CPR Course Certifies 32

The citizens of the Manchester area are indeed fortunate to have in their midst 32 recently certified graduates of the American Red Cross class in Cardiopulmonary Resuscitation, plus an additional 20 people who attended one or more of the courses and now understand the fundamentals of this important, life-saving technique. CPR is a combination of artificial respiration and artificial

Eastern Market Saturday, Oct. 9th

Band members harvesting produce for the Eastern Market to be held October 9th.

Saturday, October 9th 9:00 to 3:00 is Band Boosters Day and the Eastern Market.

Last summer the Manchester Band and Orchestra Boosters had to purchase five new uniforms for our High School Band members and a uniform for our Drum Major. Mr. Roger Morrison, our High School Band Director says that by next Fall we will need many more uniforms. Miss Alice Greeninger, our Orchestra Director and Mrs. Joyce Mead our Middle School Band Director need support for their music programs, also. There are many activities our Music Department would like to be a part of, but it doesn't take much imagination to know that all this takes extra funds that are not available in the school budget.

Blood Mobile At Emanuel Church Monday, Oct. 18

The Red Cross Bloodmobile will come to the assistance of the Manchester Community Blood Club October 18, Monday, at the Emanuel United Church of Christ from 12 to 6 p.m. This is an opportunity for every blood donor in the School District and all of Manchester Township to help replenish the dwindling supply. The Club has met the blood needs of the area for the past 25 years.

Men and women who are 17 years of age through 65 may be blood donors. 17 year olds MUST bring a written permission from a parent or guardian before they can register at the clinic, however.

If you are not contacted by a church, an organization or an industry in the area, you will find cards at the Union Savings Bank and Manchester Ann Arbor Federal office. Or you may phone Mrs. Ica Schaffer, Chairman-of-the-Day, 428-7655 and make an appointment. All appointments, except those made through industry, will be confirmed by mail. For this reason donor cards should be received by Mrs. Schaffer by the 13th or

Fall Fun Festival October 23

Plans for the Fall Fun Festival are under way with Marjorie Tuveson and Mary Alstrom serving as chairpersons for this annual event. Also helping will be Debbie Alber-raftle; Evelyn Dentling and Eunice Scully-tickets; Geneva Walkow-building security; Sandy Smith-clean-up and Sue Fielder-publicity.

This year's Festival will take place on Saturday, October 23, from 6:00-9:00 p.m., with parents and teachers planning a variety of activities to provide a good time for all. Profits earned from this evening are used at both the Pleasant Lake and Klager Schools for special projects and materials that otherwise could not be afforded. In the past such things as playground equipment, tape recorders and supplementary reading materials have been purchased with money from the Fall Fun Festival.

The most valuable asset to a growing community are its children and the most valuable asset to our children is a caring community. Everyone is invited to come to the Fall Fun Festival and join in the fun.

circulation. This emergency procedure, used to sustain life when cardiac arrest occurs and used successfully for some time by doctors and nurses and other health personnel, is now recommended for training to as many members of the general public as possible.

Encouraged by Dr. Chiau-Seng Hwang, the Manchester Jaycees sponsored the program, aided by the very fine Jaycee Auxiliary unit (who made some great coffee!). Special thanks must go to Mr. William Lavery, Saline Hospital administrator, who permitted us to use some equipment and assisted in finding some very fine instructors, and to Mr. Tom Mollett of the American Red Cross. The corps of instructors, headed by Paul Lemon who was ably assisted by Reuben L. Torres, included Sharon Leveille, Larry Raskiewicz, Dale Chriscinski, and Manchester's own Kay Roesch and Rita Burkhardt.

A Special thanks must go to Pastor Joseph Wise of the Emanuel United Church of Christ, for the use of his facilities. The classes were well attended by Manchester Fire and Police Department personnel. Everyone certified received nine hours of intensive training, including individualized instruction using both adult and infant models of the life-like mannequins, affectionately dubbed "Resuscitation Annie."

Because the safety of everyone in the community improves as more people are trained in this procedure, it is recommended that one or more individuals from each family learn CPR. Future classes will be arranged whenever necessary. If you are interested in learning about CPR, please call Chief William Zsenyuk at the Manchester Police Department. Some day someone's life may be in your hands. Will you know what to do?

Manchester Schools Receive Grant

The Manchester Community Schools Board of Education announced today the receipt of several grants in state and federal funds to enhance the educational programs of the district schools:

1. A renewal grant of \$29,851 from Title I Compensatory Services was granted to the school district this year for primary use in providing remedial reading and math services in Grades K-4. The funds will be used to add instructional materials, instructional aides to work in classrooms with teachers, and administrative costs for in-service of staff. This is an increase of over \$20,000 from last year.
2. A community schools education incentive grant from Eastern Michigan University in the amount of \$1,500.00 for use in starting the community education program and providing course work and in-service training for the community education director.

3. The final grant issued under the provisions of Title II amounted to \$649.00 for the purchase of library books. After this year, Title II will be phased into Title IV B for use primarily by Regional Educational Media Centers.

