The Frank Gonzales Team continue the remainder of the week through Sunday evening with a message of victorious Christian living and heart-warming gospel singing. The Team, who are commonly known as "The God Squad" are a fine group of dedicated Christian young people who know from personal experience the reality of Christ living in them. "Christ in you, the hope of glory". Col. 1:27 are not mere words, but a personal experience to those who have yielded their lives to serve the living Christ. Some of the Team members have experienced deliverance from the bondage of drugs, witchcraft and the occult and are well able to counsel and identify with youth problems of today. Saturday afternoon will be the pot-luck picnic dinner which climaxes the 6 week Sunday School contest. Time is 2 p.m. for games and swimming; dinner at 4 p.m. and the place is Wolf Lake on Wolf Lake Road. The God Squad will be there to sing and share in the fellowship. The Dutchmen will miss the leadership of Senior Co-Captain Phil Krzyzaniak and Kurt Kenslar, next spring. TRACKMEN EARN MEDALS AT MEET OF CHAMPIONS

Washtenaw counties finest track and field performers gathered Saturday for the Second Annual Kiwanis Meet of Champions and five Dutch track were among the medal winners.

Sophomore shot put ace, Dan Clark finished 3rd with a solid 49' 3 3/4" heave, while another sophomore ace from Manchester, Pete Tassie was finishing 4th in a strong high hurdle field, at 16.4.

Senior Co-Captain Phil Krzyzaniak

and Kurt Kenslar, next spring.

might have been slightly distracted by the upcoming Senior Prom that night, but it did show as he ran a solid 2:03.6 1/2 mile good for 7th place in a race dominated by Class "A" school runners. The Dutchmen regular mile relay team wasn't all there, but the foursome of Tassie, Krzyzaniak, Dan Schafble, and Kurt Kenslar still ran a respectable 3:42.2 for 8th.

TRACKMEN FINISH 6TH IN LEAGUE

A young Manchester high school track team is looking forward to next years

L.C.A.A. meet as all but one point scorer returns next season.

Sophomores Dan Clark and Pete Tassie led the track brigade as Clark finished 2nd in the shot, put at 49' 2" while Tassie was scoring valuable points in the high jump (5th for 3rd) high hurdles (4th), low hurdles (5th), and ran a solid leg on the 5th place 880 relay along with Randy Bennett, Dave Guenther, and Matt Little. The 880 relays time was a seasonal best of 1:38.3. Tassie ended up the day as the top Dutch point scorer with 5 3/4 points of the teams 15 1/2 point total.

Phil Krzyzaniak put together a solid 2:03.1 880 clocking yet was still only 3rd, and the mile relay of Guenther, Bennett, Dan Schafble, and Krzyzaniak was 4th at 3:39.5.

SUCCESSFUL SEASON CLOSING

By Jon Hardenbergh

Both the Dutch and Dutchettes capped their season with victories. Despite 8 Dutchmen errors, Manchester got by Clinton due mainly to the batting of Scott Evilsizer. Scott had 4 hits in 5 trips to the plate for an average of .800. He slammed one triple and a homerun on his way to knock in 7 runs. The Dutchettes held Addison off after Manchester had regained the lead in the top of the seventh to win 11-9. Sharron Bondy's triple produced 2 RBI's while Jeri Walz's double also scored 2. The season records are 9-6 for the boys and 7-3 for the girls, as both squads prepare for state tourna-

ments.

High School Baseball is finished for the year as both Manchester teams fell in the first round. Hanover-Horton defeated the guys 2-1 as Vandercook Lake beat the Dutchettes 14-12.

2 POINTS SPELL DEFEAT

By Jon Hardenbergh

So close but yet so far away. The middle school track team almost came up with their first win this season but Hudson snuck by with 2 more points. The final reading was 67-65 Hudson.

Following is a rundown of what happened: Shot put-King took second with a toss of 33' 11 1/2". Long jump-Keasal captured second with Daniels third with leaps of 15' 4 1/2" and 15' 1" respectively. Pole vault-Eversole vaulted 8', good for first as Brown and Powell tied for third at 7'. High jump-King took second with a jump of 4'8". In the 880 relay the team of Helfrich, Brokaw, Schafble and Daniels broke the tape first with a clocking of 2:03.9. Again in the 880 run Korth (2:43.0) won first place as Smith took third. 60 yard dash-Brown was the third middle schooler in a row to finish in first position. His time being 10.7. Mile run-Brown was second (5:44.0) with Burch third (6:14.6). 100 yard dash-13.5 by Susan Ahrens good for third place. 440 run-Keasal (6:23) crossed the line first. 100 low hurdles-Daniels (4:2) captured second as Brown (15.9) finished third. 60 yard dash-Fornier took second being clocked in 7.9 seconds.

