Jaycee's Present DSA and Outstanding Farmer Awards

The Manchester Jaycees held their annual Bosses Night on Friday at the Polish Falcon Club in Jackson. This year's event was a real success, with over 100 Jaycees and bosses in attendance.

Mr. Robert Ludwig, Chief Engineer at the Chrysler Proving Grounds in Chelsea was the guest speaker. Mr. Ludwig directs production vehicle testing and evaluation at both Chelsea and the Arizona test station. Bob Ludwig's visual presentation on the Chelsea installation was of great interest to all.

The evening was highlighted by two major presentations to deserving Manchester residents. First, was the DSA winner for 1975 who is Mr. Alan (Spike) Benedict. Spike has been a Manchester resident for the past 47 years and resides at 529 Granger with his wife Helen and their three children. Some of Mr. Benedict's accomplishments are past Grand Knight for The Father Fischer Council of the Knights of Columbus, Usher at St. Mary's Church and involved in youth employment in the Manchester area.

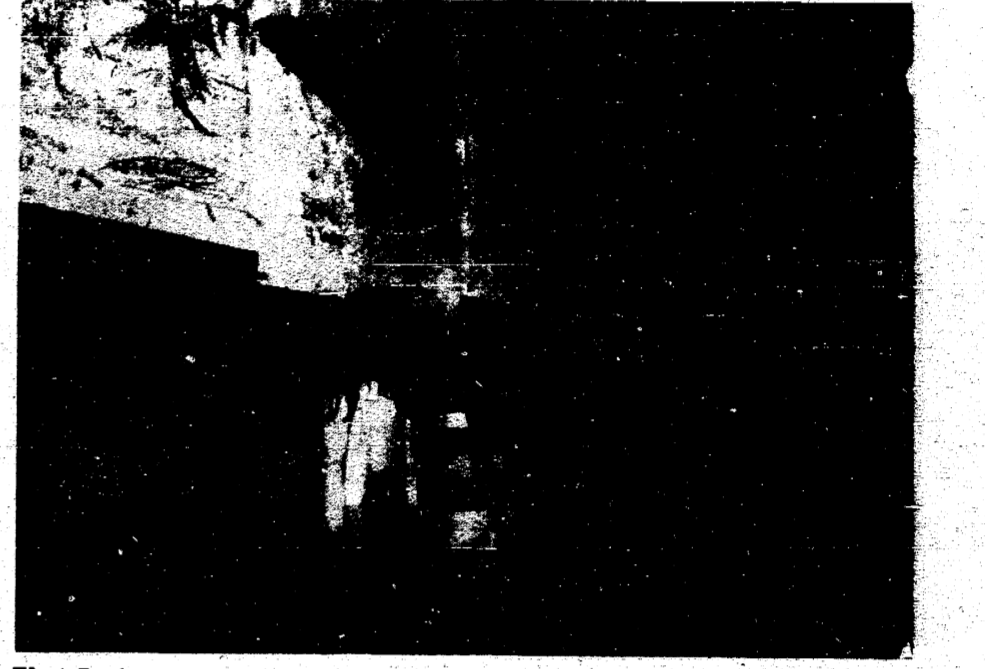

Pictured also is Manchester's own Stan Poet who was named the Outstanding Farmer from not only Manchester but will represent the Michigan Jaycees at their National program in Blooming, Illinois later this month. Mr. Poet resides at 10889 Burnmaster Road, Manchester with his wife Beverly and their four children and is a graduate of Michigan State's Agricultural Short Course. Stan is a past president of the Manchester Jaycees, President-Elect of the Washtenaw Livestock Council, holder of the American Farmer Degree of the FFA, member of the Michigan Cattle Feeders, Washtenaw Co. Farm Council, and many other associations.

Both Mr. Poet and Mr. Benedict are a credit to the Manchester area and an inspiration to the youth of the area. The Manchester Jaycees, as well as the people of Manchester, are very proud of both of these men.

