## Welcome To 1976 Bicentennial

...to 1976. Did everyone get asked for under the tree? The season is often loaded with emotions, sometimes surprises. The form of wondering which project will get started on the holiday. There is something being free of ordinary work for a few days, combined with what appears to be a tolerably tidy home that stimu-lates a sudden spurt of energy toward ideas that have been brew-ing. We have cleaned basements, re-moved an odd carpet, built a closet, a glorious year tore out a whole enlarge the kitchen, all on the as eve. The year of the demoli-tion the kitchen wall was truly an eye -- the lathe was dumped in the yard, the two by four studding from all was a hundred years old and to be burned for it was so hard nails bent and saws broke trying to good use of it. The truly lovely of the plaster dust spreading about the house and settling slowly in the woodwork and furniture and coating the green tree was one measure for a lifetime. Certainly it said that I have never been able to do it.

...precise moment a tornado hit and took the roof off the house, dropped a tree in the room and damaged nearly every-thing, but our hero, standing by the up-right piano, was unharmed. The girls still talk of the day they found Uncle Perry standing amid devastation with one strip of wallpaper in his hands, saying "But I have only one sheet left."

...For those of you who are interested in helping with our Bicentennial Cele-bration, listed below are the Division Chairmen and a brief sketch of what their division will be doing.  
Revenue Division - Bob Lawson, Chair-man - Historical booklet, merchandising of novelties, plate sales, coin distribution.  
Women's Participation - Judy Mann, Chairwoman - Forming "Belles" Chapter. Distribution of bonnets, merchandising, mailing, phone call crew, motorcade car-avans planning and follow-through.  
Men's Participation - Dick Wolf, chair-man - Forming "Brush" Chapter, distri-bution of hats, ties, merchandising, mail-ing, phone call crew, motorcade caravans planning and follow-through.  
Ticket Division - Liz Beuerle, Chair-woman - Queen contest committee, print-ing of tickets, box office, seating, distri-bution.  
Show Division - Elvira Vogel, Chair-woman - Cast committee, stagemanag-ing, properties collection, supervision during show, costumes, distribution and care, backstage work on props, curtains, elec-trical, lighting, narrators, actors.  
Publicity Division - Debbie Gilbert, Chairwoman - Gathering and writing, pic-tures, distribution of flyers, special pro-

...jects.  
Special Events Division - Clarence Fielder, Ted Stantz, Gene Gentschneider, Chairmen - Planning and executing events

### March of Dimes Special Event

The Manchester March of Dimes has some SPECIAL EVENTS coming up. On Monday, January 12, 1976 Donat Time, U.S.A. will again donate the money taken in for coffee on that day to the March of Dimes.  
This year, our 50/50 drawing will be sponsored by Gambles of Manchester. Tickets will be sold and the winner will receive \$50.00 worth of merchandise of their choice at the Gambles Store.  
Other Special Events coming up will be Balloon Day Sale and the March of Dimes Button Day.  
Our teen age citizens will be spoosoring several different events within the next few months. These tentatively will include a play, box social auction, car wash, bake sale and a walk-a-thon, the latter in keeping with the bi-centennial theme. There will be more details about Special Events later, so watch this news- paper for further details.

#### SCHOOL OF INSTRUCTION

Mrs. Beatrice M. Dole, Worthy Grand Matron of the Grand Chapter of Michigan, Order of the Eastern Star held a School Of Instruction for Manchester Chapter #101, on Saturday, January 3rd. Seventeen officers, members and guests from Jackson, Highland Park, Saline, Grass Lake, and Napoleon were present. We are sure those in attendance learned much to help make their meetings and ceremonies more impressive.

The Worthy Grand Matron was very gracious to all and stayed to enjoy refreshments with us. She was given an honorary membership in Manchester Chapter.

Our next Chapter meeting is Wednesday evening, January 7th.

## COUNCIL PROCEEDINGS

December 15, 1975

Council met in regular session with the meeting called to order by Pres. Little at 7:03 p.m. Present were Beal, Curley, Daniels, Fitzgerald, Mann, Scully and Zsenyuk; absent Mahony and Wheeler. Minutes from the December 1, 1975 regular meeting were read and approved in a motion by Fitzgerald, supported by Scully. All yeas, carried.

