LETTERS TO THE EDITOR

It seems there's always good and bad things happening in Manchester. Let's take the bad news first—the big bank shake up. Just can't imagine things happening so fast, of course there's lots of rumors flying around to account for it all but we are still trying to search out the truth.

Now for the good news—during the work session of the school board January 26, the school Superintendent and all the Principals were given a raise starting back last fall—they have full confidence the people will come thru with more money whenever they need some—can always raise more taxes.

Now it's up to every one which they consider to be the good or the bad. You can turn it around either way, whichever makes you happy.

The Executive Director of Huron Valley Girl Scout Council explained our council's structure and financing, and gave a brief report of the National Girl Scout Convention in Washington D.C. last October.

Mrs. Marketa Sattarhwalts, Cookie Chairman for Chelsea, told us, the goal for the council is 350,000 boxes of Cookies to be sold between February 13 and February 22. Election of Delegates for the coming year were Mrs. Karen Paul and Miss Linda Simmons from Manchester. Nominating Committee Member was Mrs. Betty Schneider of Manchester. The Area Association Chairman is Mrs. Grete Skjaerlund.

Eight girls were chosen from our area to take part in a Wider Opportunity event last summer. It was interesting to bear of the very different events the girls participated in, from lectures about modeling and cosmetics, visiting textile mills, to spend Spring Vacation in New York, staying with host families, to go on a six day ride on horseback, to visit the Ozarks to our own state of Michigan. Four girls attended the Pioneer Heritage Trails '76, in Greenville, where they helped make a quilt that was presented to Mrs. Ford in Washington D.C. this October. - If any leader is interested in having the girls show their pictures please call them: "Trailla to '76" at Greenville, Michigan: Mary Hurst (426-3829), Laura Lyons (426-4545), Jenay Davenport (426-4093), Rochelle Elliott (426-4241). - "Dallas Presents Fashion Couriers Texas: Sharon Van Natter (426-3556). - "Saddle Straddle", Wyoming: Julie Kock (426-4754). - "Inside Greater New York", New York: Kittle Galan (426-8689). - "Missouri Bootheel Kicks", Missouri: Linda Simmons (428-8453).

Your 1976 Tax Break

Save up to \$7500 each year, defer the taxes until you retire.

If you derive all or part of your income from self-employment, you can start saving for your retirement and at the same time reduce your yearly income taxes.

All deposits to your plan, up to 15% of your earned income (maximum of \$7500 annually), are fully deductible for income tax purposes. Interest earned is also tax deferred. You do not start paying income tax on your fund until retirement at which time your tax rate will be lower. Your account is 100% vested and individual accounts are insured to \$40,000 with an agency of the federal government.

Make a lump sum deposit or as many as you like - up to \$7500 annually.

You can start your account with a small amount, make additional deposits as often as you like throughout the year and earn 5 1/2% per annum every day your money is on deposit. When your savings reach \$1000 or more you can convert them to a 6 year certificate earning an annual interest rate of 7 1/2% which is an effective annual rate of 8.03%. Or if you make an annual lump sum deposit of \$1000 or more you

can immediately earn our 7 1/2% annual rate and accumulate even more in your tax sheltered retirement account.

The tax shelter can increase your retirement fund substantially.

Funds in a tax sheltered account grow much faster than funds in a non-sheltered savings account.

The chart below provides an example of this difference assuming that you deposit \$7500 on the last day of each year. The second column shows how your interest accumulates with the help of our tax sheltered plan. The third shows how your interest accumulates without the help of a tax sheltered plan and the fourth shows the difference.

AT THE END OF	WITH TAX SHELTER	WITHOUT TAX SHELTER	YOUR GAIN WITH TAX SHELTER
10 Years	\$117,196	\$79,885	\$37,311
20 Years	\$360,703	\$236,363	\$124,340
30 Years	\$813,748	\$566,171	\$247,577

The figures in the above chart assume that the total contribution of \$7500 is made on the final business day of each year, and that the taxpayer is in the 25% tax bracket. The current annual interest rate used is 7 1/2%.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU EDITORIAL

This Little Pig Served Manikind with his heart valves giving a new lease on life to patients who need diseased or damaged valves replaced, another accolade is added to the pig's illustrious record. This most recent contribution by the prolific meat-making machine is one more reason why the pig holds a position of honor among our domestic animals.

