Optimist Club Outstanding Student

Mr. Chester Koceski presenting award to Chris with her parents Mr. and Mrs. Sewerny Kniashnycky.

Chris Kniashnycky, a senior at Manchester High School and the daughter of Mr. and Mrs. Sewerny Kniashnycky of 11140 Pleasant Lake Rd. is the Outstanding Citizen for the month of December.

Coming to Manchester from the Brighton Middle School where she participated in intramural basketball, Chris entered Manchester High School as a freshman. In the 9th grade Chris played on the Girl's basketball team and was a member of the Ski Club.

In the 10th grade Chris was one of the Chairmen of the Magazine Sale; played on the Girls' Varsity Basketball team; was Co-Captain and the most valuable track girl on the track team (running the 100 yard dash, relays and hurdles); was voted the best in the field for softball; was on the make-up committee for the Class Play; and was Treasurer of the C.Y.O. at St. Mary's Church.

In the 11th grade Chris was on the Girl's Varsity Basketball team; was Co-Captain, most valuable, and best in the field in track; was the best hitter in softball; was Chairman of the Ice Cream Committee at the Chicken Broil; and was on the make-up committee for the Junior Class Play, "Tell Me That You Love Me Junie Moon".

This year Chris is Vice-President of the Senior Class; played on the Varsity Basketball team; is planning on going out for Volleyball and track or softball; was in the Homecoming court and worked at the food tent.

Chris likes Art and likes going to a small school because she can get to know everybody.

When Chris graduates she plans on going to Michigan State University to study Interior Decorating. Chester Koceski is a member of the Awards Committee. Congratulations Chris!

Petitions For Village Council Due December 31

Nominating petitions for three trustee positions on the Manchester Village Council are due December 31, 1974 at 4:00 p.m. in the Village Clerk's office located at 421 Riverside Drive, Manchester, Michigan. Petitions may be obtained at the above address.

Roundballers Dump Britton

By Jon Hardenbergh
The Dutch basketball squad has had a few changes since last year. First they acquired a new coach, Bart Bartels, and lost 4 of 5 starters through graduation. With strong players repeating from last year's J.V. team, Coach Bartel whipped together the Dutch team which took the court against the Tories of Britton-Macon for their season opener. If this is a showing of what is to come, look out L.C.A.A. The Dutch basketballers just overpowered the Tories as they cruised to a 75-53 win.

The Coach's starting five consisted of Dean Decker (center), Paul Tassie and Kurt Kensler (forwards), with Scott Evislizer and Doug Decker at the guards. The Tories controlled the opening tip and soon after scored their basket, giving their fans something to cheer about. It proved to be Britton's only claim for happiness as the Dutch rattled off 8 points before the Tories added 2. Behind an 8 point offering from Dean the Dutch zoomed to a 22-13 first period tally. Coach Bartel, being ahead, started using his bench to give all playing time. The Tories' offense helped Manchester, as for close to 5 minutes they failed to change their score from 13. Behind the 4 points of Tassie and the 3 points by Kensler, with Gary Voegeding also helping with 3, the Dutch jumped to a convincing 19 point lead, 40-21. The third period showed each team adding 16 to their scores so Manchester retained their 19 point lead. All Dutchmen had seen action by then and with the Decker brothers helping (Dean 10, Doug 6) and Chris Gregerson popping for 5, the Dutch won easily 75-53. High scorer for the Dutch was Dean Decker posting 20 points and he was high rebounder, grabbing 15. Second in the scoring was Kensler with 11 and Voegeding third hitting for 10. Tassie was second with rebounds as he played a tough defensive game gathering 10. Manchester had 22 turnovers, 19 assists, 18 steals but lost all 4 jumps to Britton.

The J.V. game was close all the way with neither offense scoring well. Manchester was 2 down at half, 18-16. The third period showed Britton with stronger offense as they added 13 to the little Dutch's 8. But in the final

period the little Dutch rallied and with 1:09 left, Manchester had pulled within 1, 41-40. It was an exciting final minute which saw Britton score 3 to the little Dutchmen's 2. As the buzzer sounded, the Tories sighed with relief as they narrowly escaped with a 2 point victory, 42-44.

On Friday, the Dutch travel to Grass Lake for their League opener. Last year Manchester opened against the Warriors coming away in super style, winning 81-27, this win was at home and now as I've said they meet in Grass Lake. The second meeting last season (this one in Grass Lake) still saw Manchester dominate, 99-78. As both teams have been changed by graduating and up coming J.V.'s I should also add the J.V.'s split last year with the little Dutch losing at home and vice versa.

Mom's Club To Pack Boxes

The MOM'S are making their annual appeal for homemade cookies and candy for their ward at the Battle Creek V.A. Hospital. We will pack 60 boxes, Tuesday, December 10 at Emanuel Church Hall at 9:30 a.m.

