Hallo everyone!

The perspective gained by a vacation is hard to describe. In the case of visiting another country, the problem is deepened While traveling in our own country we are always secretly aware of being on home ground, of being able to get home in case of need, of being able to somehow control events if it should become necessary. On alien soil, the feeling of isolation is sharp, biting deep, and if the language is a strange one, then it becomes necessary to know your own identity because it's certain that no one else recognizes you and sometimes a sort of dreamlike feeling of nonexistence comes upon one and just to hear a friendly voice in English gives a glow.

The impressions are sharp and distinct and warming to a lonely traveler. The Bavarian Alps are beautiful, with the strong, healthy people wearing distinctively mountain dress. Clear eyes, smiling faces and great kindness met us every-

Farther north, but still in southern Germany, along the Mainz river, in the rolling hills covered with vineyards, for this is Wine country, the farms are worked by men and women alike. Every inch is cultivated, backyards of houses in the villages are full of vegetables and everywhere flowers, -- flowers in the windows, flowers in the garden, flowers for sale in the markets, and all along the sidewalks. Cabbages, huge and green grow by

the door, side by side with dahlias. Harvest is late, at least for grapes and sugar beets, for it was late October and the Octoberfest was finished but the Wine fests were going on. The grapes hang heavy, and in the early dawn strange the hills, like muffled gunshot. And so it turned out to be. Air guns, popping the grapes. Lying in bed, sleepily listening to the faint noises, suddenly all the church bells in the village begin to ring, glad and joyous, the deeper tones running under the lighter bells and I thought. "What a lovely way to start the day" Turned out that this is the Angelus, and has been rung just so for centuries. Our own little village is centuries old, with a great deal of the original wall still enclosing the area, the turrets at regular

quarters. Having decided that the most courteous way of iniating conversation would be in the language of the country, we made a great effort, and a great effort it was, for one feels exposed and foolish, trying to speak when it's certain that the pronunciation is wrong and perhaps even the word is badly chosen, however that simple

at the facility with which the most ordinary people can cope with two or three languages. I only have one.

The roads are narrow, but well surfaced. the Auto-bahn being the only road comparable to our highways. In the small village if one comes upon another car, why then one pulls up on the sidewalk and allows it to pass.

Transportation was a revelation, the train system being a marvel of efficiency and comfort and why oh why did we let ours disappear? In Munich, a large city, there is a tramway system covering the entire city which appears to be operated on the honor system. I am told that it operates at a profit each year. Think about that.

The moment of truth is upon us. The museums, castles, and monuments are a delight to a lover of history and beauty, and we are impressed at the great care taken of them to preserve them for all people to enjoy, however, a moment comes when one becomes aware that the secret thoughts in the back of my mind are not to be spoken aloud. For I find myself thinking "But back home, we would do it differently" or "But in the States we would find a newer and better way"-if expressed aloud it could sound rude. Not wishing to be rude to these kind and happy people, I shut my mouth. This has the effect of bottling up a strong emotion. Growing stronger with each passing day, till finally when one arrives home the overflowing heart erupts and nearly causes

embarrasing moments. I have a personal thanksgiving this year. We have a wide variety of freedoms, some of which I have only just discovered. Let me say that we are taller, healthier, and more beautiful in a physical way than most of us realize. We have more room, to live, to work, and to than anything else we have in spite of our problems, more good-will, charity have a good land, we are a good people, at dawn to frighten the birds away from | and I am thankful to have the security of this knowledge.

A fellowship project at Emanuel has resulted in the completion of a Dresden Plate heirloom quilt. The original quilt top and bottom was donated to the Emanuel ladies by Mr. Arthur Buss in memory of his late wife Alice. Her mother started the quilt approximately 35 years ago but it was never put together on quilted so the Emanuel ladies went to work.

It started with two or three workers stop was at Pleasant Lake School to working around the quilt frame. The frame brought many memories itself as it was originally built by Eugene Benz of Bridgewater and loaned to Emanuel for this project. An estimated two months was spent finishing the polyester-filled quilt and the results can be seen in the Chapin Real Estate window.

The United Methodist ladies were fortunate in receiving a beautiful handmade afghan from Marian Lowery. The knitted tic-tac-toe burnt-orange afghan will be a lovely prize and/or gift for you or someone on your Christmas list, Tickets are a 50¢ donation for the quilt and the afghan and both will be given away the day of the bazaar.

