## "Wait Until Dark"

Manchester High School is opening its season Thursday night at 8:00 p.m. with Fredrick Knott's **WAIT UNTIL DARK** with successive performances on Friday and Saturday night. There will be an orchestra to perform before the show and during intermission, conducted by Alice Greminger. On Thursday night awards will be given for the best actor, actress, supporting actor and supporting actress of the 1974-75 season.

This is a very thrilling story of a blind girl, Susie, who innocently comes into the possession of a doll that contains heroin. Three men try to get the doll from her, and the murder and intrigue that follows is spine chilling drama.

The story takes place in Susie's apartment in Greenwich Village. It is an intricate set that requires a talented stage crew to keep the magic alive. There are complicated lightings and special effects like rain on windows, smoke bombs, and hidden knives that appear to be thrown. Five lights are crashed out each performance. This all adds to the excitement as the story unfolds.

This is one show you won't want to miss. Priscilla Spoon is directing, assisted by Lynda Graham. Jane Schable plays Susie. The rest of the cast is Rollie Litteral, Gary Joseph, Joe Chapin, Karen Campbell, Sue John, Herb Mahoney, Jayne Rose, Kevin Krzyzanski, and Mark Lawson. Tickets will be on sale at the door, but advanced tickets sales can be made at the High School office.

**Thanksgiving Services To Be At St. Mary's Church**  
The people of Manchester are cordially invited to attend a Combined Thanksgiving Church Service. The host Church this year will be St. Mary's. The service will begin at 9:30 Thanksgiving morning. As is the custom, the service will be about 30 minutes in length. The sermon on this occasion will be preached by Rev. Roman Reineck of Bethel Church. Light refreshments will be served following the service. Father Schlinkert and the other clergymen participating hope to see many of their Manchester parishioners and neighbors.

**Bicentennial Profits Designated**  
Representation from the Village of Manchester and the surrounding townships, met Tuesday, November 11, to decide where profits from our Bicentennial should be used.  
After some discussion it was decided that any money we earned would be donated for the development of Chi-Bro Park. Chi-Bro Park is a name given to the land behind the water tower in the Village of Manchester. This land was recently purchased by the Chicken Broil Committee to be developed for public use. The Committee decided this was our wisest choice, since any amount of money we were able to donate would be appreciated and put to good use.  
We also discussed the fact that we will have a Bicentennial Store opening soon. Watch for the announcement of our Grand Opening and start the celebration.  
Continued on Page 7.

## Flowers In The Snow?

Looking forward to a colorful Spring, the fourth graders at Klager planted tulip bulbs around the flag pole this week.