In his 4,000 year history, the hog has been more than a source of bacon, ham, roast pork and sausage. He's been sacred and sacrificed in Egypt, and a constant companion to the Greek goddess Demeter. The planting of his still insured long ears of corn in Louisiana, the dance in the delight of Louis II of France, He's seen a weather prophet and a provider of food in sunny lands in grassed-pig pastures.

He traveled in this continent with the explorers Columbus, Cortes and DeSoto and settled in mainland America with the Pilgrims. Since then, he has had a profound influence on American history. The Thanksgiving was, in part, possible because of the strength that pork trade brought to the colonies. During the dark, dis-

covering winter at Valley Forge, just chunks of bacon were a saving provision. When our young nation stretched and grew westward, the pig went along with the covered wagons, a hardy traveler able to hold his own against the harshest animals. He was a life-sustainer in the Civil War as surely as in 18-20-crooks during World War II.

He has always adjusted physically to meet man's needs. When great-grandpa depended on him for a source of food, he was plump and fat. And when the modern diet and nutrition conscious businessmen wanted him more lean, he adjusted to her preference.

The porker has been a part of military drags, leather goods and other by-products that have raised our standard of living. He's been an important factor in our economy, providing work for thousands of employees in packing plants, meat markets and retail stores, and enabling farmers to buy products that keep others employed. He's helped farmers cover their mortgage payments and sent their children to college.

DUTCH DROP TWO MORE

By Jon Hardenbergh

ALMOST - Friday Manchester bested the Wildcats of Oosted and came within 3 seconds of victory. This means we were down one point and had a chance to win it with a 15 foot jumper failed to drop. This left 3 seconds and Oosted up 50-41. Manchester had to foul - and did - 1 second left. The Wildcat sunk his last missed shot but got the rebound only to pop a 15 footer at the buzzer. Final tally 50-51.

Jeff Clark was 20-scorer as he hit for 11. Dave Goebler was 10 behind with 11. Saturday night the Eagles from Columbia Central came to town. The Dutch offense slipped in the 2nd and 3rd periods enabling the Eagles to build an insurmountable lead.

The first period ended in a 10-12 tie. Then Manchester went cold as it took 5 minutes to post any points. Columbia Central out-scored the Dutch 12-5 to lead 24-18 at half.

Again Manchester couldn't buy a basket as the Eagles took a 14 point advantage going into the last period. Scoring was fairly even 22-19 with the Eagles winning 52-46.

Deve Goebler was the only Dutchman in double figures as he tallied 10 points.

HELP IS ON THE WAY

By Jon Hardenbergh

This is a time for cheer. The Little Dutch posted back to back victories this weekend.

Friday behind Tom Little's 15 points and Dave Slain's 10, the JV's Whipped Oosted 51-41. It was the third period that opened the gate as we out-scored the Wildcats 19-4.

Saturday's contest was very exciting as we won by 6. The Little Dutch zoomed to a 16-3 lead after 1 period. Columbia Central narrowed the gap by 1 at half, 26-21.

The Eagles came on like a house-a-fire to close the third period deadlocking at 38. The JV's didn't die - in fact they out-scored the Eagles to take a 58-52 victory.

The Little Dutch had 3 men with impressive figures. Tom Ross had a big night as he smoked the nets for 19 points. Mark Lawson canned 14 points followed by Bob Smith hitting for 12 points.

Looking at coach Wes Gall's face after these 2 wins you'd think the JV's were 11-0 but they're 3-8. Wes is happy his team is finally stabilizing.

KIWANIS CLUB TO HOLD 50TH ANNUAL SALE

The 50th Annual Sale of the Kiwanis Club of Ann Arbor will take place Thursday, Friday and Saturday, February 5, 6 and 7, at the Kiwanis Activity Center, W. Washington and First Streets, Ann Arbor.

Dr. Theron Belden and Jack Elliot, this year's co-chairmen, said the merchandise features everything from antiques and furniture in the basement to draperies and handbags on the top floor. All three floors of the building will be used for the sale and the sale will be dedicated to the memory of Dr. Walter Swartz and Earl Risley, two prominent Kiwanians who passed away recently and who had spent many hours of work on previous sales.

More than 170 Kiwanians, their wives and children man the sale. All proceeds are used for the club's 90 projects for the ensuing year. Chief recipient is the Hospital School at the C.J. Mott Children's Hospital, with the additional funds going to 4-H sponsorship, camperships, kid baseball and hockey, Boy Scout and Girl Scout work, underprivileged and crippled children's work, drug abuse education, hearing aids for the deaf, learn-to-swim program at the YMCA and various other programs for children and

senior citizens. Large donations have been given in the past for Spaulding For Children, Lurie Terrace men's lounge, YM-YWCA building fund, and bookmobile for the Public Library and outfitting the Ashley Clague room at the Mott's Children's Hospital.

