Open House To Mark Silver Wedding Anniversary

The 25th Wedding Anniversary of Mr. and Mrs. John A. Clark of Austin Road, Brooklyn will be celebrated Sunday, March 16 with an Open House at the Heart of The Lakes Sportsman's Club in Brooklyn from 2 to 5.

The Open House is being given by the children June Dean, Somy Allen, and granddaughter Mrs. Donald "Susie" Westgate.

Red Cross Needs Blood Donors

Friday, March 21 is the day for the Red Cross Bloodmobile. It comes to the Emanuel Church of Christ, is open by 12 noon and closes at 6 p.m.

Volunteer donors are asked to register at their place of employment, their church or their club by March 17 so that the appointment schedule can be made by Mrs. Ica Schaffer, Chairman-of-the-Day, and their cards be mailed back to them in time. Double A Products is an exception to this rule as they do their own scheduling.

If you have been unable to register by the 17th, call Mrs. Schaffer at 428-2541 or Mrs. Beck at 428-8852 or come to the clinic and you will be welcome—even though you may have to wait briefly for your turn.

Blood is needed every week by Manchester School District residents yet no one ever expects to use it. Accidents and operations come unannounced and the Manchester Red Cross Blood Club is ready to serve because you, the volunteer blood donors of the area, have attended your Bloodmobile regularly.

Any of these chairmen may be contacted if you wish to register: Manchester Jaycees, Mark Roberts; Emanuel Church of Christ, Mrs. Paul Alber; Manchester Methodist Church, Mrs. Merrill Korth; St. Mary's Catholic Church, Mrs. Wm. Schwab; Bethel Church of Christ, Mrs. Fred Munson; North Sharon Bible Church, Mrs. Floyd Proctor; Iron Creek Church, Mrs. Ralph Janofski; Sharon Methodist Church, Mrs. Lawrence Bowers; Zion Lutheran Church, Reverend John Morris and St. Thomas Lutheran Church, Reverend Jerome W. Dykstra.

Double A Products, Manchester Tool & Die, Stamping Corporation, Manchester Plastics, Unloy and Economy Baler all have their own registrars for the Bloodmobile and will participate. Please be a volunteer blood donor now.

Optimist Club Outstanding Student

Pictured: Mr. Eugene Beutsmieder presenting award to Tom Fitzgerald with parents Mr. and Mrs. Joseph Fitzgerald.

At the March 10th Optimist Club meeting, Tom Fitzgerald, son of Mr. and Mrs. Joseph Fitzgerald, and a sophomore at Manchester High School, was honored as the Outstanding Citizen for February.

Tom remembers his Junior High days—putting a lot of time and work on the Community Fair floats and buttering and turning chickens at the Chicken Broil. Tom is great on sports - wrestling, track, and football, and feels that being out for a sport causes him to work harder in his classes.

Tom's favorite sport is wrestling, his favorite subjects are biology and world history. He is altar boy at St. Mary's Church and belongs to the Youth Fellowship.

Third Grade Makes Cookie Puppets

Mary Lowery's third grade class at Klager is pictured making cookie puppets. This was done as a part of an activity involving measurement and following directions. Judging by the rapid manner in which the cookie puppets disappeared after completion the activity was very successful.

Dear Editor,
I want to congratulate the author of the article, "Lenten Lectures at Emanuel Concern Alcoholism" of February 13th, for his concern over the problem of alcoholism. However, I would like to take issue with the unscientific and morally wrong statement concerning the so called "mysterious x factor" that implies that one out of every 10 persons are carriers of a disease called Alcoholism. The truth of the fact: every single one of us has the possibility of being an alcoholic if we choose to drink alcoholic beverages. Alcohol is the blight and curse of our country and our community. The cause of more problems, sickness, injuries (both physical and mental), anguish, and death than any other thing that man voluntarily

