## Card of Thanks

I would like to thank everyone who tried to make the loss of our son a little easier. Especially Fr. Schlinkert, the Masses, beautiful flowers and memorials. Our neighbors who helped with the dinner. Everyone who brought in food. His friends and classmates who helped us by being there. All your prayers and many acts of kindness, were very much appreciated.  
Family of Larry James Bauer

My sincere thanks to those who remembered me in various ways while I was in Herick Hospital and during the Christmas season. My appreciation, also, for the many acts of kindness shown to my daughter while she was here--and the messages sent through her.

I would like to take this opportunity to express my sincere thanks and appreciation for all the cards, flowers, and many acts of kindness shown to us during the illness and loss of our loved one.

A special thanks to Mr. Swartz, Bill McCully, all the bus drivers, and my Gang on Bus Six and to the Manchester American Legion for the use of their equipment. Thanks to our pastor, Rev. Charles Sanders for his thoughtful prayers and visits during this time of illness, and for his participation in the funeral service. A big thanks to Brother and Sister Graves for the beautiful singing.  
Mrs. Henry Jordan and Children

To the kind people of Manchester. How does one express their deep appreciation at a time of sorrow. I never realized what a comfort a small town could give. A deep sincere thanks and my appreciation to the ones who helped in my home, especially to Mr. and Mrs. Gary L. Northrup and to Mrs. Roy Pratt, to Rev. Tim Miles for the comfort and consolation he offered through God's word.  
Again Thank you everyone.  
Mrs. Brad Whitaker & family

I cannot begin to thank all the people who called on me at the hospital, for all the cards, the special visits of Rev. Wise and Rev. Kamman and since I returned home the beautiful potasettia and floral pieces, also all the goodies brought in. I also want to thank Rena Wurster, the police and Ed Townsend for taking care of my home and Lorenzo Steele for taking me to the hospital and bringing me home and to the Chelsea Hospital, doctors and nurses. It will be long remembered.  
Mrs. Ernst

Thank you to my friends in Manchester for the cards and good wishes. The Senior Citizens and MOMS and to Rev. Kamman for his visits. I hope to return to Manchester the later part of January.  
Mina D. Amerman

108th YEAR NO. 12 10 CENTS PER COPY THURSDAY, JANUARY 23, 1975

## Jolly Farmeretts 20th Annual March of Dimes Balloon Sale

On Saturday, January 25, the Jolly Farmeretts 4-H Club of Manchester will hold their 20th Annual March of Dimes Balloon Sale. The girls will again use the air pump at Grosman-Huber which is also a warming station for the 42 girls participating in the event.  
The project started in 1955 when Mrs. Sophie Paul was the 4-H leader and also the Chairman of the Manchester Rural Township for March of Dimes. She had attended a March of Dimes meeting in Ann Arbor and decided to try one of the several projects presented at the workshop meeting.

There were approximately eight girls in the 4-H Club at the time including Mrs. Paul's daughter. The balloons were blown up at Mrs. Paul's home and brought into town throughout the day. Over the past 20 years, several other items including peanuts were sold with the balloons. "But," added Mrs. Paul, "the balloons always went over best."

One of the girls who sold balloons as a club member when Mrs. Irene Kemmer was the administrative leader, is Mrs. Paul's niece Elaine Feldkamp who is now the administrative leader of the current club. Co-chairman of the project this year is Margaret Sokolowski and Sharon Voegding.

The March of Dimes-Donut Time USA Coffee Day resulted in nearly twice the amount collected in recent years. A total of \$60.94 was donated and Lorenzo Steele won the free cup of coffee and donut for the guess of \$63.73. Several guesses near the total were included in the 49 registered guesses with the highest of \$95.99 and the lowest, \$23.50.  
Congratulations to Mr. Steele and a sincere thank you to all the "drinkers 'n dunkers" who participated and a very special thanks to Sandy and Chuck King at Donut Time USA.

Trickey's-March of Dimes 50-50 tickets are still available. Drawing date is slated for Friday, January 31 at Trickey's and all ticket stubs must be turned in at Trickey's or to Special Events Chairman Joyce Stain by Friday noon.

## Family Service Annual Meeting Tues., January 28

Manchester Family Service agency will have its annual meeting Tuesday, January 28 at Emanuel Church Hall at 8:00 p.m. The public is urged to attend to hear the report of the year's activities and especially the Christmas Bureau. Mrs. Ardith King from the Department of Social Services and Mrs. Elizabeth Farsakian from the Washtenaw County Department of Health will bring messages from their agencies to aid the local volunteers in their activities. Questions and answers will be a part of this program. Election of three board members will take place. Board members whose terms expire this year are Clarence Fieker, Luther Klager and Mrs. Franklin M. Reck. The nominating committee is Mrs. William Schwab and Mrs. Hobart John.

A belated thank you is extended to all who assisted in the Christmas effort--especially St. Mary's Catholic Church as Christmas Bureau center and the Girl Scouts of Cadette Troop 186, Manchester Senior Girl Scout Troop, their leaders and the mothers and fathers who assisted in the Scavenger Hunt. Approximately 700 items were collected for distribution through the Christmas Bureau. Further statistics for the year will be available at the meeting and for publication later.

## Senior Citizens News

Persons in Manchester who suffer from arthritis or have aching and pain in joints and muscles are the next focus of the Pilot Geriatric Arthritis Project, sponsored by the Michigan Association of Regional Medical Programs (MARMP). This program is designed to simplify the ways in which older persons receive the health care they need. The funds provided by MARMP are to be used for outreach from the University of Michigan Medical Center into community organizations and resources. The Michigan Pilot Geriatric Arthritis Program is one of 27 such programs funded throughout the country for a one year period.

Dr. Ivan F. Duff, professor of Internal Medicine and in-charge of the Arthritis Division at the University of Michigan Medical Center, is the program director. He and his staff have screened patients in Augusta, Superior, and Ypsilanti Townships. In February they will begin screening in Ann Arbor as well as Manchester. Although Dr. Duff has played a strong role in the establishment of the screening process, the primary responsibility for solving patient problems rests with the nurse clinician, public health nurse, physical therapist, occupational therapist, social worker, and dietitian, under Dr. Duff's supervision.

Persons with serious problems are referred to University Hospital or to their personal physician. Individuals with less serious problems are given treatment at the screening sites according to their individual needs. Such treatments may include instruction in diets and exercises, social assistance, or advice on making changes in their personal, homemaking or occupational habits.

This arthritis program is a cooperative effort of the Manchester Senior Council, the Washtenaw County Council on Aging, the Arthritis Foundation, and the University of Michigan's Institute of Gerontology, School of Public Health, and Medical Center. In addition to screening, program efforts will be directed at developing new patient education materials and improving professional education in arthritis.

In Manchester, program activities will begin with an arthritis education meeting, held at the Emanuel United Church of Christ, 324 West Main Street, on Wednesday, January 29 at 2:00 p.m. One in 16 Million, an Arthritis Foundation film, will be shown. On the 29th, persons over age 55 who have pains in joints or muscles will be able to schedule appointments for the screening activities. These screening activities are free of charge.

