Renewal of Operational Millage Most Vital To School Program

The renewal of the 12.78 mills of operational millage being requested by the Board of Education at the June 9, 1975 election is crucial to the continued operation of the educational program. This amount of extra voted millage provides the school with approximately 40 per cent of its operational monies. Without it severe cuts would have to be made in the total school program.

In addition to maintaining the present program the Board of Education must also consider the rising costs in several important areas of school operation including salary improvements in the teacher's salary schedule, rising costs of utilities and materials, and a new commitment to a shared time vocational education program. Next year fifty Manchester students will be attending classes in the Saline and Milan Schools in subject areas that are not available in the Manchester District. These areas of study include the following: Model Office, Health Occupation, Welding, Machine Shop, Food Services, Auto Shop I and II, Building Trades and Graphic Arts. Manchester will share the cost of the Director's salary, other related costs and transportation costs.

The proposed increased cost for the 1975-76 school year will approximate one hundred thousand dollars. This is approximately the same amount of money which will be available to the school district from the increase in the state equalized valuation of the district.

State aid figures for the 1975-76 year are not available and, in all probability, will not be available until late July or August, so it is difficult to know what state aid monies will be for the coming year. Any increase in local SEV figures will, according to the state formula, decrease the amount of state aid monies

Jaycee's Receive Giessenbeir Award

Richard Z. Wolf, President of the Manchester Jaycees led the local chapter to the number one position with their third Giessenbeir in a row. On Saturday, evening, May 10th, President Tom Ritter of the Michigan Jaycees conferred the Giessenbeir Award for population division I of the Michigan Jaycees upon the Manchester Jaycees. The Giessenbeir Award is the highest award for achievement that a local chapter can receive within a state for their population division. This year marks the third consecutive year in a row that the Manchester Jaycees were so honored.

This year's successes give outgoing President, Dick Wolf the distinction of joining the ranks of Jaycee Past President Jim Curley and Ron Mann who achieved similar successes in their own community service record. Mr. Wolf is presently Cashier and Operations Officer of the Union Savings Bank of Manchester and resides on Kies Road with his wife Nancy and their two children Von and Virginia.

Other awards obtained by the Manchester Jaycees were: Community Action, Individual Development, Intercultural Relations (Brooklyn Extension), Chapter Activities (Jaycee of the Month), and wives recognition (Christmas Party).

due the school district. In the event that more funding is forthcoming from the state source than is presently contemplated, the extra voted millage (if approved) would be proportionately decreased as far as the actual levy is concerned. In other words, only that amount of increase necessary to balance the proposed budget would be certified on the September 5th certification date. This was done last year when the Board actually levied one half mill less than was voted.

THIS & THAT

By C. Chapin

Lilacs are in full flower and the sweetness in the warm evening air is almost unbearable. During the last few years the rabbits have increased or perhaps only become tamer, but they are in the backyard daily and on the park in front of the library they sit motionless until suddenly they hop and even the dogs don't seem to bother them. Is it, I wonder, because of the cessation of such things as DDT that things seem to have changed. Even in the country we see more pheasant, as well as other wildlife and people are telling me of deer in their yards. Perhaps each year just makes us know better how wonderful the turning of the seasons can be.

Here in the village all things march-I have come to believe we need a long winter to get ready for the fierce activity of the summer—we have just concluded a busy week-end. "Evening with Lady" at the High School on Saturday and the Boat Race on Sunday and Mayor's Exchange day on Monday, all hands exhaustedly happy.

Which brings me to another question: It seems that the Enterprise has come in for a bit of criticism lately because our man was not on every spot to take pictures when it was considered necessary. Lets get this on a fair basis friends. If any among you belongs to an organization which wishes publicity, then appoint a publicity chairman and let that chairman get together the facts and bring them to the newspaper. If that chairman wishes pictures let him request same and if its possible we will accommodate. However, it's not always possible and the Enterprise reserves the right to accept or reject such invitations.

