Celebrate 60th Anniversary

Sixty years of marriage was celebrated recently by Clayton and Willo Parr with a party at son Floyd's home with a family open house.

Willo Matern, born in Butler, Indiana and raised in Detroit, came to Manchester as a Millner, working for the Cash sisters and met her future husband.

Clayton, born in Sharon and educated here, was a student at Michigan State and when they met at the Methodist Church he was to become a teacher. Teaching at Dewey School on Logan Road, then in 1910 at a school at Silver Lake he decided to switch to specialized teaching. Clayton later became interested in local government and was Manchester township supervisor for many years.

Married on January 27, 1915, Willo and Clayton have four children Hazel (Walker), Howard of Detroit, Leslie of Bloomfield, and Floyd of Manchester. Fourteen grandchildren and five great-grandchildren.

A lifetime resident of Manchester, Clayton has always been interested in government, and just last fall when leaving for the hospital for a series of examinations, he insisted on stopping to pick up an absentee ballot so that the visit to the hospital would not interfere with his voting.

Township Library Redecorated

Come right along and enjoy with us our new and delightful surroundings. In the last couple of years we have been carpeted, plumbed, and painted till now we feel rather elegant and would enjoy having visitors to share our pleasure.

Apologies to the patient patrons who have for two weeks found us closed. However we are bright and cheerful and ready to serve you. We have lots of new books ready for you too.

Taylor Caldwell has a new book out, as does Susan Howatch, Helen MacInnes is in good form and there are mysteries enough to keep you busy for weeks. Hours are 1:00-9:00 Monday and Wednesdays, 1:00-5:00 Tuesday, Thursday and Friday and 9:00-12 noon on Saturday.

Board members whose terms were expiring this year were re-elected for another three year term, -- Clarence Fielder, Luther Klager and Mrs. Franklin M. Reck. Guests at the annual meeting were Mrs. Ardith King from the Department of Social Services and Mrs. Elizabeth Farsakian from the Department of Public Health. Persons interested in having a detailed annual report may contact Mrs. Reck or Mrs. William Schwab.

March of Dimes Drawing

Mrs. Joyce Stein, ticket Chairman (left) and Rita Kemner (right) draw the winning ticket for the March of Dimes Drawing. The winner is --Mrs. Kathy Groves!

The Manchester March of Dimes thanks Trickeys of Manchester and Tecumseh for sponsoring the "50-50" gift certificate merchandise drawing, Harry Macomber for the printing and donation of the tickets, and all the generous people who sold and purchased tickets to help make the 3rd Annual March of Dimes Drawing a real success, totaling \$107.00.

Birth defects are our nation's foremost health problem. Because of this community's generosity and the marching mother's door-to-door canvassing we have been able to reach very near our goal. Many unborn children will now have a healthier life, and those that have been afflicted with Polio, can be hopefully rehabilitated and treated.

Since research and professional help are our only hope your response and financial support is gratefully appreciated.

If anyone of the community was not contacted or not given a mail-in envelope, please feel free to send your contribution to the Manchester March of Dimes.

Again, thank you to the community and the diligent mother marchers from the bottom of our hearts...

8TH GRADERS ADVANCE TO FINALS

After a see-saw battle that saw large leads shrink and then change hands, our 8th grade basketball team defeated Addison Saturday 37-36, to gain a berth in the finals of the 1st Annual Addison Jr. High Tournament.

The finals are this Saturday and Manchester is pitted against a strong team from Hudson.

The Junior Dutch sputtered in the early going and were behind 14-5 at the end of the 1st quarter. But they rallied in the next two quarters to take a solid 36-24 lead into the final quarter. Only Bob King could score (a free throw) in the final quarter for the Manchester squad but it was just enough.

The game might not have been as close but the Addison coach used only one substitute the whole game.

High scorer for Manchester was Rick Krzyzaniak with 11 points (8 rebounds) followed by Craig Rogers, 8 points (7 rebounds) and Randy Stidham 8 points (6 rebounds).

It was Stidham's 1st start of the season and it was his fine play that enabled the Dutchmen to win.

The remaining scores for Manchester were Bob King with 5 points, Ken Keasal 4 points and a team leading 10 rebounds, and Bob Weirich with 1 point and 4 rebounds.

Top scoring Dutch 8th Graders Craig Rogers and Rick Krzyzaniak.

