.

The 7½% per annum Certificate is a solid investment that actually provides an effective annual rate of 7.71%. It is available in amounts of \$1000 or more for four years. There are lots of new ways to invest today, but one of the best ways to safeguard your capital and guarantee income is a Certificate Account at Ann Arbor Federal Savings.

Federal regulations require a substantial interest penalty for early withdrawal from certificate savings accounts.

Herbert Bersuder Receives Four Gallon Pin

Another successful blood clinic with the Manchester Red Cross Club's second four-gallon donor, Herbert Bersuder, pinned at the 25th Bloodmobile to be held in Manchester since 1958.

(Edward Galloway had received his four-gallon pin in March 1973.) The Club has been an active community blood club registers with the American Red Cross since 1951.

There were six one-gallon donors-Tod Armentrout, Larry Goodell, and Double A employees Robert Peters, Richard Kuntz, Lauren Huber and Richard Thompson; and one three-gallon donor, Henry Nottan from Manchester Tool and Die. In all, 131 pints were donated and 27 who offered their blood were deferred until another clinic because of temporary medical restriction.
