Memoriam
IN MEMORIAM OF DENNY SHARPE
We stay behind and wonder why. Why him? When there are so many bad people who deserve to die? Some will say because his work here was done, Others will say he just happen to be the chosen one. When there is so much good in one being. No one can really understand his reason for leaving. But there is a reason behind everything God does. And he always takes first, the ones that he greatly loves. Though time will eventually ease our sorrows, We will remember him through all of our today's and tomorrow's.

THE MANCHESTER ENTERPRISE

108TH YEAR VOLUME NO. 50 15 CENTS PER COPY THURSDAY, OCTOBER 16, 1975

Bloodmobile At St. Mary's Church Monday, October 27th

Monday, October 27, there will be a Red Cross Bloodmobile at St. Mary's Catholic Church in Manchester from 12 to 6 p.m. The Manchester School District uses from 225 to 300 pints of blood year. Volunteers donated 143 pints to the Manchester Blood Club last March and an equal amount is needed now. Mrs. William Schwab, who is chairman-of-the-day outlines the schedule for the 27th: St. Mary's Altar Society will furnish the refreshments for the donors; the American Legion Auxiliary will supply the orange juice which is now served instead of hot coffee or teas to donors; the Jaycee Auxiliary is in charge of the Nursery for donors who must bring their small children with them. Seventeen volunteers from the area will assist the professional staff from the Southeastern Michigan Regional Red Cross Blood Center. At least 150 donors will be needed for his clinic. If you are not contacted at your place of employment, your church or by the Jaycees, please register yourself at the counter in the Union Savings Bank or at Ann Arbor Federal or call Mrs. Schwab 428-8976 to make an appointment which may save a life. Anyone between the ages of 18 and 65, who is in good health, may give a pint of blood for the Manchester Blood Club. Since this is an open clinic, donors are welcome from other areas to donate to a hospital patient or to his own Blood Club.

Recruiters for the area include: Mrs. Ica Schaffer, Emanuel Church of Christ; Mrs. Merrill Korth, Manchester United Methodist; Mrs. John Wallace, Jr., St. Mary's Catholic Church; Mrs. Fred Munson, Bethel Church of Christ; Mrs. Lawrence Bowers, Sharon United Methodist; Mrs. Ralph Janofski, Iron Creek; and Mrs. Gerald Proctor, North Sharon Bible Church.

Recruiters for local industries are Mrs. Roger Harrison, Double A Products; Mr. Delbert Ludwick, Manchester Tool & Die and Manchester Stamping Corporation; Mrs. Jean Wheeler, Manchester Plastics; Mr. Patterson, Uniloy; Mr. William Wild, Economy Baler Company; and Mr. Robert Burrey for the Manchester Jaycees.

Jaycee Halloween Party October 30

Thursday, October 30, is the date set for the Manchester Jaycee's Annual Halloween Party for the children of Manchester School District.
Trick or Treating will start at 5:00 and continue until 7:00 p.m. There will be a 15 minute lapse before the judging starts at the high school at 7:15 p.m.
Pre-schoolers through 6th grade will be judged for the most spookiest, most original, prettiest, and ugliest. Prizes will be awarded and refreshments will be served.

Open House At Manchester Library

The public is invited to an Open House at Manchester Township Library October 26 from 3 to 6. October is Library Month and the local Library Board wishes to thank the Manchester Township for its years of loyal support and especially for the Revenue Sharing Funds which have added so much to the needed up-keep of the building.
For the hundreds of library users in the area, the 137 year old Township Library is giving you a party. For those who do not have the Library on their regular "shopping list", do take this important part of our town.
Rev. Damberg closed the evening's program with prayer.

This meeting is an organizational meeting to get the ball rolling for our celebration. We would like all interested people to come to this meeting. We will explain what we hope to do this coming year. We would like a representative from each organization in the area to attend and all people who are interested in the Bicentennial from Manchester, Freedom, Sharon and Bridgewater Townships.

The Flying Dutchmen took over sole possession of second place in the league with a stunning 7-6 win over previously undefeated Morenci. Several key plays for the Dutch brought the victory: Their super defense which stopped the bulldogs time and time again; the ability for said defense to come up with the much needed turn-over; the power running of senior Craig Fielder who accumulated 103 yards rushing aided by beautiful line blocking by Mike Kastanis, Dave Reineck, Doug Clark, Mark Young and Richard Janish; a superb aerial bomb from Jeff Clark to Pete Tassie which totaled 64 yards and last but not least, the foot of Dag Omre who won the game with his extra point.

Manchester received the opening kick but four minutes later coughed up the pigskin on their own 45. At the 7:53 mark the Bulldogs had dug out 6 points in 6 plays with the point-after-touchdown missing. A mere 1 minute 40 seconds later a Bulldog snared a Jeff Clark pass at the 50 yard line and returned it to the Manchester 25. It appeared it might be a long night for Dutchmen fans--but no. The Manchester defense got tough and stopped Morenci on the 11 yard line. Then Jeff Clark found Curt Fielder alone flying down the side-line and he hit him-by the time Curt was stopped he was at the Morenci 10.

The next 2 Dutch offensive attempts went nowhere so on third down Jeff went back to pass. This time he got sacked for a 12 yard loss so Dag scampered on the field to try a 40 yard field goal. His distance was ample but the direction was 10 feet wide. In the remaining 5 minutes nothing happened, so Morenci took a 6 point lead to the locker room.