Did you all know that The Telephone Company finally came and removed the public box from the downtown corner where it's stood for these many years. So many years, in fact, that hardly anyone noticed it was gone. Had been gone for some time when one morning recently, in the laundromat, a gentleman approached local resident and asked "Please ma'am, could you tell me where there is a public phone?" Accommodating and friendly, she says "Why yes, there is one over on the corner, on main street", and he says, "Lady, you are the third person in town that's told me that, and you know, I just can't find it". One has an inner vision of the poor stranger wandering up and down the streets and just never finding the phone everyone in town says is there. Perhaps the poor fellow only wanted to get back to the city. The railroads are gone, the buses not here, no taxi, and even a phone is nonexistent. For my own part if he asked me I'd wonder why he would want to leave—

Plant the garden, fill the pools, get out the suntan lotion and get ready for the summer, it's finally here!

I wish to commend Priscilla Spoon, member of the Manchester High School faculty, on the fine contribution, that she continues to make to the youth of Manchester. It is gratifying, that a young educator of her calibre, personality such unselfish dedication, Her fine intellect, enthusiasm, idealism, and level of expertise as a drama coach, are like a breath of spring at Manchester High School. She accomplishes what so few adults today are capable of. She motivates young people to realize their own creative potential. Mrs. Spoon develops a sense of responsibility, and a organization of the importance of goals, within all students who are fortunate enough to be influenced by her as a role model.

Sophomore, Pete Tassie has been the top Dutchman point scorer all season.

Freshman, Mark Daniels has been a pleasant surprise in the mile run.

TRACKMEN QUALIFY (2) FOR STATE FINALS

Top regional meet performances led by Phil Krzyzanski's new school record of 2:02.1 in the half-mile (the old record was set in '69 by Mike Hamilton at 2:05.1) good for 3rd place and Dan Clark's 47" shot put, also for 3rd place qualified them both for the State Finals to be held Saturday, May 31st at Central Michigan University.

Sophomore Pete Tassie also had a fine day as he finished 7th in the 120 yd. high hurdles at 17.2 and 8th in the high

jump at 5'9". Dan Schablie finished 8th in the 880 with a personal best time of 2:08.2 and the mile relay team of Dave Gueszter, Randy Bennett, Schablie, and Krzyzanski was 7th at 3:39.2.

TRACKMEN SUFFER TWO NARROW LOSSES

Our Manchester high trackmen suffered two narrow losses this past week. A close 55-68 loss on Tuesday to Onsted and an even closer 57-65 non-league loss to a strong Vandercook Lake squad on Thurs-

day. The losses left the team with a 3-7 dual meet record, but with hopes of moving up in the league standings with a solid performance at Tuesday League meet.

Winning performances against Onsted were turned in by Dan Clark in the shot put (his 8th victory of the season) at 46' 6 3/4"; Phil Krzyzanski in the 1/2 mile at 2:04.3; Pete Tassie in the high and low hurdles at 16.9 and 22.8; Tom Opal in the 2 mile at 11:09; Dave Gueszter in the 440 at 55.2 and the mile relay of Gueszter, Krzyzanski, Dan Schablie and Mark Daniels with a 3:50.1 clocking.

Manchester had 8 winning performances against Vandercook Lake as Dan Clark won the shot put for the 9th time this season with a 47' 8 1/4" toss; Dan Schablie won the 880 at 2:12.1; Phil Krzyzanski cruised through an easy 500 yard victory; Dave Gueszter led a 1-2-3 sweep of the 440 (the 2nd of the week) at 56.0; Pete Tassie won 3 events and scored 18 points a season high with victories in the high and low hurdles 16.5 and 22.5 and also took the 220 at 2:51.1 while taking 2nd in the high jump at 5'8"; and Bob Smith took the measure of the 2 mile field with a 10:58.4 clocking.

Remaining Dutch Point winners vs. Onsted-Doug Clark, 3rd shot put 38'11"; Dave Gueszter, 2nd long jump 18' 1/4"; Tim Kucoski, 3rd 100 11.0, 3rd long jump 17'7"; and 3rd 220 25.5; Schablie, 2nd 880 2:12.5, 3rd 440 56.4; Bob Smith, 2nd mile 5:04.9; Mark Daniels, 3rd mile 5:09; Krzyzanski, 2nd 440 56.0; and Mike Forman 3rd low hurdles 24.0.

