Once again it is time for the Annual Washtenaw County March of Dimes Radio Auction. This year the Auction is to be held on Saturday, January 31, 1976 from 10 a.m. to 9 p.m., in the Grand Court of Briarwood Shopping Center, Ann Arbor, Michigan.

Because of past contributions the Auction has become one of the highlights of the County March of Dimes Campaign. Last year a total of \$5,000.00.

As in the past, all items donated will be sold over radio. This will directly benefit the merchants through the publicity you will receive. We will be on WMAZ Radio, 1050 am and 107.1 fm on 107.1. Bids will be taken over six telephones by volunteers, and relayed to the listening audience until sold to the highest bidder.

If you wish to make a donation; merchandise; gift certificates; call 763-6161 or 428-8209 before January 28th. We will pick up donated articles and see that you personally will benefit from the advertisement.

Manchester Band Students To Attend District Festival

Several Band and Orchestra students are hard at work preparing instrumental solos, to be performed at the District Solo-Ensemble Festival. It will be held at Henry Ford Community College in Dearborn, Michigan. Grades 10, 11, and 12 will attend January 31, 1976, and those in grades 7, 8, and 9 on February 7, 1976.

From the Orchestra the following students plan to participate: Craig Rhoades, Teresa Seeger, Teresa Ames, Julie Moore, Belinda Grantham, Lori Gonyer and Cathy Tobias. Band members Karl Sauter, Fred Townsend, Paul Stancato, Jean Ann Wahl, Kurt Sauter, Karla Taurainen, Carl Townsend, Scott Barber, Tammy Rhoades and Cathy Moore will be performing. The judges award a rating of anywhere from 1 - 5 and those receiving a 1 or 2 will be awarded a medal for their efforts. The public is invited to attend and listen to many of the fine solos to be heard. It runs from 8:00 a.m. to 5:00 p.m. on both days.

The Michigan Youth Symphony, sponsored by The Band and Orchestra Boosters of Manchester, will be coming to Manchester on Sunday, February 22, 1976 to present a concert. It will be in the High School Gym, beginning at 3:00 p.m. Price of admission is \$1.50 for adults, \$1.00 for students and senior citizens, with a \$5.00 limit for families.

We are privileged and honored to have

this group perform in our Community as they give only 6 to 7 concerts per year around the state. The Michigan Youth Symphony is composed of youth, grades 7-12, from throughout the state. Three students from Manchester are currently with the symphony: Belinda Grantham, Lori Gonyer, and Cathy Tobias. The Band and Orchestra Boosters hope you will plan to attend.

Bicentennial First Lady Contest

The Manchester Area Bicentennial Committee is holding a Bicentennial First Lady Contest. Each club or organization, in the Manchester area, that wishes to take part, is being asked to nominate a lady.

Letters explaining the contest, and entry blanks, will soon be in the mail. If your group does not receive an entry blank, please contact either Liz Beuerle or Barb Bertke.

To be eligible, your lady must be 50 years of age, or older, a resident of the Manchester area, and must be nominated by February 29.

So be watching for your letters and be thinking of a lady to nominate. What a terrific way to honor your favorite lady!

Advance tickets are still available for the dance on January 24 (That's this Saturday!) Seats will be guaranteed to advance ticket holders.

The tickets are selling for \$4.00 per person; the dance is being held at the K of C Hall in Manchester. We are asking you to bring your own bottle, mix and ice will be available. A lunch will be served and music will be provided by Luke Schaible's Band.

We hope to see many of Manchester's citizens out to support the Bicentennial. Attend the kick-off dance, January 24, at 9:00 p.m. See You There!

On April 23 and 24 there will be a "Bicentennial Happening" at the Manchester High School. This will be one of the biggest projects that takes place during the Bicentennial. The students have been working on it for months and hope to see it be a tremendous success. So watch for more details, and keep either April 23 or 24 open.

Klager School Winter Party

There will be a sledding party and potluck supper at Klager Elementary School on Saturday, January 24, for all Klager children and their families. It will be an informal get together with the symphony; Belinda Grantham, Lori Gonyer, and Cathy Tobias. The Band and Orchestra Boosters hope you will plan to attend.

