## "The Fighting Chance"

By Jon Hardenbergh  
Abraham Lincoln once said "I will study and prepare myself so that when my chance comes I shall be ready". I feel when something interesting and important is witnessed it should be shared with others. I recently visited the Ottawa Area Center. This school located 15 miles west of Grand Rapids is designed for the trainable mentally retarded. They work with 150 students from ages 2 to 25.

The class I was guest at was the young adults which were from age 18 to 22. Each student was asked by the teacher, Mr. Byer, to stand and introduce themselves to me. The names of these students are: Russel Hayes, Roy Salton, Poncho Medellin, Ken Scholten, Doug Jones, Lonnie Hambleton, Judy Johnson, Judy Schneider, Sally Weavers, Barb Manning, Janie Fike and Jo Polinski, then the student teacher Mary Simmons from Manchester.

The students on Monday and Wednesday have classes in the A.M. pertaining to Academic studies (Math, Speech, etc.) then in the afternoon have gym. On Tuesday and Thursday the students are involved with pre-vocational skills (these range from general homemaking, sewing, woodshop to sports). Fridays are a sort of "fun day" in which the students have a choice of doing 4 things during the day (Homemaking, woodshop, sports like swimming, gymnastics, basketball etc.) Even saddling and riding the pet horse.

I being interested in sports watched first the swim club. Several students were quite good with others showing good potential (especially when I was informed they had been swimming less than one year!) I was told by Mr. Byer that there will be an olympics in May on the campus of Grand Valley State College for the students to show their skills in sports. Next, boys basketball. If you think high school games are physical-but honestly there were several with good basketball ability. I was told (by the girls) their team is better. Fortunately (for me) I left before I could see the girls play so I can stay neutral.

Following the sports, I was asked to stay for lunch. After eating in candle light and to the music of Johnnie Cash, I departed feeling good having made new friends with the hope of seeing all again. In closing another quote from Lincoln "You cannot help man permanently by doing for them what they could and should be doing for themselves."

## Band Boosters "Eastern Market"

The kitchen at the Sauter residence was converted to a candy factory one Saturday afternoon as several band members made their favorite jewel candy to sell at the Band and Orchestra Boosters "Eastern Market". Finding it difficult not to eat all their profits were John Olson, Rob Rodriguez, Mark Dresch and Kurt and Karl Sauter.

The "Eastern Market" will be held at the American Legion Bingo Parlor on

Saturday, November 16 from 9:00 a.m. to 5:00 p.m. Along with the boys candy other items will be sold such as candies, donuts and cider, baked goods, jams and jellies, needlework and handicraft. The proceeds will be used for the summer camp program. Shopping on Saturday at the "Eastern Market" will not only give you pleasure, but will also benefit the young people in the band and orchestra. We hope to see you there.

Dear Editor:

Thought maybe you would be able to get a correct answer for me through your paper.

As a voting citizen I am asking, if this is a free Democratic country we are living in, why is there a time limit of two minutes on any person voting. I realize the lines at the polls get lengthy but, if we do not take time enough to vote the way we feel why vote at all. Furthermore for the senior citizens the new voting machines must be very confusing, as I step in that is how I feel, and I am not yet a senior citizen. It seems we should be more appreciative of their efforts and interest. This comment was not meant for any one individual directly, I'm certain it was meant for all voters. I would like to know if there is a time limit, if so perhaps we should go back to the old style voting.

From, a voter who wonders why, I took my time, and wasted energy to vote at all, except I am proud to be an American and feel it is my duty and privilege.

Letter to the Editor:

Thanks to Ms. Kellum for her letter to Mr. George Roose of Cedar Point, Inc., in defense of our land against invasion by the proposed amusement park. Now can anyone substantiate or deny the rumor I heard recently that Disneyland has taken an option on land somewhere on Sharon Hollow Road?

If there is substance to this rumor, the proposed location is an even closer and greater threat to us in this area than the spectre of Cedar Point 10 miles distant.

If big money interests have their way, this whole lovely area will eventually be turned into an overgrown, heavily trafficked, cheap amusement strip. Let's not let that happen!