4. An initial commitment of \$65,000 for the implementation of a Class A Hot Lunch Program for the Manchester Community Schools. This money will be used to renovate the home economics room at the high school into a central kitchen and pay for equipment, van, and delivery system at each school. This grant will be 75% of the total cost and further grants are expected to involve grants under Title VII. Council on the Aging, Division of Food and Nutrition. The final approval of this grant will be studied by the Board at its October meeting due to the need for amortization of bonds that will provide the additional 25% cost allotments spread over a number of years in order to allow the hot lunch program to work

Budget Outlook Grim

In communications with the Board of Education this week, Superintendent of Schools, William Green expressed his concerns regarding the budget and termed the outlook "grim" in terms of monies that will be forthcoming from state sources and as a result of a drop in enrollment.

"The Board has received a billing from an architectural firm dating back to 1973 amounting to over \$5,000 that, according to our attorneys must be paid this month. We also face an increase in bus fleet insurance. In addition, the athletic budget as presented for study by the Board at its October meeting shows an approximate over-expenditure projection of \$7,500.00."

"To make matters worse, categorical aid areas such as special education and vocational education funding allocations are down as well as a decrease in income as a result of a drop in enrollment from an anticipated 1390 to 1372 students for the 1976-77 school year. The drop in 18 students will represent

a decrease of approximately \$10,000 from state aid. In addition, 2 teachers have indicated their intent to retire at the end of the current year which will mean a line item transfer of \$5,000 to cover unused sick leave."

Green further stated, "The Board has signed affidavits with the State with the Department of Education to have a balanced budget for this year and they must meet this obligation."

"It is just impossible for me to perceive any further cuts in the academic program since it is cut to the "bone" already. We also face intangibles such as estimations on the amount of sick leave needed by the staff as well as our needs for substitute teachers."

"It is inevitable that further cuts and reductions will have to be undertaken to insure a balanced budget. The administrative staff responsible for the athletic budget has been instructed to bring their budget into balance by the time of the October Board meeting. The budget overages are in excess of the monies budgeted by the millage passed for athletics by the voters in August."

"Until the Board of Education has had the opportunity to further study and recommend to the administration areas of acceptable reductions, no further purchasing will be done by the school district except where dire necessity dictates."

The Board of Education meeting will be held on Monday evening, October 18th in the study auditorium of the high school. The public is cordially invited to attend.

THE INTER-COM

Bill Green
Superintendent of Schools

On a typical weekday morning between September and June, some 35 million Americans kiss their loved ones good-bye, pick up their hand-pulls and books, and leave to spend their day in that collection of enclosures (totally about 1 million known as elementary school classrooms). This massive exodus from home to school is accomplished with a minimum of fuss and bother. Few tears are shed (except perhaps by the very youngest), and few others are raised. The school attendance of children is such a common experience in our society that those of us who watch them go hardly pause to consider what happens to them when they get there. Of course, our indifference disappears occasionally. When something goes wrong, or when we have been notified of his remarkable achievement, we might ponder, for a moment at least, the meaning of the experience for the child in question, but most of the time, we simply note that our Johnny is on his way to school, and now, it is time for our second cup of coffee.

Parents are interested, to be sure, in how WILL Johnny does while there, and when he comes trudging home they may ask him questions about what happened today, or more generally, how things went. But both their questions and his answers typically focus on the highlights of the day's school experience—its unusual aspects—rather than on the mundane and seemingly trivial events that filled the bulk of his school hours. Parents are interested, in other words, in the spice of the school life rather than its substance.

rarely bother describing the ride on the bus, or the time spent at the coffee pot. Indeed, we are more likely to report that nothing happened than to catalogue the pedestrian actions that took place between home and return. Unless something interesting occurred, there is little purpose in talking about our experience. Yet from the standpoint of giving shape and meaning to our lives these events do those about which we talk. The daily routine, the "rat race" and the infamous "old grind" may be brightened from time to time by happenings that add color to an otherwise drab existence, but the grayness of our daily lives has an abrasiveness and potency of its own. Anthropologists understand this fact better than do most other social scientists, and their field studies have taught us to appreciate the cultural significance of the banal elements of human existence. This is the lesson we must heed as we seek together to identify, understand, study, and work cooperatively toward a better understanding of life in the classrooms.

And the student, himself, is no less selective. Even if someone bothered to question him about the minutiae of his school day, he would probably be unable to give a complete account of what he had done. For him, too, the day has been reduced in memory into a small number of signal events—I got a 100 on my spelling test, "A new boy came and sat next to me"—or recurring events—"We went to gym"—or most alarming like at our house in reply to what did you do in school today, we get the reply, "Nothing". His spontaneous recall of detail is not much greater than that required to answer our conventional questions.

