## St. Mary's Alter Society House Tour Sunday, October 24

St. Mary's Alter Society's Annual House Tour is scheduled for Sunday, October 24th from 2 p.m. to 6 p.m. The variety of homes on tour are new and old with some in-between such as the Ica Schaffer home at 505 W. Main St. A 4-bedroom, two-story house built in 1946, soft shades of greens and yellows blend throughout the house in a warm color scheme. Newly decorated, this modern pictureque house is one that anyone with an "eye for color" will appreciate.

For those who prefer ultra-modern, the Emory Garlick home at 644 W. Main is a must. Only one word can describe this gracious home-unique. Designed by Mr. Garlick, octagon is the architectural theme throughout the V-shaped house. The living room was designed to "throw you out into the daylight and bring you back into the warm earth-tone colors at night." There are only three conventional windows in the house; the rest were made to fit the architecture specifications.

For a young family, the John Sahakian home at 17000 Bethel Church Road is perfect. A new ranch house with three bedrooms, it's a good example of what do-it-yourselfers are capable of doing to give their home a warm, comfortable feeling of color and design. Mrs. Sahakian uses her own needlepoint work for the all-important personal touch of a home and Mr. Sahakian's talents as an upholsterer gives their home special meaning. A large spacious yard for children and pets, the brick-faced house is geared for a growing family.

But for a "house with history", the Aaron Nathan home at 15490 Buss Road will be a treat for your imagination. It undoubtedly holds many secrets of the weary and perhaps famous travelers who stopped here long ago. Built in 1830 and since restored, it was originally a stage-coach stop. But progress intervened, the main road was diverted and the bustling community of Manchester with several trains chugging through weekly, brought an end to the half-way house. It became the Charles Merriman farm and eventually the last Merriman to live there, Mrs. Mabel Knorpp. The house was sold to Mrs. Albina Augustie and then five years ago to the Nathans, who describe it as an "interesting house." Called a New England salt-box house because of the sharp sloped back roof, the partial two-story house features a "keeping room."

Another very old house with much to say if the walls could talk, is the Ann Scott home at 627 W. Main. A house which goes back to early Manchester days, the parents of Mrs. Alma Tirb, the John Wiedmans moved there in approximately 1918. The Cresswells restored the very large square brick house, keeping the original floor plan intact as much as possible. The addition of a kitchen wing only enhanced the beauty of this Manchester landmark. House tour guests are most welcome to stop and meet Manchester's new residents and also enjoy a stroll around the grounds. This house will be open from 2 to 5 p.m. so plan to stop early.

And it seems that beautiful homes with beautiful views is the general theme of

the house tour this year. The James Healy home at 16430 Herman Road features rolling countryside from a screened deck porch. A new home with three bedrooms, 2 1/2 baths and a walk-out kitchen and family room at the back basement level, this comfortable house is a special home to the Healys. Using some boards and beams from their original farm buildings, the family has combined a little old and a little new in the exposed beamed ceiling in the kitchen and dining area. The partial two-story house has a brick fireplace and lots of ideas for those who might be interested in building a home of their own.

Tickets for the House Tour will be available at each of the six homes as well as at St. Mary's church hall. Coffee and cookies will be served throughout the afternoon at the church hall and a baby-sitting service will be available.

## Fall Fun Festival October 23

If you ever wanted to hit Don Tassie, John McGuire, Brian Schick or Bart Bartels in the face—with a wet sponge, come to the fall fun festival at Klager School on Saturday, October 23rd from 9 to 11 o'clock.

Another new attraction this year will be a drawing for all customers to the make-up shop. Two stuffed animals have been donated by Cliff Grichey of Ace Hardware and Dick Ehrenburg of Ben Franklin.

An updated price list for our refreshments is slobby fies-fifty cents, hotdogs-forty cents, french fries-forty cents, coffee, soft drinks, and popcorn-twenty cents, and cotton candy-thirty five cents. A large stuffed elephant or a pair of walkie-talkies can be won by a lucky lad or lassie. Tickets for our raffle are twenty-five cents or five for a dollar, and are available at school or the Fall Fun Festival.

## 4th Annual Manchester Invitational October 23

The 4th Annual Manchester Cross-Country Invitational is all set to go this Saturday at Carr Park, with the first of six races to start at 9:30.

The 16 team field (Chelsea, Dexter, Columbia Central, Napoleon, St. Thomas, Clinton, Pinckney, Onsted, Willow Run, Ida, Dundee, Saline, Stockbridge, Ann Arbor Green Hills, East Jackson and Manchester) will be divided into 6 separate races by grade division. The 7th and 8th grade runs will be our mile and are slated to go at 9:30 and 9:45 while the Freshman, Sophomore, Junior and Senior class runs are to get underway every half-hour beginning with the Freshmen at 10:00 a.m.

Medals will go to the top 12 finishers in the 4 senior high divisions and a 3 man team trophy will go to the top team in each division.

Our Dutchmen figure to do quite well and they hope to repeat as the "unofficial" team champions overall.

Exciting races are expected in each race division so come on out and help cheer our cross-countrymen on.

## SHARE IF YOU CARE THE UNITED WAY

"Share If You Care" was demonstrated at Klager School this week with the boys and girls bringing cupcakes and cookies to sell. Each grade level has a day to donate goodies and all the money will be given to the United Way.

## Manchester Romps Morenci 41-3

Manchester was up 14-3. With 12 seconds left we got the ball back on an interception by Jeff and proceeded to run out the half. The score after 24 minutes of battle stood 14 to 3 Manchester.

The second half got under way as Manchester received the ball and chewed up 5:17 which resulted in 6 more points for us set up by a Clark pass to Lenhart and a 12 yard pass to Greg to Morenci's.

## Continuing Education Program Starts Tuesday October 26

The first program in the series of Community Education Programs will be offered on Tuesday, October 26, at 7:30 P.M. in the High School Gym. The Social Security Administration will make the presentation on all phases of Social Security. Topics covered will include: Is Social Security Going Broke, Widows' Benefits, Children's Benefits, Medicare, Supplemental Income, Trust Funds and Changes in Social Security among others. As everyone has a future or immediate investment in Social Security, this program and available literature should be of vital concern to Manchester area residents. The program is open and free of charge. Plan to attend and bring your questions about your future.

New Class to be offered: Have you ever wanted to parachute jump? You can get your start at Manchester Community Schools. The first half of the parachute training will start Wednesday night, October 27th. The second half will be held at the Tecumseh Parachute Jump Club. The total length of pre-jump training is five hours. The cost is \$45 which includes the use of boots, helmet, coveralls, main chute and reserve chute. If interested call Philip Mains at the Community Education Office 423-7804 to register. Happy Landing.

Elizabeth Anne McAteer  
3083 Idle Hills Dr.  
Norvell, Michigan

Age 19, expired at Mott Childrens Hospital, October 13, 1976. She fought so very courageously for her life.

May God bless Dr. Richard Schneider (Chief-Neurosurgery) for giving her these last eight years, and the staff of 6th floor Mott's Hospital for all of their love and their care.

Her family; Billie, Jim, and Kelly Lubbe, Mrs. Sherrill Bass, wish to say to the communities of Manchester and Napoleon that the thoughtfulness shown this little girl all these years shall never be forgotten.

She touched all who knew her and now she is at rest.

Because she willed her body to the University Medical School, memorial services were held at Mott Hospital, 7 p.m. Wednesday, October 20, 1976. Remembrances may be given to Mott Childrens Hospital to aid crippled children.

"The Lord giveth", "The Lord taketh away"  
"He took our Elizabeth", "To Heaven this day."