The co-chairmen hope that \$35,000 can be raised from the 3-day event. Hours will be 10 a.m. to 8 p.m. Thursday; noon to 8 p.m. Friday and 10 a.m. to 3 p.m. on Saturday. A buffet dinner will be served on the second floor Thursday and Friday from 5 to 7 p.m. and daily lunches from 11 a.m. to 2 p.m.

The Kiwanis Club of Ann Arbor is the largest in the Michigan District and has completed 54 years of service in the Ann Arbor area. It has consistently earned achievement awards for outstanding work District-wide.

No pick-ups of merchandise will be made after Wednesday with the building closed for cleaning after the sale and pick-ups for next year's sale will again be resumed on March 18th.

TRACK CLUB COMPETITORS EXCEL 8TH GRADE WIN

Three Manchester Track Club members placed highly in Saturday's Jackson Community College Invitational. In an indoor meet dominated by runners from the larger class "A" and "B" schools in the area, Tim Kocesi, Mike Forner and Dan Clark all excelled and took strong 3rd place finishes.

Kocesi broke the Manchester High junior class long jump record with a leap of 20 feet, 3 1/4 inches. Only one other Manchester jumper has ever gone as far.

Forner took his 3rd in the pole vault with a 11 foot 6 inch jump, and again only one other Dutch Trackman has gone higher.

A 49 foot 2 inch heave in the shot put gave Clark his 3rd place finish in a strong shot field. No other Dutchman has thrown as far as Dan.

The Manchester Middle Schools 8th grade basketball team made it two in a row over Clinton last Thursday, defeating them 40-22. Due to cancellations these are the only games played to this point making their record 2-0.

Gary Daniels led all scorers in the game with 10 points, closely followed by Rick Stetler with 9. Also scoring were Jeff Geiger and Dennis Helfrich, each with 6. Harry Wislon scored 4, John Mooneyham and Russ Hough, each with 2, and Greg DuBols finished with 1.

Gary Zsenyuk led the rebounding domination by Manchester with 12 while our whole team out rebounded a much smaller Clinton team 53-23.

Thursday will be the next game against Morenci at 4:30 at the middle school.

Well Monday was Grounding day and sun was shining and the shadows are bright on the snow. Back he went six more weeks of this kind of shivering. What ever happened to the January thaw? We had a long and lovely season so we must wait for better days coming.
Comes a plea on behalf of the Drama Dept. at the High School. If you were fortunate enough to attend the performance Oklahoma last year you are aware of the very good work these youngsters, under the direction of Mrs. Priscilla Spoon have done. Later a performance by Jane Schable, of a blind girl was starting for its high quality. At Christmas time the Musical "Joy" gave a good portion of that emotion to the one night audience. All of this is by way of reminding everyone that a good deal of talent is available, a lot of work and energy is given and such real opportunities in High School makes our student body a fortunate group of youngsters indeed.

The Saline Bank Helps People!

That's our job — helping people. And we do it in a surprising number of ways.

First, we provide all the usual services you expect from a full-service bank. We offer a good variety of checking and savings plans to fit every need. And we make all types of loans for all types of purposes to both individuals and businesses. We also provide safe deposit facilities, money orders, travelers checks and many other services.

Then we provide personal financial consultation for our customers. Thousands of people have come to us over the years seeking advice for their financial problems. We've always been happy to oblige. Sometimes we can't help. Most of the time we can.

And finally we provide something that's intangible and difficult to define. It's a special attitude toward people. We are friendly, but not syrupy. We are concerned with our customers problems, but not pushy with possible solutions. We are sincere, but not solicitous. When you've been in the banking profession for over two generations, you know from experience how people want to be treated.

It's really quite simple. The Saline Bank likes to help people.

Now, park FREE in our new parking lot!

OUR FLAG
Historical Highlights

FIRST FOREFATHER

The first flag of the colonists to have any resemblance to the present Stars and Stripes was the Grand Union flag, sometimes referred to as the "Congress Colors." It consisted of thirteen stripes, alternately red and white, representing the Thirteen Colonies, with a blue field

in the upper left hand corner bearing the crosses of St. George and St. Andrew, signifying union with the mother country, according to the U.S. Marine Corps Reserve. This banner was first flown by the ships of the Colonial Fleet in the Delaware River in December, 1775.

