## Robert V. Evans Local Insurance Agent Succumbs

Robert V. Evans of 19865 Sharon Valley Road, died April 1, 1975 at the Chelsea Community Hospital following a brief illness.

Born in Mt. Clemens and growing up in Centerline, Michigan gave Bob a knowledge of small town living.

Bob spent four years in the U.S. Navy during the Korean War then moved to Ann Arbor to work as Credit Union Manager for the University Hospital as well as King Seelye. Joining State Farm Insurance in 1971 he came to Manchester to locate his office on Riverside Drive.

The son of John and Lila Oke Evans, he was married to Marie Rettig on August 9, 1958, in Centerline.

Bob is survived by Marie and their five children, Kevin, Brian, Karen, Sally, and Lynn, all at home and one brother, John, of Detroit.

Bob was a member of St. Mary's Catholic Church, Knights of Columbus, and the Manchester Board of Education.

Funeral Services will be held Thursday 10 A.M. at St. Mary's Church. Burial will follow in St. Mary's Cemetery. Bible Vigil will be held Wednesday, April 2, 8 P.M. at the Jenter Funeral Home where friends may call.

## First Aid Courses Start, April 22

The newly formed Emergency First Aid Squad announces the scheduling of Basic First Aid Courses beginning April 22, 7:00 PM in the Manchester High School. The classes will be taught by the Red Cross.

This will be the first in a series of First Aid and Rescue Classes to be offered. The first course will be a Micro-Media Course, to be completed in two sessions. Advanced First Aid will be offered after completion of the Micro-Media session.

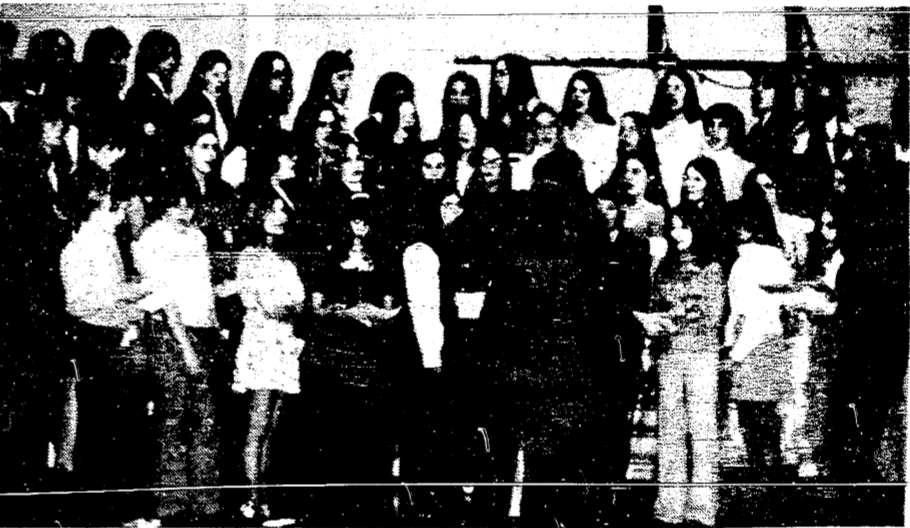

It is planned that following the completion of the First Aid and E.M.T. (Emergency Medical Training) training, a Rescue and First Aid Squad be established to serve Manchester and surrounding communities.

All interested persons are invited to attend. For further information, please call Pete Hughes 428-8802 or Len Blossom 428-7925.

## "Music In Our Schools" Concert

Miss Alice Greminger, fifth and sixth strings

Mr. Roger Marrison, high school choir

## Celebrate 40th Anniversary

Mr. and Mrs. James Pratt of 649 West Main, Manchester were hosted Easter Sunday at the Ann Arbor Town Club by their children and her brother and wife, Mr. and Mrs. William Kulenkamp of Ann Arbor, in honor of their 40th Wedding Anniversary. They were married at the Manchester Methodist Church by the Rev. William Johnson on March 30, 1935.

Mr. and Mrs. Pratt are the parents of 5 children: Roger of Detroit, Barbara Dubler of Connecticut, Gary of Manchester, John of Tecumseh, and Marilyn of Ann Arbor. They have 3 grandchildren.