Dr. Duff and a panel of program staff members will be available at the education meeting to answer questions about arthritis. They will discuss in detail the program's objectives, how the community can be of benefit to the project, and how the program can help the people in the Manchester area.

In further explanation of the project Dr. Duff stated: "In recent years it has become increasingly apparent that a very real problem exists in delivery to patients of the very best medical care. This is true for Americans with arthritis; it is especially true of older people, among whom the frequency of problems with joints is high. In addition, among older persons there are problems of accessibility to medical care and problems in payment of medical care costs. We hope we can help."

Join the happy group of the Tuesday Night Singles at the Ann Arbor "Y" on January 28 and dance from 9 to midnight to the music of Frank Venice. Refreshments are served. Dance instruction at 7 p.m. and 8 p.m.

## Engagement Announced

Mr. and Mrs. Francis Macke of Manchester, have announced the engagement of their daughter, Eileen Kay, to Gerard Thomas Clark of Wyandotte.

Miss Macke is a 1973 graduate of Manchester High School and is employed by Union Savings Bank. Mr. Clark is a 1971 graduate of Gabriel Richard High School in Riverview and is employed by Firestone Production Company, Riverview Plant.

An April 12th wedding is being planned.

## Vice President At Xerox

James W. Duncan has been appointed to the position of Vice President and Manager for Operations at Xerox University Microfilms, a Xerox company in Ann Arbor. The company is a leading publisher of scholarly and educational source materials, including most doctoral dissertations accepted by degree-granting American universities, and backfile volumes of more than 10,000 scholarly and popular journals and magazines.

Duncan, who was formerly Manager for Manufacturing at Xerox University Microfilms, lived in Ann Arbor for many years before moving his family to Manchester only three months ago. He resides there now with his wife Marcia and their four children: Beth, 16; Jim Jr., 14; Eric, 10; and Leslie, 7.

### LETTERS TO THE EDITOR

To the Editor, and other interested persons:

This is the first time I have attempted an "open letter", and I hope it may be the last. However, I am sick—I mean physically sick—to my stomach ill—when I read the letters concerning our schools which have been published recently, and I cannot help but feel that lack of rebuttal may be construed as tacit agreement with their gross accusations and

Benjamin Disraeli is quoted as saying, "It is easier to be critical than correct." It is my hope that the people who have been using your paper as a "forum" for their nit-picking, short sighted expressions of opinion will make a conscientious effort to look more deeply into the problems which we are all faced with, and turn their obvious talents toward positive improvement rather than negative devastation of our school system.

The general tone of their concern seems to be pointed toward our Superintendent and Board of Education. These people are not working as individuals, but as integral units of the total system, responsible to authorities above them, and to those who function under their direction. Any attack upon them is in effect an attack upon the entire organization, even upon the constituency who, through the democratic process, chose the Board as their representatives. They do not aspire to be dictators or demigods. They constantly seek the advice and counsel of those whom they serve, but again their actions must be guided by the consensus.

The public has the right, perhaps the obligation, to observe all phases of our operation. You are invited—urged—to visit our schools, our classes, our meetings. You will hear of such things as an attendance policy which was not satisfactory, so was thrown out of the boat in mid-stream and replaced with a new one; curriculum development with input from many sources; the Principal, teachers, and Student Council meeting together during their lunch hour to study possible revised policies for final examinations; the Superintendent requesting and receiving written comprehensive critiques of his effectiveness, pro and con, from the Faculty and Administrative Staff; even such small things as my forty-nine drafting students not objecting to doing their semester

exams last week on paper already used on one side, to save a bit of our money. There are so many wonderful things going on in our schools which you all should know about.

I admit to biased opinion, but do not accuse me of conflict of interests. We, neighbors and parents (now I am a grandparent), the Board, the Superintendent and other administrators, the teachers, the students, all have one common goal: to help our boys and girls to become better men and women than we are. Please let us not contaminate our objective by "choosing up sides" for name-calling, personality conflicts, and nefarious schemes. We, right here in the Manchester Schools, have the finest bunch of kids in the world. May we be worthy of them?

Presumptuous tho it be, thank you for hearing me out.

Laurin F. Leeson  
Teacher, Manchester High School  
Secretary Emeritus, Board of Education

Dear Mr. Steele:

I'm inclosing a letter we received from Marilyn McCallum at Christmas time. Marilyn is a Canadian girl who lived with us for two years while attending Manchester High School—graduating in 1965.

After graduation she returned to Canada for college and was graduated from Sir George Williams University in Montreal.

Because 1965 was such a large class, almost 100. I thought her classmates might enjoy hearing from her and if you have room in the Enterprise, you may print her letter and inclose her address so if anyone cared to write to her.

I talked with Mrs. Chapin and she thought people would be interested, so her it is! If you think otherwise just send it back to me.

Sincerely,  
Dorothy Purfield

P.O. Box 415,  
Auckland, N.Z.

Dear Bill & Dorothy,

It is rapidly approaching Christmas again although it does not feel like it here without any snow. In fact we have been having beautiful sunny days and I have been spending my weekends at the beach. I managed to get burnt over the weekend and I am suffering for it today. One of these days I will learn my lesson

and not stay out in the sun too long. I haven't been swimming in the sea yet. I stuck my big toe in but found that it was much too cold for swimming.

The past year, looking back on it, has been quite a good year. I am still working for Hood Sails, the job I had when I first arrived in New Zealand. It is a super place to work and there is never a dull moment. However with the economic situation the way it is at the moment it is hard to say how long sailmakers will stay in business. Everyone is beginning to feel the crisis here and if businesses can make it through to April of next year they will survive. At the moment, if anyone is laid off by the companies they are not replaced, in a few months the unemployment situation will probably become quite bad. It is not only New Zealand that is facing a liquidity problem so hopefully things will right themselves in the new year.

One of my major purchases a few months was a 1967 Austin Mini, more commonly referred to as "Micky". I became quite fed up with buses going on strike, waiting for long periods for buses and getting caught in the rain so I decided it was about time that I bought myself a car. It cost a \$1000 which I consider quite a lot but it isn't really as the cars here are really expensive. Since I bought my car the prices have gone up even more. I have decided to take a course in defensive driving as the Kiwis are such shocking drivers.

At the moment I am flatting with Charmain and another girl in a three bedroom flat but we are in the process of looking for another place but we are not having too much luck as housing is at a premium. We shouldn't have as much trouble as we did last year looking for a place as we all have cars.

I hear from Mom and Dad quite regularly and they seem to be quite well. I rang them the week before last to see how they were and it was so good to hear their voices. Unfortunately the time goes all too fast on toll calls. They said that they had a very bad snowstorm and that no one was prepared for it. That is what generally happens when the snow comes early. As much as I miss the snow, at this point I think that I can do without it and only go to it when I want to do some skiing.

