Tim and Joyce Armentrout are the proud parents of a 7lb, 11 oz. beautiful baby girl. She was born on May 13, 1976 at 2:44 p.m. The Maternal Grandmother is Mrs. Leona Ursum of Westland and the Paternal grandparents are Mr. and Mrs. Robert Armentrout of Manchester. Open House To Honor Mr. & Mrs. Swartz

The public is invited to an Open House in honor of Mr. and Mrs. Robert Swartz on occasion of Mr. Swartz's retirement as superintendent of schools. It will be held on Sunday, May 23, between 2:00 and 4:30 at Luther Klager School.

On Wednesday, May 12, a luncheon was held for local business persons, at the Bicentennial Headquarters-Store. The purpose of the luncheon, which was financed by Manchester Tool & Die and Manchester Stamping, was to introduce the local business people to our Bicentennial Schedule of events. The food was prepared by Mrs. Ethel Weir and there were thirty-one people in attendance.

A schedule of planned summer events is included in this week's paper. A book is being assembled, similar to that which was published during the Manchester Centennial. This book will be a joint effort by the towns in the Western Washtenaw Bicentennial Commission. We would like pictures for this book that were not used in the Centennial Book. If you have a picture, please put the name of the owner on the back. Also, please identify all of the people in the picture that you can. There is a June 1st deadline for turning in the photographs. Please contact Mrs. Marie Schneider at 428-8481.

There has been a lot of confusion concerning the Bicentennial Commission. Therefore, there will be a public meeting Tuesday, June 1. This is your opportunity to find out what is going on! We will have as many Commission members as possible present to answer specific questions. The purpose of this meeting is to quell rumors and to stop confusion. So if you have questions, come and get them answered...if you cannot attend, send a representative. The time and place will be announced next week.

If you have any questions concerning the Schedule of Events, or would like to help with one of the projects, contact one of the Commission members. There is a complete list of members in the window of the Bicentennial Headquarters-Store.

**MANCHESTER COLLEGIAN TO
 STUDY RIVER RESOURCES**

Jim Baker, a Manchester resident completing his junior year at Adrian College, will spend his free hours this summer researching the fishery resources found in a local stretch of the River Raisin.

As part of his independent studies in biology at Adrian, Baker plans to attempt a population count of river inhabitants. His intentions are to update information gathered in previous surveys by wildlife authorities.

During the summer, Baker also plans to continue his senior seminar studies of the hybridization of sunfish. Work on this project commenced earlier this year, collecting species samples from south-eastern Michigan waters.

Jim, a 1973 Manchester High School graduate, is the son of Phyllis Baker, of 320 Territorial Road, Manchester, and the late James Baker. At Adrian, he is

an academic scholarship recipient, vice president of Beta Beta Beta biology honorary and new member of Phi Mu Alpha professional music fraternity.

Baker is a 1977 candidate for a bachelor of science degree in biology from the college with plans to attend post-graduate studies in fisheries and wildlife management after leaving Adrian.

Both women are the daughters of Mr. and Mrs. Harry S. Wilson of 13250 Sharon Hollow Road.

The Dutch placed in 11 of 15 events with the high jump relay of Pete Tassie, and Randy Bennett at 5'8" and Dan Hassett at 5'0" with a total length of 16'0".

The Dutchmen now have two pressure meets in a row Tuesday at Addison and Wednesday at Hudson. And Saturday they travel to the Regionals at Addison.

Manchester met Onsted last Wednesday and Coach Krzyzaniak wishes this meet had never been played. Onsted killed Manchester 95-38. About the only good thing was Nick Krzyzaniak breaking the existing 7th grade shot put record. The pictures this week are from last week's meet in Whitmore Lake with exception to Gary Daniels in Onsted.

CLEAN SWEEP

By Jon Hardenbergh

The girls varsity softball squad caught fire last Monday and burned their next 5 opponents. With these 5 victories the

girls stand 5-3 in league play and 9-5 overall. Up-coming games are in Morenci on Wednesday and Home on Friday to face Hudson. The girls district qualifying round game will be played on May 29th against Blissfield at 10:30 a.m. here in Manchester. If the girls win they play in Clinton on June 5th.