Over 300 students took part in the recent "Music In Our Schools Day" concert for the Manchester community. It proved to be an exceptional musical treat to hear the following groups perform in one evening: a choral group of third and fourth graders, the fifth and sixth grade band, fifth and sixth grade strings, middle school band, high school band, pop band, high school chorus, variety chorus and the orchestra.

This concert was coordinated and directed by the instructors in the music department: Mr. Christopher Cantine, Miss Alice Greminger, Mr. Roger Marrison, Mrs. Joyce Meade, student teacher and Mrs. Mary Korican.

A concert of combined music groups gave the people in the community an excellent opportunity to see the results of talent and hours of practice by the students. A bi-centennial theme was used throughout the program.

## Open House To Mark Silver Wedding

The 25th Wedding Anniversary of Mr. and Mrs. Thomas H. Gormley of 14610 W. Austin Road will be celebrated Sunday, April 6 with an Open House at their home, from 2 to 5.

The Open House is being hosted by the couples three sons, Max, Scott, and David. Thomas Gormley and Mary Lou Ross were married in Angola, Indiana on April 5, 1950.

## Senior Citizens

Next Monday, the 7th of April, we will be borrowing a school bus for a shopping trip to Arborland. Knapps for lunch, and then Meijer's. The bus will leave at 9:00 a.m. from the Emanuel Church parking lot and return at 2:30 p.m. All seniors in the Manchester area, regardless of church affiliation, are welcome to participate. Call Mary Schabla, 428-7617, to make reservations, before Sunday. A donation of \$1.50 to defray expenses will be collected before we leave. Our thanks to the Manchester Public Schools for the use of their bus.

A reminder about the hot lunch program at Chelsea. Any senior citizen in Manchester can be given a ride to Chelsea to enable them to participate in this nutritious and delicious hot lunch program. Call the Emanuel Church office, 428-8359 for details.

The Senior Citizens' Center, an interdenominational center for Seniors' activities, will be open next Tuesday, April 8, from 1-4 PM for Euchre, conversation, and refreshments. In addition, June Jenter will be showing slides of her Caribbean trip for our enjoyment. See you there!

## IRON CREEK STUDY GROUP

The Iron Creek Study Group will meet with Stella Furumski, April 10, 1975 at 12:30 for a dessert luncheon. If you cannot attend, please call 428-7952.

## ROGER CORNER FARM BUREAU

The Rogers Corner Farm Bureau will meet at the home of Mildred Huelh, April 4 at 8:30 p.m. (note date change). Speaker Duane Robinson, on Trusts and Wills.

## LETTERS TO THE EDITOR

Dear Sir:

I am the Manchester Representative to the Washtenaw County Right-To-Life organization. As you probably know, we feel that everyone has the right to life and we are doing what we can to promote passage of the human life amendment to the Constitution. If anyone in the Manchester area would like to receive literature about the organization and its programs or would like to know how he/she can help, I would appreciate it if he/she would get in touch with me.  
Sincerely yours,  
Betty Cummings

Dear Mr. Steele:

I am pleased to announce that the DNB will shortly tender the Village of Manchester an offer of a State grant from the water pollution control fund established by Act No. 26, of the Public Acts of 1966, as amended. The amount of the

State grant is \$1,305, based on an estimated eligible project cost of \$26,106. The formal offer will be placed in the U.S. Mail on Monday, March 31, 1975. This project has been approved by the Environmental Protection Agency and offered a Federal grant in the amount of \$13,575, under the provisions of the Federal Water Pollution Control Act. The State grant plus the Federal grant represents 55% of the estimated eligible project cost.

The project for which financial assistance is being offered consists of the evaluation of existing facilities, the study of alternative treatment works and determination of the most cost-effective waste treatment management system that will meet water quality standards and abate the present pollution problem caused by the Village of Manchester and portions of the Townships of Sharon, Freedom, Manchester and Bridgewater that fall within the State-approved plan of study area.  
Sincerely yours,  
Hal W. Ziegler, State Senator

Mr. George Macomber:

Despite the negative and inaccurate statements in your letter to this paper on March 27, 1975, I am happy that you have given me the opportunity to review the improvements made in the Manchester School System during my tenure as superintendent. The improvements made in the high school program were done to bring the school to and beyond the minimum requirements of any accrediting agency. It has taken time and money. We are much, much closer to that goal now than we were ten years ago. Very quickly I will point out that I do not take total credit for the improvements noted in this communication. Board members, capable principals, talented teachers and helpful, interested citizens were all involved in the process of upgrading and enhancing the educational program. I am proud of the people I have had the privilege of working with, and I am proud of the accomplishments our school has made. I do not apologize for my educational leadership, nor do I feel that I have to prove myself to anyone in this community.

