Jaycee Auxiliary Annual Art Show

Area artists and craftsmen will be displaying and selling a wide variety of items at Manchester's third annual art and craft show Saturday, July 10. From 8 a.m. till 5 p.m. the public is invited to browse among the many hand crafted items. Craftsmen are displaying leather and copper work, decoupage, hand painted jewelry, sewn pillows and toys, shell objects and many others. Shoppers may have their children sketched in charcoal or may purchase art work in oil or water colors. The setting for this year's event is Manchester's lovely Wurster Park just one block west of the downtown businesses. Plenty of free parking near the pleasant, shady park will give people time to browse. If it rains the Klager Elementary School north on Ann Arbor Street will be used. This annual event is sponsored by the Manchester Jaycee Auxiliary which uses all proceeds for community youth projects.

Annual Chicken Broil Thursday, July 15

EVERYBODY COME TO MANCHESTER'S ANNUAL CHICKEN BROIL THURSDAY, JULY 15.

Bicentennial Calendar

The Manchester Bicentennial Committee would like to thank Clarence Fielder, Ted Stautz and Gene Bentschneider for the terrific Fourth of July Picnic and Celebration they planned for us. Thanks to Mr. and Mrs. Dick Kutz, Kris Kuntz and the Manchester High School Drama Club for planning and performing their play. Thanks to the Manchester Fire Department and Police Department for their assistance. A special thank you to our First Lady Candidates. Thank you to all the people who worked. Last, but not least a very special thank you to all the people who came. Without you, all our work would have been in vain. Thanks again.

A few reminders, this Friday, July 9, the citizens of Manchester are invited to caravan to Dexter. If you are going, please organize on Main Street about 7:00 p.m.
Saturday, July 10, the Public Auction will take place on Main Street at 12:00 noon. One item of interest is our sterling silver coins, numbers 1 - 5. See you there.
Sunday, July 11, Hemlines in History, 2:00 p.m. Manchester High School Auditorium. We will also present a second show at 4:30 p.m. The Lambda Nu Sorority is presenting over 40 different fashions worn through the years. Admission is \$2.00 adults, \$1.00 children. It will be well worth your time.

Bicentennial Parade July 17

All children of the Manchester area are invited to join in the Manchester Bicentennial Parade on Saturday, July 17 at 2:00. Categories are as follows: Pets - largest, smallest, prettiest, ugliest. Bicycles, baby buggies, tricycles, unusual entries, coaster wagons, and unusual small vehicles.
For entries and further information call Clarence Fielder, 428-8506 or 428-7477, Gene Bentschneider, 428-8171 or 428-8567 or Ted Stautz 428-8594 or 428-8126.
Prizes and refreshments will be served at Carr Park following the parade.

TUESDAY NITE SINGLES

Live music will be playing for the Tuesday Nite Singles at the Briarwood Community Room, this Tuesday, July 13, from 9 p.m. till 12 midnight. All singles 25 and over are cordially invited. The Merrimen Band will be providing the music on the 13th.

Union Savings Bank Announces Promotions

Richard Z. Wolf, Executive Vice President, Union Savings Bank of Manchester announced this week the promotion of two officers and the naming of a third officer. Former Assistant Cashier Ronald J. Walter has been appointed Cashier. Walter, a lifelong resident of Manchester, has been associated with Union Savings Bank the past five years. He is married and has one child.
Assistant Cashier Arnold L. Weaver, a four and a half year veteran of Union Savings, has been named an Assistant Vice President. Weaver was formerly manager of the Bridgewater office of Union Savings. He is a native of Iowa and a graduate of Upper Iowa University.
Weaver has direct responsibility for the mortgage loan department.
Eastern Michigan University graduate, David A. Pratt has been named an Assistant Cashier at Union Savings Bank. A lifelong resident of the Manchester area, Pratt has been employed at Union Savings since 1974.

In announcing the promotions and the appointment, Wolf stressed the bank's program of advancing personnel within the bank.
"Giving our people the knowledge that first we seek within, builds in our opinion a more loyal and hardworking staff. The incentive of future advancement for those who earn this recognition is, in our opinion, all important if our bank is to grow and prosper."