Three guests from the University of Michigan, Scott Jacobs, Mark Sebald, and Gerard Oving, were present with a slide presentation concerning the architectural assets of Manchester which pointed out the current landscape architecture, buildings, approaches to downtown and possibilities for future architectural considerations. Discussion followed with recommendations made for awnings in the downtown area, continuation of the "Turn of the Century Theme" in the signs used, as well as the possible replacement of buildings once in existence years ago.

Steve Jones, Assistant Pastor of Emanuel Church, requested suggestions from Council on worthwhile projects for the church's Young Adult Group to take on. Council recommended that the elderly people's needs be considered. Sidewalk help, and meals on wheels were suggested. Chief Zsenyuk also indicated there is a need for people to take in young people under the age of 16 for a few days while foster homes are being obtained.

Fitzgerald indicated that the PW should be checking into the procurement of a backhoe or a paver. He recommended that a letter of appreciation be sent to Ed Rickleman for the help rendered in

repairing a main. Chief Zsenyuk advised Council that Michigan Bell Telephone would erect a pay phone on the northeast side of the Main Street Bridge. If malicious destruction occurs the Village must stank the cost of it or remove the phone. Zsenyuk also noted that a CPR Heart Massage and Basic First Aid Course will be available from the Red Cross beginning in January.

Beal listed permits: Ed Rickleman, Building; David Jose, Electrical. Costs for police protection for townships were discussed in light of the recent decision to revoke free police protection to the four townships.

Moved by Mann, supported by Curley to approve the appointment of William Broczek as Chairman of the Manchester Village Planning Commission. All yeas, carried.

The relayed request of Tom Marshall for rezoning of certain property from residential to commercial was discussed with no action taken.

Possible disparities in the Manchester Village Zoning Ordinance were discussed relative to the 1966 Grandfather Clause. Legal advice will be sought.

Moved by Scully, supported by Fitzgerald to adjourn at 10:45 p.m. All yeas, carried.

Donald H. Wheeler, Acting Clerk

THE BICENTENNIAL: A BANG OR A FIZZLE

It is here, 1976 has finally arrived. It is doubtful that any conscious American is unaware of the fact that this is the nation's Bicentennial year.

What has been questioned is whether the population will not have suffered from Bicentennial overkill to the point that July 4, 1976 could arrive with a fizzle rather than the bang it truly deserves.

As with the commercialization of Christmas, the commercialization of the Bicentennial has been deplored from any quarters. "Why can't we have a more tasteful celebration minus all the garishness," some wonder. "Must we really put up with Bicentennial whoopee cushion," others complain.

Actually, we must put up with such commercialization if we are to remain the beacon of freedom that startled the world 200 years ago.

Unless we want government planners to tell us what is and is not proper or tasteful, we need to accept the fact that in a free society of 200 million people there will always be a wide range of ideas on how to celebrate anything.

And as for Halloween, Christmas decorations and Bill Haley and His Comets singing "Rock Around the Clock" for two months can never obscure the real meaning of Christmas—the true Christian, bathroom rock playing "Yankee Doodle" should not keep the true American from recognizing July 4, 1976 as the great occasion that it is.

There are plenty of fresh Michigan apples in the marketplace, with prices lower than a year ago, according to Marketing officials of the Michigan Department of Agriculture. Size and quality are excellent for most varieties.

The state's total apple production for 1975 at 720 million pounds is up seven percent from a year earlier. Michigan is third nationally in apple production but first among the states in production of Jonathans, Northern Spys and Wealthies. Apples are ideal for cooking, too. You can make many delicious foods, from appetizers and thrifty casseroles to fancy salads and mouth-watering desserts. Stretch meatloaf and get a delightful new flavor by adding chopped apples. Preparing chicken stew? Make it something special by tossing chopped apples into the pot during the last half hour of cooking time.

Baked apples make great desserts but think of them for economical main dishes. Core apples, scoop out pulp and combine with seasoned sausage meat, sauerkraut, spiced up canned hash or baked beans. Stuff apple shells, top with grated cheese or bread crumbs, if desired, and bake at oven temperatures of 350 to 375 degrees.

