1975-76 School Millage Request To Remain At Last Year's Level

The Board of Education at a special meeting held Monday, April 21, 1975 set the extra voted operational millage for the 1975-76 school year at 12.78 mills. This is the same amount of millage requested the last school year. Last year the Board requested 12.78 mills which was approved by District voters, but actually levied 1/2 mill less than that amount or 12.28 mills. The Board feels that the full 12.78 mills will be needed this year in order to fund the projected budget. They are hopeful that the indicated increase in the local state equalized valuation in the district will provide sufficient funds at the 12.78 lev to meet the rising operational costs the district will meet in the coming year.

The State Legislature is still working on the state aid formula for the 1975-76 school year and it is doubtful that the state aid bill will be forthcoming before July 1, 1975. The school is presently waiting for the school district's total SEV figures which should be available about the middle of May. When these

two factors are known a more realistic budget projection for the coming year can be made by the administration and the Board of Education.

Engagement Announced

Kindergarten Round-Up

Kindergarten Round-Up will take on a new look this year and will be held on May 14 and 15. In an attempt to help children get off to a good start when they arrive in September we are planning a series of brief activities for children to participate in on these two days. Included in the program will be registration, vision and hearing screening, speech and readiness for school tasks, a physical education activity and a visit to a kindergarten classroom. Materials and specific details of this year's round-up will soon be in the mail to parents of children who will be attending kindergarten next fall.

A September 27 wedding is being planned by Luann Pratt and Loren Heller. Their engagement has been announced by Mr. and Mrs. Ellis Pratt of Manchester. The prospective bridegroom's parents are Mr. and Mrs. Carl Heller of Chelsea.

The bride-elect is a graduate from Washtenaw Community College and is employed by the Chelsea Hospital as an x-ray technician.

Her fiance graduated from Chelsea High and is in partnership with his father in farming. He is also employed part-time at Michigan Livestock of Manchester.

Robin Roller Receives Scholarship

Robin Roller, right, a Western Michigan University senior from Manchester, shown receiving a scholarship to study in West Berlin in the 1975-76 school year from WMU President John T. Bernhard. The scholarship, valued at \$3,000, will enable her to spend the year at the Pädagogische Hochschule, one of the foremost teacher training institutions in Germany. Robin is the daughter of Mr. and Mrs. Duane Roller of 20351 Schwab Rd., Manchester.

School To Shorten Noon Hour

The Manchester Public Schools will implement a shortened noon hour schedule in the middle school and the high school beginning May 5, 1975. The noon period will be decreased to thirty minutes in the secondary schools in an effort to alleviate or minimize some of the problems now associated with the longer lunch period. The new plan will also allow students to be dismissed 15 minutes earlier in the middle school and 25 minutes earlier in the high school thereby allowing academic classes to be completed before scheduled athletic activities begin.

The elementary students will be dismissed at approximately the same time as they are now which should not disrupt established family patterns. The high school students will be dismissed first at 3:00 p.m., the middle school students at 3:05 p.m., and the elementary students at 3:10 p.m.

Task Force To Meet May 5th

Manchester Middle School Task Force has decided to publish a newsletter emanating from the Middle School. We hope to improve communication between students, parents and teachers by letting everyone know what's going on and how students feel about their school.

Our students will write articles about different classes and also include their feelings on varied subjects.

Middle School Task Force is a new name for what used to be called PTA. In addition to the new name we hope to have new ideas and methods in keeping with the changing times. We also plan to include students at our meetings in order to exchange ideas.

The agenda for the next meeting will include: Input on the 1/2 hour lunch period; plans for a booth at the Manchester Fair; Barbara Lund, Social Worker, will speak on Human Development and Growth; and general idea discussion.

The meeting will be May 5th, 7:30 p.m. in the staff room at Manchester Middle School. Please come and join the group.

This is reversing the present dismissal procedure. Students who have been going home for lunch may now eat at school if they so desire. Students who wish to continue eating lunch at home and can accomplish this in the allotted time may do so.

Mathematics Contest Winners

The elimination test for the 1975 Eastern Michigan University Mathematics Contest was administered at the Manchester Schools on Friday, April 25, 1975. The winners are: Ninth Grade, Beverly Ludwig; Eighth Grade, Kurt Sauter; Seventh Grade, Rick Korth; and Sixth Grade, Lori Voegeding.

The winners and their parents and teachers will be invited to Ypsilanti on May 10 for a contest of students from the surrounding area. The top three students at each grade level will be given trophies. This year's contest will include problems based on the metric system. While the students are being tested there will be meetings of mathematical interest for the parents and teachers.

Dance Recital Thursday, May 15

Nite of Rhythm and Blues will be presented by the dance students of Delores Gebhardt at the Middle School Gymnasium May 15 at 7:30 p.m. The price is right - FREE!!! The public is not only invited BUT wanted. These young students want the opportunity to entertain you, smile for you and make you smile.

The program will start with the cute and loveable 3 and 4 year old coordination class and continue up to the older tap and modern jazz students.

Don't forget the date is May 15.

LETTERS TO THE EDITOR

To The People Of Manchester:

Do you, the people of Manchester realize how fortunate we are to have a police department like ours? Do you realize they put their life on the line every-time they get into the police car to protect the people of Manchester? Some people think all the police are, are cops looking for speeders and long haired kids to arrest. If that is the case they don't know our officers! Don't forget they are just as human as you and I are. They can only be pushed so far then they must take action.

They should be given credit for finding time to talk to the kids in town just to get to know them better and to break the barrier of the "kid-cop relationship." The chief has been more than willing to help out the Seniors by coming and talking to their government classes, and not many other police departments challenge the girls to a softball game, or by starting a program to show the kids what law enforcement is really like.

We felt it was about time to let the people know what the department was like and to let them know they are really appreciated.

Thanks guys!

The Raiders

Letter to the Editor:

Mr. Swartz: After reading your article in the paper April 3rd, I can't imagine what poor quality of education our Manchester Schools had to suffer before you came here. You also say you feel you don't have to prove yourself to anyone in the community. If so, why did you write about all of your accomplishments? Action speaks louder than words. You also said and I quote "But keep in mind the accreditation for North Central is not going to do anymore for our students than our present University of Michigan

accreditation does right now." I also read where you have upgraded our schools in the ten years you have been here. You forgot one item, you forgot to say you also upgraded the toilet paper. You remind me of the fox that got caught in the chicken coop. The only difference is the fox tried to crawl out, you are trying to talk your way out with false statements.

Mr. and Mrs. Taxpayer would you believe that the roofs in our schools leak and have for some time? That it would cost between \$25 to \$40,000. to have them repaired according to our superintendent? The rug in the library is torn in several places and in need of repair. I'm sure the \$14,500. spent for a business manager would have done a lot more good spent on those leaky roofs. It must be the feeling of the board of education that a business manager is more important than

having a roof over our heads and a whole rug under our feet. And what if the ceiling tile in the gym are hanging down, what difference does that make as long as they keep spending our money, even on things that don't help in the education of our children or the maintenance of those expensive buildings.