Glory, Glory Hallelujah

By C. Chapin
Glory, Glory and Hallelujah Too!!! Wasn't that some fourth of July, right there in Carr Park. We stood on the hillside by the back pavilion and I got a long view of the whole thing and my goodness it was good. There was all of middle America spread out in front of us, tables full of Fried Chicken, children playing on the swings, ladies in their costumes and couples strolling all round visiting. The charcoal was hot and the hot dogs were grilling, the egg toss, the pennies in the sawdust, and the Keystone Kops running around in those absurd blue uniforms. More than that, young men in uniform were directing traffic, and the High School Drama group entertained us with a selection of songs from "Celebration '76" and Lo-saz Wackenhut's band played for our pleasure.

The Parade was a pleasure, lots of horses and music, the band looked fine. The downtown block is bedecked with bunting on each store front in addition to the usual flags and the combination supplies enough red white and blue to choke us up. It's easy to get sentimental when the whole town is so lovely.
The bunting was purchased by the merchants through the Bicentennial Commission and brackets were made locally, and donated by Clarence Fielder and Gene Bentschneider of Man. Tool & Die, with installation and hanging by the Firemen. Ah, the Firemen, those men in charge of the fireworks and what a grand job they did. Here again the Bicentennial Commission purchased them and the firemen did an outstanding job of presenting them. We sat on the ground and Ooh'd and Ash'd and clapped at the specially good ones.
If you haven't been in the Bicentennial Headquarters yet, well this is your only chance in 200 years, so don't miss it. There are some really fine souvenir

(sorry about that word) items. We have Manchester stationery, Manchester Plates, Manchester Coins, each a quality item, and now Manchester patches plus best of all a new Bicentennial Book, with lots of history and pictures in it.
We would like to point out to all you good people that the Annual Manchester Chicken Broil is next week on Thursday, July 15, and that is not the end. There are several events coming up including an Auction, A Fashion show "Hemlines in History", a hat show "The Mad Hatters Tea Party" so watch the Calendar for the schedule and don't miss anything.

United Way

The Manchester United Way Board met on Wednesday, June 30 at the Lawson Building.
Minutes of the previous meeting were read and approved for filing.
The Budget for 1977 was presented by the Budget committee for review, and adoption for the 1976 Fall Campaign. The Budget figure will be announced at a later date. The Kick-Off Dinner date was established for October 3. Mrs. Ludwick was appointed to find a place for the dinner and Mr. Lawson will obtain the dinner sponsor.
The Board will again conduct a Slogan Contest during the Community Fair in August. Mr. Francis Smith and Mrs. Ludwick are in charge of the Fair Booth and are completing the arrangements.
The Board voted to allocate the amount of \$136.00 to the American Red Cross for the Micronesian Island Disaster on Guam Island and Truk Island. This amount is Manchester's share of 1.6% for National Disaster Service.
The next meeting of the Board will be held in late August and the date will be announced later. All plans for the Fall Campaign will be finalized at the August meeting.

THE INTER-COM

Bill Green, Superintendent
Manchester Public Schools

The Board of Education and the administration takes their hats off to the 200 people who braved a terrifically hot Sunday afternoon to attend a meeting regarding the introduction of several new policies into the operation of the school program. It was refreshing to share this time with the young men and women who make up our student body and I deeply appreciated their candor and openness with me in discussing issues which the Board of Education and I feel are of paramount importance to the future of the Manchester district.

At last month's Board meeting, the Board of Education unanimously approved our recommendation for a closed campus for the coming school year. In preface to explaining the meaning and ramifications of a closed campus, I would like to emphasize that in no way are new poli-

cies being introduced meant in any way to be punitive to students, parents, faculty, administration, or the Board. I must emphasize however, that as Manchester's largest industry, we do have a responsibility to provide order and an atmosphere conducive to sound learning practices in order to be justifiably accountable to our parents and families that entrust their most cherished "product" to our care and dedication. Every parent has the right to know that their son or daughter is in school and being supervised from the time they leave home in the morning until their return home in the evening. They must also be relieved of the anxiety of knowing that rules and regulations are being applied the same to all youngsters and that they are being applied consistently.

The Closed Campus will mean that no young man or woman, boy or girl, in grades K-10 will be permitted to leave the campus of the Manchester schools at any time during the day without explicit permission of the parents. Naturally, parents have the final word in what they will permit their youngster to do in terms of removing himself from the school setting. If a parent chooses to have their student go home for lunch, the parent will be given the opportunity to sign a noon release pass for their student for this purpose. If a student is needed at home for some reason, the same principle would apply. These permission slips will be on file in the school office and verified with the parents. A parent also has the right not to sign any form at all which will enable their student to come and go as he pleases, but, will release the school from all responsibility for the safety and education of their child. In grades 11 and 12, more opportunities will be extended for freedom of movement so that time is not wasted, students can obtain jobs, attend other functions, and begin to assume responsibility for sound planning of their time. The school will still retain the possibility of removing this freedom with parents permission should the young man or woman not be able to handle free time off campus with dignity and responsibility. The responsibility in assisting the school in building this positive image of the Manchester community's young adult will still rest with the parent even if the student has attained the age of majority at 18 years of age.