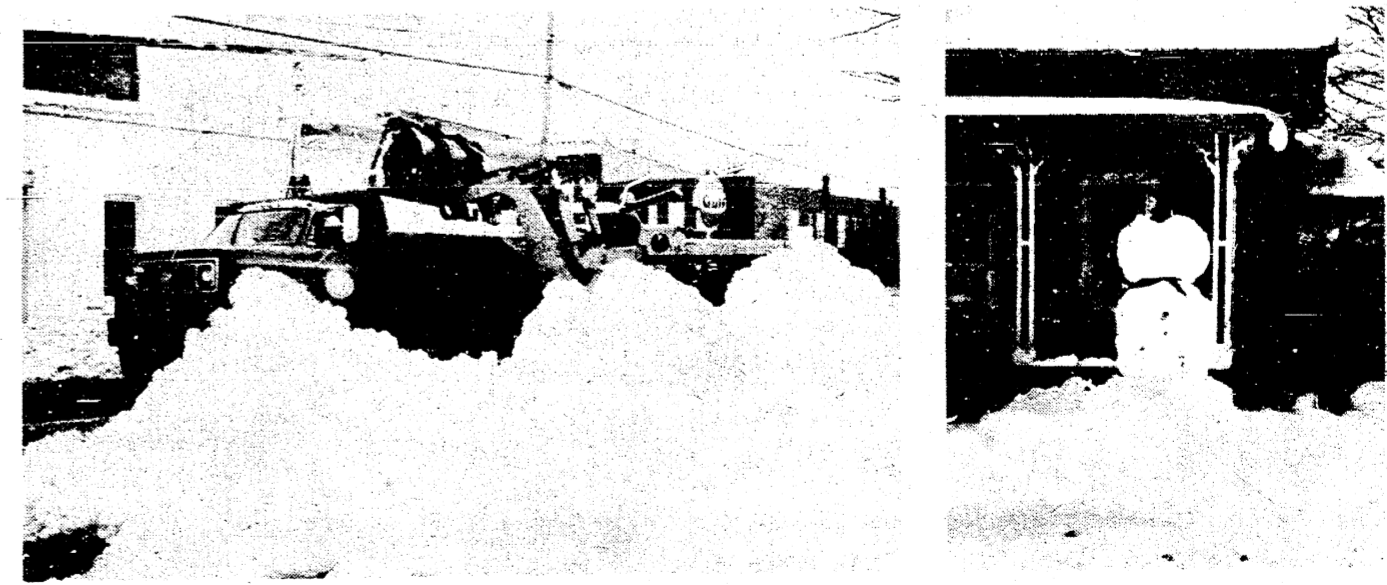

NOTICE!

The regular December meeting of the Board of Education, scheduled for December 9 will be postponed until December 16.

NOTICE!

Manchester Wrestlers open their season hosting Dexter at 7 p.m. Thursday December 5 then on Tuesday, December 10 they travel to Pinckney for a double duel meet.

Let It Snow--Let It Snow--Let It Snow

By Jon Hardenbergh
Everything seemed to come to a temporary standstill as the white stuff stopped coming down. It started Sunday and finished sometime early Monday morning. This accumulation of snow is the largest single fall of this century. Winter has not officially arrived and we have already achieved 2 more inches over the average yearly snowfall. In the pictures you see 2 aspects of winter partakings. One being the village removable of snow. The second being the building of the snowman.

LETTERS TO THE EDITOR

To the deer hunter whose "trophies" were my little schnauzer dog and our neighbor's beagle:

What kind of sportsmanship is it that let's a man stand not five feet from someone's pet and shoot him in the head with a slug? Beau wasn't just any dog running loose. He was a very special pet enjoying a day of freedom after escaping his chain. Beau was a well-mannered dog who did not chase deer or sheep or cattle. He had continually endeared himself to our family for all of the eleven years we had him. He was not afraid of guns. We feel sure he didn't even try to run off when the little beagle with him was shot in the foot first and then in the neck. At least you didn't let him suffer long. It took us three days

to find them and it was our neighbor who found his beagle and Beau in the woods where you dumped them after taking his collar and identification tags off. We hope you will realize that you have no place in the woods and will leave your gun alone after this.
Judith Vander Molen

FOREIGN STUDY AT KALAMAZOO COLLEGE

The opportunity to study abroad as a normal part of the undergraduate experience is the best known feature of the Kalamazoo Plan for year-round education. Emphasizing quality undergraduate education leading to the Bachelor of Arts degree, the College's educational plan is a unique inter-relationship of on-campus academic offerings, off-campus foreign study, career-service jobs, and individualized projects for the student interested in the challenges of an unusual liberal arts college.