Point Scores vs. Vandercook Lake-
Tom Fitzgerald, 2nd pole vault 9'6"; Mark Daniels, 3rd 880 2:25.8; Dan Hasset, 3rd high hurdles 18.5; Richard Jamish, 2nd mile 5:10.3; Dan Schablie 56.1; Randy Bennett, 3rd 440 57.8; Jerry Miller, 3rd 2 mile 11:33.9; and Bennett, 3rd 220 26.3.

WOULD YOU BELIEVE—45-0

By Jon Hardenbergh

Yes, last week's game against Grass Lake turned out to be a slugging fiasco for the Dutchettes. By conclusion of 2 innings Coach Pitt inserted all JV's present and they did nothing but add 25 points to the tally. Sharron Bondy, Kyle Kessler and Tracy Ahrens hit triples with Tracy going one better by slugging a homerun. Sally Roberts was the starting pitcher with Kay DeClair relieving. The game was called after 5 innings with the score 45-0. If a team happens to be up by 10 or more points the contest may be terminated after 5 innings. Imagine what the tally might have been if the game had continued.

Thursday was "the game" and unfortunately Morend left victorious. Manchester led slim margins for 5 innings when Morend tied the tally in the 6th, 6-6. Morend scored 2 runs in their half of the 7th after 2 were out. In the Dutchettes last at bats they were denied a base runner giving Morend the 8-6 win. Morend's pitcher threw hard and fast as she posted 13 strike-outs. Girls

double
double
your
money
with compound interest

the one
sure way
to build a
fortune

One of the most important, but overlooked, features of savings, is the magical effect of compound interest. If money is deposited

and the interest it earns never withdrawn, the money grows at an amazing rate. Money in most Ann Arbor Federal Savings certificates doubles every 10 years.

Thus, if a person 40 years old with \$25,000 (in savings, coins, cash value insurance, etc.) puts it into a certificate account at Ann Arbor Federal Savings it will grow to \$50,000 by age 50. By age 60 it will have grown to \$100,000 without adding a penny of his paycheck.

For the person in his mid-fifties, with retirement coming

up in ten years, compounding has even greater significance. If he has actual assets of \$100,000 and converts these into cash, he can have \$200,000 in ten years and realize an interest income for life of \$10,000 to \$15,000 thereafter.

But what about the person starting out, the twenty five year old. By putting \$50 a month in a 5 1/2% passbook savings account each month and leaving the interest to accumulate and compound, he will have \$21,190 at age 45. Then if he transfers the money to a certificate account

(and never adds another penny) the money will grow to \$87,380 by age 65.

On the other hand if one continues to add to his savings account regularly, it is well within the realm of possibility to accumulate \$300,000 or \$400,000 or more.

At Ann Arbor Federal Savings your dollars are not subject to market fluctuations, so you are sure when you reach the age at which you want to start using some of your money or earnings it will be there.

DUTCH HAVE A GOOD WEEK

By Jon Hardenbergh
Manchester faced 2 league opponents last week and came away victorious both times. In the first game the Dutch hosted the Tigers from Hudson. Hudson took the lead early as in their half of the first inning they collected 3 runs. The tally remained 3-0 for several innings then Manchester rallied but the Tigers took the wind out of the Dutch sails before Manchester could capture the lead, the score stood 3-2 after 4. The next time the Dutch batted, 2 Dutchmen hit safely as Rick Snyder came to bat. With a right-center scoring the 2 Dutchmen plus himself. Manchester added one more point to the tally so at conclusion it read 6-3. Don Walter was the winning pitcher. On Friday, the Dutch traveled to Sand Creek. This win makes the second time this season the Dutch have defeated the Aggies. 4 Dutchmen displayed mighty sticks as Rick Snyder and Scott Evtlizer hit .667. Scott banged a homerun to help

"THE RETURN"

THE RETURN, a new color documentary filmed in the middle east will be shown at Faith Community Church on May 25 at 7 p.m.