The school also must maintain responsibility in following through to see to it that the same principles are applied equally to each youngster. No students will be sent on errands downtown or any other place without the express permission of the parent and this would be seen by this office and the Board of Education to occur on only those occasions of an emergency and would occur seldom if ever.

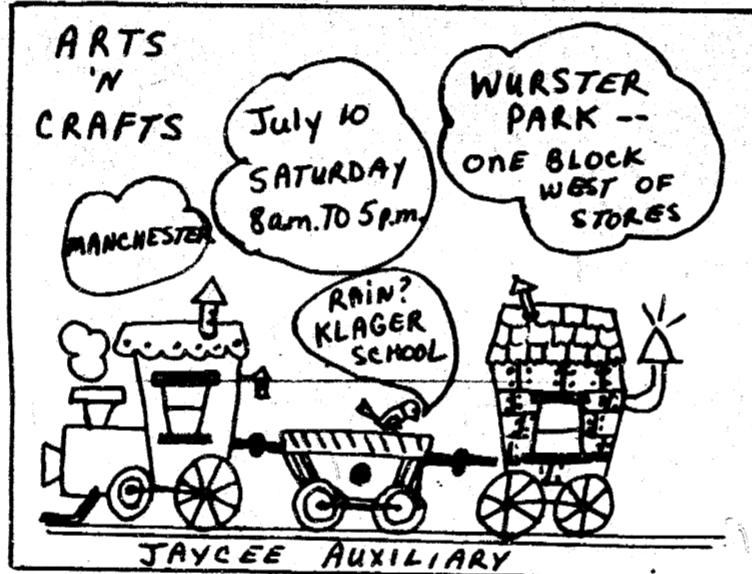

The greatest insult I feel as a parent myself is to have to walk downtown and see signs posted on our businessmen's doors that state only 2 students permitted in at a time. The obvious need for a merchant to do this is obvious to all of us and it would be our hope that for the few that that type of message is meant for will not be necessary for very much longer.

Students who leave campus without permission will be assigned duties at school commensurate with the degree of violation of the rules. Obviously no physical punishment nor degradation of the dignity of the student will be permitted, however, several hours of work in improving the appearance of the building will be in concert with the goals of making our public buildings the pride of the community. In each case, parents will be contacted in order that they are informed of such infractions. This policy will also insure the safety of students being off the streets and out of danger of traffic, etc.

All students, staff, and administration who bring cars to school will have their cars registered in the principal's office with an appropriate correspondent number on file in the office. Any car not registered as belonging to a student or staff member will be towed off the campus at the owner's expense. A special parking area will be posted and provided for visitors to the school who would not need a registration. A student will not be permitted to remove his car from the parking lot at any time during the day without the written permission of his parents and then a punched pass from the office authorizing leaving campus. Infractions of this policy will result in the lifting of the driver's license of the student for a period of time by either the parents, the school administration, or the local law enforcement agency. This will eliminate the unnecessary operation of motor vehicles during the noon hour and the wear and tear on tires and preservation of life. Cars leaving the campus at any time during the day will be checked for proper pass privilege. In addition to loss of driving privilege for a period, time would be put forth for further beautification of our public buildings.

At this point, your reaction to the preceding policy may be one of hostility for the necessity of making this point so strong. I would ask that you think about all the ramifications that can result from not having rules that will return order and a learning environment to the learning situation to say nothing of the increase in safety we provide for our children in helping them prevent making foolish and tragic mistakes in judgment.

Team. Gale and Janet are full time members of the Team known as the "God Squad" and Ken and Phil will be joining them at this time.

"THE INTER-COM"

I would hasten to add again that you join with the Board and administration in not perceiving this policy in a punitive sense. We expect a very minimal problem with it and it is a policy that will negate the negative image given our school by a very small minority of students in the way they conduct themselves when they can leave the campus at will and without permission or policy to prevent it. I would again state, too, very clearly that the school cannot or will not usurp the authority of the family and the respon-

COUNCIL PROCEEDINGS

June 7, 1976

Council met in regular session with the meeting called to order by Pres. Little at 7:09 p.m. Present were Daniels, Denhoff, Duncan, Padley, Schaffer, Scully and Zsenyuk; absent Fitzgerald. Minutes from the May 24 regular meeting were approved in a motion by Padley, supported by Denhoff. All yeas, carried.