Funeral services were held at 2 p.m. Monday at the Three Oaks Free Methodist Church, of which Mrs. Brown was a member. Burial followed in Forest Lawn Cemetery, south of Three Oaks.

on the fun and learning of Scouting. The need for funds to buy supplies was also discussed. If you or your group would like to become Girl Scout sponsors, your dollars would go a long way towards underwriting those extra materials that go into creative and useful crafts and activities.

An investiture ceremony for new Brownies and new adult leaders is being planned for Sunday, November 7th at 2:30. Keep this date open, parents: more details will follow!

The next Cluster meeting for Troop Leaders and Assistants will be November 23rd, 7:30 at the K of C Hall.

Anyone interested in a used Brownie or Junior Girl Scout uniform can contact Chris Honer 428-8096 or stop by her home the week of October 25th-30th. Honer's address is 107 S. Union Street.

### Senior Citizens

Seniors Citizens come to the Emanuel Church Hall on Wednesday, October 27 at 1:30 p.m. for a happy afternoon meeting.

Due to the lack of response from Senior Citizens the Senior Citizens Workshop scheduled for October 23 has been cancelled. Another workshop will be scheduled in the spring.

### Girl Scouts

Troop formation is well underway, reported Diane Schwab, our Troop Services Director at the monthly Cluster meeting October 12th. Still needed are leaders for a Pleasant Lake Brownie Troop and for a Cadette Troop. Interested adults are urged to contact Mrs. Schwab (428-8976); it would be sad if these girls missed out

## Both Candidates for Congress promised to talk about the major issues in their campaigns.

### Here's what they've said.

Cliff Taylor

The Present Congressman

- |   |   |
|---|---|
| <p>1. <b>Crime.</b> <i>Cliff Taylor</i> believes that it's time we get tough with criminals through laws enacted by Congress. Here's what <i>Cliff</i> proposes:</p> <p>--Tough mandatory sentences for those who commit crimes with firearms.<br/>--Tighter parole requirements so that we keep hardened criminals out of society instead of allowing them to return.</p> <p>2. <b>Welfare Reform.</b> <i>Cliff Taylor</i> believes that the welfare system is riddled with abuse and inefficiency. He thinks that something's wrong when a family making as much as \$16,000 a year can collect food stamps. Here's what <i>Cliff</i> proposes:</p> <p>--Reform of the food stamp program so that only families at or below the poverty level can obtain food stamps<br/>--Intensified efforts on the part of the government to isolate welfare cheaters so that programs can be aimed at the truly needy.</p> <p>3. <b>Unemployment.</b> <i>Cliff Taylor</i> believes that we must seek permanent instead of short term answers to our unemployment problems. He thinks that government make-work programs lack the dignity and security that our working-people deserve. Here's what <i>Cliff</i> proposes:</p> <p>--incentives to small business and industry to encourage them to hire more workers.<br/>--Encourage business expansion by cutting government red tape.</p> <p>4. <b>Inflation.</b> <i>Cliff Taylor</i> feels that the cause of inflation is deficit spending. He thinks that Congress must work to produce a balanced budget. Here's what <i>Cliff</i> proposes:</p> <p>--Cliff has pledged to introduce budget bills of his own in Congress if the House Appropriations Committee refuses to produce budgets that are in balance.</p> <p>5. <b>Taxes.</b> <i>Cliff</i> believes that lower and middle income taxpayers are shouldering too much of a burden under our present tax system. Here's what he proposes:</p> <p>--An increase in the personal deduction to \$1,000<br/>--A complete re-evaluation of all major federal programs aimed at eliminating the kinds of waste and duplication that now exist. <i>Cliff</i> believes that the money saved by such an investigation should be returned to the taxpayers through a tax rebate.</p> | <p>1. ?</p> <p>2. ?</p> <p>3. ?</p> <p>4. ?</p> <p>5. ?</p> |
|---|---|

As you may have noticed, there are question marks in the present Congressman's column. That's because the present Congressman is unwilling to come forward and debate these important issues with *Cliff Taylor* on district-wide television.

We think that televised debates between the candidates for Congress will help people decide who to support this year, just like they did in 1974. But there aren't going to be any debates. *Cliff Taylor* wants them. WJIM-TV wants to sponsor them. The present Congressman, however, won't agree--even though he said he would two years ago. In the meantime, *Cliff Taylor* is going to keep running on the issues and presenting his positions as he's done here.

And the present Congressman? Well, you decide why he doesn't want to debate.

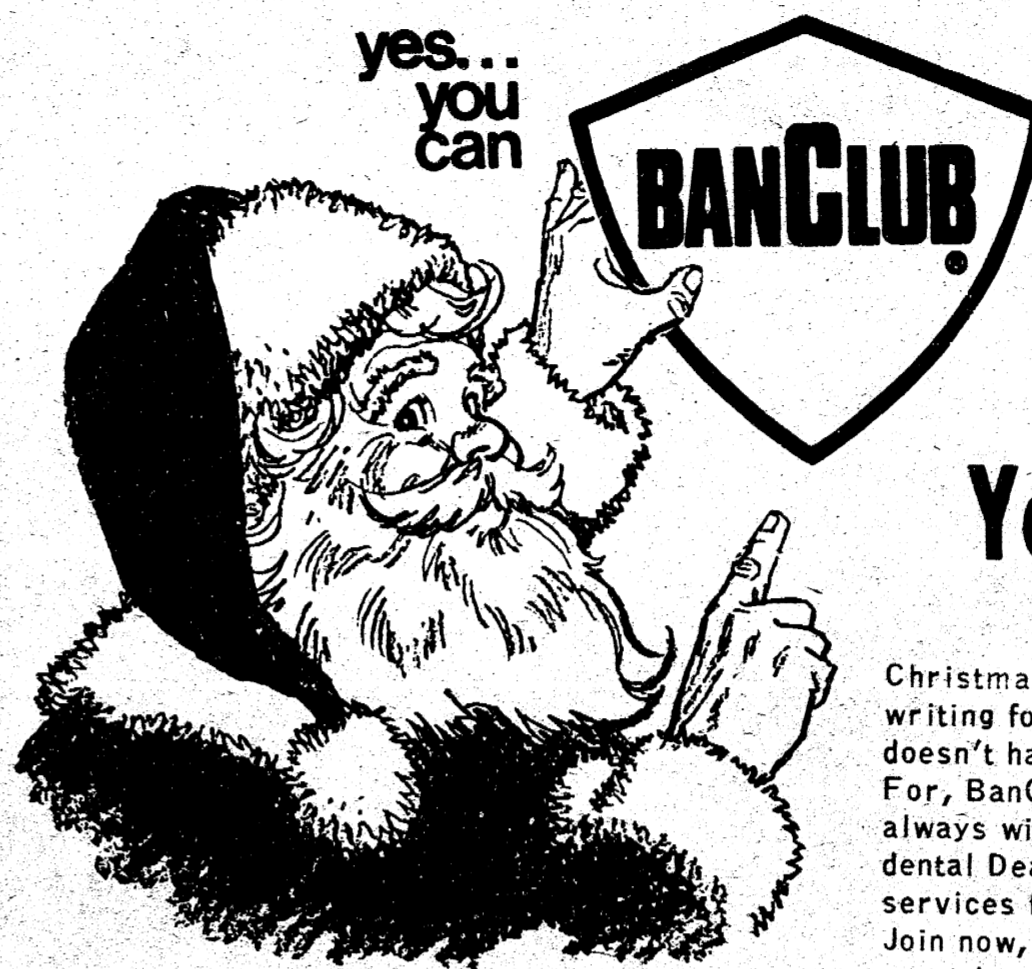

If you agree with him, you ought to vote for him.

Dan Healy breaks the tape in winning against Morenci.