This concentration on the highlights of school life is understandable from the standpoint of human interest. A similar selection process operates when we inquire into or recount other types of daily activity. When we are asked about trip downtown or our day at the office, we

able to us as parents. This is one of the goals we have this year for the Manchester Community Schools, and we shall be working with some of these areas in our upcoming community workshop. Have a good week.

SCHOOL DISTRICT NAME CHANGED

The Manchester Community Schools Board of Education announced today that they have received official approval of their resolution at the August Board of Education Meeting to change the official name of the Manchester Public Schools to the Manchester Community Schools.

The official change in district name accompanies the adoption of the philosophy of the community school concept and full utilization of all school facilities by community members for an educational program. It will also open avenues for additional funding from outside sources for special programs, community education courses, adult and continuing education, and many other state and federal funding opportunities.

Over 240 special educational offerings will be opened to the public this year and will further develop funding opportunities for the growth and continuation of the community education program begun this Fall.

Test yourself.

Are you really being represented in Congress?

CRIME AND VIOLENCE

1. Crime and violence are serious problems in America. Do you believe that we should make it easier for convicted criminals in federal prisons to obtain parole?
 A. Yes B. No

JOB

2. We need more jobs. Do you favor government make-work jobs, paid for by taxpayers, or permanent jobs in the private sector?
 A. Government jobs B. Private jobs

DEFENSE

3. The Soviet Union has equalled and, in some areas, surpassed the United States in military preparedness. Do you favor defense spending at the levels requested by the President, or do you favor drastic cuts in defense spending?
 A. Drastic cuts B. At levels requested

WELFARE REFORM

4. Reform of the welfare system is essential. Do you think that households above the poverty line should be entitled to food stamps?
 A. Yes B. No

GUN CONTROL

5. The Bill of Rights guarantees the right to bear arms. Do you favor mandatory registration of all guns, or do you think we should enforce the laws we have already?
 A. Mandatory registration B. Enforce laws we have

How did you vote? The present Congressman from the Sixth District has voted in Congress for the positions marked "A." Are your views being represented in Washington?

Here's what Cliff Taylor believes we must do:

1. fight crime vigorously and grant paroles cautiously.
2. create good jobs in the private sector, not government make-work jobs.
3. maintain our military strength to discourage aggression.
4. reform the welfare system to eliminate cheating and to help the truly needy.
5. enforce our present gun laws, and not further intrude in the lives of law-abiding citizens.

If you agree with him, you ought to vote for him.

Receives Rotary Education Foundation Award

It was officially announced this summer from Rotary Headquarters in Evanston, Illinois, that Valorie Vogel, daughter of Mr. and Mrs. Louis D. Vogel, 11497 Pleasant Lake Road, Manchester, Michigan, was judged to be a recipient of a Rotary Foundation Education Award for Graduate Study in Germany. Valorie left by plane on Tuesday, October 5 for Nuremberg where she will be enrolled at the University of Erlangen-Nuremberg to study International Business during the academic year 1976-77. She graduated cum laude in June from Kalamazoo College with a major in German and a minor in Economics.

Valorie was sponsored by the Albion Rotary Club in District 636 and her award covers tuition, books, living and miscellaneous related expenses, as well as round trip transportation.

As a student at Manchester High School Valorie accompanied the German Club to the Munich area during her Junior and Senior years. In the summer of 1969 she participated in a special program for language students at the University of Kansas. The following summer she was a participant with World Academy For Foreign Study and was a student at the University of Vienna studying German. From March, 1973 to June, 1974 she was employed by a private family in Cologne, Germany. More recently, she spent part of her Junior college year studying at the University of Bonn, Bonn, Germany.

VILLAGE OF MANCHESTER, WASHTENAW COUNTY, MICHIGAN

COUNCIL RESOLUTION TO CONSIDER VACATING A PORTION OF DUNCAN ST.

WHEREAS, Clarence L. Fielder and Margaret Fielder, husband and wife, of the Village of Manchester, Washtenaw County, Michigan have filed a petition with the said Village requesting that the Village Council vacate, discontinue and abolish that part of Duncan Street, in said Village from the westerly line of Macomb Street southerly and westerly to the intersection of the northerly line of land formerly owned by the Michigan-Southern Railroad Company with Union Street, and

WHEREAS, said petitioners are the owners of a portion of the premises abutting said street,

NOW, THEREFORE, BE IT RESOLVED that the Council of the Village of Manchester deem it advisable to consider the vacating, discontinuing and abolishing that part of Duncan Street as now or formerly used from the westerly line of Macomb Street southerly and westerly to the intersection of the northerly line of land formerly owned by the Michigan-Southern Railroad Company with Union Street in the Village of Manchester, Washtenaw County, Michigan.

And the Village Council does hereby declare its intention to consider the vacating, discontinuing and abolishing said street on November 1, 1976 at 8:00 p.m., in the Village Council Room, 120 South Clinton Street, Manchester, Michigan. Objections to the same shall be filed in writing with Mary Wheeler, Clerk of said Village on or before 8:00 p.m., of said day. Village Council will hold a public hearing at said time and day on the matter.