I haven't heard from Coelle for ages. The last time she wrote she was thinking

### THE WAY BIBLICAL RESEARCH INSTITUTE OF MANCHESTER

The difference between Believing and Mental Assent is the difference between acting on the Word and not. Faith and Hope are different in that Faith is action NOW and Hope is action in the future. God is not honored by Mental Assent because God wants us to act NOW not wait until the future. John 15:7 is the fruit of action NOW and prayers are answered NOW. So your prayers are answered NOW by your faith NOW in GOD.  
Call 428-8087 for fellowship.

Wednesday, January 29, 7:30 p.m. Young Women.  
Men's basketball Wednesday at 7:30 p.m. Installation of Council Members during Sunday's worship service.

BAPTIST PULPIT  
Pastor Alan Morris

Sometimes preachers hear folks make the statement, "God is too good to send

anyone to an eternal Hell." But I say that God is too good NOT to send the ungodly and those who have rejected His Son Jesus Christ to everlasting torment. The Bible depicts man as being basically wicked. Man by his thoughts and actions prove the Bible to be right. If a man will be honest with himself he will admit that truly he is wicked and that his heart is in rebellion towards the ways of God. We don't teach our children how to tell lies, steal, swear, etc. We teach them how to be good because doing wrong is a natural trait with people.  
Jeremiah was right when he spoke concerning the heart of man.  
"THE HEART IS DECEITFUL ALL THINGS, AND DESPERATELY WICKED: WHO CAN KNOW IT?" (Jer. 17:10).  
Isaiah was equally truthful when he wrote:  
"ALL WE LIKE SHEEP HAVE GONE ASTRAY; WE HAVE TURNED EVERYONE TO HIS OWN WAY; AND THE LORD HATH LAID ON HIM (JESUS) THE INIQUITY OF US ALL." (Isa. 53:6).  
God does not want any human to go to hell. For He, "Is not willing that any should perish, but that all should come to repentance." (2 Peter 3:9). However, because man has a free-will he can either accept or reject God. When a man will turn down God's offer of salvation he leaves God no choice but to send him to Hell. If YOU end up in Hell it will not be the fault of God. Actually, it grieves God that men persist in going headlong towards Hell. It is written, "I have no pleasure in the death of the wicked; but that the wicked turn from his way and live: turn ye, turn ye from your evil ways; for why will ye die?"  
Because unsaved folks live daily on the very brink of hell it would do them well to have some respect for and fear of God. "BUT I WILL FOREWARN YOU WHOM YE SHALL FEAR: FEAR HIM, WHICH AFTER HE HATH KILLED HATH POWER TO CAST INTO HELL; YEA, I SAY UNTO YOU, FEAR HIM." (Luke 12:5)

# COUNCIL PROCEEDINGS

January 6, 1975

Council met in regular session with the meeting called to order by Pres. Little at 7:10 pm. Present were Beal, Daniels, Fitzgerald, Scully, Walton and Zsenyuk; absent Curley and Mahony. Enter Mahony at 7:12 and Curley at 7:14 pm. Minutes from the December 16, 1974 meeting were read and approved in a motion by Fitzgerald, supported by Walton. All yeas, carried.

Mr. Jones of Jones Container Service, Jackson, introduced the two men to whom he had sold his interest in the hauling business, Mr. Bob Emmons and Mr. Elmer Horne operate Emmons and Horne Container Service Incorporated and will honor the agreement which Mr. Jones has had with the Village of Manchester in hauling containers from the transfer station.

Chief Zsenyuk discussed the December police report which follows. Police Runs: 64, Vehicles Investigated: 154, Persons Investigated: 294, No. of complaints: 20, No. investigated: 20, Crimes investigated: 26-Larc. fr. auto 3, m.d.o.p. 10, D.U.L.L. 6, Trespassing 1, Narcotics 1, Larc. simple 1, Civil matter 1, B & E 1, Bad checks 1, Impaired driving 1, Traffic violations: 14-Speeding 6, Def. Equip. 1, Careless driving 1, No. oper. license on person 1, Disregard sign 1, Incorrect turn 1, D.U.L.L. 3, Arrests: 16-M.D.O.P. 7, Attempted forged prescription 4, D.U.L.L. 3, Warrant A & B 1, Impaired driving 1, Parking violations: 27, Warnings: 102, Accidents: 2.

Zsenyuk also presented Council with a summary of police activities for the year ending December 31, 1974.

Police runs: 616, Vehicles investigated: 1415, Warnings: 978, Persons investigated: 3134, Complaints numbered: 207, Complaints not numbered: 54, Crimes investigated: 170-D.U.L.L. 8, B & E 19, Attempted B & E 4, Larc. fr. auto 4, Simple larceny 30, Larc. fr. building 9, Enter w/o perm. 10, M.D.O.P. 59, Arson 1, Prowler 2, Forgery 6, Narcotics 9, Shoplifting 1, A & B 8, Vacation checks: 400, Arrests: 48, Accidents: 50, Assists other departments: 45.

The communications grant bid has been awarded to G.E. The Health and Safety Comm. requested an additional \$300 to purchase a scanner, which would not be covered under the original grant request, but is necessary to monitor the equipment. Moved by Walton, supported by Fitzgerald that the Health and Safety Committee be authorized to purchase full bid request. All yeas, carried.

The feasibility of licensing bicycles in the Village was discussed. It was suggested that such a program might be carried out in conjunction with the Optimist Bicycle Safety program. The advantage of having bicycle registration numbers when coping with stolen bicycles was discussed.

The Police Dept. and Fire Dept. have updated their First Aid requirements Zsenyuk reported. In addition the Police Dept. is having Fontana come out in March for a three hour review course. It was suggested that the Public Works personnel should also have First Aid training and should enroll, if possible, in the course offered at the high school evening session.

Zsenyuk entered the Police Dept. request for a cost of living raise with a review in six months.

Mr. Albert Haller inquired about the backwashing on the main at the end of Massamb. He experiences a great deal of rusty water since the main dead-ends at his property. Mr. Haller stated that the Fire Dept. used to backwash it for him about once a year, which controlled the situation. Fitzgerald reported checking into the matter with the Fire Dept. and was advised that it hadn't been done in about four years and that it should be done once a year, as Mr. Haller had indicated. Arrangements were made to rectify the situation the following Saturday.

Fitzgerald listed Public Works activities as snow removal, meter reading, setting poles for the new building, water service repair, Christmas tree pick-up, finishing work in Council chambers, tile placement at the Ann Arbor well house, and assistance at the parking lot for the Jaycee Snowmobile Race.

A request was received from SEMCOG for a resolution designating them as the responsible agency to conduct water quality management planning for Southeast Michigan. After some discussion and the reading of a similar proposal by Washtenaw County, it was moved by Walton, supported by Mahony

that Council agree with Washtenaw County Board of Commissioners in their resolution to maintain more localized control of planning for water quality control. Yeas: Beal, Fitzgerald, Mahony, Scully and Walton; Nays: Curley. Motion carried.

Beal advised that the fee schedule on inspections should be corrected and published. He said that the correct fee schedule was never adopted. Little agreed to talk to Roesch. Beal will bring the correct schedule to the next meeting.