I am somewhat mystified by your recent interest in the North Central Association for Accreditation of Secondary Schools. As you undoubtedly know only 340 schools out of 518 accredited by the University of Michigan are also accredited by the North Central Association. Most of those who do not have NCA are smaller Class B, C and D schools who have not had the necessary finances to have the facilities and offer the programs required by North Central. The Manchester School System does a remarkable job with the funds that have been available to it. The quality of the educational program is not necessarily equated with accreditation by North Central. The Manchester Board of Education and the administration have attempted to offer a quality program with reasonable millage requests. And this we have done.

- You have previously gone on record through letters to the Enterprise opposing operational millage for school needs. Are you now advocating increased millage to hire extra personnel, expand facilities and buy equipment necessary to meet North Central Accreditation requirements? If the citizens of this community want to grant extra millage for these improvements, we will be happy to work in that direction. But keep in mind that accreditation by North Central is not going to do anymore for our students than our present University of Michigan accreditation does right now.
- Mr. Macomber, my recent contract extension was not a conditional one. I have not kept secret my intent to retire in 1976. I have told many people of my plans as long as three years ago. Recently when I felt it was appropriate to do so, I apprised the Board of this fact. The legal procedure for dismissing a school administrator requires written charges months in advance of a termination of contract. I have never received from the Board as much as one written sentence faulting my work; therefore, I can only assume that as far as the majority of the Board is concerned my work has been satisfactory.

- Improvements in the Manchester Public Schools since 1964.
- CURRICULUM: General
- Office machines course added to high school commercial area with the equipment purchased with matching Federal funds.
- Full time Art instructor added to school system.
- Language Laboratory added to the high school.
- Elementary and Middle School guidance and counseling added to program.
- Full time librarians in Secondary and Elementary areas.
- High school physical education classes increased and expanded.
- Teaching machines added to the total program with Federal funds. These include reading machines, reading laboratory equipment.
- Extensive supplementary and corrective reading materials added to instructional library.
- High school industrial arts area expanded to include metals and machine shop.
- Curriculum and planning meetings by entire staff.
- In service faculty workshops for teaching staff.
- Participation by local staff members and administrators in local and state workshops and seminars. Especially in the vital area of reading.
- Testing program evaluated and updated.
- Expansion of junior high homemaking to include 7th grade girls.
- Addition of crafts class for eighth grade boys.
- Expanded junior high social studies.
- Improved method of reporting to parents of elementary students.

Sunday evening April 6, at 7:30 p.m. the film "In the Presence of Miss Enderby" will be shown. This is the compelling true story of Captain Howard Enderby who became a prisoner of the North Vietnamese in November 1965 and for seven years endured suffering and torture in "Hanoi Hilton".  
It is a story of faith in action and the reunited of Howard and his wife, Ruth, who remained true for five long anguish-filled years not knowing if her husband was dead or alive. See the full story at Iron Creek Church this Sunday evening. A free will offering will be taken.  
The Youth Choir of the church visited Herrick Nursing Home last Saturday and gave an Easter program of song and scripture which was much appreciated by the patients. Afterward the group attended the Child Evangelism Rally at Dawson

Auditorium in Adrian and on the return home were treated at the Dairy Queen by their sponsor, MR. BILL EARL.

World conditions grow worse with each passing day. As we read the newspaper and watch the news broadcast on television we are reminded of the words of Jesus. He spoke of a time on earth when there would be darkness and earthquakes and pestilence. Liberty, He was speaking of a time when humanity would feel pressed in on all sides with no way out. Certainly we feel this way now. The Lord's return is not as that, "Ye shall hear of wars and rumors of wars, but nation shall rise against nation, and kingdom against kingdom; and there shall be famines, and pestilences; and earthquakes in divers places..." (Matthew 24: 6,7).