At approximately 6:00, people should bring their own meat, silverware and a dish to pass. Hot coffee, hot chocolate, marshmallows, paper plates and cups will be provided along with a coffee for those who may wish to cook hot dogs for just keep warm.

All children who are planning to attend should be accompanied by an adult and should bring only the plastic roll-up sleds.

Coaches vs All Girl Basketball Team

The men coaches of Manchester High School is preparing for the season's biggest sports attraction, when the nationally known All-Girls Basketball Team-The "Arkansas Lassies"-comes to town.

The "Lassies", featuring some of the finest female talent from all over America, will make the local boys earn every basket, when they meet at the high school gym on Wednesday, January 28, at 7:30 p.m.

The "Lassies" ask for no set-ups and will furnish the local men's faculty all the opposition they will need. 149 wins in 151 games is great in any league. That's the record the "Lassies" bring to Manchester.

Playing good, solid basketball is a trademark with the "Lassies". Out-standing passing and ball handling add a great deal to the color of this group of female court wizards. However, there will be plenty

of laughs when the girls pick on everyone in sight.

Fans are sure to be amazed at this remarkable shooting percentage of this great girl's team. Few area high school teams could match them in percentage of shots made.

So, fans are in for an enjoyable and exciting evening of basketball when the local men's faculty meet the girls head-on at Manchester gym, sponsored by the Varsity Club.

A capacity crowd is expected, so get your tickets early at any of the following locations: High School, Middle School, Klager School, Varsity Club Members, Varsity Baseball Members.

Advance ticket prices are: Students \$1.25, Adults \$1.50--at the door: \$2.00. That's Wednesday, January 28, at 7:30 p.m., when the World Champions of Girls Basketball meet the Men's Faculty of Manchester School. DON'T MISS IT!

TUESDAY NIGHT SINGLES

The Chord-O-Tones will be playing January 27 at the Briarwood Community Room, State St. and I 94 exit (lots 10, 11, 12 near Sears). This is a non-profit organization which meets each Tuesday eve from 9 p.m. - 12 a.m. for dancing and refreshments. All singles 25 and over are invited.

SENIOR CITIZENS

Come to Emanuel Church Hall on Wednesday, January 28 at 1:30 p.m. for fun and fellowship and forget your winter blues

Mrs. Schwab's Cadett Troop 186 has been very busy. We went to Wackers Candle Shop and made lovely candles for Christmas gifts.

We went to Hones, and went horse back riding. We all enjoyed it very much. We are working on Badges also, right now we are working on "My Country Badge". It's about becoming a better citizen and get to know your country better. Lot's of fun and excitement ahead.

WASHTENAW COUNTY SOIL CONSERVATION DISTRICT'S ANNUAL MEETING PLANNED

The Washtenaw County Soil Conservation District's 27th Annual Meeting is scheduled for Wednesday, February 4, 1976 at 8:00 p.m. It will be held at the Pittsfield Grange Hall on Ann Arbor-Saline Road. The public is invited.

The featured speaker for the evening is Mr. Robert DiGiovanni of the Environmental Research Institute of Michigan, and his associates. They will show slides and discuss ways in which ERM is helping agriculture through crop inventories, detection of diseased crops, soil moisture detection research, water pollution, land use planning, etc.

This research is conducted at ERM through the use of air and space-borne infrared and radar multispectral cameras and photographic equipment, and the use of optical data and extract information.

Also on the Meeting Agenda is election of a District Director, musical entertainment, fantastic door prizes, conservation awards and refreshments.

All interested persons are invited to attend. Advance reservations are not required.

AMERICAN LEGION AUXILIARY HOLDS JANUARY MEETING

The American Legion Auxiliary Unit 117 met on Wednesday, January 14 at the home of Mrs. Del Ludwick.

Standing Committee reports were read as follows: 29 area Service men were remembered with Christmas Gifts. Membership reported that quota for 1976 is 83 members and all dues must be in to Department before January 31 or members will be considered delinquent for the year 1976. Community Service stated that almost all of the hospital equipment, with the exception of crutches, are in use. Anyone no longer using equipment is urged to return. Two wheel chairs, with leg lifts, are missing from the equipment and anyone knowing the whereabouts of same are asked to contact Mrs. Mary Smith. Correspondence was read and the Unit voted a donation to the March of Dimes.

