The attractively painted Book Return Box done in original patriotic motif was the work of Manchester High School Art students Chris Lehr and Nelson Boatwright.

Above it was flying the new American Flag presented by the American Legion Auxiliary for the occasion.

A display of new books based on our history and times two hundred years ago was especially attractive to a group of students from the University of Michigan who took the opportunity to visit a small town library. They also proved to be just as interested in the history of the town, spending the afternoon touring the illage after browsing in the Historical Room for background information.

Flowers from Manchester Tool & Die and Manchester Stamping Corporation added to the festive event. A book-gift fund from the Union Savings Bank will increase the collection of special editions of lasting value. The many visitors who called enjoyed punch and cookies served by the Library Board members, and their usbands, and Mr. and Mrs. Dan Boutell.

CROSS-COUNTRY MEN GAIN STATE FINALS BERTHI

Despite running without 2 of the teams top runners, our Manchester High Cross-Country team still managed a strong 3rd place finish in a large, 18 team Regional meet in Trenton, Saturday.

Led by Dan Heslip's and Bob Smith's fine 10th and 12th place finishes our Flying Dutchemn totaled 114 points, to finish behind the top 2 teams in the State, Michigan Center and Addison.

Heslip and Smith were clocked in 17:07 and 17:16 times respectively for the slow, place (17:45) while Keith Moore was right behind in 26th at 17:47.

Bob Padley pulled through with a clutch performance, when several other higher seasons,

Senior co-captain Tom Opal finished the day as varsity forthman, as he finished 6th behind Clinton's first man, with a 17:33 while fellow co-captain Dan Schaible followed in 7th at 17:35.

Another Clinton runner interrupted the Dutch victory march but then Bob Padley, Mike Forner and Dave Guenther crossed the line in 8th, 9th and 10th places with 17:45, 17:49, and 18:03 clockings.

The remaining Dutch place winners were Randy Bondy (13th-18:19), Kurt Norgaard (18th-20:27), and Kurt Sauter (19th-21:33).

JV'S UPSET 15-0

The Manchester J.V.'s met defeat for the first time this season at the hands of Dundee. The Dutch looked flat and played very poorly. Apparently, coming off a big win against Hudson, left them psychologically off balance as they didn't appear ready to play football. In addition, Dave Slane, hen heasel, Mark Dresch, and John Scott, did not play due to injuries.

The Dutch started out as though they would blow Dundee off the field as they marched down the field on the first few plays. However, then it started - the was the halfbacks without a good pocket open to receive the ball.

on defense as they played well, especially points, Carol Buss scored 6, Lynda Kr-Mike Lentz and Brian Schlict. The half zyzaniak, Laurie Fitzgerald, and Toni Wilended in a 0-0 deadlock.

The second half was no better than the first. The Dutch could muster little on offense. The defense, playing well, could not hold Dundee at bay all night as they mounted a drive and scored. The extra mint was kicked thru the uprights and they led 7-0.

Manchester took to the air. Rogers, with little protection, had 4 interceptions. On a desperation play with 3 minutes left the Dutch attempted a reverse which was fumbled in the end zone. A Dandee player recovered for the Touchdown. The extra points were good.

Credit must be given to a good Dunches squad as they played well throughout the game. The J. V. 'S hopefully have learned a lesson the hard way.

STRANGLING IN RED TAPE

Our system of free enterprise is beingstrangled in red tape and regulations as we rely more and more on government making decisions for us. The attitude seems to be, "let Uncle Sam take care of it; let the government decide, after all, that's why we have people in Washington."

How often have we heard that "the government should do something." Little do we realize how much the government has already done.

The federal government or one of its multitude of agencies decides how consumer goods should be labeled, what should be shown on prime time television and if the design of certian machines presents

DUTCH WIN TWO

The eighth grade girls basketball team was victorious in both outings last week against Hudson 35 to 30 and Jackson Cathalie 45 to 16.

In both games Deanna Clark was high scorer with 17 and 13 points in the two in the center of Wurster Park for all to games and was instrumental in running

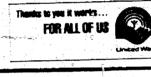

Brenda Benedict again was tremendous on the boards in both games and her scoring picked up with 12 points against Jackson.

Mainst Hudson Julie Moore scored 6 points and Brenda Benedict, Nancy Egler, Debbie Bauer, Cathy Dettling, Vicki Neff and Laurie Woodruff all finished with 2 points. Although not scoring Kathy Kidd, Pam Knickerbocker, Debbie Blossom, and Stephanie Daubner all played a good game as far as rebounding and defense.

Igainst Jackson Catholic Cathy Dettling scored 8 points, Julie Moore scored 4 and Nancy Egeler, Pam Knickerbocker, Vicki Neff, and Linda Schneider had 2

Carolyn Schwab, Laurie Woodruff, Debbie Bauer, and Kathy Kidd also did a fine job on defense and on the boards to insure a victory after an unbelievable first period where the Dutch scored 23 points to Jack-

The eighth graders are still undefeated after three games. GO DUTCH!

signated by the IWY Planning Council of Washtenaw County, at the International Women's Year Festival at Washtenaw Community College in him Arbor, Sunday I received a live pine tree as a gift for the village of Manchester, as did all the Washtenaw County.

The tree has been planted by the village 9:00 to 10:00 A.M. in helping to preserve the history of Manchester". There is still a great deal to do in this line and it is my hope that the Bicentennial Committee will help the area take a giant step in this direction. ter High School German Club. For instance, at the Manchester Township Library, a file has been started for the recording of the history of homes in the area. Every family can help add to this by collecting and saving such historical data, pictures and what have you. Ethel-Brown is chairman of this Historical Com-

mittee at the Library. If the tree grows well, and I hope it does, there will be a marker placed by it so future generations may know that it commemorates IWY 1975.

Since the teachers of Manchester are working without a contract, it was decided to discontinue all non-paid school activities until a contract is ratified,

This was decided by the membership at a meeting on Monday, October 27. Starting on Thursday, October 30, all non-paid school functions will stop 15 minutes after the student dismissal time.