District Championship Eludes Dutch

By Jon Hardenbergh

Manchester went into this game with their starting 5 healthier than they have been in about 3 games. Also Addison had been upset the night before by East Jackson. I asked the coach before the game if he was nervous and he said no, not of the game but a little of all the upsets in the air. Last night besides Addison two other Champ contenders were upset, Ann Arbor St. Thomas and Detroit Casa Tech.

The first period was rather unproductive point wise as each team took their time. With 1:25 remaining, Whitmore Lake had a 4 point cushion, 10-14 and possession of the ball. The Trojans stalled for about 1 minute 15 seconds then made their move to the bucket but Paul Tassie intimidated their ball carrier and he walked with the ball, giving it to the Dutch with 2 seconds remaining. Manchester inbounded the sphere to Dean Decker who shot just before the buzzer from about 45 feet, swish, so it counted. Manchester was down 2, 12-14.

It took 4 more minutes for the Dutch to capture the lead. Paul hit for 2 then went to the line shooting 1 and 1 of which he named the first, drawing the Dutch within 1, 19-20. Again Paul got the ball putting it in as Manchester assumed the lead, 21-20. But the Trojans regained the lead at 3:33 by banging in a 2 pointer, 22-21. Manchester's answer to this was 3 straight points which left the Trojans on the short end of a 29-22 tally. At half, the Dutch were ahead by 5, 31-26. Paul was hot as he smoked the nets for 11 points.

The Dutchmen had played excellent defense and their passing was sharp and quick to find the open man who usually had a lay-up. The Dutch turned the ball over only twice, once in the first period and once in the second.

The Dutch opened the third period by popping their first 2 shots to take a 9 point advantage, 35-26. It was at this point that Whitmore Lake felt the need to press. Oddly the press did no damage and the Dutch just cruised to a 10 point lead at

LETTERS TO THE EDITOR

Editor, Manchester Enterprise
Manchester, Michigan

Dear Editor:

For the purpose of setting the record straight relative to the classifications of school districts, I must respond to George Macomber's letter appearing in your paper

Thursday, February 27, 1975. Mr. Macomber implied that because Manchester was a fourth class district this designation was directly related to the degree of quality of the educational program. This is definitely not the case.

School districts are classified Primary, Fourth Class, Third Class, Second Class and First Class by the Department of Education of the State of Michigan. This classification deals with the size of the district and the size only. My authority for the following is from the School Code of 1955 Act 269, 1955:

1. A Primary School District - 1 - 75 students.
2. A school district of the Fourth Class - 75 - 2400 students.
3. A school district of the Third Class 2400 - 30,000 students.
4. A school district of the Second Class - 30,000 - 120,000 students.
5. A school district of the First Class 120,000 or over students.

The following is section 340.102 of the school code of 1955:
The board of any fourth class school district having a school census of more than 2,400 and less than 30,000 children between the ages of 5 and 20, as certified by the superintendent of public instruction, may submit the question of becoming a district of the third class to a vote of the electors of such district at any annual or special election.

The same situation holds with the other classifications. Once a school district's growth exceeds the maximum number of students in their particular case, the district has the option to vote on a classification change. At the present time Manchester's enrollment is approximately 1334 students.

Under the circumstances, the Board of Education and the Superintendent cannot be blamed for Manchester not being a first class district.

Incidentally, for what it's worth, the superintendent had 30 hours of graduate work beyond the Master's Degree when he came to Manchester. He presently meets the requirement of the North Central Accreditation Association.

Sincerely,
Robert D. Swartz, Superintendent
Manchester Public Schools

We would like to take this opportunity to thank the parents of our fifth grade students for their tremendous turnout at our Open House on February 27. It was extremely gratifying for students and teachers alike to share our projects with you.

Sincerely,
Mrs. Nonous Buss
Miss Mary Ann Dettling
Mrs. Betty Hess
Mr. Ed Tubaug

Middle School Task Force

The Middle School Task Force met as scheduled on March 1, with several people attending. The group spent most of the hour discussing present needs of the students. We are in the process of planning an Open House to be held before Spring vacation.