7TH GRADE BASKETBALL

On February 1, the 7th grade Dutch lost to Addison in the Addison Tournament 39-14.

Rick Stetler scored 6 points, John Mooneyham and Doug Drouare both scored 4.

Next Saturday, the Dutch go back to play Hillsdale, who was beaten by Hudson.

Dutch Defeat Morenci 86-82

By Jon Hardenbergh

The Dutchmen were seeking their ninth league win facing one defeat as they traveled to Morenci to meet the Bulldogs. What appeared to be a Manchester run away as they led by 8, 10 then 15 points only to have Morenci roar back to trail by a mere point with 6 minutes left in the final period. But the Bulldogs never overtook the Dutch as Manchester hit consistently from the charity stripe to win their ninth. Manchester has a 10-3 record overall.

The first period was quite an offensive spectacle for the Dutchmen as they posted 24 points. After Morenci had taken a slim 1 point lead 11-12 Manchester got their running game going leaving the Bulldogs behind to close the period up 8, 24-16. Dean Decker and Scott Evislizer banged home 7 points each as Doug Decker was a welcome sight back for the Dutch as he collected 6 points.

The second period started with Dean being hammered on the jump so he trekked to the line shooting 1 & 1 with 1 second gone (he sank both). This period developed into a strange quarter as every time I looked Manchester was free throwing. The Dutch rarely got to their end of the court before a Bulldog committed a foul as the Dutch capitalized scoring 7 points on free tosses in the first minute. Actually Manchester got only 6 shots at their basket canning 3, but totaled 11 points from the charity stripe. Dean was the hot point getter as he posted 9 points, 7 on free throws. Manchester took a 10 point lead to the locker room, 41-31.

In the third period the lead shuffled around 10 points for several minutes then Morenci hit a few baskets whittling the advantage to 7 points, but Manchester answered the call by motoring off 8 uncontested points to go ahead by 15. Again Morenci came back with 6 points as the period ended with the Bulldogs down 8, 64-55. Scott was high as he hit

for 8 points while Dean followed popping for 7 points.

Morenci really poured it on as in 1 minute and 45 seconds they had zoomed back within 3 points, 66-63 and with 4 minutes left the tally showed Morenci behind 1, 74-73. As the clock ran down a trend was formed in which Morenci would score a field goal drawing within 1 point then foul a Dutchman and he in turn hit his free tosses giving Manchester a 3 point lead. With Dean again totaling 9 points, 7 from the free line Manchester escaped from Morenci as the victors, 86-82.

Dean was high both in points and rebounds as he slammed in 32 points (16 from the field and 16 from the charity stripe) while sweeping the boards 20 times. Doug and Scott followed totaling 32 points, 17 and 15 respectively. Paul Tassie and Gary Voegeding helped grabbing 8 rebounds apiece.

Statistically speaking-Manchester controlled all 4 jumps, shot 50% from the field (28-56), hit 68% from the free line and remains undefeated away from home. Morenci had 35-71 from the field for 49% and posted less turnovers, 29-25. Amazing fact-Dean dumped in 16 or 16 free throws for 100%.

In the Junior Varsity contest, Manchester got blown off the court as they were buried 37-78. Morenci showed no mercy as on offense they very rarely missed and aided by their press Manchester spent little time at the end of the court.

BAPTIST PULPIT

Pastor Alan Morris

A well known American atheist has been quite verbal in her blasphemous denial of God. The Christians can rest assured that God knows her. He has even called her by name. In Psalms 14: 1 He says concerning her, "The FOOL hath said in his heart, there is no God..." In the light of God's Word the Christian should not be disturbed by the atheist who, "Professing themselves to be wise... became fools" (Romans 1:22). We are exhorted to, "Fret not thyself because of evildoers... For they shall soon be cut down like the grass, and wither as the green herb" (Psalms 37:1,2). The very fact that God allows atheists to live and prosper attest to His great mercy. One day God will have the last laugh.

The church has her greatest enemies within. People who profess to be Christians, have their names on some church roll, and live and act like the Devil. Sad, but true, some church folks are genuine hinderances to the effectiveness of their church.

I have known people that called themselves a Christian but saw nothing wrong.

A survey form was suggested to obtain opinions from area residents regarding what priorities Council should address itself to in the next fiscal year. Moved by Mahony, supported by Curley that Council request the Manchester Enterprise to carry such a survey form. All yeas, carried.

Little cited the approximate cost of an audit for a Village of the size of Manchester to be \$1000.00.