Mrs. Charles Steele was appointed to serve on the Executive Committee to fill a recent vacancy until the July election of officers. Janet Whittington and Kathy Richardson names were drawn for the door prize. Mrs. Charles Steele will serve as Good Cheer Chairman for the coming month. The February meeting will be held on Wednesday, February 11 at the home of Mrs. Charles Steele on Beaufort Street. Refreshments were served by Mrs. Ludwick and Mrs. Veari Widmayer.

CHELSEA-DEXTER LALECHE LEAGUE

Chelsea-Dexter Laleche League will meet at 8 p.m. January 28 at the home of Laurie Segraves, 13453 Riker Road, Chelsea. Topic of the evening will be "Advantages of Breast Feeding to Mother and Baby".

AMERICAN LEGION AUXILIARY COLLECTING STAMPS

You can be a stamp collector and not have to worry about a place to keep them! The American Legion Auxiliary will accept ALL Cancelled Postage Stamps and use them in a national project which will aid North American Indian children.

You may leave the stamps at The Union Savings Bank or Manchester Ann Arbor Federal in boxes provided by the organization. All stamps—American or foreign—cut or torn with at least a quarter inch border are acceptable. (This means the type of stamp that is glued on to the letter not metered or printed envelope stamps.)

The Auxiliary admits this sounds too simple to be true, but it's a fact that anyone who receives a letter can help by just dropping the cancelled stamp in one of the collection boxes. An Indian child will receive food and education as a result.

COME AND GET RANCHER'S BEAN BAKE!

How do you wrangle a compliment about a budget dish from the family members? Easily! And you won't have to rope them into it either. Rancher's Bean Bake stands on its own as a prize prize-winner. Rolled oats, loved by Americans when the West was still wild, stretches a pound of sausage into six ample lunch- or supper servings. The meat mixture is topped by tomato-rich pork and beans and baked until bubbling hot. The smell will be the dinner bell urging everyone to "Come and get it!"

RANCHER'S BEAN BAKE
Makes 6 servings

- 1 lb. bulk pork sausage meat
- 1 cup quick or old fashioned oats, uncooked
- 1/2 cup catsup
- One 16-oz. can pork and beans in tomato sauce
- 2 tablespoons firmly packed brown sugar
- 1 teaspoon salt
- 1 teaspoon prepared mustard

Heat oven to moderate (350°F.). Combine sausage, oats and 1/4 cup of the catsup in bowl; mix well. Press mixture evenly into a 9-inch square baking pan. Place in preheated oven (350°F.) 35 minutes. Combine beans, brown sugar, salt, mustard and remaining catsup. Pour over top of sausage mixture and continue baking 10 to 15 minutes or until bean topping begins to bubble.

Peanut Butter Cookies Are Doubly Good

Doubly good aptly describes these peanut butter cookies, for they are full of good flavor and packed with essential nutrients. Four of the cookies provide 15% of the daily protein needs. It comes from protein-rich peanut butter supplemented by milk protein and proteins of oats and flour. There is vitamin A from carrots, and calcium from milk and baking powder. Iron is supplied by flour, oats, egg and raisins. The fat is the desirable kind, high in polyunsaturates and low in saturated fat. So bake your own cookies and know that they are loaded with good things.

DOUBLE GOOD PEANUT BUTTER COOKIES

- 1/2 cup firmly packed dark brown sugar
- 1/2 cup corn oil
- 1/2 cup Skippy super chunk peanut butter
- 1 egg
- 1 cup shredded peeled carrot
- 1 cup quick oats
- 3/4 cup whole wheat flour
- 1/2 cup instant non-fat dry milk
- 1/2 cup raisins
- 1/2 teaspoon salt
- 1/2 teaspoon cinnamon
- 1/2 teaspoon baking powder

Stir together sugar, corn oil, peanut butter and egg until mixed; stir in carrots. Mix together oats, flour, milk, raisins, salt, cinnamon and baking powder. Stir into peanut butter mixture. Place by heaping teaspoonfuls on ungreased cookie sheet. Bake in 350°F oven 15 minutes or until lightly browned. Cool on rack. Makes 3 dozen (2-inch) cookies.