Foreign study was organized at Kalamazoo in 1958 as a non-credit summer program in three European centers for selected students. The College, encouraged by the success of the foreign study program, instituted a comprehensive program in 1962 designed to extend the benefits of foreign study to virtually all Kalamazoo students and to make it an integral part of their education.

Participants in the study from this area are Laura Sutton, (Bonn, Germany), daughter of Mrs. Doris Sutton and Mr. Hugh Sutton of Manchester and Valerie Vogel, (Bonn, Germany), daughter of Mr. and Mrs. Louis D. Vogel of 11437 Pleasant Lake Road, Manchester.

SINGLES 25 AND UP

For an enjoyable evening with happy people, join the Tuesday Nite Singles at the Ann Arbor YM-YWCA on December 10 to dance to the lively music of the Merrimans from 9 to midnight. Refreshments are served. Dance instruction at 7 p.m. and 8 p.m.

BEET INDUSTRY OFFERS \$3,000 IN SCHOLARSHIPS

High school or college students pursuing Home Economics or Agriculture careers are eligible to apply for \$3,000 in scholarships being offered by the Beet Sugar Industry of Michigan. College studies may be taken at any accredited Michigan college or university offering course work leading to a degree in Home Economics or Agriculture.

Awards are based on scholastic ability, financial need, extracurricular participation and citizenship. Application forms have been mailed to all Michigan high schools and are also available by contacting the Scholarship Selection Committee, Farmers & Manufacturers Beet Sugar Association, 470 Plaza North, Saginaw, Michigan 48603.

Two scholarships for \$1,500 each are being offered this year. More than \$40,000 has previously been awarded in the scholarship program, which has been jointly sponsored by the growers and processors of Big Chief and Pioneer Sugar since 1955.

Prospective students are requested to complete the application form and submit it to their high school principal or guidance counselor, who should forward it with an official transcript to the Beet Sugar Association. Deadline to apply for next fall's stipends is March 31, 1975.

SECRETARY OF STATE FIELD OFFICES OPERATING UNDER NEW HOURS

Most full service Secretary of State field offices throughout Michigan will be open later to "provide service during peak business periods." It was disclosed by Secretary of State Richard H. Austin today.

The new schedule, basically between 9:00 a.m. and 6:00 p.m. in the larger cities, and 9:00 a.m. to 5:30 p.m. in the smaller areas, is effective December 2. Previously, these offices opened at 8:00 a.m. and closed at 5:00 in the evening.

For Washtenaw County in Ann Arbor at 611 Church, 1924 W. Stadium Blvd. and 3529 Washtenaw the hours are 9:00-6:00 Monday - Friday. In Chelsea at 102 S. Main the hours are 9:00-6:00 Monday - Friday.

"Surveys indicated that we could offer more convenient, better service to most persons conducting motor vehicle business of all types by staying open later in the evening," Austin said.

The extended time changes affect all full service offices, which handle driver licensing and the sale of license plate tabs, titles, and registration of snowmobiles and boats.

Field offices which sell only license plate tabs and other vehicle transactions continue on their present varying time schedules.

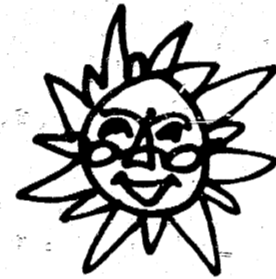

DON'T RUSH AROUND SUNDAY MORNING.

BAPTIST PULPIT

By Pastor Alan Morris
First, I would like to thank Mr. Simon Steele, Editor of the Manchester Enterprise for his generosity in allowing the Manchester Baptist Church to have this weekly Baptist Pulpit column. We appreciate Mr. Steele more than he will ever know for giving us this space. I want to encourage every Christian that reads this to pray for God's blessings on Mr. Steele, his family, and the Enterprise. Thank you.

There is trouble in the church world today. Many churches seemed to have lost their sense of direction. Many churches have compromised the preaching of the gospel and their faithfulness to God by trying to attract folk by entertaining, winning, and dining them. God never intended the church to lower her standard to accommodate the baser nature of man. When the church becomes no different from the world, then what can men see in the church that will attract them to the Lord Jesus Christ? God never intended for the church to become a community center, welfare agency, county fair, or what have you.

Jesus promised Peter that he would build His church and that, "The gates of hell shall not prevail against it" (Matthew 16:18). It is a sad commentary when we find all manner of hell within the church.

Notice To Manchester Township Tax Payers

Winter tax bills are now in the mail. If you do not receive your statement within a reasonable length of time, please phone 428-7090 or stop in the tax office-Limpert Building next to Beal's Hardware on Monday-Wednesday-Friday from 1-5 p.m.