Monday was the Dutch girls first win as they crushed Stockbridge. Manchester had a complete shut-out going for 4 innings when errors and walks enabled Stockbridge to get 9 runs. This made the score 10-9. Then the Dutch came to bat and they just buried Stockbridge adding 16 runs. Stockbridge failed to score in the 5th so the game was called. Final tally was 28 - 9. Manchester collected 13 hits, Denise Galins had a home run, 2 singles and 2 RBIs, Bernie Fielder rapped 2 singles to get 3 RBIs, Malinda Hudkins and Kim Dulle turned an impressive double play.

On Tuesday Manchester collided with Clinton. Clinton took the early lead (2-0) in the 1st inning and held it until the Dutch exploded in the 4th to push over 7 runs to take an 8-2 lead. Clinton fought back in the 5th with 4 runs and in the 6th bringing their total to 9. Fortunately Manchester tallied 2 in the 5th and 1 in the 6th to win 11-9. The Dutch had only 2 hits but once Clinton walked the girls it was off to the races. Clinton walked 10 batters as Manchester totaled 18 stolen bases. The only two hitters for the Dutch were Jeri Walz (double)

DUTCH TRACKMEN RIP CLINTON

On Thursday, May 13th, Manchester boys track team increased its season record to 6-1 with a 100-58 win over a game but over-matched Clinton Redskins team. The Dutchmen took control right at the start of the meet and never looked back as they took 12 of a possible 16 first places.

Dan Clark was a double winner in the shot put and discus. Pete Tassie took four first places or 20 points home with blistering times in the low hurdles 21.3, high hurdles 15.7, and the 220 yd. dash 23.7 along with a leap in the high jump. Dave Guenther once again showed his blinding speed as he ran a 54.4 440

yd. dash to take an easy first. Dan Helsip also burning holes in his shoes with a 10:45.1 2 mile run. Mike Forner once again proved to be a threat in the pole vault cleared the bar at 11'6" to grab a first. Bob Smith and Terry Brown reached a height of 10'0" to set personal records as well as adding on to the Dutchmen's total score.

All three relays placed first adding another 15 points to the Dutch score. With the 880 relay of Guenther, M. Little, D. Meta and D. Hoover sprinting in with a 1:39.0. The mile relay of Schalble, G. Daniels, Forner, M. Daniels also placed first with a time of 3:49.8 and the 440 relay of Meta, Hoover, M. Little and T. Rowe had a sizzling time of 48.1.

and Alisa Clark (single).
On Wednesday the girls hosted Addison. Addison had the lead for the first 4 innings then Manchester started hitting the ball to send Addison home on the short end of a 20-11 tally. Alisa Clark had a round tripper to help team mate Kim Dulle win her first game (this was Kim's first attempt at pitching). Kay DeClaire came out in the late innings to relieve Kim.

On Friday the Dutch girls traveled to Onsted to play a double-header. Onsted was unbeaten but Manchester took the wind out of Onsted's sails and won both contests 6-5 and 22-13. In the 1st game Manchester showed tough defense allowing Onsted 4 hits. Once again it was the Manchester speed that provided the margin of victory. Manchester stole 13 bases enabling Manchester to win 6-5. In the 3rd the score was tied 3-3. Manchester tallied 1 in the 6th and so did Onsted to keep it tied 4-4. Manchester got 2 home in the 7th as Onsted got only 1. Final 6-5. Kim and Alisa got the only 2 Dute h hits both doubles. Kathy Rose stole 5 bases.

In the second game Manchester collected 9 hits and stole 29 bases to down Onsted, 22-13. Kim belted 2 home runs for 3 RBIs while Kathy Rose got her bat swinging to hit 3 singles. Cathy Schlosser had 2 hits. The scoring in this game went as follows: 5-1 Manchester after 1 inning, 7-6 Manchester in 3rd, 9-11 Onsted leading after 4, 18-11 Manchester after 5, and 22-13 final.

MANCHESTER BOARD OF EDUCATION MINUTES

The regular meeting of the Manchester Public School District Board of Education was held on Monday, April 19, 1976 in the High School Library. All board members were present. Also present were Supt. Swartz, Bus. Mgr. Misner, and Principals Koceski, Tapping, Tassie and McGuire and Ass't. High School Principal Korican.