DUTCHMEN LOSE THRILLER

By Jon Roger Hardenbergh

Clinton won their first game of the season with a last second free throw in the fourth period and 4:35 remaining. Manchester found themselves down 10 points to the Redskins in 2 minutes and points to the Redskins. In 2 minutes and 17 seconds the Dutch had overtaken Clinton, 62-61. The very next time up the court, a Redskin dropped the ball thru the nets, putting his team up 1, 63-62.

Next Mike Smith sank one from the charity stripe to tie the score with 2 ticks-on-the-clock. Clinton now had the ball and set up for the last shot.

Phil Martiny took it but fouled in the process so was awarded 2 free throws. Phil missed the first but canned the second to give Clinton the victory, 64-63. Dave Guenther was hi-point man for the Dutch as he burned the nets for 22 points. Curt Fielder and Mike hit in double figures with 14 & 11 respectively.

The Little Dutch also remain winless as Clinton cruised to an 11 point win, 44-33.

WHAT'S NEW IN READING

The Washtenaw Reading Council will explore "What's New in Reading?" at the next meeting.

William Durr, one of Michigan's own nationally recognized authorities in reading will be the guest speaker. Dr. Durr, author of the Reading for Meaning work-texts and various professional books, will present a practical down to earth viewpoint that helps in sorting out reading innovations and putting them in perspective.

There will also be an opportunity to listen to publishers and educators describe some of the more recent reading programs and instructional materials available. Both elementary and secondary materials will be featured. You will have a choice of attending those sessions that are of interest to you.

The date is Tuesday, January 27 from 4:30-8:15 p.m. at the Haisley Elementary School, 825 Duncan, Ann Arbor, Michigan.

Council members may attend free-of-charge. Non-members may purchase a \$2.00 ticket at the door. Dinner will be served from 5:45-7:00; advanced reservations are required. For further information call Reading Services, Washtenaw Intermediate School District, 769-6522, ext. 238.

YOU ARE PRETTY SMART
It is estimated that there are close to 30 quadrillion cells in the human body. That is a lot of cells. Somewhere in that pile of cells is the real you—the spark we call Life—the great mastermind that coordinates and controls all the functions of all the cells in your body.
For health to be a reality, the real you has a tremendous job to do. The real you has to be very smart. It does not rely on your I.Q., for it is equally true in the mental genius as well as the mentally retarded. At the moment of birth, long before you are given any formal education, you already have to know the complete chemical formula for thousands of compounds that your body will need to produce during your lifetime—all at the right quantity and quality at the right moment—from A to Z—amino acids to zytase. Only you have the exact amount of insulin, adrenaline, hydrochloric acid, red blood cells and oxygen that your body needs at any specific moment. There are ten thousand chemical compounds and processes, and functions going on at the same time at the right rate and quality. You even know how to drink milk, digest it, —and then diversify some of it into eye tissue; some of it into fingernails; some of it into skin and bone; and some of it into liver.
All this is done by the wisdom of the real you. Your great wisdom uses a tremendous system to correlate the exact and proper function of these quadrillions of cells. This system starts in the brain where the real you is, and passes down the spinal cord, to the spinal nerves, and out to the cells. This is the Nervous System. When a vertebra of the spine is just slightly out of its normal position, it will impinge the nerves and interfere with the correlation and function of millions and perhaps billions of cells. If this remains long enough, a situation will result in what is called dis-ease. It is the desire of your family Chiropractor to remove any interferences along the spine so that the correlation of the quadrillions of cells can be of a maximum capability.
You are pretty smart to correlate thousands of different functions simultaneously for health. Help yourself to maintain this high achievement with regular visits to your family Chiropractor.

Lambda Nu chapter of Beta Sigma Phi Sorority met on January 6 at the home of Cheryl Hamilton, co-hostess for the evening was Carol Walter.

During the business meeting plans were discussed for Lambda Nu's Bicentennial project which will be a fashion show. The fashions will span the 200 years since 1776, and the show is scheduled for July 23. More information will follow in upcoming articles.