St. Mary's special project is a 14" baby doll with wardrobe. Mrs. Caroline Schwab dressed the blonde-haired blueeyed doll and it promises to be a cherished gift for the recipient on Christmas morning, a birthday or a "just because" surprise. Ticket donations are 25¢ each or 3 for \$1.00.

ATHLETIC BOOSTER NEWS

The Athletic Boosters held their meeting on November 6, 1974 with 10 members present. The Secretaries and Treasurers reports were read and approved.

The Boosters will be sending out lettees for their 1974-75 dues.

The Boosters have been hosting hospitality nights after the football games and at the Cross Country Invitational. They have been furnishing the milk for the Girls Basketball games. This program has been greatly appreciated.

The Boosters have been setting up committees to get estimates on the repair of the Athletic Field. The Boosters along with other organizational help hope to get the field in good shape.

The Boosters discussed the fact that we have many Senior Citizens who are still very ardent fans of the Manchester Sports program and we feel they probably have some very good ideas and could contribute greatly to the Booster program. We cordially invite them to attend our

meetings. The next Booster meeting will be December 4 at 7:30 p.m. Let's get attendance up at the meeting and support our Athletes thru this program.

BAPTIST PULPIT

As a Christian and as a preacher am troubled over the fact that men and women live without Christ, It is heartbreaking to think of all the unsaved that are facing the condemnation of Hell. It is my desire to help people find Jesus as Saviour. To any Christian reading these words, I want you to know that I care about your relatives, friends, and neighbors that are without Christ, I am willing to go ANYWHERE at ANYTIME to ANYONE to help them find the Lord as their Savior. Christian, get in touch with me and I will personally go visit your lost friends and try to get them saved. My number is 428-7236.

If I am going to be an honest and faithful preacher of God's word then it is only right that I warn everyone of OUT OF THOSE THINGS WHICH WERE what the Bible has to say concerning those | WRITTEN IN THE BOOKS, ACCORDING that live without Christ.

I am fully awars that the preaching of a literal and everlasting Hell for all those who reject Christ is not very popular in the "light" of modern theology. However, I am not interested in the "brain scrambling" indoctrination of most seminaries, that misinterpert and "poo poo" the blessed truths of God's Holy

Upon the authority of God's word I can declare the dreadful truth of what

the pealmist David wrote when he said, "THE WICKED SHALL BE TURNED INTO HELL, AND ALL THE NATIONS THAT FORCET GOD" (Psalm 9:17).

Through the Holy Spirit guided pan of the Apostle Paul we read that it is, 'A FEARFUL THING TO FALL INTO THE HANDS OF AN ANGRY GOD." The psalmist again warns that, "GOD IS ANGRY WITH THE WICKED EVERY DAY" (Psalm 7:11). Paul informs that, "GOD WILL NOT AT ALL AQUIT THE WICKED."

The Apostle John gives us a sad prounsaved:

"AND I SAW THE DEAD SMALL AND GREAT STAND BEFORE GOD; AND THE BOOKS WERE OPENED: AND ANOTHER BOOK WAS OPENED, WHICH IS THE BOOK OF LIFE: AND THE DEAD WERE JUDGED TO THEIR WORKS ... AND WHOSOEVER WAS NOT FOUND WRITTEN IN THE BOOK OF LIFE WAS CAST INTO THE LAKE OF FIRE" (Revelation 20:12, 15).

But sinners don't have to live without Christ and die in their sin, because we read:

"FOR GOD SO LOVED THE WORLD, THAT HE GAVE HIS ONLY BEGOTTEN SON THAT WHOSOEVER BELIEVETH IN HIM SHOULD NOT PERISH BUT HAVE EVERLASTING LIFE" (John 3:16).

A day of Thankfulness.

On that first Thanksgiving Day, thanks was given for the bounty reaped from a newly discovered land, and for a sharing of methods and ideas between two peoples new to each other. Today, we can still give thanks for the bounty reaped from new discoveries; discoveries made by men and women from all over our great land who have little in common but their shared interest in the progress and betterment of our country and our world, for the good of ALL mankind.

The girls basketball squad opened up their bid for going as far and father (maybe) by narrowly beating a much improved Onsted team, 50-46. The Wildcats were trounced on by the Dutch earlier this season 70-14 but the Wildcats proved they were a different team.