Another meeting will be held next Saturday, March 8, at 10 o'clock. We hope all those who missed the first meeting will be here this week. The meeting will be held in the Staff Room at the Middle School.

At this time the Boosters would like to thank the coaches and everyone else who helped and participated in the program. The Alumni who played the late game. This money will be put to good use for our young athletes thru the Booster program.

According to the highly informative Guinness Book of World Records we find the interesting account of a unique record set by the Reverend Clinton Lacy of West Richland, Washington. There is no doubt about the fact that Mr. Lacy enjoys preaching. So much, in fact, that on one occasion one of his sermons lasted for 48 hours and 18 minutes. It was reported that at the conclusion of this preaching odyssey there were only 8 heavy souls left in the pews.

I can well imagine that on occasions we all have been in situations where we have had the burning desire to have some preacher reach the conclusion to his message. But before we judge some Bible preacher's message too harshly we should first see the importance that God places on the preaching of His wonderful holy Word.

Some have thought preaching to be foolish and a big waste of their time but the Bible informs us that, "It pleased God by the foolishness of preaching to save them that believe" (1 Corinthians 1:21). The one's who take preaching lightly are in reality the one's that will one day give anything to be able to have the opportunity

Haeussler-Egeler Exchange Vows

On February 22 at the Bethel United Church of Christ in Freedom, Shirley L. Egeler became the bride of Bruce A. Haeussler.

The Rev. Roman Reineck officiated at the ceremony for the daughter of Mr. and Mrs. Paul A. Egeler and the son

of Mr. and Mrs. Armin Haeussler. Attending the bride were; Miss Nancy Grothe of Ipsilanti, the Misses Margaret and Nancy Egeler, sisters of the bride, Miss Mary Egeler, cousin of the bride, and Miss Kay Walter. Mr. Ross Haeussler served as best

man while Peter and Hugh Haeussler, brothers of the groom, Larry Egeler, brother of the bride, and Gerald Lowery seated the guests. A reception was held following the ceremony at the Chelsea Fair Grounds. After a wedding trip through the southeast the newlyweds will reside in Manchester.

LUNCH WASTE

Two Middle School students, Chris Hazen and Steve Strahle, took an idea from a newspaper article about a California elementary school that inventoried the amount and varieties of food that students threw away from their sack lunches each day. Chris and Steve took a similar count of items discarded after a typical Middle School noon hour. Their findings were about as they suspected. Parents are either fixing too much lunch or putting things in their children's lunches that they don't like.

If the daily averages are approximately correct, it means that during one school year (180 days) the following quantities of food end up in school garbage pails: 2,000 sandwiches, 10 bushels of apples,

100 dozen cookies, 30 dozen candy bars, 40 dozen assorted fruits and vegetables, 20 cases of potato chips (small packages) and pretzels, 40 dozen packages of cup cakes and small pies, 360 cartons (10 ounces) of milk, plus a multitude of other miscellaneous items.

An estimate of the cost of all this discarded food approaches \$1,000.

The boys concluded that parents might be wise to double check with their sons and daughters as to appropriate quantities of food in their sack lunches. Obviously either too much or the wrong kinds are being packed.

Mr. Ted Topping, Principal, congratulated Chris and Steve on their interest in the problem and the organized way they followed through with their project and expressed the hope that the information that was gathered and published will be helpful in promoting less lunch waste.

Even an intelligent man makes a fool of himself about some things.

SWEET, SWEET VICTORY

By Jon Hardenbergh

Round 2 of the District playoffs in Clinton pitted the Flying Dutchmen against the Tigers from Hudson. Even though Manchester had beaten the Tigers twice previously, the wins were by very small margins.

The first period was even all the way with the score ending in a 10-10 tie. Dean Decker and Scott Evliszler popped for 4 points each, as Gary Voegeding added 2 points.