In salads there are countless recipes featuring apples, the most popular being the Waldorf, which is made of diced apples, celery and walnuts. Apples, celery and cheese, or apples and diced ham are also good combinations. Don't hesitate to toss thin sliced apples into that vegetable salad bowl. Use apples in gelatin molds and as garnishes for most any dish. Add flavor and color to potato

and macaroni salads with apples. When storing apples in your refrigerator, place them in a crisper or plastic bag punched with holes for ventilation. Many Michigan apples come conveniently packaged that way when you buy several pounds.

#### GI BILL

Veterans who plan to begin training under the GI Bill for the first time this winter should act promptly if they want advance payment of their educational checks, the Veterans Administration said today.

Advance payment of GI Bill checks was authorized in 1973 to assist veterans who find themselves in temporary financial difficulty while awaiting their initial VA checks.

A record 2,691,566 persons trained under the GI Bill during fiscal year 1975 and the VA estimates the number will exceed three million persons in the current fiscal year.

In fiscal year 1975, VA made 736,500 advance payments totalling \$588.1 million.

VA officials explained that if the agency receives enrollment certification from the school at least 30 days before the school's registration date, veterans who train half

time or more may pick up their first check when they register for classes. The initial check will cover training allowances for the first two months, or for one month and a portion of the second, depending upon the registration date. The VA said a veteran who plans to enter school should make certain he has a certificate of eligibility. If he does not, one should be obtained from the nearest VA office.

The certificate must be presented to the school of the veteran's choice. If the veteran is accepted, the school will forward the certificate and its enrollment certification to the VA.

Under current GI Bill rates, a single veteran in school full time receives \$270 monthly. Veterans with one dependent draw \$321 monthly, with two dependents \$366, and those with three or more dependents receive an additional \$22 a month for each dependent over two.

Half time rates are \$135 monthly for single veterans and \$160 monthly for those with one dependent. A veteran with two dependents receives \$182 monthly and those with three or more dependents receive an additional \$11 monthly for each dependent over two.

## 10 REASONS Why I Had Surgery

1. It felt so good.
2. My scars are something to be admired.
3. All my friends were doing it.
4. The doctor had an opening that week.
5. My body can get along without those parts for awhile.
6. It made me incomplete.
7. I never have to worry about trouble with that part again.
8. Hospitals are such pleasant places to visit.
9. The surgeon needed the money.
10. Blue Cross paid the bill.

These reasons are not humorous; they're frightening! Having confidence in surgery is ridiculous. The only thing that surgery can do is remove an organ or part of the body. This should not be a "method of choice" but a last resort, when all else has failed. Secondly, when vital parts of this body and life itself are at stake more than one doctor should always be consulted. Lastly, no sincere, competent surgeon would ever allow a patient to talk him into doing an operation. We are dealing with the lives and the health of human beings, not replaceable automobile parts. Chiropractors recognize that there may be a need for surgery but everything else should be tried first, especially chiropractic adjustments. Chiropractic puts nothing into the body or takes anything out but works with the body's ability to heal itself. If the body is past the point of healing itself, then medicine can be tried and lastly, as a desperation measure surgery.

Most important is the fact that chiropractic can prevent the necessity for surgery. By keeping the nerve energy flowing to every part of the body, every organ and tissue will be as healthy as possible. A healthy body does not need surgery.

## Bicentennial Cherry Buns

Fresh baked buns can create a feeling of warmth and hospitality for family and guests alike. This versatile recipe for Cherry Buns serves all occasions—breakfast, lunch or dinner—plus hailing our first President, George Washington, and the delightful red tart cherry. Brighten your kitchen reputation with these Bicentennial Cherry Buns... made from unbleached flour for better flavor and texture.

- |                                 |   |
|---------------------------------|---|
| 1 No. 303 can red tart cherries | 1 package active dry yeast              |
| 1/2 cup sugar                   | 1/4 cup warm water                      |
| 2 tablespoons unbleached flour  | 1 cup milk, scalded                     |
| 1 tablespoon butter             | 1/2 cup shortening                      |
| Few drops red food coloring     | 1/2 cup sugar                           |
|                                 | 1 teaspoon salt                         |
|                                 | 1 egg                                   |
|                                 | 4 to 4 1/2 cups sifted unbleached flour |

Drain cherries thoroughly. Combine sugar and flour. Add cherries and cook until thick. Add butter and food coloring. Cool and reserve.