Moved by Mahony, supported by Scully that the invoices be paid as listed, transferring \$15,375 from the Revenue Sharing Fund to the General Fund for the partial purchase of the new Equipment Garage. All yeas, carried.

		Howerton Builders	15,375.00

In reviewing December statements Mahony questioned how much money had been paid Ed Kirk for Kirk Park through the Village books in the past five years. He agreed to check further on the matter.

Insurance specifications have been sent out with bids due March 3, 1975 at 3:00 pm.

The question was brought up regarding our next required audit for the State. Mahony advised that we are required to submit an audit every other year. However, our auditor, Mr. Don Davis, prefers to do it on an annual basis so that extra procedures are not necessary when preparing the audit for the state. He is presently working on the off-year audit. Little was to check into the cost of auditing for a Village the size of Manchester.

Moved by Scully, supported by Curley to adjourn at 9:33 pm. All yeas, carried.

Mary H. Wheeler, clerk

BELIEVE IT OR NOT

By Jon Hardenbergh

As I suspected both squads, Addison and Manchester stood undefeated in league play for this big showdown. The Panthers were undefeated overall though and were ranked number 3 by the AP poll.

Manchester came out with all stops pulled as they overpowered the Panthers to take a 5 point lead at 2:10 of the first period but by the conclusion Addison had closed within 1, 17-16. Scott Evisizer was the point man canning 3 buckets while Dean Decker and Gary Voegedinger controlled the boards. The second period was all Dutchmen as Dean pepped for 10 points and Scott dumped in 6 and with Addison's help, Manchester ran to a 13 point lead, 36-23. I say helped by Addison because the Panthers hit 3 of 22 from the field enabling Manchester to out-score them 19-7. Manchester hit for 45% from the field as Addison couldn't buy a basket, had 27%.

I don't know what the Addison Coach said at half but viewing the second half I will attempt to convey to you what he said and what I would have said. L. our press is our number 1 weapon and Manchester's beating it and getting easy baskets. 2. we have to box out under our basket-Dean Decker has 15 rebounds! 3. pressure-let them make the mistakes. Addison fought back right from the third period jump as with 4 minutes gone they narrowed the lead to 5, 38-33. The Dutch got hot again and in 3 minutes opened up a 12 point lead to close the period ahead by 10, 53-43. Addison had boxed out well because Dean got 1 rebound. Addison did pressure as 4 minutes had elapsed and Manchester led by only 2, 62-60. Addison caused many Dutch turnovers as with 22 seconds they banged home a field goal to tie 70-70. With 13 seconds re-

maining a Panther was fouled and went to the line shooting one and one--he missed but Manchester fouled on the rebound. This put Addison at the charity stripe shooting 2 with 8 seconds left. He made the first giving Addison the lead for the first time in the game. In the final 8 seconds the ball came down to Paul Tassie but his shot at the buzzer was blocked giving Addison the victory 70-71.

My playacting as coach proved right because Addison caused 17 turnovers in the second half and had 33 more shots at the hoop because they boxed out under their bucket. Dean was held to only 5 rebounds in the second half while the Panthers guard scored 20 of 26 points in the final two periods.

Statistically speaking: Turnovers-Manchester 23 (9 in first half), Addison 10. From the field Manchester shot 56 times making 30 for 53% while Addison shot 78 times making 32 for 41%.

BOXSCORE

	PT	RE
Dean Decker	27	20
Evisizer	16	4
Voegedinger	10	10
Doug Decker	7	2
Tassie	6	9
Kensler	4	1

Also on a sad note the J.V.'s dropped their game to Addison, 52-54. Our little Dutch played a hard game and led the Panthers most of the time but the Panthers tied the score in the closing seconds then hit 2 free throws with 3 seconds left to win 52-54. Matt Little was high scorer dumping in 15 as Jamie Gallinis grabbed 12 rebounds.

On Friday Manchester traveled to Onsted. Both Dutch teams bettered themselves in the league by downing the Wild-cats.

In the varsity contest Manchester got going in the second half to win 82-61. Onsted had stayed close in the first 2 periods as it was tied 14-14 after 1 to 37-50 at half. Again all Dutch played and all scored. Dean and Paul were high posting 16 points each and also were high rebounders gathering in 14 and 12 respectively.

BOXSCORE

	PT	RE
Dean Decker	16	14
Tassie	16	12
Evisizer	12	9
Doug Decker	10	3
Voegedinger	7	5

Smith	7	4
Kensler	6	6
Feldkamp	4	0
Guenther	2	1
Gregerson	2	0

Possible sad news is with 3 minutes left in the game, Doug Decker was knocked out of bounds landing heavily on his arm. He was x-rayed, but Doctors won't know if it's broken until swelling goes down and more x-rays taken.

The J.V.'s crushed Onsted 76-54 behind Mark Rutherford's 23 points and Pete Tassie's 12.

On Friday the Dutch host Grass Lake.

### WRESTLING NEWS

By Jon Hardenbergh

Here are some past tournament results that weren't printed earlier.

1. The Napoleon Tournament held December 14: Joel Tobias at 119 pounds defeated Adrian Madison's Jeff Kruse 3-0 in the finals to win the first place medal. The team totaled 20 points good for 10th place.

2. Pioneer Novice Tournament December 21 and 23. Fresiman heavyweight, Dan Jordan won 3 matches lost 1 to win a third place medal. Sophomore division: 145 pound Lester Janish won 3 lost 2 and won a fourth place medal. Also in the Sophomore division at 155, brother Richard Janish won a fourth place medal.

A total of 480 wrestlers from over 30 schools participated.

3. Leslie Tournament January 11: 126 Joel Tobias won 3, lost 1 for third place medal. 145 Marty Merriman-fourth place. 167 Phil Krzyzanski-fourth place. 185 Lester Janish-fourth place. The Dutch grapplers tallied 19 points capturing 8th place. Up coming matches: Both at home-Moranci January 23, 8 p.m. and Napoleon January 28, 7 p.m.

### GIRLS VOLLEYBALL

By Jon Hardenbergh

After beating Sand Creek in a scrimmage last Wednesday, the Dutchette's lost to Clinton.

The first (out of 3) contest went to the Manchester J.V.'s 15-1 but Clinton took the next two 9-15 and 6-15. Linda Dora was high point girl with 11.

The varsity did likewise taking the first 15-4 but dropped the following two, 3-15 and 16-15. High point was Chris Kulabynsky with 7 points.

Next games are at Satine January 22 at 4:30 and January 27 Manchester hosts Onsted at 7 p.m.

### 8TH GRADERS LOSE TOUGH ONE TO MORENCI

Although our Dutch 8th grade basketballers led by as much as 10 points early in the game the team was unable to cope with all 6 Moranci players and

**GRADUATES FROM PRACTICAL NURSING CENTER**

Holly Sue Ayres, 4197 Las Casas, Rio Rancho, New Mexico is one of the fifty-eight students to graduate on Sunday afternoon February 2, 1975 from the fifty-second class from the one-year program in Practical Nurse Education conducted by the Ann Arbor Public Schools Practical Nurse Education Program. The Commencement exercises will be held in the Ann Arbor Pioneer High School auditorium

at 3:00 P.M.