This resolution shall be published for four (4) consecutive weeks prior to said date in the Manchester Enterprise newspaper published and circulated in said Village.

The within Resolution was adopted at a Regular meeting of the Village Council of Manchester, Michigan, on October 4, 1976.

Girl Scouts

Brownie troops are organized and have had their first regular meeting. Chris Honer and Karen Paul meet with their troops on Monday from 2:30 until 4:00 and Linda McGee meets on Tuesday at the same time. The Brownies meet at Klager school and Pleasant Lake school. The girls are looking forward to their Investiture Ceremony in the near future and also a trip to the Humane Society. If 1, 2, or 3 grade girls would like to join a troop, it is never too late.

Junior age girls who want to join Scouts are asked to meet Friday, October 8th at the Knights of Columbus Hall immediately after school until 4:00. This meeting is for girls in the 4th, 5th, or 6th grade. It is very important that we have all troops registered by October 15th. Parents are encouraged to attend this meeting so that consent forms can be filled out and \$2.00 registration fee can be paid. The first activity for Junior Girl Scouts is an Encampment Weekend at Camp Linden October 15, 16, and 17th. There is much planning to be done so come join us for the fun!

Monday evening, October 11th at 7:30 the girls interested in joining a Cadette troop will meet at the Knights of Columbus Hall. This Scout level is for 7th and 8th grade girls. Last year the Cadette troop sold enough cookies to have a free weekend at one of the Girl Scout camps in the Huron Valley Council. Let's get the troop together and make some exciting plans for the coming year.

The 4th level of scouting for girls is the Senior Scouts. There is a troop being organized for all High School girls who are interested. Our Field Director at Huron Valley Council is anxious to give us all the help we need to organize this troop.

Adult Scouts are the people that make Girl Scouting possible. We still need more people to fill leader, assistant leader and troop committee positions.

For more information about any place of Manchester Girl Scouts, please call Dianne Schwab, Troop Services Director, 428-8978 or the Huron Valley Council in Ypsilanti 483-2370.

The date for the uniform exchange will be set soon. If you have uniforms for any age level please contact Chris Honer 428-8098.

Manchester Bombs Onsted 58-0

Jim Lambert (on the center) goes for 25 yds. He was big grabber this night with 121 yds.

Tim Kocinski (60) scoring 24 yds. to his first of 3 tonight.

By Jon Hardenbergh

The Flying Dutchmen annihilated the Onsted Wildcats 58-0. Manchester scored 12 points in the first quarter but it was the second period that killed Onsted. In the second quarter, we accumulated 36 more points to lead at halftime 42-0. We then added 8 points in each of the two remaining quarters to arrive at 58.

Manchester scored on their first possession. In 6 plays, Tim Kocinski zoomed into the end zone from the 24 yard line to give Manchester a 6-0 edge at the 9:11 mark. The point after touch-down failed, so it stayed 6-0. Onsted didn't move the ball the allotted 10 yards, so they punted. In 2 plays from our 45

DUTCH GIRLS COME ALIVE

By Jon Hardenbergh

The Manchester Varsity Girls Basketball Season officially started on September 13th. From then until Thursday, September 23rd, there has been sadness in the girls' locker room following the games (4 of them) for the simple reason that "we lost".

But this past week, the girls got a new lease on life. On Tuesday, Onsted came to town and left on the short end of a 42-37 tally and Thursday the Drednaughts

from Dexter visited only to be sent home losers, 38-34.

In Tuesday's contest, the Dutch High-scorers were Jan Savage and Brenda Eggleston as they both hit for 8 points. In the Dexter game, there was good defense but the stand-out was Denise Gallins 44, offensively, she popped for 20 points.

Manchester, JV and Varsity, host Clinton at 8 PM on Thursday, October 7th. On the following Tuesday, October 12th, the Dutch girls trek to Morenci.

Make Some Little Girl Happy

Enter Our Annual Dress-A-Doll Contest

Dress-A-Doll makes you a part of warmer Christmases for little girls who desperately need cheer and love. You show you care when you enter our Dress-A-Doll Contest.

We provide the 16" doll, and you design and sew an outfit for it. There are six costume categories with six \$20 First Place Prizes, six \$10 Second Place Prizes, six \$5 Honorable Mention Prizes and a Grand Prize of \$50. Costumes will be judged and displayed in our lobbies in December. At Christmas time each doll becomes a gift to some needy child in the community. And you made it happen. Pick up your dark or white doll and rules at any AAFS office starting October 4. It must be returned by November 12. Won't you warm a little girl's heart this Christmas? Yours will be warmer, too.

Shown above is the 1975 Grand Prize winner—designed and sewn by Delores Bunney.