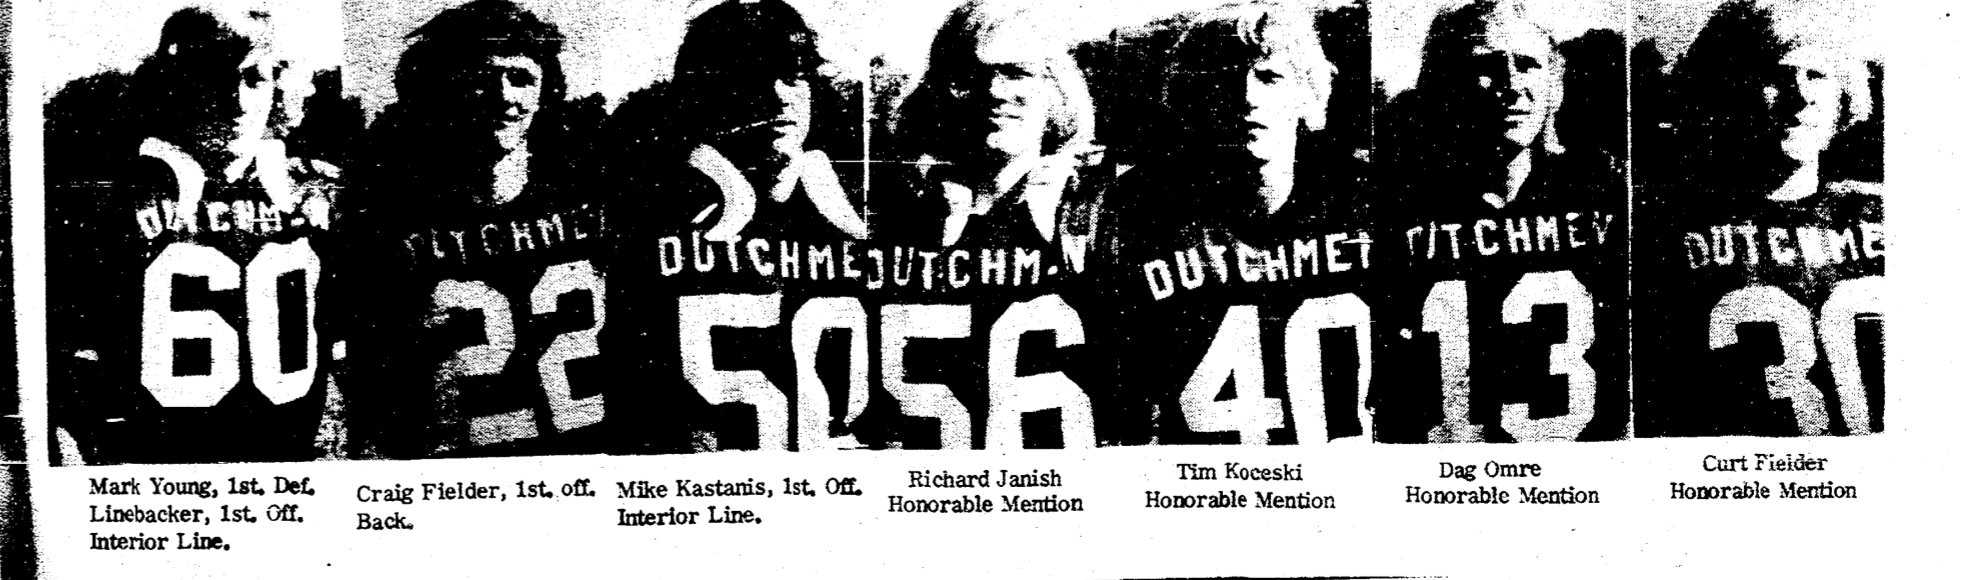

The tulips were ordered from Holland, Michigan where the 4th grades go for an annual Spring trip.

**TUESDAY NIGHT SINGLES**  
The Tuesday Night Singles Club will be having a dance this Tuesday, November 25, at the Briarwood Community Room, Briarwood Shopping Center. The band this week will be Archie Beyer. The dance starts at 9 to 12 midnight and is for single, widowed, or divorced adults over 25.

**NOTICE**  
Due to the Thanksgiving holiday and early publication of the Enterprise, all display advertisement must be in by noon Saturday, November 22. Deadlines for news and classified will be Monday noon, November 24.

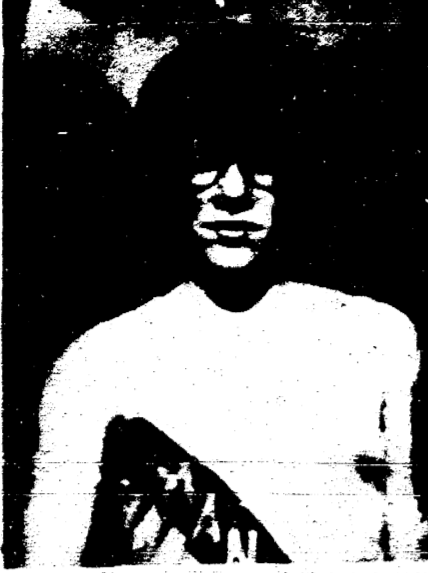

## Members of The LCAA 1975 Football Team

Dan Heslip - "Coachs Award" winner.

Keith Moore - "Most Improved"

Jerry Miller - "Most Humorous"

Bob Smith - "Most Valuable" award winner.

Kurt Norgaard - "Most Promising"

ing gave him first place in the Manchester Invitational and set a new sophomore class record.

The "Most Promising Freshman" award went to Kurt Norgaard. Norgaard was the only flying Dutchman runner to run in every race this fall, and he also broke Bob Smith's two year old freshman class record, with a strong 16:53 clocking.

The "Most Humorous" award went to Jerry Miller, whose antics kept the team laughing all season.

The final award, "The Coach's Award" was given to Dan Heslip who set a new Junior class record with a strong 16:19 clocking good for 4th place in this year's L.C.A.A. League meet.