Soften yeast in warm water. Add hot milk to shortening, sugar and salt. Stir until shortening is melted; cool to lukewarm. Stir in 1 1/2 cups of the flour. Add softened yeast and egg; beat well. Stir in remaining flour or enough to make a soft dough. Cover and let rest 10 minutes. Knead on lightly floured surface until smooth, about 5 minutes. Place in a greased bowl; cover and let rise in a warm place until double in bulk, about 1 to 1 1/2 hours. Punch down; cover and let rest 10 minutes. Roll dough to slightly less than 1/2-inch thick. Cut with a 2 1/2-inch cutter. Place 2-inches apart on a lightly greased baking sheet. Cover and let rise until light, about 45 minutes. With fingers, press down center of buns; spoon in cherry filling. Bake at 375° about 15 minutes or until done. Makes about 1 1/2 dozen.

## TAMALE PIE—TODAY!

Why wait until mañana to try Tamale Pie? Make this Mexican-inspired main dish today. It takes so little time for so much flavor. Why, everyone from bambinos on up will take to the spicy ground beef, pork and bean and tomato filling. Cover with corn bread topping (begun authentically from scratch using enriched corn meal), leaving a peak-a-boo center. By the way, Tamale Pie today insures requests for it tomorrow, too!

**TAMALE PIE**  
Makes 8 servings

- |                               |  |
|-------------------------------|--|
| <b>Filling:</b>               | <b>Topping:</b>                                  |
| 1 1/2 lb. ground beef         | 1 cup enriched corn meal                         |
| 1/2 cup chopped onion         | 1/2 cup sifted all-purpose flour                 |
| 1/2 cup chopped green pepper  | 1 tablespoon sugar                               |
| One 6-oz. can tomato paste    | 2 teaspoons baking powder                        |
| One 8-oz. can tomato sauce    | 1/2 teaspoon salt                                |
| 1/2 cup water                 | 1 egg, beaten                                    |
| One 16-oz. can pork and beans | 1/2 cup milk                                     |
| 1 teaspoon salt               | 2 tablespoons vegetable oil or melted shortening |
| 2 teaspoons chili powder      |  |
| 1/2 teaspoon pepper           |  |
| Dash cayenne                  |  |

Heat oven to hot (425°F). For filling, brown beef in a large fry pan; drain. Add remaining filling ingredients; heat thoroughly. Pour into 2 1/2-qt. casserole.

For corn bread topping, sift together corn meal, flour, sugar, baking powder and salt. Add egg, milk and oil; stir just until ingredients are blended. Spoon and spread evenly over hot filling, leaving center open. Bake in preheated oven (425°F.) 20 to 25 minutes.

The Choralaires, 38 students from the Grand Rapids School of the Bible and Music, will present a musical concert at Faith Community Church on Sunday, January 11, 1976 at 7:00 p.m.

The Grand Rapids School of the Bible and Music is a technical training institute offering a concentrated education in the Word of God. Music is also a major emphasis at the school, and over 100 of the 640 students are involved in a weekly musical ministry.

The school's lovely campus provides excellent facilities for meaningful training. Rev. John Miles, the school's founder and president, has stated, "The unique character of the Bible Institute meets a burgeoning need in today's society. That need is to relate man to God in a positive manner as prescribed in the Holy Scriptures."

The music of the Choralaires is designed to fulfill that concept. Their director, Mrs. Donna Rose, has planned their repertoire to give a balanced program of hymns, gospel songs and spirituals that are conservative in arrangement but bright and pleasing in style.

The public is cordially invited to attend. There is no admission charge.

**FRESHMAN WIN ONE IN TOURNAMENT**

Arbor's basketball future is rosy as the Tappan Freshman Tournament was held in Manchester. Our own Manchester high crew Forzetta in the opening round on Friday, December 12th., and ran into answer to Kareem Abdul Jabbar, Elliott. Elliott completely dominated the rebounding and scoring as he had 21 rebounds and 31 points. The shorter Dan Rogers could only manage 35 points as the fall 62-35.