Jerry Miller, shown here hurdling a barrier against Morenci, has been a consistent high place winner for the Dutchmen this fall.

Last Tuesday our Manchester High Cross-Country Team recorded the 4th perfect score in the sports history as they blanked Morenci 15-50. To accomplish this feat a team must put all 7 members of their varsity team in front of the other teams first runner at the finish line, and that's exactly what the Dutchmen did.

Dan Healy again led the Dutchmen's victory parade, their 7th straight this season, as he cruised in at 16:04, followed closely by Senior classmate Jerry Miller who ran an excellent 16:10 race to finish second. Junior Keith Moore ran a solid

16:21 in 3rd and Sophomore Steve Eversole ran a new Manchester class record of 16:22 in 4th place. Bob Smith (35th-16:48), Bob Padley (68th-17:16) and Kurt Norgaard (7th-17:16) completed the sweep for Manchester.

Darrell Clark was beaten only by his varsity teammates and one Morenci runner as he sped to his lifetime best of 15:36.

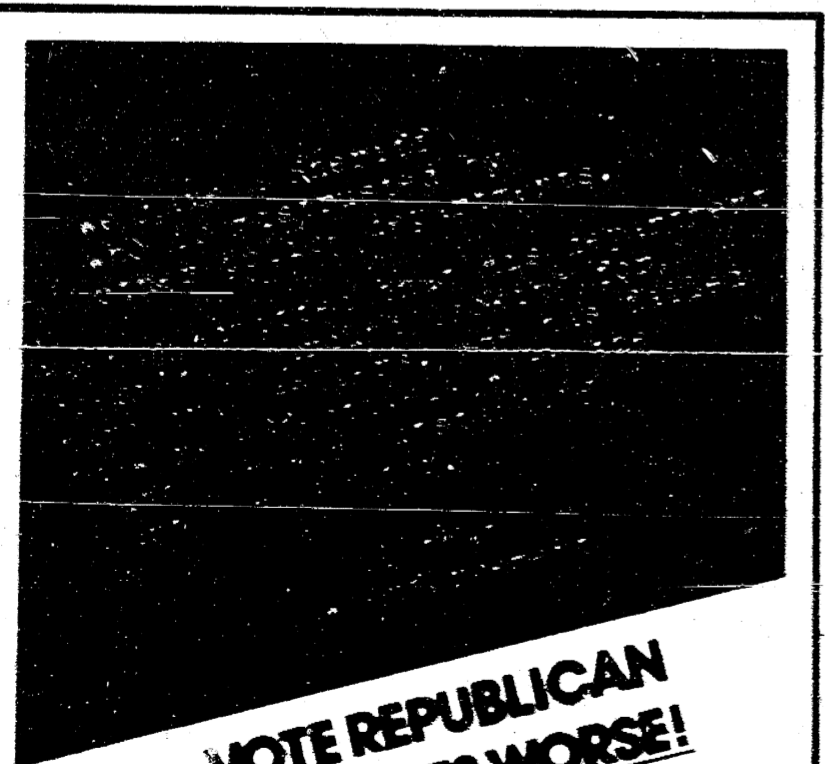

Completing the Dutchmen Junior Varsity brigade were Randy Bondy (11th-18:59), Doug Padley (20th-20:28 in 14th), Kurt Sauter (16th-21:50), and Eddie Achtenberg (18th-22:41).

## Congratulations Area Blood Donors

Blood donations for Manchester Community reached an all time high in 1976 with this week's addition of 147 pints. Only 17 who came were deferred because of temporary ailments. Added to the record 25th anniversary collection last March of 168, the Manchester Red Cross Blood Club is well over its 300 pint quota for the year.

Four 2-gallon and three 1-gallon pints were earned at this clinic. Those who have given sixteen pints each over the years are: Ronald Panches, Mrs. Lawrence (Elizabeth) Conyer, Robert Emerson and J.P. Rorabacher. Eight pint donors who received 1-gallon pins were:

Dennis Sannes, Frederick Probst and Larry Lentner. Alan Hanewald had received his gallon pin at a Ford Motor Company clinic during the summer, but eight of this nine pint donations have been to the Manchester Club.

When blood is needed by any family in the Manchester Community (School District and/or Manchester Township) and a hospital bills them for blood, they should contact Mrs. Franklin Reck, Mrs. Rolland Grossman, or Mrs. Millard Uphaus. They need to give the date of admission of the patient to the hospital, the names of patient and hospital and number of pints needed. There is a charge on hospital bills for administering the blood which should not be confused with the bill for blood. It is a charge that the patient must pay.

## CHILDREN'S MOVIES THEATRE TO OPEN

The Manchester Community Board of Education today announced the opening of a movie matinee series of full-length films to be featured for the enjoyment and entertainment of children of the Manchester area.

Copyright laws forbid the listing of the films by name in any local newspaper. Consequently, a letter from the Superintendent will be sent home with each student in the school district this week announcing the names of the films being shown. Ordinarily the film program will run approximately 2 hours each Saturday afternoon, and will be preceded by a cartoon series. All movies are rated A-1 or G. THIS WEEK BECAUSE OF THE FALL FAIR FESTIVAL AT KLAGER SCHOOL, THE MATINEE WILL RUN ON SUNDAY BEGINNING AT 1:30 P.M. THIS SUNDAY MATINEE IS FOR THIS WEEK ONLY. FROM THAT DATE ON, THE SERIES WILL RUN ON SATURDAY.

Adult supervision will be provided and refreshments will be sold on a cost out basis. The price of admission to the movies will be 50¢ and no charge will be made to adults accompanying children to the movies.

If you fail to receive a complete listing of films to be shown, please pick one up at the Superintendent's Office, or call to have one mailed to you at your home.

The Emmanuel United Church of Christ was host to the clinic with Mrs. William Bunney chairman of the canteen. Her committee included Mrs. James Miller, Mrs. Benjamin Evislizer, Mrs. Erwin Buss, Mrs. Ella Duck, Mrs. Duane Braun, Mrs. Ernest Kemner, and Mrs. Delia Place.

Volunteer drivers for Double A donors were Leo Scully, Joseph Schwab, and Mrs. Edward Wurster. Robert Panches and Randy Uhr assisted with the setting up and loading of supplies.

The professional staff from the South-eastern Regional Red Cross Blood Center congratulated the community for its dedication to the blood program and had great praise for the donors and volunteers who have served this past quarter of a century.

## DAIRY LEADERS BOOST CO-OP MONTH

Local dairy farmer leaders of Michigan Milk Producers Association have joined a statewide effort to build a better understanding and appreciation of farmer co-operatives.

The campaign is being conducted primarily during October, which tradition-ally has been recognized as CO-OP Month in Michigan and elsewhere throughout the nation, according to Steve Bristle Presi-dent of the Saline Local of MMPA.

"We think it's important that everyone have a clear understanding of what co-ops are and what they are for," Steve said. "For example, we find that not everyone realizes that farmer co-ops are owned and controlled by the farmer members they serve."

Among other things, co-ops enable farm-ers to purchase supplies and services and to market their products with in-creased efficiency, Steve noted.

"By helping to boost their productivity and efficiency, cooperatives helps family farmers compete and stay in business," Steve said. "Obviously, that's important to us. But it's also important to con-sumers because the family farm still is the most efficient food producer and the type of operation that's depended on for

most of our agricultural production."

"We hear a lot these days about big corporations being involved in agriculture and to some extent they are. In Michigan, though, and especially when it comes to dairy farming, the family farm still is the most important," Steve added.

Many agricultural economists and other experts have predicted that the survival of the family farm hinges on the continued effectiveness and strength of farmer co-operatives, Steve said.