Village Assessor Russell Widmayer was present with the tax roll figures for the fiscal year 1976-77. The 1976 real property valuation is \$8,985,500.00. Personal property valuation is \$1,825,300.00, approximately \$3,800 less than last year. The millage will be assessed as follows:

| | | |
|--------------|-----------|-------------|
| General Fund | 8.8 mills | \$95,151.44 |
| Sewage Bond | 1.5 mills | 16,220.70 |
| Highway Bond | 2.4 mills | 25,953.12 |
| Bridge Bond | 1.3 mills | 14,957.94 |
| | 14 mills | 151,393.20 |

Moved by Scully, supported by Duncan to accept Widmayer's report. All yeas, carried.

Padley reported on the Recreation Department's planned program for the summer. He indicated that nothing has been planned recently for the 16-18 year old young people. Wes Gall was present to explain what involvement with the Conde Mack League would entail. This ball league is active throughout the county. Presently Mr. Gall has a number of individuals interested in playing. Moved by Scully, supported by Padley to raise the contribution to the Recreation Department to \$1800.00 so that this program can be incorporated into the planned activities. All yeas, carried. Padley showed Council an inventory form he had received from the State. Once forms are filled out by the communities the State Park Association will be able to apply for park monies from the Federal government for further development of existing facilities. Enter Fitzgerald at 7:45 p.m.

Edwin Murphy was present in conjunction with his request to have his property at 815 City Road zoned back to residential. Letters were read from the Village Planning Commission indicating that this was acceptable if the canopy were removed from the front of the present building. Moved by Duncan, supported by Fitzgerald that a variance hearing be scheduled for 8:00 p.m. June 21, 1976 to consider the addition proposed by Murphy, as well as the conversion of a commercial building to a residence with a setback of 20 feet rather than 25 feet as per ordinance. All yeas, carried. Mr. Murphy was to submit a request for variance with the required fee prior to the clerk mailing any notices to homeowners within 300 feet.

John Holland and John Adams of McNamee, Porter and Seeley presented a report on Manchester's position in regard to the Water Resources Commission, and the Federal grant. After some brief explanations there was an interruption for a Public Sale at 8:00 p.m. The Village Attorney said the deed will limit the property to a non-building site with easements for utilities. One bid was entered by Lyle Widmayer on behalf of the Manchester Development Corporation for \$500.00. Moved by Fitzgerald, supported by Schaffer to accept the bid. All yeas, carried. The clerk accepted a check for payment for the property located immediately adjacent to old I.G.A.

THURSDAY, JULY 8, 1976 THE MANCHESTER ENTERPRISE PAGE 5

Commencing at the southeast corner of Lot 1, Block 1, John W. Cowan's addition; thence south 61 degrees west 78.19 feet in the north line of Jefferson St., for a place of beginning; thence north 28 degrees 28' west 88.94 feet thence southwesterly to a point in the north line of Jefferson St.; thence north 61 degrees east 64.81 feet to the place of beginning, being a part of the southeast 1/4, Section 2, Town 4 South, Range 3 East, Village of Manchester.

This parcel is a small triangular piece of land abutting the river on the north side of the Main Street bridge at the east end and measures approximately 57 feet on Main Street and 75 feet in depth. Exit Padley at 8:00 p.m.

John Adams continued his report on the Infiltration and Inflow Analysis. The Water Resources Commission is pushing for further studies than have already been conducted. McNamee, Porter and Seeley feel they are unnecessary and would prolong the process possibly to the time when Federal funds might be unavailable. The SSES study in itself would require further preparation and once initiated would extend the time frame of the grant application. Three alternatives were proposed with projected cost figures and future operation costs. It was moved by Scully, supported by Fitzgerald to accept the report from McNamee, Porter and Seeley and to concur with them in pursuing alternative 2 without an SSES if possible. All yeas, carried.

Fitzgerald reported that 111 tons of asphalt were spread on one block of Union Street in the past two weeks. The Streets were swept by hand because of sweeper breakdown. Repairs are currently being made on the sweeper. Fitzgerald requested Daniels to check into Village files for a copy of a letter sent Mr. Gatus and Mr. Chart and refer any further questions to the Village Attorney in reference to a drainage problem at Mr. Chart's residence.