The entire second period the Tigers

threw a full court press on the Dutch but the press did little harm. In the last 4 or 5 games the opponents would put a press on and the Dutch seemed to fall apart. Manchester broke the press time and time again getting 2 on 1 situations. This enabled Gary to ram in 9 points as the Dutch took a 4 point lead at halftime, 2-28.

Manchester came out gunning as 3 minutes had elapsed and they held a 9 point lead, 41-32. But Hudson came firing back by hitting a bucket then stealing the ball twice and scoring both times only to steal again and take it in for 2 and being fouled in the process. At this point Hudson was down 1, 43-42 with the Tiger at the line shooting 1 to complete his 3 point play. He missed his free throw and Hudson captured the rebound and put the spere in the hoop to take the lead 43-44. Dean tied the tally at 50-50 with 12 seconds remaining but Hudson came down to pop a 2 pointer at the buzzer to take a 2 point advantage, 50-52 with the final 8 minutes up-coming.

In 2 1/2 minutes Hudson held their biggest lead over the Dutch, 52-57. But in 2 more minutes the Tiger shooting eye had gone away as 6 shots failed to connect. In this time Gary totaled 3 points then Doug Decker tied the score at 57 all, as Paul Tassie stole the ball and hit from 10 feet, putting the Dutch up once again, 59-57. After the Tigers had tied at 59 they hit the first of a 1 and 1 to go ahead 59-60 with 1:02 remaining. Manchester then went down court patiently with Dean beginning his drive to the bucket with 31 seconds left only to be fouled by a Tiger. So Dean went to the line shooting 1 and 1. He swished both attempts putting the Dutch up 1, 61-60. Hudson came down the floor and popped a 15 footer what missed, but Dean was whistled for a foul so the Tiger went to the line shooting 1 and 1 with 18 seconds remain-

ing. He canned both free throws giving Hudson the 1 point edge, 61-62. Following Manchester's time out to map strategy the Dutch passed the ball around and with 5 ticks left in the game Scott let go a 25 footer which touched nothing but net as he gave Manchester the lead 63-62. Hudson did call time then shot from mid-court and the ball almost dropped. It hit the flat metal bracket behind the hoop. This miss gave the Dutch a 63-62 victory. But I'm sure we'll hear from Hudson next season as the 6 top players are juniors with exception of one sophomore.

Gary was high point man posting 23 points (18 points in the second and third periods) with Dean totalling 17 points. Dean was the board man tonight grabbing 17.

Statistically speaking-Manchester got 2 of 4 jumps and had 18 turnovers, 7-7, 2-2. Hudson posted 15 turnovers, 5-4-2-4. Manchester canned 28 of 53 from the field and 11 of 17 from the charity stripe. Hudson hit 27 of 65 from the field and 8 of 16 free throws.

Manchester now faces Whitmore Lake in the District Championship as Whitmore Lake defeated Blissfield.

Middle School Pioneer Days

For three weeks the Manchester Fifth Graders and their teachers, Mrs. Nondus Buss, Miss Mary Ann Detling, Mrs. Betty Hess, and Mr. Ed Tubaugh, came a little closer to knowing what life was like in pioneer days. During this time they participated in a variety of projects which showed them how things were done in the past. They shared the results of this work with their families at an Open House on Thursday, February 27th. It was very well attended.

The projects lasted from one to three weeks and each student signed up for a total of three weeks. One week projects were: Making Corn Husk Dolls, Studying and Planting Herbs, Making and Using Home Made Dyes, Square Dancing, Making Lye Soap, Dipping Candies, Making Large Maps, Writing Reports, Hand Sewing Aprons, Designing and Embroidering Samplers, Painting Murals, Assembling a Pieced Quilt, and Setting Up an Old-Fashioned School Room. Two week projects were: Braiding a Rug, Making a Diorama of a School and Making Models. Three week projects were: Taming Hides, Making a Diorama of a Cabin, Constructing and Putting on a Puppet Show, and Foods. In Foods, they made such things as sauerkraut, butter, dried apples, corn bread, and molasses candy.