Morenci did nothing spectacular in the first series of downs so they turned the sphere over to the Dutch. Morenci got the first break of the second half as a Bulldog intercepted and ran the ball 17 yards to the Manchester 38. A Dutchman was accused of personal foul so there were 15 more yards tacked on. Morenci was slowed down to 4th and 7 on the 20. A 10 yard sweep by the Bulldog's quarterback gave Morenci first and goal at 5:30 of the third quarter. Again the Dutch defense rose to the occasion as they forced a fumble. Manchester failed to move so punted. On the very next play the Bulldog quarterback completed a 50 yard pass only to have it

Manchester To Host Invitational

The Manchester cross-country invitational will have a new look for its 3rd affair as the 18 competing teams will not meet in head to head competition but instead be divided into grade groupings (Freshmen, Sophomore, Junior, Senior) with team trophies awarded to the top 3 man teams in each class. There also will be 10 individual medals awarded in each class, including the 8th and 7th grade runs.

The meet is scheduled to begin at 9:30 when the 7th graders begin their one mile run. The 8th grade run at 9:45 also is one mile. The Seniors will begin at 10:30 a.m., the Juniors will go at 10:30, the Sophomores at 11:00 and the Freshman class run will go last at 11:30.

The run is now considered one of the tops in the state both for its competitiveness and its awards.

The teams competing beside our own strong Flying Dutchmen crew are Brighton, Chelsea, Clinton, Dexter, Grass Lake, Ann Arbor Greenhills, East Jackson, Columbia Central, Stockbridge, St. Thomas, Saline and Napoleon.

Manchester coach Larry Steeb feels that Clas "B" powerhouse Brighton will provide the most competition for our Dutchmen in the 3 man class team runs, while each of the other schools will have one or two strong runners in one of the class runs.

LETTERS TO THE EDITOR

We wish to support the efforts of your Manchester Fire Department, and the vital effort of all firemen in their efforts to reduce fire losses during Fire Prevention Week. We also wish to lend our support to the insurance underwriters in this same campaign.

Since the start of our fiscal year July 1, 1975 we have served 38 families to recover from one family fire. Disasters of this type are at a new high for our agency this year and we have already expended over half the amount budgeted for the entire remainder of the fiscal year ending June 30, 1976.

Our Disaster Action Committee is continuously alerted to the fact that individual families need to be made more aware of fire hazards in their apartments, homes and businesses. We support Fire Prevention Week, but more importantly we want to remind everyone to practice fire

prevention every week in the year. Very truly yours,
Donald T. Peak
Executive Director
Washtenaw County Chapter
American Red Cross

DAVID MORRIS NAMED PRESIDENT OF THE MICHIGAN LIVESTOCK EXCHANGE

In a special meeting of the Board of Directors of the Michigan Live Stock Exchange, David Morris, a Grand Ledge cattleman, was named President of the state's largest livestock marketing agency. Morris, who previously served as the organization's vice president, has been an active livestock industry leader for many years. He is currently serving as President of the Michigan Cattle Feeders Association and is a member of the State Co-operative Extension Council. His previous leadership positions include past president of the Michigan Agricultural Conference and a member of the Michigan Farm Bureau Board of Directors.

The announcement came following Milton "Milt" Brown's resignation as president and member of the Board of Directors. In announcing his resignation, Mr. Brown said, "I have arrived at this decision after much thought and deliberation. It has been both a pleasure and a privilege to serve the Michigan Live Stock

Area Obituaries

Exchange and its members. Therefore, there is considerable regret in reaching this decision. I will continue to support the activities of the Michigan Live Stock Exchange in all ways possible."

Following the special Board meeting, Mr. Morris announced the election of Norris Young of Buchanan as Vice President and the appointment of Phillip Roberts of Breckinridge to fill the vacancy on the Board of Directors.

Young a southwest Michigan cattleman, has served as a member of the Exchange Board of Directors for the past 12 years. He farms 1,000 acres and finishes about 700 head of cattle a year. He also produces hogs and markets them through the Exchange.

Newly appointed to the Board, Phillip Roberts farms about 900 acres near the Gratiot County community of Breckinridge and finishes 1,000 head of cattle each year. Roberts also serves as a member of the Gratiot County Farm Bureau Board of Directors and is active in the Michigan Cattle Feeders Association.

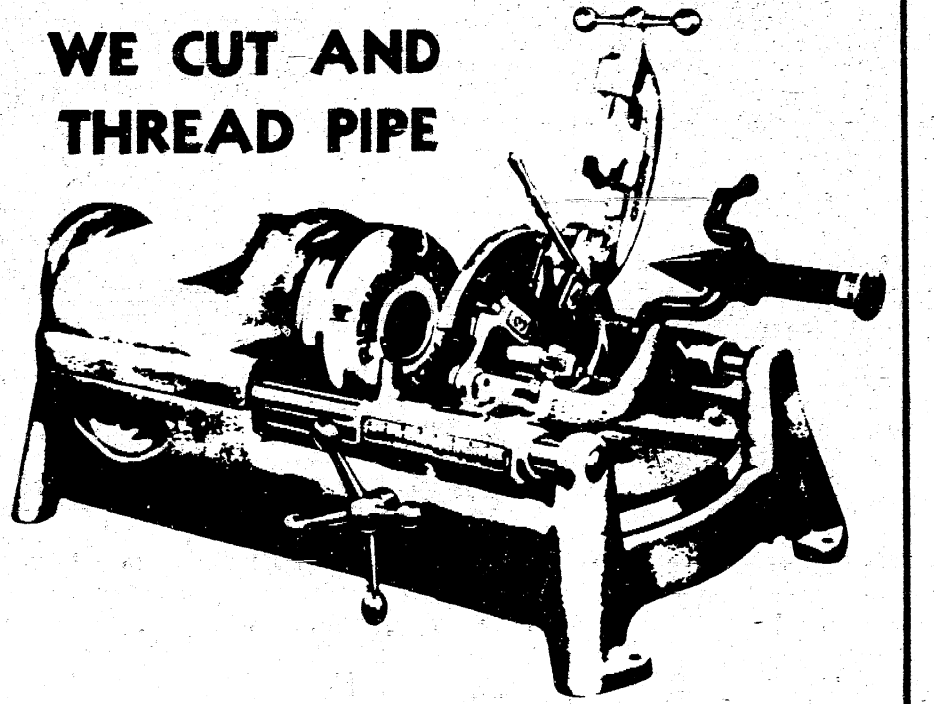

Shade M. Creech
120 1/2 W. Chicago Blvd.
Tecumseh

Age 56 years formerly of Manchester died suddenly at his home Tuesday. He was born July 7, 1919 in Kentucky the son of James and Mirtie Smith Creech. He was an Army veteran of WW II.