Also discussed at length was the Beta Ball, a dinner-dance to be held on February 14. The Beta Ball is an annual tradition put on by regional groups of Beta Sigma Phi chapters called City Council. Lambda Nu is affiliated with the Adrian City Council.

The Beta Ball this year is to be held at St. Joseph Shrine in the Irish Hills. This dance is open to all members of Beta Sigma Phi and their guests.

Following the business meeting, Lois Vitale and Sharon Stetler gave a program

THURSDAY, JANUARY 22, 1976
on the origin of current wedding customs. The next meeting will be at Polly Rushing's, and will be co-hosted by Vicky Wurster.

double double your money!

with compound interest

the one
sure way
to build a
fortune

One of the most important but overlooked features of savings is the magical effect of compound interest. If money is deposited

and the interest it earns never withdrawn, the money grows at an amazing rate. Money in most Ann Arbor Federal Savings certificates doubles every 10 years.

Thus, if a person 40 years old with \$25,000 (in savings, coins, cash, value insurance, etc.) puts it into a certificate account at Ann Arbor Federal Savings it will grow to \$50,000 by age 50. By age 60 it will have grown to \$100,000 without adding a penny of his paycheck.

For the person in his mid-fifties with retirement coming

up in ten years, compounding has even greater significance. If he has actual assets of \$100,000, if he converts these into cash, he can have \$200,000 in ten years and realize an interest income for life of \$10,000 to \$15,000 thereafter.

But what about the person starting out, the twenty-five year old? By putting \$50 a month in a 5 1/2% passbook savings account each month and leaving the interest to accumulate and compound, he will have \$21,190 by age 45. Then if he transfers the money to a certificate account

(and never adds another penny) the money will grow to \$57,380 by age 55.

On the other hand if one continues to add to his savings account regularly, it is well within the realm of possibility to accumulate \$300,000 or \$400,000 or more.

At Ann Arbor Federal Savings your dollars are not subject to market fluctuations, so you are sure when you reach the age at which you want to start using some of your money or earnings it will be there.

The magic of compounding

... in 10 years you'll have	... in 20 years you'll have	... in 30 years you'll have
\$ 10,511.74	\$ 22,099.34	\$ 46,460.51
\$ 21,023.48	\$ 44,198.68	\$ 92,921.02
\$ 52,558.70	\$ 110,496.70	\$ 232,302.55
\$105,117.40	\$220,993.40	\$464,605.10
\$210,234.80	\$441,986.80	\$929,210.20

Based on an annual interest rate of 7% compounded quarterly. Accounts of \$1000 or more, 48 month term. Federal regulations are subject to annual interest penalty for early withdrawals.

Ask Senator GRIFFIN

By cutting through red tape, members of Congress can often lead a hand to those with problems involving the federal government. Through the columns of this newspaper, Senator Griffin answers questions of general interest. He will respond personally to all communications addressed to: Senator Robert P. Griffin, Senate Office Building, Washington, D.C. 20510.

I'm seeing more and more of the American Revolution Bicentennial symbol, which looks to me like a star wrapped up in some sort of a cocoon. Can you tell me what it's supposed to represent?

—L. S., Garden City

Right you are—it's a star. The symbol selected by the American Revolution Bicentennial Commission was designed by a New York graphic artist named Bruce Blackburn. He says the five-pointed star is a good symbol for the Nation's 200th birthday celebration, but that a plain star would have been "too aggressive and military." The rounded effect, which you describe as a "cocoon," was produced by taking the basic star and wrapping it in blue, white and red layers of bunting. That, according to its designer, produced a traditional symbol that also has an aura of looking to the future. I hope you like the symbol, because I'm sure you'll be seeing a lot of it in the next year or so.

I'm a college freshman, and some day I want to run for public office. I'm planning my undergraduate curriculum, and I would appreciate any suggestions you can provide.

—B. T., Flint

It's always a pleasure to hear from young people who are interested in the affairs of our government.

There is no set curriculum that will best prepare you for a career in politics and government. However, you should find courses in Political Science both interesting and useful. It is important that you be well grounded in English, history and economics. While a law degree is not required, there is no doubt that the study of law would provide an excellent background.