BAPTIST PULPIT
Pastor Alan Morris
It is a great honor and privilege to be able to attend Sunday School and church EVERY Sunday. I placed the emphasis on "every" Sunday because more and more many churches are falling to see the great importance of making it possible for their people to worship God on a regular basis. It wasn't too many years ago that people thought in terms of at least four church services a week: Sunday School, The Morning Worship Service, The Evening Worship Service and the Wednesday Night Prayer Meeting. One by one these services have begun to disappear. The people have been the poorer for their demise.

The old-fashioned, Bible preaching, Christ honoring churches have many critics, but no rivals. Thank God for churches that are genuinely interested in helping people spiritually and place a heavy emphasis on the salvation of the lost and the glorious gospel of our Lord Jesus Christ. It is only through the gospel that the shackles of sin can be broken and men set free. It is little wonder that

the Apostle Paul majored on the gospel, for he was a living example of it's transforming power. He classified himself as the "Chief of sinners." He testified of his former life of sin and shame by stating that he "was before a blasphemer, and a persecutor, and injurious: but I obtained mercy, because I did it ignorantly in unbelief" (1 Timothy 1:13). The same gospel that saved Paul can save any man.

What is the gospel? We find the answer in 1 Corinthians 15: 3, 4. "Christ died for our sins according to the scriptures; and that He was buried, and that He rose again the third day according to the scriptures." The gospel is the death, burial, and resurrection of Jesus. Any one that will come to God confessing that he is a sinner and will ask God to forgive him will be saved. "For whoever shall call upon the name of the Lord shall be saved" (Romans 10:13). The death, burial, and resurrection of Jesus makes it possible for God to forgive our sins because Jesus paid our sin debt when he gave His life on Calvary. "But He was wounded for our transgressions,

and He was bruised for our iniquities; and the chastisement of our peace was upon Him; and with His stripes we are healed" (Isaiah 53:5).

When churches cease to teach their people the Bible and fail to preach against the ugliness of sin and the beauty of Christ then they have failed to be honest with their people. It is little wonder then that many churches are getting into the social gospel and are strong on community and welfare programs. When the gospel is not preached churches must rely on other attractions to make them look good in the public eye. What about your church, does it preach the gospel?

BAPTIST PULPIT
Pastor Alan Morris
It is a great honor and privilege to be able to attend Sunday School and church EVERY Sunday. I placed the emphasis on "every" Sunday because more and more many churches are falling to see the great importance of making it possible for their people to worship God on a regular basis. It wasn't too many years ago that people thought in terms of at least four church services a week: Sunday School, The Morning Worship Service, The Evening Worship Service and the Wednesday Night Prayer Meeting. One by one these services have begun to disappear. The people have been the poorer for their demise.
The old-fashioned, Bible preaching, Christ honoring churches have many critics, but no rivals. Thank God for churches that are genuinely interested in helping people spiritually and place a heavy emphasis on the salvation of the lost and the glorious gospel of our Lord Jesus Christ. It is only through the gospel that the shackles of sin can be broken and men set free. It is little wonder that

BETA SIGMA PHI WEEK

This year, in honor of Beta Sigma Phi week, April 27 to May 3, we have decided to tell you about our local chapter, Lambda Nu. Lambda Nu was chartered in April, 1974. There were originally fourteen members, consisting of young women of various ethnic, educational and social groups. We have, in a year, expanded to twenty-four members, our limit.

Beta Sigma Phi, an international sorority, not affiliated with any school, church or political organizations, came to Manchester by means of a "friendly venture." Six local women who were members of a Tecumseh chapter, decided to arouse interest in our area. They had several "get acquainted" parties in early 1974 and by April were ready to form a new chapter. Although our chapter is primarily women new to the sorority, we have been taught all the traditions and rituals of Beta Sigma Phi.

When a woman is invited to be a Beta Sigma Phi, and agrees to join, she goes through a series of "pledge classes" wherein she learns all about the sorority. When pledge training is completed, usually in four to six months, the pledge is welcomed as a member of the chapter.

One of Beta Sigma Phi's traditions is the "secret sister." In August we each fill out a form with our birthdays, anniversaries, and any other special days, as well as gifts we enjoy getting. These forms are then drawn from a hat and the name on drawn becomes her secret sister. On all big occasions, as well as many small ones, we remember our secret sisters with gifts or cards. After a year, again in August, we have "revealing day" when we tell our secret sisters who we are.

Another tradition is the Beta Ball, an annual dinner-dance held usually around Valentine's Day. This year a number of Lambda Nu's and their husbands attended the dance, held in Adrian.

At our bi-monthly meetings we have three orders of business. First, our regular business meeting, then a program given by a member or her guest, then

a social hour.

The program subjects are suggested in a program book furnished by Beta Sigma Phi International. This past year we have had programs on child abuse, painless childbirth, effective speaking and music appreciation, as well as many other topics.

Lambda Nu shares its friendship with the local community through its service projects. In recent months we have delivered several food baskets, made contributions to a number of charities, and donated used clothing as well as time, to several community organizations.

Although we are a new organization in the Manchester area, we are already making contributions to individuals within our group, and in the community at large.

*What is life?
To some, a "bowl of cherries"
to others...*

What leads to happiness? What insures misery? To some health. To some love. To some money.

The INTERESTED bankers will pass on the health and love. But money, that's a different matter.

Money, to some, can be the beginning of trouble. To others, money can be the beginning of happiness through added confidence in the future, to a more secure present.

For any matter financial, stop by any of the three convenient offices of Union Savings Bank and discuss your particular money problem or success with a trained money manager, a financial consultant, the INTERESTED way.

Good advice can go a long way in making your life a rosier bowl of cherries.

Next Falls Cross-Country Co-Captains Dan Schable and Tom Opal have made their presence felt in the distance events this Spring.

THINCLADS TOP WHITMORE LAKE

Our Manchester High trackmen opened the 1975 spring season on a winning note Tuesday, April 15, with a 69 1/2-53 1/2 victory over the Whitmore Lake trojans. The young Dutchman team showed unexpected strength in the field events and had built up a 27-9 lead at the end of the 4 field events, including sweeps of the long jump and shot put.

Dan Clark led the Clark brothers with a first place heave of 48'0" while Dave pushed his best to 42'9 1/4" and Doug followed with a 38'11 1/2" performance.

Dave Guenther led the Dutch sweep in the long jump with a best of 17'8 1/2" followed by Matt Little's 17'3" effort and Randy Bennett at 16'6 1/2".

The thinclads also performed well in the high jump as Pete Tassie leaped 5' 6" for 1st and Randy Bennett scaled 5' 2" in second place. With Mike Forner out with an injury the Dutch only accounted for 1 point in the pole vault as Tom Fitzgerald scaled 9'0" for third place and his personal best.

The 880 relay team of Dave Guenther, Pete Tassie, Kurt Kensler, and Matt Little had a solid early season time of 1:46.9 fall inches short in the 1st running event, but the 880 run which followed, was won by Dan Schable with a solid 2:10.7 effort.