Onsted got their offense rolling right away while Manchester held near. The score at the end of the first period JoAnn Bruestle, as played tough defense finally got together as they ran off 4 all most valuable player was Nicki Lentz. assumed control with 5 minutes gone in the second period, 17-12, then upping

their 5 point lead, finishing at half 23-17. The second half started and with 2 minutes gone it looked as if Manchester would put Onsted away as they jumped to a 10 point lead. The Dutch had a 9 point lead going into the final period, 38-29. Onsted came out swinging as with only 1/12 minutes had elapsed they now were 5 behind and closing. But the Onsted rally stalled as the Dutch terminated the battle, 50-46. Nicki Lentz was high post-

This win gave Manchester the right o return on Saturday to mest Ida. Ida proved to be a tough opponent also,

as they jumped to a first period lead of 8-4. But once again the Dutch came alive in the second period as with 2 minutes gone, Manchester had captured the lead, 13-12. The tally seesawed and with 29 seconds before half the score was 18-18. Ida closed the period with unanswered points to lead 22-18 at half. The third period was again back and forth as the Dutch tied 22-22, then assumed 2 point lead, 26-24, but Ida tied at 26 and took the lead 29-26. The Dutch came firing back to close the period 30-29. As this exciting cliff hanger went on the score was tied at 34 with 4 minutes left. Ida then captured a 3 point lead with 1:43 left and held on for a 44-37 win sending Manchester home. Nicki Lentz was again high with 12.

An opinion from me concerning the games-I felt the most valuable player of the first game was Sally Roberts as she

few changes since last year. First they acquired a new coach, Bart Bartels, and lost 4 of 5 starters through graduation. With strong players repeating from last year and some coming up from last year's J.V. team, Coach Bartel whipped together the Dutch team which took the court against the Tories of Britton-Macon for their season opener. If this is a showing of what is to come, look out L.C.A.A. The Dutch baskethallers just overnowered the Tories as they cruised to a 75-53 win.

The Coach's starting five consisted of Dean Decker (center), Paul Tassie and Kurt Kensler (forwards), with Scott Evilsizer and Doug Decker at the guards. The Tories controlled the opening tip and soon after scored their basket, giving their fans something to cheer about. It proved to be Brittons only claim for happiness as the Dutch rattled off 8 points before the Tories added 2. Behind an 8 point offering from Dean the Dutch zoomed to a 22-13 first period tally. Coach Bartel, being ahead, started using his bench to give all playing time. The Tories' offense helped Manchester, as for close to 5 minutes they failed to change their score from 13. Behind the 4 points of Tassie and the 3 points by Kensler, with Gary Voegeding also helping with 3, the Dutch jumped to a convincing 19 point lead, 40-21. The third period showed each team adding 16 to their scores so Manchester retained their 19 point lead, All Dutchmen had seen action by then and with the Decker brothers helping (Dean 10, Doug 6) and Chris Gregerson popping for 5, the Dutch won easily 75-53. High scorer for the Dutch was Dean Decker posting 20 points and he was high rebounder, grabbing 15. Second

and Voegeding third hitting for 10. of our needs have some monetary value Tassie was second with rebounds as placed on them. How about a Christmas he played a tough defensive game gathergift based on a friendly knock on a closed ing 10. Manchester had 22 turnovers, and lonely door, a greeting accompanied 19 assists, 18 steals out lost all jumps to Britton. The J.V. game was close all the way with neither offense scoring well. Manchester was 2 down at half, 18-16. The third period showed Britton with

in the scoring was Kensler with 11

period the little Dutch rallied and with 1:09 left, Manchester had pulled within 1, 41-40. It was an exciting final minute which saw Britton score 3 to the little Dutchmen's 2. As the buzzer sounded, the Tories sighed with relief as they narrowly escaped with a 2 point victory, 42-44.

Lake for their League opener. Last year Manchester opened against the Warriors coming away in super style, winning 81-27, this win was at home and now as I've said they meet in Grass Lake. The second meeting last season (this one in Grass Lake) still saw Manchester dominate, 99-78. As both teams have been changed by graduating and up coming J.V.'s I should also add the J.V.'s split last year with the little Dutch losing at home and vice versa.