takes. It is a proven fact that drivers with blood alcohol concentrates of .10% or higher are responsible for 50% of all motor-vehicle deaths—that translates into 500 men, women, and children killed each week. The economic cost of all this carnage is about \$6.44 billion dollars each year. Alcoholism is a deadly problem with one out of every eight persons between the ages of 25 and 55 in the U.S.A. being an alcoholic. The death certificates of 11,000 in the U.S. annually state the cause of death directly to alcoholism. Over 450,000 pre-teenagers have a serious drinking problem. It has been proven and stated by Dr. Chafetz, director of the National Institute of Alcohol Abuse, that (and I quote) "The single most important factor in determining whether or not a child will end up on alcohol is if the child's parents use alcohol." This, and not some mysterious x factor, is the cause of alcoholism. Come off of it folks, let's quit excusing our sins and take the blame for what we do. How about it Mom and Dad, do you drink? If you do, don't cry when your sweet darlings fall into the heinous blight of alcoholism. One out of every three mental patients are treated for alcoholism. One third of all murders are related to drinking. One third of all suicides are caused by drinking!!! Thirty six million Americans are directly harmed by alcohol. Yes, alcoholism is a terrible blight; but it is not a disease caused by some mysterious x genetic defect found in one out of every ten. Let's not be ridiculous! If alcoholism is a "disease" it is the only disease controlled by an act of the will. It is the only "disease" that requires a license to spread. It is the only "disease" that Americans spend twice as much to "get" as they spend on religion and welfare put together. It is the only "disease" that is bottled and sold at the rate of 30.3 gallons per person per year in the U.S.A. American consumers bought 402.6 million gallons of whiskey, gin, vodka, rum, brandy and cordials in 1973. If alcoholism is a "disease", it is the only "disease" that produced 8.8 billion dollars in 1973 for the Government. That is 16 million dollars a day. This puts alcohol

right behind personal corporate income tax as the largest source of government money. Even after tax, the alcoholic makers and sellers cleared a great big 26.9 billion dollars in profits. If alcoholism is a "disease". It is the only "disease" that promotes crime, is habit forming and we can be fined for contracting it. It is the only "disease" that is spread by advertising and brings death on the highways. It is the only disease we get without germs, or virus and to which we have the answer to, and the means of preventing, yet we allow it to run wild. Alcohol kills more people than all other ways; 28,000 on the highways a year, 28,000 from cirrhosis of the liver. If a factory pollutant would do that the whole nation would rise up in arms, yet where are the press and politicians?? Where are the Unions and the protesters?? Ralph Naders, and the medical profession!!! I am afraid that many might be found at the "HAPPY HOUR" down at the local cocktail lounge!!

Those of us who live in Michigan and know the truth about alcohol are guilty of the crime of neglect... The Michigan Safety Commission reports that accidents among 18 year olds doubled now that they can legally drink. The State Police report that, among drivers 18-20 years old, accidents caused by drinking increased from 3,658 to 5,841 and injuries from 241 to 659 (up 11%), and fatalities from 61 to 101 (a 66% increase). Why??? We allowed our vote getting happy legislators to add 400,000 potential legal drinkers to the highways. The Huron Advisor of March 7, 1973, reports the number of young people under 21 arrested for alcohol abuse DOUBLED in one year in our own Washtenaw County. The number of persons arrested under 21 by the sheriff jumped from 7.4% to 16.8% in one year. Where are those people who said, "Make it legal"? Take the fun out of it and they won't do it!!!! Listen, alcoholism is not caused by

1 Peter 2:24 is our Heavenly Father's plan that every believer should know that Jesus bore our sins away, that he was the end of sin and disease. Sin and disease can no longer have dominion over us if they have already been taken away. Our heavenly Father wants us to know that sin and disease do not belong in the Family of God. If you have faith in God and believe in your heart that God's Word is God's Will, then whatever symptoms you have, do not have dominion over your life.

"DEFEAT THE DEVIL DAY"
North Sharon Bible Church has challenged the Devil. On March 16, 1975 they're expecting 667 in Church—the Devil's number is 666. Talking to Pastor Bill Enslin and the congregation at North Sharon, they're expecting trouble. As Pastor Enslin says "when you have challenged the Devil you don't suspect trouble, you expect it. But, with the grace of God, you expect it. But, with the grace of God, you expect it. But, with the grace of God, we're also expecting 667 in Church." To

add to the possibility of calamity, they are bringing Natasha, a 250 lb female lion, to Church. Why? Because they want to "ROAR for the Lord," and if they can find a volunteer to dress in a red suit, wear a tall, and carry a pitch fork, they would like very much to feed him to Natasha, but a volunteer they don't have. Also, they have 500 kites, one for every boy and girl who comes.
But why would a Church go to all this trouble? Because the Devil has taken something God wants back. Souls; the souls of boys and girls, of mothers and fathers and of grandmothers and grandfathers. Everyone is invited to come on March 16 and on every Sunday. North Sharon Bible Church is located on 17999 Washburne Road, on the corner of Sylvan, in Grass Lake, Michigan. Sunday School is at 10:00 and Service at 11:00.