ONSTED

yard line the Dutch got a first down on Onsted's 42. Jeff Clark motorized to the 18 yard line for a 24 yard gain, then scampered to the 8 for another first down. The only thing left that Jeff hadn't done on this drive is cross the goal line so he swept around right for the 8 yards and the TD. The point after touchdown (P.A.T.) was no good so the scoreboard read 12-0 at 5 minutes 6 seconds. Onsted ran Jeff's kick-off to their own 32 yard line and on the first play Manchester was penalized for off-sides. This gave the Wildcats a first and 5 on their 37. The Dutch defense dug in and wouldn't give Onsted the first down so once again they punted. It was a good punt but Tim grabbed it and started running down the side lines. He finally got knocked out of bounds after picking up about 40 to the Onsted 30. Six plays later the first quarter ended with Manchester on the Wildcat 5 yard line.

The very first play had Tim busting in for the TD. The P.A.T. again failed so Manchester was now up 18-0. Again, after 4 plays Onsted punted so we take control on our 39 yard line. In the next play we saw Jeff throw a pass to Pete Tassie good for 22 yards. Following was a reverse to Jim Lenhart and he raced all 59 yards for the TD. We went for a 2 point conversion and it was good, so this gave Manchester a 26-0 lead. Onsted just fell apart as the kick-off they were penalized for a personal foul which took the sphere back to the 11. On the next move, Onsted fumbled and Rick Krzyzanski pounced on it for the Dutch. We wasted no time as Tim swept around the left side for the TD at the 9:33 mark. With a successful 2 point conversion we led 34-0. Believe it or not, 2 plays later Onsted got their initial first down. Aided by Manchester's off-sides, then a 15 yarder for a personal foul, Onsted had,

moved to our 28. But greed got the best of the Wildcats as they were detected holding, so back they went. Onsted threw a pass but it was incomplete. This time the Wildcats went for the first down and didn't punt but, needless to say, they should have. They passed and Jeff snared it and ran 45 yards for the touchdown. The 2 pointer was good, so at 6:38 we were ahead 42-0. On the second play the kick Onsted fumbled and once again there was Rick to recover it. But on our next effort, Tim got cracked hard and he coughed the pigskin up with Onsted recovering. The Wildcats ran 2 downs, then passed and the ball was deflected at the line. It sailed high in the air and came down in the hands of Bob Wierich. We then moved to the 15 yard line with the following play going by aerial route to Pete in the end zone. Unfortunately, this TD was nullified by a penalty for an illegal man down field. We did move the ball back to the 8 but it wasn't enough, so Onsted took over. Three plays later the quarter ended with Manchester way out front 42-0.

The pace of the next 2 quarters was a bit slower as the Dutchmen got only 2 touchdowns. After we kicked-off, Onsted punted and Jeff partially blocked the ball so it went only 10 yards. Manchester set up operation on the Onsted 49 but they couldn't move the pigskin so Bob Kellogg punted for the first time. It was a good punt that rolled dead on Onsted's 17 yard line. Onsted was penalized for a personal foul which put the ball on the 7 so Onsted punted 4 plays later from their end zone. Once again the punt was blocked but a Wildcat picked up the bouncing ball and ran to the 12 where the Dutch took over. Three plays later, Curt scored from the 2 giving Manchester a 48-0 lead but by a good 2 point conversion, it stood 50-0. However, Manchester did start a drive in the closing minute of the 3rd quarter that resulted in a TD 5 minutes later. Curt had taken over quarterbacking for

Manchester and some of the key plays that set up the touchdown were Lenhart's run for 25, Curt's pass to Slane for 25 and Wierich's run for 9 for a first and goal at the 1. Three plays later Wierich banged in, giving the Dutch 56 points and with a 2 pointer it was 58-0. This ended the Dutch scoring for the night so we left victorious 58-0.

Game statistics: 381 yards rushing, 91 in the air. Lenhart had his first big night collecting 121 yards and 1 TD while Kocinski totaled 102 and 3 TD's. Jeff had 64 yards and 2 TD's as Curt gained 35 and 1 TD.

DUTCHMEN CONTINUE

WINNING WAYS

Our Manchester High Cross-Country Team continued its string of duel meet victories last Tuesday with a 15-48 thrashing of Onsted. The first 5 finishers all wore the maroon and gold of Manchester High and the victory parade was led by Keith Moores junior class record time of 16:04.

Jerry Miller sprinted in second at 16:20 followed by rapidly improving Sophomore Steve Eversole at 16:32. Kurt Norgaard finished with a swift 16:50 and Bob Padley completed the Dutchmens scoring

with a 16:53. The first four Dutch scorers all recorded the bests on the home course. Bob Smith finished 7th at 16:55 and Freshman Dave Vacek 10th with a clocking of 18:36 to complete the varsity seven. Completing the Manchester route that saw the Dutchmen put all 12 of their runners that day, in front of Onsted's last varsity runner, were Joe Roberts (11th-18:39), Randy Bondy (14th-19:17), Darrell Clark (16-18:44), Doug Padley (17th-20:07) and Ken Achtenberg (18th-22:23).