Among the activities which MMPA dairy-men are planning during the CO-OP Month are talks and presentations before civic groups, visits to newspapers and other media, displays, and providing ma-terials and information to high school vo-cag and other classes.

Steve urged anyone wishing to arrange a program related to Co-op Month or anyone wanting additional information to contact Diane Horning at 428-8610.

STOP IN AND SEE OUR FINE SELECTION

Camels can go without drinking eight weeks in winter, then they imbibe as much as a hundred quarts in 10 minutes.

## OPEN STATEMENT TO OUR CUSTOMERS

Proposal "A" (the container issue) will be voted on Tuesday, November 2, 1976. We feel you should know what it WILL do and what it WILL NOT do.

It will force a deposit of at least 10 cents on ALL beverage cans and bottles. A 10 cent deposit on cans is ridiculous because cans cannot be refilled.

Proposal "A", if enacted, will force you to lug dirty cans and bottles back to our market to stand in line to get your refund.

If passed, proposal "A" will create sanitation problems when dirty cans and bottles come back to our market for refund. We are concerned about maintaining the highest sanitary conditions in our store. Used returnables create health problems.

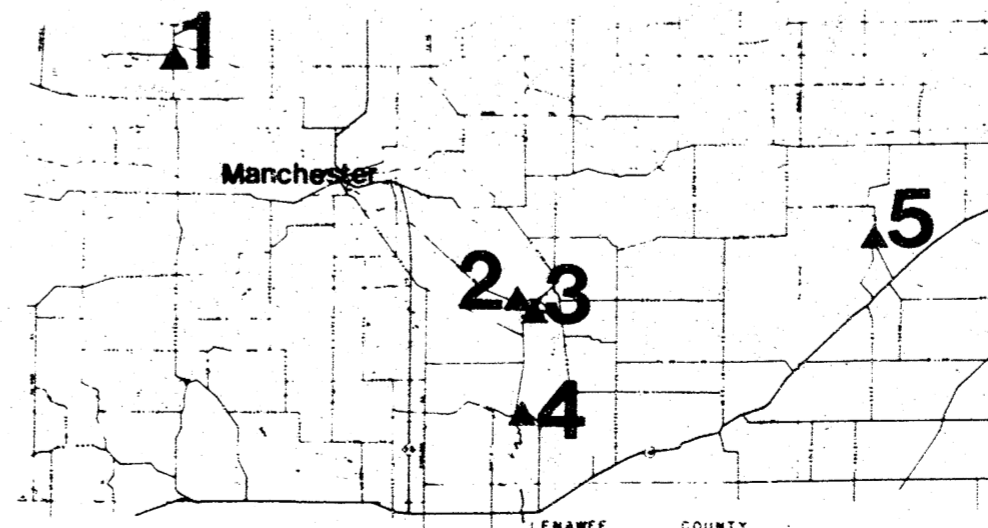

It would mean many of your favorite low-cost brands (Faygo, Sun-Glo, Shasta, Shurfine, Fame and many others) would be discontinued. When competition is eliminated, the result is higher prices.

Litter is not the issue here. Government controls are the real issue. Forced deposits will not eliminate roadside litter. The State Highway Department will still want more and more money for debris pick-up, such as: newspapers, pieces of tires, mufflers, fast food containers and plastic milk bottles. Forced deposits on bottles and cans are only the beginning. What next? Milk cartons? ALL disposable food containers? And what about disposable baby diapers?

Before you vote November 2nd, please study the facts involved in proposal "A". Don't be taken in. Look at the end result of such legislation; more government controls, higher prices, higher taxes. You be the judge... don't lose your freedom of choice. Please vote NO on proposal "A" on November 2nd.

## The POWER of PRINT in AMERICAN HISTORY 1776-1976

THE GROWTH OF BUSINESS

This article is adapted from a program of historical monographs created by the St. Regis Paper Company in an effort to rededicate our heritage and renew our pride in our country's achievements.

In our pursuit of liberty, Americans have always believed there can be no freedom without freedom from want. Business has provided the materials which built this country and preserved its institutions, depending at every step upon the existence of printing to coordinate its management, advertise its wares and explain its products.

From the founding of the colonies through the first half of the 19th century, the premier American businessman was the urban merchant who used newspapers to advertise his wide range of wares.

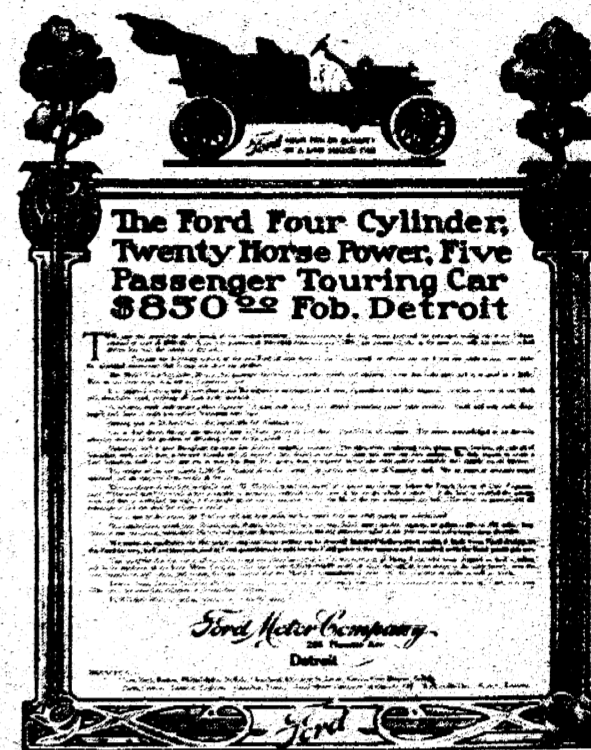

The most dynamic impact upon the 19th century was that of the railroads which used newspapers to publicize their services, circulars to attract settlers to their lands, stock and bond certificates to raise capital and instruction manuals for their workers.

After 1870, the major figure in the American economy was the manufacturer. Trade publications were crucial catalysts in the modernization of machines and methods, the standardization of products and specifications, and the professionalism of management.

Also with the second half of the 19th century came mass distribution. Manufacturers of complex products such as farm machinery, sewing machines and bicycles had to publish instructions for using them. And firms with products that were perishable and fragile—like

precedented use of mass advertising to stimulate sales and keep the goods moving. Chain and department stores came in the last third of the 19th century. They capitalized on the new urban markets by blanketing local newspapers and city directories with advertisements. Mail order houses were even more innovative in their use of printed materials: they came up with the annual catalog.

Of all its alliances with

THE PRINT MEDIA of America, from 1750 to the present, carried the advertisements that carried our economy.

commerce, print perhaps has made its most dramatic impact in the area of advertising. As early as 1750 business put ads in newspapers. In the 20th century, print became the spokesman for national and international growth.

**VOTE FOR HOWARD TAFT. COUNTY DRAIN COMMISSIONER**

We need a Drain Commissioner who is responsive to all the Citizens. We need a Drain Commissioner who can make prompt decisions without unduly delaying the various people and projects who are affected by these decisions. We need a Drain Commissioner with sensible adopted rules and regulations that are easy to understand. Last, but not least we need a Drain Commissioner with technical, administrative and managerial skills.

With my 22 years experience in surveying in Washtenaw County, 3 years teaching in Saline, a degree from E.M.U. I can once again return the Drain office to its statutory place in County Government.

I am qualified to be Drain Commissioner and would appreciate your support in November. Good Government comes only when people are willing to become involved.

RICE THAT'S DIFFERENT: LONG GRAIN

If you're one of those people who say "Rice is rice" it all tastes and looks the same, there is something you should know.

