### New Friends Are Silver Old Friends Are Gold

By C. Chapin

The old Adage has particular meaning for the friends of Miss Linda Knorpp, of 407 E. Main, who last week on August 6, entertained for lunch several of her friends who were also her former pupils.

The graduating class of Brighton High School in 1917 was composed of ten students, and this past week seven of those pupils met at the home of their teacher, Linda Knorpp here in the village, to renew once again their friendship and to remember the good times.

Linda, who was born in Manchester and attended High School here, then studied at Ypsil. State Normal, now Eastern Michigan University and became a teacher was in Brighton teaching English and Music when this class graduated. The program for the graduation reads like a page of the history of our country. President of the class gave a speech entitled "America, the Melting Pot of Nations" and Anna Conrad spoke of "No excellence without Labor." Meredith Pittin presented "The Electrical Age" and Lillian Taylor declaimed on "Child Labor Law".

After twenty nine years as principal of the Jr. High School in Rochester, Michigan, Linda retired and came home to Manchester to live. The staunchest supporter of alumni gatherings, Linda has always been happy to visit and reminisce with her good friends.

Mrs. Bernice Beasley, Mrs. Lillian Kraus, Mrs. Carmen Wilson, Miss Ina Shannon, Mrs. Anna Weston, Mrs. Hazel Phillips, all visited the Village and under the friendly eye of teacher had a good lunch and a happy visit.

# COUNCIL PROCEEDINGS

July 21, 1975  
 Council met in regular session with the meeting called to order by President Protem Mahony. Present were Curley, Daniels, Mahony, Mann, Scully and Zsenyuk; absent Beal, Little and Fitzgerald. Minutes from the July 7, 1975 regular meeting were read and corrected. Moved by Scully, supported by Mann to approve the minutes as corrected. All yeas, carried.

Moved by Curley, supported by Scully that the Village enter into an agreement with Washtenaw County whereby Manchester is a part of the delinquent tax fund as administered by the County. All yeas, carried.

Zsenyuk reported that the Health and Safety Committee was still checking on a recreational license for Charles Burg and could give no recommendation at this time.

SEMOG will be reviewing the Police Communications system in conjunction with the grant monies obtained through that group.

Council reviewed Mr. Rickelman's plans and felt that good construction practices were indicated, with no problems foreseen.

Enter Little at 7:40 p.m.  
 Curley questioned whether or not Daniels was aware that there was a leaky hydrant on Vernon Street. He was informed that there is a surface water problem, not one caused by the hydrant. The possibility of graveling Liberty Street was also discussed.

In regard to the rezoning of property located at 515 Territorial, Mann reported that the Village Attorney recommended rezoning it to Two-Family rather than a

conditional use or variance procedure. Moved by Scully, supported by Mahony that a Public Hearing be held August 18, 1975 at 8:00 p.m. to consider the proposed rezoning of the property at 515 Territorial from R-1 to R-2. All yeas, carried.

Mann reported that Ed Rickelman will finish up the restrooms at Kirk Park. Mahony questioned if sidewalks were in the construction plans for this summer. Daniels advised him that asphalt work is planned for the hotter periods with sidewalk construction scheduled more toward fall.

Daniels listed activities as follows: cleanup from storm damage, roofing on a pavilion at Carr Park, sewer cleaning on City Road-Riverside Drive, grass cutting, cleanup of drying beds at Treatment Plant installation of new water service on South Adrian Street, and patching asphalt.

Moved by Scully, supported by Mann to adjourn at 9:03 p.m. All yeas, carried. Mary H. Wheeler, Clerk

#### UP-COMING GAMES

The last 2 scheduled slowpitch games of this summer:

Wednesday, August 13, Black Sheep Tavern vs. Double A 7 p.m., Stamping vs. Merchants 8:30 p.m. Thursday, August 14, Foxy's vs. Tap 7 p.m. and Pioneer vs. Bank 8:30 p.m. There is talk in the wind of contests between Pioneer and both Stamping and Tool & Die.