Bob Smith put in over 1,000 miles of running this summer and fall and along with Tom Guenther they are the only Dutch cross-country runners in this select club. Bob set the high school record with a 1,111 total this year, his second straight thousand mile total.

The Dutch hill and dalers had their finest dual meet season this past fall as they were 9-1 losing only to the Number one rated team in the state, Addison.

CROSS-COUNTRY AWARDS PRESENTED

At a special awards banquet given by the parents of this years Manchester High cross-country team, the different achievement awards were presented, this past Monday.

The highest team award, "The Most Valuable Runner", went to Junior, Bob Smith. Smith won 5 dual meet first places this season and was the number one runner on the team most of the season.

The "Most Improved Runner," award went to sophomore, Keith Moore. Moore improved his best time from 19:02 a year ago to 16:23 this season. His 16:23 clock-

ing gave him first place in the Manchester Invitational and set a new sophomore class record.

ing gave him first place in the Manchester Invitational and set a new sophomore class record.

"The world we live in today is merely a stepping stone to tomorrow, with countless challenging questions left for scientists and engineers to answer." That message of opportunity was pre-

sented to local students when General Motors national assembly program, Previews of Progress, appeared at Manchester High School, Thursday, November 13, 1975. The non-commercial show seeks to

encourage more student interest in science, engineering, and related vocational careers. It was presented live and in non-technical language by General Motors lecturers.

The GM representatives also explained the Moon Rover. This model of an unmanned lunar roving vehicle shows one method of harnessing the tremendous energy in sunlight. Photovoltaic cells on the 15 inch model convert the light from a 300 watt light bulb into electrical energy.

KURT NORGAARD WINS TROPHY IN 10,000 METER RUN

Manchester High Freshman Kurt Norgaard running in the 14 and under division of a 10,000 meter run (6.25 miles) put on mile Sauk Valley sports, finished a strong 2nd in that division with a 36:10 clocking.

Kurt received a handsome trophy for his fine race that had runners entered from Toledo, Ann Arbor, Jackson, Lansing and other local communities.

Sophomore Keith Moore also ran the race and finished 7th in the 14 and under division with a 39:34 time.

VARSITY GIRLS WIN TWO - JV'S DROP

By Jon Hardenbergh

On Tuesday the Dutch girls trekked to Grass Lake to face the Warriors. The first and third periods belonged to the Warriors as the second and final periods were Manchester's. Grass Lake

held a slim 1 point advantage after the first period, 12-13 but the Dutch recaptured the lead to be up 7 at halftime 24-17. The battle see-sawed and the Warriors came out ahead after 3 periods 31-33, but Manchester put it together in the last period to be victorious 49-46. Jeri Walz was leading scorer popping for 14 points while teammate Bev Eggleston followed closely with 12 points. Cathy Niehaus contributed 10 points and Bev was the leading board crasher. The JV's lost a close one 27-29.

I don't usually attend away games, but Friday when Manchester invaded Morenci both teams were locked in first place in the L.C.A.A., so I went. What I saw was exciting...The Dutch took it right to the Bulldogs and at the 4:02 mark, Morenci called time to regroup being on the short end of an 8-4 tally. Pull together they did as they ran off 9 unanswered points in taking a 19-10 advantage. In the second period Manchester showed Morenci a thing or two as they played stifling defense to cause numerous Bulldog turnovers. The Dutch girls toughed back from the 9 point deficit to go into the locker room even 31-31. In the third period I witnessed Manchester grabbing the lead and holding for dear life. At the end of three periods the Dutch had a 3 point edge 42-39. It appeared Manchester might coast home as they assumed a 9 point advantage but the Bulldogs came roaring back to pull within 1 point 54-53 with 16 seconds left. A Bulldog then fouled

# COUNCIL PROCEEDINGS

October 20, 1975

Malinda Hudkins with less than 10 seconds left. So she stepped to the charity line to shoot one and one. She knew if she missed Morenci would have 8 seconds to win the game provided they got a basket. Make one and we're sure of a tie if Morenci scores or sink both and Manchester will win. Well the shot was air-born, it hit the back of the iron, hit the front of the rim then fell thru the net. Malinda missed the next shot but Morenci's final second shot hit the back of the backboard so the Dutch took sole possession of first place 55-53. Jeri led the Dutch scorers hitting for 15 points, as Bev, Malinda and Cathy dropped in 9 points each. Manchester shot 40% from the floor which is their best this season. The JV's fell 42-51.