Possible programs for the next year were discussed with the following suggestions:

1. Beginning of water meter replacement with meters which could be read outside the structure--program to be completed over several years.
 2. Tree planting--begun last year and should be continued.
 3. Sidewalks--would like the ordinance committee to draw up an ordinance to govern repair or replacement and installation of sidewalks.
 4. Street program--expand the list already submitted and priorities will be given after winter damage is assessed.
- The Maintenance Garage is complete except for the flooring and one door which has been backordered. The type of floor was discussed. Suggestions included making the main floor concrete and the storage area asphalt with a sealer, Fitzgerald will check further on the relative costs.

Moved by Fitzgerald, supported by Scully that the Village Council pay the difference in the State supported sign program for entrance signs on non-arterial highways, so that "Home of the Flying Dutchmen" may be included on the four new signs.

Yeas: Beal, Fitzgerald, Mahony, Scully, Walton; nay: Curley. Motion carried. When questioned regarding his negative vote, Curley cited the lack of definite information on cost.

Scully reported that the Police Department in keeping with the Council request for cutbacks where possible has trimmed time by 31 hours per week and yet is still maintaining 24 hour coverage. Radio equipment should be in the first of February. Two evenings a week the Police Dept. has a volunteer dispatcher.

Curley questioned if an ice skating facility will be readied at Wurster Park. One has been started and will be continued according to the weather. Curley informed Council that no further information has been received on ChiBro Park grant application. Fitzgerald brought up general testing of the bottom of the site, and discussion followed.

It was suggested that a Bi-centennial Committee be formed. Curley will contact the national committee for further information.

Simon Steele suggested that the tree next to the bridge be replaced. He was asked to consult the Chamber of Commerce and have that group submit their suggestion in writing.

Beal listed only one permit: L.V. Kirk. He submitted one bill for inspections, which will be added to the list for next meeting.

Walton reported that the last Planning Commission meeting had been cancelled. Regarding the Watershed Council meeting: the group had a financial meeting and would like support from the member councils.

Moved by Scully to adjourn at 9:12 pm, supported by Beal. All yeas, carried.

COUNCIL PROCEEDINGS

January 20, 1975
 Council met in regular session with the meeting called to order by Pres. Little at 7:05 pm.

Present were Beal, Beasley, Curley, Daniels, Fitzgerald, Scully and Walton; absent Mahony.

Minutes from the January 6, 1975 regular meeting were read and discussed. Moved by Scully, supported by Curley that the minutes be approved. All yeas, carried. Enter Mahony at 7:13 pm.

Mr. Albert Haller's water system from the main was discussed. The problem was alleviated in the previous two weeks by the Fire Department.

Fitzgerald reported that the service line has been flushed, two-thirds of the backwash line on Ann Arbor Hill has been laid & streets salted. The break in the lines on Macomb Street has been repaired. Hydrants have been flushed.

A survey form was suggested to obtain opinions from area residents regarding what priorities Council should address itself to in the next fiscal year. Moved by Mahony, supported by Curley that Council request the Manchester Enterprise to carry such a survey form. All yeas, carried.

NEW MANCHESTER AREA 4-H CLUB HAPPY HORSEMEN PLANNING BAKE SALE

A brand spanking new 4-H Horse Club is in the making for Western Washtenaw County. This new club, is led by Mrs. Shirley Carlson of Manchester, and has already 8 new members, one honorary member, and two co-leaders. The present members are: Linda Carlson, President; Tina Carlson, Vice President; Pauline Kuebler, secretary; Patty Carlson, Treasurer; Gerald Ratzlaff, Sargeant at arms; and Stanley Kuebler, Debra Elliott, members. Julie Hodge is our honorary member. She can not show in Washtenaw County as she lives in Lenawee county. The co-leaders are Mrs. Sandra Ratzlaff, and Stephanie Hendricks. The club meetings are held at the Sharon Township Hall in Manchester; and any boy and girl interested in joining this club and learning about horses and ponies in general, may call Mrs. Carlson, 428-8829; Mrs. Ratzlaff, 475-2503; or Mrs. Hendricks, 456-7837.