He was a member of the Manchester Lodge #148 F & AM, Scottish Rite Masons and the American Legion.

He is survived by six brothers, Leroy of Manchester; Clyde of Cleveland, Ohio; Ben of Tecumseh; and Clifton and Clifford of Owosso and Ralph of Sable; one sister Mrs. William (Christine) Craft of Onsted and several nieces and nephews.

Funeral services were held Friday at the Jenter Funeral Home, Rev. Seal-Jane-way officiated. Burial was in Oak Grove Cemetery.

Chiropractic is Different

body cause and permit nature to handle nature's chemicals in the normal manner that constitutes health.

When chiropractic was first introduced to the world in 1895, it constituted a need and different approach to the problems of health. The approach to health prior to that time had been a chemical approach - putting into the body chemicals that were supposed to alter the chemistry of disease to the normal chemistry.

Then chiropractic came along and said that the body receives all of the chemicals needed for health through the food we eat, the oxygen we inhale, and the water we drink. Chiropractic emphasizes that when disease occurs it is because somehow the body is falling to digest, absorb, circulate or metabolize food chemicals properly, or to properly eliminate the wastes from metabolism.

Chiropractic gave the world a different approach to the problems of health. It stressed the fact that the cause of disease is within the body. It sought for that cause within the body. It had a way to correct that within the

If chiropractic had not been different it would not have had any good reason for existence. It is its difference that restores health to millions where other methods fail. It is its difference which makes chiropractic valuable to society. It is its difference that makes it a separate and distinct profession. And, a separate and distinct profession assures the society of the perpetuation of that difference which sick people need so much.

Dutchmen Defeat Morenci 7-6

nulled by a holding penalty. Immediately the Bulldog went back to the air only to have this one picked off by Jon Steele as the third quarter ended. Jeff Clark hit Greg Daniels for 15 yards giving Manchester a first and goal on the 9. Again the Morenci defense came alive so Dag attempted another field goal. His kick was placed down at the 17 and the boot missed by about 5 feet to the right. Morenci moved the pigskin 30 yards then fumbled, with Manchester recovering at the 5:30 mark, but the Bulldogs halted the Dutch drive and took possession with 3 minutes and 54 ticks of the clock left. Morenci then had the ball for 3 downs and were forced to punt. Following the punt the Dutch offense found themselves 6 points down and 85 yards to go for the equalizer. This is when Jeff Clark uncorked his pass to Pete who went 64 yards before being knocked out of bounds. A Bulldog was detected grabbing the face-mask so Manchester had the sphere on the 10 with 1:50 remaining. Two running plays later Craig had smashad over the final line giving the Dutch 6 points. Dag entered the field of play knowing if he put the pigskin between those two white posts his team

would win. Well, the ball was centered, placed then kicked -- right thru the middle Manchester 7 and Morenci 6. The Bulldogs did have 46 seconds left but their second pass was grabbed by Tim Woodcutt which put Morenci in the loss column for the first time.

Some game statistics: Dutch had 250 yards, Craig ran for 103, Jeff Clark was 4 for 11 passing and Manchester was penalized 45 yards to Morenci's 110.

FRIDAY — LOOK OUT HUDSON

FOOTBALL TRIVIA (LAST FRIDAY)

Oddly there were 13 contests decided by a single point: 4 games by the score 7-6 (one being Manchester 7 and Morenci 6), 1 game 10-9, 1 game 20-19, 2 games 21-20, 1 game 28-27 and 1 game 36-35. There was one single over-time contest with the final tally being 13-12. Also one double over-time contest ending 21-20.

There were two triple over-time matches last week -- the first was a great offensive game in which Grand Haven out lasted Benton Harbor 44-44. In the other Mendon edged White Pigeon 13-12. North Adams receives high score honors as they blasted Pitsford 72-6.

UP-COMING SPORTS

October 15 - Manchester Cross Country welcomes Hudson.

October 16 - JV Football squad treks to Hudson. Middle School Football hosts Hudson (2 games). Girl's basketball at home.

October 17 - Manchester Varsity Football meets Hudson on Dutch turf.

October 18 - Manchester Cross Country Invitational.

October 20 - Girls basketball against Morenci at Manchester.

JV'S PLAY TO 0-0 DEADLOCK

The Manchester Little Dutch ran head-on against its toughest competition so far this season, as they met Morenci last Thursday night. Both teams entered the game with identical 4-0 records, which paved the way for an exciting ball game.

Displaying fine rugged defenses neither team threatened during the first quarter. Manchester was finally able to get a scoring opportunity together. Dave Slane hit right end Mark Daniels on a half-back pass which covered 40 yards. On the 3 yard

line with no time-outs left, Manchester quarterback Craig Rogers attempted 3 passes to no avail -- with only 23 seconds on the clock, the coaches called for a field goal which unfortunately was partially blocked.

The second half proved to be quite similar to the first two quarters, as it was again characterized by stingy defense. However, Manchester seemed to be putting a scoring drive together when twice it was stopped by fumbles. In the last few minutes of the game, Morenci had an opportunity to steal a victory.