SELECTED TO STOIC SOCIETY

Denise Winchall, sophomore at Eastern Michigan University, has been selected to the Stoic Society. Her curriculum is Secondary Education and is majoring in Spanish. She is the daughter of Mr. and Mrs. Rex Winchall of 4495 Bonnyroads Lane in Jackson, Michigan.

The Stoic Society is the oldest honorary organization at Eastern Michigan University, being founded in 1909. Only those students who are sophomores or higher with a 3.5 grade point average or higher (on a 4.0 scale) and have demonstrated their good character and leadership are eligible for membership. Membership is based, in addition, on the recommendations of fellow students and faculty members. Stoics work to encourage high ideals for scholarship and service. It is one of the highest honors that can be bestowed upon a student at this University.

AMERICAN LEGION AUX

The American Legion Auxiliary met on November 13 at the home of Ella Kern. There were 13 members present.

Veterans Affairs & Rehabilitation Chairman Dealoris Richardson & T.V. Ludwick reported that gifts had been delivered to Veterans Hospital for Christmas Gift Shop.

On Community Service, we want to thank Mr. and Mrs. R.L. Boatwright for donating a walker and 2 pairs of crutches to add to our Hospital Equipment. Edna Knauss also was able to obtain some additional crutches for our use.

Child Welfare Chairman Claire Reck read a list of items we could take to Coldwater State Home. Also, that we should save Commemorative Stamps, Bonus coupons, Betty Crocker coupons and the like.

Jr. Activities Chairman Linda Jacob reported that the girls are having monthly meetings.

Elsaine Steele is on Good Cheer for the month.

After the meeting, refreshments were served by our hostesses, Ella Kern and

Phyllis Behar.

December meeting will be a potluck starting at 6:30 at the home of Helen Poppley at 119 S. Washington St. Our District President and Secretary will be present.

Instead of gift exchange, each member is to bring an item for Coldwater State Home: Items needed are small toy trucks and cars, dolls and doll clothes, clothing sizes 10-20 for boys, sizes 10-14 for girls, stocking caps, mittens, scarves and socks, decorative pillows for children's beds, toilet articles, books - more for pictures than story (even old Sears catalogs). Anyone wishing to donate any such items, please contact Claire Reck at 428-8852. Any clean used articles are acceptable too.

GOVERNMENTS ORGANIZE FOR RIVER MANAGEMENT

An organizational meeting of the newly created River Raisin Watershed Council is planned for Wednesday, December 4 at 1:30 p.m. in the Tecumseh City Hall, 309 E. Chicago Blvd., Tecumseh.

One of four such organizations in the state, the council has been established to allow communities lying within the naturally defined river area to participate in the management of their water resources. The council will serve as a forum for the identification and discussion of watershed-wide issues. A chief activity of the group will be to generate information, define goals for the protection and improvement of the River Raisin and represent the water resource concerns of the Watershed Community to State and Federal Water Resource Agencies. Local member units of government will receive technical and policy assistance from the council.

This first meeting will provide an opportunity for those attending to share information and viewpoints about the River Raisin Watershed and to become familiar with the capabilities of the new unit. Matters needing attention include flood plain development, down-slope flooding, urban stormwater runoff, the destruction

of wetlands and other wildlife habitat, the river's water quality effects on Lake Erie, low flows, and soil erosion and sedimentation control. While local governments have been notified of this meeting, all people concerned with these or other matters in the river basin should plan to attend.

Prior to the meeting additional information may be obtained from Dale Granger at the Department of Natural Resources or from Jerome Fulton, Washtenaw County Drain Commissioner.

SHAKESPEARE CLUB

The Shakespeare Club met November 26. After the business meeting Mrs. Ella Kern gave an interesting report on the topic "Where Liberty Stands." She told of the founding and building of our Nations Capitol.

Tuesday, December 10 at 1 p.m. the Annual Christmas Luncheon meeting will be held at the home of Mrs. Merrill Korth.

AMERICAN LEGION MEETING

The American Legion meeting will be held Thursday, December 5 at 8 p.m. at the Legion Hall. Agenda-voting on proposed property and building project.

TEACHERS AWARDS PROGRAM

A national awards program for teachers in the field of environmental education will be conducted this coming year according to William Fishbeck, Chairman of the Washtenaw County Soil Conservation District.

The awards program is co-sponsored by the National Association of Conservation Districts and the Allis Chalmers Corporation and offers a cash prize of \$1,500.00 to the top winner. The conservation Teacher-of-the-year also receives a trip to the NACD national meeting and recognition at the state and regional levels.

Winners are selected by environmental education leaders and the National Association of Conservation Districts.