A. Smith

Letter To The Editor:

I feel the motives behind my recent letter in The Enterprise may have been misunderstood by George Macomber. Evidently I was vague, and therefore will attempt to correct the situation.

The point of my letter was that certain adjectives used by Mr. Macomber can color otherwise factual information so that the reader is misled into believing something is that isn't. However, I am quite pleased that he agreed that people are not being shouted down at School Board meetings, and that he has also seen some recent changes.

I voted NO in June because I felt the School Board and Administration had not been dealing with many problems that had been called to their attention in the past. Evidently others had similar frustrations, and the time between millage elections was used by many of us to express our dissatisfactions to them.

At that time I felt they listened and intended to change. I also knew that the many changes being requested would take time to implement, and even longer to evaluate.

At this point, I feel the Board has started to deal with some of the dissatisfaction. They need, and I assume, want the facts as we see them as the school year progresses. The more timely and factual we are with our feedback the greater its credibility and the chances for corrective action.

In June we will have the opportunity to vote their report card; but in the mean-

time, we all have the mutual responsibility to keep the lines of communication open and get as much accomplished this year as possible.

**BAPTIST PULPIT**

What makes a person a Christian? What criterion may we use to make a judgment with? The term "Christian" covers a broad area. Some folk will give us as confused as to just what a Christian really is. Some people believe they are Christian because of heritage, their generosity, neighborliness, and goodness. Others equate church membership, baptism, circumcision, and confirmation with that which makes one a Christian.

Now very good, well intentioned, people can be in error. One can with all honesty and utmost sincerity believe in a thing and be wrong. Haven't we all at one time or another been guilty of this? This writer can certainly plead guilty to that.

There must be a source of final authority. A source that one can turn to with unshakable faith as being true. That final authority must be the Word of God, the Bible. And in speaking of Bibles, a person

will never go wrong by staying with the King James Version.

The Bible tells us plainly what makes one a Christian. Jesus said that a Christian is one that hears and believes the gospel.

"VERILY, VERILY, I SAY UNTO YOU, HE THAT HEARETH MY WORD, AND BELIEVETH ON HIM THAT SENT ME, HATH EVERLASTING LIFE, AND SHALL NOT COME INTO CONDEMNATION; BUT IS PASSED FROM DEATH UNTO LIFE". (John 5:24).

To hear and believe the gospel means that we turn from sin and unrighteousness to faith in the Saviour. God hears the cry of sinners when they are willing to call to Him as the one in Luke 18: 13 did when he prayed, "...God be merciful to me a sinner."

When one does this, then he can say with J. Sidlow Baxter: "HE FOUND ME WITH A BURDEN, AND HE LIFTED IT FROM ME; HE FOUND ME BOUND AND FETTERED, AND FROM SIN HE SET ME FREE. HE FOUND ME IN THE DARKNESS AND HE MADE HIS LIGHT TO SHINE. CAN YOU WONDER THAT I LOVE HIM, THIS SAVIOUR-FRIEND DIVINE?"

**Risner-Hainstock Vows Spoken**

A wedding ceremony was performed on November 2, 1974, by the Reverend Joseph Wise, at 6:30 in the evening at the Emanuel United Church of Christ in Manchester, Michigan.

The bride, Wendy Sue Hainstock, of Lansing, was given in marriage by her parents, Mr. and Mrs. Ernst Hainstock of Manchester to Willis Risner of Lansing, son of Mr. and Mrs. Simon Risner of Jackson.

Approaching the altar beside her father, the bride wore a white tiered lace bouffant gown with long lace sleeves and chapel train. Her veil of net and lace was secured by a lace caplet matching that of her dress.

The bride carried a bouquet of white roses with a single red rose in the center. Honor attendants were; Mr. and Mrs. Edward Bayna, friends of the couple from Lansing.

The matron of honor wore a navy blue velvet gown with long voile sleeves and velvet cuffs. A white and a red long stem rose were her only flowers.

Bridesmaids, Mrs. Roy Arnett of Jackson, sister of the groom and Mrs. William Hainstock, sister in law of the bride, wore identical dress as the matron of honor only of royal blue velvet. They carried a single long stem rose.