Most of these members come from previous 4-H Clubs. In 1974 Patty placed 2nd on the Jr. Horse judging team. She has completed 5 years. Linda completed 4 years, and won Jr. Champion English Pleasure in 1974. These girls also belong to the Washtenaw Star Riders, a drill team sponsored by the Washtenaw County Sheriff's Posse. Pauline belongs also, and

has completed 3 years 4-H with her quarter horse gelding, and placed this past year. Tina and Jerry have completed 2 years and both placed well with their ponies, and Stanley has completed his 1st year and placed with his pony.

This club will definitely not be all work. We feel that if the children can not enjoy the club they belong to; if there is no communication and fun existing between leader and member while learning about horses, horse science, and horsemanship, or anything in general, then there is no reason to be a part of any club. The children's morale is the most important thing in this day and age, and keeping together, expressing one another's opinion, and just purely enjoying what you are doing is this club's way of working together. Further, this is going to be the HAPPIEST 4-H HORSE RIDING CLUB around.

At the present time, the Happy Horsemen are planning a bake sale to earn money for the club shirts, flags, club horse blankets, etc. They are also having a club band as they all play musical instruments. The bake sale will be February 15, at 8 a.m. at the Sylvan Township Hall in Chelsea. The address is 112 W. Middle.

The members in this club are all getters and determined young people, and it is the opinion of this writer, they will all reach their goals, and achievements.

BAND AND ORCHESTRA BOOSTERS CLUB

The Band and Orchestra Boosters Club will hold their meeting on Tuesday, February 11 at 8:00 at the Middle School. This meeting will be of special importance as several amendments to the constitution will be put to vote. There will also be reports on the Michigan School Band and Orchestra Association festival contest attended by several students, the summer camp program, scholarships, and concert details.

This organization, formed to lend support to the instrumental music department of the school, can be only as effective as the members make it. Please show your support and attend this meeting.

sparked offensively by the Decker brothers, Dean totaling 21 with Doug popping for 18. The Little Dutch are seeking revenge as the Aggies downed them 48-64.

DUTCH GRAPPLERS REMAIN WINLESS, 57-7

By Jon Hardenbergh The visiting Wildcats from Onsted outmanuvered the hapless Dutch as they gathered 36 points on forfeits, 18 points on 3 pins and one 3 point decision. Manchester had only 2 victors as Joel Tobias (126 pounds) won 4 points for an 11-0 decision (when you win by 11 or more you are awarded 4 points instead of 3) and Marty Merriman (155 pounds) won a 3 point decision, 13-3.

On Thursday, the Dutch have their last league meeting as they trek to Addison. This is the last single meet before all L.C.A.A. wrestling squads convene in Clinton for the big L.C.A.A. meet on Saturday, February 15.

FRESHMAN BASKETBALL

By Jon Hardenbergh My first opportunity to see the freshmen in action saw Manchester fall 2 points short of the visiting Morenci Bulldogs. The Dutch fought back but never assumed the lead as several key players fouled out giving the game to Morenci, 48-46. Next freshman contest is in Sand Creek on February 6 at 5 pm.

GIRLS VOLLEYBALL

By Jon Hardenbergh Results on the game which took place February 3 in Clinton will be in next week's paper. On Wednesday, Manchester hosts Addison at 7 pm., then on February 10 travels to Onsted.

with patronizing the downtown taverns that corrupt and blight Manchester. People that smoke like a freight train beating sixty. Women and girls that parade around half nude without the slightest blush or sense of guilt. People that say they are saved but fly of the handle and belch fire like a dragon when someone crosses them.

In visitation I have happened upon folks that have their membership in other churches, but their rudeness and smugness over the fact that they were members of various churches made me wonder why they had not learned the common traits of kindness and love. Incidentally, the Manchester Baptist Church does not and will not stoop to the low tactics of deliberately trying to take members from other churches.

The whole point of this article today is to urge people who profess to be Christians to LIVE and ACT like Chris-

tians. Christians cannot just live any way they please during the week and go to church on Sunday and expect God to bless them. It is sheer hypocrisy that some folk go to church and very piously sing: "WHAT A WONDERFUL CHANGE IN MY LIFE HAS BEEN BROUGHT SINCE JESUS CAME INTO MY HEART...I HAVE CEASED FROM MY WANDERINGS AND GOING ASTRAY SINCE JESUS CAME INTO MY HEART."

The closing word for today is the question, Has YOUR heart been changed and your desires directed Godward? God richly bless you.

SAVE THE IRISH HILLS LEAGUE

is a citizen's group organized to oppose the establishment of the Cedar point II amusement park in the Irish Hills. Membership is open to anyone, anywhere who subscribes to the objective of the League which is to protect and enhance the scenic, historic, and environmental assets of the Irish Hills and its environs.