DUTCHMEN RUN AWAY WITH JACKSON CROWN

Outside of the Regional and State cross-country finals, the hardest test of a teams ability is the Jackson Invitational. This past Saturday our Dutchmen passed this test with flying colors as they won the prestigious meet over 11 other area powers.

Dan Heslip might have been feeling slightly under the weather but he still led the team with his 5th straight sub 16 minute clocking with a 5th place finish and a 15:42.

Jerry Miller became only the second Dutchman to clock a "legit" sub 16 minute time as he ran a strong race and finished 7th at 15:58.

Completing the Manchester Varsity seven were Keith Moore in 12th place, Steve Eversole 16th, Kurt Norgaard 21st and Bob Smith 26th and Bob Padley in 29th.

With this important victory the Dutchmen have moved into 7th place in the state class "C" rankings.

COUNCIL PROCEEDINGS

September 20, 1976

Council met in regular session with the meeting called to order by President Little at 7:01 pm. Present were Daniels, Duncan, Fitzgerald, Schaffer, Scully and Zsenyuk; absent Padley and Denhoff.

Minutes from the September 13, 1976 regular meeting were read, corrected and approved in a motion by Duncan, supported by Scully. All yeas, carried. Enter Padley at 7:10 pm.

Moved by Schaffer, supported by Fitzgerald to bring off the table the Board of Washtenaw County Road Commissioners request for support on their program to assess a 1/2 mill for five years to repair the bridges in the county. All yeas, carried. After discussion, it was moved by Fitzgerald, supported by Schaffer that support of the Commissioners' program be delayed until further information regarding benefits to our particular area is received. All yeas, carried.

Art Williams was present with a concern about the wording of the project requirement of sewage and water on Cowan's Subdivision. Williams would be responsible for the main, but not the individual lot sewage and water lines. The above is a clarification of the minutes of August 16, 1976. Moved by Fitzgerald, supported by Schaffer that the tap-in fees be waived in return for the extension of sewer and water lines to

plotted properties owned by A. Williams in the Cowan's Subdivision, Second Addition. All yeas, carried. Exit Padley 8:00 pm.

Attorney Boesch was present with his legal opinion of the obstruction on Duncan Street, which indicated that Duncan Street west of Macomb is a Village Street on which the Village would be liable for any injury caused by an obstruction. Moved by Fitzgerald, supported by Scully that Attorney Boesch direct a letter to Clarence Fielder requesting that Mr. Fielder remove the obstruction from Duncan Street by Friday, September 24, 1976 12:00 noon, acknowledging the Village's liability. If said obstruction has not been removed by September 24 at noon the Village will take appropriate action to remove the obstruction. All yeas, carried.

In regard to Duckham's contract for Modern Disposal which expires January 31, 1977, Boesch did not think that an exclusive right could be maintained. Prior to January 31, 1977, Boesch will check into the matter further as to the manner in which we should proceed for a new contract as of February 1, 1977.

Boesch will check on the status of the Catalana lawsuit.

Moved by Fitzgerald, supported by Duncan to adjourn at 10:00 pm. All yeas, carried.

Mary H. Wheeler, clerk

Sharman Wackenhut Marries William Pfaus

Zion Lutheran Church was the setting for the wedding of Sharman Ruth Wackenhut and William Edward Pfaus Friday evening, September 24.

The former Miss Wackenhut is the daughter of Mr. and Mrs. Lorenz F. Wackenhut of Chelsea.

Mr. Pfaus is the son of Mrs. Clarence Pfaus of Manchester.

They were joined in holy wedlock by Rev. John R. Morris.

The bride approached the altar wearing a gown of white satin with a V-neckline and sheer chiffon sleeves. The bodice and sleeves were trimmed with lace and pearls. The full satin skirt had a chiffon overlay. The cap of her fingertip veil was accented with lace and pearls to match the gown. She carried a bouquet of baby blue and white carnations, stephanotis and baby's breath.

Honor attendants were Miss Susan Osenowski of Chelsea, Maid of honor. Mrs. Christopher (Gina) Lentz of Manchester and Miss Sandy Waters of Ridgeway, were bridesmaids. They were all dressed in identical blue gowns of crinkle texture with lace trimming the bodice and skirt. Miss Osenowski wore a matching blue bonnet trimmed with white lace and carried a blue hurricane candle. The bridesmaids' bouquets were white and they carried white hurricane candles.

The bridesmaids, Kim Wackenhut and her cousin, Dawn Weatherwax were flower-girls and wore matching blue and white dresses. They carried baskets of blue and white carnations and baby's breath.

Best man was Mr. Robert Roehm of Ann Arbor. Ushers were Mr. Gary Skell and Mr. Christopher Lentz, both of Manchester.

The brides mother wore a brown and cream polyester gown with a sheer over-jacket of gold, brown and white print, gathered at the waist in a peplum.

The mother of the groom was dressed in a soft, mint green, polyester gown with a matching jacket.