Manchester Coach Bartels gambled on fourth down and went for the first down instead of punting, with only 2:55 left on the clock. The Dutch failed to get the needed yardage and Morenci took over. Aided by a pass interference call and a fine 30 yard pass, Morenci had one play left from the 5 yard line. The JV's dug-in and held as the game ended 0-0. Next week the Dutch take on Hudson which should decide the J.V. Championship. Manchester is 4-0-1 and Hudson is 5-0.

LEAVES MUST BE IN PLASTIC BAGS AND

BY THE CURB

Bruce Daniels, Department of Public Works

As an independent agent we answer to one boss -- our hometown people

We represent several firms, but we work for only one boss -- you. That way we can always place you with a company which we think is best for each line of insurance you need. Naturally, we prefer companies like Auto-Owners who look at a loss and take care of it right away, without haggling or delays. That's one of the reasons we're part of the Altogether Family. Like us, they're always there when you need them.

it's better **altogether**

COUNCIL PROCEEDINGS

Sept. 15, 1975

Council met in regular session with the meeting called to order by Pres. Little at 7:14 p.m. Present were Beal, Daniels, Fitzgerald, Mahony, Mann, Scully and Zsenyuk; absent Curley. Minutes from the September 2, 1975 regular meeting were read and approved in a motion by Fitzgerald supported by Scully. All yeas, carried.

Fitzgerald reviewed Public Works activities. The paving program is complete for this year and cost an estimated \$17,607.40 with the inclusion of Liberty Street which was added since the program had proceeded under budget. The storm sewer on Division Street was repaired. An area on the corner of Duncan and Wolverine Streets was cleaned up where heavy washing of gravel resulted from the rain storms. The Village grounds have been mowed and some brush pile cleanup has been done on Railroad Street. The stone

wall on the corner of Lincoln and Division Streets has been repaired. Needed repairs at the transfer station have been completed. A gate has been placed in the site rented by the Village for future use. New Village limit signs have been placed by the State Highway Dept. on M-52. Past due notices have been mailed out on the accounts receivable.

The subject of tennis courts was brought up. Daniels had obtained a copy of another community's plans for several courts. Two courts would require an area of asphalt 122 feet long by 110 feet wide. The actual playing surface for each court is 36 feet by 98 feet. The cost of installing two courts according to the plans reviewed would be between \$10,000 and \$17,000. It was noted that federal funds are available under Title V, but only through a school district. Fitzgerald explained that he was against spending that sort of money when fences, etc. are needed to maintain the present park facilities.

Kirk Park is about six months away from final fill and will need fencing since it is bounded on three sides by streets. Kirk Park seems to need a better deterrent for keeping motor vehicles off the grass than now exists. A split rail fence was suggested for across the front of Kirk Park. Moved by Fitzgerald, supported by Scully, that a fence be approved for Kirk Park with the decision in type made by the Public Works Committee. All yeas, carried.

Little questioned Daniels on the progress of the cleanup order. Daniels will check on the matter again.

The last well needs renovation which will cost about \$2000. The question of putting down another well was discussed. The land can be purchased, but we must define exactly what portions needed. Daniels will check on further work on the East Well.

Fitzgerald reported that he had been contacted by Mr. Fielder regarding the imposition on his property by some of Mr. Rod Anderson's crew. Anderson said he would furnish a letter to Mr. Fielder assuring him that any damage and all restoration to his property would be taken care of properly.

Zsenyuk informed Council that two more police officers have graduated from the Police Academy. This certification means that the officer would be qualified to go anywhere in the state into a full-time police position. The Explorer Police Cadets have been going door-to-door with Operation Identification and have found good response to the program.

Scully advised Council that there is a possibility of obtaining a 1975 Police car with approximately 6000 miles on it from Chrysler Proving Grounds. Moved by Mahony, supported by Scully, that the Health and Safety Committee be given the option to negotiate for the purchase of a used

car. All yeas, carried.

Little mentioned that entering the Village from the south on M-52 there is an old guard rail just prior to the Village. Limits which is in need of replacement. Zsenyuk agreed to check with the state Highway Dept.

Beal listed two permits: Lynn Niehaus, electrical; Bud Amerson, sewer and water. A meeting has been set up with the Township supervisors and the inspectors on September 17. Beal and Little were requested to be there.

Mann reported that a meeting has been set up on the Subdivision Ordinance.

Mahony reported that he had been contacted by some individuals regarding the rumor that the Village Council had hired a private firm to run a Bi-centennial program. He felt that to correct any mis conceptions Council should include the information in the minutes that the Bi-centennial Committee had hired the group, and since the Committee is a non-profit organization all costs will be covered by the proceeds.

Mahony made the observation that Torrey, Vernon, and Duncan street painting projects look nice.

Moved by Scully, supported by Fitzgerald to adjourn at 9:12 p.m. All yeas, carried.

Mary H. Wheeler, clerk

HURON VALLEY MOTHERS OF TWINS

The Huron Valley Mothers of Twins Club will hold its semi-annual clothing exchange on October 20, Monday, at 7:30 p.m. at 331 Thompson Street, Ann Arbor. Any mother of twins is welcome. For further information call Mrs. Marlene Golding at 428-7478.

CROSS-COUNTRYMEN ROLL TO 7TH VICTORY.

Morend was victim number seven last Wednesday as our Dutch harriers rolled over the helpless Morend team by a 15-48 score! Eight of the top ten place winners were Dutchmen as the five top finishers were the Dutchmen group of Bob Smith (1st - 16:05), Jerry Miller (2nd - 16:23), Tom Opal (3rd - 16:21), Dan Heslip (4th - 16:41), and Terry Brown (5th - 16:47).

Completing the route for the harriers was rapidly improving sophomore Keith Moore (7th - 17:06), and equally improving Junior Bob Padley (11th - 17:19). Coach Steeb is especially pleased with the performances turned in lately by these two runners.