The Dutchmans efforts in the 100 and 220 fell short as the trojan speedsters accounting for 18 1/2 of their teams points as only the Dutchmans Dave Hoover could account for 1/2 point in a tie for 3rd in the 100 at 11.3.

In the longest sprint the 440 the Dutchmen turned the tables with a 1st by Kurt Kensler with a swift 54.9 clocking while Dan Schable followed with a solid 56.9 effort.

The distance events proved to be the Dutchmans strong spot as Phil Krzyzaniak topped the mile field with a 4:58.9 clocking with a surprising strong effort of 5:05.9 turned in by Freshman Mark Daniels in 3rd place. The 2 mile performance was even better as Bob Smith came through with a strong 10:54 1st place finish, followed by teammate Tom Opal in 2nd place with an 11:11.3 clocking.

Pete Tassie led the Dutch hurdlers to the best point performance in 2 years with a first in the low hurdles at 22.9 and a 2nd in the highs at 17.9. Randy Bennett finished 3rd in both races with times of 24.0 and 19.5.

The mile relay of Dan Schable (57.5), Mark Daniels (60.0), Richard Jamish (58.7), and Phil Krzyzaniak (55.3) accounted for the last 5 Dutch points with a winning 3:51.5 clocking.

POOR PERFORMANCE AND ADRIAN MADSON DOWN DUTCHMEN

Manchester High track coach Larry Steeb blamed a poor team effort for Monday, April 21st loss to Adrian Madison. The final score was Madison 72 - Manchester 51.

The only first place performances for Manchester were turned in by Dan Clark in the shot put (44' 5"), Phil Krzyzaniak

in the mile (5:04) and Tom Opal in the 2 mile (11:16.2). The meet was run on an extremely slow, rain soaked track.

Remaining Dutch Place Winners: shot put: Doug Clark 3rd 38'2", high jump: Pete Tassie 2nd 5'6", long jump: Dan Coval 2nd 16'8 1/2", Dave Guenther 3rd 16'7", pole vault: Mike Forner 2nd 10' 6", 880 run: Dan Schable 2nd 2:16, Richard Jamish 3rd 2:21.2, mile: Mark Daniels 3rd 5:22.8, high hurdles: Pete Tassie 2nd 19.2, 100: Dave Guenther 2nd 11.7, low hurdles: Pete Tassie 2nd 21.0, Randy Bennett 3rd 22.0, 220: Dave Guenther 2nd.

TRACKMEN TOP MORENCI, 1ST TIME IN 20 YEAR HISTORY!

For the first time in the 20 year history of track at Manchester High a Dutchman team came up victorious in a dual meet with Morenci. Morenci throughout the 50's, 60's and early 70's was one of the state's strongest class "D" powers and it took a solid Dutchman performance last Thursday over the slow, wet, Morenci track to end Morenci's domination.

The afternoon started out well for the Dutch when the Clark brothers, Dan (46' 8 1/2"), Doug (40' 4 1/4") and Dave (39' 7 1/2") swept the shot put, the 2nd time this spring they've accomplished this feat.

Mike Forner added a first in the pole vault at a relatively low 9'6" and Terry Brown was third at 8'. Dave Guenther took third in the long jump at 16' 10 3/4", and Pete Tassie and Randy Bennett both cleared 5'8", the first time ever for Bennett, they finished 2nd, and 3rd. So

the Dutchmen took a slim 20-16 lead into the running events.

The Dutchmen lost the lead and the 880 relay in the first running event, but Dan Schable and Richard Jamish took 1-2 with 2:14.2 and 2:17.6 clockings in the 1/2 mile. Pete Tassie and Randy Bennett followed with a 1-3 finish in the high hurdles at 17.8 and 24.0 and when Phil Krzyzaniak won the mile at 5:09 with Freshman Mark Daniels 3rd (5:14.2) the Dutchman had built a solid lead.

The lead slumped steadily through the 100 and 440 dashes as only Matt Little's 11.5 in the 100 stopped a Morenci sweep of the event, and Dan Schable (2:20-647) was the only Dutch place winner in the quarter mile.

Tassie and Bennett were tumbling up again in the low hurdles with a 1-3 finish at 23.7, and 24.2. Tom Opal and Bob Smith followed that 1-2 act with a 1-2 act of their own in the 2 mile. Opal finished first with a 11:10.3 clocking with Smith right behind at 11:16.4.

Sophomore Pete Tassie's 2nd in the 220 gave the young speedster 3 points in the event and 16 for the day, the top dual meet point total ever for a Dutch 2nd yearman. Matt Little added a 3rd in the event just 2 of a second behind Tassie's 25.7.

The final Dutchman victory came in the mile relay as the foursome of Dan Schable (57.7), Dave Guenther (58.7), Randy Bennett (56.6), and Phil Krzyzaniak (56.6) clocked a strong 3:47.6 time over the slow track.

The final tally was Manchester 69, Morenci 54.

Family Service of Washtenaw County

Have you, or a friend, had a need in your family which might have been met by someone coming to your home to help for a few hours a day? The CHILD AND FAMILY SERVICE OF WASHTENAW COUNTY provides a service which could be of help to you. Within this agency there is a Homemakers service. These are people who care about people. They are not trained nurses or trained social workers, yet they have had a training program which helps them meet others needs in an intelligent, helpful way. A Homemaker will do what needs to be done whether it is caring for the children, cooking, encouraging a depressed parent, doing the laundry, or helping an aged or handicapped person who prefers to live alone in their home. Homemaker Service is available for short term periods to help a family through

an emergency or until other arrangements can be made for help. The cost to you is based on your ability to pay. Anyone may call to arrange for Homemaker Services.

LITTLE LEAGUE WRESTLING

On Friday, May 2 at the Manchester High School the annual Little League Wrestling Tournament will be held. Wrestling will begin at 4:00 p.m. and will continue into the evening.

Youngsters in the second, third and fourth grades will compete in one division while the fifth, sixth, seventh, and eighth graders will provide the other division. A small admission will be charged. Refreshments will be sold by the Manchester Boosters Club.

The public and parents are encouraged to attend.

MEN IN SERVICE

U.S. Air Force Technical Sergeant James A. Dennis, son of Mrs. Norma C. Dennis of 8875 Chelsea-Manchester Road, Manchester, Michigan, has arrived for duty at Elmendorf AFB, Alaska.

Sergeant Dennis, a munitions maintenance specialist with a unit of the Alaskan Air Command, previously served at Eglin AFB, Florida.

The sergeant is a 1964 graduate of Manchester High School. His wife, Wanda, is the daughter of George J. Price of 5303 Shepper Road, Stockbridge, Michigan.

ART FAIR

Final stages of planning are in progress for the third annual art fair sponsored by the Saline Jaycee Auxiliary. Art forms in metal sculpture, candles, woodcarving, watercolors, oils, acrylics, leather, pottery, glass, woodcarved pictures, and cloth in new and old forms will add to the attractions for this year's event.