The Dutch girls play their first District Tournament game Thursday, November 20 at 8:30 p.m. at Clinton High School. Their opponent will be the Panthers from Addison with the winner meeting Onsted, November 24 at 8:30 also in Clinton.

72 STRAIGHT!

By Jon Hardenbergh

Yes, our league-mates from Hudson won their 72nd straight football contest to become the winningest prep school in history. They did this last Saturday as they leveled Kalamazoo Hackett 24-14 in the semi final leg of the state tournament. This Saturday the Tigers travel to Mr. Pleasant to Central Michigan's Perry Short Stadium in hopes of number 73 and a state championship over Ishpeming. Ishpeming beat Portland 32-6 earning the right to face Hudson. GO GET EM TIGERS.

Council met in regular session with the meeting called to order by Pres. Little at 7:30 p.m. Present were Curley, Daniels, Fitzgerald, Mahony and Zsenyuk; absent Beal, Mann and Scully. Minutes from the October 6 meeting were read and approved in a motion by Mahony, supported by Curley. All yeas, carried.

Curley advised council that he had received unofficial word of grant money being awarded for Chi-Bro Park. However, official notification is not out yet. Curley also advised Council that the plumbing has been installed at Kirk Park.

Little presented Council with the resignation of Charles Cresswell as Village Planning Commission Chairman, which has been received with regret. non Whittington will advise Council of the Commission's choice of a new chairman.

Mahony discussed the type of work Layne Northern has proposed for the East Will. He felt that it was a much more extensive project than any of the prior work. However, it should result in the screen having to be cleaned once in maybe three years rather than every year.

Fitzgerald reported on Public Works activities. A gate has been installed at the landfill site. A broken hydrant on South Macomb Street was replaced. Leaf pickup has been scheduled for October 24 and 31. Daniels attended a meeting at which Representative Carr informed city and village officials of the great possibility that Federal Revenue Sharing will be discontinued unless people can persuade the

government of the good being done with the monies. Sidewalk construction notices have been mailed and work will be begun as soon as sufficient affirmative replies are received. Village Parks have been raked during the past two weeks.

The pickup bid was awarded to Tiro Chevrolet who was low by \$11, as well as promising the earliest delivery, according to the Public Works Committee who received the bids.

Moved by Mahony, supported by Fitzgerald to adjourn at 8:30 p.m. All yeas, carried.

Mary H. Wheeler, clerk

November 3, 1975

Council met in regular session with the meeting called to order by Pres. Little at 7:09 p.m. Present were Beal, Curley, Daniels, Fitzgerald, Mahony, Mann and Zsenyuk. Absent was Scully. Minutes from the October 20, 1975 regular meetings were read and approved in a motion by Fitzgerald, supported by Curley. All yeas, carried.

Norm Walz questioned how a contractor could take out a permit for new home construction without a contractor's license. He maintained that the home could not be considered for the man's own use as a homeowner since he had already built one and sold it without living in the structure for one year, as allegedly

is required by state law. Fitzgerald assured Mr. Walz that Council would check on the state law, what it requires and what the Village Attorney would recommend. Walz stated that Washenaw County requires the owner to live in the house for one year after the final inspection has been made. Beal was asked to check on the matter.

Fitzgerald listed activities for the previous two weeks. Layne Northern has been scheduled to begin work on the East Well next week. A stock pile of salt for winter use has been located in the public works yard. Sand has also been stockpiled for ice control. The downtown parks have been raked and the leaves hauled away. Some sidewalks are ready for pouring. Drying beds at the sewage plant have been cleaned. Leaf pickup has been carried out for the previous two weeks of all bagged leaves placed at curbside. Further information was gathered regarding a type of fencing for Carr Park.

Discussion ensued over the proposed fencing of Carr Park; moved by Mann, supported by Mahony to place wooden posts across the front of Carr Park to eliminate the problem rather than conventional fencing. All yeas, carried.