All 16 Manchester's runners that competed finished ahead of the 5th and final scoring member, although they didn't count in the scoring.

The remaining Manchester place winners were Steve Eversole (12th-17:28), Randy Bondy (14th-18:21), Eric Norgaard (16th-18:23), Dave Guenther (17th-18:41), Tom Smith (18th-18:43), and Kurt Sauter (20th-20:14).

Dear Parents,

The Athletic Boosters of Manchester are extending an invitation to you, the fathers and mothers of the past, present and future athletes, to become an active member in the Manchester Athletic Boosters Club. We wish to urge both father and mother to join and take part. We want to emphasize the mother. The Boosters well know and realize that the girls are as much a part of athletics as boys, and especially in future years we need ladies to bridge this gap between boys' and girls' activities.

There is no monetary profit for any member or the club. All profits go for various equipment and activities of the athletic department. The following are some examples:

1. The club sponsors, with the financial aid of the Optimist Club, two planned poloathletic banquets and Spring recognition night during the year.
2. We have put on a "Fun Night" to make money. Elementary, Middle School participate in playing Basketball.
3. Members of the Boosters have assisted in coaching 5th and 6th grade boys on Saturdays.
4. The Boosters sponsor Midget Wrestling Tournament.
5. Members of the Boosters Club have helped to maintain various ball fields in the community.
6. The Boosters have helped purchase a Video tape camera and receiver for photographing athletic events.
7. The group has purchased a universal gym. This weight machine is available to all students, both boys and girls, and interested community members.
8. Athletic equipment and uniforms have been purchased for most athletic teams

Fall Fun Festival Helping Hands October 25

The Klager and Pleasant Lake Elementary Schools have scheduled their 8th Annual Fall Fun Festival to be held at the Klager School on Ann Arbor Hill on Saturday, October 25th.

Mrs. Kathy Hagerman and Mrs. Marce Tuveson are this year's co-chairwomen for the program. The schedule of events for the festival are from 6:30 p.m. to 9:30 p.m.

As in every year the spook house, raffle and refreshments will be available. Plus various other halloween type activities will be exhibited. All the young people of Manchester between Kindergarten and forth grade will have their own drawings on display.

This is a great family event and the entire community is welcome.

The young people of Manchester expect to see all of you at this year's program. So MOM'S, DAD'S, GRANDMA'S, GRANDPARENTS, AUNT'S and UNCLE'S as well as brother's, sister's, and friends should plan on being at the Klager School at 6:30 p.m. on October 25th.

SEE YOU THEN!

Dear Parents,
We are again reminding families about our program "HELPING HANDS". This program is designed to help us protect our children when they are not at home any time of the year.

Place cards with blue hands are placed in many homes of our community as wordless signs which our children can read as symbols of help when they are in trouble of any kind. Volunteers are instructed to assist your child by contacting you and the proper emergency agency. They are NOT to give First Aid. As a reminder they are also instructed to remove the signs when they are not home.

Whether your child uses this program is entirely up to you. It is important that you as the parent explain this program and help to locate HELPING HANDS in your area. Won't you please help us protect your child and talk the program over with him. If interested in displaying a hand, please contact any member of the Auxiliary or call Chairwoman Diana Sloat at 428-7253.

Thank you for your co-operation.
Sincerely,
Manchester Jaycee Auxiliary

ANNUAL SCIENTIFIC ASSEMBLY

Dr. William Purfield is attending the 27th annual Scientific Assembly of the American Academy of Family Physicians in Chicago. The medical meeting began October 6 and runs through October 9. More than 3,500 family doctors are participating in this once-a-year continuing education conclave.

The local physician, who is a member of the Academy, will hear 18 nationally known speakers discuss up-to-the-minute health care topics. He will also have an opportunity to attend clinical seminars on 38 different topics and visit some 100 scientific and 250 technical exhibits.

Subjects covered in this 4-day scientific session are of immediate interest to family doctors both in their everyday practices and in their continual endeavors to keep abreast of the latest advances in medicine. This year, topics include surgical procedures in the office, caring for a family's inherited disease, obesity, office gynecology, abdominal pain in children, managing the difficult diabetic, and medical ethics.

The Academy, headquartered in Kansas City is the nation's second largest medical association. It was the pioneer among medical organizations in requiring its members to take continuing education. Its

37,000 members must complete 150 hours of mandatory continuing study every three years.

Middle School

A reminder to all those persons interested in the activities at the Manchester Middle School: The Task Force group will meet October 22 at 7:30 p.m. in the Middle School staff room.

At the last meeting plans were discussed for the November 13th Open house. Our sword swallower and his fire-eating wife were unable to attend our last meeting; however, we wish them a speedy recovery.

Bring your suggestions, questions and ideas to the meeting October 22nd and help make this the best Open House ever.

ORGAN RECITAL

Emanuel United Church of Christ, Manchester, Michigan, announces the first recital of a series to be continued through the fall and next spring. The first concert is an organ recital scheduled for Sunday, October 19, at 3 p.m. The program will feature two organ majors from the University of Michigan, Paul Wey and Laurence Smith.

Mr. Wey is a native of Houston, Texas, where he began his study of music at the age of eight. His undergraduate work was done at the University of Houston where he studied organ with Dr. Robert Jones. After receiving the degree Bachelor of Music he continued his organ studies as a student of Dr. Marilyn Mason at the University of Michigan where he earned the Master of Music degree in 1973. This past year he was a Graduate Student teaching assistant at the University of Michigan where he has continued study with Dr. Mason. He is presently a candidate for the degree Doctor of Musical Arts.