Helping make these projects a success were: Mrs. Walter Ellis, Mrs. Bruce Gotts, Mrs. James Scully, Mrs. James

All-in-One Cranberry-Orange Chicken in a Pot

For the busy homemaker, or hostess in a hurry, nothing could make more sense than an all-in-one dish which is filled with all the ingredients of a many pot 'n pan menu. Energy-wise it's a good idea too, as one pot will conserve a lot of gas or electric burning. Beyond that, the piquant combination of poultry parts, carrots, onions, lima beans, celery, and potatoes—all succulently seasoned by cranberry orange relish and rosé wine—add up to a really delectable recipe.

If you're entertaining, a chafing pot would certainly be elegant to use for buffet serving. For the family, simply prepare each plate, and keep your warm pot on the stove for those calls for seconds. Round out this tasteful fare with a salad of crisp greens and a help-yourself pitcher brimful of cranberry juice cocktail with paper-thin orange slices floating in it.

"Do not ask for what you will wish you had not got." The wise man who coined that phrase centuries ago must have been a keen observer of human nature. How often have we craved and captured life's appealing little green apples, only to later pay the price with painful stomachaches!

In the last election, voters asked for removal of sales tax on food items—and they got it. Before it's digested, they may suffer some severe "hindsight is better than foresight" pangs.

With millions of dollars in lost funds because of the food sales tax removal, the State of Michigan is engaged in an almost frantic search for new sources of revenue. The new chairman of the Senate Tax Committee has zeroed in on one possible target—food producers, who are now exempt from sales tax on agricultural inputs, such as machinery and equipment.

No doubt about it—the elimination of that exemption would rattle the state treasury coffers. If just one farmer bought one small tractor for \$10,000, it would mean \$400 in sales tax. It would also mean one more added production cost to farmers, already among the hardest-hit victims of inflation.

At the same time farmers are being asked to produce more food to help feed a hungry world, their incentive to do so seems to be slowly chipped away by burdensome, unrealistic government regulations. Keeping their operations up to snuff to meet the standards of the Occupational Safety and Health Act, Environmental

Protection Agency, and Workmen's Compensation, plus higher prices of labor and energy—to mention just a few—have driven their production costs skyward. Elimination of the sales tax exemption could well be the straw that breaks the camel's back for many of them.

So what does this mean to consumers? The "relief" they experienced at the supermarket through removal of sales tax on food would be short-lived. Eventually, increased farm production costs will be passed on in the form of higher food prices.

Eliminating the sales tax exemption on agricultural inputs is simply a clever way of reimposing the sales tax on food. The farmer would pay first—but sooner or later, the consumer will get what he wishes he had not got.....

Memoriam

In Memory of Emma Bruestle who passed away 2 years ago March 7th.

To those who have a grandma Cherish her with Love and Care For you shall never miss her-until she's not here. She always meant so much to us, that nothing I can say, Can tell the love that's in my heart today and every passing day

Sadly missed by Mr. and Mrs. Ray Flint and Family

In Memory of Eliza Flint who passed away 3 years ago March 6th.

Three years have passed dear maw Since we said our last farewell. To some she may be forgotten But, to the ones who loved and lost her Her memory will always last. Just a cluster of beautiful memories Sprayed with a million tears Wishing God could have spared her For just a few more years. God gave us the strength to fight this and courage to bear the loss. But, what it meant to lose her No one will ever know.

Sadly missed by her children and grandchildren.

School Board Briefs

A special meeting of the Manchester Public School's Board of Education was held on Monday, February 17, 1975 in the High School Library. All board members were present with the exception of Jim Walkow who is in the hospital. Also in attendance were Supt. Swartz, Bus. Mgr. Misner, Principals Kocesi, Tapping, Tassie and McGuire and Asst. High School Principal Chapman.

The meeting was called to order at 8:00 P.M. by Board President Klager. It was mentioned that an Executive Board Meeting was held on Monday, February 10th, 1975 to consider administrator contracts. No action was taken due to the absence of Board Member Walkow.