The Commencement speaker will be Norma E. Marshall, R.N. Assistant Dean and Professor of Nursing, University Of Michigan School Of Nursing. The student response will be given by Jill Geddes of Chelsea. Dr. Robert L. Fotts, D.D. Assistant Superintendent, Ann Arbor Public Schools will give the invocation and benediction. Mr. Earl Shaffer, Director of Occupational Education will present the diplomas. Dr. Harry Howard, Superintendent of Ann Arbor Public Schools and

Mae Edna Doyle R.N. Director of the program will present Greetings to the graduating students and their guests. The Ann Arbor Practical Nurse Education Center which has been operated by the Ann Arbor Public Schools since 1949 will be admitting its last class of students on February 10, 1975. Over 2,000 students have been graduated from the program since its inception. The majority of the graduates are working in Southeastern Michigan Hospitals and Health Agencies. The Program affiliates with St. Joseph

Marcy Hospital, Ann Arbor; Super Memorial Hospital, Ypsilanti; Amgen Hospital, Adrian; Wayne; Emma L. Kirby Hospital, Wyandotte for clinical practice for the students. Students spend four months at the Teaching Center in Ann Arbor and the remainder of the year at one of the affiliations.

## Girl Scouts

January 15, 1975, troop #654 worked on badges. Some of them worked on cooking, the rest worked on drawing and painting. Two weeks from today, some of the Girl Scouts will work on needlecraft.

Scribe, Linda Rose

### PARTY BARS POUR ON TEA-TIME CHARM

Tea (and milk for children) tastes better when guests are friends and refreshments are Petite Party Bars. Entertain aided by these scrumptious sweets. Simply melt miniature marshmallows and butter. Then pour over 100% natural cereal, which contributes a wholesome assortment of nuts, grains and natural sweeteners. Add a frosting of melted chocolate pieces, chill until firm and await the goodwill they generate for young and old!

### PETITE PARTY BARS

Makes 32 bars

- 3 cups 100% natural cereal
- 3 tablespoons butter or margarine
- 3 cups miniature marshmallows
- One 6-oz. pkg. (1-cup) semi-sweet chocolate pieces

Place natural cereal in greased large bowl, reserving 2 tablespoons cereal for topping. Melt marshmallows and butter in top of double boiler over hot water, stirring occasionally until smooth. Pour over cereal stirring until evenly coated. Press into greased 9-inch square pan.

Melt chocolate pieces in top of double boiler over hot water. Spread evenly over top of cereal mixture in pan; sprinkle with reserved cereal. Chill until cereal mixture is firm and chocolate has set. Cut into bars.

# Manchester Jaycees Observe National Jaycee Week

Pictured are new members sworn in by Jim Curley-Ron Weir, Larry Engler, and John Roberts.

The Manchester Jaycees are in the midst of Jaycees Week and are reviewing their year's program. Jaycee Week this year runs from January 19 thru January 25, 1975. This year Jaycee Week was keynoted by a Proclamation given by Village President, David Little.

Jaycees are a young mens organization which invites all young men between the ages of 18-36 to join their ranks in community and self-improvement.

Highlights of this years program are featured in a photo recap with the Manchester Chicken Broil, the Annual Snowmobile Race and the swearing in of new members by Past President, Jim Curley. Past president's are a key to Manches-

ter's success within the Jaycees. Presently our local Jaycees have on their active roster the following hard working past-president's, Bill Bunney, Gary Brokaw, Jim Curley and Ron Mann.

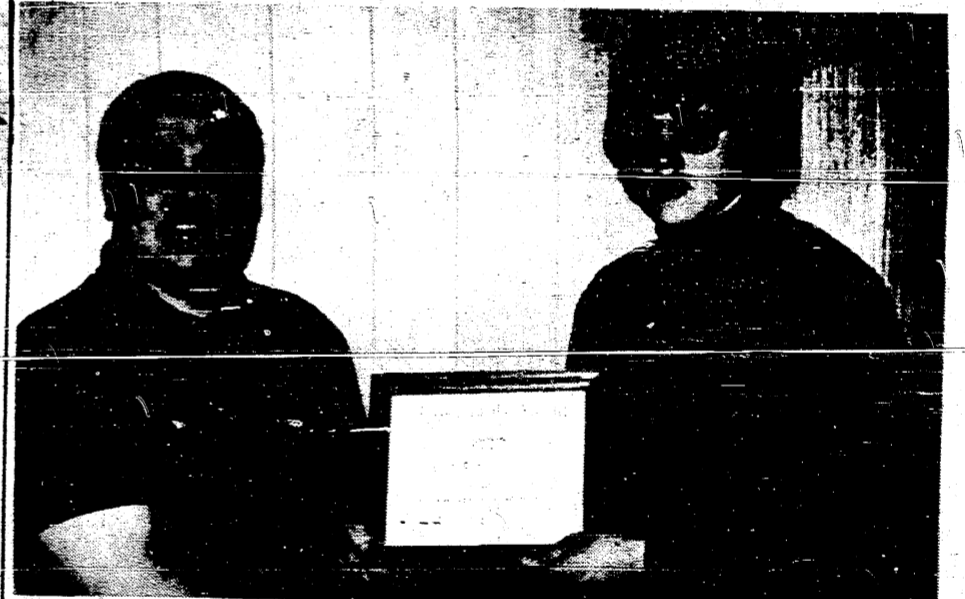

Richard Z. Wolf is this years president of the Manchester Jaycees. Dick and his wife, Nancy live on Kles Road with their two children, Von and Virginia. Dick is also Vice-President of the Chamber of Commerce in Manchester. Moreover, Mr. Wolf is the Cashier and Operations Officer of the Union Savings Bank of Manchester. Manchester has 128 young men who are Jaycees. This is a great job by great guys. Think! Today! and Join the Manchester Jaycees.

Jaycee for November-Dave Walter, lives at 20111 Boetger Rd., Manchester. Presenting his award is Dick Wolf for his hard work on the preparation of the Christmas Tree Sale.

Jaycee for November-Dan Wampler, lives at 11660 Hogan Rd., Clinton. Presenting his award is Dick Wolf for his hard work on the Jaycee Steak Fry.

Jaycee for December-Mike Alber, lives at 12474 Bethel Church Rd., Manchester. Presenting his award is Dick Wolf for his hard work on the Christmas Tree Sale.

**SAVE ON GAS MILEAGE AND MAINTENANCE COSTS WITH A '75 CHEVY PICKUP.**

Compared with a comparable '74 model, a '75 Chevy C10 350 2-bbl. V8 pickup can cost less to operate. We've added improvements such as High Energy Ignition and catalytic converter to help reduce the need for tune-ups. Recommended maintenance intervals have been extended, too, to help you save money. See us today for details.

Ask  
Senator

**GRIFFIN**

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I just received that annual bundle of cheer in the mail—my federal income tax forms! This year, I want to make very sure that I get all the refunds and deductions I'm entitled to, but the problem is that the instruction pamphlet which comes with the form is too sketchy for my needs. Where can I get more information?