Fitzgerald reported that an individual was interested in purchasing property owned by the Village on Lafayette Street. Records showed that the last time the property was put up for bid was in March, 1970, with \$4,000 set as minimum bid. Fitzgerald agreed to check further on the possibility of letting the property out for

## JOLLY FARMERETTES NEWS

The October meeting of the Jolly Farmerettes 4-H Club was called to order by President, Joyce Schwab. Flag pledges were led by Terri Scully. Roll call was your favorite holiday, 37 members, 7 leaders, and 3 guests were present.

Held Dreshch read a letter from Beverly Chadwick complimenting our clubs National 4-H Week display.

Under committee reports Cathy Wheeler

reported on EMU Expo. Julie England thanked those who helped with our Halloween Party which was a great success. Jane Walter reminded us to bring our Christmas gift for the children in the hospital to the next meeting. The price of the gift is to range from \$1.00 to \$1.50. It should be labeled as to if it is for a boy or girl, the age group it is suitable for and on another piece of paper, what it is. Remember to make sure the gift is suitable for a child in the

hospital. One club will distribute Sunshine Boxes to local shut-ins on December 13 at 1:00. Suggestions of who to give these to should be given to Sharron Voegding, chairman. More information at next meeting.

In the leaders report we were given our winter project leaders and told that the refreshment committee will also be the clean-up committee.

Demonstrations were given by Tracy Stanbridge, Colleen Scully and leaders

Margaret Kemner and Mary Lowery. Refreshments were served and the meeting adjourned.

Thursday, November 6, was 4-H Recognition Night at Wylie School, Dexter. Those receiving county medals from our club were Clothing, Julie England and Jean Ann Wahl, Horticulture, Jean Ann Wahl. Joanne Kasst received a citizenship Short Course Certificate and two county Tri-Awards in bread and home environment.

## YOUTH FOR UNDERSTANDING BICENTENNIAL COURIER PROJECT

costs which the students will be responsible for are their passport fees and personal spending money.

During the last week of October, every high school Social Studies Department office received a packet of information with details about the essay competition and the "Bicentennial Courier" project. Students are advised to contact their high school's Social Studies office at this time. Youth for Understanding is a non-profit educational organization which cooperates with and receives an annual grant from the U.S. State Department. Since its inception in 1951, YFU has made it possible for 50,000 American foreign high school students to have an overseas living experience. The International headquarters of the organization is in Ann Arbor, Michigan.

Information about the "Bicentennial Courier" project can be obtained by contacting Richard Posthumus, State Coordinator, 805 Stoddard Bldg., Lansing, Michigan 48933.

BROOKLYN Weatherwax Rexall Drug

Alpha Trivette (left) National President of the Future Farmers of America presents the American Farmer Degree to Walter Horodecny of Manchester.

Walter Horodecny of Manchester received the American Farmer Degree today at special ceremonies held during the 48th National Convention of the Future Farmers of America, in Kansas City, Mo. He was one of 703 FFA members selected to receive the American Farmer Degree, highest degree of membership in the FFA. As a holder of the American Farmer Degree, he joins a select group representing about one percent of all FFA members.

Walter is the son of Mr. and Mrs. Horodecny of Manchester. Walter is married and lives at 1824 Bethel Church Road.

The American Farmer Degree is presented only by the National Organization of the Future Farmers of America to members who have demonstrated exceptional agricultural and leadership ability. State

FFA Associations are permitted to submit candidates for the American Farmer Degree based on total FFA membership in the state. The 703 members awarded the American Farmer Degree represent the highest achievement of more than 485,000 FFA members now enrolled in the nation's 7,838 high school vocational agriculture departments.

### THIS LITTLE PIG STAYED HOME

Whether it's over a campfire, on the kitchen stove, or in your favorite restaurant—there's something about the sound and smell of bacon cooking that makes us feel good inside. It creates a sense of well-being and warmth, making you a beneficiary of the Good Life. If you're old enough, perhaps it brings back memories of burrowing deep under the covers for one more glorious minute while the tantalizing sizzle and aroma of frying bacon wafted its way from the warm kitchen up the stairs to your cold bedroom.

It's one more of our American Traditions which is being threatened by fear and government's eagerness to "protect" the public. Bacon causes cancer, somebody in Washington implied, and the scare was transmitted by the news wires throughout the land. Prematurely, people mourned the loss of their favorite breakfast and the good old B.L.T.