Man has made a feeble effort to bring peace to this troubled world. But it is not within the power of man to bring peace. The United Nations doesn't have the answer. Neither does Washington, the various political parties, many religions, and all the peace programs that are instigated by our government. In spite of

## SCOUT RECRUITING NIGHT

Scout Recruiting Night will be held April 7th, at the Middle School at 7:00 p.m.

If there are any new boys that want to join our new scouting program bring your parents to the meeting that night.

We have a new Scoutmaster, Tom Marshall Jr. and two Assistant Scoutmasters, Bob Walter and Dave Pratt.

Some tentative activities that are planned for the coming months are; some time in April, a bowling night, in May, our Annual Scout-O-Rama, in June, a week-end trip to Sea World in Ohio, July, a week of camping, maybe at Wrights Lake, also participation in the Chicken Broil and August will be Fair time.

So, for extra fun, join up with a growing troop.

Memory works wonders with the truth. \*\*\*\*\*

# YOUR CHURCH

History will run its course. The nations will run their inglorious way and then God will bring about world peace. Remember what the angels spoke to the shepherds as they heared the birth of Christ? "On earth peace, good will towards men." The world will know peace only when Jesus reigns. Isaiah, through the inspiration of the Holy Spirit, predicted the birth and rule of Christ when he said, "For unto us a child is born, unto us a son is given; and the government shall be upon His shoulder; and His name shall be called Wonderful, Counsellor, The Mighty God, THE PRINCE OF PEACE. Of the increase of His government and peace there shall be no end, upon the throne of David, and upon His kingdom, to order it, and to establish it with judgement and with justice from henceforth EVEN FOREVER..." (Isaiah 9: 6,7).

But before this time comes dear reader you can know what it is to have peace in your heart. It comes by repentance and confession to God for sin. "For whosoever shall call upon the name of the Lord shall be saved" (Romans 10: 13).

What are we to do in the light of world conditions? The answer is given in Psalms 118: 8 "It is better to trust in the Lord than to put confidence in man." Don't stake all your hopes on some political leader or even the wisest of men. Remember it is far better to trust in the Lord. In times past history has proved that the God of the Bible was right and the future will also prove this.

Are we really dependent on foreign oil—or is that just scare talk? If people knew the facts, they would be more likely to cooperate.

—W. C. Warren

Here are facts from the Federal Energy Administration: In 1970, we imported about 26% of our oil at a cost of \$3 billion. By 1974, we were importing 40% of our oil at a cost of \$24 billion—that's an increase of 800% in our foreign oil bill in just four years! FEA estimates that we will be over 50% dependent on foreign oil in two more years—unless action is taken now to reverse this trend. President Ford has set a national goal of reducing oil imports by one million barrels a day by the end of 1975, and by two million barrels a day by the end of 1977.

I'm a college-bound student and since my parents can't afford to send me out of State, I plan to stay right here in Michigan. I wonder if you can tell me where I can get some information on Michigan colleges—and especially such things as the type of financial aid they offer and admission requirements?

You'll be glad you decided to stay in Michigan. There are many fine colleges in our State, and you can find out all about them in a book entitled *College Admissions and Financial Assistance Handbook*. It's free and you'll find it a valuable source of information. For a copy write to: Higher Education Planning, Dr. James Weber, Michigan Department of Education, Lansing 48902.

CONSUMERS COULD PAY HIGHER FOOD COSTS, FARM SPOKESMAN WARNS

Farmers should not be required to make up for the losses in state revenue caused by the voters' decision to remove the sales tax on food and drugs, the president of the state's largest farm organization announced. Elton R. Smith, Kent County dairy farmer who heads the 61,097 member family Michigan Farm Bureau, testified before the Senate Taxation Committee in opposition to proposed legislation which would eliminate the sales tax exemption

on agricultural inputs.

Smith called the bills (S.R. 372 and S.R. 373) a "very serious threat to Michigan farmers," and urged their defeat. "The provisions of these bills would submit farmers to a double tax burden," Smith said. "First, they would be subjected to a four percent tax on most production inputs and, secondly, if industry is subject to additional taxes, the price of those production items would rise even higher than they already are."

"Sooner or later, these costs will be shifted to the consumer in the form of higher food costs," the farm spokesman warned. "This occurs in a most cruel manner. Farmers' incomes are assessed over a period of time to where they can no longer survive and then shortages occur and prices spiral upward."