#### LOWER LEAGUE SHOW DOWN

Yes, for the last scheduled time this summer Foxy's met the Pioneer Corns. It just so happened that the Corns had a slim half game lead over Foxy's. It was a defensive battle all the way as only 4 runners crossed home. The high flying corns were one run up when Foxy's

had men on second and third with only one out and here is how the defense got out of this jam. The next batter hit the ball on a line to pitcher Brian Eisenhauer's foot and lo and behold it popped into his glove for out number two. If you thought this was wild -- read on -- the following slugger hit an easy fly to Tim Underwood who came in to snare it but he misjudged it a hair -- the ball tipped the top of his glove and headed earthbound. All of a sudden Don Walter dove into the picture and snagged the sphere before it hit the ground for the third out. The Corns then added a run to win the contest 3-1 and now hold a game and a half lead going into the final week. Pioneers got 3 runs on 8 hit having committed 3 errors as Foxy's got 1 run, 6 hits and 4 errors. Brian was the winning pitcher upping his record to 12 win facing only 2 defeats. All the Corns must do now is win one of their two remaining contests and they win the league title. If the Corns drop both and Foxy's wins their last, there will be a play off to decide the league champ.

#### DRUG BILLS

A series of three tough drug bills have been introduced in the House, including a measure that expands the state wiretap law in a move to discourage heroin traffic in the state. The most controversial bill in the package will allow police officers to use wiretapping devices with permission of the Attorney General's and the Appeals Court. The Bills are designed to nab the big-time narcotics operators, some of who are known to the police, but often cannot be caught under current laws. A second bill provides mandatory minimum sentences ranging from life imprisonment for possession of over 650 grams of a narcotic drug to ten-year sentence for possession of more than 50 grams. Under existing law, minimum sentences are not mandatory and the stiffest maximum sentence is 20 years. There would be no good time or parole provisions with convictions, and the sentences could not be served concurrently with any other prison term.

Scott Drouare, Lance Marshall, Jean Ann Wahl, Jeff Canasee, Bob Feldkamp and Mike Fisk. Missing Michelle Heslip.

Hot, dry weather was the order of every day during the Washtenaw County 4-H Youth Fair, however, it did not seem to stop the twenty-three horse and pony project members of the Sharon Valley 4-H Saddle Club who attended with twenty-five and-

Mal. Rex Spiegelberg and Cathy Tobias, both of Grass Lake, showed their mare and foal projects in the Mare and Foal Class. Cathy received a second place ribbon with an "A" rating. Cathy showed her Appaloosa mare, Brown Sugar and her colt, Chipewa Warrior. A blue ribbon was awarded to Warrior in the Foal Class, along with another "A" rating. ribbon with an "A" rating. Sandy showed her Half Arabian gelding, Mister Jo-Jo. In the class for Second Year Members, Barbara Tanner of Grass Lake, showing her Quarter Horse mare, Lady Bar Tag, was awarded the first place ribbon along with an A rating. This win put Barbara in the Junior Fitting and Showmanship Championship Class for Members 10-13 years of age. Again more experience was gained.

In the Saddle Seat Equitation Class for Advanced Members, 12 years of age and over, Alene Garlick, riding Tonaraf, was fifth with Mike Fisk and Star getting a fifth place. In the Hunt Seat Equitation Class for Members 15-18 years of age, Robin Knepper and Fiddle captured the second place ribbon. Barbara Tanner, riding Lady Bar Tag, took a fifth place ribbon in the Hunt and Saddle Seat Equitation Class, First Year 4-H Showing, for Members 10-13 years of age.

a third place in the Bridle Path Hack, English Pleasure, Saddle Seat Class for Members 13-17 years of age. Mister Jo-Jo, ridden by Sandy Wilson, received the blue ribbon in the Hunt Seat, English Pleasure Class for members in their First Year of 4-H Showing. Robin Knepper was slated to ride in the Senior English Equitation Championship Class on Wednesday evening, but unfortunately, her horse was slightly lame and the entry was scratched.

In the Junior English Pleasure Championship Class for Members 10-13 years of age, Mister Jo-Jo, well ridden by Tonaraf, ridden by Alene Garlick, won

Sandy Wilson, made a winning combination as these two captured the reserve championship ribbon.