The Grand Union flag was carried by Marines and American Bluejackets comprising an expeditionary force in the West Indies during 1775.

COUNCIL PROCEEDINGS

January 19, 1976

Council met in regular session with the meeting called to order by Pres. Little at 7:07 p.m. Present were Curley, Daniels, Fitzgerald, Mann, Scully and Zsenyik; absent Beal and Mahony. Minutes from the January 5, 1976 regular meeting were read and corrected. Moved by Fitzgerald, supported by Scully to approve the minutes as corrected. Aye: all, carried.

Enter Mahony at 7:18 p.m. Fitzgerald discussed Public Works activities of the previous two weeks. A broken water main was repaired on Granger Street. Water meters have been read. Snow has been cleaned out of the downtown area twice. Christmas trees have been picked up twice. One water service has been installed on East Main Street. The filter has been flushed and the water line tapped into the check valve at the East Wall. Repair work is underway on the grader. Some work has been done toward forming a skating pond. Snow and ice control has resulted in the use of 150 tons of salt this winter. The new backhoe was delivered January 8, 1976. The street program was discussed for 1976 with several suggestions made on the proposed program, but with no priorities set. Zsenyik presented Council with a request for approval of transfer ownership of the Class C license located at 237 East Main Street. Moved by Fitzgerald supported by Scully that the request from Jack E. and Jeanette A. Stein for transfer ownership of 1975 Class C license located at 237 East Main Street, Manchester, Michigan 48158, Washtenaw

County, from Clare J. Fisher be considered for approval. Yeas: Curley, Fitzgerald, Mahony, Mann and Scully; Absent: Beal. The application was recommended for approval and issuance. Moved by Mahony, supported by Mann to issue a check to Wm. Zsenyik as reimbursement for the police car purchase in the amount of \$3,986.95. All yeas, carried.

Mann reported that he had contacted Boesch regarding a question on the new zoning ordinance. Our attorney stated that there was nothing wrong with the ordinance as it stands. Some discussion resulted concerning lots of record brought into compliance with older ordinances. Moved by Mahony, supported by Fitzgerald that the Village Planning Commission and Chairman work out the details of an ordinance to amend the present zoning ordinance so that lots of record can be built upon. Yeas: Curley, Fitzgerald, Mahony, Scully; Nay: Mann. Motion carried.

At 8:00 p.m. an auction was held to sell the property owned by the Village at the foot of Cass Street and with approximately 245 feet of frontage on Lafayette Street. The successful bidder was to present payment at Stanton Boesch's Manchester office at 8:45 a.m. January 21, 1976. Two bidders were present -- Thomas Walton and Edward Curley. The bidding began at \$5,000, the minimum bid, and went to Mr. Curley for \$6,500 after several exchanges of bidding.

A letter was read from the River Raisin Watershed Council. Moved by Fitzgerald, supported by Scully to continue membership in the Council with Thomas

Walton as Manchester's representative to the group. All yeas, carried. Moved by Fitzgerald, supported by Mahony that the lease relative to Village-owned property on the northwest corner of Main Street and M-52 be brought to the next meeting for consideration. Yeas: Curley, Fitzgerald, Mahony, Scully; nay: Mann. Motion carried. Moved by Curley, supported by Scully to adjourn at 9:12 p.m. All yeas, carried. Mary H. Wheeler, Clerk

Peter A. Kensler Manchester Attorney Slain

The long winter, with deep snow, little sunshine, slowly moves along. We wait patiently for Spring and new life. Our community has been scarred. Damaged by ugliness. Such hatred, causing heart-breaking tragedy, is difficult to understand. We sit stunned, uncomprehending, questioning. How could this, our peaceful portion of the world be shattered by such senseless brutality.

We have a sense of loss, our friend, our neighbor, one of our people, has ceased to live. Young, bright, civic minded, hardworking, but most of all a part of us because we knew him.

Peter Kensler, 17750 Sharon Valley Road, Manchester, born May 21, 1939, in Manchester, the son of Erwin and Louise Craig Kensler, was found dead at his home Wednesday.

He attended Manchester Schools, graduated in 1957, received his BS Degree from the University of Michigan and Law Degree from the University of Detroit Law School in 1966.

He was a member of Emanuel United Church of Christ; Board of Directors, Manchester Community Chest; Board of Directors, Union Savings Bank of Manchester; a member of the Washtenaw County Bar Association; the American Bar Association, the Michigan Association of Professions, and a member of the Washtenaw County Red Cross Board.