It is the perfect place to buy just the right gift for Mother's Day. It is the weekend before Mother's Day; May 3, 10:00 AM to 8:00 PM and May 4, 11:00 AM to 6:00 PM. The event will be at the Farm Council Grounds on Saline-Ann Arbor Rd. at Pleasant Lake Rd. All proceeds from the event go to community service projects.

ORIENTATION MEETING

All parents and eighth grade students are invited to the High School on Thursday, May 1 for an orientation meeting on registration for next year's classes. High school procedure and class requirements will be discussed along with a film strip entitled "Your First Year in High School". Copies of the course selection sheets and course description booklets will be available. The program will start at 8:00 p.m.

On Monday, May 5 students will be registered at the Middle School for next year's classes during the day.

WHEN YOU'RE UP TO YOUR NECK...
Surviving a fall into quicksand is one of the great ironies of this world. Most of us have been lucky enough never to have dropped into a bed of shifting sand and water that sucks a person down to his doom. But the Hollywood edge-of-your-seat adventure that shows a jungle explorer thrashing for dear life, with seconds to live, is something few moviegoers ever forget.

Ironically, all that thrashing about only quickens the quicksand. We are told that the best thing one can do in a situation like that, however unimpressive and illogical it might seem, is to stay perfectly still.

The same advice can be applied, according to one authority, to our nation's sinking economy. George Hagedorn, vice president and chief economist for the National Association of Manufacturers, suggests that government should be looking at what NOT to do, rather than what to do, to cure the nation's economic ills. Experience of the past several years indicates that the thrashing about with new economic programs has only served to get us in deeper and deeper. Our government is continually trying to make up for programs that failed by new pro-

grams that promise to fail, according to the economist.
"You would think," says Hagedorn, "after this experience, 'inactivism' would be a good word, instead of 'activism.' Emphasis on what government should STOP doing, rather than on what they should START doing, is a better course for the present."

All the artificial economic machinery used in the past has not pulled this nation out of the mire. And a recent Harris poll shows that a majority of Americans doubt that the Administration's current economic program will work now. If Americans can somehow convince their elected leaders that runaway federal spending is at the root of the problem, and that new programs only circle the problem and never hit the root, we can be on our way to recovery.

But as long as government panics and frantically piles one program on top of another, we only get ourselves in deeper. When you're up to your neck...it's no time to lose your head.

Southern Beauty

Springtime means "Pilgrimage time" on the Mississippi Gulf Coast.

Lovely ladies attired in elegant dress are waiting to welcome you when nine Gulf Coast cities feature estate, garden and antebellum home tours during the Spring. Your imagination will take you back to a quieter era as you sip Southern tea amid a rainbow of colorful azaleas, camellias, roses, wisteria and proud magnolias. Then visit stately antebellum mansions preserved with original furnishings and rare antiques. One of the special attractions is the beautiful "Beauvoir"—last home of Jefferson Davis, President of the Confederacy. Located between Biloxi and Gulfport, Mississippi, this classic Southern mansion is now a State shrine filled with Davis family heirlooms and historic Confederate memorabilia. All of this charming, Southern past is located in the center of fine hotels and motels, superb restaurants and semi-tropical scenery in one of the Nation's fastest growing resort areas, the Mississippi Gulf Coast. In addition to its historic attractions, the area boasts golf, fishing and family sightseeing attractions making the Mississippi Gulf Coast one of the South's most popular vacation spots during the enchanting months of spring.

Of interest to the people of Manchester the following letter was sent to the Village President:

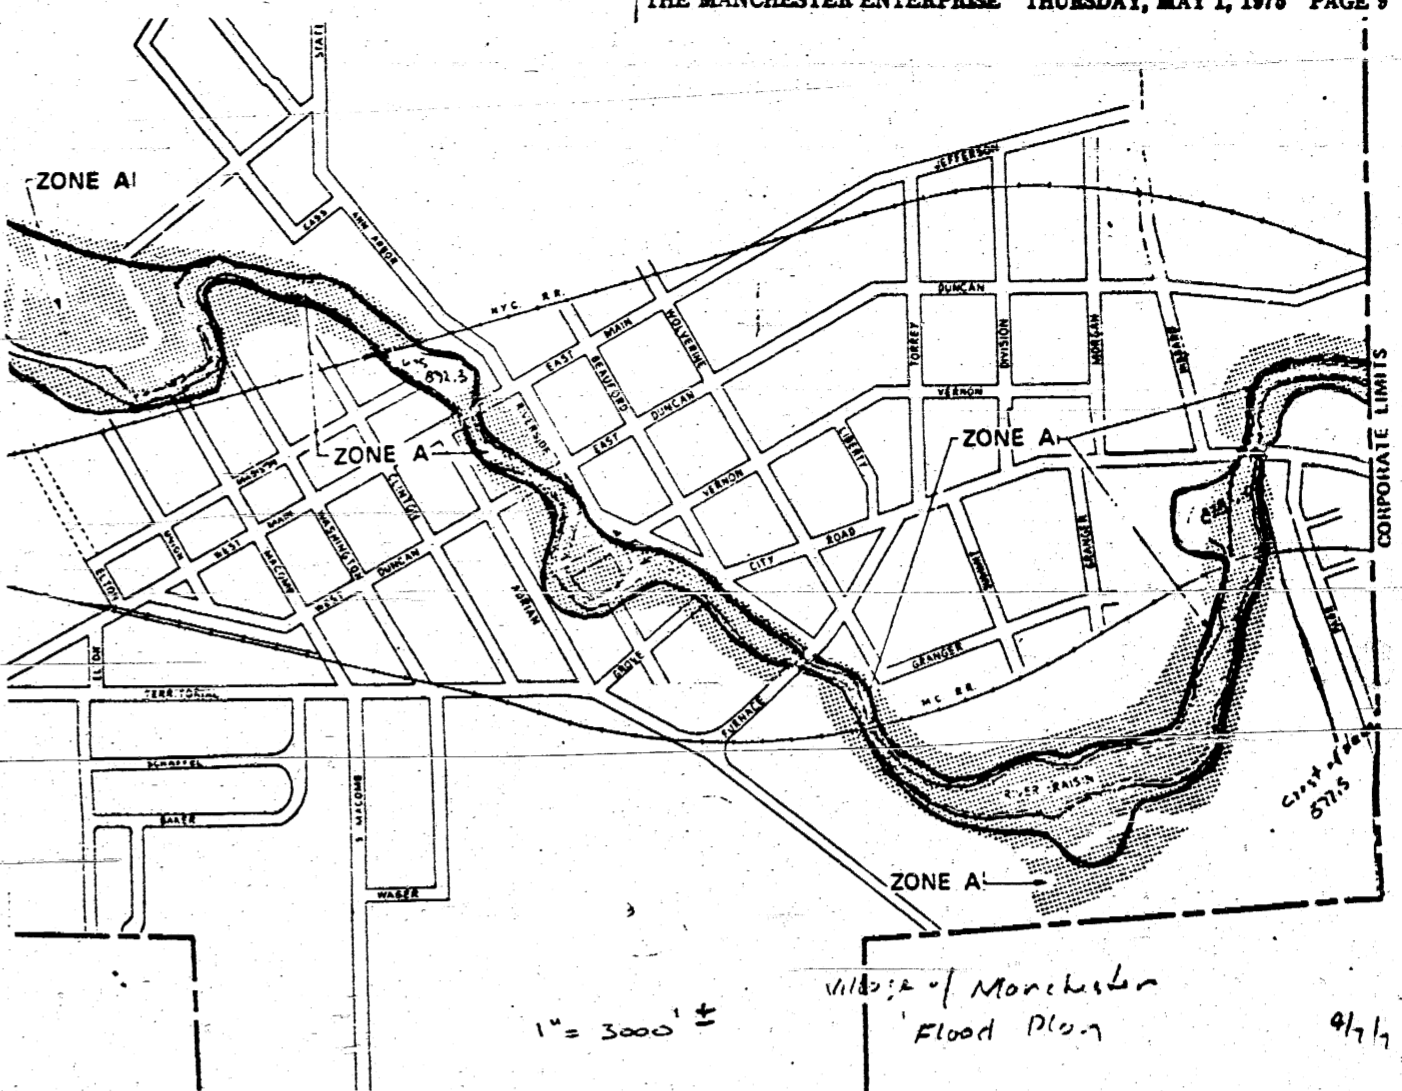

Dear Mr. Little:
We have reviewed the latest flood plain map submitted to you by the Department of Housing and Urban Development. We have roughly estimated the water surface in the Raisin River for the 100 year flood. By using elevation data at our disposal and making a visual inspection of the flood plain area a very approximate delineation of the 100 year flood prone area would be as shown on the attached marked copy of the flood plain map.
The area within the shaded portion of the map, but outside of our indicated 100 year flood impact area should be checked to determine if its inclusion within the area for flood insurance protection offers any problems with current land uses. If the current use of these properties is such that there are no buildings that would be affected by the flood insurance requirement then no further investigation would be indicated at this time. If on the other hand any of the property owners within the shaded area but outside of our delineated 100 year flood area would not desire to carry flood insurance, then a further investigation is called for that would more accurately define the flood prone area than that currently indicated on the federal government's map. We understand that that subsequent investigation can be performed at any time after you are enrolled in the flood insurance program and the plain revised accordingly. An adequate investigation would take about two weeks of engineering time to compute the 100 year flood water elevations of the Raisin River through Manchester and run the necessary ground surface profiles to establish definitely the limits of the 100 year flood.
In summary we would recommend that you enroll in the federal program prior to July 1, that you advise the property owners that are affected of the insurance implications and let us know if further investigations are needed to more clearly define the flood prone area within the Village.

Very truly yours,

You can afford to keep eight horses.
(And keep them busy all year round.)
The new MF 8 is the kind of lawn tractor most people want. Small enough to be economical. And powerful enough to handle your mowing, hauling and snow clearing... all year round, year after year.
Built by Massey-Ferguson with features like heavy gauge steel fenders and hood, unitized frame, forged steel front axle, and vibration dampeners to smooth the ride. When you buy a Massey, you've got yourself a real tractor—and there are nine MF models in all, 6 to 16 hp.
Three MF 8's to choose from:
Recoil Start and Electric Start models with 3-speed transaxle and dual speed range; and electric start Hydra-speed with hydrostatic drive for infinite speed and power control.
● 8-hp Tecumseh engine (mfr. rated horsepower)
● 34-inch double bladed mower with geared, timed mower blades—no skips on turns.
● Big selection of attachments for all-around, year-round usability.
As low as \$125 to \$225 MF financing available with mower.

PINWHEEL SETS DAY SPINNING

Do you go round and round with the family about eating breakfast? Then make a Saturday or Sunday morning meal irresistible with Peach Pinwheel Stack flowing with maple-blended syrup and ginger. It will turn heads when it's carried to the breakfast table to be cut. (A bonus brunch variation substitutes chopped cooked chicken for peaches.) Four deliciously special new whole wheat pancake mix are wholesome from whole grain. And layers of canned, sliced peaches literally boost the stack to great heights. Cut into wedges, it easily serves four. Complete with pinwheel design from reserved peaches, the stack really sets the day spinning!

PEACH PINWHEEL STACK
Makes 4 servings

- 1 cup whole wheat pancake mix 1/4 teaspoon ginger
- 1 cup milk One 16-oz. can sliced peaches, well-drained
- 1 egg
- 1 tablespoon shortening or
- 1/2 cup maple-blended syrup 1 cup chopped cooked chicken

Heat griddle to hot (400°F). Place mix, milk, egg and melted or liquid shortening in bowl. Stir until batter is fairly smooth. For each pancake, pour about 1/2 cup batter onto hot, lightly greased griddle to make 4 pancakes.

Combine syrup and ginger in small saucepan; warm over low heat. Reserve 4 peach slices; stack three pancakes layering each with 1/2 of the remaining peach slices or chicken, and 1/4 of the syrup. Top with remaining pancake, syrup and reserved peach slices (arranged in a pinwheel pattern). Cut in wedges and serve immediately.

PACK 433 PLEASANT LAKE

The Pack Meeting was held April 24th at Pleasant Lake School. The meeting was opened with the Webelos Den presenting the colors. Martha Lodd, from the Washtenaw County Soil Conservation, showed slides on Wild Life, their homes, food they eat, cover they need for their safety, what land owners can do to help wild life and how to prevent soil erosion. The slides were followed by a question and answer period. A special thank you to Martha for her effort and time spent with us.

A report was given by Ariane Paul on our catalogue sales. First and second place sellers were given a \$5.00 gift certificate, Larry Wright first place and William Brooks second place.

Awards were presented by Charles Creps to Cub Scout Chris Caray-Bear Badge, Webelos receiving Citizen Badges were Larry Wright, Darrin Winkle, Kirk Detling and Raymond Schmidt. Three boys were presented their Webelos colors with a ceremony, Larry Wright, Kirk Detling and Darrin Winkle.

Monday, April 28th, all dens will plant small trees at the Pleasant Lake School as part of our service project and in celebration of Keep America Beautiful Day. A special thank you to Marcy Tuveson for donating the seedlings to be planted.

It was decided that Pack 433 will attend the Scout Arama May 17th at Howell, Michigan. Tickets were passed out for the scouts to sell.

AMERICAN CANCER SOCIETY

It is estimated that there will be some 665,000 new occurrences of cancer in the United States in 1975. Twenty seven thousand of these cases are expected to be in Michigan. About two-thirds of these people will die. More can be saved!

The public education committee of the American Cancer Society in Washtenaw County is striving to reach a mere 3% of the adult population and 10% of our youth to alert them to the threat of cancer. A free public information session has been planned for Friday and Saturday May 2nd and 3rd at the Briarwood Mall.