Jr. Bridesmaid, Robin Hainstock, daughter of Mr. and Mrs. William Hainstock wore a light blue crepe gown with long sleeves and mandarin collar. She wore a velvet bow with attached veil as did the other attendants. Robin also carried

a single red rose.

Amy Sue Hainstock, daughter of Mr. and Mrs. William Hainstock of Manchester, wore a short sleeved gown identical to that of the Jr. Bridesmaid. She wore a matching blue ringlet in her hair with white ribbon streamers in the back. Amy Sue carried a bouquet of lace, ribbon, and red and white variegated carnations.

Ushers for the Risner wedding were William Hainstock, brother of the bride, Roy Arnett of Jackson, brother in law of the groom and Jr. Usher, Timothy Risner of Jackson, brother of the groom.

Ring bearer was Master David Fowler Jr. of Manchester and son of Mr. and Mrs. David Fowler. He carried the double rings on a pillow matching the lace as that on the brides dress.

Singing "Because" and "The Lord's Prayer" with the accompaniment of the church organist was William Hainstock brother of the bride.

Mother of the bride was escorted down the aisle by her son, wearing a red, white and blue floral gown with short sleeves. She had a corsage and carried a single red rose as did the groom's mother. Mrs. David Fowler, who wore a royal blue polyester dress with long sleeves and black accessories.

The reception was held at the Manchester Sportman's Club with Mrs. Walter Ross of Traverse City attending the guest book. Mrs. Ross is the brides aunt.

Other helpers were Mrs. Vicki Thornton of Bridgewater, Mrs. David Fowler, Mrs. Donna Weston and Miss Cathy Leach, all of Manchester.

After rehearsal on Friday night, ice cream and cake was served by Mrs. William Hainstock at their family home in Manchester.

**FIELD TRIP ALLEGATIONS UNFOUNDED**

Allegations that teachers on a field trip had left their students to go on a shopping trip were proven false when a meeting of participating room mothers was held Thursday evening, November 7, 1974. Meeting with Board of Education members, fourteen mothers who had accompanied the field trip to Detroit's Eastern Market overwhelmingly supported the teachers in charge of the field trip. During the discussion it was pointed out that one group of trip participants was delayed on a special tour and failed to meet at a designated time. Several room mothers indicated that field trips should continue and it was their hope that the teachers would not be discouraged by this unfortunate incident.

Phil Krzyzaniak, here holding trophy he won at the Stanton Invitational, is the top 3 miler in Dutchman history.

Senior Co-Captain Phil Krzyzaniak ended his career as a cross-country runner at Manchester High Saturday when he ran in the 2nd Annual "Meet of Champions". The meet of champions is open only to the top qualifiers to the state class "A", "B", "C" and "D" final meets. Phil qualified by virtue of his strong 13:17 clocking, good for 8th place in the state

regional meet.

Saturday Phil placed 32nd in an outstanding 60 runner field gathered at Sharp Park in Jackson. Phil was timed in 16:46 over the 3 mile course. The clocking gave Phil 11 of the top 20 times ever recorded by a Dutch cross-countryman over the 3 mile distance. Krzyzaniak also is the fastest Dutchman runner with two 16:13 clockings to his credit.

DUTCH TOP IRISH

By Jon Hardenbergh

Manchester rolled to their third consecutive win as they closed their 74-75 season. The Irish from St. Thomas couldn't stop the Dutch offense in the second half as Manchester hit for 18 points. This was enough to upset the favored Irish 18-15.

The beginning few minutes looked good for the visiting Dutch, as they stopped the Irish to march right down the field. Manchester had first and goal on the 8 yard line but in three plays hadn't pushed it over. On fourth and one the Irish defense met the Dutch and brought them up short of the goal so the St. Thomas offense took over. The Irish quarterback threw a swing pass and the receiver broke tackles as he rambled 72 yards before Bill Mann caught him. The next Irish play was a run up the middle for a touchdown, but an off-side penalty nullified this six. Several plays later the Irish completed a 23 yard pass which gave them first and goal on the 4, as time ended in the first quarter.