The first class on Thursday was the Fitting and Showmanship class for pony project members. Petra Moessner of Saline and her Half Welsh-Half POA mare, Tammie, won a second place ribbon with an "A" rating in the class for Advanced members, 13 years of age and over. Susan Moessner of Saline, showing her Welsh mare, Ponytown's Glnette, was awarded a fourth and an "A" rating ribbon in the Fitting and Showmanship Class for Advanced Members, 11 and 12 years of age. In the Second Year 4-H members, 10 years of age and over class, Jackie Drouare and Teresa Spiegelberg, both of Grass Lake, were competitors. Jackie and Candy, a Shetland Pony mare, were awarded a second place ribbon and an "A" rating. Teresa and Sammy Davis, Jr., her Shetland Pony gelding, received a "B" rating.

Both Petra Moessner with Tammie and Jackie Drouare with Candy had the honor of making the Fitting and Showmanship Championship Class. In the Pony Equitation Class for Advanced members, 13 years of age and over, Petra Moessner and Tammie placed fifth. Jackie Drouare and Candy placed second while Teresa Spiegelberg and Sammy received a sixth place ribbon in the Pony Equitation Class for Second Year Members 11 years of age and over.

In the Western Pleasure Class for ponies, 52 inches and under, Candy, ridden by Jackie Drouare, won a third and Ponytown's Glnette, ridden by Susan Moessner, took a fifth place.

Jackie Drouare and Candy were in the first class Thursday evening which was the Pony Equitation Championship. Again, more experience and the honor of being in a Championship Class.

The Horse Pleasure Driving Class was held Thursday evening also. It was a good, strong class. Mike Fisk, driving SR Starbright, took second place with Alene Garlick and Tonaraf taking a fourth place.

Friday was a hectic day with Western

these classes for Juniors. Beverly Ludwick and Diamond rode in the Junior Western Equitation Championship Class also. SR Starbright and Mike Fisk rode in the Senior Western Pleasure Championship Class for members 14 years of age and over.

At this writing, Sandy Wilson and Mike Fisk have been notified that they will be two of the twenty-five horse project members who will be representing Washtenaw County at the State 4-H Horse Show on August 19th in East Lansing. Sandy is a fourth-year 4-H horse project member; however this was her very first time at the 4-H Show. She and "Joe" will fill one of the English Pleasure Horse slots. Mike is an eight-year horse project member and will go in the dressage slot.

Also in the "winners circle" is Alene Garlick, daughter of Mr. and Mrs. Emory Garlick of Manchester. Alene is a sixth-year 4-H horse project member of the Sharon Valley 4-H Saddle Club. She has also had two years of leathercraft in the Sharon Valley 4-H Club. Alene was the 4-H queen candidate from these two clubs and was one of the top ten finalists in the queen's contest on Tuesday evening.

Other 4-H project members involved elsewhere at the fair were Petra and Susan Moessner and Jim Hansen, all of Saline. Would you believe - showing in the Pleasure Class for Registered Horses, advanced members 14-18 years old. In the same class, Tonaraf, with Alene Garlick up, received a fourth place.

Friday night, Western Performance Championship night, was even more hectic with Debbie Tanner and Bar Funny Face in both the Junior Western Equitation and the Junior Western Pleasure classes for members 10-13 years old. Bruce Garlick and Famir's Sayid were also in both of

was sent home. Both Petra and Susan had a Commercial Meat Pen of three rabbits on display and both received "B" ratings on these pens.

Mike Fisk became "Robin Hood" for an hour or so as he competed in the archery tournament on Thursday afternoon. Others who were shooting in the 100 degree weather were Jeff Canasee, Bob Feldkamp, Michelle Heslip, Lance Marshall, Jean Ann Wahl, all of Manchester and Scott Drouare of Grass Lake. In the Junior Division, 10-13 years of age, Jeff Canasee took home the trophy. Scott Drouare was a close second followed by Jean Ann Wahl and Michelle Heslip. Scott Smith of Milan won the trophy in the Senior Division, 14 years of age and over, with Mike Fisk in fourth place followed by Bob Feldkamp. The club's archery exhibit sported a blue ribbon "A" award after the judging was completed.