This new film documents the formation of the new nation Israel which, by all the laws of men and nations, is impossible. This ancient yet new nation now stands with both feet firmly planted in the very center of the world. Surrounded by her enemies and the sea, Israel is totally unique in history for she is an integral part of history.

To a growing number of scholars throughout the world, it seems her return to nationhood is the beginning of the fulfillment of her predicted destiny among the nations of the earth.

THE RETURN retells the events leading

to the final hours of the world's history as the curtain opens and the drama begins with Israel the stage where mankind's most profound performance may be played. Produced by the Evangelical Communications Research Foundation, THE RETURN is being released through Gospel Films, Inc. of Muskegon, Michigan.

MORE ON SPIRITUAL INSANITY

Man is a trinity; spirit, soul, and body. The spirit is to rule, the soul to suffer or enjoy, and the body to serve. If things get out of this order, we have insanity. Likewise, spiritually, Christ (the Head) must rule, and any action not ordered by the Head is insanity.

Jeremiah 10:2-4, "Thus saith the LORD, learn not the way of the heathen—for the customs of the people are vain (empty, idle, foolish) for one cutteth a tree out of the forest, the work of the hands of the workman, with the axe. They deck it with silver and with gold; they fasten it with nails and with hammers, that it move not." This is the instruction of the Head. Yet, every year we see all of christendom go spiritually insane. Then, to cover up their disobedience, they say, "It is for the children"—as if God did not know what is best for the children!

If God had wanted these things, they would have come to us through the Bible (written instructions from the Head), not through paganism. Jesus said, "I am the Way, the Truth, and the Life," yet, Satan's lies are being exalted in the Name of Him who is Truth.

Agriculture in Action

Michigan Farm Bureau

that there is no such thing as a free lunch. What is produced on farms anywhere has to be paid for somewhere.

Proposals for the establishment of international reserves would lead us to believe that food is an international resource. Food is not a natural resource. Food is the result of some digging in and doing something with the resources we have—those God has given us. We use those natural resources combined with the resources of the mind that teach us the value of work that help develop technology for more efficient ways of producing.

There also needs to be a profit motive which this country enjoys when the free market concept of farming is allowed to operate.

Some nations, however, engage in cultural or political practices which inhibit food production. A farmer in India, for example, is reportedly required to sell half his crops to the government—at controlled prices—even if what is left won't feed his own family.

Others encourage population growth for security reasons. The president of Burma wants his country's population of 30 million to double in the next 25 years "because our country's need for security demands it." Burma is located between India and China—the two most populous nations in the world.

We must continue to spend what we can afford to feed the hungry where we can. But each country has to solve its own food problems, either through priorities within that country for food production or through purchases from countries that have a surplus.

NO SUCH THING AS A FREE LUNCH!

What happened to food shortages? We are not short of meat, milk, eggs and bread in the U.S. and farmers are beginning to wonder if there is a shortage anywhere. The director of the United Nations Food and Agricultural organization now says that the need for food imports in the world's poorest countries has been almost cut in half since the World Food Conference held last year.

So, what are we short of? We have a short supply of some overzealous humanitarians, as well as a few so-called needy countries to face up to the fact

CLINTON AREA JAYCEES

Manchester Jaycee Auxiliary members, Mrs. Lauren Bertke, Mrs. Chuck King and Mrs. Jack Kennedy and their husbands were guests at the Clinton Area Jaycee and Jaycee Auxiliary Installation and Awards Banquet held earlier this month at the Elks Club in Adrian.

The Manchester Jaycee Auxiliary has been sending a guiding hand necessary in the first year formation of the Clinton Area Jaycee Auxiliary.

At the Installation and Awards Banquet Mrs. Bertke, Mrs. King and Mrs. Kennedy watched sixteen members, out of a total membership of nineteen, receive their first year activity Spokette charms. Four of the sixteen also earned their Spokettes in first year activities.

A flag set was presented by the Manchester Jaycee Auxiliary to the Clinton Area Jaycee Auxiliary.