"Any teacher in a school system in Washtenaw County who includes environmental conservation emphasis in her classroom work is eligible for nomination", Fishbeck stated. The candidate must be teaching on a full-time basis during the 1974-1975 school year in grades K-12. "We encourage interested teachers to stop by the district office at 6101 Jackson, Ann Arbor, or call 761-6721 for more information and nominating procedures" said Fishbeck.

COOKIES CALL FOR CRUSHED PEPPERMINTS

At Christmastime, what flavors do children cheer? The answer comes back with the unanimous choice: peppermint and chocolate. Both favorites come through loud and clear in Chocolate Mint Drops. The rich chocolate drop cookies are crunchy from crushed peppermint candies and hearty from quick or old-fashioned oats. You'll want to replace the candy dish with these treats. Peppermint-colored stripes and swirls are designed from red and white confectioners sugar icings.

CHOCOLATE MINT DROPS
Makes 4 1/2 dozen

- 1/2 cup shortening, soft
- 1 cup sugar
- 1/4 cup finely crushed peppermint candies
- 2 eggs
- 2 oz. (2 sq.) unsweetened chocolate, melted
- 1/4 cup milk
- 1 teaspoon vanilla
- 2 cups sifted all-purpose flour
- 1 teaspoon baking powder
- 1/2 teaspoon salt
- 1 cup quick or old-fashioned oats, uncooked

Beat together shortening and sugar until creamy. Stir in finely crushed peppermint candies. Add eggs; beat well. Blend in chocolate, milk and vanilla. Sift together flour, baking powder and salt. Stir in oats. Chill dough 1 hour.

Drop by teaspoonfuls onto greased cookie sheets. Bake in preheated moderate oven (350°F.) about 10 minutes. Cool on wire racks. Frost with red and white confectioners sugar frostings.

The Jaycees of Manchester putting the roof on the restrooms at Kirk Park. This is only one of the many community projects that they sponsor throughout the year. Pictured are Ron Panches, Jim Hartman and Bill Panches. Picture by J. Morton.

Rose Bowl Puzzle

Eighteen teams in the Big Ten and Pacific-8 conferences are vying to play in the 81st annual Rose Bowl football classic on New Year's Day, 1975.

Here's a fun puzzle to test your detective abilities and your knowledge of the two conferences. The nicknames of all 18 schools are hidden in the box below. Can you find them?

Names may run vertically, horizontally or diagonally and may read from left to right, right to left, top to bottom or bottom to top. Circle each team as you find it.

ASK THE DENTIST

by Alfred E. Saylor, D.D.S. and the Michigan Dental Association

Q. Is smoking harmful to teeth?
 A. Other than causing stains, smoking doesn't appear to bother the teeth. But pipe stems and cigarette holders may cause tooth displacement or gum and bone damage due to the constant biting pressure on two or three teeth.

The present-day problem with many smokers is gum damage due to smoking irritants. All authoritative listings of the causes of gum troubles include excessive smoking. Some reported cases of oral cancer appear to be directly associated with tobacco irritants.

Something in smoke must be bad for us, no matter how we take it. An interesting medical note recently mentioned the Icelander's diet, which includes a high percentage of smoked fish. It was surmised that this item was responsible for the high rate of stomach cancer on the island. Maybe the man was right who said the best thing that can happen to a smoky cook-out is rain.

Dentists have noticed that some persons reek of smoke the minute they open their mouths. Other smokers smell so little of tobacco that one must ask whether they smoke. This is not necessarily related to the quantity of tobacco used and

it suggests that the ingredients in smoke are more readily "handled" or thrown off by some individuals.

WNRS GOES TO NASHVILLE

A busload of 38 WNRS listeners recently returned from a fantastic weekend in Nashville, Tennessee. The weekend included tours of the stars homes, the Country Music Hall of Fame, Columbia Recording Studio and the old Ryman Auditorium. The group, along with Tour Directors, Mike Morin and Valerie Lerner, visited Printer's Alley, the famed night club area of Nashville. They attended the Saturday evening show of the Grand Ole Opry at its new home in Opryland. Opry stars on the program were Bill Anderson, Charlie Louvin, Porter Wagoner, Lester Flatt and Roy Acuff to mention only a few. Mr. Acuff was also on hand to talk to the group informally during one of the afternoon tours.

This was WNRS's first trip to Nashville and it was considered a great success by all Local people on the trip from Clinton were Paul and Eleanor Barbour, Chuck and Shelley Troitz, and Barbara Young. From Manchester, Amanda Haussler, Elma Tirb, Frank and Marry Cousins, and Mr. and Mrs. Elmer Ervin. From Saline, Dorothy Arms, her daughter Lois Milkey and Nelson and Lila Watling.