Rogers led the team with 8 points and 12 rebounds, while Ken Keasal and Rick Krzyzaniak both had 6 point nights and Keasal pulled down 12 rebounds.

Setting the scoring for the Dutchmen were Mike Lentz with 4 points, Steve Melcher and Brian Evans with 3 points, Randy Stidham and Bob King 2 points and Crumb 1 point.

Following Friday the Dutchmen were expected to have a better scoring attack but defensive lapses allowed Milan to take the lead.

Krzyzaniak led the Dutch attack with 11 points, and Bob King, 11 points. Rogers, 10 points also scored 12 rebounds. Completing the Freshman scoring for the night were Tom Tassie with 4 points, and Randy Stidham, Steve Melcher and Ken Keasal with 2 points a piece.

Saturday a shaken Dutchmen crew rebounded against Dexter in their home and took a slim 51-48 victory.

Clearly it was all Rick Krzyzaniak and the Dutchmen as he recorded his 3rd production of the season as he had 17 points on 9 field goals and 9

**free throws.**

Craig Rogers was the 2nd highest scorer for the afternoon with 6 points and Tom Tassie and Randy Stidham both had 4 point efforts.

Although Ken Keasal only tallied 3 points for the Manchester crew he was a Demon on the boards as he dominated both the offensive and defensive boards and pulled down a season high 21 rebounds.

The victory put the Dutchmen in the plus column for the season at 3-2.

**MANCHESTER TRACK CLUB OPENS INDOOR SEASON**

The 8th Annual Eastern Michigan University Holiday Indoor Track meet held this past Saturday at Bown Fieldhouse, opened the indoor track season for the Manchester track club and 2 fine early season performances were turned in.

Dan Clark placed 3rd in a strong high school division shot put field. Dan's 47'-5 1/2" effort bettered the Manchester high junior class record of 45'5" set in 1971 by Scott Limpert, but was short of Dan's best of last year of 51'.

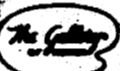

Freshman Kurt Norgaard although not placing in the open 2 mile race dominated by college runners, none-the-less ran a fine 11:08.1 in his first ever indoor race. The clocking betters, by one tenth of a second the Freshman record at the high school set in 1973 by Tom Opal.

Former Manchester High distance ace Phil Krzyzaniak also ran in the open 2 mile but didn't place.

**TAX CREDIT GIVES BREAK TO ALL TAXPAYERS**

Everyone who pays Federal income tax this year has at least one tax break coming. And it doesn't matter whether the taxpayer files a long Form 1040, or short Form 1040A, or how much the taxpayer earns.

The break is the personal exemption tax credit. Effective for only 1975, the credit amounts to \$30.00 for each regular exemption to which the taxpayer is entitled. However, individuals who claim additional exemptions because they are blind or are 65 years old or over, may claim one \$30 credit for themselves.

How does the credit work? Take a family with three children, for instance, Mr. and Mrs. Brown. They file a joint return. When completing their return, the Browns will count two exemptions for themselves, and one for each of their children, for a total of five exemptions. They will multiply the \$30 credit per

exemption by five to come up with the \$150 total credit that they'll write on the front of their tax return and subtract from their tax.

The new credit does not affect the \$750 allowed for each exemption when figuring taxable income. For example, the Browns will still multiply the \$750 by five and subtract \$3,750 from their income.

There's information on the personal exemption tax credit in the instructions for both the 1040 and 1040A tax packages.

Taxpayers who have questions about the personal exemption tax credit or other tax matters can visit local IRS offices or call toll free. Copies of free IRS publications may be obtained by using the convenient order blank contained in your tax package.

**Your Retirement why just wish... DO IT!**

The secret in getting a long range project underway is to begin it. A good example is a retirement program. It is never too early to begin this project.

Union Savings Bank has a retirement program for you. If you are working for someone else or are self employed, an INTERESTED banker will show you how you can build a secure and happy retirement.