Do you want to inch along in bumper-to-bumper traffic as you travel between towns in the scenic Irish Hills?

Do you want to invite more incidence of trespassing, vandalism, assaults, and thievery into the peaceful Irish Hills?

Do you want to risk the loss of your home or the loss of a loved one because the fire department or ambulance could not get to your home quickly enough because of the traffic-clogged roads in the pleasant Irish Hills?

Every day, for over three months, do you want the noise, the litter, the cars, the buses, the carbon-monoxide, the trash, and the wastes that 16,000 people daily would bring into the quiet Irish Hills?

Do you want to pay higher taxes to build, equip, and continuously support expanded roads, police, and fire departments for the serene Irish Hills?

If your answers are "NO!", then join us and help save the Irish Hills from Cedar Point! Fill out and mail in this membership form today!

natives to the Western economic systems be placed on the agenda at once." The statement says, in part: "The threat of hunger in the world is not so much the result of natural limitations upon Western (meaning American) agricultural resources but derives rather from political limitations serving the interests of agribusiness." The signers of this bit of reasoning include a physicist, two prize winners in medicine and three economists.

Incredible! Presumably, these men and the DSOC searched the world over to find a solution to the current world food shortage. If so,

they've seen agriculture in the Soviet Union where 40 years of collectivization has resulted in Russia being a food importer with 45% of its people still on the land rather than the food exporter she is capable of being.

They've seen the People's Republic of China, with its state controlled farming, importing four million tons of wheat this year, while if it approached the productivity of archenemy, Taiwan, they too might have an export surplus.

They've seen India, with its rich but untapped agricultural potential (the proportion of arable land to population in India is not much different from what

it is in France,) still barely able to feed itself as it struggles under a socialist-like system of central planning.

They've seen Argentina, which should be the Canada of South America (and once was) on its way to poverty and perhaps famine as it struggles under a statist system close to fascism.

They've seen Burma, once a major rice exporter, now barely able to feed itself as it operates under a controlled economy.

They've also seen the United States, with its free and independent farmers operating under a market system with the profit motive, exporting 67% of its wheat

crop and more than half its soybeans. They've seen America as the world's leading exporter of agricultural products. In sum, they've seen that agriculture is most productive when individual incentives prevail and the free market for agricultural products predominates.

Yet, they have determined that it is the Western economic system which needs to be replaced by some statist-socialist system in order to avoid the threat of world hunger.

Perhaps the Nobel laureates did not really see. Certainly, they did not think.

Reduce Your Current Taxes... TAX SHELTERED RETIREMENT PLANS

If you derive all or part of your income from self-employment, you can start building for future financial security and at the same time get tax benefits now.

Each year you can deposit 15% of your annual earned income or \$7500, whichever is less, in a retirement savings account at Ann Arbor Federal Savings. Your deposits earn high interest each year and the interest earned is tax deferred. You can deduct the full amount of your annual deposit from your present income now, while you are in a higher tax bracket. You then pay at a much lower tax rate as you draw from the account after retirement.

FOR EXAMPLE:

Let's use a self-employed married man who is 45 years old, earns \$25,000 a year and is in the 25% bracket. He puts \$2,500 a year in his retirement account. With the Keogh Plan, the full amount is tax deductible and his tax saving is \$825. If he retires at age 65, his life-time tax saving would be \$12,500. And at age 65 he would have total cash, with interest figured at the current rate of 5%, of \$85,782.35.

If he doesn't use the Keogh plan, he has to pay income tax of \$625 on \$2500 leaving \$1875 for investing in his retirement plan. At age 65 he would have accumulated only \$65,649.76.

In addition, Ann Arbor Federal Savings also offers the new Individual Retirement Account for those who now are employed by a company that does not offer a pension plan. Maximum tax deferred yearly deposit allowed is \$1500. IRA pension plans can be arranged for an individual or for an entire corporation.

People Really Do Care

On behalf of the March Of Dimes, I would like to thank all the hard working ladies, who made this years campaign a success. I also extend a special thank you to those who so generously gave, even though it was hard to do so in these times of rising prices and lay-offs, so that many of our youngsters may live a happier, healthier life.