The meeting was called to order at 8:05 p.m. by board President Vogel. The first order of business was approval of the minutes of the previous sessions. A motion was made by Bunnay and supported by Walkove to approve the minutes of the previous sessions. Motion carried.

Next, the financial report was presented by the business manager. A motion was made by Kessler and supported by Westfall to approve the financial report as presented. Motion carried.

Next, the bills were presented for payment approval. A motion was made by Bunnay and supported by Lackhardt to approve the bills for payment. Motion carried.

A letter from several parents of eighth grade students was read by Board Member Bunnay. The letter expressed appreciation for the time and effort put forth by Joan Bogard, Donald Kirk and Ted Tapping to make the science trip a suc-

cess. The letter is to be placed on file. Under unfinished business, roof repairs glass replacement, smoking on school grounds and additional driver's training classes were discussed.

Lots Kuntz asked questions concerning the bathrooms and school suspensions at the high school. High School Principal Koceski responded to these questions. George Macomber commented on the discipline in the schools.

Larry Steeb made a short presentation on what is still needed to put the track in usable condition. He mentioned that it would cost approximately \$9,000.

The business manager commented on work that is planned for the track and football fields.

Mr. Swartz read a proposed resolution calling for an election to be held on June 14, 1976. A motion was made by Feldkamp and supported by Lackhardt to adopt the proposed resolution. Motion carried.

Next, the appointment of a new superintendent was brought up. A motion was made by Lackhardt and supported by Westfall that William J. Green of Gaylord, Michigan be appointed Superintendent of Manchester Schools effective July 1, 1976. Motion carried.

The Ecology Club requested permission for a camping trip to be held May 7, 8, 9, 1976. After discussion, a motion was made by Westfall and supported by Kessler to approve the proposed trip. Motion carried.

Next, the business manager indicated that a letter from E.H. Pringle & Co., an investment banking firm in Charleston, South Carolina was received. The letter stated that \$10,000 of 1966 issue Manchester School District Bonds were available at a price of \$760 per thousand. If the district purchased these bonds there

would be a savings of \$2,400 principal and approximately \$7,000 interest over the life of the bonds. A motion was made by Lackhardt and supported by Bunnay that these bonds be purchased if they are still available. Motion carried.

Mr. Swartz read the results of the special operational millage election held today. The results are: 404 no votes, 323 yes votes, 7 spoiled voted for a total of 734 votes. The special operational millage for 16.78 mills for one year was defeated.

Board Treasurer Feldkamp indicated that inasmuch as the millage election failed, a meeting should be held within the near future to determine what further action is necessary. Board President Vogel set an executive session-board meeting for 7:30 p.m. April 26 and a special meeting open to the public at 8:30 p.m. the same night.

Mr. Swartz read the following resolution: WHEREAS the Manchester Board of Education is opposed to discrimination in any form, and

WHEREAS the Manchester Board of Education is diligently seeking to end all types of discrimination that have existed, and,

WHEREAS the Board subscribes wholeheartedly to equal treatment to all regardless of sex, race, color, creed or national origin, and,

WHEREAS the Board is totally supportive of Federal Regulation for Title IX of the Education Amendments of 1972 which prohibit sex discrimination in Federally assisted education programs.

THEREFORE, LET IT BE RESOLVED that the Manchester Board of Education acting on behalf of the Manchester School District will do what is necessary to insure fair and equitable treatment to all students and employees of the Manchester

School District and they will comply with all aspects and intent of the law.

FAD DIETS PURE BUNK!

Proponents of education say that knowledge increases our ability to enjoy. Maybe so, but eating sure was more enjoyable before we were "educated" about calories and cholesterol and saturated fats and all that. It seems, in recent years, every new bit of knowledge subtracted from the pure enjoyment of eating.

That's why it was so refreshing and comforting to have a top heart surgeon tell us: "Go ahead, eat that steak—it's O.K." Dr. Michael DeBakey says steak, eggs, bread and potatoes are "Good old-fashioned foods which are not going to fill us with cholesterol and kill us with coronary."