The Young Adults will leave from the church parking lot at 7:00 to go to the Adirons.

BAPTIST PULPIT
Pastor Alan Morris

God is against beverage alcohol. The Bible pronounces a curse upon all who drink as well as all who are in the booze dispensing business. Listen to what God has to say about the bottle: "WHO HATH WO? WHO HATH SORROW? WHO HATH CONTENTIONS? WHO HATH BABBING? WHO HATH WOUNDS WITHOUT CAUSE? WHO HATH REDDENED OF EYES? THEY THAT TARRY LONG AT THE WINE; THEY THAT GO TO SEEK MIXED WINE" (Proverbs 23:29, 30).

Not only the poor drinker but also the man that sells alcoholic beverages can expect to come under the judgement and wrath of God. Listen: "WOE UNTO HIM THAT GIVETH HIS NEIGHBOR DRINK, THAT PUTTEST THY BOTTLE TO HIM, THAT MAKEST HIM DRUNKEN ALSO..." (Habakkuk 2:15).
Poor pitiful, gullible men that try to convince themselves that there is some redeeming virtue in liquor. How foolish the person that defends the bottle. If

some "mysterious x factor"!!! Neither is it a disease, it does cause a good many diseases; but it is caused by our own sinful nature. We tea-totalers do little to prevent it. Parents who drink AT ALL provide the example for their child to drink. The social drinker, (if there is such a thing) who refuses to give up the so-called pleasure of drinking, feel no responsibility for the one out of 13 who becomes an alcoholic. The drug store operators who sell medicine to make us well also reap tremendous profits out of the selling of booze. The grocery stores who stock food for our nourishment also sell booze for our destruction. I would like to say a BIG THANK YOU to Mr. Jay Lantis of the I.G.A. in Manchester, who has taken a stand against this, and proved that a groceryman can make a living without selling booze. The bar operators who make their living solely on the sale of alcohol should consider the blight and concern they are selling to people; I am sure these men could find more useful ways of providing for their families!!

If the Churches and Preachers of our community would take a stand on this issue it would help a great deal. Thank you for the right of saying these things that are so heavy on my heart. I write this for the good of our good community.

Sincerely,
Bill Enslin, Pastor

drinkers would be honest with themselves they would confess that their habit was wrecking them as well as the ones they love.

Booze corrupts the community. Booze turns a communities young people into drunks and breeds crime. Liquor is nothing short of hell in liquid form.

I cannot think of even one good thing that liquor does for a person, but I can think of many evils associated with it. Booze will take a considerable amount of a working man hard earned pay check and will cause a man not to be able to feed and clothe his family properly. Booze will take a man away from his wife and children and cause him to hang out at some bar. Booze will break up a marriage. A person tanked up on liquor will turn his automobile into a weapon of death. The bottle has caused untold suffering and shame.

Yet, are we to believe that drinking is a disease and that the alcoholic is just sick? Not so. Why not use the words God uses. A drinker is not sick he is SINFUL. Alcoholism is not a disease, it is SIN. The only way to solve the drink problem is to outlaw liquor and make it unprofitable for the bootlegger. There can be no compromise with liquor. May God help us all to have some convictions about this matter. I want to go on record that this preacher and Manchester Baptist Church opposes the use of liquor and beer for any purpose at any time.

AMERICAN LEGION NEWS

More than 1500 executives and officials of The American Legion are here this week attending the 15th Annual Washington Conference of the huge veterans organization.

The midwinter conference, second in importance in the Legion calendar, only to the National Convention, has again undergone a review of progress made in furtherance of resolutions passed at the last National Convention and the formulation of plans for future programs.

Among those attending the Conference from the American Legion Department of Michigan are: Edward Steele, Post 117, Manchester, "Emil Jacob."

In addition to the formal working agenda, Conference were afforded the opportunity to take part in a number of other significant events. On March 4th, National Commander James M. Wagonseller presented the Legion's legislative proposals to both the House and Senate Committees on Veterans Affairs.

On the evening of March 5th, at a Reception and Banquet hosted by Commander Wagonseller honoring Members of Congress, Senator Strom Thurmond received the Legion's Distinguished Public Service Award. The event gave Conference an opportunity to get together with their Congressional delegations.