The times are 10:00 a.m. until 8:30 p.m. on Friday and on Saturday from 10:00 a.m. until 5:00 p.m. in community room 'B' at the mall. Plan to stop in at your convenience—learn about cancer's seven warning signals, and some of the safeguards that you are urged to take. Learn how you can save your own life by early detection and proper care.

You may want to learn more about the American Cancer Society and how it can help you.

The event will feature free literature, a variety of films for viewing and volunteer nurses will be on hand to answer questions. Refreshments will be served.

By Jon Hardenbergh
The Little Dutch made it 2 for 2 as they beat Chelsea 10-7. Jerry Catanesse pitched 4 strong innings before being pulled but got the win. Mike Molnar, Louie Ross and Tom Little each knocked in 2 runs. John Steals made some good defensive plays in center field.

After two games Mike is leading the nine in batting average with .600 as Curt Fielder has .400 and Louie is hitting .375.

Village of Manchester Ordinance No. 95

AN ORDINANCE PERTAINING TO THE BUILDING, REPAIRING AND REBUILDING OF SIDEWALKS WITHIN THE CORPORATION LIMITS OF THE VILLAGE OF MANCHESTER.

The Village of Manchester ordains:
Section 1. It shall be the duty of and all owners and occupants of any lot or parcel of land fronting or being upon or along any public street of the Village of Manchester under the supervision of the street commissioner of the Village of Manchester to build, keep in repair and rebuild sidewalks in the said public streets adjacent to and abutting upon each lot or parcel of land at such time in such manner, and of such material as the Common Council may direct.

Section 2. Whenever the Village Council of the Village of Manchester shall deem it expedient or necessary that a sidewalk should be constructed in and along the line and side of any public street in the Village of Manchester or the same having been constructed shall deem that the same be repaired or rebuilt, the said Village Council shall so declare by resolution which resolution shall state the place where each sidewalk shall be repaired or rebuilt, and the kind of material with which the same is to be done, the width of the same, and the time in which the same is to be completed and that the Village of Manchester will pay from the appropriate Village fund for the cost of materials necessary for the same not to exceed 50% of the total cost including labor and all other expense incidental thereto to build, repair or rebuild such sidewalk as shall be determined by the street commissioner of the Village of Manchester, and thereupon it shall be the duty of all owners or occupants of all land affected thereby to proceed within the time mentioned therein to do the work and make the improvements required thereby and in the manner and of the kind of material therein mentioned.

Section 3. After the passage by the Village Council of any such resolution mentioned in the preceding section it shall be the duty of the Village Clerk forthwith to prepare copies thereof and to attach thereto a notice directed to each of the owners or occupants of all the land upon which such improvements would be a charge informing them that unless the improvement specified in such resolution shall be made and completed by them within the time in the manner and of the material therein mentioned then and in that case the said Village will make and complete such improvements of which one-half of the cost and expense thereof shall be assessed to the owner or occupant of the land affected thereby and will become a lien on such land as hereinafter provided; copies of said resolutions and notices shall be forthwith served by the Marshall of said Village by delivering the same to each owner personally if found within said Village or by certified mail by the Village Clerk; if not found in said Village or said mail is not delivered then the same shall be served by posting the same in some conspicuous place on such premises and the said Marshall or Clerk shall make due return of said service and the time and manner thereof which returns shall be filed in the office of the Village Clerk.

Section 4. If the owner or occupant of any lot or parcel of land adjoining or along any public street where any such improvement shall or may be ordered shall neglect or refuse to make or complete the same in accordance with or within the time required by any such resolution (such resolution and notice having been properly served) then it shall be the duty of the street commissioner to proceed forthwith to make and to complete such improvements and the said commissioner shall immediately after the same shall be completed by him, render to the said Village a complete, full and certified statement of all of the costs of such improvements and also the length of time expended by him in superintending the same together with a particular description of all of the lots or parcels of land fronting upon or adjoining to which such arrangements shall be made by him and a full statement of all of the costs of such improvements and the length of time expended by him in superintending the same together with a particular description of all of the lots or parcels of land fronting upon or adjoining to which such improvements shall be made by him and a full statement of all of the costs of such improvements and the length of time expended by him in superintending the same in front of or adjoining to each particular lot or parcel of land and also the name or names of all of the owners or occupants of all such lots or parcels of lands as far as can be ascertained by him which certificate and statement shall be filed in the office of the Village Clerk.

Section 5. Whereupon any such certificates or statement shall be filed in the office of the Village Clerk it shall be the duty of said clerk forthwith to notify the Village Board of Assessors; it shall be the duty of said Board of Assessors to convene forthwith and to proceed then or at such time as they may adjourn to make and complete a special assessment roll and assess therein against each owner or occupant and upon all of the lots, premises, or parcels of land adjacent to and abutting on such improvements as a special assessment all of the cost and expenses together with the per diem of said commissioner as provided in Section 67.10 Mich. Compiled Laws 1948 and upon completion said special assessment roll shall be spread as in said section provided.

Section 6. If the owner or occupant of any lot or parcel of land or owners or occupants of any lot or parcels of land adjoining or along any public street within the corporate limits of said Village shall desire to construct, repair or rebuild a sidewalk and have the benefits of this ordinance, as herein provided, such owner or occupant shall first signify his intention so to do to the Common Council of this Village in writing, at one of its regular sessions thereof, stating therein the lot or parcel of land and the street along which he proposes to build such walk, the length and width of said walk and the kind of material with which the same is to be done and the Common Council shall deem it expedient or necessary to construct, repair or rebuild such sidewalk then the Village Council shall so declare by appropriate resolution in like manner as set forth in section 2 of this ordinance.

Section 7. Ordinances number 3, 4, 5, 6 and 7 and all ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

Section 8. This ordinance shall be in effect from and after its legal publication.

David L. Little, President

Mary H. Wheeler, Clerk

I certify that the within ordinance No. 95 of the Village of Manchester was duly adopted by the Board of Trustees of the Village of Manchester at a regular meeting thereof on April 21, 1975 and duly printed and published on May 1, 1975 in the Manchester Enterprise, a newspaper printed, published and circulated in the Village of Manchester.

VARSITY BOYS SPLIT

By Jon Hardenbergh
Behind the strong one-hit pitching of Don Walter, the Dutchmen blanked Hudson 6-0. This was Manchester's first league game as Wednesday's contest was rained out.

After Don gave up a hit in the first inning he bore down to shut Hudson out in the following 6 innings.

Tim Kocesi had 3 hits and chalked up 1 RBI. Rick Snyder smashed 2 hits driving in 1 run. Manchester now stands 2-1 on the season.

The Dutchmen met Morenci on Saturday making up for the rain-out on Wednesday. Home runs were flying and it was a Morenci home run in extra innings that gave the Bulldogs the 6-3 victory.

Rick blasted a two run homer off the tennis courts in the second inning and the tally held at 2-2 for the conclusion of the seven regulation innings but the beginning of the eighth, a Bulldog belted a 3 run homer. Although Mike Smith had a solo blast in the bottom of the eighth the Dutchmen fell.