The first order of business was approval of the minutes of the work session held on Monday, January 27th, 1975. There were no corrections and the minutes were approved as presented.

Next the Financial Report and Bills were considered. Action on the Financial Report and bills were tabled until the work session scheduled for Monday, February 24th, 1975.

Cards were acknowledged from Marty and Ed Tubagh and from Carol Savage.

A letter addressed to Andrew Luckhardt from Dr. Norman D. Wilner, Secretary, the Board of Education, Dexter Community Schools, was read by Mr. Swartz. Dr. Wilner mentioned that Bob Foster, who is a member of the W.I.S.D. Board, is no longer interested in being on the W.I.S.D. Board. Joe Schnebel, a member of the Dexter Board, is interested in the position and Dr. Wilner is seeking support for Mr. Schnebel.

Also, under communications, a letter addressed to Mr. Luther Klager, President of the Manchester Board of Education, from White and Carter Attorneys, who has been retained by Mr. George Macomber, was read. Mr. Macomber has asserted that he has been denied access to board minutes among other allegations. Mr. Swartz responded to Mr. Macomber who was present at the meeting.

Visitors to the board meeting were welcomed by Mr. Klager.

There was no unfinished business on the agenda.

Under new business, Mr. Swartz mentioned that the cut in state aid amounted to \$9,169.58 and another cut is possibly forthcoming.

A member of the community questioned

why his taxes were increased by approximately one third. Mr. Swartz explained the effect of higher local taxes in relation to state aid.

Lists of teachers to be considered for either tenure or probationary status were read.

A recommendation was made by the administration to the bus committee on the purchase of a new station wagon. Bus. Mgr. Misner was directed to check on the availability of station wagons and meet with the bus committee to come up with a recommendation for the March regular meeting.

The Tri School Vocational Program status was outlined by Mr. Swartz. The superintendent commented that our costs for the program will probably increase for the next school year due to expanded programs and the necessity for Manchester to pay a portion of the costs for a Vocational Education Program Director.

Mr. Kocesi briefly commented on the overall effects of the expanded course offerings and the discipline situation in the study hall. The discussion was turned over to the individual teachers who were reassigned to teach the new classes. The possibility of acquiring North Central Association of Colleges and Secondary Schools Accreditation was discussed. The administration has written for a self-evaluation package which will help determine if Manchester can qualify for accreditation.

A request was made by the Fair Board for permission to install concrete pilings on the athletic field. The pilings are needed for support for the electronic scales which the fair board wishes to purchase. This matter was supported by the building and grounds committee.

Under other business, Board Member Vogel commented that not much progress has been made in involving the citizenry in ad hoc committees to study the schools needs. Mr. Vogel made a motion that the Board of Education move ahead with citizen involvement and get the committees formed. Mr. Evans supported the motion and the motion passed.

Bob Evans asked about the property transfer petition which was voted on at the last meeting. Mr. Swartz indicated that the property transfer was denied due to the failure of the petitioners to appear at the hearing.

There was no other business and the meeting adjourned at 10:00 P.M. Respectfully submitted, Andrew Luckhardt, Secretary

COUNCIL PROCEEDINGS

February 17, 1975
Council met in regular session with the meeting called to order by President Little at 7:05 p.m. Trustees present were Beal, Fitzgerald, Mahony, and Scully; absent Curley and Walton. Also present were Daniels and Zsenyuk.

Minutes from the February 3, 1975 regular meeting were read and approved in a motion by Fitzgerald, supported by Beal. All years, carried. Enter Walton at 7:11.

Fitzgerald reported that the sidewalk repair list has been expanded since the absence of snow allowed for a more accurate estimate of needed work. Presently the program is estimated to cost about \$30,000. Special assessment versus contract basis of acquiring reimbursement was discussed.

Fitzgerald listed Public Works activities.

1. Finished pit for the backwash line, with the exception of stone placement.
2. Cut brush around the Ann Arbor Street wellhouse.
3. Repaired water meters which were out of service.
4. Cleaned up snow and ice on streets.
5. Rodded a sewer on Hibbard Street.