As further proof of the first rate job Manchester Jaycee Auxiliary accomplished, at the Jaycee State Convention held in Lansing May 9, 10, and 11 the Clinton Area Jaycee Auxiliary received the Milestone Award. This award is given to the most outstanding chapter in the entire state for its first year activities.

The Auxiliary also received a certificate for a 62 percent membership increase and placed first in class three locals for its Doll Drawing Contest entered in the Michigan Jaycee Auxiliary Project

of the Year Award. As well, Sharon McGill, the Auxiliary president for 1974-75 received recognition for being one of the top five outstanding spokeswomen in the state.

"The Second Time Around" was the theme of the May 12 Clinton Area Jaycee Auxiliary regular membership meeting. The officers for 1975-76 presiding at the meeting bringing to an end the necessary monthly visits by the Manchester Area Jaycee Auxiliary. On hand to say good bye were Mrs. Lauren Bertke and Mrs. Chuck King.

SECOND ANNUAL JAYCEE CANOE RACE

The Blissfield Jaycees are sponsoring their second annual canoe and kayak race on Memorial Day, Monday, May 26, 1975. The race will be held on the River Raisin, starting at the Crockett Hwy. Bridge and ending at Ellis Playground. There are five Canoe and two Kayak classes constituting the race. The event is open to anyone interested in canoe and kayak racing. There is a three dollar entry fee for each participant.

Anyone interested in entering or finding out more information should contact Charles Solze 511 Depot Street, Blissfield Michigan, or stop at Knapp Motors, 415 E. Adrian, Blissfield, Michigan and see Dave Knapp.

Kindergarten Round-Up

The response to the Manchester Public Schools Kindergarten Round-Up was excellent. Ninety-one children with their parents participated in this year's Round-Up which was held on May 14 and 15. Indications thus far are that the new format was well received by both parents and children. All parents can expect to hear from the school system within two weeks with regard to information gathered at the round-up.

Parents of any children who missed this year's round-up should contact either the Pleasant Lake or Klager Elementary School to see that their child is properly registered for school in the fall.

RECEIVES SCHOLARSHIP

Steinaway-Kopka Vows Spoken

A candlelight ceremony united in marriage Karen Jean Kopka and Gale Steinaway, in the Emanuel United Church of Christ at Manchester, on Saturday evening, the 26th of April.

The Rev. Joseph Wise performed the double ring ceremony. Mr. Larry Hammerling was the organist, and Miss Karen Kennedy was soloist.

The bride is the daughter of Mr. and Mrs. Elmer Kopka of Manchester, and the bridegroom is the son of the late Mr. and Mrs. Harold Steinaway of Manchester.

The bride chose an ecru lace gown with ecru lace trim around the bodice with high neckline, and a wide flared flange

Senior Citizens

The Manchester Senior Citizens' Council would like to extend its thanks to the Jaycees, the Methodist Youth Fellowship, and the Emanuel Youth Fellowship for their help in making our spring Lend-a-hand day a success. In addition, we would like to thank the Manchester Public School system for the use of their buses in our monthly shopping trips. Thanks too, to the several bus drivers who have made it possible.

Items of interest to seniors: The Manchester Senior Citizens' Council is beginning a meals on wheels program. Mr. Bill Ryan, the proprietor of Manchester's Country Kitchen, has graciously agreed to prepare hot lunches which will be delivered by our volunteer drivers in a unique heat-preserving meal transportation unit to any senior citizens who feel they would benefit from hot, nutritious, professionally prepared lunches. The meals will be delivered in disposable aluminum foil trays; you must provide your own silverware and beverage. The cost of the meals, except in cases of demonstrable need, will be exactly the same as the cost of comparable meals served in the Country Kitchen (\$1.40 to \$2.00). If you are interested in obtaining further information, or wish to sign yourself or someone else up, call the Emanuel Church office at 428-8359, and ask for Greg.

The Senior Citizens' Center will be open again next Tuesday, the 27th of May, from 1:00 to 4:00 P.M. for Euchre, fellowship, refreshments, and Edna Knauss's slides of the Manchester Centennial. Come one and all, it promises to be a great day.