He is survived by his Mother, five brothers, Robert, James and Richard of Manchester, George of Marion, Michigan, and Erwin Jr. of Rochester, New York; two sisters, Mrs. Joseph (Patricia) Fitzgerald and Mrs. Harry (Mary) Johnson both of Manchester.

Funeral services were held Saturday at 1:30 p.m. at the Emanuel Church. Rev. Joseph Wise and Rev. Steven Jones officiated. Burial followed in Oak Grove Cemetery.

A small community is, in some ways like a family, close, having squabbles, knowing each others faults and idiosyncrasies, but even in disagreements we would wish each other no harm. Now suddenly, a part of our unit has been mortally wounded and we each feel the pain.

The days move slowly, the season begins to turn and soon the sun begins to shine and the greening begins. New growth,

Michigan Youth Symphony To Perform At Manchester High

The Band and Orchestra Boosters have invited the Michigan Youth Symphony to perform in Manchester on Sunday, February 22, 1976. The concert will be held at 8:00 p.m. in the High School Gym. Admission is \$1.50 for adults and \$.75 for students and senior citizens with a \$5.00 limit per family.

The program includes Symphony No. 5 by Hanson, a Cello Concerto by Lalo with Katy Everson, soloist, a Viola Concerto by Telemann with Scott Woolweaver, soloist, Aleast by Lawhead, American Salute by Gould and Lincoln Portrait by Copland. This final number will be narrated by Manchester's Mr. Clinton Fisk.

This is the 27th season of the Michigan Youth Symphony, founded in 1949 by Orlean Dalley and its first conductor. Other conductors of the MYS have been Norval Withrow and Charles Gabriel. Dr. Robert Pettara, the present conductor, is an Assistant Professor of Conducting and Music Education at the University of Michigan School of Music, and Conductor of the University Campus Orchestra.

Purpose of the Michigan Youth Symphony are to provide an opportunity for interested and qualified performers in junior and senior high schools to perform symphonic repertoires, and to present concerts in communities around the lower peninsula of Michigan.

The approximately 100-member orchestra is made up of young people who come from as far away as Cadillac, although the majority come from the Ann Arbor-Ypsilanti area, the Detroit Metropolitan area, Jackson and Flint.

Proceeds from concerts are added to the MYS scholarship fund. These funds are used to assist MYS members to attend Interlochen 11 - State sessions. MYS members may also audition for Na-

Family Service To Hold Meeting

Manchester Family Service annual meeting will be Thursday, February 26, at the Manchester Township Library at 8:00 p.m. The reports for the year and for the Christmas Project 1975 will be given at this time and all who are interested are urged to attend.

Three board members 3-year terms expire at this time—Mrs. Merle (Laverne) Armstrong, Mrs. Ruth Sott and Mrs. Paul (Genevieve) Lemon. The term for the late Luther Kieger was filled by the appointment of Mr. Merrill Korth. Mr. Korth's remaining 2-year term is open for affirmation.

Mrs. William Schwab, chairman of the nominating committee and Mr. Clarence Fielder will be happy to receive names for suggested board member so that they may be contacted before the meeting to determine their willingness to serve if elected.

There are nine board members for this incorporated local volunteer Community Fund Agency. Those not already listed are Mr. LeRoy Marx, Mrs. Hobart John and Mrs. Franklin M. Reck.

Bicentennial Calendar

In the February 5 edition of the Manchester Enterprise, we printed a copy of the letter and entry blank, mailed to all the clubs and organizations in the Manchester area, concerning the Bicentennial First Lady Contest. There were two mistakes made and we would like to apologize. First of all, the contest is also open to ladies in Bridgewater Township. Secondly, Barbara Berke's telephone number is 428-8516 not 428-8515.

We are hoping to form a hometown band. If you play an instrument and are interested in joining, please contact Richard Rigg. There is no age limit, we would like to have youngsters and oldersters alike making up this group. We are sorry, but because of some of the circumstances under which the band will be playing, we cannot accept electrical instruments.

Nominations for a Bicentennial First Lady are coming in with tremendous enthusiasm. This may prove to be a very exciting contest. Remember, you have until February 29 to make your nominations.

If anyone has an idea for a project or wishes to help on one of the projects we have planned, please contact one of the Committee members. For your convenience, we will reprint the Committee members and their duties in one of the upcoming issues of the Manchester Enterprise.

Plans are coming along well for activities during the spring, summer and fall months. Some of the things we have planned are; community picnics, promenades, caravans, dances of all kinds, a fashion show featuring clothing through the years, a fashion show featuring hats