Although the various types of rice are similar, there is one type, American long grain rice, that is different and of premium quality. Look at a package of long grain rice and you'll see slender, long grains, snowy white in color. After cooking, long grain rice is tender, separate, and light. Its flavor is delicate and complementary to almost all foods.

Some other people say rice is difficult to cook. The truth is, long grain rice is very simple to prepare. Follow these directions for perfect rice every time: bring to boil 2 cups water and 1 teaspoon salt. Stir in 1 cup American long grain rice, lower heat, cover, simmer 20 minutes.

If there is a "trick" to cooking rice, it's that the heat should be turned low enough to prevent "bollovers," but high enough that a small amount of steam escapes around the edge of the saucpan. This steam tells you that the rice is cooking and that it will be done.

Rice cookery is necessary to many cuisines, but it is especially important to Creole or Southern recipes. One favorite Southern rice recipe, Country Captain, consists of economical chicken simmered in a mild curry-tomato sauce and served over fluffy, tender long grain rice.

COUNTRY CAPTAIN

- |   |  |
|---|--|
| 1 frying chicken, cut in serving pieces | 2 packets MBT instant chicken flavored broth           |
| Salt and pepper                         | 1/2 teaspoon thyme leaves                              |
| 2 tablespoons vegetable oil             | 1/2 teaspoon curry powder                              |
| 1/2 cup chopped onion                   | Dash hot pepper sauce                                  |
| 1/2 cup chopped green pepper            | 1/4 cup raisins  |
| 1 clove garlic, minced                  | 1/4 cup toasted, sliced almonds                        |
| 2 tablespoons flour                     | 3 cups hot, cooked Carolina or Mahatma long grain rice |
| 2 cans (1 lb. ea.) stewed tomatoes      |  |

Season chicken pieces with salt and pepper. In heavy skillet, over low heat, saute chicken in hot oil. Remove chicken from skillet. Add onion, green pepper, and garlic. Sauté until tender. Blend flour and pan drippings. Stir in tomatoes, chicken, broth, thyme, curry, hot pepper sauce, raisins, and almonds. Return chicken to skillet. Cover and simmer 20 minutes. Serve over hot, fluffy rice. Makes 6 servings.

**GEORGE STEEH**  
 DEMOCRAT for PROSECUTING ATTORNEY

VIOLENT CRIME must be given top priority for effective prosecution. Priorities are misplaced when, as now, 13% of misdemeanors but only 5% of felonies go to trial. Prosecution is not effective when, as now, 2 felony cases in 3 are dismissed or plea-bargained, often only for administrative convenience.

George Steeh has proven ability in effectively managing a staff and case load more than twice as large as the Washtenaw County prosecutor's. He has extensive experience in criminal trials and appeals. He will re-allocate the resources of the criminal justice system to give violent crime the attention it deserves. HE HAS THE EXPERIENCE AND ABILITY TO GIVE US BETTER PERFORMANCE.

**TWO-IN-ONE PIE**

Smooth, creamy pumpkin or rich, tangy mincemeat? Which holiday pie will friends and family like best? Wonder no more. Now there's Pumpkin Mincemeat Pie to make the decision for you. Underneath the proud layer of pumpkin, there's one of mincemeat just waiting to be found! And when you choose a dependable pie crust mix, you eliminate even more guessing games. You can count on your crust coming out flaky and golden brown.

- PUMPKIN MINCEMEAT PIE**
- Crust:**  
 One 10-oz. pkg. Flako Pie Crust Mix
- Filling:**  
 2 cups ready-to-use mincemeat  
 1/4 cup pumpkin
- 1/2 cup firmly packed brown sugar  
 1 egg  
 2 teaspoons pumpkin pie spice  
 One 5 1/2-oz. can (1/2 cup) evaporated milk
- For crust, prepare mix according to package directions for Single Crust Pie.  
 For filling, spread mincemeat onto bottom of unbaked pie crust. Mix together pumpkin, sugar, egg and pumpkin pie spice. Gradually add milk; mix well. Pour over mincemeat. Bake in preheated moderate oven (375°F.) 50 to 55 minutes or until knife inserted in center comes out clean. Cool; garnish with whipped cream, if desired. Makes 8-inch pie.

**SOUTHERN STYLE**

Some people in other countries aren't aware how great native American cooking and native American foods can be.

Giving them a taste of the truth is part of a Bicentennial observance by Hilton International hotels.

In 40 countries, these 64 hotels are celebrating the Bicentennial Festival of American Culinary Heritage by serving traditional dishes from New England, New York in the 1890s, the Pennsylvania Dutch country, Virginia, New Orleans, the Great West and California.

They have decorated their dining facilities to show the style of the age and area, and dressed their waiters and waitresses in costumes of the times.

Among the many American dishes being served is a sample of Southern hospitality: Virginia Peanut Soup, made from this traditional recipe:

**VIRGINIA PEANUT SOUP**

- 1/2 cup butter, unsalted; cut into bits
- 1/2 cup finely chopped onion
- 1/2 cup finely chopped celery
- 3 tablespoons flour
- 2 quarts chicken stock
- 2 cups peanut butter
- 1 tablespoon salt
- 1/4 teaspoon celery salt
- 1 tablespoon lemon juice, strained
- 1/2 cup peanuts, ground

In a casserole, melt the butter, add the onion and celery. Cook till vegetables are tender. Stir in flour and when fully incorporated, pour in the chicken stock. Stir with a whisk and bring to rapid boil. Let simmer 30 minutes. Puree the soup in an electric blender. Scrape the peanut butter into a casserole and whisk in the stock little by little until all the liquid has been added. Season with salt, celery salt and lemon juice. Heat to boiling point (but do not allow to boil). Pour soup into tureen and serve with ground peanuts on the side to be sprinkled on by each diner. Makes 6 to 8 servings.

**THE INTER-COM**

Bill Green  
 Superintendent of Schools

I'm certain that all of us share in the feelings of frustration, anger, and disgust at the projected statistics that are being shot out over the news media these days that only 28% of the American voters will turn out for the November 2nd election.

As your Superintendent of Schools, I represented your interests at two recent meetings in Lansing regarding the future of educational funding and education in general. Believe me, it is the most frustrating, disheartening, and disgusting outlook. The Michigan philosophy of a system of "free" education for all children is the best joke of the year. Excuses flow from the mouths of our state officials like salmon from their spawn run each year.

In order to avoid the misuse of the Manchester Enterprise as a platform which might be considered by some to be of a partisan political nature, I will only point out the necessity for all of us to be informed as to just what we are voting for on proposals on November 2nd, and not to allow ourselves to concentrate on only the aspects of the Presidential column

of the voting booth.

I would urge you to read carefully the analysis on political issues being accomplished by the League of Women Voters and other organizations which give a neutralized, but factual, outcome of what we are really voting for in this most important election.

In looking toward a better American, we will need to use our franchise most wisely on the local and state levels, as well as on the national levels.

If the feelings of those "in the know" in our State Capitol are correct, and I assume they are, our troubles this year will be miniscule in comparison come another year under our system of "free" education.

Let's prove the statisticians are wrong in their theory of our apathy and lack of concern. The only way to prove it is to demand the facts and VOTE on November 2nd.

Thank you.

**MANCHESTER VILLAGE PLANNING COMMISSION**

September 15, 1976

A special meeting of the Manchester Village Planning Commission was held at the village hall, with members present: Broucek, Leeson, Daniels, Chapin, Alt-house, Tracy, and Whittington.

The meeting was called to order at 7:30 p.m. by Ch. Broucek.

Minutes of the last meeting were reviewed, and on the motion by Daniels, supported by Chapin, were approved.