Monies deposited in a special retirement program can be deducted from the funds upon which your income taxes are based. In other words, funds deposited in your retirement program, will earn you a tax refund. After you retire, funds withdrawn are subject to income tax, but will demand a much lower rate of tax, probably, than you are now paying.

Your retirement funds draw Union Savings' top interest rates, plus every cent deposited is insured to the maximum by F.D.I.C.

Now you know the story. The secret is beginning. So begin.

## Card of Thanks

We would like to express our gratitude for the many kindnesses which have been shown us since Erwin's accident and during our recent bereavement. Words cannot adequately thank all the wonderful friends, neighbors, and relatives who have made this sorrow easier to bear. Very special thanks to those who helped with transportation to the hospital and gave companionship and comfort there. The visits and prayers of Rev. Joe Wise and Rev. Steve Jones were a great help. Thanks also to Ron Jenter. The Erwin Buss Family

I would like to thank everyone for the holiday greetings and gifts of candy and fruit. Special thanks to the Jolly Farmettes, the United Methodist Women and the carol singers. Amelia Kemmer

## From Down Under

Mr. and Mrs. Allan Chambers and daughter Judith

is fantastic, I simply never would stay on the ground. Always we thought of snow, it was like that is, it would fall and disappear. It was gone, but when the snow fell, I complained, getting deeper and deeper. I kept running to the window. If it was still there."

Jill Chambers, visiting with husband Allan, and daughter, Judith, 16, at Albert Luckhardt's home at Pleasant Lake. Coming from Australia, Betty and her twins, and the sister and her twins separated by most of the world. An enormous distance gives visiting a special value, and the weather has been perfect for the whole family. The village of Cessnock, New South Wales is in a valley on the inside of the Tasmanian island from the coast and the temperature can range from freezing to 100 degrees, while the seasons are opposite ours. Christmas is hot and June is cold. But never have they had the lake freeze and the joy of skating. A new experience. The valley where this delightful family lives, lies in a vineyard section, where the finest Australian wines are produced, and while they are unknown here, they are considered to be some of the best wines in the world.

We had a lively conversation during which we agreed that while the parent languages of both countries is English, neither spoke as the English people do. We agreed that probably in England the variations in terms were interesting for while they play a Ringo game called small House, and young Judith quickly joining, was drawn into the conversation when we asked her to describe her school. She had visited Manchester High and was impressed with the frank and open relationship between the teachers and students. Life in Cessnock is very much restrained, the students wearing uniforms all through school, each one eliminating the need for an extensive wardrobe. The schools are in session longer with only a six week vacation and with holidays, only about two weeks of the year are not in class. Very polite and courteous students, with "yes sir" and "no sir" "please sir", and Judith was clear on her feeling that it would be very nice if one could feel free to approach a teacher and freely speak as to a problem. The students will leave Detroit on a plane to San Francisco where they

## Still Time To Join Adult Education Class

The following courses have been set and people may still join the classes by calling the High School Principal's office 428-7333.

Needlepoint will meet on Mondays at 7:30 p.m. in the Home Ec. Room.

Typing will meet on Tuesdays at 6:30 p.m. in the Typing Room.

Golf will meet on Mondays. The first meeting is on February 9 at 7:30 p.m. in the Emanuel Church Gym.

Standard First Aid and Personal Safety will be meeting on Mondays and Wednesdays starting on January 19 at 7:30 p.m. in the Study Auditorium.

The only agriculture course that will be taught is "Living on a Little Land." The first class meeting is scheduled for Thursday, January 22 at 7:30 p.m. in Room 104.

Bridge II will be taught on Wednesdays at 7:30 p.m. in the kitchen of the middle school. Contact Mr. Topping (428-7442) if interested in joining the group.

The school is still keeping registration open for sewing or tailoring and Women's Phys. Ed. If we get more applications, we will set a date for the classes.

## Bicentennial Calendar

On Saturday, January 24, 1976, the Manchester Bicentennial Committee and the Manchester Knights of Columbus are sponsoring a dance to kick-off the Bicentennial.

The dance is "A Bicentennial Ball," and will be held at the K of C Hall in Manchester. Luke Schadle's Band will play at the dance, which will run from 9:00 p.m. to 1:00 a.m.