Some complaints of high water bills which had been voiced to Council members were discussed. Should there be any questions regarding the sewer and water service billing it was suggested that individuals contact Bruce Daniels at the Public Works Office.

Zsenyuk advised Council of a complaint by Mr. Marvin Kirk at the Post Office regarding parking problems in front of the Post Office. Zsenyuk reported that there had been 4 accidents in the previous 8 days at the location. After discussion of possible ways in which to alleviate the danger, it was decided that curbing would be installed in the middle of Madison Street for the short distance affected.

Police radios, part of the communications grant, are due in during the next week.

Two more replies were received to the Council survey published in The Manchester Enterprise.

Beal advised that no permits had been filed in the previous two weeks. He re-

ported on the five sample Village ordinances on sidewalks which he had acquired from other communities. Some communities require the property owner to pay 100% of the improvement, others require 50% with the local government standing the remainder. Moved by Walton, supported by Fitzgerald that the Village of Manchester adopt a plan whereby property owners pay 50% and the Village pays 50% with specifications drawn up for the construction of sidewalks and inspection required following construction. All years, carried.

Little discussed the minutes from the meeting of the Michigan Alliance of Small Communities.

Mahony said he would complete the necessary work on the Revenue Sharing forms and check into the Chicken Broil contributions for Kirk Park. A meeting was set up for February 27 of the Finance Committee and any other interested councilmen to work on the budget.

Moved by Scully, supported by Fitzgerald to approve the following election inspectors for the March 10 Annual Election and the April 13 Special Election.

Mrs. Katherine Roesch, Chairwoman, Mrs. Margaret Tapping, Mrs. Maxine Widmayer and Mrs. Vera Schablie. All years, carried.

Moved by Scully, supported by Mahony to adjourn at 9:19 p.m. All years, carried.

Mary H. Wheeler, Clerk

YOUR CHURCH

to hear the Word of the Lord-but they will be too late, "For the preaching of the cross is to them that perish foolishness" (1 Corinthians 1:18).

Notice with me the phrase in the above quoted scripture, "OF THE CROSS." It is a sad day indeed when folks cannot appreciate and adore the plain simple preaching of Christ and His cross. The cross of Christ ought to be the central theme and the heart of every church.

MUSIC IN OUR SCHOOLS DAY

"IN THE OLD RUGGED CROSS, STAINED WITH BLOOD SO DIVINE, A WONDROUS BEAUTY I SEE; FOR 'T WAS ON THAT OLD CROSS JESUS SUFFERED AND DIED, TO PARDON AND SANCTIFY ME." (G. Bennett).

Oh how very much the Lord Jesus loves people such as you and I. So much that he was willing to die for us. Let us not think that it was somehow easy for Jesus. The writer of the book of Hebrews tells us concerning Christ that he, "Endured the cross, despising the shame."

Because of Calvary all men everywhere have the privilege and joy of having sins forgiven. That precious blood was shed for you my friend. Why not ask His forgiveness now? "For whosoever shall call upon the name of the Lord shall be saved" (Romans 10:13).

MUSIC IN OUR SCHOOLS DAY

The first national MIOSD (Music in Our Schools Day) on March 13, 1975 is dedicated to millions of young people who make music, listen to music and learn about music through music education in the schools. MIOSD will be an opportunity to communicate the purposes and processes of music education, as well as to demonstrate results. By so doing, it will encourage support for the arts in education.

The Music Department of the Manchester Public Schools will support this event by presenting several 'in school' concerts to acquaint students with the musical opportunities in their schools. An evening concert at the High School at 7:30 P.M. will feature the entire Music Department. Please come and join us for an evening of good music and help make this first annual MIOSD a great success.

Tickets will be available at the door at 25¢ for students, 50¢ for senior citizens and \$1.00 for adults. All proceeds will go to further music in the Manchester Public Schools.