SPORTS

75 yard dash-Eversole took first (9.3) with Helfrich grabbing third (10.1). 220 dash-Melcher (30.4) finished first with Powell taking third. Mile relay was won by the foursome of Smith, Korth, Eversole and King with a 4:40.7 time. The 4 top scorers of this meet were Keasal (13), Eversole (11 1/4), King 7 1/4), and Korth (6 1/4). Fieldman is Bob King and Ken Keasal is trackman.

YOUTH FOR UNDERSTANDING

The exchange experience sets out to establish a "new" family. This means the new "son" of "daughter" is accepted as a member of the family, rather than being treated as a guest in the home. The American family is assured of adequate medical insurance for the student from Youth for Understanding, and the student and his natural family understand that he must provide his personal spending money and all travel expenses. The exchange student shares the responsibilities in the home, and respects any existing rules and gradually becomes a real part of his new family. The host family may find its life enriched as each member gains something special from the new family member; they are able to discover and investigate other parts of the world through the experience of their "son" or "daughter"; bridges of communication are built across language and cultural barriers; and the living experience can make it possible for the family and the exchange student to see and understand their own country through another's eyes. Upon the termination of the visit new and lasting friendships have been created reaching into many corners of the world.

Host families must be found by mid-June for students coming in August. If you are interested in more information or an application, they are available from Nancy Feldkamp, 428-5571.

LAMBDA NU

The May 20th meeting of Lambda Nu was held at the home of Catherine Roberts and was co-hosted by Mary Frances Fielder.

Two programs were given, one on gardening, and one on sculpture and painting. The first was given by Catherine Roberts and her guest speaker, Bobbie Lawrence of the Washtenaw County Cooperative Extension Service. Ms. Lawrence gave a slide presentation and answered questions on vegetable gardening. Sharon Stetler gave a talk on the history of sculpture and painting, and showed examples from both media.

Officers for the 75-76 season took over at the May 20th meeting. The new officers are President, Kay Martin; Vice President, Kathy Groves; Recording Secretary, Sue Lavender; Corresponding Secretary, Elaine Creech; and Treasurer, Pam Riley. Four new members were welcomed into Lambda Nu with the Ritual of Jewels. They are Jane Hayes, Vicki Wurster, Pam Riley and Nancy Babcock.

Program of the year was voted on and Nancy Wolf tied for first place with Polly Rushing. Their programs were on the "Total Woman" and "Painless Childbirth" respectively.

Four Manchester women have recently been accepted for membership into Lambda Nu by Beta Sigma Phi International. They are Dolores Bunney, Carol Walter, Carol Samonek and Cheryl Hamilton. Their pledge ritual will be held on June 4th at the home of Lois Vitale. The ritual will be followed by an annual summer dinner to be held at Leithausen's in Saline.

RECEIVES TROPHY

Beverly Ludwick, daughter of Mr. and Mrs. Delbert Ludwick of 109 Riverside, Manchester, received a trophy at the recent sixth annual Mathematics Conference at Eastern Michigan University for placing third in her grade level.

Beverly, a ninth-grader at Manchester High School, competed with more than 400 students from southeast Michigan and northwest Ohio in the final testing.

Those participating in the conference qualified by finishing first in their class in a preliminary examination where more than 10,000 students competed.

The conference was sponsored by the mathematics department at Eastern. Students taking the final test received "Math Expert" T-shirts and certificates of outstanding achievement awarded by the University.

DIABETIC POT LUCK

The Washtenaw County Unit of the Michigan Diabetes Association will meet at the home of Mrs. A.M. Demaki, 1215 Glen Levan, Ann Arbor at 11:30 A.M. Wednesday, June 4, 1975. Pot Luck Lunch will be served promptly at 12 Noon. Each person is to bring a dish to pass, one that diabetics can eat. Mrs. Melba Van Wagoner R.N. will speak about her role on the state board and the new research in the diabetic field.