"To meet the challenge of food production and to do their share to feed the hungry of the world during ever-increasing production costs, Michigan farmers are constantly having to increase their investments in machinery and all other production needs. The investment required to create a job in agriculture is much higher than most any other industry. It can easily be \$100,000 per man or more," he said. Smith told the committee that while farmers are subject to all the problems of any other business, they are also subject to total loss of their crops because of bad weather, as evidenced by the fact that 39 Michigan counties have been officially declared disaster areas.

STATE MINIMUM WAGE GOES TO \$2.00 AN HOUR APRIL 1, 1975

The State's minimum wage will go to \$2.00 per hour on April 1, 1975, according to Keith Molla, Director of the Michigan Department of Labor. Beginning January 1, 1976, the State's minimum hourly rate will be \$2.90 and beginning January 1, 1977, \$2.50 per hour. The amended law also provides for the payment of time and one-half the employee's regular rate of pay for any hours worked in excess of 48 hours in a work week beginning April 1, 1975. Beginning May 1, 1975, the law will require time and one-half be paid for hours worked in excess of 46; on May 1, 1976, for hours worked in excess of 44; and on May 1, 1977, for hours worked in excess of 40 in a work week.

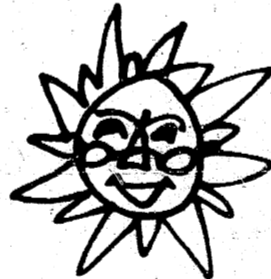

Increases in piece rates for harvest operations required to be paid to agricultural employees were also announced by Director Molla. The rates which were determined by the Michigan Wage Deviation Board to be equivalent to the prevailing hourly minimum wage rate were the first increases in rates since July 1, 1974.

Farm laborers paid on an hourly basis rather than a piece rate basis who are between the ages of 18 and 65 and are employed by an employer employing four employees between ages 18 and 65 must be paid at least \$2.00 per hour as of April 1, 1975.

Swiss Torte Is Very Special

At holiday time, or for any special day, bake this elegant European-type cake. It may be baked the day before serving.

Swiss Broyage Torte

- 1 (9-inch) sponge or yellow cake layer
1/4 cup cognac
3 egg whites
1 teaspoon vanilla
1/2 teaspoon cream of tartar
Dash salt
1/4 cup sugar

Sprinkle cake with cognac. Let stand while preparing Broyage layers. Grease and flour 2 cookie sheets. Press rim of 9-inch layer cake pan lightly into flour to make a guide circle on each.

SINGLES 25 AND UP

If you enjoy dancing to good music, come and join the Tuesday Nine Singers at the Ann Arbor "Y" on April 1. Dance from 9 to midnight to the music of Swing Kings.

TREE ORDER DEADLINE NEARS

Deadline for ordering tree and shrub seedlings from the Washtenaw County Soil Conservation District is April 15. Evergreens, hardwoods, and wildlife shrubs are sold each spring for a nominal fee to encourage landowners to plant trees for beautification, wildlife habitat, wind-breaks and erosion control.

Order forms are available from the Washtenaw County Soil Conservation District at 6101 Jackson Road, Ann Arbor, Michigan 48103. Phone: 761-6721.

Orders are taken on a first come, first serve basis. Several species are already sold out and others, such as White Pine, Black Walnut, Multiflora Rose, and Honey-suckle are rapidly dwindling.

Wildlife shrubs such as Autumn Olive

are available, as well as a wildlife "grab bag", made up of assorted shrubs which will have berries for wildlife food during fall and winter.

For sunny slopes needing protection from soil erosion, Emerald Crownwath seed can be planted. This long-lived legume forms a dense carpet of cover and is practically maintenance-free once established.

All who order seedlings from the District will be notified by mail of when and where to pick them up.

CONSIDER THIS.....

One billion seconds ago, the Japanese bombed Pearl Harbor.

One billion minutes ago was a world forty years after the death of Christ.

One billion hours ago man had not set foot on the face of the earth.

One billion dollars ago was yesterday....

The budget of the United States for fiscal year 1976, recently sent to Congress by President Ford, calls for spending of \$349.4 billion during the 12 months beginning July 1, 1975—nearly \$1 billion per day, seven days a week.

But the budget provides that the federal government will only collect enough money from taxpayers to spend at that rate for six days. So instead of resting on the seventh day, we'll borrow \$1 billion.