—F.B., Lapeer

Of course, you could consult an attorney or a certified public accountant in whom you have confidence. You may also get answers to specific questions by calling or writing your local IRS office. In addition, you may wish to obtain an 192-page booklet available from the IRS entitled "Your Federal Income Tax." In past years, a charge was made for this particular publication; now it's free.

For your copy, write to your local IRS office or stop by and pick one up.

It seems that a lot of Congressmen and Senators retired this last year. Was that some kind of record?

—J.C., Ann Arbor

It sure was. Fifty-one members of the House and Senate decided not to seek re-election; that's five more than the previous record of 46 voluntary retirees set in 1952 and tied in 1972.

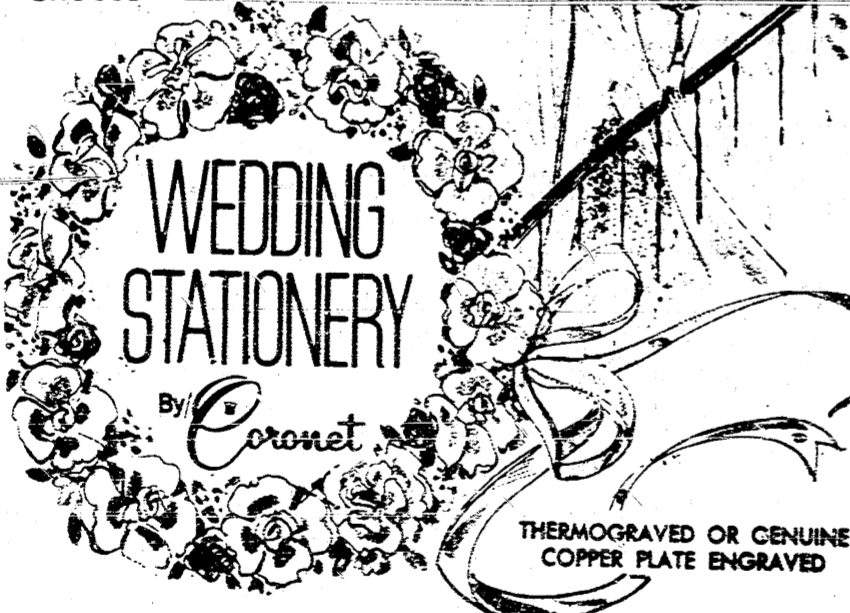

As a result of the retirements, resignations, deaths and election defeats that occurred during the 93rd Congress, there will be more new faces in the 94th Congress than in any other new Congress in more than a decade.

With the Bicentennial coming up, I've become interested in exploring my family tree. How do I go about finding out about my ancestors? Doesn't the government keep some records?

—K. R., Hillsdale

The National Archives does keep certain naturalization records, military service records, immigration passenger lists, etc. If you write to the Archivist, National Archives and Records Service, Washington, D.C. 20407, you can

get a free kit telling you how to go about researching a family tree.

You might also try checking the Burton Historical Collection at the Detroit Public Library. You may write for information to Mrs. Alice Delligan, Chief, Burton Historical Collection, 5201 Woodward, Detroit 48202. Or call the Library at (313) 833-1000.

I think it would be interesting to know just how much money is wasted in this country on heavy drinking. If Americans would only cut back on this habit, we'd not only save money and fight inflation, but we would save a lot of lives and broken homes.

—N. W., Taylor

Alcoholism and related problems cost the Nation over \$25 billion a year, according to a special HEW report made to the U.S. Congress. Most of this money is lost as a result of absenteeism at work, or is spent on medical expenses and motor vehicle repairs. The high cost of alcoholism is one price we really cannot afford to pay.

As an independent agent we answer to one boss — our hometown people

We represent several firms, but we work for only one boss — you. That way we can always place you with a company which we think is best for each line of insurance you need. Naturally, we prefer companies like Auto-Owners who look at a loss and take care of it right away, without haggling or delays. That's one of the reasons we're part of the Altogether Family. Like us, they're always there when you need them.

it's better

53-18.  
Rick Krayzaniak led the way by pouring in 12 points and leading the floor game. Following Krayzaniak were teammates Bob Weirich (9 points-7 rebounds) and Craig Rogers (8 points).  
Balance scoring was also the rule as Mike Lentz scored 4 points and hauled down 10 rebounds, while teammate Doug Strong also scored 4 points.  
Center Ken Keasal again dominated the boards as he did the week before against Clinton, with his second 13 rebound performance. Keasal added 3 points also.  
Rounding out the scoring were Larry McCully, Mike Lehr and Tom Tassie all with 2 points.

fell this past Monday 36-32.  
Craig Rogers led the Junior Dutchmen with a solid 10 point and 9 rebound performance.

Rick Krayzaniak chipped in 8 points and Bob Weirich aided the Dutch cause with 6 points and a game high of 13 rebounds.

Completing the Dutch scoring were Bob King, Ken Keasal, Doug Strong and Tom Tassie all with 2 points. Keasal also chipped in 11 rebounds.

The next game for the 7th and 8th grade teams is this coming Monday at 4:30 in the Middle School gym against Clinton.

DUTCH 8TH GRADERS RIP ONSTED

Ten of the fourteen members of the 8th grade basketball team put their names in the scorers column last Monday as the Junior Dutchmen ripped apart Onsted.

Loveorn advice to a young woman in a Wisconsin paper: "The story that nice men are hard to find is completely untrue. Every city has many of them. The only reason you are single is because you haven't exposed yourself in the right place."

"I thought you were going to your lodge meeting?"  
"It was postponed. The wife of the Grand Exalted Invincible Supreme Potentate wouldn't let him out tonight."

### DON'T FEEL GUILTY...

The story about the two cattle thieves who turned themselves in to the sheriff may be true. It seems they told the lawman that one man had been stealing cattle all year and the other stealing the feed for the animals. "Then how come you are turning yourselves in?" asked the sheriff. "Because we're losing money," was their reply.

That may be a slight exaggeration, but it illustrates the plight of cattlemen. The livestock industry in this nation is in severe trouble. The marketing system has been disrupted by the price freeze, boycotts, and other disruptive pressures. It needs time to recover. What it doesn't need is a movement to encourage people to eat less meat...to help feed the world's hungry.

The theory behind these current emotional pleas for less meat consumption is...if people eat less meat, there will be smaller demand. The smaller the demand for meat, the fewer cattle put on feed. And the fewer cattle on feed, the more grain available to feed the world's hungry.

But the theory doesn't hold water. Cattle are ruminant. That is, they have four stomachs. They can obtain nourishment from grasses and left-overs. In fact, 78 percent of the beef animals' diet is composed of materials humans cannot or will not eat. Livestock production is one effective way to use otherwise unproductive land and inedible grain residue. In fact, livestock production is the only way to use some land for food production.