NOW FACES BIGGEST CHALLENGE

Remember when you could send a postcard for 8¢, and for only 5¢ you could buy a candy bar? When 15¢ bought you a hot dog and 10¢ a refreshing root beer? You probably didn't know, but that was the year your parents could buy a kilowatt-hour of electricity from us for 2.38 cents.
Things have changed a lot since 1960... music, politics, sports, our entire life style - and prices. Especially prices! For example, the same 10¢ root beer today will cost you 25¢. Why? Because sugar is essential in making root beer. And as the price of sugar goes up, so does root beer. That's exactly what has happened to the price of our kilowatt-hour.
Prices have soared for just about everything we buy. A coal-burning power plant, comparable in size to one built in 1960, would cost us over four

times more to build; today, than 15 years ago. The equipment used to protect the natural environment adds from 15 to 40 percent to the cost of new generating stations. And the cost of coal used in electric generation has more than doubled.
Everyone's biggest challenge, yours and ours, is to make ends meet in these inflationary times. And we will be the first to admit that it isn't easy. So, along with the price of everything else, the price we must charge you for electric service has been increasing. However, the average price you pay today for electricity has only increased approximately one cent per kilowatt-hour since 1960. And, when you consider what inflation has done over the past 15 years to the price of almost everything - including a root beer - we hope you will think your electric service is still a good buy.

"I Hear A Song Coming On"

"I Hear a Song Coming On". The musical strains of this piece introduced the audience, of young and old alike, to a very entertaining program presented by the music department of the Manchester schools under the direction of Mr. Chris Cantine and Miss Alfee Greminger.

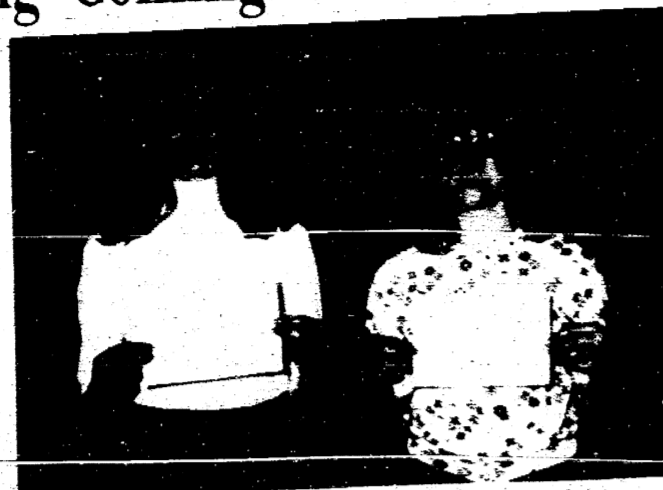

From the "Crazy Eights" by the fifth grade band, on to "Service Medley" by the sixth grade band, "John Denver" by the middle school band and finally to "Talk to the Animals" by the high school band the listeners were aware of the growth the musicians displayed and their love for the music.

The orchestra performed classical as well as pop music and the high school orchestra delighted the audience with a rendition of "Up, Up, and Away".

To select the high point of the concert would be impossible. What could top a stirring performance by the high school of a medley from "The Sound of Music" dedicated to Mr. Luther Klager? A statement of appreciation and standing ovation by all the bands for Chris Cantine with support by the audience could hardly be placed second. Then there was the presentation of awards to the students, which was just as thrilling.

A special lyre pin was presented to each student who performed in the solo and ensemble contest. The students were Jim Duncan, Carl Townsend, Kurt Sauter, Stacy Ames, Vanessa Ames, Tammy Rhoades, Keith Moore, Eugene Pleske, Jean Ann Wahl, Lori Gonzyer, Cathy Tobias, and Craig Rhoades.

Blankets were awarded to the following seniors: Vickie Brown, Rhonda Chapman, Gina Knauss, Eugene Pleske, and Mike Schlosser. The John Phillip Sousa Award,

Theresa Ames and Julie Moore, Manchester Stamping

Miss Greminger, Cathy Tobias—Outstanding Orchestra Student

a student-elected honor, went to Gina Knauss. Cathy Tobias received the outstanding orchestra member award.

Winged basketball pins were awarded to the Pep and Show band. These students were Jim Duncan, Lynn Gonzyer, Mark Guenther, Mark Gonzyer, Mike Fisk, Tammy Rhoades, Julie Johnson, Cheryl Dettling, Herb Mahoney, JoAnn Kastl and Belinda Grantham.