I suggest that you also get plenty of practical experience in politics by working in the field. Give your active support to other candidates who are running for various offices. Volunteer for work at the local headquarters of your political party. In these and other ways, you can get ready for the day when you will throw your "hat in the ring." Good luck!

THE PEOPLE....."

special Bicentennial address to the members of the Michigan Farm Bureau meeting recently, President Elton R. ... reminded his fellow farmers of

the courage it took our founding fathers to sign the Declaration of Independence. How many people today, he asked, would be willing to pledge even a part of their lives, fortunes and honor to start a new society? Consider what happened to those signers: Nine died of wounds during the Revolutionary War, five were captured or imprisoned with brutal treatment. The wives, sons and daughters of others were killed, jailed, or mistreated. One was driven from his home and died beside his wife's deathbed and lost all

ture has played in the birth and growth of this nation and they are determined to preserve the principles upon which it was founded. Preserving these principles will not cost them their lives, their fortunes or their honor. But it will take some courage and fortitude. There are many with a stronger voice and more power who believe that those principles—love of liberty, respect for the dignity of the individual, our economic system, our religious underpinnings—are outdated. There are those who believe that a strong centralized form of government is the answer to all our needs.

Against these odds, how do farmers—and others who believe that the power should lie in the people—plan to rekindle the Spirit of '76? There will be a cost—the willingness to become informed on current issues, the courage of conviction to get involved in the settlement of those issues, the acceptance of citizenship responsibilities beyond just voting. Hopefully, they'll be joined in their efforts by many, many other citizens who recognize that our forefathers left us a heritage worth preserving when they began the Constitution with the words: "We the people....." and then act accordingly.

SURVEY TO BE HELD

Interviewers working with the Survey Research Center of The University of Michigan will be contacting families in Washtenaw County during the next few weeks in their Survey of Modern Living. Approximately 600 people from throughout the county will be interviewed in the survey between now and the end of February.

The survey asks respondents to express their views about various services available in the county. In addition, it asks about a variety of other topics including attitudes toward work and leisure.

Results of the interviews will be published in statistical form only. Findings are never identified with any individual person or address.

Data collected in this survey will be analyzed by The University of Michigan social scientists in conjunction with local government officials. Their analyses will be used by government agencies, students, and educators who seek a better understanding of the conditions, experiences, and opinions of Washtenaw County residents.

Moved by Mahony, supported by Beal to transfer \$13,584.12 from the Revenue Sharing Fund to the Equipment Fund to cover the purchase of a backhoe and pump. All years, carried.

The Public Works committee reported that no price had been obtained on paving machine, but further consideration will

be given the matter in the next few months. Activities of the previous two weeks have included patching holes on asphalt streets, snow and ice removal, reading water meters and checking on the possibility of utilizing the old police radios in some of the Public Works equipment.

Zesnyk presented the police report for December and reviewed the year's activities in his annual report.

December, 1975-Police Runs: 22, Vehicles Investigated: 126, Persons Inv.: 226, Warnings: 81, Complaints: 13-D.U.L.L. 1, M.D.O.P. 2, Larc. fr. bldg. 1, B & E Auto 1, Disputes 2, Illegal Poss. 1, Dog Bite 1, Confisc. prop. 1, Nuisance calls 2, L.S. of Accid 1, Violations: Moving 15-Speeding 9, Fall to stop 1, Carelessness 2, Exp. Zesnyk pointed out after reviewing the annual report that there had been a decrease in the number of major crimes committed in this area, which he attributed to community awareness and 24-hour protection. Beal reported no new permits.

Curley stated that he had received notification that CH-BRO Park has a high priority rating from the state on the preliminary elimination and the applications have now been forwarded to the Federal Level.

Mann said he had checked with Roesch on the Zoning Ordinance asking for a recommendation on the matter of two lots side by side plotted under the old ordinance. He had not yet heard from Roesch.

Moved by Fitzgerald, supported by Scully to place the site of the former Village Dump located at the foot of Cass Street for sale at public auction. The public sale will take place January 19, 1976 at 8:00 p.m. in the Council Room of the Village Hall. The minimum bid shall not be less than \$5,000.00. All years, carried. Roesch will handle the publication and other formalities.

Moved by Scully, supported by Curley to adjourn at 9:21 p.m. All years, carried.