Agriculture in Action

Michigan Farm Bureau

America's agriculture finds itself in a position that no other country has ever been able to match. We know how to grow enough food to feed our people with enough left over to share with the world. Contrary to what some folks may think, we do not and cannot produce enough to feed the entire world. However, we can go a long way. In 1960, the American farmer was producing enough food to feed himself and 25 others—today, that number has jumped to feeding himself and 52 others.

One of the problems we face is being able to sell to those countries that need the food. We've actually been debating that issue for months, with farmers asking for no controls on exports and others saying that we should place controls on what and to whom we sell overseas. We're producing three times the wheat, twice the rice, twice the soybeans, a third more corn, plus non edibles such as a

third more cotton. Last year, we sold this extra that we didn't need for 19 billion dollars, plus an additional billion dollars worth was given away in disaster areas around the world to see that the people who didn't have money could eat, too.

However, this surplus will not feed the whole world, and either the taxpayer or the farmer, whichever is asked to bear the load, will go broke soon if we try. The key to feeding the world is all nations sharing what they can, plus teaching the other nations how to do a better job of feeding their people. The underdeveloped nations need to make some changes in their societies so that they can begin to use the modern technology that has helped the American farmer produce enough to feed himself and 52 others. No longer can countries like India live with a religion that forbids them from killing rats that eat nearly as much food as their people eat.

The American farmer stands ready to do all he can to help feed the world. He can't do it all, but with an economic incentive, he can do a lot. Income may sound like a dirty word when people are starving around the world, but we cannot expect farmers to give away their production to feed the world any more than we can expect the United Mine Workers membership to mine coal for nothing to keep the nation heated and lighted, and for General Motors to give away cars for transportation.

COUNTY GROUP SPONSORS AQUATIC POLLUTION TALK

Julie LaBlanc, agent for the Waterford School District of Oakland County, will address the Washtenaw County Lakes and Streams Association on December 9th at 7:30 p.m. in the Washtenaw County Building Room 117A.

Miss LaBlanc will show a film and explain the Waterford School District's Federally funded Educational Community Action Program to Reduce Pollution in Lakes. The program involves the education and training of elementary-high school students, community groups, and township officials in the methods and practices necessary to monitor water quality. The strategies employed in their model program may serve as a basis for training of other communities concerned with the environment crisis. The public is invited to attend.

TWENTIETH CENTURY CLUB

The Twentieth Century Club met at the home of Mrs. D. Boustell on November 19th with Mrs. H. Krauss as co-hostess. A very interesting talk was given by Mrs. Gladys Reed on the church of Latter Day Saints. Also a very good book review on the life of Mrs. Martin Luther taken from "Kitty My Rib."

On December 4th the club will meet at the home of Mrs. Paul Alber at 6:30 p.m. for the annual Christmas party and gift exchange.

IRON CREEK STUDY GROUP

The Iron Creek Study Group will meet Thursday, December 12 at 12 noon with Mrs. Robert "Judy" Vander Molen, for a Christmas Pot-luck. Please let her know if you cannot attend.

ANN ARBOR FEDERAL SAVINGS

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

The price of postage is outrageous. I remember when you could mail a letter first class for only 3 cents. If things don't get better, we might as well go back to the Pony Express.

—D. L., Southfield

You'd be disappointed if we did. In Pony Express days, U.S. postage was just what it is today — 10 cents per letter — and that was only the beginning of the cost! Additional Pony Express charges on every letter ranged from \$1 per half-ounce to \$5 per ounce, and it took 12 days to get a letter across the country. The Pony Express advertised for "Young, skinny, wiry fellows not over 18. Must be expert riders, willing to risk death daily. Orphans preferred." These model employees were paid the grand sum of \$25 a week.

Today the average worker in the United States works 1 minute 16 seconds to pay for the 10-cent stamp that goes on a first-class letter. You might be interested to know that in Great Britain and France he would work 2 minutes 34 seconds, and he would work 2 minutes 22 seconds in Germany and Japan to pay for comparable postal service.

I'm a high school junior and I'd like to go to college. My parents want me to go but simply can't afford to pay my way (I'm one of five children). I understand that the U.S. Army has some scholarships if you're willing to serve in the Army after college. I wouldn't mind that. Can you help me?

—C. L., Muskegon

The U.S. Army awards about 6,500 four-year ROTC scholarships on a competitive basis to high school seniors. This scholarship pays for your tuition, text books, laboratory fees and other educational expenses at the college or university of your choice. Scholarship winners also receive a tax-free subsistence allowance for 10 months of the school year. At the end of your junior year the subsistence is increased to one-half the base pay of a second lieutenant, and you also receive a mileage allowance from home to college.

Scholarship winners are selected on the basis of scores on the Scholastic Aptitude Test (SAT) or American College Test (ACT), along with the applicant's high school records, extracurricular and athletic activities, leadership ability, medical examinations and interviews.