Because practice is so important to gain proficiency in performance, the following students were presented with practice sheet awards; fifth grade: Eric Duncan, Frank Kuhn, Vickie Lehr, Teri May, Brenda Rose, Mike Vitale, sixth grade: Mary Blumenauer, Jill Dettling, Laurie Fitzgerald, Kathy Kensler, Jeff Pleske, Karl Sauter, Mike Schable, Fred Townsend, Sharon Widmayer, seventh grade: Theresa Ames, Pat Gonzyer, Pam Knickerbocker, eighth grade: Stacy Ames, Vanessa Ames, Julie England, Lori Eng-

land, Paul Mahrle, and Carl Townsend.

There are several organizations in Manchester who deserve the whole-hearted thanks of the Manchester Instrumental department, students, and parents. These groups give half-tuition scholarships to Blue Lake Fine Arts Camp and The Judson Collins Camp for Junior High Spring Students. The broadening experiences of these camps provide an opportunity for personal understanding and growth as well as an opportunity for

attaining higher levels of artistic achievement in skills and techniques. The following awards were presented to deserving students at the concert.

The Manchester Optimist Club presented scholarships to Karla Tauriainen, Craig Rhoades and Lori Gonzyer.

Manchester Tool and Die Inc. awarded a scholarship to Tammy Rhoades. Recipients of scholarships from Double A Products are Julie Johnson and Kurt

Nope. Your eyes aren't playing tricks on you. That's the actual price you have to pay for a brand-new 1975 Ford Pinto 2-Door. And look at all you get: a 2.3 liter engine, four-speed manual transmission, bucket seats, and much more. If you want to save money on a good economical little car, now's the time and Pinto's the car.

The price is just \$171 down, and \$71 a month. Actual payment is \$70.43 for 48 months. Payment plan is based on the sticker price of \$2,812, including freight, total deferred payment of \$3,381 on approved credit. Finance charge is \$569. The ANNUAL PERCENTAGE RATE is 12.68%. Taxes, dealer prep, if any, extra.

That's right. Now you can buy a brand-new Limited Edition 2-Door Ford Granada. Standard equipment includes luxurious interior, gas-saving steel-belted radial ply tires, stylish opera windows, and much more. Drive your family in style. See the Ford Granada at your local Ford Dealer.

The price is just \$199 down and \$89 a month. Actual payment is \$88.80 for 48 months. Payment plan is based on the sticker price of \$3,529, including freight, total deferred payment of \$3,350 on approved credit. Finance charge is \$932. The ANNUAL PERCENTAGE RATE is 12.68%. Taxes, dealer prep, if any, extra.

At prices like these,
how can you afford to drive
what you're driving.

organizations and businesses is outstanding. The climax of the program brought lumps to many throats when Chris Cantine presented the 1975-76 Marching Dutchman. High school band members and middle school 8th graders who will be in band next year marched from the rear of the gym, stood at attention and played "Varsity". Everyone there anticipated a very good year to come.

DIABETES BIKE-A-THON

The First Annual Washtenaw Area Diabetes Bike-a-thon is just around the corner. On Saturday, June 7, the American Diabetes Association-Michigan Affiliate (ADA-MICHIGAN) will host two local bike-a-thons, both starting on the Eastern Michigan University (EMU) campus. A major bike-a-thon will leave the parking lot on Ann Street (across from Putnam Residence Hall) at 9 a.m., with registration opening at 8 a.m. This route travels over to the campus of Washtenaw County Community College and back to EMU. Riders will go around this route one time only, with a police escort leading the way. A shorter mini route, also starting at EMU's Ann Street parking lot, will be open from 10 a.m. to 5 p.m. Riders can go around this route as many times as they wish to build up mileage. The bike-a-thon is open to riders of all ages, providing they have their sponsor sheets properly filled out. Sponsor sheets may be obtained at local AAA offices and the following McDonald's Restaurants: N. Zeeb Road, W. Stadium Blvd., and Washtenaw Blvd. in Ann Arbor; Ecorse Road in Ypsilanti; and E. Michigan Avenue in Saline.

PIANO RECITAL PRESENTED

Sunday, May 18, 1975, the piano students of Priscilla Haselachwerdt presented a recital for their families and guests. Those taking part were Alana Wolf, Karen McCalla, Carolyn Schwab, Todd Haselachwerdt, Susan Ahrens, Heidi Haselachwerdt, and Brenda Benedict. Beethoven Busts was awarded to Susan Ahrens and Jodi Huber for research reading on this composer. Refreshments and a social hour followed the recital.

After reading many circus and clown stories in Mrs. Groves' first grade at Klager, the boys and girls planned a clown day. Lots of make-up, costumes, balloons, and ice cream added to the fun. The one-ring circus featured juggling, balancing, tight-rope walkers, acrobats, plenty of clowns and our own "tiger".

