I don't think anything is worse for a community than a page of misquoting letters appearing in the paper. The editors for months have been advising that we should not "quote" but "paraphrase" and to omit the names of the writers. This is a good idea in a free society. In my opinion, the best practice is to use the words of the writer when the words are important. It is not fair to quote a writer and then to change the meaning of the words. I don't think the paper is a free press unless it prints the words of the writer. I don't think it is fair to quote a writer and then to change the meaning of the words. I don't think it is fair to quote a writer and then to change the meaning of the words.

When we purchased the Enterprise from Mr. Green in 1975 we made the statement that it was not our paper but the community's paper. We are committed to a free press in the community. We certainly hope that we have lived up to this commitment.

MANCHESTER TOPS DUNDAS 26-14

By Don Karchenberg

Someone I heard told me that this might be an interesting contest and after the game had started, the victory was the outcome. Manchester played solid offense and defense to send the Vikings from Dundas home in the small end of a 26-14 tally. The Dutch got things on the ground in the first and then their special team.

At the end of the first quarter, Dundas had a lead of 14-0. In the second quarter, Manchester scored a 14-0 lead. Dundas scored a 14-14 tie in the third quarter. Manchester scored a 26-14 win in the fourth quarter. Dundas scored a 26-14 win in the fourth quarter. Dundas scored a 26-14 win in the fourth quarter.

Manchester scored a 14-0 lead in the second quarter. Dundas scored a 14-14 tie in the third quarter. Manchester scored a 26-14 win in the fourth quarter.

Two downs later Dundas threw a screened pass and the runner was hit when he caught the ball. Unfortunately he spun away and crossed 49 yards before being tackled. This set them up on our 5 yard line and 2 downs later their quarterback finished in for 4 points. The point back finished in for 4 points. Dundas kicked and it sailed to the 25 yard line. Most of the third quarter was a defensive battle with both sides punting. With 2 minutes left Dundas started to move down the field but was stopped by Manchester's defense. DUTCHMEN FINISH DUAL MEETS 8-0

Our Cross-Country Team finished the dual meet portion of their season with a perfect 8-0 record as they crushed Hudson last Tuesday 16-47.

Senior Dan Healy was first across the line again with a swift 15:46 clocking on the wet Hudson course. Dan was unbeatable in dual meets this season.

Manchester also took the next 3 places as Keith Moore, Steve Eversole, and Jerry Miller all ran solid races and finished with 16:06, 16:20 and 16:28 times. Bob Smith put on a spirited sprint at the finish just missing fifth place. Bob finished 16:38 in 6th.

Darrell Clark was 9th at 18:48, followed by teammates Randy Bondy (10th-19:11), Doug Padley (19:21-11th), Ed Achtsberg (19th-20:38) and Kurt Sauter (14th-20:58), all of whom finished in front of Hudson's 7th man varsity runner.

FLYING DUTCHMEN TOP FIELD AT MANCHESTER INVITATIONAL

The 4th Annual Manchester Cross-Country Invitational was a huge success with nearly 200 runners from 16 area schools competing for the Four 3 Man Team Run trophies and 65 medals.

Our Manchester High Team won the unofficial over-all crown (determined by total time of fast five finishers) as they tallied 80:14 to runner-up Clinton's time of 82:16. The Dutchmen Seniors won the

with a very strong 6:02. Greg Bondy was 16th at 6:27 and Tim Seegart, Morley Hughes, and Kelly Boyd finished 20th, 21st, and 22nd at 7:10, 7:19 and 7:32 respectively.

Manchester Coach Larry Steeb would like to thank all of the meet workers for helping make this meet the best organized and praised meet in this area.

L.C.A.A. CROWN GOES TO DUTCH CROSS-COUNTRYMEN

Our Cross-Country Team continued its winning ways this past Wednesday as they cruised to a league record low 25 points in winning their first league championship.

Hudson's Evergreen Golf Course proved to be a "long" 3 miles as times were generally slow, but that didn't stop the Flying Dutchmen as they put 5 men into the top 10 "All League" team.

Addison 2 time league champion Brad Shaw edged out the Dutchmen "Ace" Dan Healy 15:50 to 15:54, but Healy has improved greatly in the last week from an earlier bout with the flu.

Keith Moore will be the top returning runner in the league next fall as the Junior finished a very strong 3rd at 16:27 followed by teammate Steve Eversole in 4th at 16:35. Jerry Miller finished 6th with a 16:46 and Bob Padley was 10th

at 17:02 to complete the Dutchmen scoring 5 that set a new league record low. Senior Co-Captain Bob Smith helped to push the other teams scores higher as he finished 12th in 17:20 and Kurt Norgaard completed the varsity 7 with a 18:02 clocking in 21st.

Clinton finished a distant second with 55 points and Addison was 3rd with 57 points. Ousted surprised Hudson with a 4th place total of 122 ahead of the Tigers 128 point score. Moroni finished last with 149 points.

The Dutchmen's J.V. squad finished 2nd behind a strong Addison J.V. squad. Terry Brown finished 6th at 18:48 followed by Randy Bondy (8th-19:43), Darrell Clark (9th-19:22), Doug Padley (11th-19:49), Eddie Achtsberg (13th-20:22), Gary Bondy (15th-21:12) and Kurt Sauter (16th-21:48).

Can you afford to expand?

Herd expansion means land expansion. For the best analysis of your financial needs at a time when land prices are doubling, see your Federal Land Bank representative. Today's capital expenditures run high for expansion. That's why the Land Bank offers large amounts of capital that's truly long-term at reasonable rates. When you think expansion, think Land Bank.