There was a request to have the Village check into the cost of spraying for mosquitoes, which Fitzgerald will handle. Schaffer requested that a bill for the cost of Mayor's Exchange Day be added to the list of invoices. He reported on a joint meeting with the townships at which the inspectors came up with an affidavit that an individual must sign when obtaining a permit. It states that the homeowner is doing his own work if he is taking the permit in his own name.

A contract with Washtenaw County for the printing of Tax statements was approved in a motion by Duncan, supported by Schaffer. All yeas, carried.

Zsenyuk reviewed the May Police Report which is as follows:
Police Runs: 56, Vehicles Investigated: 147, People Injured: 356, Warnings: 104, Complaints received: 38, Complaints Intermittent 2 without an SSES if possible. All yeas, carried.

Gelatin Unmolds Easily With New No-Stick Product

Has it ever happened to you? You've prepared what is to be a lovely-to-look-at fancy molded salad—a crowning centerpiece for the dinner or buffet table—yet at the critical moment when it is to be revealed, it won't budge from the mold!

Maizola No Stick cooking spray solves the problem. Simply spray the mold before pouring in the gelatin mixture. After the mold has set, it will fall easily out of the inverted mold. Sprayed into cooking utensils of all types, this same cooking spray prevents sticking and makes clean-up easier. For example, baking dishes usually need to be soaked or scrubbed. Spray them with the no-stick cooking spray before filling and they can be wiped clean with a sudsy sponge. Eggs, whether scrambled, fried or poached, no longer stick when the pan is sprayed before heating.

Look for this new cooking spray in your grocery store and use it when preparing this Lemon-Lime Salad. Keep it handy on the kitchen counter ready for other uses, too.

LEMON-LIME SALAD

- | | |
|--|--|
| 1 cup boiling water | 1 cup cottage cheese |
| 1 package (3 oz.) lemon flavored gelatin | 1 can (8 1/2 oz.) crushed pineapple, drained |
| 1 package (3 oz.) lime flavored gelatin | 2 teaspoons prepared horseradish |
| 1 cup real mayonnaise | 1/2 cup chopped pecans or walnuts |
| 1 cup dairy sour cream | |
- Four boiling water over gelatin. Stir until gelatin is completely dissolved. Combine remaining ingredients. Stir in hot gelatin, mixing well. Spray inside of 1 1/2 quart mold with no-stick cooking spray. Pour in gelatin mixture. Chill until set. To unmold, first give mold a gentle shake, then invert mold onto serving plate. Makes 12 (1/2 cup) servings.

Sombrero Corn Bread begins from a secret ingredient so good you won't be able to keep it under your hat. It's the delicious and simple mix that bakes to golden brown perfection—this time as corn bread. Homemade good! When you incorporate a half pound of ground beef and a cup of shredded cheddar cheese into the mix, it becomes a really hearty main dish base. On each serving, spoon a sauce—a jaunty tangle of tomatoes, onion and green pepper. It's food for a fiesta—but you'll still have time for a siesta under your sombrero.

SOMBRERO CORN BREAD

Corn Bread:
12-oz. pkg. (2 1/2 cups) Flako Corn Muffin Mix
1 teaspoon chili powder
1/2 teaspoon salt
1/2 teaspoon pepper
1 cup (4 oz.) shredded sharp Cheddar cheese
1/2 cup milk
1 egg
1/2 cup ripe olive slices

Sauce:
1 tablespoon butter or margarine
1/2 cup chopped onion
1/4 cup chopped green pepper
One 16-oz. can tomatoes
One 8-oz. can tomato paste
1/2 teaspoon salt
1/2 teaspoon pepper
Few drops hot pepper sauce

For corn bread, brown meat; drain. Combine corn muffin mix, chili powder, salt and pepper. Stir in 1/2 cup cheese and meat. Add milk and egg; mix well. Pour batter into greased 8-inch square baking pan. Sprinkle remaining 1/2 cup cheese and olives over top of corn bread. Bake in preheated moderate oven (375° F.) 25 to 30 minutes.

For sauce, saute onion and green pepper in butter. Stir in remaining ingredients. Simmer, uncovered, 5 minutes, stirring occasionally. To serve, cut corn bread into 6 pieces. Spoon about 1/2 cup sauce over each piece. Serve immediately. Makes 6 servings.

WE WILL BE CLOSED ALL DAY THURSDAY, JULY 8 TO MAKE FINAL MARK-DOWN ON MERCHANDISE. OPEN FRIDAY, JULY 9, AT 9:30 A.M. WHEN OUR SUMMER SALE STARTS.