Notice Freedom Township Property Owners

The Washtenaw County Equalization Department has stated in their report to the Washtenaw County Board of Commissioners that they recommend a factor of 1.13 for all Real Property in Freedom Township. To preclude use of this Factor, which would be unfair to some, all property in Freedom Township has been re-assessed. Sufficient increases have been made to achieve a Factor of 1.

Please take notice that the Freedom Township Board of Review will be in session at the Freedom Township Hall on March 10, 1975 from 9 AM to 4 PM, and on March 11, 1975 from 9 AM to 4 PM, and 7 PM to 9 PM. The 1975 Tax Roll will be available for inspection at this time.

Area residents who may have been missed during the 1975 January campaign, may still send their donations to the Manchester March of Dimes.

"I would like to thank Christie Manor, Mother's March Chairman; Mary Kay Bailey, Central Business Chairman; Marilyn Minkick, Outside Business Chairman; Joyce Stein, Special Events Chairman; Helen Walker, Professional Chairman; and Jane Kern, Clubs and Organizations Chairman; The Manchester Enterprise; teen groups, schools and businesses who helped with special projects as well as all who made the 1975 campaign a success. Red Cross Needs Blood Donors

Friday, March 21 is the day for the Red Cross Bloodmobile. It comes to the Emanuel Church of Christ, is open by 12 noon and closes at 6 p.m.

Volunteer donors are asked to register at their place of employment, their church or their club by March 17 so that the appointment schedule can be made by Mrs. Ica Schaffer, Chairman-of-the-Day, and their cards be mailed back to them in time. Double A Products is an exception to this rule as they do their own scheduling.

If you have been unable to register by the 17th, call Mrs. Schaffer at 428-2541 or Mrs. Beck at 428-8852 or come to the clinic and you will be welcome—even though you may have to wait briefly for your turn.

Blood is needed every week by Manchester School District residents yet no one ever expects to use it. Accidents and operations come unannounced and the Manchester Red Cross Blood Club is ready to serve because you, the volunteer blood donors of the area, have attended your Bloodmobile regularly.

Any of these chairmen may be contacted if you wish to register: Manchester Jaycees, Mark Roberts; Emanuel Church of Christ, Mrs. Paul Alber; Manchester Methodist Church, Mrs. Merrill Korth; St. Mary's Catholic Church, Mrs. Wm. Schwab; Bethel Church of Christ, Mrs. Fred Munson; North Sharon Bible Church, Mrs. Floyd Proctor; Iron Creek Church, Mrs. Ralph Janofski; Sharon Methodist Church, Mrs. Lawrence Bowers; Zion Lutheran Church, Reverend John Morris and St. Thomas Lutheran Church, Reverend Jerome W. Dykstra.

Double A Products, Manchester Tool & Die, Stamping Corporation, Manchester Plastics, Unloy and Economy Baler all have their own registrars for the Bloodmobile and will participate. Please be a volunteer blood donor now.

Optimist Club Outstanding Student

Pictured: Mr. Eugene Beutsmieder presenting award to Tom Fitzgerald with parents Mr. and Mrs. Joseph Fitzgerald.

At the March 10th Optimist Club meeting, Tom Fitzgerald, son of Mr. and Mrs. Joseph Fitzgerald, and a sophomore at Manchester High School, was honored as the Outstanding Citizen for February.

Tom remembers his Junior High days—putting a lot of time and work on the Community Fair floats and buttering and turning chickens at the Chicken Broil. Tom is great on sports - wrestling, track, and football, and feels that being out for a sport causes him to work harder in his classes.

Tom's favorite sport is wrestling, his favorite subjects are biology and world history. He is altar boy at St. Mary's Church and belongs to the Youth Fellowship.

Upon graduating from high school Tom wants to go to college to pursue the field of science. Congratulations Tom!

Third Grade Makes Cookie Puppets

Mary Lowery's third grade class at Klager is pictured making cookie puppets. This was done as a part of an activity involving measurement and following directions. Judging by the rapid manner in which the cookie puppets disappeared after completion the activity was very successful.