LIBRARY NEWS

Well all you folks who keep saying that you are too busy to read a good book—this is the season for a little relaxation, education and enlightenment. No excuses now, just get down to the library and read at least one.

There are lots of us who are spending some time catching up on our country's history and a gentle way to do this if you don't like pure fact is to read a fictionalized version, slightly dressed up and embroidered but good for filling a cold evening.

All of which is a sneaky way of approaching the suggestions we will make for your pleasure. There are a lot of good old books still around, which should tell you something, and even though some of them were written a generation ago they are still the best available for our purpose.

Allan Hervey wrote three of the best—Bedford Village being my favorite—about the period when Pennsylvania was the frontier and all beyond was undiscovered, Indians and Armies with politics and great courage melted nicely.

Conrad Richter did a trilogy. The Trees The Farms, and The Towns, which are simply and beautifully written, tracing the settlement of the very earliest pioneers and the enormous hazards and heartbreak encountered.

Elsworth Thane did several in a series called the Williamsburg novels, beginning with the establishment of the colony and succeeding generations and which only give one a taste for the next book and

a sharp sense of disappointment when they are finished. Elizabeth Page wrote a large book named The Tree of Liberty, which is laid in the time of the beginning of our country. More lightly still Janice Holt Giles wrote Hannah Fowler, the story of a pioneer woman, and in succeeding books moved the descendants across the country. The Biographies hold a special interest for many people and we have good books about the Adams families, Carl Sandburgs classics of Lincoln's Life and just this year one of our new books is a real beauty, all about Washington, and lavishly illustrated.

In honor of the Birthday year we have received a good many really fine offerings. We have a new Eric Sloan, with pictures, and lots of handcraft books, Quilting, and suchlike, and Cookbooks. Oh my, the cookbooks, Early American cooking and books of American Primitive Antiques, well you can see what I mean. Just come on in and have fun.

A tourist was being taken for his first New York taxi ride. The cabbie wheeled wildly in and out of traffic, honking his horn and cursing other drivers. Suddenly a pedestrian stepped off the curb against the light and the cabbie slammed on the brakes to miss him. Apparently figuring such unusual courtesy called for an explanation, he turned around to the passenger and said: "If you hit 'em, you gotta fill out a report."

Optimist Club Outstanding Student

ictured are Mr. and Mrs. Luther Schable, Jane, Robert Ross and Dr. Glen Lehr.

Luther Schable, daughter of Mr. and Mrs. Luther Schable of 4665 Fletcher Road is a Junior at Manchester High School the Optimist Club's Outstanding Citizen for the month of January.

In the Middle School Jane was Treasurer of her 7th Grade Class and played piano in the opera, "Singing Freshman". In the 8th grade Jane was the top player in the opera, "Wild Rose".

During this year Jane took the lead part, Susie, the blind girl, in the all school play, "Wait Until Dark" and performed brilliantly. For the third year she is in the Varsity Choir, member of German Club, and will be playing piano in the school musical, "Annie Get Your Gun", which will be held in April.

Jane goes to St. Johns Church in Bridgewater where she is in the youth group, sings in the senior choir, and takes turns playing the organ.

Fair Board Elect Officers

The Manchester Community Fair Board meeting for January was held at the Home and Associates Office. The officers elected for the year 1976 were: President, Elmer Kopka, Vice President, the Rossetti, Secretary, Dealoris Richardson, Treasurer, Ed Kirk.

The Fair Board wishes to thank Ellis for the time, effort and help he contributed to the Fair for the last five years, the last five serving as President of the Board. Also for providing his office for our meeting place, which was accomplished during his years on the Board.

Bicentennial Calendar

We, of the Manchester Bicentennial Committee, would like to thank all the people who attended our dance on Saturday past. The dance was an overwhelming success. For those of you who were unable to make it, don't fret? There are more coming.

Luke's band was terrific as usual, the food was good and spirits were high. During a short intermission, the commission members were introduced and appreciation certificates were presented to the Knights of Columbus, Luke Schable's Band, the Village Council, and Mr. and Mrs. Simon Steele. These people contributed greatly to the success of our kick-off dance.