MANCHESTER COIN CLUB HOLDS ORGANIZATIONAL MEETING

The first meeting of the Manchester Coin Club was held on Saturday, February 21, 1975, at the Emanuel Church. Temporary officers were selected, and president Gilbert Sullaway stated that the junior members would elect their own officers at the next meeting. The club plans to have guest speakers from the Michigan Numismatic Association at future meetings.

The Manchester Coin Club plans to hold its first club show in connection with the United States bicentennial in 1976.

Mr. Gil Sullaway, Ray Gouyer and James Vida donated coins for prize drawings. Winners were Dorothy Meyer, Dyan Little, Chris Wise, Danny Little, and Tim Arnett.

The members of the club wish to thank Donut Time USA for the delicious donuts they donated.

Anyone interested in coins or coin collecting is invited to attend the next meeting, which will be held on March 15 at 1 p.m. at the Emanuel Church. This is a fine opportunity for people who want to learn about coins.

Manchester School Board Minutes

The regular work session of the Manchester Public School District of Education was held on Tuesday, February 25, 1975 in the high school library. All board members were present with the exception of Mr. Walkow. Also in attendance were Supt. Swartz, Bus. Mgr. Misner and Principals Kocesi, Tapping and Tassia. Representatives of the Manchester Education Association were also present.

The meeting was called to order at 8:00 p.m. by Board President Klager. A presentation was made by Mr. Kocesi and Mr. Roger Merrillat concerning the cooperative occupational training program being considered for the coming school year. Under this program, agreements would be made between the co-op coordinator and the prospective employer insuring that students enrolled in the program would receive instruction as well as on the job training in his or her chosen area. Release time would have to be made available to Mr. Merrillat to enable him to act as coordinator for the program.

It was moved by Evans and supported by Walter that the Co-operative Occupational Training Program be approved and that Roger Merrillat be provided release

time to act as co-ordinator for the program. Motion carried.

The minutes of the meeting held on February 17 were read by Board Secretary Luckhardt. There were no corrections and the minutes were approved as read.

A letter addressed to Luther Klager, President of the Manchester School District Board of Education, from the Manchester Education Association was read. The letter was concerning the action of Board Member Feldkamp towards Coach Bart Bartels during and after the varsity basketball game with Addison High School on Friday, February 21, 1975. (A copy of the letter is on file.) Mr. Feldkamp read a statement concerning his action at the basketball game and made a public apology to Mr. Bartels. (A copy of Mr. Feldkamp's statement is on file.)

The board went into executive session to discuss Mr. Feldkamp's action at 9:10 p.m.

The board returned from executive session at 9:35 p.m.

Andrew Luckhardt, Secretary of the Board of Education, read the following resolution regarding Mr. Feldkamp's action.

WHEREAS the Manchester Education Association has requested the Board of Education to take appropriate action in respect to the incident involving Board Member Reno Feldkamp and Coach Bar-

tels on February 21, 1975, and WHEREAS Board Member Feldkamp has submitted a written statement to the Board in which he states that he has apologized to Coach Bartels for his actions at the Manchester-Addison basketball game on February 21, 1975 and that does herewith publicly apologize to Coach Bartels, and WHEREAS the Board has been advised by its legal council that it has no authority to take any definitive action in respect thereto other than to express its opinion by appropriate motion

NOW THEREFORE BE IT RESOLVED that the Manchester Board of Education does acknowledge receipt of the letter of the Manchester Education Association and the statement of Mr. Feldkamp.

Further the Board does regret that a board member was involved in a public altercation with a Manchester teacher and deplores any incident in which any employee of the Manchester School District is subject to verbal or physical abuse.

It was moved by Luckhardt and supported by Walter that the proposed resolution be adopted. Motion carried.

Steve Halchishak, President of the Manchester Education Association, read a statement regarding Mr. Feldkamp and the board's resolution. (A copy of the resolution is on file.)

Mr. Vogel presented the financial report to the board and Business Manager Misner presented the budget report.

It was moved by Vogel and supported by Luckhardt that the financial report and budget report be accepted for filing. Motion carried.

The bills were presented for payment approval. After some discussion it was moved by Walter and supported by Vogel to approve the bills for payment. Motion carried.