Supposing we did refuse to eat a hamburger now and then...what would be the result in feeding the world's hungry? Probably none! We already export 75 percent of our wheat, 47 percent of our rice, and 35 percent of our corn crop each year. The small amount of grain

suitable for human consumption that would be saved by eating less meat would have negligible impact on world hunger. While the political and social leaders who are advocating less meat consumption mean well, they are really doing a disservice to humanity. What this world needs is more food—not less, and emotional appeals which discourage food production can have just the opposite result from what they are seeking. So, go ahead and eat that hamburger...and don't feel guilty!

### LETTERS TO THE EDITOR

ing about moving. I will send a letter to the address she gave me in Florida and I suppose if she is not there either they will return it or forward it on. How is the rest of the family? How is Fran and Louise and their families and how have you been keeping? You must write and let me know what has been happening and with the kids I went to school with. I have just been thinking that next year will be our tenth anniversary of our graduation. Makes me feel quite old and

yet it does not seem that long ago. I have decided not to take my holidays at Christmas but will take them a little later in the year when the holiday season dies down. I would like to go to New Caledonia or Fiji for a holiday and then in the wintertime go down south skiing for a week. Chairman and I plan on joining a ski club at Mt. Rapheau (North Island) so we hopefully will be able to get quite a lot of skiing in next year. I meant to get some pictures taken of myself and of New Zealand and send them off with my card. But somehow the idea didn't materialize. If, at some later date, I take some I will have the negatives developed and you will have a chance to see how beautiful New Zealand is.

I took a sailing course a few months ago and I really enjoyed it. Everyone is very yacht minded and nearly every weekend is spent out sailing so I figured that I had better learn something about it. It is really amazing all the terms I learned and one of the things is that sheet doesn't necessarily go on a bed. Now when I go sailing I can help crew rather than being in the galley all the time.

Well that's about all for now. Looking forward to hearing back from you. Have a great Christmas and all the best in the new year and please say hello to everyone for me.

All the best,  
Marilyn

Dear Sir:  
Under the school board minutes published in your paper I assumed my daughter could ask and view her school records. I suggested she do this last Friday. First she was told she could not see them. When she insisted she could, was told to go see Mr. Swartz. He in turn (acting like he did not approve the idea) gave her an application to be filled out by her parents and then was told the school has up to forty-five days to show them to her.

My question is what good will this be when the school has days or weeks to exchange or take out any information they would not want students or parents to know the school and teachers are putting in their records? Records should be produced when asked for.

### SELECTIVE SERVICE OFFICE ESTABLISHES RECORD REGISTRATION IN 1974

The area Selective Service office in Ann Arbor registered 2111 from Washtenaw County during the calendar year 1974, according to Harold Cross, office manager.

The figure represents the highest yearly total registration in Washtenaw County for the past ten years, Cross pointed out. "Reports show that registration of young men age 18 in other communities outside the Ann Arbor office area have fallen off during 1974. We are proud of our registration accomplishments because it has greatly reduced the number of young men violating the requirement to register in a timely manner," Cross stated.

"The increase is attributed to the cooperation of the weekly newspapers like The Manchester Enterprise, Mr. Phillip D. Mains our representative registrar at the Manchester High School, and other persons in public offices for publicizing the federal requirement for every male citizen and alien resident to register with Selective Service at age 18. Also the new mail-in registration program has provided the young man to register conveniently and without difficulty," he added. Individuals unable to appear in person to register can obtain mail-in registration forms from colorful displays located at the Manchester Post Office, High School and Police Department.

Forms may also be obtained by writing to the Ann Arbor Selective Service System area office, Room 210, First National Building, 201 South Main Street, Ann Arbor 48108 or telephoning 665-3766.

### JOHN SAVAGE, MEMBER OF HOPE COLLEGE BASKETBALL TEAM

John Savage, a 1974 graduate of Manchester High School, is a member of the Hope College varsity basketball team playing center.

A Freshman, Savage is the son of Mr. and Mrs. John Savage, 20453 Pleasant Lake Road, Manchester.

Hope College is a four-year co-educational liberal arts college with an enrollment of 2,200. Hope is affiliated with the Reformed Church in America.

### PLACED ON DEAN'S LIST

Marilyn Pratt, daughter of Mr. and Mrs. James Pratt of 649 West Main has been placed on the Dean's list at the University of Michigan. For the past semester she has maintained a 4, average out of a possible 4. She is a Junior in the School of Nursing and has been on the Dean's list each semester.

### TO ALL GAS CUSTOMERS OF CONSUMERS POWER COMPANY

### NOTICE OF HEARING

The Michigan Public Service Commission (Commission) in its Opinion and Order dated November 19, 1974 in Case No. U-4701 initiated proceedings on the design of the rate structures of gas utilities within the State of Michigan and other mechanisms to encourage the conservation of natural gas and to assist in increasing the possibility of adequate future supplies of natural gas. The initial hearing in these matters is scheduled to commence at 9:30 a.m. on February 7, 1975 in the office of the Commission, Law Building, Lansing, Michigan. The hearing shall continue thereafter on such dates as a presiding officer may set until the matters have been fully heard.

Any interested parties may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure. Any party seeking to intervene in accordance with Rule 11 of the Commission's Rules shall file with the Commission, at least 5 days prior to the initial hearing of February 7, 1975, an original and 6 copies of the petition to intervene, together with proof of service upon their serving gas utility.

The proceedings initiated by the Commission will focus on two basic issues:

- (1) Any adjustments in the rate structure for gas service of gas utilities within the State of Michigan that would be appropriate for the promotion of the conservation of gas; and
- (2) Any other mechanisms appropriate for encouraging the conservation of gas.

The Commission emphasized that it had formed no firm findings or conclusions relative to the issues raised therein. However, in order to facilitate exploration of such issues, the Commission attached to the Opinion and Order several proposals upon which the Commission solicited evidence and other comments.

The proposals set forth in the Opinion and Order are divided into four parts:  
Part I would direct, among other things, that gas utilities in the State of Michigan undertake a program of advertising and promotion to encourage the conservation of natural gas and establish a program to identify customers using disproportionate amounts of natural gas for space heating. Gas utilities would also be required to establish a residential inspection program to implement the "Discounted Residential Insulation Rate" provided for in Part II of the proposals.

Part II would establish a rate structure designed to reward residential customers who adequately insulate their homes. Four Alternatives are set forth which could implement such a rate structure. Under each alternative, residential gas customers having ceiling insulation adequate to meet the R-19 standard as set forth in the Federal Housing Administration (FHA) Minimum Property Standards for Single Dwelling Units, paragraph 607-3, effective August 1, 1974, and residential customers who rent their dwellings and those whose living units are such that they are physically unable to install ceiling insulation that meets the above R-19 standard would be entitled to a "Discounted Residential Insulation Rate" ("Discounted Rate") for natural gas service.

Under Alternative 1, a portion of the revenues collected from residential customers failing to qualify for the Discounted Rate would be rebated annually by the utility, collecting the same to those who qualified for the Discounted Rate.

Under Alternative 2, a portion of the revenues collected from residential customers failing to qualify for the Discounted Rate would be expended by the utility collecting actions to assure adequate future supplies of gas.