Jaycee's Awards and Installation

On Saturday evening, May 24th the Manchester Jaycees held their Annual Inaugural Ball and Awards Dinner at the Tecumseh Country Club. Pictured here are William Bunney and Bob Rhees both Past-Presidents of the Manchester Jaycees, receiving their J.C.I. (Junior Chamber International) Senatorship from Incoming President Bob Bunney. The J.C.I. Senatorship is the highest award any Jaycee can receive.

Additional highlights of the evening were Outgoing President Richard Z. Wolf, receiving the Jaycee of the Year Award, with Key Man Awards going to Past-President Jim Curley, Incoming President Bob Bunney, and Incoming Internal Vice President John Schable. The Spark for 1974-75 (Experienced Jaycee) went to Past President Bill Bunney, and Spoke (1st Year Jaycee) went to Incoming Director Tom Kalleward.

Past State Vice President Jim Curley installed the following as the Newly Elected Board of Director for the Manchester Jaycees: President-Bob Bunney, Internal Vice President-John Schable, External Vice President-Dennis Hamilton, Treasurer-Mike Hughes, Secretary-

Jim Hartman, and Directors: Mark Roberts, Jim Roberts, Tom Kalleward, Jeff Schaffer, Alan Hamewald, and Dick Wolf as Chairman of the Board.

In addition to the Jaycee Program, Mrs. Pat Bertke, Incoming President for the Manchester Jaycee Auxiliary introduced her board for the coming 1975-76 as follows: Vice President-Rita Culp, Secretary-Janet McCully, Treasurer-Karen Leach, Directors: Ruth Haussler, and Cheryl Bunn.

Finally, the Jaycees say thank you. No civic organization large or small can do an efficient job unless other citizens or groups within the community are willing to help in some way. Therefore, the Manchester Jaycees wish to thank the people who have helped during the past year, either through financial aid, service, use of facilities or use of equipment to make this Jaycee Year possible.

Meet Your School Board Candidates

Helen Kensler is 45 years old. She was born and raised in Chelsea, and graduated from Chelsea High.

William Bunney recently appointed to the Board of Education is a candidate in the June 9 school election.

Helen has been married to Jim Kensler for 22 years, and they have lived all of their married life in Manchester. Jim Kensler is Service Manager at the Ford Garage, and Fire Chief of Manchester. They have four teenagers, Kim 19, Kurt 18, Kyle 16 and Kris 13.
Helen is an active member of Emanuel United Church of Christ, and a member of the Citizen Advisory Committee to the School Board.
She has many concerns about the school and hopes to see changes made in the next year.

Bill is a past president of the Manchester Jaycees and is currently President of the Church Council of the Emanuel United Church of Christ in Manchester. He is employed at the Rawsonville plant of the Ford Motor Company where he is Superintendent of Material Handling, Production Control.
He lives with his wife, Dolores and daughters Karen and Melissa at 19025 Sandborn Road.

George Macomber and his wife live at 3720 Sharon Hollow Road. He owns and operates a 346 acre dairy farm in partnership with 2 sons, Carl and Geo. Jr.

Ronald E. Mann is a candidate for the Manchester Board of Education in the June 9 election.

He has six children, all but one are living in the Manchester Area. He will have 8 grandchildren in the Manchester Schools next year.
Mr. Macomber was leader of a 4-H club for 16 years, during that time he was elected to the 4-H council and 4-H service club. He is presently a member of the Manchester Township Planning Commission and the Citizens Advisory Committee. Before moving to the Manchester he was a member of the Seno Planning Commission, he has been treasurer of the Washtenaw Farm Council, also the Washtenaw - Wayne Holstein Assoc. He was on the board of Education of the Salem Lutheran School. He is a member of the Washtenaw Farm Council and Farm Bureau.
He would like to work toward upgrading our schools and spending our tax dollars to a better advantage. He also urges everyone to get out and vote, especially since this election is offering the voters such a large choice of candidates.

Ron is a member and past president of the Manchester Jaycees, and a member of Bethel United Church of Christ of which he was a past president of the Come Double group. Ron has served as Secretary of the Manchester Community Fair Board and on the Michigan Farm Bureau Poultry Advisory Board. He is currently a member of the Manchester Fire Department, Vice Chairman of the Manchester Township Planning Commission, and member of the Chamber of Commerce. Ron has served as an advisor for restructuring the Vocational Agricultural Program at the High School Level, served as a judge in the FFA Debating Contest, and has recently earned in the area of curriculum prior to

Manchester Board of Education Requesting Renewal of 12.78 Mills

The Manchester Board of Education is requesting a renewal of 12.78 mills of operational monies Monday, June 9, 1975. This amount of millage is vital to the continued operation of the school district's educational program. The 1975-76 projected budget increase over the 1974-75 school year budget is \$97,715. Included in this amount are improvements in the teacher's salary schedule, increased costs of utilities, supplies and maintenance items.