New Movie Tells...

Real "Uncle Sam" Legend

Few people know that Uncle Sam is more than a political cartoon and symbol of America—he actually lived.

A new movie, "Uncle Sam: The Man and Legend," recounts this fascinating but little-known chapter of American history.

Narrated by actor E. G. Marshall, the 23-minute film tells how Uncle Sam became a national symbol. The story was filmed by the National Association of Realtors on location in Troy, N.Y., where Samuel P. Wilson—Uncle Sam—lived, worked and became famous and is buried. Photographed in brilliant color, the movie is based on Samuel Wilson's life and features a treasury of historic American scenes.

Sam Wilson contracted to provide the United States Army with provisions during the War of 1812. Barrels of his beef were stamped with the United States insignia "U.S." but to many Americans of that day the initials stood for "Uncle Sam." The legend was underway and gradually, through his humble and patriotic efforts on behalf of the nation, Uncle Sam Wilson became a human symbol of the country itself.

The film is appropriate for schools and churches or for meetings of civic, service, fraternal and professional organizations. It imparts a new appreciation of our rich heritage and national symbols. Uncle Sam takes his rightful place

alongside the flag, the Eagle and the Great Seal of the United States.

"Uncle Sam: The Man and Legend" is part of a nationwide public service program being conducted by Realtors to help celebrate America's Bicentennial. Anyone interested in scheduling this excellent, free program for community groups, schools or churches should contact his local board of Realtors or neighborhood Realtor. It is available without cost.

The parade committee wishes to Thank you all entries in the July 4 parade. Also a special thanks to Dr. Glenn Lehr for the use of his parking lot for parking at fire works display.
Clarence Fielder
Gene Beetschneider
Ted Staatz

Many thanks to our relatives, friends, and neighbors who came to our 25th anniversary party for all the lovely gifts, money and cards. All of which helped to make it a day we won't forget. A special thanks to Richard & Connie, Glenn and Larry for the picnic table and also for all the hard work getting ready for our party.

Thanks also to Tricia, Lealle and Jason Rogers for the lovely roses. We love you all.

Thanks again,
Lillian and Dick Hlavka

Thanks so much to all for the flowers, cards and visits while I was in the hospital. Thanks to the clergy visiting.

A special "Thank you" to Dr. Purfield for his many calls and kindnesses.
Sincerely,
Martin Kasal

I wish to thank the Manchester Fire Department, Shirley Whitman, State Police, Manchester Police and also the fellows at the Lake.

Mr. and Mrs. Raymond Loucks

A big "Thank you" to the Bicentennial Commission for the wonderful parade, picnic and fireworks on July 4th. It was a day we will all remember for some time.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU EDITORIAL

NO RISKS — NO FOOD

This year is 2000, the scene a metropolitan suburb. The lawns which once graced the homes along the street have been replaced by garden plots. A thin, stoop-shouldered man hoses the weeds which grow more profusely than the vegetables. Two pale children follow him, battling insects from the plants with sticks. Inside the home, a woman searches the cupboards for something to feed her family at their next meal.

At the neighborhood supermarket, shelves and meat counters are empty. Out in the country, farms lie dormant, machinery rusting in the untilled fields. Agriculture had gotten sick and died. It died a slow death, perpetrated by well-meaning, ill-informed environmentalists, panicky consumers and weak-kneed politicians. One by one, agriculture's vital "tools" — herbicides, insecticides, all the chemicals necessary to insure an adequate food supply — were outlawed. Meat consumption was not allowed because it had been decided that it was a danger to human health and a cause of world starvation.

And a hungry America wondered what happened.....
Sound far-fetched? Perhaps. But sometimes it's necessary to use extremes to point out the dangers of the direction in

which we are heading. There actually are many vocal people who advocate the ridiculous actions used in our far-out illustration... and others who listen.

This happens in spite of the fact that the American's health is well-protected by the Federal Food and Drug Administration which tests, tests, tests some more, and even after finding the safety level, adds another 10-fold safety factor for further protection. Such was the case with Michigan's unique PBB situation. When the FDA set the tolerance level, that 10-fold safety factor was included. To further insure Michigan consumers of clean food, the Department of Agriculture recommends stepped-up monitoring of food at the retail level. Despite these safety insurances, there is a push for lowering the levels even more.