Mr. Smith is a junior at the University of Michigan, where he studies organ with Dr. Marilyn Mason. Previous organ studies were with Mr. Robert Murphy of the Interlochen Arts Academy and Dr. Anita Werling of the National Music Camp. He serves as organist at the Grosse Ile

Presbyterian Church and teaches organ and piano in the Grosse Ile area.

The program to be presented on October 19th will include organ works of Buxtehude, Bach, Liszt, and Mendelssohn. The next recital in the series is scheduled for November 16th.

WASHTENAW COUNTY HISTORICAL SOCIETY OCTOBER MEETING & TOUR

The October meeting of the Washtenaw County Historical Society will feature a tour of the old University Observatory on Observatory Street.

The Society will convene there at 3 p.m. Sunday, October 19. Prof. Albert Hiltner, chairman of the U-M Astronomy Department, will lead the tour and talk about plans for restoration of the oldest parts of the building, which is known as the Detroit Observatory.

The Observatory is near University Hospital. Parking will be available in a nearby parking structure.

SATURDAY NIGHT SINGLES

The Ann Arbor Saturday Night Singles dance Saturday, October 18, from 9 to 12 is for adults 25 and over. The dance will be held at 350 S. Fifth Av. For information call 663-6068.

TUESDAY NIGHT SINGLES

The Tuesday Night Singles Club will again have a dance this Tuesday night, October 21, at the Briarwood Community Room, Briarwood Shopping Center. The dance starts at 9 and ends at 12 midnight. The band this week will be Frank

Venice. Anyone single, widowed, or divorced and over 25 is welcome to attend.

MANCHESTER COIN CLUB

The Manchester Coin Club will meet Thursday, October 16, at 7 p.m. at the Sharon Township Hall.

ADV. COURTESY OF THE MANCHESTER ENTERPRISE

Heller-Pratt Wedding

Luann Doris Pratt and Loren Carl Heller exchanged marriage vows September 27th in Zion Lutheran Church of Rogers Corners Chelsea. The Rev. John Morris and Rev. Carl Asher officiated at the candle light ceremony. The brides parents are Mr. and Mrs. Ellis Pratt of Manchester and the parents of the groom are Mr. and Mrs. Carl Heller of Chelsea. The bride escorted by her father wore a gown of white polyester organza with a high ruffled neck line, bishop sleeves, venise vertical lace trim on the bodice with an empire waist. A full skirt with venise lace appliques and a flounce hem. The chapel veil was edged with venise lace.

THURSDAY, OCTOBER 16, 1975 THE MANCHESTER ENTERPRISE PAGE 11
AMERICAN LEGION AUXILIARY NEWS

and had appliques through out. Mrs. Joan Jedele of Chelsea was matron of honor, while Earl Heller of Chelsea, brother of the groom was best man. Bridesmaids were Jean Haeussler of Manchester, Donalda Johnson of Ann Arbor, and Jean Herrst cousin of the bride from Chelsea.

Ushers were Howard McCalla of Chelsea, Bruce Pratt of Saline and David Pratt of Manchester both brothers of the bride. Marty Heller nephew of the groom and Jeffery Steele cousin of the bride were ringbearers. Debra Trinkle cousin of the bride was flower girl.

Dale Kock cousin of the groom was soloist.

The reception was held at the Chelsea Fairground Service Center.

The newlyweds left for a honeymoon in Niagara Falls, Canada and Upper Michigan.

They will reside on Hashley Road, Manchester when they return.

FALL BAZAAR OF CHELSEA

The Annual Fall Bazaar of Chelsea Methodist Retirement Home will be held in the Recreation Room on Saturday, October 25th, from 1:30 to 4 p.m.

Items of all kinds, the handwork of the residents, will be exhibited and placed on sale. A bake sale will be included and a special sale of ceramics.

The Public is cordially invited.

The American Legion Auxiliary, Unit 117 met on Wednesday, October 8 at the home of Mrs. Rodney Hoefft.

Reports were read from the standing committees. The Unit voted to furnish juice for the forthcoming Blood Bank. They also voted a pledge for the PREP program which may be started in our local school system and a donation was made to the Community Chest.

The Annual Youth County Day will be held on November 6 at the Erwin Prieskorn Post #46 in Ann Arbor and the Auxiliary will furnish cookies for the noon luncheon. Any member wishing to furnish cookies is asked to call Mrs. Leota Schwab.

A request was read from the Coldwater State Home and Training School for items for their Christmas program. This will be investigated by the Child Welfare Committee.

Mrs. Charles Schiel's name was drawn for the door prize.

Mrs. Rodney Hoefft will serve as Good Cheer Chairman for the month of October.

Members are requested to forward their 1975 dues payment to the Treasurer.

Refreshments were served by Mrs. Hoefft and Mrs. Robert Popkey.

The November meeting of the Unit will be held at the home of Mrs. Max Walter.

STOP IN AND SEE OUR FINE SELECTION

Ask
Senator

GRIFFIN

By cutting through red tape, members of Congress can often lend a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

My small manufacturing company has a limited research capability, but it would be useful if we could keep on top of developments in technology. We need to "pick and choose" because we're not big enough to keep track of everything that happens in technology. Can you help?

—B. J. Muskegon

Congratulations on your forward-looking attitude. It's encouraging to find that Michigan firms are seeking ways to stay productive. As a matter of fact, technical ideas that industry might find useful are compiled by Federal researchers. Besides product data, comprehensive information on how to keep updated on some 43 government agencies doing research and development work can be obtained by sending \$4.30 for the "Directory of Federal Technology Transfer" to the Government Printing Office, Washington, D.C. 20402.

We just moved where I can't take a bus to work, and I'm finding out that driving 15 miles each way costs a bundle. Have you got some facts I can use in convincing my neighbors we ought to form a carpool?