Dry your tears, America! The truth is—for a human being to run any risk from eating bacon, he would have to eat 46,000

pounds per day, for the rest of his life! The scare started when an official from the USDA declared that the meat industry would have to remove nitrosamines from bacon or the government would take action so that the product as we know it would no longer be available. Nitrate is used in bacon to fix its color and provide its cured flavor—but, most important, it's used to prevent botulism. And it's botulism which is the real public health hazard.

Without government intervention, the meat industry has already reduced the general level of residual nitrates by 70% over the last two years. It has spent hundreds of thousands of dollars in research to reduce it even further.

With government intervention—and the inconsistencies, confusion, and misstatements that are characteristic of its complex layers of authority and responsibilities—the results could be catastrophic to an important industry. The little pig destined for market might have to stay home, and soon there would be none.

Let's be realistic: if you consumed 46,000 pounds of anything per day, you'd be in trouble. So relax and enjoy your bacon. Hopefully, it's one American tradition you can keep.

### SATURDAY NIGHT SINGLES

The Saturday Night Singles Club will have a dance Saturday, November 22, at the Ann Arbor "Y". It starts at 9 to 12 midnight. The dance is for single, widowed or divorced adults over 25.

# Retire Rich.

Ask us about our new savings plan that lets you defer taxes while you build your own retirement fund.

Thanks to an act of Congress, anyone not under another pension plan can now start his own—and retire rich. It's called an Individual Retirement Account—an I.R.A. You can contribute 15% of your annual salary to it each year, up to \$1,500 tax deferred. And you won't pay any taxes on that money until your retirement, when you're in a lower tax bracket. Ask us for details about starting an Individual Retirement Account. Start making sure your golden years really are golden.

## COUNCIL PROCEEDINGS

bids again. Zsenyuk presented the police report for October 1975. Police runs: 40, Persons Investigated: 252, Vehicles Investigated: 122, Warnings: 86, Complaints: 21, Traffic Violations: 12, Open Door 1, MDOP 2, Civil Dispute 3, Confiscated property 1, Reckless driving 1, VSCA 2, Missing person 2, Missing dog 1, damage to vehicle 1, fire & damage 1, larc. or lost vehicle plate 1, larc. from bldg. 1, larc. from auto 1, injured person 2, rec'd stolen & concealed goods 1, excessive noise 1, no oper lic, o/p 1, careless driving 1, del. equip. 1, failure to stop 1, speeding 7, accidents: 7, County assistance: 4, parking violations 7, Arrests: 3, VSCA 2, rec'd stolen and concealed goods 1. Zsenyuk read a citation for excellent police work done by Officer Murray in the Osborne case. Zsenyuk discussed a problem related to the parking in the vicinity of the Fire Hall. It was suggested that he talk with the individuals in the area of the Fire Hall requesting that the parking on the street be limited to a reasonable amount of time during the business day. Mahony discussed the financial report for October and asked for inputs toward budgeting for the next fiscal year. It was suggested that the Village budget to replace ten hydrants a year beginning with the next fiscal year. Moved by Mahony, supported by Fitzgerald to approve payment of vouchers as listed: All years, carried.

# THE MANCHESTER ENTERPRISE

109TH YEAR VOLUME NO. 4 15 CENTS PER COPY THURSDAY, NOVEMBER 27, 1975

## Optimist Club Outstanding Student

Carol Blumenauer daughter of Mr. and Mrs. Willard Blumenauer of 10833 Parr Road and a sophomore at Manchester High School, is the Optimist Club's Outstanding Citizen for November.

## Through The Eyes Of The Critics

By Anita Bruder

The auditorium is blackened and one is venerated nightless. The ooahs and aahs that normally accompany the darkness were over powered by the element of surprise. Glass objects are broken and amongst the sounds of struggle the audience is held captive in "Wait Until Dark."