Business Manager Misner requested approval to pay Consumers Power Co., Detroit Edison, Michigan Bell Telephone Co., Gallup Silkworth and Gulf Oil Corporation as the bills are received. This would eliminate paying penalties on the bills while waiting for board approval. It was moved by Vogel and supported by Walter that permission be granted for early payment of these bills. Motion carried.

Board Member Evans inquired as to what equipment is available to move injured

students. Mr. Kocesi commented that the matter is being looked into and equipment will be made available shortly. Mr. Misner presented a report on the revenues received since January 31st and the cash requirements of the district for the next 30 - 45 days. A request was made for permission to repay \$100,000 of the \$180,000 note outstanding. It was moved by Walter and supported by Luckhardt that permission be granted for partial payment of the note. Motion carried.

The meeting was adjourned at 10:10 p.m.

Respectfully submitted,
Andrew Luckhardt, Secretary

School Board Briefs

The Building and Grounds Committee acting upon a request from the Manchester Fair Board recommended to the Board of Education that a scale support necessary for an electronic scales be built on the southeast corner of the athletic field with the provision that a separate gate be installed to accommodate the traffic to the scales. The Board of Education approved this recommendation.

An administrative recommendation relative to the transfer of dormant senior class funds to a contingency fund was tabled by the Board of Education pending further study. There is available in these funds a total of \$1534.40 from the senior class of 1971 through 1974. Monies in the contingency fund would be used to buy equipment for the food tent and maintain the present equipment used in connection with this activity.

Teacher evaluations will be considered at an executive session of the Board of Education for discussion and appropriate action.

The Board of Education gave temporary approval to summer school programs encompassing band, reading and math. This request was forthcoming from the administration and is contingent upon the availability of funds for these summer school offerings.

The Board of Education extended the Administrators contracts for one year. Considered at this time were the Superintendent's Contract, High School

Ask **Senator GRIFFIN**

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I have a question about President Ford's 12% rebate on our 1974 income taxes. Can I go ahead and subtract that amount from my returns? Or, should I hold off sending in my return until the bill is passed?

—R. D., Ann Arbor

You should go ahead and file your 1974 income tax return without reference to the possibility of a rebate. At this point, the President's tax rebate proposal is just that—a proposal. Congress is expected to respond by approving a tax rebate of some kind; but the final product is likely to be different.

If you file your return early, you stand a good chance of receiving your rebate earlier—if and when a rebate bill is passed and IRS begins to mail out rebate checks.

I've heard there are a lot of eligible new bachelor Congressmen on Capitol Hill this year. I wonder if you can tell me just how many. If there are enough, I might decide to come to Washington and find a husband! What do you think my chances are?

—O. F., Lansing

According to some female members of my staff—who keep track of such things!—there are only 14 new Congressmen on Capitol Hill who could be described as "eligible bachelors." They range anywhere from age 25 to 51, and represent districts from Maine to California.

I don't know what your matrimonial chances are, but before you rush to Washington, you might want to know that single women outnumber men in this town by nearly 50,000!

MANCHESTER VILLAGE PLANNING COMMISSION

February 6, 1975

The regular meeting of the Manchester Village Planning Commission was called to order at 7:50, by Vice-Ch. Whittington.

Present were members Whittington, Leeson, Daniels, Krause, Walton, Tracy, Chapin. Also present were Council Pres. Little, and Sang Nam, professional planner.

Minutes of the last meeting were reviewed, and on the motion by Daniels, seconded by Tracy, were approved as read.

Enter Chairman Cresawell at 7:57. Mr. Morgan Kern was present, as Chairman of Land Purchase for the American Legion. A letter written by him was read, and a site layout furnished by him was studied. The development would be limited to Block 17, for building and parking site, with no plans at present for Block 18.

A letter was also submitted, addressed to the Village Council, from Mr. and Mrs. Donald Sutton, agreeing to a rezoning of Block 17, including their home property, to R-3, Multiple Family Residential, or C-1, Commercial. A lengthy discussion ensued, covering many aspects of the situation.

It was moved by Daniels that we recommend to the Council that in regard to the request from the American Legion, that rezoning of the parcel be denied. The motion was seconded by Chapin, and voted all yeas except nay by Whittington. Motion declared carried. (Addendum: reasons for the denial recommendation are partially as follows: the possibility of a bar being established in close proximity to the public park; possibility of disturbing the river flood plain area; the

possibility that the Legion might consider location of the establishment on property already appropriately zoned; also the limited parking space.)