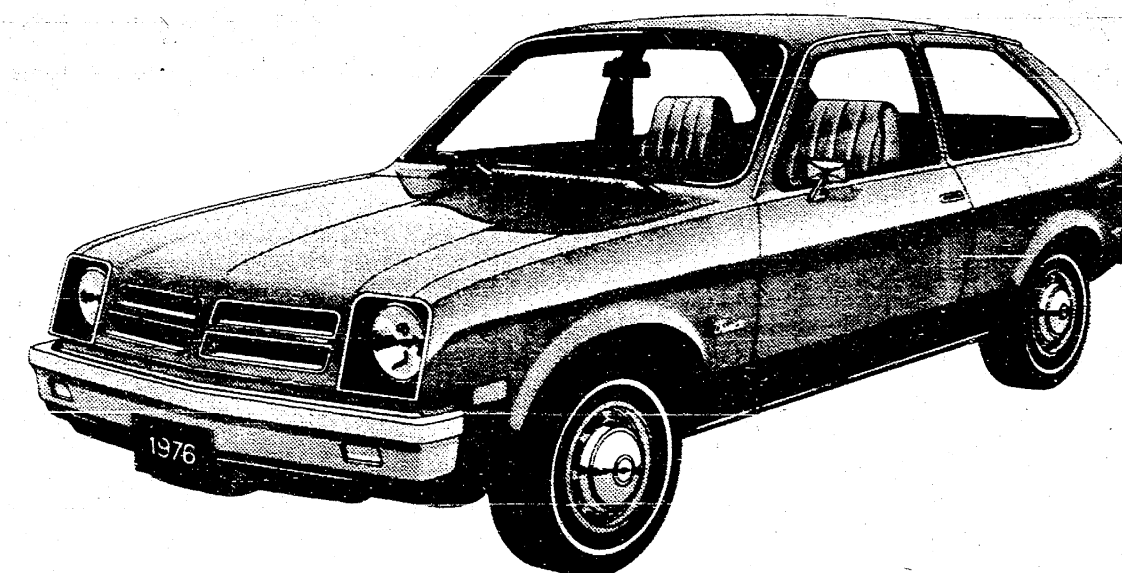

—P. L. Battle Creek

You've already pinpointed the best argument: Carpooling is cheaper. The Federal Highway Administration estimates it costs \$815 a year for a daily 30-mile round trip in a subcompact; \$964 a year in a compact, and \$1,255 a year in a standard-size car. In a five-person carpool, each participant would save from \$559 to \$899, depending on the size of the car. There's no doubt that carpooling can save the Nation's energy as well—simply "doubling up" in commuting automobiles would save more than a half-million barrels of oil a day and remove 15 million cars from the bumper-to-bumper club. For full facts and helpful hints on carpooling, write to: Federal Highway Administration, Office of Public Affairs, Room 4208, 400 Seventh Street, S.W., Washington, D.C. 20590.

SIT DOWN, SUPERMAN

Remember Superman? Well, this well-intentioned hero of days gone by seems to have reappeared on the scene. He now takes the form of a powerful labor leader with the uncanny sense of knowing just what to do in every difficult situation. It also appears that he considers himself to be well versed in economic principles nowadays. Unfortunately, this new hero of the people is not as well versed as he might want everyone to believe!

This modern day super-hero first flexed his muscles to stop the shipment of American grain to Russia. This led to the embargo of grain also to Poland. These

efforts, he expounded, were in the interest of curbing inflation.

After his efforts to halt inflation, our well versed hero turned to another vexing problem in our modern society, that of fighting recession. To accomplish this, he again came up with a simple answer. It was to give unions a healthy wage and benefit increase during their upcoming contract negotiations. His logic is simple: If we give labor unions a large enough wage increase to offset past and expected inflationary price hikes, the current recovery will keep from stalling.

Thus, we have at our disposal the "true answer to all of our economic problems. By increasing wages, we put more purchasing power in the hands of workers, therefore, carrying our nation on to true recovery. See, it's all very simple!

It is precisely this type of logic that can start the dog chasing its tail. And the union leader professes to be an inflation fighter? Hogwash! Increased wages are merely an increased cost of doing business. This, in turn, means businessmen must increase the price of their products. If that's not inflation, what is it? Whatever happened to basing wage demands on productivity?

When Superman realizes the real an-

swers, not just the ones his followers want to hear, then let him flex his muscles. Meanwhile, sit down, Superman, and take a few more lessons in economics!

Guest column by Paul Kindlinger.

Jaycee Auxiliary

On Wednesday evening, October 8th, the Jaycee Auxiliary held their general membership meeting at Karen Leach's home. First the program featured a film on Hemophilia which was presented by Mrs. Carol Wheeler of Manchester. Next, the Auxiliary approved their assist program at the Bloodmobile Drive which will be held on October 27th.

The Auxiliary also informed all present that there were more cook books available for sale. These interesting cook books can be obtained from any auxiliary member or can be purchased at Donut Time. Moreover, in the ways and means area Donut drawing tickets can be purchased from any member.

The Jaycee Auxiliary also scheduled the Helping Hands program for presentation on October 20 to the Manchester schools.

Finally, the Auxiliary will be assisting the Jaycees at their Annual Children's

Halloween party on Thursday, October 30th at the High School. Remember, that the Manchester Jaycee Auxiliary is an organization of young women from 18 to 35 years of age, and you as young women are invited to join this fine organization. Simply, contact your local Jaycee Auxiliary member or call President Pat Berke at 428-8434.

INSURANCE NIGHT FOR K OF C

The Knights of Columbus will have an insurance night Wednesday, October 22, at 8 p.m. at the K of C Hall. It is open to anyone interested in learning more about life insurance, wills, trusts and estate planning. There will be presentations by the K of C insurance agent, a lawyer, and a banker. There will be a question and answer period and free refreshments.