Under Alternative 3, a portion of the revenues collected from residential customers failing to qualify for the Discounted Rate would be rebated annually to all residential customers.

Under Alternative 4, the rates for gas service for residential customers qualifying for a Discounted Rate and those not qualifying for a Discounted Rate would be established at levels calculated as nearly as practicable to result in no change in net revenues for each gas utility.

Part III would prohibit the attachment of new residential gas service unless the living unit of the prospective customer meets one or more of the following requirements: (a) ceiling insulation meeting the FHA R-19 standard, (b) wall insulation meeting the FHA R-11 standard, (c) storm door or storm windows or their equivalent, or (d) in the case of a mobile home the living unit is in compliance with the heat loss standards promulgated by the Michigan Construction Code Commission in the Mobile Home Code, R 408.30611 of the Michigan Administrative Code.

Part IV would prohibit the use of gas for "ornamental purposes." As used in the proposal, "ornamental purposes" means for the primary purpose of decoration or for the primary purpose of enhancement of the aesthetic quality of an object, space, or environment, and include, but is not limited to, a use primarily for the purpose of providing light.

Each of the foregoing proposals would, if adopted as proposed, be made effective September 1, 1975.

The Commission requests all parties, Staff and intervenors to address the impact of any proposal on residential customers of "limited financial means," renters and customers whose dwellings cannot physically be insulated and to suggest methods of treating such customers equitably. Under each alternative, residential customers who do not meet the insulation standards or other qualifications for eligibility to purchase gas under the "Discounted Residential Insulation Rate" would pay a higher rate for gas.

The Commission also ordered that each gas utility file evidence as to the future availability of and demand for gas.

The Commission also specifically solicited other proposals from the utilities, its Staff, and any other interested person which fit within the scope of the proceedings. Jurisdiction is pursuant to 1909 PA 300, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1923 PA 94, as amended, MCLA 460.351; Section 87, 1960 PA 306, as amended, MCLA 24.287; and Rule 52 of the Commission's Rules of Practice and Procedure, 1954 Administrative Code, Supplement No. 54, R 460.62.

## Book Fair At Pleasant Lake School

Jody Williams, teacher, watches as three students look over a display kit from the Learning Festival. The students are Jan Coval, John Heim, and Brian Pleske from Pleasant Lake School.

The Pleasant Lake School will sponsor a combined Learning Festival and Book Fair from February 11 to February 17. Students will be able to browse and purchase books and educational materials. The Fair will be open every school day during the hours of 11:00 a.m. to 2:00 p.m., except Tuesday, February 11, when it will be open during and after the Pleasant Lake School P.T.O. Potluck, from 6:00 to 9:00 p.m. Books will be on display in the Library and Learning Festival materials on the stage in the gym. All students, parents and visitors are invited to attend the Fair. The profits will be used for the Library at Pleasant Lake

School. The Book Fair display will include attractive new books from many publishers in all popular price ranges. All reading interests will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. Included in the Learning Festival materials will be magnifiers, simple science experiments, dinosaurs, magnets, and motors, spelling games, nature collections, history and geography activities, number games, educational handicrafts and many other materials representing all areas of interest to children.

## Dutch Prevail Over Grass Lake 64-55

By Jon Hardenbergh  
It's nice that when a team has an off night, you were playing one of the poorer opponents in the league. Although Grass Lake proved to be much improved over the first meeting they couldn't pull the upset as their shots fell short of their mark in the fourth period. Manchester stands 8-1 in the L.C.A.A. while Grass Lake is opposite, 1-8.

The Dutch had more to contend with than just the Warriors as only 2 players were 100% as several played with colds or flu. Manchester couldn't locate the hoop in the first period as the Warriors took a 4 point lead, 8-12. Dean Decker was the Dutchman that kept Manchester alive as he pumped in all 8 points. The second period showed the Dutch finding their shooting eye as behind Gary Voegeding's 8 points and Dean's 5, Manchester took a 1 point lead at half, 29-28.

The Warriors stayed close throughout the third period but in the closing minute Manchester slid up to hold a 5 point lead, 40-35 going into the final period. The Warriors closed the gap but then the Dutch poured it on offensively as Mike Smith hit for 7 points while Dean contributed 6 points to finish the Warriors, 64-55.

The 2 Dutchmen that were the healthiest were also the 2 high-scorers. Dean burned the nets for 23 points as Mike popped for 13 points. Paul Tassie and Gary followed adding 23 points, 12 and 11 respectively. Dean was high rebounder as he cleared the boards 13 times while Gary was 1 behind posting 12. Statistically speaking, Manchester controlled all 4 jumps while achieving a record high turnovers, 38. In the 2 years I have been writing, the highest was 36 in the regional championship against Leslie last year. Manchester has a couple hard contests upcoming as Friday they travel to Morenci to meet the Bulldogs. The first game saw Manchester never trail as they beat the Bulldogs 66-56. Two interesting facts: 1 Morenci is just two games behind Man-

## Record Sales For March of Dimes Balloon Sale

Records are made to be broken and it seems on their 20th year of selling balloons for the March of Dimes, the 4-H Jolly Farmerettes collected an all-time high. Last Saturday, a wet, cold and windy day, the girls sold fewer balloons but the generosity of the people of Manchester gave them a total of \$196.15.

March of Dimes extends the 4-H Jolly Farmerettes a sincere thank you as well as many thanks to all who contributed to the very successful Balloon Day.

## Optimist Club Outstanding Student

Karen Campbell, daughter of Mr. and Mrs. Merton Campbell of 9923 Sharon Hollow Road, and a Junior at Manchester High School, is the outstanding citizen for January.

Karen spent her Junior High School years at Forsythe in Ann Arbor. Her Freshman year was spent at Huron High School, while there she had the opportunity to get involved in stage crafting.

Karen entered Manchester High School at the beginning of her Sophomore year. Last summer she represented her class as a member of the fair queen court. She also worked on the Junior class floats at the Community Fair and at homecoming.

In a couple of weeks Karen will be taking the lead part in the all school play, "The Diary of Anne Frank". Besides acting, Karen is helping with the set. Karen belongs to the youth group at the First Church of God in Ann Arbor. Reading, making things (knitting, crocheting, and weaving), and traveling are Karen's interests. She has been out West many times camping with her family.

At school Karen likes her German and literature classes.

After graduation, Karen is planning on going to a Michigan college or a business school.  
Congratulations Karen!

## Senior Citizens News

This Tuesday, February 4, we will hold a Senior Citizens Center planning meeting in addition to our regular euchre, refreshments, TV, and conversation. All those interested in having a say in the future directions of the center, please plan to attend.

## Engagement Announced

Mrs. Vera Frey, 231 Wager, Manchester announces the engagement of her granddaughter Vickie Nicholson to Dwight Carpenter, son of Mr. and Mrs. George Carpenter of Manchester.

Miss Nicholson is a senior at Manchester High School and Mr. Carpenter is employed at Lenawee Country Club of Adrian.

The couple will be married July 12, at Faith Community Church, Manchester.