And those figures are only budget figures. The Congress has already indicated that it is going to cut taxes more than President Ford proposed, and it is likely that spending will run higher than budget estimates.

Because Uncle Sam has been running his business like this all too often over the past 30 years, the total federal debt outstanding will pass \$600 billion in 1976. To pay the interest on that debt, it will take nearly \$100 million each day next year—10 percent of total spending. The next \$450 million to be spent each day will cover welfare, social security, health care, and veterans' benefits, and another \$300 million will go each day for defense, foreign aid, and space programs.

The remaining \$150 million to be spent daily will be stretched to cover all agricultural, transportation, housing, educational, law enforcement, and sewer and water programs, including reverse sharing.

If you're an average American, you probably think you're paying too much tax. If you're an average American taxpayer, just what do you think your contribution will do in 1976?

MANCHESTER TOWNSHIP CITIZENS

God has given us one of the most beautiful townships in Michigan in which to live, but its beauty is being marred, and even destroyed by junk piles, rubbish heaps, and trash along its roads.

We need YOUR HELP in restoring beauty to our township! Will YOU help???? Free refuse transfer facilities permits are available from either the Township Treasurer, Dorothy Burch, or the Township Supervisor, Clarence Fielder, just for the asking.

The Environmental Control Unit of the Washtenaw County Health Department is working in conjunction with the Manchester Township Board in this situation, as it MUST be corrected!

1. There shall be absolutely NO dumping of anything along the roads.

2. All existing rubbish piles along the roads shall be done away with, either by hauling or covering with at least two (2) of fill dirt.

If you have any questions or suggestions, PLEASE contact any member of the Township Board.

Thank you for your co-operation.

Clarence Fielder, Manchester Township Supervisor
Constable Lyle L. Moore, Zoning Inspector

enables low income households to buy more food for less money. They thereby can have a greater variety and an improved diet. Food Stamps are coupons to be used as money. They can be bought for less than they are worth at the grocery store. The amount you receive and the amount you must pay depends upon your household size and NET monthly income. For example: a family of four (4) with a maximum monthly net income (the amount after allowed deductions for excess shelter cost, medical expense, etc.) of \$309.99 would pay \$3.00 for a month's allotment of Food Stamps which would buy \$164.00 worth of food.

The program is administered by the Washtenaw County Department of Social Services located at 120 Catherine, Ann Arbor.

Volunteers and staff will be at Manchester Methodist Church, 501 Ann Arbor St., Manchester on Thursday, April 10, 1975 from 9 AM to 4 PM to answer your questions and take applications for this program.

If you need transportation to the site, please call Mrs. Beck, 428-8852 or Mrs. Schable 428-7617, and they will try to arrange it.

If you can't make it on Thursday, April 10th, you can apply at the Department of Social Service office, at 120 Catherine, Ann Arbor during regular office hours, 8 AM to 5 PM, Mondays through Fridays. If you have questions you may call Ardith King, Volunteer Coordinator, Department of Social Services, 663-0567.

## Card of Thanks

The family of Thomas Hollis Walker wish to extend our appreciation to our friends, relatives, the Methodist Women, Double A workers, and neighbors for the beautiful cards, floral arrangements, memorials and food but mostly for the concern and sympathy in the illness and death of our Darling Husband and Father. We are very grateful for your many acts of kindness you have so lovingly shown us.

In Memory of Hollis:  
Out of our life a light has gone, and yet we know  
If in the darkness God's Will be done 'Tis better so,  
If in our loneliness we look to Him, we need not fear,  
For love will light the path that else were dim, if He be near.

Clarissa (Susie), Diane & Bill, Patricia & Steven

### THANK YOU

To all that participated in the community choir at the First Methodist Church on Good Friday, we would like to extend our Thanks. Your unselfish donation of time and talent brought much joy to those that attended the services.

A very special thank-you to Mary Sue Moore for coordinating the music and to Roger Morrison for directing.

I would like to thank all of my friends and relatives for their visits, flowers and cards while I was in the Chelsea Medical Center.

Also thanks to Rev. Damberg for his visits and prayers.  
Mrs. Ray Haselschwerdt

I would like to thank all of my friends and neighbors, relatives, Ushers Club, Knights of Columbus, St. Mary's Altar Society and Manchester Township Board for their cards, prayers, and many acts of kindness during my stay in the hospital and since returning home. I deeply appreciate their thoughtfulness.