Mrs. James (Sharon) Jones, organist, accompanied Mrs. Jody Maule as she sang, "Follow Me" and "The Lords Prayer". Following the ceremony, a reception

was held at the Saine Farm Council Grounds. Mary Ann Dettling and Paula Dettling cut and served the cake. Mrs. Debbie Ganzhorn and Miss Vicki Lara poured punch and coffee. Miss Gail Wackenhut, sister of the bride, was in charge of the guest book.

After a honeymoon in Northern Michigan, the newlyweds will make their home on Bethel Church Rd., Manchester.

The former Miss Wackenhut is a 1975 graduate of Chelsea High School and is employed by Eastern Michigan University. Mr. Pfaus is a 1972 graduate of Manchester High School and is currently employed at Double A Products and A & G Weldmeyer Farms in Manchester.

Bloodmobile

the 14th at the latest.

There will be a Nursery at the church where the children of donors may play while their parents are being processed.

Donors are reminded to be sure and eat a good meal within four hours of donation time. It is wise to avoid fatty foods and rich dairy products during that period. A person in good health may give a pint of blood five times a year, being careful to wait at least eight weeks between donations.

Recruiters for donors from the churches are: Emmanuel Church of Christ, Mrs. Richard Schable; Manchester Methodist Church, Mrs. Dennis Helfrich; St. Mary's Catholic Church, Mrs. John Wallace, Jr.; Iron Creek Church, Mrs. Ralph Janofsky; Bethel United Church of Christ, Mrs. Victor Mann; North Sharon Bible Church, Mrs. Floyd Proctor; Sharon United Methodist Church, Faith Church, Zion Lutheran Church and St. Thomas Lutheran Church will all announce the Blood Bank at their services.

One hundred fifty pints is the goal for the 18th. The Jaycees and all of the industries in the area will be participating in this community endeavor.

PROPOSITION 1

CRITICAL-BRIDGES*

A County-Wide Concern....A County-Wide Solution

42 Critical-Bridges*

Bridges are the crucial link in our primary and secondary road system. This November voters in the county will make a decision whether or not to improve the Critical-Bridges at the starred locations on the map.

Why A Millage

A one-half mill levy for five years is being proposed because of:

- Bridge Conditions:** The physical condition of the 42 Critical-Bridges identified on the map does not meet today's standards.
- Declining Available Revenue:** No money presently comes to the Road Commission from property taxes or the county General Fund. The major source of revenue, The Michigan Motor Vehicle Highway Fund, is insufficient to finance both road construction, road maintenance, and a Critical-Bridge improvement program.
- Federal Matching Funds:** Federal allocations are available for bridge improvements but local dollars must be provided.

This information has been provided by the Washtenaw County Road Commission in the public interest.

RECITAL AT EMANUEL CHURCH

Next Sunday, October 10, a joint organ recital will be given at Emanuel United Church of Christ. The recitalists will be Ms. Francine Mate, and Mr. Paul Wey, organists, assisted by Mr. Lee Kvarnberg on trumpet.

Ms. Mate and Mr. Wey are both natives of Houston, Texas and received their undergraduate degrees from the University of Houston where they studied organ with Dr. Robert Jones. Ms. Mate and Mr. Wey continued their organ and harpsichord studies with Dr. Marilyn Mason at the University of Michigan and earned their graduate degrees from that institution. Ms. Mate is currently a doctoral student, a Graduate Teaching Assistant at the U of M and the Organist-Choir Director at St. Clare Episcopal Church in Ann Arbor. Mr. Wey is a candidate for the Doctor of Musical Arts degree at the U of M and is the Director of Music at Emanuel Church in Manchester.

Mr. Kvarnberg studied trumpet with Ken Bowman and was a member of the University of Michigan Symphony Orchestra. The former Manager of the Humane Society of Huron Valley, he is returning to the U of M to complete his degree in Architecture-Law.

The recital will begin at 3:00 p.m. and will include works of Brubas, Purcell and Bach. It is free and the public is cordially invited.

LA LECHE LEAGUE

The newly organized Manchester Group of La Leche League will hold its first meeting on Tuesday, October 19 at 8:00 p.m., at the home of Joyce Spless, 418 E. Main, Manchester, phone 428-7228.

The name, La Leche, is Spanish and means "the milk." A non-sectarian, non-profit organization, the League's purpose is to help encourage "good mothering through breastfeeding."

The group will meet the third Tuesday of each month. A series of four meetings will discuss, informally, different phases of breastfeeding. Topic for first meeting: Advantages of Breastfeeding to Mother and Child. Discussion leaders will be Sandy Winzenz and Carol Schulte.

All women who are interested in nursing their babies are invited...as are their babies. You need not be pregnant or even have a family to attend. If you are a wife and hope some day to have children, if you are a grandmother, if you are interested...you are welcome.

La Leche League began in a Chicago suburb nearly twenty years ago, when one mother who had successfully nursed her baby, helped another who wanted to breastfeed.

This is still the basic approach, although the League is now international in scope, with more than 2,000 groups helping thousands of women in the United States, Canada, and over thirty foreign countries.