Following the program the entire group joined in the singing of "God Bless America" and Mr. and Mrs. Jim Mann led a Grand March. Rick Burch took quite a few pictures and we hope we will be able to get some in next week's paper. All in all everyone enjoyed themselves dancing 'til the wee hours.

Once again we thank you all for attending and making our Bicentennial Kick-off a success.

Now for more news. We would like to assemble a Hometown Band. If you are talented with an instrument and think you would be interested in joining, please call Richard Rigg at 428-8537.

Due to unavoidable circumstances, the "Bicentennial Happening" has been changed to April 24 and 25. More information about this terrific event and times will be published soon.

Just a note of reminder to the clubs and organizations in Manchester, if you haven't already been contacted about sponsoring a "Bicentennial First Lady", you will be soon. If you are not contacted very soon, and are interested in sponsoring a lady, call Liz Bourrie, as the deadline for nominations is February 29. So be thinking of a lady to nominate, we'll be calling on you soon.

They're Engaged

Mr. and Mrs. Leroy Knickerbocker announce the engagement of their daughter, Mary Beth, to Charles Gregory Gardner, of Onsted, the son of Mrs. Virginia Gardner, Onsted, and Alton Gardner of Devils Lake. Mary is a 1972 graduate of Manchester High School. Greg is a 1972 graduate of Onsted High School. A June 5th wedding is being planned.

GAME CANCELLED

Due to weather conditions, the basketball game between the Arkansas Lassies and the school faculty has been postponed from Wednesday, January 22, until Monday, April 5. Further information will follow.

Girl Scout Cookie Sale

Mrs. Herbert (Christine) Honer of Union Street, Manchester has been appointed chairman for the 1976 Girl Scout Cookie Sale in Manchester. It was announced today by the Huron Valley Girl Scout council.

Mrs. Honer will direct the efforts of 22 Junior and Cadette Girl Scouts in the sale which runs from February 6 to 15.

Last year under chairman Mrs. Donald Demboff, Manchester Girl Scouts sold \$4140.00 worth of Girl Scout cookies, crackers and tea.

Cookie sale profits provide funds to Girl Scout troops to finance community service and camping projects and to the Huron Valley Council to fund camping scholarships and facilities as well as the basic Scouting program to a growing number of area girls.

Mrs. Honer has served Girl Scouts in the past as a troop cookie chairman and as an assistant troop leader.

Assisting Mrs. Honer will be Mrs. William (Diane) Schwab of Manchester. The cookie sale is conducted under Michigan License number 9054.

Mrs. William (Diane) Schwab of 118 Beaufort checks the products of the 1976 Girl Scout Cookie Sale which begins February 6.

March of Dimes Auction Saturday

One hour of electrolysis treatment, a rocking chair, jumper cables and a wall hanging will be among the items to be auctioned off at the Briarwood Grand Mall Court during the Washtenaw County March of Dimes radio auction on Saturday January 31.

The auction to raise money for birth defect treatment and research, college scholarships and other March of Dimes work will be held from 10 a.m. to 9 p.m. over Radio Station WPAG (1050 AM and 107.1 FM). There will be a broadcast break from 2-4 p.m. so that WPAG can carry the U of M basketball game. During that time there will be an on the spot general auction presided over by Evelyn Sells and Micky Quackenbush. A guest celebrity Robert Taylor (Fat Bob the Singing Plumber) will be in attendance from 7:30-8:00 p.m.

Among other items up for auction are such things as doughnuts, a hair dryer, front end alignment and passes to the movies, all of which may be bid on by listeners to WPAG via phone number 663-4263 during the hours of the auction while shoppers are invited to join in on the bidding at the mall.

Jean Perros and Nancy Salowitz are co-chairwomen for the event.

Task Force To Hold Meeting

Is there or is there not real concern on the part of parents as to what is happening with their students? Are there more than a handful of people who really consider an interest in their child's education more important than some favorite television show? Is it too much to ask to give an hour once a month or so to find out how their child is spending his or her days?

A group was formed last year, Middle School Task Force, made up of teachers and parents, to try to answer questions, jump the generation gap a bit and basically get some positive things going at the school. An Open House, extra hours for young people to use the gym, a school newspaper, etc., are some of the things that have been initiated.