Bob Feldkamp was busy in the dairy barn during the 4-H show. Bob showed a Junior Yearling Brown Swiss Heifer and a Mature Brown Swiss Cow. He received blue ribbons and "A" awards for his efforts with "Mellisa" and "Lulubell".

Busy in the Performing Arts was Cathy Tobias of Grass Lake and her cousin, Leslie Teachout of Saline. A duet with violin and flute plus a poster was tops in the instrumental division and good enough for a blue ribbon plus the honor ribbon.

All in all, it was a very good show, well worth all the time, hard work and preparation.

# Agriculture in Action

Michigan Farm Bureau

One spring day many years ago, a city fellow took the day off from the office to hike through the countryside. He paused to watch a farmer plow his field with one mule. "Giddap, Billy, Giddap, Barney! Giddap, Moe!" the farmer kept shouting.

The puzzled observer asked how many names the one mule had. "Just one," the farmer informed him. "His name is Barney, but he doesn't know his own strength. So I put blinders on him and yell three names at him. He thinks that two other mules are helping and he does all the work himself.

Pretty clever psychology, the city fellow thought. If you could only use that kind of psychology to get a man to work real hard... Make him think he's got lots of help and just think how much he'd do. The next day he went back to his office and invented the committee.

That may have been the beginning of the committee but it surely wasn't the end—especially in our nation's capital. Commonly known as commissions, panels, task forces, boards or groups, there are between 2,000 and 3,000 of them to advise various agencies of the Federal Government. Whenever Washington can't make a decision—or wants to postpone one—it creates a commission.

In addition to the actual committee members, they employ between 4,000 and 5,000 staff members. It's difficult to pinpoint what it costs taxpayers to maintain these various commissions, but it's estimated to be between \$65 million and \$100 million per year.

Some advisory bodies are very necessary and valuable, of course, but their proliferation is overwhelming and their

lifespan seemingly endless. We even have advisory commissions to advise other advisory commissions. And often, the time and expense for the resulting advice is for naught because it is not acceptable to the political position of the advised.

Inflation-weary Americans often take their frustrations out on the check-out clerk at the supermarket, the gas station attendant, or the repairman. But seldom, when they look at their payroll check stubs and gasp at the amount set aside for Uncle Sam, do they sit down and write to their Congressman demanding a halt to government overspending.

If Washington used the mule psychology, one meaningful, necessary commission could do the job of three and at one-third the cost. If Barney can get the job done, there would be no need for Bill and Moe.

The Optimist Club fattened a seminal steer. He has been on feed for the same length of time as the steers received by the Steer Club members. The steer will be processed, ready for the freezer, and auctioned, by the quarter, at the Manchester Community Fair, on August 21, 1975. Any proceeds will be used to promote youth activities.

### ATTENTION CLASS OF 1980

Work for the class float will begin Wednesday, August 13, at 11 a.m. at the home of Laurie Walz, 12780 Schlewets Road.

After a long, hard season of fine baseball between the two teams from Manchester and the two teams from Dexter, the team that came out on top was Manchester's team No. 2. The team was coached by Dick Rogers who took over the team after the former coach had leave at the beginning of the season. He was assisted by Mr. Joe Alexander. Between the fine coaching and playing of the team, they show a strong 12 wins and 3 losses at the end of the season.

| 1 cup milk                          | 1 1/2 cups mushroom stems and pieces, drained         |
| 1/2 cup butter or margarine, melted | 1 cup cooked green beans                              |
| Sauce:                              | One 4-oz. jar dried beef, torn into bite-sized pieces |

Cook over medium heat, stirring constantly, until sauce thickens. Stir in Worcestershire sauce. Add mushrooms, green beans and dried beef; stir to distribute ingredients evenly. Warm over low heat.

To serve, place 1 piece of toasted corn bread on each plate. Spoon sauce over corn bread. Top with second piece of corn bread and more sauce. Serve immediately.