For further information about the new Manchester La Leche League Group, contact Sandy Winzenz, 428-7125 or Carol Schulte 428-7306.

Tell Your Wife We've Been Thinking About Her.

Of all you cherish, what's most important to you? Your wife — of course. Just think of all she does for you and your family. She's irreplaceable and if she should die dollars can't take her place. But an adequate life insurance policy could help to get some of her many jobs done and to keep your household going. Ask your State Farm agent for details.

Debbie Thelen presented award by President Fielder

Eighty volunteer workers for the 1976 Manchester United Way campaign met at the K of C Hall for the official Kick-Off on October 6.

Rev. Wayne Ferrigan gave the invocation and President Clarence Fielder welcomed the workers and guests. Mr. Fielder presented little Debbie Thelen with an Outstanding Citizen Award for submitting the slogan which is being used with this year's campaign. General Chairman Robert G. Lawson introduced the Division Chairmen, Team Captains and solicitors.

Mr. Donald J. Pizzimenti, President of United Way of Michigan was guest speaker. He spoke of hope for the future through the United effort and Sharings If You

Optimists Honor Rollie Grossman and Willard Mann

At the first meeting of their fiscal year held Monday evening the Manchester Optimist Club honored Rollie Grossman and Willard Mann for their contributions to the club and community.

Rollie Grossman was recipient of Optimist's highest award of the year, The Heritage Award. Rollie was chosen for this honor by his fellow members in recognition of his outstanding contributions to the club and service to the community.

Rollie also received the Optimist Membership Award for sponsoring three new members during the past club year.

Willard Mann was presented the Membership Award. He also sponsored three new members during the past year.

Both Rollie and Willard are charter members of the club.

The award presentations were made by Irvin Gill, Club President, and William Lovell, the District Lieutenant Governor.

Jaycee Halloween Party October 28

Thursday, October 28th is the date set for the Manchester Jaycee and Jaycee Auxiliary's Annual Halloween Party for the children of the Manchester School District. Trick or Treating will start at 5:00 and continue until 7:00 p.m. at which time all the churches of Manchester will ring their bells. This is to signal the end of trick or treating. Pre-schoolers through 8th graders should proceed directly to the high school gymnasium. Manchester Jaycees will act as crossing guards.

Judging for the spookiest, the most original, the prettiest and ugliest costumes will begin at 7:15 p.m. Prizes will be awarded and refreshments will be served.

Mrs. Harold Alexander announces the engagement of her daughter, Michelle Joan to Brent Allen Powell. Miss Alexander is a graduate of Manchester High School and is studying to be a Dental Assistant at Del Mar College.

Mr. Powell, the son of Mr. and Mrs. William Powell also of Manchester is a graduate of Manchester High School and is employed by Fluor Construction Co.

An October 1977 wedding is being planned.

Fall Fun Festival October 23

Progress is being made for our Fall Fun Festival. Familiar activities this year will be a raffle, the spook house, story hour, the cake walk, the fish and duck ponds, a dart game, and a make-up shop. A "sponge Fun" game and a hat show are new attractions to look for this year.

Eat out with your family, a'oggy joes are thirty-five cents, hotdogs are thirty cents—drinks follow—soft drinks are twenty cents, soft drinks and coffee are twenty cents. Other snacks will be served in the gym.

Everyone is invited to share in our fun!

Twentieth Century Club Meeting

The Twentieth Century Club of Manchester began this year's program with a trip to True Grist, Ltd. in Homer, Michigan on the evening of September 30. Club members and guests enjoyed the cuisine of the dinner-theatre and were entertained by the intriguing show "The Apple Tree"—three acts in a special arrangement suggested by short stories of Mark Twain, Frank Stockton and Jules Feifer.

The regular program for the Club will start on a Monday evening, November 8 at the home of Mrs. Willard Mann.

The engagement of Cynthia Ann Panches to Richard Herbert Neumann has been announced by the future bride's parents, Mr. and Mrs. Robert M. Panches of Manchester, Michigan.

Miss Panches and her fiance, the son of Mr. and Mrs. Helmut Neumann of Port Colborne, Ontario, plan a May 14, 1977 wedding.

The bride-elect is a graduate of Manchester High School and Cleary Business College. She is employed as Executive Secretary at King-Seeley Thermos Co. in Ann Arbor.

Mr. Neumann was graduated from Lockview High School. He is employed as Manager of Avco Financial Services in Hamilton, Ontario.

Shakespeare Club Meeting

The club began the 1976-77 year on October 5th, with a guided tour of the beautiful Glass Gallery at the Toledo Art Museum and lunch at the Museum Cafeteria. After which everyone walked thru the various galleries of paintings and other exhibits.

The next meeting of the Shakespeare Club will be Tuesday, October 19th at the home of Mrs. Otto Timmerman, beginning at 2:00 P.M.

Notice

The Village will be picking up leaves that are bagged, tied and at the curb starting next Thursday, October 21 thru Thursday, November 16.