A lunch will be served, mix and ice will be available, but we ask everyone to bring their own bottle.

Since it is so early in the year, we are not asking people to dress in colonial fashions; we anticipate mainly current, semi-formal attire.

Tickets are \$4.00 per person and are available from any Committee member. They will also be sold at the door. All proceeds from this dance will go toward Manchester area Bicentennial projects.

So, help us start America's Bicentennial party. Come to the K of C Hall on Saturday, January 24 at 9:00 p.m. See you there!

Gift certificates for Manchester's Commemorative Bicentennial Plate are still being sold. They match Manchester's Centennial Plate and sell for \$5.00 each. To purchase a gift certificate, contact Edna Knass, Liz Beuerle, Jacqueline Armentrout, or Mary Blossom.

Be sure and watch for "A Bicentennial Happening", April 23 and 24 at the Manchester High School.

The Bicentennial store will open on March 6. At that time we will have the Burying of the Blade and formation of Chapters.

We will be selecting a Bicentennial Queen, so be thinking of a lady over 50 to nominate.

## March of Dimes Drive Underway

On Wednesday, January 7, 1976 the Southwestern Area March of Dimes Kick-Off Dinner was held at the Knight's of Columbus Hall in Manchester. Jan Wiegand, Kick-Off Dinner Chairman, planned a lovely evening for all. Master of Ceremonies - Michael Alexander introduced David Wiegand, and Jason Alexander who started the pot luck dinner with grace. After a superb dinner Alice Rosette presented a large candy kiss to Carolyn Ahrens for her past years of service to the March of Dimes.

Guest speakers were Joan Perros, Chairwoman for the Washenaw County Chapter, Gail Weston, campaign chairwoman and Doris Gidycz, public education chairwoman who spoke of their plans and dreams for the March of Dimes. Also introduced were Lucine R. Litteral, area chairwoman, Alice Rosette, Mother's March chairwoman, Joyce Stein, Special events chairwoman, and Rolfe Litteral, teen chairman.

Unable to attend were Mary Kay Bailey, and Marilyn Mimsick, Business and Professional chairwomen, Jan Kora, Clubs and Organizations Chairwoman, Karen Merriman, teen chairwoman, Donald Tassie, Klager School representative, Marian Kime, Middle School Representative, and Chester Kocost, High School representative.

A very special thank you to the Knights of Columbus for the donation of their hall for the dinner and to the St. Mary's Altar Society for their check.

## Optimist Club Outstanding Student

Reno Feldkamp Optimist member, Malinda and her mother Mrs. Lavon Hudkins

Malinda Hudkins, a senior at Manchester High School and the daughter of Mrs. Lavon Hudkins of 327 South Macomb is the Optimist Club's Outstanding Citizen for December.

As a freshman, Malinda was a member of the Ecology Club, Girls J.V. Basketball team, and Girls Varsity Softball team.

In the 10th grade, Malinda was Vice-president of her class, was on the class ring committee, member of the Varsity Club, treasurer of the Ecology Club, on the girls basketball district championship team, on the league championship softball team earning all-league honorable mention. During this year she joined a group that bicycled to Cedar Point and back.

In the 11th grade, Malinda held membership in the student council, league student council, girls varsity basketball, Varsity Club, Woods and Water Club (went on the trip to Pigeon River State Forest), German Club (Trip to Germany) and President of the Ecology Club. In the summer Malinda went to a basketball camp at Albion College and a student council camp at Van Buren Youth Camp.

This year Malinda is president of the student council, Ecology Club, Softball team, on girls Co-league championship basketball team, made all-league first team, representative to Citizens Advisory Committee and the Board of Education, and worked with 4th, 5th, and 6th, grade girls basketball program last year and this year.

Malinda takes great pride in the accomplishments of the council-institution of Spirit Week, Cooperation with the Bicentennial Committee in promoting the Bicentennial Fair in April, Student Appeals Committee, worked on Human Growth and Development Course, Revision of Semester Exams, and generally helping to improve human relations in the school and community.

Malinda stands near the top in her class and has been accepted at M.S.U., pursuing the field of veterinary medicine. Congratulations!