Applications for the Army ROTC scholarship will be accepted from September 1 to December 31 of your high school year. To obtain application forms and other information, write to: Army ROTC, Fort Sam Houston, Texas 78234.

What can a housewife do when she gets home from the grocery store and finds that the canned fruit she bought is almost all syrup? I think that in these days of high prices, you at least should get what you pay for.

—J. D., Ann Arbor

The first thing you should do is take the can back to the grocery store and demand what you paid for.

The can you bought could have been the last one off the assembly line—but to help make sure it won't happen again, contact the U.S. Food & Drug Administration and report what happened.

FDA encourages consumers to report such irregularities in the products they buy. Just drop a line to Mr. A. L. Hoeting, Director, Food & Drug Administration, 1560 East Jefferson Avenue, Detroit 48207. Or phone: (313) 226-6260.

COUNCIL PROCEEDINGS

November 18, 1974

Council met in regular session with the meeting called to order by Pres. Little at 7:10 p.m. Present were Daniels, Fitzgerald, Mahony, Scully, Walton; absent Beal, Curley and Zsenyuk. Enter Zsenyuk at 7:12 p.m. Minutes from the November 4, 1974 regular meeting were read and approved in a motion by Scully, supported by Mahony. All yeas, carried.

Fitzgerald reported that the necessary work is done on the Main Street Bridge in preparation for the lights. Mr. Roberts of Consumers has indicated that there will be a 3 month delay on the poles, however. Repair of the loader will run \$1,653.23 if no additional problems are discovered. Sand is in place for the new building and final grading is about finished. The sewer replacement on East Main Street is complete. Planks are to be placed at the transfer site. Streets have been salted and bladed once. A contract for electrolysis was submitted by Wallace & Tiernan and reviewed by the Public Works committee who recommended approval. Moved by Fitzgerald, supported by Mahony to enter into a contract with Wallace & Tiernan for electrolysis on the water tower for one year at a cost of \$267. All yeas, carried.

John Adams and John Holland of McNamee, Porter and Seeley were present to explain the procedures and standings regarding the upgrading of our wastewater system as required by EPA. Mahony requested Holland to inquire further as to the Village means of paying its 20%, whether by General Obligation Funding or Revenue Bonds. The question was also raised concerning the possibility of the

Village upgrading the system to meet specifications, but eliminating the preliminary testing procedures which amount to a duplication of efforts, and whether or not it could be achieved just using the Village share of the funds. If this were possible, it would be unnecessary to wait for or depend on Federal Funds. Holland agreed to check into the matter further.

Zsenyuk reported on the M-52 Main Street study by AAA. They suggested that we post no parking at the intersection and implement a traffic control device change in the summer. Further consideration will be given the matter.

Two bids were received on the 1970 Dodge police car. The bid was awarded to William Powell for \$110,10 in a motion by Walton, supported by Scully. All yeas, carried.

Moved by Fitzgerald, supported by Scully to accept the placement of STOP signs as designated. All yeas, carried.

Mr. Steele suggested that a member of Council should attend the Chamber of Commerce meetings. Mahony stated he felt the request or offer should be in writing to Council from the Chamber.

The Planning Commission Report was read. Further study will be given the Emil Jacob Post 117 request. Mrs. Anna Thorby was denied permission for a two-family use because the area is zoned single-family residential. The Village Planning Commission has requested a work session with Council on December 5, at 7:30. Fitzgerald questioned the consideration of spot zoning on the Emil Jacob Post 117. He felt that the Village Planning Commission should have included Mr. Sutton's residence parcel.

Moved by Scully, supported by Walton to adjourn at 9:40 p.m. All yeas, carried.

Mary H. Wheeler, Clerk

TECUMSEH JAYCEE AND AUXILIARY ARTS AND CRAFTS EXTRAVAGANZA

The annual Tecumseh Jaycee and Auxiliary Arts and Crafts Extravaganza will be held on December 8th, 1974, from 10:00 a.m. to 6:00 p.m. As always, this event will take place at the Tecumseh Products Workers Union Hall, 3 blocks south of M-50 on S. Maumee Street.

Each year, this show and sale draws both exhibitors and viewers from all over Southeastern Michigan and Northern Ohio. Among the types of crafts to be shown are glassblowing, wood carving, ceramics, china painting, and dough art. Many of the artisans will be demonstrating their handiwork during the exhibit.

Proceeds from this event will go to assist the Jaycees in their community service projects. Last year's proceeds were used to help pay for some bleachers installed on the Little League Baseball fields, to purchase a glass display case for the Historian Room of the Tecumseh Public Library, and to obtain a bicycle for the Lenawee Institute.

THE KING'S DAUGHTERS

The King's Daughters will meet Thursday, December 5 at the Methodist Church 12:30 for a pot-luck dinner.