Mr. Ed Rickelman was present to discuss the requirements for a possible apartment complex development on a parcel of property in the northwest corner of Duncan and Hibbard Streets, extending to the former railroad right-of-way. The parcel would be approximately 52,000 Square feet, equivalent to three or four single-family lots. The parcel is presently zoned R-1B, Single-Family Residential. Review of the Preliminary Subdivision

Ordinance was completed, and it was decided to submit the corrections and suggested changes for final consideration of the document.

The time of the next regular meeting was changed, to be held on Wednesday, October 13, at 7:30 P.M.

The meeting was declared adjourned. Laurin F. Leeson, Secretary

## Cross-Country Wins Invitational

Last Saturday our Cross-Country Team added the Sand Creek Invitational trophy to the Jackson and Dunbar Invitational Championships that they had won previously. But the real story was the way the team won.

In the 7 mile meet the flying Dutchmen won with an incredibly low score of 17 points! The Dutchmen took 5 of the top 6 individual places led by Steve Everole's first victory ever. Everole clocked a swift 16:17 time over the 3 mile course and set a course and Manchester Sophomore class record in the process.

Keith Moore finished second for the Dutchmen in 16:26 and Senior Dan Healy ran a "relaxed" 16:30 clocking in third place helping his teammates on.

Jerry Miller, who has put in over 1,000 miles this season in training, finished 5th at 16:47 and Rob Smith cruised in at 16:56 to complete the Dutchmen's scoring.

## Jaycee Halloween Party October 28

Thursday, October 28th is the date set for the Manchester Jaycee and Jaycee Auxiliary's Annual Halloween Party for the children of the Manchester School District. Trick or Treating will start at 5:00 and continue until 7:00 p.m. at which time all the churches of Manchester will ring their bells. This is to signal the end of trick or treating. Pre-schoolers through 6th graders should proceed directly to the high school gymnasium. Manchester Jaycees will act as crossing guards. Judging for the spookiest, the most original, the prettiest and ugliest costumes will begin at 7:15 p.m. Prizes will be awarded and refreshments will be served.

## COUNCIL PROCEEDINGS

October 4, 1976  
Council met in regular session with the meeting called to order by Pres. Little at 7:02 pm. Present were Daniels, Denhoff, Padley, Schaffer, Scully and Zsenyuk; absent Duncan and Fitzgerald.

Minutes of the Sept. 20, 1976 regular meeting were read, corrected and approved in a motion by Scully, supported by Padley. All years, carried. Enter Fitzgerald at 7:06 pm.

Ron Markowski of Markowski and Company was present with the Village audit for the fiscal year ending February 29, 1976. Mr. Markowski recommended that establishment of a General Fixed Assets Account be done according to State requirements. Major equipment and land acquisitions should be itemized. Enter Duncan at 7:12 pm. Equipment purchase and repair were over budget. Moved by Fitzgerald, supported by Denhoff to accept Markowski's report with gratitude. Mr. Markowski is responsible for submitting copies to the State as required. All years, carried.

Steve Toth requested that PVC be placed from the street to his home rather than copper for his water service. Moved by Schaffer, supported by Scully to support the Village Plumbing Inspector's recommendation. Art Williams, Plumbing Inspector, agreed to check into the matter further and advise Council of his recommendation. All years, carried.

Little called Lansing on the grant application for CHI-Bro Park. The appraisal

had been received July 29, 1976. On Sept. 9 it was reviewed and sent to Mr. Kostishak with several questions to be answered.

Fitzgerald reported that the September Equipment Fund Allocation was \$1017.92. A new fountain has been installed on Main Street. A tree has been removed from Carr Park. Two fire hydrants have been repaired. Some patching has been done on asphalt streets. Gravel streets have been graded. Portions of the restrooms at Kirk Park have been repainted. Park grass has been cut, catchbasins cleaned, water meters read, repairs made on street sweeper, and sewer cleaning has been done on Adrian Street. Daniels, in speaking for the Public Works Dept., expressed appreciation to Union Construction Company for the use of the high pressure cleaner which has kept the sewer on Adrian Street working while the source of the problem was being uncovered.

Attorney Roesch was present in conjunction with a petition received from Margaret and Clarence Fielder requesting the abandoning of Duncan Street in said Village from the westerly line of Macomb Street southerly and westerly to the intersection of the northerly line of the land formerly owned by the Michigan-Southern Railroad Company with Union Street and that a hearing thereon be had as provided by law. After discussion, it was moved by Fitzgerald, supported by Denhoff that the petition be accepted and that the resolution as attached to the minutes be

approved. All years, carried.

Council Resolution To Consider Vacating A Portion of Duncan Street.

WHEREAS, Clarence L. Fielder and Margaret Fielder, husband and wife, of the Village of Manchester, Washtenaw County, Michigan have filed a petition with the said Village requesting that the Village Council vacate, discontinue and abolish that part of Duncan Street, in said Village from the westerly line of Macomb Street southerly and westerly to the intersection of the northerly line of land formerly owned by the Michigan-Southern Railroad Company with Union Street, and

WHEREAS, said petitioners are the owners of a portion of the premises abutting said street,  
NOW, THEREFORE, BE IT RESOLVED that the Council of the Village of Manchester deem it advisable to consider the vacating, discontinuing and abolishing that part of Duncan Street as now or formerly used from the westerly line of Macomb Street southerly and westerly to the intersection of the northerly line of land formerly owned by the Michigan-Southern Railroad Company with Union Street in the Village of Manchester, Washtenaw County, Michigan.

And the Village Council does hereby declare its intention to consider the vacating, discontinuing and abolishing said street on November 1, 1976 at 8:00 p.m., in the Village Council Room, 120 South Clinton Street, Manchester, Michigan. Objections to the same shall be filed in writing with Mary Wheeler, Clerk of said Village on or before 8:00 p.m., of said day. Village Council will hold a public hearing at said time and day on the matter.

This resolution shall be published for

four (4) consecutive weeks prior to said date in the Manchester Enterprise a newspaper published and circulated in said Village.

The within Resolution was adopted at a Regular meeting of the Village Council of Manchester, Michigan, On October 4, 1976.

A letter was received from Attorney Roesch concerning the case of Catalana vs. Village of Manchester. The suit has been dismissed for lack of progress.

Schaffer explained the proposed ordinance regulating the making of openings and excavations in streets, alleys, sidewalks and public places of the Village of Manchester, Michigan. Moved by Schaffer, supported by Scully to adopt ordinance No. 97 relative to the making of openings and excavations in streets, alleys, sidewalks and public places of the Village of Manchester, Michigan.

Schaffer indicated that Roesch is working on an ordinance limiting horses in the parks.

Art Williams called to advise Council that the use of PVC in the requested manner is acceptable.

The listing of invoices was reviewed. Moved by Denhoff, supported by Fitzgerald to approve payment of invoices as listed. All years, carried.

## Remember the promises Representative Mike Conlin made two years ago?

### HE KEPT THEM!

1. Mike Conlin promised to represent the voters of the 23rd District who elected him, not the special interest groups in Lansing. He held Town Hall meetings throughout Jackson, Ingham and Washtenaw counties over the past two years to report to and listen to those voters. He is still working at it.
2. Mike Conlin promised to fight higher taxes and he promised to work for fair tax reform. In 1975, he voted against increasing the Personal Income Tax from 3.9% to 4.6%. Now he is fighting Senate Bill 1358, currently pending in the Michigan Senate, which would increase the Michigan Personal Income Tax from 4.6% to 6.6%. He voted against the new Small Business Tax (SBT), an unfair and cruel tax for many small business people, and he is working for its reform or repeal.
3. Mike Conlin was instrumental in the successful petition drive to qualify the Tax Limitation Amendment to the Michigan Constitution for the November ballot this year. Proposal C would limit future growth in State taxing and spending to no more than 8.3% of the total personal income in

Michigan. For the first time, Michigan taxpayers will have a direct voice in how much of their income they are willing to spend for State programs versus how much they need for improving the quality of life for themselves and their families.