The authority said there's "nothing wrong with a person having an egg breakfast every morning," and "there is nothing wrong with regular steak dinners." Eat nothing to excess, he says. Moderation is the key to a healthy diet.

"These restricted 'fad' diets that tell people not to eat this or not to eat that or you will die of a heart attack are just pure bunk," he said. "From a medical point of view, we don't believe diet plays a particularly big role in heart attacks. I suspect that a lot of these fad diets that are filling up books are being written only for commercial reasons."

DeBakey expressed concern about the number of people who follow diets slavishly without medical supervision. "It is only common sense that diets should

be drawn up by doctors—not authors," he said. About low cholesterol, roughage diets — they can help some people, actually harm others, the doctor claims. What does cause heart attacks? "Perhaps," says the famed heart surgeon, "we will find it has a lot more to do with genes in a person than diets, exercise or stress."

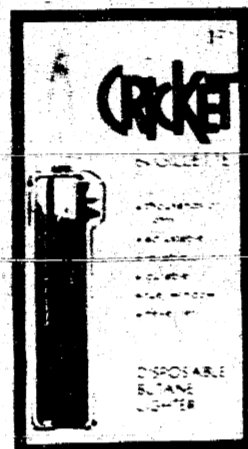

So...get that charcoal grill heated up, and lay a couple of T-bones on it. Hooray! It's O.K.!

Petitions Available For Library Board

Petitions are available from the Manchester Township Clerk, Waldo Marx, for Manchester Township Offices for the August Primary Election.

This is a Library announcement to let the public know that there are to be three openings on the Manchester Township Library Board this year. Two regular six year terms (1976-1982) are to be elected and one two-year term (1976-1978) to fill the vacancy caused by the resignation of Mrs. Robert Swartz.

Mrs. Robert Nickels has been appointed by the board to fill Mrs. Swartz's vacancy until elections take place in November. The two board members whose terms expire this year are Mrs. Rolland Grossman and Mrs. Franklin M. Reck. Other board members are Mr. Harold Burch, Mrs. Richard Kuntz and Mrs. Herbert Mahony.

Library Board petitions must have a minimum of 8 and not more than 31 signatures of registered voters from Manchester Township and the deadline for filing is May 31 in Manchester.

HISTORICAL SOCIETY

The next meeting of the Washtenaw Historical Society will be Sunday, May 23 at 2:30 p.m. at the Hatcher Library, University of Michigan, Map Room on Eighth Floor, Enter building at south entrance and take elevator just beyond entrance. The subject of the meeting is How maps can aid in climbing your family tree.

Personal help with your problems will be available at the map room of the Library between 1:00 and 2:30 p.m.

APPOINTED TO FACULTY

Mary M. Leeman has been appointed to the faculty of Michigan State University, effective May 1. She will coordinate the medical education programs in the Radiology Department of the College of Human Medicine. Mary formerly taught English and served as chairman of the department at East Lansing High School.

Mary is the daughter of Mr. and Mrs. Sydney Leeman and a graduate of Manchester High School and Michigan State University.

POPPY DAY

The Emil Jacob Post Unit No. 117 American Legion Auxiliary will offer poppies to the public on May 21st, according to Mrs. Russell Hosmer, the Unit's Poppy Chairman.

"Poppy Day in 1976 gives the public a most unique opportunity to serve our present day veterans and, at the same time, to observe our nation's Bicentennial, because the poppy is a symbol of the sacrifice all persons have made to preserve the freedom of our country," Mrs. Russell Hosmer said in announcing Poppy Day. "Few have sacrificed more in the name of freedom than those who founded our country and those who have fought to keep her free."

Members of Unit No. 117 will be scattered throughout the community on May 21st to offer poppies to citizens. All money donated in return for a poppy is used for veterans' rehabilitation, as required by a national Auxiliary ruling. Mrs. Russell Hosmer said that Unit members would be distributing poppies made by hospitalized veterans at Percy Jones Hospital at Battle Creek. These veterans are paid for assembling the flowers.

Last year, Unit No. 117 was able to help several families with funds contributed on Poppy Day.

AMERICAN LEGION AUXILIARY MAY MEETING

The American Legion Auxiliary Unit 117 met on Wednesday May 12 at the home of Mrs. Frank Tirth.