Manchester is now 1-1 in L.C.A.A. play and 2-2 overall.

J.V. GIRLS DOMINATE

By Jon Hardenbergh
Everything was going right for the Dutchettes as they came away with a 14-6 win over Chelsea. The girls showed balanced scoring and good fielding to enable Pitcher Kay DeClaire to post the win. Banda Bolans scored 3 runs and stole 3 bases as teammate Michelle Kemp rapped a double to drive in 2 runs.

VARSITY GIRLS VICTORIOUS

By Jon Hardenbergh
The girls had little difficulty defeating the visiting squad from Chelsea, 22-10. Manchester started slowly but by the 4th inning had a comfortable lead. Five Dutchettes possessed hot sticks as JoAnn Bruessle collected 4 RBIs, Malinda Hudkins 3 RBIs with Vicki Wurster, Sharon Bondy and Jeri Walz batting in 2 runs each. Brenda Sutton led the team in scoring runs as she crossed home plate 5 times. Vicki Wurster was the starting pitcher but not the pitcher of record as Chris Kniabnycky came on in the top of the third and concluded the game.

POWERFUL GRASS LAKE STOPS DUTCHMEN

Former State Champions Grass Lake were a little bit too much for the young Dutch track squad as the team from Grass Lake won last Tuesday 91-32. First place winners for the Dutchmen were Dan Clark at 45"7" in the shot put, Pete Tassie with a personal best of 5'8" in the high jump and rapidly improving Junior Dan Schable with a strong 2:10.5 clocking in the half-mile run. The meet also meant the loss of Senior Co-Captain Kurt Kanster for several weeks with a severe spike wound.

Remaining Dutch Place Winners: Mike Former-3rd pole vault 10'6", Doug Clark-3rd shot put 38' 10", Mark Daniels-2nd mile 5:08.9, Tom Opal-3rd mile 5:09.7, Pete Tassie-2nd high hurdles 18.1, Dave Guenther-3rd 440 57.4, Phil Krzyzaniak-2nd 2 mile 10:53.4, Bob Smith-3rd 2 mile 11:14.1.

WAHL OIL COMPANY

Serving Chelsea And The Surrounding Area

With Quality BORON OIL Products

Over the years many people have come to realize that BORON heating oil is the best you can buy. They are well represented in this area by the Wahl Oil Company, phone 475-8595. Call them anytime of the year and let them explain their low cost complete service ranging from the best in heating oils, farm lubricants and molasses and diesel fuels, fast dependable deliveries, automatic fill service, meter printed invoices to their easy budget terms. They also have burner service repairs available.

It is easy to understand with their complete services why so many people have made the change and become loyal patrons.

The management has wisely hired only competent men who courteously and with a friendly smile handle their accounts. They are careful not to spill on their deliveries and never walk over flowers or delicate landscaping.

The compilers of this 1975 Review take pride in complimenting the Wahl Oil Company for their fine service to the people of this area and suggest to all to enjoy the change to the friendly service of this distributor. Give Gerald Herrich a call at 475-8595 to see the difference between a good fuel oil distributor and the very best.

KAREN'S BOUTIQUE

Karen Johnson—Owner

Why spend all day going from one store that sells stylish blouses and tops, to another to find those "JUST RIGHT" bells or jeans, and yet still another for the new accessories, and all of that just for one outfit that is "together" enough to look good?

An exclusive "NOW" shop is ready in business to fill that need. Karen's Boutique, located at 118 S. Main, in Chelsea, is the place where you can GET IT TOGETHER! Their phone number is 475-2678.

Karen has studied all of the latest marketing trends of this youth-oriented life style, and has tailored "his business" not by what everyone else sells, but by the demands of the buyers, you - the young customer.

The editors of this 1975 Review suggests that if you want up-to-date items, or retreat into the "by-gone era" styles, no other place will satisfy that need more than Karen's Boutique, your one-stop headquarters for the contemporary NOW look.

You can't beat the experience, ability and professional work of Willis Porter TV Service.

Fermer's Supply Co.

"Your Farm Bureau Store"

Anton & Dorothy Nielsen—Owners

It is a well known fact that there is no one institution in this community that has done more toward the development and progress of this section than has this reputable farm supply. They operate one of the finest establishments in the area, and it came into existence to fill the need for a place where farmers could go for their feed, seed and farm supply needs and be sure they were getting the best and most for their money.

Through their service, many of the farmers in the surrounding communities and rural districts have been supplied with quality feeds and farm supplies at lower prices and have thus been enabled to operate more efficiently and at greater profit.

The Fermer's Supply Co. at 122 Jackson in Chelsea is owned and operated by Anton and Dorothy Nielsen who are truly interested in the farmer and his needs. They do custom grinding, and have fencing, fertilizers and all farm supplies.

In this 1975 Review, we, the writers, are again glad to call the attention of our readers to this very complete and comprehensive service. Phone 475-1777 for information.

SAFETY PASSAGES

by Harlan Teller
UL's Public Information Office

Home Fire Extinguishers

Due to its versatility, the multipurpose dry chemical fire extinguisher is an essential device to have around the house. This "jack-of-all-trades" can combat the three major types of household fires: class A (ordinary combustibles, such as wood, paper, or cloth), class B (flammable liquids, fats, and greases), and class C (energized electrical appliances and equipment). However, a safety device must function in a safe manner to be of any use. That's why extinguishers submitted to Underwriters Laboratories take such a beating. UL technicians heat, freeze, drop, vibrate, and otherwise manhandle these extinguishers. To earn a UL label, an extinguisher must perform its task, regardless of varying climatic conditions and stress situations.

The heat treatment can be more than stifling. The unit is conditioned for thirty days in an oven set at 120°F. An extinguisher can get pretty chilly laying around in a 40°F freezer for 24 hours. Another temperature test subjects the unit to alternating 24 hour cycles of heat and cold.

UL allows for butter-fingered individuals, as well. The unit is dumped from a three-foot height onto a concrete surface, and must then put out a gasoline fire. It is fastened to a vibrating machine and bounced around continuously for 12 hours. Another test subjects it to a burden of five times its fully loaded weight for five minutes. The extinguisher's casing, hose, valves, and gauge must withstand abnormal amounts of pressure without rupturing and impairing performance. Corrosion can affect an extinguisher. At UL, a sample is immersed in a salt spray for 240 hours to see if a corrosive atmosphere will take its toll.

These are some of the tests that are conducted so that you can safely take aim at fire.

Little League To Hold Tryouts

If you will be 8 years old before August 1, 1975, but not 13 before August 1, 1975 and are not already on a Little League team, then you are invited to tryout for the Little League and Farm League programs on the following Saturdays: May 17 and May 24 at 9:00 A.M. at the athletic field. All participants will be placed on either a Little League or Farm League team and will be contacted by their prospective managers. Usually all 7, 8, and 9 year olds participate in the Farm League program while 10, 11, and 12 year olds participate in the Little League program.