A review was made of a number of previously discussed minor changes to be made in the proposed new Zoning Ordinance and Map. Also, Major deletions from the list of "Conditional Uses" to be allowed in the "Urban Industrial District" description, which has been created primarily to protect presently existing factories and businesses.

Adjournment was moved by Tracy, supported by Whittington. The meeting was declared adjourned at 10:35.

NOTICE OF SPECIAL ELECTION AND OF REGISTRATION OF VOTERS

TO THE ELECTORS OF THE VILLAGE OF MANCHESTER: NOTICE is hereby given that a special Village election will be held at the Village Hall at 120 Clifton St., Manchester, Mich. in the said Village, on Wednesday, the 16th day of April, 1975, at which there will be submitted to the vote of the electors of the Village, the question of ratifying a certain public utility franchise contained in an ordinance adopted by the Village Council at its meeting held upon the 3rd day of February, 1975, which said ordinance is entitled as follows:

AN ORDINANCE, granting to CONSUMERS POWER COMPANY, its successors and assigns, the right, power and authority to lay, maintain and operate gas mains, pipes and services on, along, across and under the highways, streets, alleys, bridges and other public places, and to do a local gas business in the VILLAGE OF MANCHESTER, WASHTENAW COUNTY, MICHIGAN, for a period of thirty years.

On the date of said election, the polls will be open at 7 o'clock in the forenoon, or as soon thereafter as may be, and will be kept open until 8 o'clock in the afternoon, Eastern Standard Time, when they will be finally closed. The Village Clerk will be in her office on the 17th day of March, 1975 between the hours of 8 a.m. and 8 p.m., Eastern Standard Time, said date being the thirtieth day, as determined by statute, preceding the date of said election, for the purpose of reviewing the registration and registering such of the qualified electors of the Village as shall appear and apply therefor. In the event such thirtieth day shall fall on a Saturday, Sunday or legal holiday, registration shall be accepted during the same hours on the following day.

MARY W. WHEELER
Village Clerk

Makes sense to Save heat

When you save heat, you're saving dollars and scarce energy. Fortunately, there's something all of us can do to help save this energy and our heating dollars.

- Install at least six inches of insulation in your attic.
- Install weather-stripping, storm windows and doors, and caulk cracks.
- Keep damper closed when fireplace is not in use.
- Set thermostat to lowest comfortable daytime temperature, down to at least 65 degrees for sleeping.

To learn more about how to use energy wisely, call or stop in and pick up our free booklet.

School Board

Principal's Contract, Middle School Principal's Contract, Elementary School Principal's Contract and Business Manager's Contract.

Quotations on a station wagon for the special education runs were opened by the Board of Education. Five quotations from Tom Marshall Inc., Tirk Chevrolet, Underwood Chevrolet, Village Motor Sales in Chelsea and Steeb Dodge in Saline were referred to the board's transportation committee for consideration and action.

The Manchester special education personnel gave a very interesting and informative slide-film presentation on the work being done in the school with children in special education programs. These programs include Type A classroom, the Speech Therapy program and work with the Emotionally Disturbed children. Present for this presentation were Dr. Virginia Rezmierski, Director of School Special Education Personnel; Diane Friese, Crises Teacher; Barbara Lund, Social Worker; Anne Shain, Crises Teacher; Loretta Runyon, Crises Teacher.

ROGERS CORNERS FARM BUREAU

The Rogers Corner Farm Bureau will meet Friday, March 14 at 8:30 p.m. at the home of Edwin Horning on Waldo Road.

BAND BATTLE '75

The Saline Jaycees are seeking entrants for their 9th annual BAND BATTLE '75. Billed as "Michigan's Finest Rock Band Competition", the contest offers prizes valued at over \$2000 to the winners. The competition is open to all groups whose members are between 14 and 19 years of age. Entry forms can be obtained at the Ann Arbor Music Mart or by calling Ron Cundiff at 429-4835.

Preliminary contests will be held March 22 and 29. The finals are set for April 5. The competition is held at the Farm Council Building on Saline-Ann Arbor Road.

Manchester bands have fared very well in the 8 previous Band Battles.

TASK FORCE CONTINUES

The Middle School Task Force continued planning for the Open House at the March 8 meeting. It was decided to have the Open House, April 10th. The Open House will be from 7:00 to 9:00 p.m. and will include all of Middle School.