4. Mike Conlin promised to use some common sense in his job as a Legislator. He is working to make government better... not bigger. He is working to make state government deliver a dollar's worth of services for each dollar invested by the taxpayer. When state government is not responsive to the citizens, he is there to fight the red-tape and the bureaucracy until it is responsive.

**Representative Mike Conlin**  
He's working for you...Keep him.

**ATHLETIC BOOSTERS CLUB MINUTES**

October 11, 1976

The regular meeting of the Athletic Boosters Club was opened at 8:00 P.M. by secretary Kathy Hagerman.

The minutes of the last meeting were read and approved.

Treasurers report was given by Joe Moore. We have \$1,135.93 in checking and \$822.41 in savings. There are four outstanding bills. The treasurers report was accepted.

Chairman of the concession stand Kathy Hagerman reported that the stand was going well. Workers were very co-operative and as of this date we had taken in \$614.70, not figuring any bills.

Kathy also brought up for discussion as to who was to get free concessions from the stand. It seems there are some who feel they should not have to pay.

A motion was made by Bruce Daniels to supply only visiting cheerleaders with free drinks as hospitality is offered to the players if they want. It was seconded by Ted Stautz.

The bleacher project was brought up and asked what we found out. Ted said Joe Fitzgerald had met in the gym with Gale Koebbe and Ron Gonyer to look at the bleachers. Their recommendation was that the bleachers could be fixed by doing some replacing of bolts, brackets and springs. The school custodians were to order the parts. Ted Stautz had checked with John Korican and parts have not

decided to discuss it further at next meeting in hopes for better membership turnout.

Bruce Daniels would like to see booster minutes in the Enterprise to show people we are an active club and see if more people will attend the meetings. Everyone present agreed the idea was good and Kathy Hagerman secretary said she would put them in.

Sandy King made a motion to really advertise our next meeting by newspaper articles and telephone calls to let everyone know we will be discussing the completion of track field at Klager or proceed with present plans for present athletic field. It was seconded by Joyce Sroufe.

Larry Steeb would like to have boosters purchase 4 pair of track shoes at a total of \$67.94. Kathy Hagerman made a motion to pay for them as the boosters had in the past and we are sure Mr. Steeb utilizes them well. It was seconded by Reno Feldkamp.

Ted Stautz asked if anything had been done regarding Fall Sports Banquet. Kathy Hagerman and Joyce Sroufe will be co-chairman and Sandy King offered to take the decorating committee.

No further business Bruce Daniels made a motion to adjourn meeting, seconded by Joe Moore.

There were nine members present. Larry Steeb, Reno Feldkamp, Bruce Daniels, Ted Stautz, Joe Moore, Sandy King, Joyce Sroufe, Don Tassie, Kathy Hagerman.

The next Booster meeting will be held

Monday, November 8, 1976. Please plan on attending.

Respectfully submitted,  
Kathy Hagerman, Secretary

**NEW CONTEST AT LIBRARY**

In recent years and especially in this Bicentennial year, there has been a tremendous interest in old buildings and homes of historical significance. Manchester surely has its share. One of these is the Township Library. This lovely building is the former residence of Dr. and Mrs. James A. Lynch, constructed in 1867.

Not only is the building old but the library itself has an early birthday. Established in 1838, it is the oldest township library in Michigan and the second oldest library unit giving continuous service in the state, the first being Ann Arbor.

Because we at the library are proud of these facts and because the library belongs to the community, we invite everyone to help us design the letterhead of our new stationery. We would like this to be a sketch of the library building along with our name MANCHESTER TOWNSHIP LIBRARY. So we are having a contest open to everyone for such a sketch, in black and white along with our name. Deadline is December 1. There is only one prize of \$5.00.

If you would like more information come in or call our librarian, Mrs. Mary Boutell, 428-8045.

Library hours are: Monday & Wednesday 1:00-9:00, Tuesday, Thursday & Friday 1:00-5:00, Saturday 9:00-12:00.

## MANCHESTER ROMPS

23. A 7 yard run by Tim and a 15 yard scamper from a pass by Clark enabled Jeff to go through the middle for 1 yard and the touchdown. The 2 point attempt failed as the pass to Pete Tassie was knocked away. With 6:43 left in the 3rd quarter it was Manchester 26, Morenci 3. Shortly after Manchester's kick-off Morenci punted and we threw it right back to them. Again they had to punt and a 5 yard run by Curt aided by a 15 yarder by Tim moved the pigskin to midfield. On the next play Jeff tossed a 20 yarder to Dave Slane who then raced the remaining 30 to the end zone. Jeff connected with Greg for the 2 pointer to make the score 28-3 with 15 seconds left in this 3rd quarter.

Following a punt we got the ball on their 44 and a 9 yard pass to Dan Turvey put the sphere on the 35. Jeff then scrambled then motored 35 yards for the TD. The 2 point attempt was unsuccessful so at 9:13 left we led 34-3. We got the pigskin back when Jeff intercepted and scooped to Morenci's 7 before being dragged down. On the next play Jeff pitched to Tim who rambled for his 2nd touch-

down of the evening. The extra point kick with Fielder holding and Bob Kellogg booting was good, but a bad break for the Dutch as Bob suffered a broken leg from a Bulldog, crashing into him. So at 7:59 we were out front 41-3. The rest of the game went mostly our way so as the clock ticked it's last, Manchester was victorious by the large margin of 41-3.

On the night, Jeff Clark racked up 37 yards and 3 TD's while passing to Slane for another. Curt also ran for 37 while Tim totaled 122 yards, 2 TD's.

Next week Friday will prove our hardest bout this season as we travel to Hudson to meet the No. 1 Ranked Tigers.

## IT'S SUPERIOR!

A superior fisherman is Alf Dean, an Australian who caught a 2,664 pound great white shark in 1959, the largest fish ever caught on a rod!

A superior language is English which contains about 490,000 words, the most in any language. It is doubtful, however, if any individual uses more than 60,000!

A superior chicken ranch is located on 600 acres in Moorpark, California. Known as "Egg City," some two million eggs are laid daily there by over four million chickens!

## AGRICULTURE IN ACTION

THEY FINALLY GOT EARL!

It took an underhanded way of doing it, but they finally got Earl Butz out of office. It matters not that most of those who were out to get him have also used stories with just as much vulgarity. Some of his loudest critics should know their Scripture well enough to quote from heart when they're being attacked, but it's conveniently forgotten when they are the attackers.

The high price support, governmental control advocates just have never gotten over the fact that the market price system can and is working in agriculture. Those who were so anxious to criticize Butz for his policies have forgotten that just a few years ago taxpayers were shelling out millions of dollars to store surplus commodities.

Those who condemn him for promoting export sales have forgotten that farmers in 1972 were paid four billion dollars to keep land out of production because there was no market for their crops if they had been planted.

They don't want to admit that net farm income in this country averaged \$12.3 billion dollars in the 1966-68 period, and during the last three years, it has averaged \$28.5 billion.

Farmers aren't paid not to produce anymore, because markets were opened up overseas. Exports of farm products have brought in over \$20 billion per year for the past three years, while in the 1966-69 period, they brought in only \$6 billion per year.

There is no way that they'll admit that 1973 saw the parity index go above 100 percent for the first time in 20 years, and net farm income reach a record high.

Earl Butz has never minced words when it came to defending the farmer and the competitive free enterprise system. He said back in 1973 that anyone who would place price controls on meat prices was a "damn fool". President Nixon later on did just that, and the livestock industry is still suffering from this action.