Not only could the results be a staggering blow to Michigan agriculture and consumers, it could also open the door for those who demand absolute safety in food, an impossible, unrealistic demand. As long as there is a demand for more food, ways will be tried to meet that demand. These will include some risks. The cost of "no risks" is no food, or very little food at very high prices.

SPUR OF THE MOMENT SADDLE CLUB

The Spur of the Moment Saddle Club held our "July" horse show, on June 27th due to the July 4th coming on the first Sunday in July. Our next show will be August 1st. We should have our electric timers by that time and as the time goes on we will make more and more

improvements. We held the Halter Class for yearlings this last time and there was no where near the turnout that we had hoped for.

Our Judge for this last horse show was Peggy Lynn Miller of Manchester and the Ringmaster was Jerry Lewis from Onsted. We want to thank them both for a job well done. It was hot and dusty in the arena and they both took their time and judged very fairly.

In the Yearling Foal class at Halter: Grand Champion, Shir - Rich - Beau Dragon (George) owned and shown by Leslie Buckner. Reserve Champion was Shir-Rich Deors, owned by Becky Lalley and shown by Linda Carlson. 10 and Under Halter: Leeward Raketsna, owned by Peggy Lynn Miller and shown by her son, Keith Miller. (Only one placing in this class.) 11 and over (ponies) 1st, Leeward Inger, owned by Peggy Lynn Miller and shown by Jean Davis. 3rd, Blue Dail, shown by Leslie Buckner. 4th, Cricket, shown by Tina Carlson.

16 and Under (Horses) Halter: 1st, D. R.'s Chief Sundance, owned and shown by Rita Drouara. 2nd, Kaliff, owned and shown by Linda Carlson. 3rd, Miss Paint, owned and shown by Karen Hawk and 4th, Dragon, owned and shown by Becky Lalley. Women's Halter, 1st, Red, owned and shown by Denise Kilpatrick. 2nd, Peach Sundae Legend, owned and shown by Deann Drouara. 3rd, Scot Girl Kelly, owned and shown by Jean Davis and 4th, Farley Road, owned and shown by Cheryl Carr. Pleasure classes are as follows: 10 and under Raketsna

and Keith Miller were alone in the class. 11 and over: 1st, Cricket, ridden by Tina Carlson. 2nd, Kronos Brunetta, ridden by Jean Davis and owned by Peggy Lynn Miller. 3rd, Blue Dail, ridden by Leslie Buckner. 4th, Leeward Inger, ridden by Cheryl Carr and owned by Peggy Lynn Miller.

16 and under (Horses) 1st, D. R.'s Chief Sundance, owned and ridden by Rita Drouara. 2nd, Quetta, owned and ridden by Dawn Kilpatrick. 3rd, Kaliff owned and ridden by Linda Carlson. 4th, Stormy owned and ridden by R. J. Furka. Women's 1st, Red, ridden by Denise Kilpatrick. 2nd, Farley Road, ridden by Cheryl Carr. 3rd, Scot Girl Kelly ridden by Jean Davis 4th, Torpedo, ridden by Annis White.

The Speed Events trophy winners are listed below: 10 and under: Leeward Raketsna, with Keith Miller up, beat Leeward Inger with Keith Miller riding her, also, by just one point. 11 and over: Blue Dail, ridden by Leslie Buckner. 16 and under: Kaliff, ridden by Linda Carlson. Women's Red, ridden by Denise Kilpatrick, beat Scot Girl Kelly ridden by Jean Davis, by just one point. It was a good show and we all had a nice time. It was warm and nice and just the way it should be in the summer time.

Tell Your Wife We've Been Thinking About Her.

Of all you cherish, what's most important to you? Your wife — of course. Just think of all she does for you and your family. She's irreplaceable and if she should die, you can't take her place. But an adequate life insurance policy could help to get some of her many jobs done and to keep your household going. Ask your State Farm agent for details.

Observes 95th Birthday Fair To Award Trophies

By C. Chapin

William Lamming of 220 Washington Street, Manchester is 95 years old this year.

Born in Burnham, England and coming to America before he was 10, William later married Esther Feldkamp and of this marriage was born Jean, now Mrs. Vernon Rowland of Chagrin Falls, Ohio.

By C. Chapin

Living alone, Will does his own work and each day during good weather spends time in his garden. The raspberries are in and not a weed in sight.

One of the oldest residents of the Village, Mr. Lamming is alert and well and we wish him a very good year.

Man Beauty Shop, Riverview Beauty Salon, The Beauty Shop.