The increased budget expense is approximately the amount of monies the school district will receive from the increase in the school district's state equalized valuation. Although no state aid formula has been established as yet by the State Legislature, it is a foregone conclusion that less state aid will be available to the school district as a result of the increase in the local SEV.

E. G. Mann & Sons 35th Year In Manchester

E.G. Mann & Sons has been continuously operating on Main St. powered by River Raisin, and supplying farmers with feed and seed since June 1, 1940. The brothers Earl and Willard with their father Earnest, had been operating the Bridgewater mill since 1938, having formed a partnership they leased, then purchased the Manchester Mill.

A total of 24 mills of operational monies is needed to fund the 1975-76 school year. A county voted allocation of 11.22 mills is a permanent allocation of operational monies. This 11.22 mills will bring to the school district \$507,991. If district voters approve the requested 12.78 mills this will be an additional \$578,418. The total state contribution including categorical aids will approximate \$400,000. These three amounts total \$1,486,319. A projected expenditure of \$1,556,144 is required for the 1975-76 school year. The difference of \$69,825 is expected from a projected June 30, 1975 balance of \$50,000 and miscellaneous funds from county and federal sources. The Board of Education is requesting only that amount of millage which is absolutely necessary to fund the 1975-76 school year operation.

Growing up in Bridgewater the boys, Earl and Willard drove a Ford Model A to Ann Arbor High School for four years and were commended at graduation time upon the fact that in all weather conditions they had only missed one day of school and were late but once.

Citizens Advisory Committee

The Citizen's Advisory Committee will hold its next general meeting Wednesday, June 11, 1975 at 8:00 p.m. in the High School Library. The Committee was formulated and held its first meeting April 9, 1975 at which time common areas of concern between the Board and citizen's present were explored. The need for input from the community and implementation of improved methods of communication between the school system and citizen's was emphasized.

These many years later Earl is gone but Willard with nephews Glen, Vic, and son Ron, continues as E.G. Mann & Sons another generation doing business as usual.

First priority of goals set by the committee was that of self-education. It was decided to invite representatives of the Reading Levels Program and Special Education Dept. to present to us three programs and answer questions any concerned citizens might have regarding them. This occurred April 18, 1975. On April 23, 1975, Dr. Southernland Haydn, Area Chairman of North Central Accreditation Committee discussed with us and the general public what North-Central Accreditation is and is not all about. The committee decided at this point to use the Standards for North-Central Accreditation as a guideline for further study of area school system, not at this point actually seeking accreditation, but assessing its value and practicality for the Manchester Public Schools at some future date.
Two sub-committees have been formed, the human Development Committee and the Survey Committee. Citizens in the community will have received surveys which will provide the committee with their input regarding their priorities and concerns in the area of curriculum prior to

Visiting the mill is an exciting experience, giving one the feeling of a glimpse of the roots of our town. A faint rumbling and humming means that machinery is moving, faint farm aromas come from the good smell of grain and fine dust lies everywhere. Willard reminisces and states that when he was a young man nearly all the business was limited to farmers, and nowadays small farmers and gardeners comprise a goodly share of the work each year. Back in the 40's when the grain and feed was tossed on the floor and mixed by hand the first thing he did was install a mber. Come with me for a walk through the store. Everything from a small pill to a 20 ton bulk feed tank is available here, and glancing around we see on the shelves farm and garden seeds, fertilizers, pet foods, rubber boots, wooden walking canes, pitchforks, beverage syrup, horse and steer heaters, show sticks for cattle, a horse waterer, egg cartons, a calves nursing bottle with a huge nipple, curry comb, a handy horse sprayer, hoof knife, hood trimmer, plastic fence posts, horse hay feeder, garden planters and shelves of farm supplies, which include medications of all kinds.

There is a great deal of satisfaction in a lifetime of work one enjoys doing and Willard states "I have enjoyed working in Manchester for the past 35 years, and I sincerely mean that. It has been a real pleasure for every day of that time".
Congratulations to E.G. Mann and Sons for work well done.