The market price concept espoused by Earl Butz has not only been beneficial to farmers, it has been of utmost importance to the total economy because increases in agricultural production and the export markets available gave us a balance of payments surplus last year. That helps buy a lot of oil.

So, while we may be able to do without some of his stories, agriculture in this country is the real loser in the loss of Earl Butz. He had the right kind of philosophy and he told it like it was to the city consumer on behalf of the farmer.

The Health Department will not conduct public clinics for the bivalent vaccine. This vaccine will be administered mainly by private physicians. Nursing homes will cover their own patients. Plans are also being made by retirement centers to administer vaccine to residents of these centers. Some persons will receive the vaccine through clinics organized by senior citizens groups and through existing community clinics such as Packard and Summit.

So far, staff from the Health Department have met with hospital pharmacists and have arranged to have the bivalent vaccine at the County Health Department (County Building) and at the pharmacies at Beyer, Saline, Chelsea, St. Joseph Mercy and University hospitals.

Physicians in the county have been notified of the arrangements and will receive notification of the date of the arrival of the vaccine. We expect the bivalent vaccine approximately mid October.

The monovalent program will be carried out through the Health Department at public sites and some industrial sites. The sites are being confirmed now and will be announced well in advance so persons can get to the clinics. Tentative dates are the first three weeks of November. Clinics will be held in Saline, Milan, Manchester, Dexter, Chelsea, Whitmore Lake areas as well as in Ann Arbor and Ypsilanti.

Three teams of persons will be used and they will have the use of three jet injectors so that the process of vaccination should go very rapidly as 500-600 or more an hour can be done. All persons taking the vaccine must fill in an informed consent form which explains the benefits and risks of the vaccine.

Many persons have already volunteered and will be called together for training sessions in mid October. Anyone wishing to volunteer or wishing more information should call the Washtenaw County Health Department 973-1488 or 973-1460.

## WASHTENAW COUNTY HEALTH DEPARTMENT

The Washtenaw County Health Department has the responsibility to insure that 80% of those over 18 years of age have access to immunizations against the A/New Jersey (swine) influenza. Both a bivalent and a monovalent vaccine have been produced and are being shipped from the State Health Department to local health departments. The bivalent vaccine contains both A Victoria (a milder influenza strain) and A/New Jersey (swine flu). The bivalent vaccine is recommended for persons aged 60 and above and for those with chronic illnesses such as heart and lung diseases, diabetes and certain other diseases. All other persons aged 18 and over should receive the monovalent (contains only A/New Jersey or swine strain) vaccine. There are no recommendations for the 3-18 age group except that the chronically ill should be in touch with their private physicians to receive the bivalent vaccine.

## Card of Thanks

Many heartfelt thanks to all those who helped make this year's Homecoming a special success.

We would like to express particular appreciation to Dr. Richard Dixon and his friends and Mrs. Betty Ahrens for driving their cars in the Homecoming Parade. Also thanks to Mr. Harrison and the Manchester High School Marching Band, the Manchester Police, last year's Homecoming Queen Ms. Karen Campbell and our float judges Mr. and Mrs. Dave Little and Mr. and Mrs. William Bunney.

A special thank you to Mr. and Mrs. Lloyd Hughes who drove us in their covered wagon and to our sponsors the Hardware, Gambles and Grossman-Bauer Gulf.

We can't forget the help of our halftime announcer Steve Chapman, those parents and friends who donated their time to chaperone the Homecoming Dance and the Booster Club who donated to us hot chocolate on a very chilly evening.

And, of course, to all of you behind the scenes - parents, teachers, students, community - thank you for making it a noteworthy event.

## Optimist Club Outstanding Student Dutch Edged by Hudson 16 to 12

Kim Dulle, daughter of Mr. and Mrs. Bernard Dulle of 8375 Neal Road, and a junior at Manchester Community High School, is the Optimist Club's Outstanding citizen for October. It was Manchester's good fortune to have the Dulle family move to Manchester in January of this year from St. Louis, Missouri.

collage to become a community social worker.

Congratulations Kim!

## Trick or Treat For UNICEF

Manchester children and adults will be joining over 3 million other Americans in the celebration of National UNICEF Day this Halloween. Rev. Joseph Wise announced today.

Rev. Wise is the Chairperson of Manchester UNICEF Day activities, which will be coordinated under the auspices of Emanuel United Church of Christ. On October 31 from 4-5 p.m., local youngsters in Halloween costumes will be canvassing door-to-door with the familiar orange-and-black UNICEF cartons, collecting not just treats for themselves, but pennies, dimes and dollars for the world's neediest children.

"We want to do our share in helping the literally millions of children in Asia, Africa and Latin America who so desperately need our support," Rev. Wise said. "Our children - and adults - can learn so much about international understanding through UNICEF Day activities. And the need is so great."

Across the country thousands of communities will be involved in this unique annual effort - Trick-or-Treating, sponsoring benefit sports events, conducting carnivals, holding rummage sales, and many other activities - all to benefit the many children assisted by UNICEF.

UNICEF can do a lot with just a little. Just 30¢ buys enough low-dose Vitamin A and D capsules to supplement the diet of a mother and child for 4 months. One dollar contributed to UNICEF buys enough vaccine to immunize 66 children against tuberculosis. Five dollars contributed to UNICEF stocks a pond with baby fish for a potential protein supply for a rural village.

Carroll O'Connor, award-winning star of "All in the Family", and his real-life wife, Nancy, will be Chairpersons for the 1976 National UNICEF Day Campaign. It is a special honor that Mrs. Betty Ford, for her second year, will serve as Honorary Chairwoman. They join in urging the people of Manchester to open their hearts and give generously when UNICEF Trick or Treeters come to their door.

Curt Fielder gallops for 65 yard touchdown. By Jon Hardenbergh The best 48 minutes of high school football played in the state was in Hudson as the number 1 ranked Tigers faced our Dutchmen. As you probably know, Hudson established a national record for most touchdowns in a game.

## Outstanding Football Players

Manchester High School Football Coach Jim Fielder introduced the team's outstanding players of the month at the Manchester Jaycees October dinner meeting. Pictured above are Jeff Clark and Greg Daniels. Jeff is co-captain and outstanding offensive player, Greg is outstanding defensive player, having 8 solo tackles against Addison. The Jaycees congratulate you Coach Fielder and the whole team on a terrific season.

## UNITED WAY HITS 25% OF 1976 GOAL

The Manchester United Way Campaign for 1976 has reached 25% of this year's goal of \$19,847.

At Saturday's, October 23, third report date Robert Lawson, Campaign Chairman announced that a total of \$4,500, has been pledged thus far toward the support of the 36 area health, family and child care, recreation and research programs. Reports have been received from only two Divisions to date.

All Division Chairmen are asked to report to Robert Lawson on Saturday, October 30 between the hours of 4:30 and 6 P.M. at his office in the Lawson Building.

## JAYCEE AUXILIARY DOLL AND TRACTOR DRAWING

## Library Trustee Election Information

Library Trustees are listed at the bottom of the Democratic and Republican slates for Manchester Township in this year's election. This is the first time this has appeared in this manner.

If you vote a straight ticket in either party, you may also vote for the Library Trustees in the other party without jeopardizing your ballot.

This is due to the fact that there are three vacancies to be filled on the Library Board at this time. Two 6-year terms (Claire Y. Reck and Elizabeth Grossman) and one 2-year term to fill a vacancy caused by a resignation before a 6-year term was completed (Oiga N. Nichols).

This is a complication caused by the new constitution when the Attorney General ruled that Library Trustees must be partisan as are all other Township offices. This is an opinion not held by library minded people.