The Manchester Community Fair will award 33 trophies at this year's fair. Will you be one of the lucky winners? The Manchester Fair Board would like to say thanks to all the people that are sponsoring one or more of these trophies. If there is anyone else that would like to sponsor a trophy and their name is not listed below please call D. Richardson 428-8109 or E. Kopka 456-4864.

Haab Bros. Hardware, Double Feeds, Braun Implement, K & W Equipment, H. I. Johnson, Gross Farm Equipment, Feldkamp Tire-Saline, John Marlon Inc. Grain & Fertilizer, E.G. Mann of Manchester.

We also have a new crown for the queen this year. This is a traveling crown and will be passed on to the new queen each year. This is being sponsored by these business places and we thank them.

Bicentennial Calendar

Thursday, July 15 - The Bicentennial Belle Fashion Show will take place at the Manchester Chicken Broil. The show is at 7:00 p.m. by the ball diamond. All entrants are being asked to report to the Concession Stand at 6:30 p.m. The categories, each featuring home sewn items, include, "Little Miss Belle", "Miss Teenage Belle", "Mother - Daughter", "Miss Belle", and "Family." There are over 25 entrants in this delightful show. There will be judges from Chelsea and Dexter with prizes going to the winner in each category.

Friday, July 16 - Manchester will caravan to Saline. The caravan will leave town at 7:00 p.m. All those taking part are asked to form on Main Street at 6:30 p.m. We will caravan to the Farm Council Grounds.

Saturday, July 17 - The first day of our festival week. The day will begin with a children's parade at 2:00 p.m. The parade will begin at the Athletic Field and go to Carr Park. This is a terrific feature showing off Manchester children. Then at 5:00 p.m. we will present an Olde Tyme Threshing Bee. The Threshing Bee will be repeated at 8:00 p.m.

Tuesday, July 20 - The Mad Hatter's Tea will take place at 2:00 p.m. in the High School Study Auditorium. There will be a free babysitting service for all mothers who wish to attend. Movies will be shown for the youngsters. Featured will be: "Mouse on the Mayflower," "Casey at Bat," "Rocket Rackett," and "Pewee Had a Little Ape." See you there.

July 22 and July 25 - Mr. Herb Jacob of 15864 Below Road will open his home to the public. Mr. Jacob has a bottle collection he will have on display. He has been collecting bottles for over 40 years and estimates it will take about 3 hours to see the collection thoroughly. On Thursday, his home will be open from 1:00 p.m. to 8:00 p.m. Also on Sunday from 1:00 p.m. to 8:00 p.m. There is no charge.

School Board Reorganizes Adopts Millage Proposal

With a large crowd of interested citizens in attendance, the Manchester Board of Education met in its yearly organizational meeting on Monday evening, July 12th at 8:00 p.m.

Newly elected Board members Mr. George Macomber, and Mr. Harold J. Walkow were sworn in by outgoing President Louis Vogel.

Secretary, and Mr. Reno Feldkamp was re-elected Treasurer of the Board. Expressions of appreciation were extended to all the out-going officers of the last year's Board.

Superintendent Bill Green announced to the Board that it was necessary in lieu of question of whether or not the voters would approve the millage package on August 23rd that all teachers in the district were notified of discontinuation of their position until program could be established on the basis of the monies given the system by the voter. This is in compliance with the Michigan Tenure Act that all employees being reduced be notified at least 30 days prior to beginning of employment. If the millage vote is successful, rehiring will be done in accordance with the Master Agreement between the Manchester Board of Education and the Manchester Education Association. Green expressed his sincere desire that we could return as many of our teachers to the district and retain as much of the program as the voter would allow in order that children not be hurt by an inadequate educational program.

After lengthy discussions regarding possible millage packages that might be presented to the Manchester voters, it was decided that the following millage package would be presented on August 23rd:

Ballot 1 - 12.78 continued operational millage renewal for 1 year

Ballot 2 - 2 additional mills for operational millage of trimmed program for 1 year

Ballot 3 - 2 additional mills for re-

Athletic Physical Cards Available

It is highly recommended by the doctors and administration that athletes receive a more complete physical examination from their family doctors. Physical cards are available at the high school or at Mr. Kocesk's home.

Physicals for those who cannot get to their family doctors will be given on Thursday, July 22 and Friday, July 23, at the high school at 9:00 a.m. on Thursday, July 22. All girls planning on taking part in athletics this year should report to the Library teacher helper room at 9:00 a.m. on Friday, July 23.