MANCHESTER BAND AND ORCHESTRA BANQUET

Even though the start of the season was a late one, the Manchester Band and Orchestra Boosters kick-off banquet was a big success with approximately 150 people in attendance.

After all that good food was consumed, the President of the Band and Orchestra Boosters, Mr. Fink, called a very informal meeting to order.

Introductions were made by the president, with John Senter being introduced as the Vice President, Helen Wald as Secretary and Carolyn Senter as Treasurer.

Some thirty-five families in attendance were also acknowledged by name, Lisa Haber and Teresa Sengert, the twin daughters for the Manchester Marching Band and Mike Fink, the drum j.

and Mike Fink, the drum major, were also introduced. All were pleased to see Mr. Don Tassie, Principal of the Klapper Elementary School in attendance along with Susan Westfall, a member of the Manchester Board of Education and a good booster member.

Everyone gave a good booster member. Everyone gave a big old-fashioned "hello" to Henry Je-

ward of Manchester, France, Henry is an exchange student to Manchester High School and is staying with the John Senter family.

Thanks were given to John Olson and to Kurt and Karl Senter for their good assistance at the fair booth in August and also to Jean Ann Wald, who makes the "M" booster buttons that are always available at every band and orchestra function.

The secretary's report was dispensed with and the treasurer's report was read. Diane Schwab gave a good, concise report on the Eastern Market. All felt everyone involved had done a good job. The Eastern Market is already on the calendar for next year.

Carolyn Senter, on behalf of the Man-

chester Bicentennial Committee, presented a gift to the Boosters. The gift was greatly appreciated and will be put to good use.

Joyce Meeble, who is actively involved with the Middle School music program, was called on to give a short report on the progress of her program. She has great enthusiasm for the young people and their music and even after a slow start, she feels good things will happen.

Roger Harrison added his comments and compliments. He feels there is a new and better feeling in the band and that there is no way to go but up.

Alice Greeninger was absent because of the flu.

It was announced that a football concert, "Half Time in Review", would be presented on Friday evening, November 12, 1976. Admission will be free. The time and place will be announced at a later date. A social hour will follow the concert. We hope to see you at the concert to share the music and to converse with the businessmen afterward.

The next regular meeting of the Manchester Band and Orchestra Boosters will be November 23.

Superintendent of Schools

All of us in the Manchester Community Schools hope that you have circled November 10th, 1976 on your calendar for 6:00 p.m., in the study auditorium of the high school for a potluck dinner to be followed by a community educational workshop. It's the kind of educational party we are delighted to share with all of you and we look forward to learning a good deal by sharing with each of you.

While all interested adults in the community are invited to attend, a copy of the program will be sent out to all parents of children in the district this week. If you do not have children in the district and want a copy of the program prior to the 10th, pick one up or call the Board of Education office at 428-7300.

Reservations should be made prior to 4:00 p.m. on Tuesday, November 9th, by calling any of the school principals or the Superintendent's office. You will be informed as to what is being at that time, and you can inform us as to how many persons will be attending from your family. Everyone should plan to bring their own table service. Coffee will be furnished by the Board of Education.

Each participant will have the opportunity to choose either one long session lasting all evening, or three 45 minute information-sharing sessions. Among the many topics being offered are: Sex Education, Values Clarification Strategies, Christianity in the Schools, PREP for Manchester children, The Swine Flu and Diseases in Children, Special Services Available to Youngsters, Living with Dying, Increasing the Effectiveness in the Teaching of Reading and Math, The Teacher's Professional Association and the Meaning of the Master Contract, The Future of Education, Discipline - What Does

LETTERS TO THE EDITOR

even better. In fact, most of the problems facing us today are a direct result of issues not dealt with in the past.

It has been most difficult for me to live with the many program cuts made necessary by the reduction of State aid and deficit spending of last year, and the elimination of inventory taxes this year.

There are times when I don't understand some community behavior. The Superintendent's home has been defaced and windows broken. He and his family have been threatened with physical harm.

I believe the Board is very much in control, and feels the mandate to meet community expectations that have been expressed for many years.

It would be helpful if everyone who is concerned with education in Manchester would attend Board meetings, ask questions, express concerns openly, and get information first hand.

related contact we can only see the tip of the iceberg.

School Boards, administrators, and faculty aren't perfect. They don't improve more students than ours. Now after some of our children can no longer be affected by it the board and administration are acting.

Herbert F. Mahoy 310 Ann Arbor Manchester, Michigan 48158

Dear Editor,

We are writing this letter in support of our School Board and present administrator.

For several years the people in Manchester have been grumbling about the fact that our school board does not "do anything". We don't agree with that but it is obvious that some of the "necessary things" have not been done or we would not be in the situation we are in now.

Presently we have three children involved in the school system, two have already graduated. We could state from personal experience some situations that

were not handled to our satisfaction. Contact with school administration was fruitless. Many of these situations affected more students than ours.

We now have faith that if we approach Mr. Green or most any member of the school board they will work together to find answers to many of our questions.

We have lived in this community all our lives, very thankful that we could raise our children here. But at this point, dismayed, and yes, ashamed, at the lack of support that is given someone who is going far beyond the call of duty.

Bill and Diane Schwab

Dear Editor:

Please be advised that as a family we would like to highlight the positive aspects of the Educational Progress in Manchester, bearing in mind that progress can be painful.

It seems to us, the parents of three school age children, that Mr. William J. Green and the Manchester Board of Education are striving to improve the Educational System in Manchester.

Let us get off this negative track and all shift into a positive force for an improved educational setting for all. The Manchester School System appears to be moving forward; let's give them our support.

Thank you, Jack & Barbara Kennedy 530 West Main Street Manchester, Michigan 48158