A special thanks to Father Schlinkert and Father Germona for their visits.  
Jim "Tige" Fahey

## Open House At Middle School Thursday, April 19

Manchester Middle School's Open House is this Thursday, April 10th. Everyone is welcome and the Task Force is hoping for a great turnout.  
From 7:00 p.m. to 7:30 p.m. there will be browsing and registration. Registration simply means a student at one of the entrances will put a name tag on everyone so we can talk to one another as people. Starting at 7:30 p.m. there will be four 15-minute capsule classes held in the various rooms. Student guides can direct you to the class of your choice. Find out which interests you most and sit in on what's happening. In the gym of the large building a Special Education film will be shown twice during this time for those interested in just what special education is all about. Personnel will be there also to answer any questions.

The teachers giving capsule classes will be Mrs. Walker, Math, Room 9; Mr. Morrison, Vocal Music, Room 8; Mr. Steeb, English and Social Studies, Room 7; Mrs. G. Kirk, Social Studies, Math and Science, Rooms 5 and 6; Mr. Symons, Math and English, Room 4; Mr. McLeod, Math and Science, Room 3; Mrs. Ingraham, Library; Mrs. Linn, Art, Room 113; Mrs. Hess, Fifth Grade, Room 112; Miss Dettling, Fifth Grade, Room 111; Mrs. Tubandt, Fifth Grade, Room 110; Mrs. Buss, Fifth Grade, Room 109; Mr. Boyce, Sixth Grade, Room 107; Mrs. Bogard, Sixth Grade, Room 106; Mr. Halchishak, Sixth Grade, Room 105; Mrs. Mam, Sixth Grade, Room 104; Mr. Kish, English and Social Studies, Room 103; Mr. Schick, Social Studies, Room 102; Mrs. Daniels, English, Room 101; Special Education, gym in large building; Mr. Canine, Band, Multi-Purpose Room; Miss Greminger, Instrumental Music, Multi-Purpose Room.

At 8:45 p.m. refreshments will be served to the children in the gym of the small building while adults will gather in the large gym for refreshments. The children will be supervised so feel free to let them have their Kool-Aid and cookies without you. While having coffee view our displays by the students, talk to our Task Force people and generally enjoy some conversation with one another. We would also like you to fill out one of the Task Force questionnaires and place it in the box provided at the Task Force table. April 19th, Saturday, at 10:00 the Task Force will meet to go over these survey sheets and we hope you'll come too. See you at the Open House!

## Townships Hold Annual Meetings

### SHARON

A tax rate of 1.16 mills was authorized to cover a higher 1975-76 budget for Sharon Township during Saturday's annual meeting. The budget goes from \$33,000 to \$36,500. Last year's tax rate was one mill.

### MANCHESTER

A 1975-76 budget of \$68,000 was adopted Saturday at Manchester Township's annual meeting. This represents an increase from last year's \$57,050 budget.

The fund for library operation was raised to \$12,298, an increase of \$2,000. Salary increases of \$250 also were authorized for Supr. Clarence Felder and Treasurer Dorothy Burch.

A need for increased police protection was voiced by residents. It was decided to contact State Police to determine if added protection could be furnished.

### BRIDGEWATER

A \$2,300 increase in the budget was approved by residents at the township's annual meeting Saturday.

The budget for the 1975-76 fiscal year is \$38,510, compared to \$36,110 last year. The budget includes \$10,000 in road improvements and increases in the salaries of township officers from \$2,450 to \$2,500.

### FREEDOM

A 1975 budget of \$47,450 was approved during the Freedom Township annual meeting Saturday.

Last year's budget was \$42,850. The higher figure is due to increased operating costs such as the hiring of a new zoning inspector, more legal expenses and \$2,500 spent for a new ceiling in the township hall.

The township went on record opposing the proposed Mill Creek Drain District improvements planned by the County Drain Commission. The county plans to levy about a half-mill for two years for the work. Clerk Rena Girbach said the residents oppose the project because they won't benefit much from it.

In other business, salaries for township officials remained unchanged.

The Easter Bunny (represented by Missy Pussay) was greeted at Klager School by Michelle Shadley. The surprise visit was enjoyed by all classes as Missy made her rounds.