Two plays later an Irish took the ball in for 6 from 1 yard out. The extra point kick was good, so the Irish led 7-0. Being stopped on the 1 then St. Thomas coming back to score seemed to cause a quick deterioration of the Manchester squad. The Irish literally ran over the Dutch defense. When Manchester did get possession it didn't last long as an Irish intercepted. Oddly enough even though St. Thomas dominated there was no further score. At half it still was 7-0. I don't know what Coach Schick said to the guys at half but whatever it was

it worked. Manchester came out roaring for blood.

They stopped the Irish offense without gains or negative yardage. When they got the playkin the Dutch plowed straight down the field with Tim Kocesi scampering in from the 2. But the extra point kick failed so Manchester still trailed 7-6. Ron Steele played hero by snatching an Irish aerial on the 50 and returned the ball to the 20. Several plays later, Scott Evtlisizer took a hand off at the 10, dodged a would-be tackler at the 8 then motorized into the end zone for 6. The kick was blocked but the Dutch had captured the lead 13-7. The Dutch gained 88 yards in this quarter.

Now in the final quarter the Dutch defense again stopped the Irish forcing a punt. The offense gained control with over 9 minutes left in the game. 6 minutes later the Dutch quarterback, Jeff Clark, sneaked in for 6, uping the Manchester tally to 18 while St. Thomas had their second quarter 7. The Irish did fight back but the clock was against them. After a 40 yard completed pass the Irish threw a 29 yard TD bomb. The Irish went for 2 successfully as they narrowed the score to 18-15. The main factor was that only 11 seconds remained. Following an unsuccessful onside kick the clock ran down. Manchester held on to win 18-15. Manchester totaled 227 yards and had 14 first downs to St. Thomas's 5. St. Thomas William Johnson 1 run (Pete Lemmer kick), Manchester Kocesi

2 run (Dick failed), Manchester Evtlisizer 10 run (Dick blocked), Manchester J. Clark 2 run (Dick failed), St. Thomas Rick Bricault 29 pass from John Wright ( 2 point conversion), Manchester-0 12 6 - 18, St. Thomas 7 0 8 - 15.

High School Football Trivia-High score honors go to River Rouge as they battered Ypsilanti Willow Run 89-0. Offensive Battle honors go to the Detroit Redford Union-Detroit Thurston contest, as Redford edged Thurston 41-40. Very special season honors go the Hudson Tigers who sneaked by Class B Hillsdale 16-14 to continue their consecutive winning streak to 62.

VARSITY GIRLS DEFEATED

The varsity seems to have a problem getting back in the win column as they dropped their fourth league contest to the visiting Aggies from Sand Creek.

The Aggies led all the way holding a 9 point lead at half and uping their lead to 11 at the completion of 3 periods, 35-24. Manchester did whittle the lead but failed to get closer than 5 as the game ended 43-38 Aggies.

Leading scorer was Chris Kulahynicky followed by Vicki Wurster.

## Class Works In Mass Production

Glenn Hlavka, Mike Tindall, Jim Fielder

Mike Kyle and Scott Mester

Rick Smith and John Ganzhorn

The senior metals classes at the high school have been involved in a class project of mass producing pulley pullers. The object of this activity is to make a given product simulating the mass production method used in industry. The first activity the classes had to do, after deciding they would like to work in this type of process, was to elect a foreman, an inspector and assign each person to a certain part of the pulley puller. The next step was that each person had to develop some system to produce each part uniformly. Whether the process used was a jig, fixture, or gage the setups had to

be approved by the inspector. After each group has completed its parts the class as a whole will be responsible for assembling enough pullers for each member. Students involved in this activity are: Group I: Foreman—Glenn Hlavka, Inspector—Mike Tindall. Production—Mike Lantis, Mark Eversole, Scott Mester, Jose Arana, Phil Schwab, Bob Hone, Aaron Livermore, Mike Kyle, John Ganzhorn and Rick Smith. Group II: Foreman—Marty Merriman, Inspector—Greg Sanders. Production—John Kensler, Kirk Randall, Kurt Randall, Rick Snyder, Henry DeSautel, Terry Ahrens, Mike Schlosser and Tim Underwood.