HALLOWEEN PARTY

The K of C's will also be having a Halloween Party and Dance on Saturday, October 25. Costumes are optional. Music will be by the Stump Jumpers.

THURSDAY, OCTOBER 23, 1975

James C. Hendley Resigns After 36 Years of Banking Service

viding a full range of local banking services to the Manchester area, the bank's active involvement in community affairs and for the bank staff responsible for these achievements.

In recognition of his services he was elected a Director Emeritus by the bank board.

Open House At Manchester Library

The public is invited to an Open House at Manchester Township Library October 26 from 3 to 6. October is Library Month and the local Library Board wishes to thank the Manchester Township for its years of loyal support and especially for the Revenue Sharing Funds which have added so much to the needed up-keep of the building.

For the hundreds of library users in the area, the 137 year old Township Library is giving you a party. For those who do not have the Library on their regular "shopping list", do take this opportunity to come in and get acquainted. You all come, Sunday, October 26.

Jaycee Halloween Party October 30

Thursday, October 30, is the date set for the Manchester Jaycee's Annual Halloween Party for the children of Manchester School District.

Trick or Treating will start at 5:00 and continue until 7:00 p.m. There will be a 15 minute lapse before the judging starts at the high school at 7:15 p.m.

Pre-schoolers through 6th grade will be judged for the most spookiest, most original, prettiest, and ugliest. Prizes will be awarded and refreshments will be served.

Fall Fun Festival October 25

On Saturday evening October 25th, the Pleasant Lake and Klager Elementary Schools will be hosting their Annual Fall Fun Festival.

This year's program is scheduled from 6:30 to 9:30 P.M. under the chairmanship of Kathy Hagerman and Marce Tuveson. As always the list of activities will be fun for the entire family. Featured family fun programs are: the Cake Walk, Fish Pond, Bowling, Lollipop Tree, Duck Pond, Ring Toss, and everyone's favorite is the Spook House. Don't forget the date of Saturday, October 25 at 6:30 P.M. In addition, there will be apple witches, corn cob scare crows, and Manchester Pennants for sale. Refreshments will also be available.

Come one! Come all! to this year's Fall Fun Festival. There will be something for everyone in the family, and we little people from Kindergarten through the 4th grade want all of you to have as much fun as we are planning, so please join us this Saturday evening at the Klager School. Maybe you will win a Snoopy & Woodstock stuffed animals, or a pair of walkie talkies. In any case fun will be the order of the day at the Klager School and don't forget to watch out for all the spooks, ghosts, and witches who will be looking for you this Saturday evening. See You Then!

They're Engaged

Mr. and Mrs. John Eggleston of Waters Road, Freedom Township, announce the engagement of their daughter, Debra Ann, to Donald Michael Brown, son of Mr. and Mrs. Frank L. (Buff) Brown of Manchester. The couple plan an August 13th wedding. Miss Eggleston is a graduate of Winston Churchill High School in Livonia, and is employed by Allen-Bradley Co. Her fiance is a Manchester High School graduate and also attended Wash-tenaw Community College. He is presently employed by his father at Brown's T.V. in Manchester.

"Dare To Share"

As most everyone knows, it's that time of year when we are all being asked to contribute to the United Fund. From an economic standpoint this has not been the best of years for many people, which may be causing some to question how much they will give, or perhaps whether or not they will give at all. When making this decision there are several points that might be worth thinking about. First, money given to the United Fund works hard. Almost the entire amount that is given locally, 97%, goes directly to helping agencies, meaning that only 3% of the money donated is used to pay for expenses. Secondly, if people so desire, they may choose the United Fund Agency that they would like their money to go to rather than have it spread out. Finally, it may be that we can look at the request to give money to the United Fund as both a test and a challenge. It is a test to see if in a free and open society people will take upon themselves the responsibility of "giving a hand" without government involvement and a challenge to us all to see if we are willing to give at a time when it may hurt a little more than it has in the past.

Donald Tassie, Chairman
Village House to House Division

Label Contest Underway At Middle School

The Middle School has officially launched its campaign to collect 17,000 labels from cans of soups or bean products of Campbell Soup Company.

"Letters have gone home to all parents", Mr. Tapping stated in giving a progress report of the campaign. Our student council members have distributed information about the drive to all village residences, asking for their help, too."

This year's label collection drive runs to December 31 and if successful will enable the Middle School to redeem these labels for physical education tumbling mats and American History books.

Friends of the school who are collecting labels for this project and wish for them to be picked up near the end of the drive in December may call the Middle School (428-2341) and leave their name and address and the labels will be picked up from their house.

Bicentennial Meeting Oct. 28

A Manchester Area Bicentennial meeting is scheduled for Tuesday, October 28, at 7:30 p.m. at Klager School to explain and answer questions concerning the coming Bicentennial activities. Clubs, organization and interested citizens are urged to attend. The Rogers Company of Fostoria, Ohio as well as the Manchester Area Bicentennial Officers, Advisory Board and Division Chairmen will also be present.

The agenda will cover the goals and directions of the Manchester Area Bicentennial year, monetary decisions involving club and group activities which will be coordinated with the Bicentennial committee, and to generally decide and answer any other questions and suggestions.

The interest and enthusiasm is very good so don't be left out! Get involved...attend this meeting.

Trick or Treat For UNICEF

The annual Trick or Treat for UNICEF (United Nations International Children's Emergency Fund) will be conducted in the Manchester Village next Wednesday, October 29, from 7:00-8:00 P.M. The canvass will be conducted by The Confirmation Class of Emanuel United Church of Christ. Canvassers will carry the traditional orange and black cartons labeled UNICEF and area residents are asked to turn on your porch lights from 7-8 P.M. and to give generously.