The township breakdown of tentative totals is as follows: Bridgewater-\$434.76-Mrs. James Chellman, Chairwoman; Freedom-\$514.70-Mrs. Michael Meade, Chairwoman; Manchester-\$399.81-Mrs. Ronald Fielder, Chairwoman; Sharon-

By Jon Hardenbergh
If you didn't attend a performance of the play "The Diary Of Anne Frank", presented by the High School Theatrical Society on Thursday and Saturday past, you missed a rare treat. Several knowledgeable playgoers told me it was the best high school production they had seen.

The entire cast fitted their parts physically, and even more, surprised me with their capability for expressing a variety of moods. Even when not on center stage, the actors remained true to their roles. This is a dramatic play, with some highly emotional scenes, and the young people portrayed them superbly.

Karen Campbell was most impressive as Anne Frank. She actually seemed to be the 13-year old girl who endured two years' confinement with her family in a loft within sound of the enemy, living in fear, but not being conquered by it. Her portrayal of this sensitive and life-loving adolescent was truly heart-warming.

Rollie Litteral as the bachelor hypochondriac, last to be shut into this rather unusual prison, gave a good account of himself.

Phil Montgomery, as Anne's father was the stabilizing factor in the group. His quiet, but firmly controlled voice and deliberate movements, kept the family together, and helped make their desperate situation tolerable.

Jan Savage as the mother, and Kristi Kuntz as Margot, Anne's older sister, created realistic housewives, concerned mainly with domestic routines, much as if they were living normal lives.

Eric Norgaard, as Mr. Van Duan, and Tim Kocesi, as his son Peter, were real troopers, having come into the cast only a week and a half before opening night.

Mrs. Van Duan, Sue John, portrayed a typically selfish society woman, whose main topic of conversation was herself.

The kind-hearted Mr. Kraler, played by Doug B. Clark, was perfectly suited to his part, although his voice was not strong enough to reach the back rows.

Miep, played by Ute Grabhorn, one of our foreign-exchange students, added an authentic German accent to her words of encouragement.

Even Mouschi, the cat, played by Daisi Bersuder, stole the show both nights by leaping from her box before her cue.

Director Priscilla Spoon, a new member of the High School Faculty, used her own special talents and considerable experience as a performer to lead the cast through some very difficult scenes. She was a stern taskmistress, but the results showed how important that can be.

Diane Lynn, Technical Director, guided a hard-working stage crew into building a remarkable set which added more impact to the actors' movements.

The orchestra, directed by Alice Greminger, another new faculty member, was one more attraction to an altogether satisfying show. The orchestra included Ken Achtenberg, Scott Barber, Mark Gonyer, Tim Kocesi, Tim Morrison and Steve Wellman.

Lenten Lectures At Emanuel Concern Alcoholism

Alcoholism is a DISEASE. It is a disease which is carried by one out of every ten persons even though all carriers are not practicing alcoholics. Statistically this means that out of the 1700 residents of the Manchester Village, 170 persons carry the mysterious X factor (the as yet not fully understood genetic basis of the disease) and are either presently afflicted by alcoholism or have the potential of becoming afflicted.

Recently there have been tremendous strides made in treating the disease and there is more help available than is known by the average person.

During the Lenten Season Emanuel United Church of Christ, 324 West Main Street, will sponsor a Lecture series on Alcoholism. The lectures will be held in the Fellowship Hall on Wednesday evenings beginning on February 19 and continue each Wednesday through March 19. The time of the lectures will be 7:30 p.m. with the exception of March 5 when the lecture will begin at 8:30 p.m.

Participating in the lectures will be members of Alcoholics Anonymous and therefore as we introduce them and their topics we will use first names only--a tradition of AA.

On Wednesday, February 19, Holly will speak on the "Spiritual Aspects in Overcoming Alcoholism". On February 26, Dave, a counselor at the Brighton Hospital will speak on "The Dynamics of Alcoholism". On March 5, Father Jack will speak on "Attitudes and Alcoholism". On March 12, Marge, Ken, and Pam will conduct a panel discussion on Alcoholism. Thus far a speaker has not been secured for March 19 but hopefully a speaker from Ateen, which works with the children of Alcoholics, can be secured.

Alcoholism is a subject of increasing concern. Yet many of us are not aware of the facts about this disease and many persons are unaware of the tremendous strides which have been made in treating the disease. Therefore we invite the community to share with us at Emanuel Church during the Lenten Season as we seek to gain a better understanding of Alcoholism and what can be done about it.