The next meeting will be held March 20 at 7:30 p.m. at the Middle School Staff Room. In order to make this an effective "task force" we need a continually growing attendance of mothers, fathers and other interested citizens. Please come!

COMMUNITY CHEST

MEETING

The annual meeting of the Manchester Area Community Chest and Red Cross Drive will be held at 7:30 p.m. on Thursday, March 20 at the High School Library. Various agencies will report to the board.

Election of four board members will be held.

Girl Scout Week March 8-15

Area Girl Scouts are celebrating Girl Scout Week March 8 to March 15 by saying to civic groups, service organizations and needy individuals "let us help!" In volunteering to assist these people, Girl Scouts hope to demonstrate their gratitude to their fellow citizens for their support through purchases of Girl Scout cookies and contributions to the United Way.

"The girls are eager to participate in whatever needs to be done," Mrs. Louis Galan, President of the Huron Valley said recently. "They have time and energy and enthusiasm which is at the service of a neighborhood or a community effort."

Brownie troops are concentrating on doing helpful tasks for sick and elderly people in their neighborhoods. Junior Girl Scouts frequently will be working with their schools. Cadettes and Seniors are contacting service clubs, ecology groups and city offices to see what they can do to improve the life of their communities.

For example, Junior Troop No. 615 of Ann Arbor has already completed a project which was requested by the Parent-Teachers Organization of Wines School. The parent group wanted four litter receptacles for the school playground. The 25 Girl Scouts worked as teams to design the artwork for the donated old drums using such slogans as "Don't Be a Litterbug", and according to troop leader, Mrs. Guy (Jeanne) Dean of 1340 Wines Drive, the girls will present the

litter receptacles to the school Tuesday afternoon.

This particular Girl Scout troop has also been responsible since last fall for serving refreshments daily to a dozen or so retirees now teaching crafts and other skills as volunteers to Wines School students during free periods.

METHODIST HOME INVITES PUBLIC FOR EASTER PROGRAM

Chelsea United Methodist Retirement Home will present an Easter film program, "The Dawn of Victory", on the evening of March 18th, at 7 o'clock, in the Chapel.

The thirty minutes color movie depicts the events of the Crucifixion, the Resurrection, and Christ's appearances after the Resurrection. The film will be the principle part of the hour of worship. The public is cordially invited to attend this service, and to enjoy this Easter film.

DAUGHTERS OF MARY MEETING

At the meeting of February 19, the Daughters of Mary were pleased to have Patty Forman, of Stretch & Sew, come and give a demonstration on slack sewing and fitting. She also brought with her the new Spring fashions. It was a very interesting demonstration and everyone enjoyed themselves.

For fun and fellowship, come to the next Daughter's of Mary meeting held on March 19, 8:00 P.M., at St. Mary's Church.

Twentieth Century Club Meeting

The Twentieth Century met at the home of Mrs. H. Sutton, co-hostess was Mrs. R. Grossman.

Program for the evening was a "Scavenger Hunt." At the next meeting, March 18, Mrs. R. Muncy, member of Washtenaw County Historical Committee will give a talk on "Collecting Historical Items."