The meeting was called to order by President Smith and the Secretary's and Treasurer's Reports were read and approved for filing. Communications were read. The following standing committee reports:

Gold Star Chairman reported that gifts and Mothers Day cards had been mailed to all of the area Gold Star Mothers on Mothers Day. Girls State Chairman, Mrs. Schiel told the group that the Girls State Tea would be held in Ann Arbor on Sunday, May 16. Miss Kristy Kuntz, Manchester representative planned to attend.

Poppy committee asked for volunteers to help sell poppies on May 21. Headquarters this year will be at the Ann Arbor Federal Bank. Miss Poppy will be Charlene Steele, daughter of Mr. and Mrs. Edward F. Steele. All Junior and Senior members who can help with the poppy sales are asked to report to Mrs. Russell Hosmer before Friday or come into headquarters on Friday May 21 for instructions.

Membership dues for the year 1977 was discussed. Dues for 1977 can be paid after June 1 and the amount of the dues will be raised because of the State and National dues assessments.

Mrs. Michael Hughes is serving as general chairman of the Units Bicentennial project, "The Taster's Spree". This event will be held on July 22. Heading the various committees to prepare the "Spree" will be: Judges - Mrs. Claire Reck, Arrangements and Set-Up - Mrs. Del Ludwick, Publicity - Mrs. Rodney Hoef, Clean-up and General Arrangements - Mrs. Mary Smith.

The Unit was asked by the Post to participate in the Memorial Day Parade which will be held on Monday, May 31. The parade will form on the Main Street bridge at 9 a.m. Following the Parade and participation at the Norvell Cemetery there will be a potluck dinner at the Legion Hall for all Legion members and Auxiliary members and their families.

Election of Officers will be held in June. Serving on the nominating committee will be Mrs. Philip Kern, Mrs. Del Ludwick and Mrs. Robert Popkey.

Mrs. Harry Sutton will serve as Good Cheer Chairman for the coming month. Mrs. Oscar Shoushock and Mrs. Ethel Weir's names were drawn for the May drawing.

The next meeting will be held on June 9 at the Ann Arbor Federal Savings Bank with Mrs. Robert Popkey and Mrs. Rodney Hoef serving as hostesses. Refreshments were served by the hostesses assisted by Mrs. Walter Vogt.

Tim Kococki, son of Mr. and Mrs. Chester Kococki of 123 Riverside Drive and a junior at Manchester High School, is the outstanding citizen for April. Tim, being very athletic minded, spent time in the Middle School participating in football, basketball and track. In the 9th grade, Tim made a fine contribution to the undefeated Freshman football team, but did not say much about his participation in the winless basketball season. He helped back stage on the all school play, "Tell Me That You Love Me, Julie Moon" and performed on the varsity baseball team; and played the cello at concerts.

Remedial Speech and Language Services

Although it is one of the lesser known services provided to public school children in Michigan, Speech and Language therapy (or Speech Correction, as it is commonly known) has been in the schools for well over 20 years. The Public School speech therapist serves a percentage of the school population who, for various reasons, have difficulty communicating. These difficulties can be divided into four main categories. The number of children falling into each category and the type of treatment program needed varies from one to another. The two smallest categories are voice and rhythm disorders. Voice disorders result from misuse of the voice box either because of physical or emotional factors. This produces various types of vocal patterns resembling laryngitis. Habitual misuse of the voice in this way can lead to severe difficulties and combined treatment of a doctor and speech therapist is often needed. Rhythm disorders are known as stuttering or stammering, and cluttering. No single cause has yet been determined for those impairments, although it is known that emotional factors play a large role particularly in stuttering. Working with a speech therapist can be of help to both the child with this problem as well as his parents and teachers. The largest number of children seen by the average speech therapist are those with articulation disorders or omissions of the various sounds we have in our language, (such as saying wed for red or thoup for soap). Having these difficulties can be a painful experience for a child. With the aid of the speech clinician these problems are usually easily rectified. The last category is one which has received much attention recently. The area of language disorders is one in which clinicians are discovering much more needs to be done. Many children having difficulty in academic areas are those