If for some reason you cannot make it to the tryouts, but you still wish to play baseball this summer then contact Mr. Brian Schick at the Middle School (428-2341) on any school day between 11:15 A.M. and 12:00 noon.

Bring this application to the tryouts on May 17 or May 24. We would prefer that you bring it with you on May 17.

There are openings for both Little League and Farm League managers. These openings must be filled by May 24 in order to get the program off to a fine start. If there is anybody interested in serving our community by giving a helping hand to our youth, please contact Brian Schick at the Middle School (428-2341). Contact can be made any school day between 11:15 A.M. and 12:00 noon.

Don't just be a spectator, be a participant!

A catered luncheon honoring Mr. Klager was followed by the dedication of the new sign in front of the school. The program concluded with all the children in school gathering in the gym to sing several songs for Mr. Klager and to present him with a "This Is Your Life" book which was prepared by students in Miss Kuyda's and Mrs. Lowery's rooms.

The teachers and students would all like to say "Thank You", Mr. Klager.

Junior-Senior Prom May 24

The 1975 Junior-Senior Prom, "Garden of Eden" will be held this year on May 24 at Weiler's Carriage House in Saline. Guests will arrive at 8:00 p.m. for hors d'oeuvres and punch, followed at 8:30 by a buffet dinner and dancing.

This historic building, used by the Ford family, has been photographed by two national magazines. Built in 1845, it is situated on the Saline River. The building retains much of its original charm with old paneled glass windows, a rough-beamed ceiling, and old wooden tables. The Carriage House also boasts some attractive modern features, a terrace on the river, a beautiful outdoor fountain, and a rotating mirrored globe hanging over the dance area.

Tickets are being sold now through Wednesday, May 14 at a table in the main hall of the High School over the lunch hour. Tickets will not be available after this date, nor will they be sold at the door.

The Junior Class looks forward to a beautiful, memorable evening. Attendance Continued on page 13

Varsity Choir Concert May 9

On May 9th at 8 P.M. the Manchester High School Varsity Choir will have their annual Spring Concert at the High School Study Auditorium.

An hour and fifteen minutes of enjoyable popular music combined with several solo and duets will be presented.

Again this year we are inviting the Alumni to come join with the Varsity Choir in singing the Battle Hymn of the Republic.

The price of the tickets are \$1.00 for adults and 50c for school age children.

The Ninth Annual Boat Race, held by the Manchester Chamber of Commerce, will be held Sunday, May 18, 1975.

For an entry fee of \$2.00 per person, couples may have a taste of old-time river racing. Seven different classes of entry encompass ladies, gentlemen, fathers and sons, as well as a choice of boats or canoes.

Began during the Manchester Centennial in 1967 with approximately twenty entries, the yearly competition has increased to more than sixty entries each year. Beginning at Fellow's Bridge in Sharon Township the four mile course runs through fallen trees and narrowly twisting turns to end at the Bridge on Main Street in Manchester Village.

Entry blanks may be obtained at Beal's Ace Hardware on Main Street, or Gill's

Legion Poppy Days May 16 and 17

The poppy as a memorial flower for American war dead is a tradition which began in the years following the First World War. Veterans returning to their homes in this country remembered the wild poppies which lined the devastated battlefields of France and Flanders Field, and the soldiers of all nations came to look upon this flower as a living symbol of their dead comrades' sacrifice.

It was Col. John McCrae, a Canadian officer, killed in WW I who immortalized the flower in his famous poem "In Flanders Fields the poppies blow..."

Today - over 50 years later, that little symbolic flower continues to pay tribute to those who made the supreme sacrifice in World Wars I and II, the Korean War and the Vietnam Conflict.

However, it is more than a symbol. It is a source of hope and aid for many in our nation. It is a handmade flower - made by disabled veterans as a part of their therapy and to aid their rehabilitation, they receive financial assistance for their work. In addition, the funds from Poppy Day are used exclusively for assistance to veterans and their families in time of distress.

Each poppy tells its own story...no two are fashioned alike. And - similarly, each wearer of this poppy tells a story of Memorial tribute and of aid to someone who needs that helping hand of understanding.

Senior Citizens

Saturday, May 17th, is the Spring Lend-a-Hand Day. Concerned young people in our community, including the Jaycees, Boy Scouts, Girl Scouts, and the Emanuel Youth Fellowship, will be available to help Senior Citizens with almost any spring cleaning chore. If you need help with something you can't handle, call your name and need in to the Emanuel Church office, at 428-8359.

Next Tuesday, May 13th, from 1-4 p.m., The Senior Citizens' Center will be open for fellowship, conversation, Euchre, and a special slide show on places of interest in Florida, presented by Lillian and Millard Uphaus. Those of you who've been to Florida will wish to compare notes. Those who haven't will wish to see what Florida is really like. Join us, we have a good time.

Gamble Store at 126 East Main St., Manchester, Michigan. Deadline for entry is 3 P.M. Saturday, May 17.

Jaycee Auxiliary Elect Officers

The Manchester Jaycee Auxiliary at their last general membership meeting elected officers for 1975-76 Auxiliary year. The following will be installed at the Fifth Anniversary program which is scheduled for Wednesday, May 14th. Mrs. Patricia Bertke who resides at 20529 Logan Road is the President-Elect. Other Officers to be installed are Mrs. Rita Culp Vice President, Mrs. Janet McCully Secretary, Mrs. Karen Leach Treasurer, and Mrs. Ruth Haussler Director.

In addition to the installation of officers two new auxiliary candidates will be formally installed as official members of Local Jaycee Auxiliary.

The Manchester Jaycee Auxiliary is an organization of young women between the ages of 18 and 35. The primary purpose of the Auxiliary is to assist Jaycees in their many program areas; plus the furthering of civic projects and developing leadership qualities.

At this time the Manchester Jaycee Auxiliary cordially invites all of the young women of the community to join this fine organization. For further information please call either Mrs. Patricia Bertke 428-8134, or Mrs. Cheryl Bunn 428-7473, or any Auxiliary member.

Proclamation

Whereas: The Village of Manchester maintains a fulltime Police Department and

Whereas: Our police have made great strides in training and expertise, and

Whereas: They use this knowledge for the protection and benefit of all of the citizens of our community

Let it be known to all that I David L. Little, Village President, declare May 11 through May 17 Police Week and I invite all of our citizens to review our Police Department and its facilities.

On Tuesday, May 13, from 7:00-9:00 P.M., the staff and students of the High School are presenting an Open House for all members of the Manchester community. The evening will provide an opportunity for everyone to explore the High School and obtain a glimpse of the daily school routine. The faculty and students have arranged exhibitions of student work, as well as special programs highlighting the particular activities of the school.

Visitors will be treated to the operation of the school computer, an interactive reading presentation, modeling of handmade fashions, and blood-typing and experiments in the chemistry lab. The newspaper, "Adventure", will be in full production, drafting demonstrations and shop projects will be exhibited, and the German students - just back from Munich - have organized a Kaffe Stube, offering authentic German refreshments.