Middle School Activity Period

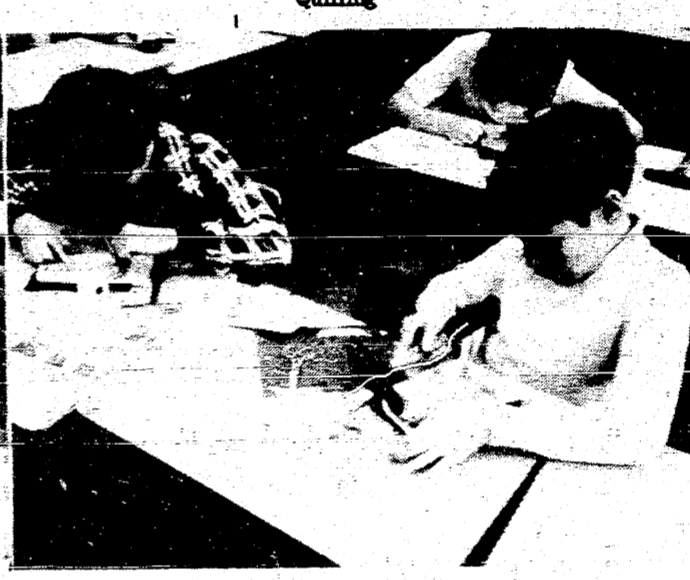

Chess and checkers

Quilting

Blue jean embroidery

String art

One of the tasks of the Middle School Task Force is letting people know what's happening. These pictures are part of a happening that is called Activity Period. Some time ago the Middle School teaching staff decided to come up with something to unify the school as it was too much 5th and 6th grades "here" and the 7th and 8th grades "over there." Something to supplement the curriculum was desired as present offerings were limited by space, teaching staff and time. An activities class was agreed upon; the teachers volunteering to offer various activities, realizing all preparatory work would be done by them in addition to regular class work. The space was achieved by using present classrooms and the time necessary for these activities was achieved by shortening the four morning classes by 15 minutes each. Activity classes were set up to run one hour a week, Wednesday's, for four consecutive weeks. The four one-day-a-week sessions are held three times a year: Fall, Winter and Spring, making up a total of 12 hours a year. The list of offered activities is posted and students sign up for whatever they would like to try. Activities offered for Winter were Square Dancing, Making a 5-Peg Game Board, Models, Quilting, Flying, Crocheting, Reading for Pleasure, Exploration (job careers, etc.), Coed Volleyball, Table Tennis, Short Field Trips, Braiding and Lacing, Field and Stream Club, First Aid, Table Games, Chess and Checkers, Banner Making, Blue-jean Embroidery, Sketching, Still Life Art and String Art. Another important part of this program is the fact that other people of the community volunteer their special skills to the students. But most important is the fact that the four grades all inter-mix and participate in something that is not only educational but fun. A display of activity projects is planned at the April 10th Open House. Plan to visit and see what our students are doing.

Over The Rainbow is 4-H

"Over the Rainbow is 4-H" was the theme of the 1975 Washtenaw County 4-H Spring Achievement and Style Reveal held this past weekend at the Saline High School. Twenty-seven members of the Sharon Valley 4-H Club exhibited projects they had finished in both Leathercraft and Woodcraft. For the first time, there were two youngsters, from the club, exhibiting in the Beginner Leathercraft Class. Jodi Haller of Manchester received a "B" rating and Stacey Sterling of Saline received an "A" rating. Both these girls are nine years old. In the Friday evening style show, Stacey also modeled a slack outfit she had made for her sewing project. She is a member of the Busy Works and the Saline Farmers 4-H Clubs in Saline. In the Apprentice group, for members ten to eleven years of age, there were twelve first year leathercrafters and two second year members exhibiting. Jimmy Adams of Manchester received an "A" rating. Jimmy is also a member of the Dutchmen Dog Club and the Mavericks 4-H Club. An "A" rating was awarded to Bruce Garlick, also of Manchester. Bruce also received an honor ribbon and a special award from the Tandy Leather Corporation on his project of a leather plaque, knife sheath and billfold. Bruce is a member of the Sharon Valley 4-H Saddle Club also. Kelly and Todd Knepper of Ann Arbor, both received "B" rating ribbons. Kelly is a member of the Learn

'n Save 4-H Club and modeled her outfit during the style show. Her brother, Todd, is a member of the Galloping Good Guys 4-H Club. Petra Moessner of Saline was awarded an "A" rating ribbon for her leather items and also an honor ribbon. During the style show, Petra also modeled a macramé skirt which she had done for her mother. In the construction judging of this item, she received a blue ribbon, which is an "A" rating, plus an honor ribbon. In woodcraft, she received an "A" rating ribbon for the tack box she finished. Petra is also a member of the Sharon Valley 4-H Saddle Club. Awarded an "A" rating ribbon for her leather items, was Judi Poet of Manchester. Judi is also in the horse project and is a first year member of the Sharon Valley 4-H Saddle Club. Deede Starling of Saline received an "A" rating for the leather projects she had completed. Deede is busy as she is a member of the Busy Workers and the Wranglers 4-H Clubs. She, too, modeled her sewing project of bib overalls during the style show on Friday evening and was selected to return and model again on Saturday evening. Deede is a member of the Washtenaw County 4-H Horse Judging Junior Team also. Jeff Stevens of Manchester was awarded a "B" rating ribbon on the projects he completed in leather. The Tanner girls, Barbara and Debbie, of ribbons. Kelly is a member of the Learn