LAMBDA NU

The Lambda Nu Chapter of Beta Sigma Phi held their regular meeting on November 19 at the home of Mrs. Polly Rushing. Co-hostess for the evening was Mrs. Catherine Roberts.

"Love and Marriage" was the topic of the program for this meeting. Polly Rushing presented a very interesting program, and the group watched a movie following her presentation.

A Thanksgiving food basket has been prepared for a local family for their holiday by Lambda Nu.

The next meeting will be held at the home of Mrs. Arlene Mains on December 5 at 7:30 p.m. At this meeting the group will be participating in a Christmas cookie exchange.

"Poinsettia's" Point The Way To Christmas At Union Savings Bank

Christmas 1974 is being highlighted at the Union Savings Bank of Manchester by 50 individual Poinsettia plants arranged in the form of a Christmas tree. This year's tree was originally designed by D'Agostino's Florists of Manchester. The Poinsettia on display in the Bank's lobby till Christmas Eve.

Jaycees To Take Pictures With Santa

The Manchester Jaycees, under the direction of Dick Groves, are hosting our favorite winter friend, Mr. Santa Claus on Wednesday evening, December 18, 1974.

Santa will be available for photographs with the kiddies from 6:00 - 9:00 p.m., at Donut Time USA. The Santa pictures will be 50¢ each and all young people in Manchester are encouraged to have their pictures taken with the jolly old gent himself.

If anyone has any questions regarding pictures with Santa, they should contact Dick Groves at 428-8154.

From the Manchester Jaycees and the Auxiliary, the best wishes for a Merry Christmas and a Happy New Year.

Christmas Sing-a-long

Manchester Jaycee chairman, Greg Bertke, has scheduled this years song festival for December 19th at the Mill for the Christmas holiday season. The Manchester Jaycees will feature an Old Fashioned Sing-a-long from 7:00 p.m. to 9:00 p.m.

This Christmas program will be led by Roger Morrison and members of the High School Band and Choir. The Manchester Jaycees are appealing to every Church, Scouting group, and organization in the community to lend their support to a United Manchester Christmas fun-filled evening. The time of the program will be 7:00 p.m., and all interested groups or individuals should contact their local Jaycee representative or Ron Mann at 428-8473 or Jim Curley at 428-2671.

Let us all join forces and have a happy and joyous holiday season. The refreshments for this event will be provided courtesy of the Manchester Chamber of Commerce.

We, the Jaycees, wish each and every member of the community a Very Merry Christmas and a Happy New Year.

Dutch Crush Grass Lake 77-58

By Jon Hardenbergh

The defending I.C.A.A. Champions, Manchester, successfully protected their title as they traveled to Grass Lake, the home of the Warriors. The Warriors were unable to stop Manchester's offensive one-two punch of Dean Decker and Paul Tassie as combined they totaled 44 points, 24 and 20 respectively. The entire Dutch squad hit on 73% from the charity stripe as they chalked up their first league contest win 77-58. Manchester is now 1-0 in league play and 2-0 overall.

Coach Bartel started the same five as last game (Scott Evislizer, Doug Decker, Kurt Kensler, Paul Tassie and Dean Decker) and these five motored the Dutch to a 10-point lead, 20-10 to end the first period. Paul and Dean supplied Manchester's power as they controlled the boards and Paul hit for 8 points with Dean right behind with 7 points.

The second period was dominated by the Dutch. The Warriors were in foul trouble and Manchester took advantage from the free line to up the lead to 13. Paul was again the unstoppable one as he popped for 8 more as Scott posted 5 points. Halftime tally was 43-30.

The third period saw Manchester slacken up so the Warriors jumped on this opportunity hoping to even the score. The Warriors really narrowed the lead to 7 points then Dean got hot, sinking 3 buckets and 2 free throws for 8 points. The Dutchmen had changed the momentum as they assumed an 11 point lead, 59-48.

The Warriors were worn down as Manchester zoomed to a 19 point lead in the fourth period, Dean contributed 8

points to ice the victory, 77-58.

Dean was high scorer for the Dutch popping for 24 points as Paul's 20 was his career high. Scott followed, posting 14 points as Kurt contributed 10. Although Dean beat Paul in scoring, Paul was the leading rebounder grabbing 14 followed by Kurt snatching 9 and Dean gathering in 8.

Statistically speaking Manchester won in turnovers, 26-39 and lost 3 of 4 jump balls. The Dutch posted a mere 5 fouls in the first half and 6 in the second. The low point of the night goes to the J.V. team as they dropped their second. They were completely over-layed as they were swamped by Grass Lake's J.V.'S, 63-48.

Congratulations go to Paul Tassie who played superb offense popping for a career high 20 points and tough defense grabbing 14 rebounds.