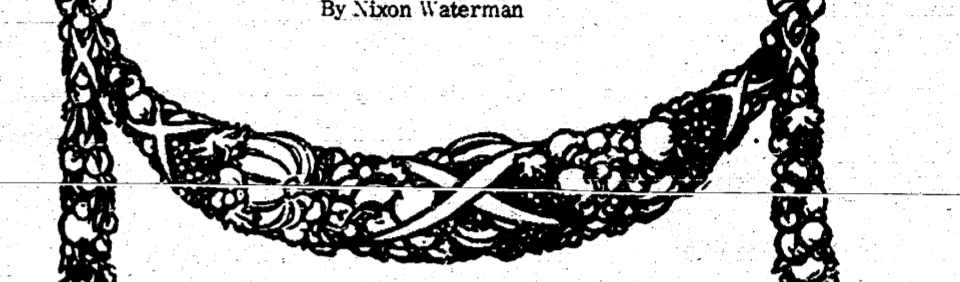

Impressive performances were given by Jane Schable as Susy and by Rollic Litteral as float. Miss Schable's portrayal of the blind protagonist was impressive. She was able to display plausibility and contrasting emotions without depending on eye contact. Rollic Litteral's role expressed in a monotone served to illustrate Roat's shallowness. In Mr. Litteral's case, his age and voice did not detract from his performance, but served to enhance the role.

The 3rd act was the best segment of the play. In Thursday night's performance, Karen Campbell as Gloria shone in the 3rd act. At this point in the play the cast was warmed up to the audience and the apprehensiveness which accompanies opening night was displaced by the involvement and team work of the cast and crew. Before the 3rd act, lighting cues weren't picked up as readily. The foresight needed to anticipate the sticking curtain was absent. Because of this, a dependency upon the cast's ability to adlib and maintain the audiences attention was developed. A certain roughness was experienced which detracted somewhat from the overall performance.

Overall, the young cast and crew did very well. Despite the mellowing out that age and experience would have lent to the performance, a crispness and zeal of a team that worked together and grew together came through.

By Jon Hardenbergh

## OUR NATIONAL BIRD

By Nixon Waterman

Hurrah, hup-hurrah! for the noble old bird  
We've enshrined on the shield of our nation!  
Our bosoms with lofty emotions are stirred  
When we think of that feathered creation.  
But along when the winter comes darking the sky  
And the heavens with snowflakes are murky,  
Forgetting the eagle and Fourth of July,  
We think of Thanksgiving and turkey.

The eagle, proud bird! may he soar round and round  
As he mounts up still higher and higher!  
While the turkey, we trust, will still roost near the ground.  
Within reach when occasions require,  
For we're sure there is none who will care to deny,  
In the name of good cheer and good living,  
That the eagle's all right for the Fourth of July,  
But the turkey's the bird for Thanksgiving.  
The Sunday Magazine

## Thanksgiving Day The Oldest of Our Holidays

Far away as are our lives from those of the little band of colonists of Massachusetts Bay who reverently established a day of thanksgiving for mercies which to us seem no more than the commonplace of a meagre existence, the spirit of the occasion survives.

Through all the vicissitudes of our national development, Thanksgiving day has been preserved as peculiarly the New England memorial. For generations it had a sectional observance and a limited significance. It was not until the white heat of the civil war fused our people of all sections into a nation homogeneous, that the New England Thanksgiving was made that of the whole country.

Since the first proclamation by the president, calling for the observance of a day of thanks for the preservation of the union of the states, the custom has been maintained; the generation of today knows it in this character alone.

This is the oldest of our holidays. In the early times of sectarian intolerance, when church and state were joined in the rule of Massachusetts, there was no Christmas under the law. Observance of the natal day of the Prince of Peace was discouraged, if not absolutely prohibited, by harsh enactments. But the recognition of the day of thanksgiving was enjoined as a religious as well as a civic obligation.

All this is changed in the growth of our people, our commonwealth, our nation, to the stature which we see today. Our whole people unite in the giving of thanks; and if the religious element is given less prominence in the forms with which the day is observed, in the hearts of all there is a no less reverent gratitude for the benefactions with which the Power which rules the universe has crowned the life of people and of individuals in this happy age.

We must be glad, every one of us, that we live today. The condition of humanity

## Community Chest Exceeds Goal

The Manchester Community Chest ended its 1975 United Fund drive with 19,085.00 in cash and pledged contributions. This represents \$328,000 over goal of \$18,415.00.

This achievement was made possible by a combination of hard working Community Chest volunteers, mainly the door to door solicitors and the citizens who either reside or work in the Manchester Community who so generously contributed. Considering this year's economic climate, the citizens from Manchester, Bridgewater, Freedom and Pleasant Lake and Sharon can feel very proud of this achievement.

I want to thank everyone who helped make it all possible.  
Robert G. Lawson  
Campaign Chairman  
Manchester Community Chest
